(8) Emergency rooms within general acute care hospitals, in which case the notice may be posted by electronic means.

(9) Urgent care centers, in which case the notice may be posted by electronic means.

Section 10. Form of posted notice.

(a) The notice required under this Act shall be at least 8 1/2 inches by 11 inches in size, written in a 16-point font, except that when the notice is provided by electronic means the size of the notice and font shall not be required to comply with these specifications.

(b) No later than 6 months after the effective date of this Act, the Department of Children and Family Services, in consultation with an accredited Children's Advocacy Center, shall develop a model notice aimed toward children under 18 that provides information on what constitutes physical and sexual abuse and how to report such abuse.
