20 of 1997 to establish a uniform program of health benefits for
21 community college benefit recipients and their dependent
22 beneficiaries under the administration of the Department of
23 Central Management Services.

24 (b) Creation of program. Beginning July 1, 1999, the
25 Department of Central Management Services shall be

27 for community college benefit recipients and community

32 (c) Eligibility. All community college benefit
33 recipients and community college dependent beneficiaries

1 shall be eligible to participate in the program established
2 under this Section, without any interruption or delay in
3 coverage or limitation as to pre-existing medical conditions.
4 Eligibility to participate shall be determined by the State
5 Universities Retirement System. Eligibility information
6 shall be communicated to the Department of Central Management
7 Services in a format acceptable to the Department.

8 Beginning January 1, 2001, a part-time employee of a
9 community college district (other than a community college
10 district subject to Article VII of the Public Community
11 College Act) who is eligible to participate in a group health
12 benefit plan as an employee may elect to participate in the
13 program established under this Section. The election must be
14 in writing and filed with the employer and the State

16 election and the employer must make the contributions
17 specified in Section 6.10.

18 (d) Coverage. The health benefit coverage provided
19 under this Section shall be a program of health, dental, and

25 subsection (a) of Section 6 of this Act for other health
26 benefit programs under this Act.

27 (e) Insurance rates and premiums. The Director shall
28 determine the insurance rates and premiums for community
29 college benefit recipients and community college dependent
30 beneficiaries. Rates and premiums may be based in part on
31 age and eligibility for federal Medicare coverage. The
32 Director shall also determine premiums that will allow for
33 the establishment of an actuarially sound reserve for this
34 program.

12 Retirement System; except that (i) if the balance of the
13 cost of coverage exceeds the amount of the monthly
14 annuity or benefit payment, the difference shall be paid
15 directly to the State Universities Retirement System by
16 the community college benefit recipient, and (ii) all or
17 part of the balance of the cost of coverage may, at the
18 option of the board of trustees of the community college

23 promptly deposit all moneys withheld by or paid to it
24 under this subdivision (e)(2) into the Community College
25 Health Insurance Security Fund. These moneys shall not
26 be considered assets of the State Universities Retirement

30 under this Section shall be deposited into the Community
31 College Health Insurance Security Fund, which is hereby

33 the State Treasury, with the State Treasurer as custodian.
34 Any interest earned on moneys in the Community College Health

1 Insurance Security Fund shall be deposited into the Fund.

2 Moneys in the Community College Health Insurance Security
3 Fund shall be used only to pay the costs of the health
4 benefit program established under this Section, including
5 associated administrative costs and the establishment of a
6 program reserve. Beginning January 1, 1999, the Department
7 of Central Management Services may make expenditures from the
8 Community College Health Insurance Security Fund for those
9 costs.

15 contract or other arrangement for the provision of these
16 health benefits shall be on terms deemed by the Director to
17 be in the best interest of the State of Illinois and the
18 community college benefit recipients based on, but not
19 limited to, such criteria as administrative cost, service
20 capabilities of the carrier or other contractor, and the
21 costs of the benefits.

23 General Assembly that the program of health benefits provided
24 under this Section be maintained on an ongoing, affordable
25 basis. The program of health benefits provided under this
26 Section may be amended by the State and is not intended to be

28 Article XIII, Section 5 of the Illinois Constitution.
