

1 AN ACT in relation to municipal government.

2 Be it enacted by the People of the State of Illinois,
3 represented in the General Assembly:

4 Section 5. The Illinois Municipal Code is amended by
5 changing Section 1-1-4 as follows:

6 (65 ILCS 5/1-1-4) (from Ch. 24, par. 1-1-4)

7 Sec. 1-1-4. This Code shall apply generally to all
8 municipalities which are treated as properly incorporated
9 under this Code as provided in the first paragraph of Section
10 1-1-3 and to all municipalities which are incorporated under
11 this Code.

12 This Code shall also apply generally to all
13 municipalities incorporated and now existing under a special
14 charter except to the extent that this Code is in conflict
15 with any provision in a special charter, and except as
16 otherwise provided in subsection (1) of Section 1-1-2. In the
17 event that there is a conflict between a provision in this
18 Code and a provision in a special charter, the special
19 charter shall govern except where any such charter conflicts
20 with or is inconsistent with the general election law and
21 except where a provision in this Code is stated to apply to
22 municipalities incorporated under a special charter, or to
23 municipalities whether incorporated under a general or
24 special act, or words to that effect, or where it is
25 otherwise made manifest that this Code or any other Illinois
26 statute is intended to govern despite the inconsistent
27 provisions in the special charter. A municipality
28 incorporated under a special charter may, by ordinance or
29 resolution, adopt the provisions of Sections 3.1-15-10,
30 3.1-20-5, and 3.1-20-22 of this Code.

31 However, if a particular section of this Code is limited

1 to cities or villages or incorporated towns or any
2 combination thereof, or to cities, villages, or incorporated
3 towns of a specified type or any combination thereof, that
4 intention shall prevail.
