3 to practice. In lieu of care, counseling, or treatment, the  
4 Board may recommend that the Department file a complaint to  
5 immediately suspend or revoke the license of the individual  
6 or otherwise discipline him or her. Any individual whose  
7 license was granted, continued, reinstated, or renewed  
8 subject to conditions, terms, or restrictions, as provided  
9 for in this Section, and any individual who was disciplined  
10 or placed on supervision pursuant to this Section must be  
11 referred to the Director for a determination as to whether  
12 the individual shall have his or her license suspended  
13 immediately pending a hearing by the Board.

14       The Department shall deny any license or renewal under  
15 this Act to any person who has defaulted on an educational  
16 loan guaranteed by the Illinois Student Assistance  
17 Commission; however, the Department may issue a license or

19 satisfactory repayment record as determined by the Illinois  
20 Student Assistance Commission.

21       The determination by a circuit court that a registrant is  
22 subject to involuntary admission or judicial admission as  
23 provided in the Mental Health and Developmental Disabilities  
24 Code operates as an automatic suspension. This suspension  
25 will end only upon a finding by a court that the patient is  
26 no longer subject to involuntary admission or judicial  
27 admission, the issuance of an order so finding and  
28 discharging the patient, and the recommendation of the Board  
29 to the Director that the registrant be allowed to resume  
30 practice.
