

1 AN ACT in relation to public employee benefits.

2 Be it enacted by the People of the State of Illinois,  
3 represented in the General Assembly:

4 Section 5. The Illinois Pension Code is amended by  
5 changing Section 3-110 as follows:

6 (40 ILCS 5/3-110) (from Ch. 108 1/2, par. 3-110)

7 Sec. 3-110. Creditable service.

8 (a) "Creditable service" is the time served by a police  
9 officer as a member of a regularly constituted police force  
10 of a municipality. In computing creditable service furloughs  
11 without pay exceeding 30 days shall not be counted, but all  
12 leaves of absence for illness or accident, regardless of  
13 length, and all periods of disability retirement for which a  
14 police officer has received no disability pension payments  
15 under this Article shall be counted.

16 (a-5) Up to 3 years of time during which the police  
17 officer receives a disability pension under Section 3-114.1,  
18 3-114.2, 3-114.3, or 3-114.6 shall be counted as creditable  
19 service, provided that (i) the police officer returns to  
20 active service after the disability for a period at least  
21 equal to the period for which credit is to be established and  
22 (ii) the police officer makes contributions to the fund based  
23 on the rates specified in Section 3-125.1 and the salary upon  
24 which the disability pension is based. These contributions  
25 may be paid at any time prior to the commencement of a  
26 retirement pension. The police officer may, but need not,  
27 elect to have the contributions deducted from the disability  
28 pension or to pay them in installments on a schedule approved  
29 by the board. If not deducted from the disability pension,  
30 the contributions shall include interest at the rate of 6%  
31 per year, compounded annually, from the date for which

1 service credit is being established to the date of payment.  
2 If contributions are paid under this subsection (a-5) in  
3 excess of those needed to establish the credit, the excess  
4 shall be refunded. This subsection (a-5) applies to persons  
5 receiving a disability pension under Section 3-114.1,  
6 3-114.2, 3-114.3, or 3-114.6 on the effective date of this  
7 amendatory Act of the 91st General Assembly, as well as  
8 persons who begin to receive such a disability pension after  
9 that date.

10 (b) Creditable service includes all periods of service  
11 in the military, naval or air forces of the United States  
12 entered upon while an active police officer of a  
13 municipality, provided that upon applying for a permanent  
14 pension, and in accordance with the rules of the board, the  
15 police officer pays into the fund the amount the officer  
16 would have contributed if he or she had been a regular  
17 contributor during such period, to the extent that the  
18 municipality which the police officer served has not made  
19 such contributions in the officer's behalf. The total amount  
20 of such creditable service shall not exceed 5 years, except  
21 that any police officer who on July 1, 1973 had more than 5  
22 years of such creditable service shall receive the total  
23 amount thereof.

24 (b-1) In addition to any creditable service established  
25 under subsection (b), creditable service may be granted for  
26 up to 24 months of service in the armed forces of the United  
27 States that was not immediately preceded by employment as a  
28 police officer. In order to receive creditable service for  
29 military service under this subsection (b-1), a police  
30 officer must (1) apply to the Fund in writing and provide  
31 evidence of the military service that is satisfactory to the  
32 Board and (2) make contributions to the Fund equal to (i) the  
33 employee contributions that would have been required had the  
34 service been rendered as a member, plus (ii) an amount

1 determined by the board to be equal to the employer's normal  
2 cost of the benefits accrued for that military service, plus  
3 (iii) interest on items (i) and (ii) from the date of first  
4 membership in the Fund to the date of payment, at the rate of  
5 6% per year, compounded annually.

6 This subsection (b-1) applies to persons who begin  
7 receiving a retirement annuity on or after January 1, 1996.  
8 In the case of an applicant who is receiving a retirement  
9 annuity on the effective date of this amendatory Act of the  
10 92nd General Assembly, the increase in annuity resulting from  
11 any additional creditable service established under this  
12 subsection (b-1) shall begin to accrue on the first annuity  
13 payment date following the date of payment of the  
14 contribution required under this subsection.

15 (c) Creditable service also includes service rendered by  
16 a police officer while on leave of absence from a police  
17 department to serve as an executive of an organization whose  
18 membership consists of members of a police department,  
19 subject to the following conditions: (i) the police officer  
20 is a participant of a fund established under this Article  
21 with at least 10 years of service as a police officer; (ii)  
22 the police officer received no credit for such service under  
23 any other retirement system, pension fund, or annuity and  
24 benefit fund included in this Code; (iii) pursuant to the  
25 rules of the board the police officer pays to the fund the  
26 amount he or she would have contributed had the officer been  
27 an active member of the police department; and (iv) the  
28 organization pays a contribution equal to the municipality's  
29 normal cost for that period of service.

