

1 AN ACT relating to higher education.

2 Be it enacted by the People of the State of Illinois,
3 represented in the General Assembly:

4 Section 5. The Board of Higher Education Act is amended
5 by adding Section 9.30 as follows:

6 (110 ILCS 205/9.30 new)

7 Sec. 9.30. Critical worker shortage grant program. To
8 establish and administer a program of grants to
9 degree-granting institutions of higher education for the
10 purpose of responding promptly to new workforce needs for
11 educated employees in specific high demand fields. These
12 grants may be awarded to public institutions of higher
13 education or nonpublic degree-granting institutions or both.
14 These grants may be made to institutions to develop new
15 educational programs in specifically designated high demand
16 fields or to support expansion of existing educational
17 programs in those fields of worker shortages. The Board shall
18 take into consideration labor information from the Illinois
19 Occupational Information Coordinating Committee, the
20 Department of Employment Security, and its own market
21 research in responding and establishing a grant program to
22 meet critical workforce needs. The Board may designate funds
23 appropriated for this purpose to establish a program of
24 competitive grants for new and expanded educational program
25 development or may allocate funds available on the basis of
26 degrees conferred or program enrollments in order to
27 encourage development of increased educational program
28 capacity.

29 Section 10. The Illinois Financial Assistance Act for
30 Nonpublic Institutions of Higher Learning is amended by

1 changing Sections 3, 4, 5, and 7 as follows:

2 (110 ILCS 210/3) (from Ch. 144, par. 1333)

3 Sec. 3. For the academic year beginning in 2002
4 ~~September-17-1977~~, institutional grants may ~~shall~~ be made for
5 that and for each succeeding academic year to each nonpublic
6 institution of higher learning in an amount determined by
7 allocating amounts for funding this Act among the eligible
8 institutions in accordance with a formula or formulae based
9 upon one or more of the following factors: ~~on~~ the number of
10 undergraduate degrees granted to students who are residents
11 of the State of Illinois enrolled as students at each such
12 institution; the number of full-time equivalent undergraduate
13 students who are residents of the State of Illinois enrolled
14 as students at each such institution; and the number of ~~7-~~with
15 ~~double-credit-being-given-to-the~~ full-time equivalent of such
16 students who are junior or senior students at such
17 institutions. ~~The---number---of---full-time---equivalent~~

21 The Board of Higher Education shall establish formula
22 allocations guidelines and adopt rules necessary for the
23 administration of this Act.

24 Conditions of institutional eligibility for these grants
25 shall include but need not be limited to the following:

26 (1) That the governing board of the institution possess
27 its own sovereignty.

28 (2) That the governing board, or its delegated
29 institutional officials, possess final authority in all
30 matters of local control, including educational policy,
31 choice of personnel, determination of program, and financial
32 management.

33 (3) That the institution possess and maintain an open

1 policy with respect to race, creed and color as to admission
2 of students, appointment of faculty and employment of staff.

3 (4) That the institution be able to show its current
4 financial stability and reasonable prospects for its future
5 stability.

6 (5) That the institution not be operated for profit.

7 (6) That the institution provide a full financial report
8 including a certified audit, and participate in the unit cost
9 study and other studies conducted annually by the Board of
10 Higher Education.

11 (7) If required by rule of the Board, that the
12 institution submit to an additional annual external audit of
13 its enrollment records and nonsectarian use of funds.

2 (110 ILCS 210/5) (from Ch. 144, par. 1335)

3 Sec. 5. The Board shall prescribe and advise such
4 institutions as to the form of certificate or certificates to
5 be submitted under Section 4 of this Act, and promptly upon
6 receipt of such certificates from the institutions shall
7 certify to the State Comptroller ~~Treasurer~~ the aggregate
8 amount of the grant allocable to and to be paid to each such
9 institution. The Board shall examine the certificates
10 furnished by the institutions and may require such further
11 data and information as the Board may request. Upon written
12 notice by the Board to any institution, the Board may examine
13 the institution's student enrollment records for the purpose
14 of verification, amendment or correction of any such
15 certificate.

26 Section 15. The Health Services Education Grants Act is
27 amended by changing Section 4 as follows:

28 (110 ILCS 215/4) (from Ch. 111 1/2, par. 824)

29 Sec. 4. Grants may be made to medical, dental, pharmacy,
30 optometry, and nursing schools, to physician assistant

1 programs, to other health-related schools and programs, and
2 to hospitals and clinical facilities used in health service
3 training programs.

4 Qualification for grants shall be on the basis of either
5 the number of Illinois resident enrollees or the number of
6 degrees granted to students who are residents of this State,
7 ~~an-increase-in-the-number-of-Illinois-resident-enrollees,~~ or
8 both. The grant ~~or-proportion-of-increase-required-to~~
9 ~~qualify~~ shall be determined by the Board of Higher Education
10 for each class of institution. ~~However,~~~~-in-no-case-shall-an~~
11 ~~institution-qualify-for-grants-unless--the--increase--in--its~~
12 ~~number--of--Illinois--resident-enrollees-is-at-least-equal-to~~
13 ~~the-increase-in-total-enrollment-made-possible--through--such~~
14 ~~grants.~~

15 At the discretion of the Board of Higher Education grants
16 may be made for each class of institution in any or all of
17 the following forms:

18 (1) Single nonrecurring grants for planning and capital
19 expense based on the increase in the number of Illinois
20 resident enrollees;

21 (2) Annual grants based on the ~~increase-in-the~~ number of
22 degrees granted to (a) Illinois resident enrollees, or (b)
23 Illinois resident enrollees from minority racial and ethnic
24 groups, or both (a) and (b); and

25 (3) Annual stabilization grants based on the number of
26 (a) Illinois residents ~~already~~ enrolled, or (b) Illinois
27 residents ~~already~~ enrolled from minority racial and ethnic
28 groups, or both (a) and (b).

29 In awarding grants to nursing schools and to hospital
30 schools of nursing, the Board of Higher Education may also
31 consider whether the nursing program is located in a
32 certified nurse shortage area. For purposes of this Section
33 "certified nurse shortage area" means an area certified by
34 the Director of the Department of Public Health as a nurse

1 shortage area based on the most reliable data available to
2 the Director.
