

1 AN ACT concerning municipalities.

2 Be it enacted by the People of the State of Illinois,  
3 represented in the General Assembly:

4 Section 5. The Illinois Municipal Code is amended by  
5 changing Section 11-102-4 as follows:

6 (65 ILCS 5/11-102-4) (from Ch. 24, par. 11-102-4)

7 Sec. 11-102-4. (a) Every municipality specified in  
8 Section 11-102-1 may contract for the removal or relocation  
9 of all buildings, railways, mains, pipes, conduits, wires,  
10 poles, and all other structures, facilities and equipment  
11 which may interfere with the location, expansion or  
12 improvement of any public airport, or with the safe approach  
13 thereto or take-off therefrom by aircraft, and may acquire by  
14 gift, grant, lease, purchase, condemnation or otherwise any  
15 private property, public property or property devoted to any  
16 public use or rights or easements therein for any purpose  
17 authorized by this Section and Sections 11-102-1 through  
18 11-102-3.

19 (b) If any municipality exercises its condemnation  
20 powers or any other powers to acquire property granted by  
21 this Section over any real property located within the  
22 territorial limits of any other municipality or unit of local  
23 government, the municipality exercising those powers must  
24 grant full compensation to the other municipality or unit of  
25 local government within which these condemnation powers or  
26 other acquisition powers are being exercised. For the purpose  
27 of this subsection, "full compensation" means compensation  
28 for any property tax revenue or other revenue that the  
29 municipality or other unit of local government within which  
30 these condemnation powers or other acquisition powers are  
31 being exercised would have enjoyed throughout the entire

1 useful life of the real property that has been condemned or  
2 otherwise acquired under the powers granted by this Section.
