8 (f) To establish a program of services to prevent
9 unnecessary institutionalization of persons with Alzheimer's
10 disease and related disorders or persons in need of long term
11 care who are established as blind or disabled as defined by
12 the Social Security Act, thereby enabling them to remain in
13 their own homes or other living arrangements. Such preventive
14 services may include, but are not limited to, any or all of
15 the following:

- 16 (1) home health services;
- 17 (2) home nursing services;
- 18 (3) homemaker services;
- 19 (4) chore and housekeeping services;
- 20 (5) day care services;

28 enable the person to become self-supporting.

29 The Department shall establish eligibility standards for
30 such services taking into consideration the unique economic
31 and social needs of the population for whom they are to be
32 provided. Such eligibility standards may be based on the
33 recipient's ability to pay for services; provided, however,
34 that any portion of a person's income that is equal to or

1 less than the "protected income" level shall not be
2 considered by the Department in determining eligibility. The
3 "protected income" level shall be determined by the
4 Department, shall never be less than the federal poverty
5 standard, and shall be adjusted each year to reflect changes
6 in the Consumer Price Index For All Urban Consumers as
7 determined by the United States Department of Labor.
8 Additionally, in determining the amount and nature of
9 services for which a person may qualify, consideration shall
10 not be given to the value of cash, property or other assets
11 held in the name of the person's spouse pursuant to a written
12 agreement dividing marital property into equal but separate
13 shares or pursuant to a transfer of the person's interest in
14 a home to his spouse, provided that the spouse's share of the
15 marital property is not made available to the person seeking
16 such services.

17 The services shall be provided to eligible persons to
18 prevent unnecessary or premature institutionalization, to the
19 extent that the cost of the services, together with the other
20 personal maintenance expenses of the persons, are reasonably
21 related to the standards established for care in a group
22 facility appropriate to their condition. These
23 non-institutional services, pilot projects or experimental
24 facilities may be provided as part of or in addition to those
25 authorized by federal law or those funded and administered by
26 the Illinois Department on Aging.

27 Personal care attendants shall be paid:

28 (i) A \$5 per hour minimum rate beginning July 1,
29 1995.

30 (ii) A \$5.30 per hour minimum rate beginning July
31 1, 1997.

32 (iii) A \$5.40 per hour minimum rate beginning July
33 1, 1998.

34 The Department shall execute, relative to the nursing

1 home prescreening project, as authorized by Section 4.03 of
2 the Illinois Act on the Aging, written inter-agency
3 agreements with the Department on Aging and the Department of
4 Public Aid, to effect the following: (i) intake procedures
5 and common eligibility criteria for those persons who are
6 receiving non-institutional services; and (ii) the
7 establishment and development of non-institutional services
8 in areas of the State where they are not currently available
9 or are undeveloped. On and after July 1, 1996, all nursing
10 home prescreenings for individuals 18 through 59 years of age
11 shall be conducted by the Department.

12 The Department is authorized to establish a system of
13 recipient cost-sharing for services provided under this
14 Section. The cost-sharing shall be based upon the
15 recipient's ability to pay for services, but in no case shall
16 the recipient's share exceed the actual cost of the services
17 provided. Protected income shall not be considered by the
18 Department in its determination of the recipient's ability to
19 pay a share of the cost of services. The level of
20 cost-sharing shall be adjusted each year to reflect changes
21 in the "protected income" level. The Department shall deduct
22 from the recipient's share of the cost of services any money
23 expended by the recipient for disability-related expenses.

