

1 AN ACT in relation to toll highways.

2 Be it enacted by the People of the State of Illinois,
3 represented in the General Assembly:

4 Section 5. The Toll Highway Act is amended by adding
5 Section 36 as follows:

6 (605 ILCS 10/36 new)

7 Sec. 36. Use of tolls for particular segment of toll
8 highway. Revenues generated from tolls collected on an
9 existing segment of a toll highway shall not be used to pay
10 any cost of a new segment that has not been constructed as of
11 the effective date of this Section, unless toll revenues
12 collected on the new segment will pay for 75% of the cost of
13 that new segment within the time period over which the
14 Authority plans to finance the new segment's construction.
