**Be it enacted by the People of the State of Illinois,
represented in the General Assembly:**

Section 5. The Adult Protective Services Act is amended by changing Section 5 as follows:

(320 ILCS 20/5) (from Ch. 23, par. 6605)

Sec. 5. Procedure.

(a) A provider agency designated to receive reports of alleged or suspected abuse, neglect, financial exploitation, or self-neglect under this Act shall, upon receiving such a report, conduct a face-to-face assessment with respect to such report, in accord with established law and Department protocols, procedures, and policies. Face-to-face assessments, casework, and follow-up of reports of self-neglect by the provider agencies designated to receive reports of self-neglect shall be subject to sufficient appropriation for statewide implementation of assessments, casework, and follow-up of reports of self-neglect. In the absence of sufficient appropriation for statewide implementation of assessments, casework, and follow-up of reports of self-neglect, the designated adult protective services provider agency shall refer all reports of self-neglect to the appropriate agency or agencies as designated by the Department

for any follow-up. The assessment shall include, but not be limited to, a visit to the residence of the eligible adult who is the subject of the report and shall ~~may~~ include interviews or consultations regarding the allegations with service agencies, immediate family members, and ~~or~~ individuals who may have knowledge of the eligible adult's circumstances based on the consent of the eligible adult in all instances, except where the provider agency is acting in the best interest of an eligible adult who is unable to seek assistance for himself or herself and where there are allegations against a caregiver who has assumed responsibilities in exchange for compensation. If, after the assessment, the provider agency determines that the case is substantiated it shall develop a service care plan for the eligible adult and may report its findings at any time during the case to the appropriate law enforcement agency in accord with established law and Department protocols, procedures, and policies. In developing a case plan, the provider agency may consult with any other appropriate provider of services, and such providers shall be immune from civil or criminal liability on account of such acts. The plan shall include alternative suggested or recommended services which are appropriate to the needs of the eligible adult and which involve the least restriction of the eligible adult's activities commensurate with his or her needs. Only those services to which consent is provided in accordance with Section 9 of this Act shall be provided, contingent upon the

availability of such services.

(b) A provider agency shall refer evidence of crimes against an eligible adult to the appropriate law enforcement agency according to Department policies. A referral to law enforcement may be made at intake or any time during the case. Where a provider agency has reason to believe the death of an eligible adult may be the result of abuse or neglect, the agency shall immediately report the matter to the coroner or medical examiner and shall cooperate fully with any subsequent investigation.

(c) If any person other than the alleged victim refuses to allow the provider agency to begin an investigation, interferes with the provider agency's ability to conduct an investigation, or refuses to give access to an eligible adult, the appropriate law enforcement agency must be consulted regarding the investigation.