24 The Department, or the Department's authorized
25 representative, shall recover the amount of moneys expended
26 for services provided to or in behalf of a person under this
27 Section by a claim against the person's estate or against the
28 estate of the person's surviving spouse, but no recovery may
29 be had until after the death of the surviving spouse, if any,
30 and then only at such time when there is no surviving child
31 who is under age 21, blind, or permanently and totally
32 disabled. This paragraph, however, shall not bar recovery,
33 at the death of the person, of moneys for services provided
34 to the person or in behalf of the person under this Section

1 to which the person was not entitled; provided that such
2 recovery shall not be enforced against any real estate while
3 it is occupied as a homestead by the surviving spouse or
4 other dependent, if no claims by other creditors have been
5 filed against the estate, or, if such claims have been filed,
6 they remain dormant for failure of prosecution or failure of
7 the claimant to compel administration of the estate for the
8 purpose of payment. This paragraph shall not bar recovery
9 from the estate of a spouse, under Sections 1915 and 1924 of
10 the Social Security Act and Section 5-4 of the Illinois
11 Public Aid Code, who precedes a person receiving services
12 under this Section in death. All moneys for services paid to
13 or in behalf of the person under this Section shall be
14 claimed for recovery from the deceased spouse's estate.
15 "Homestead", as used in this paragraph, means the dwelling
16 house and contiguous real estate occupied by a surviving
17 spouse or relative, as defined by the rules and regulations
18 of the Illinois Department of Public Aid, regardless of the
19 value of the property.

20 The Department and the Department on Aging shall
21 cooperate in the development and submission of an annual
22 report on programs and services provided under this Section.
23 Such joint report shall be filed with the Governor and the
24 General Assembly on or before March 30 each year.

25 The requirement for reporting to the General Assembly
26 shall be satisfied by filing copies of the report with the
27 Speaker, the Minority Leader and the Clerk of the House of
28 Representatives and the President, the Minority Leader and
29 the Secretary of the Senate and the Legislative Research
30 Unit, as required by Section 3.1 of the General Assembly
31 Organization Act, and filing additional copies with the State
32 Government Report Distribution Center for the General
33 Assembly as required under paragraph (t) of Section 7 of the
34 State Library Act.

1 (g) To establish such subdivisions of the Department as
2 shall be desirable and assign to the various subdivisions the
3 responsibilities and duties placed upon the Department by
4 law.

5 (h) To cooperate and enter into any necessary agreements
6 with the Department of Employment Security for the provision
7 of job placement and job referral services to clients of the
8 Department, including job service registration of such
9 clients with Illinois Employment Security offices and making
10 job listings maintained by the Department of Employment
11 Security available to such clients.

12 (i) To possess all powers reasonable and necessary for
13 the exercise and administration of the powers, duties and
14 responsibilities of the Department which are provided for by
15 law.

16 (j) To establish a procedure whereby new providers of
17 personal care attendant services shall submit vouchers to the
18 State for payment two times during their first month of
19 employment and one time per month thereafter. In no case
20 shall the Department pay personal care attendants an hourly
21 wage that is less than the federal minimum wage.

22 (k) To provide adequate notice to providers of chore and
23 housekeeping services informing them that they are entitled
24 to an interest payment on bills which are not promptly paid
25 pursuant to Section 3 of the State Prompt Payment Act.

26 (l) To establish, operate and maintain a Statewide
27 Housing Clearinghouse of information on available, government
28 subsidized housing accessible to disabled persons and
29 available privately owned housing accessible to disabled
30 persons. The information shall include but not be limited to
31 the location, rental requirements, access features and
32 proximity to public transportation of available housing. The
33 Clearinghouse shall consist of at least a computerized
34 database for the storage and retrieval of information and a

1 separate or shared toll free telephone number for use by
2 those seeking information from the Clearinghouse. Department
3 offices and personnel throughout the State shall also assist
4 in the operation of the Statewide Housing Clearinghouse.
5 Cooperation with local, State and federal housing managers
6 shall be sought and extended in order to frequently and
7 promptly update the Clearinghouse's information.

8 (m) To assure that the names and case records of persons
9 who received or are receiving services from the Department,
10 including persons receiving vocational rehabilitation, home
11 services, or other services, and those attending one of the
12 Department's schools or other supervised facility shall be
13 confidential and not be open to the general public. Those
14 case records and reports or the information contained in
15 those records and reports shall be disclosed by the Director
16 only to proper law enforcement officials, individuals
17 authorized by a court, the General Assembly or any committee
18 or commission of the General Assembly, and other persons and
19 for reasons as the Director designates by rule. Disclosure
20 by the Director may be only in accordance with other
21 applicable law.
