

AN ACT concerning safety.

**Be it enacted by the People of the State of Illinois,
represented in the General Assembly:**

Section 5. The Illinois Pesticide Act is amended by changing Section 24.1 as follows:

(415 ILCS 60/24.1) (from Ch. 5, par. 824.1)

Sec. 24.1. Administrative actions and penalties.

(1) The Director is authorized after an opportunity for an administrative hearing to suspend, revoke, or modify any license, permit, special order, registration, or certification issued under this Act. This action may be taken in addition to or in lieu of monetary penalties assessed as set forth in this Section. When it is in the interest of the people of the State of Illinois, the Director may, upon good and sufficient evidence, suspend the registration, license, or permit until a hearing has been held. In such cases, the Director shall issue an order in writing setting forth the reasons for the suspension. Such order shall be served personally on the person or by registered or certified mail sent to the person's business address as shown in the latest notification to the Department. When such an order has been issued by the Director, the person may request an immediate hearing.

(2) Before initiating hearing proceedings, the Director

may issue an advisory letter to a violator of this Act or its rules and regulations when the violation points total 6 or less, as determined by the Department by the Use and Violation Criteria established in this Section. When the Department determines that the violation points total more than 6 but not more than 13, the Director shall issue a warning letter to the violator.

(3) The hearing officer upon determination of a violation or violations shall assess one or more of the following penalties:

(A) For any person applying pesticides without a license or misrepresenting certification or failing to comply with conditions of an agrichemical facility permit or failing to comply with the conditions of a written authorization for land application of agrichemical contaminated soils or groundwater, a penalty of \$500 shall be assessed for the first offense and \$1,000 for the second and subsequent offenses.

(B) For violations of a stop use order imposed by the Director, the penalty shall be \$2500.

(C) For violations of a stop sale order imposed by the Director, the penalty shall be \$1500 for each individual item of the product found in violation of the order.

(D) For selling restricted use pesticides to a non-certified applicator the penalty shall be \$1000.

(E) For selling restricted use pesticides without a

dealer's license the penalty shall be \$1,000.

(F) For constructing or operating without an agrichemical facility permit after receiving written notification, the penalty shall be \$500 for the first offense and \$1,000 for the second and subsequent offenses.

(F-5) For any person found by the Department to have committed a use inconsistent with the label, as defined in subsection 40 of Section 4, that results in human exposure to a pesticide, the penalty shall be assessed in accordance with this paragraph (F-5). The Department shall impose a penalty under this paragraph (F-5) only if it represents an amount greater than the penalty assessed under subparagraph (G). The amount of the penalty under this paragraph (F-5) is calculated as follows:

(a) If fewer than 3 humans are exposed, then the penalty shall be \$500 for each human exposed.

(b) If 3 or more humans but fewer than 5 humans are exposed, then the penalty shall be \$750 for each human exposed.

(c) If 5 or more humans are exposed, then the penalty shall be \$1,250 for each human exposed.

If a penalty is imposed under this paragraph (F-5), the Department shall redetermine the total violation points under subsection (4), less any points under subsection (4) stemming from human exposure, and impose any additional penalty under subparagraph (G) based on the

new total. The reassessed total shall not affect any determination under subsection (2); any determination under subsection (2) shall be determined by the full application of points under subsection (4).

(G) For violations of the Act and rules and regulations, administrative penalties will be based upon the total violation points as determined by the Use and Violation Criteria as set forth in paragraph (4) of this Section. The monetary penalties shall be as follows:

Total Violation Points	Monetary Penalties
14-16	\$750
17-19	\$1000
20-21	\$2500
22-25	\$5000
