

1 AN ACT concerning education.

2 Be it enacted by the People of the State of Illinois,
3 represented in the General Assembly:

4 Section 5. The School Code is amended by changing
5 Section 21-9 as follows:

6 (105 ILCS 5/21-9) (from Ch. 122, par. 21-9)

7 Sec. 21-9. Substitute certificates and substitute
8 teaching.

9 (a) A substitute teacher's certificate may be issued for
10 teaching in all grades of the common schools. Such
11 certificate may be issued upon request of the regional
12 superintendent of schools of any region in which the teacher
13 is to teach. A substitute teacher's certificate is valid for
14 teaching in the public schools of any county. Such
15 certificate may be issued to persons who either (a) hold a
16 certificate valid for teaching in the common schools as
17 shown on the face of the certificate, (b) hold a bachelor of
18 arts degree from an institution of higher learning accredited
19 by the North Central Association or other comparable regional
20 accrediting association or have been graduated from a
21 recognized institution of higher learning with a bachelor's
22 degree, or (c) have had 2 years of teaching experience and
23 meet such other rules and regulations as may be adopted by
24 the State Board of Education in consultation with the State
25 Teacher Certification Board. Such certificate shall expire
26 on June 30 in the fourth year from date of issue. Substitute
27 teacher's certificates are not subject to endorsement as
28 described in Section 21-1b of this Code.

29 (b) A teacher holding a substitute teacher's certificate
30 may teach only in the place of a certified teacher who is
31 under contract with the employing board and may teach only

1 when no appropriate fully certified teacher is available to
2 teach in a substitute capacity. A teacher holding an early
3 childhood certificate, an elementary certificate, a high
4 school certificate, or a special certificate may also
5 substitute teach in grades K-12 but only in the place of a
6 certified teacher who is under contract with the employing
7 board. A substitute teacher may teach only for a period not
8 to exceed 90 paid school days or 450 paid school hours in any
9 one school district in any one school term. However, for the
10 2001-2002, 2002-2003, and 2003-2004 school years, a teacher
11 holding an early childhood, elementary, high school, or
12 special certificate may substitute teach for a period not to
13 exceed 120 paid school days or 600 paid school hours in any
14 one school district in any one school term. Where such
15 teaching is partly on a daily and partly on an hourly basis,
16 a school day shall be considered as 5 hours. The teaching
17 limitations imposed by this subsection upon teachers holding
18 substitute certificates shall not apply in any school
19 district operating under Article 34.
