

1 AN ACT in relation to vehicles.

2 Be it enacted by the People of the State of Illinois,  
3 represented in the General Assembly:

4 Section 5. The Illinois Vehicle Code is amended by  
5 changing Section 11-1414 as follows:

6 (625 ILCS 5/11-1414) (from Ch. 95 1/2, par. 11-1414)  
7 Sec. 11-1414. Approaching, overtaking, and passing  
8 school bus.

9 (a) The driver of a vehicle shall stop such vehicle  
10 before meeting or overtaking, from either direction, any  
11 school bus stopped for the purpose of receiving or  
12 discharging pupils on a highway, on a roadway on school  
13 property, or upon a private road within an area that is  
14 covered by a contract or agreement executed pursuant to  
15 Section 11-209.1 of this Code. Such stop is required before  
16 reaching the school bus when there is in operation on the  
17 school bus the visual signals as specified in Sections 12-803  
18 and 12-805 of this Code. The driver of the vehicle shall not  
19 proceed until the school bus resumes motion or the driver of  
20 the vehicle is signaled by the school bus driver to proceed  
21 or the visual signals are no longer actuated.

22 (b) The stop signal arm required by Section 12-803 of  
23 this Code shall be extended after the school bus has come to  
24 a complete stop for the purpose of loading or discharging  
25 pupils and shall be closed before the school bus is placed in  
26 motion again. The stop signal arm shall not be extended at  
27 any other time.

28 (c) The alternately flashing red signal lamps of an  
29 8-lamp flashing signal system required by Section 12-805 of  
30 this Code shall be actuated after the school bus has come to  
31 a complete stop for the purpose of loading or discharging

1 pupils and shall be turned off before the school bus is  
2 placed in motion again. The red signal lamps shall not be  
3 actuated at any other time except as provided in paragraph  
4 (d) of this Section.

5 (d) The alternately flashing amber signal lamps of an  
6 8-lamp flashing signal system required by Section 12-805 of  
7 this Code shall be actuated continuously during not less than  
8 the last 100 feet traveled by the school bus before stopping  
9 for the purpose of loading or discharging pupils within an  
10 urban area and during not less than the last 200 feet  
11 traveled by the school bus outside an urban area. The amber  
12 signal lamps shall remain actuated until the school bus is  
13 stopped. The amber signal lamps shall not be actuated at any  
14 other time.

15 (e) The driver of a vehicle upon a highway having 4 or  
16 more lanes which permits at least 2 lanes of traffic to  
17 travel in opposite directions need not stop such vehicle upon  
18 meeting a school bus which is stopped in the opposing  
19 roadway; and need not stop such vehicle when driving upon a  
20 controlled access highway when passing a school bus traveling  
21 in either direction that is stopped in a loading zone  
22 adjacent to the surfaced or improved part of the controlled  
23 access highway where pedestrians are not permitted to cross.

24 (f) Beginning with the effective date of this amendatory  
25 Act of 1985, the Secretary of State shall suspend for a  
26 period of 3 months the driving privileges of any person  
27 convicted of a violation of subsection (a) of this Section or  
28 a similar provision of a local ordinance; the Secretary shall  
29 suspend for a period of one year the driving privileges of  
30 any person convicted of a second or subsequent violation of  
31 subsection (a) of this Section or a similar provision of a  
32 local ordinance if the second or subsequent violation occurs  
33 within 5 years of a prior conviction for the same offense. In  
34 addition to the suspensions authorized by this Section, any

1 person convicted of violating this Section or a similar  
2 provision of a local ordinance shall be subject to a  
3 mandatory fine of \$150 or, upon a second or subsequent  
4 violation, \$500. The Secretary may also grant, for the  
5 duration of any suspension issued under this subsection, a  
6 restricted driving permit granting the privilege of driving a  
7 motor vehicle between the driver's residence and place of  
8 employment or within other proper limits that the Secretary  
9 of State shall find necessary to avoid any undue hardship. A  
10 restricted driving permit issued hereunder shall be subject  
11 to cancellation, revocation and suspension by the Secretary  
12 of State in like manner and for like cause as a driver's  
13 license may be cancelled, revoked or suspended; except that a  
14 conviction upon one or more offenses against laws or  
15 ordinances regulating the movement of traffic shall be deemed  
16 sufficient cause for the revocation, suspension or  
17 cancellation of the restricted driving permit. The Secretary  
18 of State may, as a condition to the issuance of a restricted  
19 driving permit, require the applicant to participate in a  
20 designated driver remedial or rehabilitative program. Any  
21 conviction for a violation of this subsection shall be  
22 included as an offense for the purposes of determining  
23 suspension action under any other provision of this Code,  
24 provided however, that the penalties provided under this  
25 subsection shall be imposed unless those penalties imposed  
26 under other applicable provisions are greater.

27 The owner of any vehicle alleged to have violated  
28 paragraph (a) of this Section shall, upon appropriate demand  
29 by the State's Attorney or other authorized prosecutor acting  
30 in response to a signed complaint, provide a written  
31 statement or deposition identifying the operator of the  
32 vehicle if such operator was not the owner at the time of the  
33 alleged violation. Failure to supply such information shall  
34 be construed to be the same as a violation of paragraph (a)

1 and shall be subject to the same penalties herein provided.  
2 In the event the owner has assigned control for the use of  
3 the vehicle to another, the person to whom control was  
4 assigned shall comply with the provisions of this paragraph  
5 and be subject to the same penalties as herein provided.

6 (g) A person convicted of violating this Section is  
7 guilty of a Class 4 felony if the offense causes the death of  
8 or a type A injury to another person. A "type A injury"  
9 includes severely bleeding wounds, distorted extremities, and  
10 injuries that require the injured party to be carried from  
11 the scene.
