13 (3) have not violated the provisions of Section

19 rule;

20 (5) pay, either to the Department or its designated  
21 testing service, a fee covering the cost of providing the

23 scheduled date at the time and place specified after the  
24 applicant's application for examination has been received  
25 and acknowledged by the Department or the designated  
26 testing service shall result in the forfeiture of the  
27 examination fee.

28 If an applicant neglects, fails, or refuses to take an  
29 examination or fails to pass an examination for a license  
30 under this Act within 3 years after filing the application,  
31 the application shall be denied. However, the applicant may  
32 make a new application accompanied by the required fee and  
33 provide evidence of meeting the requirements in force at the  
34 time of the new application.

1        An applicant may take and successfully complete a  
 2        Department-approved examination in another jurisdiction.  
 3        However, an applicant who has never been licensed previously  
 4        in any jurisdiction that utilizes a Department-approved  
 5        examination and who has taken and failed to pass the  
 6        examination within 3 years after filing the application must  
 7        submit proof of successful completion of a  
 8        Department-authorized nursing education program or  
 9        recompletion of an approved registered nursing program or  
 10       licensed practical nursing program, as appropriate, prior to  
 11       re-application.

12       An applicant shall have one year from the date of  
 13       notification of successful completion of the examination to  
 14       apply to the Department for a license. If an applicant fails  
 15       to apply within one year, the applicant shall be required to  
 16       again take and pass the examination unless licensed in  
 17       another jurisdiction of the United States within one year of  
 18       passing the examination.

19       (c) An applicant for licensure by endorsement who is a  
 20       registered professional nurse or a licensed practical nurse  
 21       licensed by examination under the laws of another state or  
 22       territory of the United States or a foreign country,  
 23       jurisdiction, territory, or province shall:

24                (1) submit a completed written application, on  
 25                forms supplied by the Department, and fees as established  
 26                by the Department;

27                (2) for registered nurse licensure, have graduated  
 28                from a completed--an--approved professional nursing  
 29                education program approved by the Department of-not-less  
 30                than--2--academic--years--and--have--graduated--from--the  
 31                program;

32                (2.5) for licensed practical nurse licensure, have  
 33                graduated from a completed-an-approved practical nursing  
 34                education program approved by the Department of-not--less

1 than--one--academic--year--and--have--graduated--from--the  
2 program;

3 (3) submit verification of licensure status  
4 directly from the United States jurisdiction of  
5 licensure, if applicable, as defined by rule;

6 (4) have passed the examination authorized by the  
7 Department;

8 (5) meet all other requirements as established by  
9 rule.

10 (d) All applicants for registered nurse licensure  
11 pursuant to item (2) of subsection (b) and item (2) of  
12 subsection (c) of this Section who are graduates of nursing  
13 educational programs in a country other than the United  
14 States or its territories must submit to the Department  
15 certification of successful completion of the Commission of  
16 Graduates of Foreign Nursing Schools (CGFNS) examination. An  
17 applicant, who is unable to provide appropriate documentation  
18 to satisfy CGFNS of her or his educational qualifications for  
19 the CGFNS examination, shall be required to pass an  
20 examination to test competency in the English language, which  
21 shall be prescribed by the Department, if the applicant is  
22 determined by the Board to be educationally prepared in  
23 nursing. The Board shall make appropriate inquiry into the  
24 reasons for any adverse determination by CGFNS before making  
25 its own decision.

26 An applicant licensed in another state or territory who  
27 is applying for licensure and has received her or his  
28 education in a country other than the United States or its  
29 territories shall be exempt from the completion of the  
30 Commission of Graduates of Foreign Nursing Schools (CGFNS)  
31 examination if the applicant meets all of the following  
32 requirements:

33 (1) successful passage of the licensure examination  
34 authorized by the Department;

1 (2) holds an active, unencumbered license in  
2 another state; and

3 (3) has been actively practicing for a minimum of 2  
4 years in another state.

5 (e) (Blank).

6 (f) Pending the issuance of a license under subsection  
7 (c) ~~(b)~~ of this Section, the Department may grant an  
8 applicant a temporary license to practice nursing as a  
9 registered nurse or as a licensed practical nurse if the  
10 Department is satisfied that the applicant holds an active,  
11 unencumbered license in good standing in another  
12 jurisdiction. If the applicant holds more than one current  
13 active license, or one or more active temporary licenses from  
14 other jurisdictions, the Department shall not issue a  
15 temporary license until it is satisfied that each current  
16 active license held by the applicant is unencumbered. The  
17 temporary license, which shall be issued no later than 14  
18 working days following receipt by the Department of an  
19 application for the temporary license, shall be granted upon  
20 the submission of the following to the Department:

21 (1) a signed and completed application for  
22 licensure under subsection (a) of this Section as a  
23 registered nurse or a licensed practical nurse;

24 (2) proof of a current, active license in at least  
25 one other jurisdiction and proof that each current active  
26 license or temporary license held by the applicant within  
27 the last 5 years is unencumbered;

28 (3) a signed and completed application for a  
29 temporary license; and

30 (4) the required temporary license permit fee.

31 (g) The Department may refuse to issue an applicant a  
32 temporary license authorized pursuant to this Section if,  
33 within 14 working days following its receipt of an  
34 application for a temporary license, the Department

1 determines that:

2 (1) the applicant has been convicted of a crime  
3 under the laws of a jurisdiction of the United States:  
4 (i) which is a felony; or (ii) which is a misdemeanor  
5 directly related to the practice of the profession,  
6 within the last 5 years;

7 (2) within the last 5 years the applicant has had a  
8 license or permit related to the practice of nursing  
9 revoked, suspended, or placed on probation by another  
10 jurisdiction, if at least one of the grounds for  
11 revoking, suspending, or placing on probation is the same  
12 or substantially equivalent to grounds in Illinois; or

13 (3) it intends to deny licensure by endorsement.

14 For purposes of this Section, an "unencumbered license"  
15 means a license against which no disciplinary action has been  
16 taken or is pending and for which all fees and charges are  
17 paid and current.

18 (h) The Department may revoke a temporary license issued  
19 pursuant to this Section if:

20 (1) it determines that the applicant has been  
21 convicted of a crime under the law of any jurisdiction of  
22 the United States that is (i) a felony or (ii) a  
23 misdemeanor directly related to the practice of the  
24 profession, within the last 5 years;

25 (2) it determines that within the last 5 years the  
26 applicant has had a license or permit related to the  
27 practice of nursing revoked, suspended, or placed on  
28 probation by another jurisdiction, if at least one of the  
29 grounds for revoking, suspending, or placing on probation  
30 is the same or substantially equivalent to grounds in  
31 Illinois; or

32 (3) it determines that it intends to deny licensure  
33 by endorsement.