30 (d)(1) Creditable service also includes periods of  
31 service originally established in another police pension  
32 fund under this Article or in the Fund established under  
33 Article 7 of this Code for which (i) the contributions  
34 have been transferred under Section 3-110.7 or Section

1 7-139.9 and (ii) any additional contribution required  
2 under paragraph (2) of this subsection has been paid in  
3 full in accordance with the requirements of this  
4 subsection (d).

5 (2) If the board of the pension fund to which  
6 creditable service and related contributions are  
7 transferred under Section 3-110.7 or 7-139.9 determines  
8 that the amount transferred is less than the true cost to  
9 the pension fund of allowing that creditable service to  
10 be established, then in order to establish that  
11 creditable service the police officer must pay to the  
12 pension fund, within the payment period specified in  
13 paragraph (3) of this subsection, an additional  
14 contribution equal to the difference, as determined by  
15 the board in accordance with the rules and procedures  
16 adopted under paragraph (6) of this subsection.

17 (3) Except as provided in paragraph (4), the  
18 additional contribution must be paid to the board (i)  
19 within 5 years from the date of the transfer of  
20 contributions under Section 3-110.7 or 7-139.9 and (ii)  
21 before the police officer terminates service with the  
22 fund. The additional contribution may be paid in a lump  
23 sum or in accordance with a schedule of installment  
24 payments authorized by the board.

25 (4) If the police officer dies in service before  
26 payment in full has been made and before the expiration  
27 of the 5-year payment period, the surviving spouse of the  
28 officer may elect to pay the unpaid amount on the  
29 officer's behalf within 6 months after the date of death,  
30 in which case the creditable service shall be granted as  
31 though the deceased police officer had paid the remaining  
32 balance on the day before the date of death.

33 (5) If the additional contribution is not paid in  
34 full within the required time, the creditable service

1 shall not be granted and the police officer (or the  
2 officer's surviving spouse or estate) shall be entitled  
3 to receive a refund of (i) any partial payment of the  
4 additional contribution that has been made by the police  
5 officer and (ii) those portions of the amounts  
6 transferred under subdivision (a)(1) of Section 3-110.7  
7 or subdivisions (a)(1) and (a)(3) of Section 7-139.9 that  
8 represent employee contributions paid by the police  
9 officer (but not the accumulated interest on those  
10 contributions) and interest paid by the police officer to  
11 the prior pension fund in order to reinstate service  
12 terminated by acceptance of a refund.

13 At the time of paying a refund under this item (5),  
14 the pension fund shall also repay to the pension fund  
15 from which the contributions were transferred under  
16 Section 3-110.7 or 7-139.9 the amount originally  
17 transferred under subdivision (a)(2) of that Section,  
18 plus interest at the rate of 6% per year, compounded  
19 annually, from the date of the original transfer to the  
20 date of repayment. Amounts repaid to the Article 7 fund  
21 under this provision shall be credited to the appropriate  
22 municipality.

23 Transferred credit that is not granted due to  
24 failure to pay the additional contribution within the  
25 required time is lost; it may not be transferred to  
26 another pension fund and may not be reinstated in the  
27 pension fund from which it was transferred.

28 (6) The Public Employee Pension Fund Division of  
29 the Department of Insurance shall establish by rule the  
30 manner of making the calculation required under paragraph  
31 (2) of this subsection, taking into account the  
32 appropriate actuarial assumptions; the police officer's  
33 service, age, and salary history; the level of funding of  
34 the pension fund to which the credits are being

1 transferred; and any other factors that the Division  
2 determines to be relevant. The rules may require that  
3 all calculations made under paragraph (2) be reported to  
4 the Division by the board performing the calculation,  
5 together with documentation of the creditable service to  
6 be transferred, the amounts of contributions and interest  
7 to be transferred, the manner in which the calculation  
8 was performed, the numbers relied upon in making the  
9 calculation, the results of the calculation, and any  
10 other information the Division may deem useful.

13 Section 90. The State Mandates Act is amended by adding  
14 Section 8.26 as follows:

16 Sec. 8.26. Exempt mandate. Notwithstanding Sections 6  
17 and 8 of this Act, no reimbursement by the State is required
