"Debt service extension base" means an amount equal to that portion of the extension for a taxing district for the 1994 levy year, or for those taxing districts subject to this Law in accordance with Section 18-213, except for those subject to paragraph (2) of subsection (e) of Section 18-213, for the levy year in which the referendum making this Law applicable to the taxing district is held, or for those taxing districts subject to this Law in accordance with paragraph (2) of subsection (e) of Section 18-213 for the 1996 levy year, constituting an extension for payment of principal and interest on bonds issued by the taxing district without referendum, but not including excluded non-referendum bonds. For park districts (i) that were first subject to this Law in 1991 or 1995 and (ii) whose extension for the 1994 levy year for the payment of principal and interest on bonds issued by the park district without referendum (but not including excluded non-referendum bonds) was less than 51% of the amount for the 1991 levy year constituting an extension for payment of principal and interest on bonds issued by the park district without referendum (but not including excluded non-referendum bonds), "debt service extension base" means an amount equal to that portion of the extension for the 1991 levy year constituting an extension for payment of principal and interest on bonds issued by the park district without referendum (but not including excluded non-referendum bonds). The debt service extension base may be established or increased as provided under Section 18-212. "Excluded non-referendum bonds" means (i) bonds authorized by Public Act 88-503 and issued under Section 20a of the Chicago Park District Act for aquarium and museum projects; (ii) bonds issued under Section 15 of the Local Government Debt Reform Act; or (iii) refunding obligations issued to refund or to continue to refund obligations initially issued pursuant to referendum.

"Special purpose extensions" include, but are not limited

to, extensions for levies made on an annual basis for unemployment and workers' compensation, self-insurance, contributions to pension plans, and extensions made pursuant to Section 6-601 of the Illinois Highway Code for a road district's permanent road fund whether levied annually or not. The extension for a special service area is not included in the aggregate extension.

"Aggregate extension base" means the taxing district's last preceding aggregate extension as adjusted under Sections 18-215 through 18-230.

"Levy year" has the same meaning as "year" under Section 1-155.

"New property" means (i) the assessed value, after final board of review or board of appeals action, of new improvements or additions to existing improvements on any parcel of real property that increase the assessed value of that real property during the levy year multiplied by the equalization factor issued by the Department under Section 17-30, (ii) the assessed value, after final board of review or board of appeals action, of real property not exempt from real estate taxation, which real property was exempt from real estate taxation for any portion of the immediately preceding levy year, multiplied by the equalization factor issued by the Department under Section 17-30, and (iii) in counties that classify in accordance with Section 4 of Article IX of the Illinois Constitution, an incentive property's additional assessed value resulting from a scheduled increase in the level of assessment as applied to the first year final board of review market value. In addition, the county clerk in a county containing a population of 3,000,000 or more shall include in the 1997 recovered tax increment value for any school district, any recovered tax increment value that was applicable to the 1995 tax year calculations.

"Qualified airport authority" means an airport authority organized under the Airport Authorities Act and located in a county bordering on the State of Wisconsin and having a

population in excess of 200,000 and not greater than 500,000.

"Recovered tax increment value" means, except as otherwise provided in this paragraph, the amount of the current year's equalized assessed value, in the first year after a municipality terminates the designation of an area as a redevelopment project area previously established under the Tax Increment Allocation Development Act in the Illinois Municipal Code, previously established under the Industrial Jobs Recovery Law in the Illinois Municipal Code, or previously established under the Economic Development Area Tax Increment Allocation Act, of each taxable lot, block, tract, or parcel of real property in the redevelopment project area over and above the initial equalized assessed value of each property in the redevelopment project area. For the taxes which are extended for the 1997 levy year, the recovered tax increment value for a non-home rule taxing district that first became subject to this Law for the 1995 levy year because a majority of its 1994 equalized assessed value was in an affected county or counties shall be increased if a municipality terminated the designation of an area in 1993 as a redevelopment project area previously established under the Tax Increment Allocation Development Act in the Illinois Municipal Code, previously established under the Industrial Jobs Recovery Law in the Illinois Municipal Code, or previously established under the Economic Development Area Tax Increment Allocation Act, by an amount equal to the 1994 equalized assessed value of each taxable lot, block, tract, or parcel of real property in the redevelopment project area over and above the initial equalized assessed value of each property in the redevelopment project area. In the first year after a municipality removes a taxable lot, block, tract, or parcel of real property from a redevelopment project area established under the Tax Increment Allocation Development Act in the Illinois Municipal Code, the Industrial Jobs Recovery Law in the Illinois Municipal Code, or the Economic Development Area Tax Increment Allocation Act, "recovered tax increment value" means the amount of the current year's equalized

assessed value of each taxable lot, block, tract, or parcel of real property removed from the redevelopment project area over and above the initial equalized assessed value of that real property before removal from the redevelopment project area.

Except as otherwise provided in this Section, "limiting rate" means a fraction the numerator of which is the last preceding aggregate extension base times an amount equal to one plus the extension limitation defined in this Section and the denominator of which is the current year's equalized assessed value of all real property in the territory under the jurisdiction of the taxing district during the prior levy year. For those taxing districts that reduced their aggregate extension for the last preceding levy year, the highest aggregate extension in any of the last 3 preceding levy years shall be used for the purpose of computing the limiting rate. The denominator shall not include new property. The denominator shall not include the recovered tax increment value.

Section 10. The School Code is amended by adding Section 17-2.2d as follows:

(105 ILCS 5/17-2.2d new)

Sec. 17-2.2d. Special taxing and bonding for temporary relocation expense and emergency replacement purposes.

(a) In addition to any other taxes and notwithstanding any limitation imposed by the Property Tax Extension Limitation Law or any other limitations specified in this Code or any other law, the school board of any district having a population of less than 500,000 inhabitants that meets the criteria specified in subsection (c) of this Section, may, by proper resolution, levy an annual tax not to exceed 0.05% upon the value of the taxable property as equalized or assessed by the Department of Revenue for a period not to exceed 7 years for the purpose of

providing for the repayment of moneys distributed for temporary relocation expenses of the district pursuant to Section 2-3.77 of this Code.

(b) The school board of any district that meets the criteria specified in subsection (c) of this Section may repair, reconstruct, or replace a condemned building without seeking referendum approval for the repair, reconstruction, or replacement.

(c) In order for this Section to apply, the school district must (i) be located in a county subject to the Property Tax Extension Limitation Law, (ii) have had a total enrollment of at least 1,075 students as shown on the 2003 Illinois State Report Card, and (iii) have had a school building condemned after January 1, 2004 and prior to June 30, 2004.

(d) Notwithstanding any limitation imposed by the Property Tax Extension Limitation Law or any other limitations specified in this Code or any other law, the school board of any district that meets the criteria specified in subsection (c) of this Section, may, by proper resolution, issue bonds, without referendum, in an amount sufficient to finance the total cost of repair, reconstruction, or replacement of the condemned building. Any premium and all interest earnings on the proceeds of the bonds so issued shall be used for the purposes for which the bonds were issued. The proceeds of any bonds issued under this Section shall be deposited and accounted for separately within the district's site and construction/capital improvements fund. The recording officer of the board shall file in the office of the county clerk of each county in which a portion of the district is situated a certified copy of the resolution providing for the issuance of the bonds and levy of a tax without limit as to rate or amount to pay the bonds. Bonds issued under this Section and any bonds issued to refund these bonds are not subject to any debt limitation imposed by this Code.

(e) The school board, as an express condition to receiving a temporary relocation loan under Section 2-3.77 of this Code,

must agree to levy the tax provided in this Section at the maximum rate permitted and to pay to the State of Illinois for deposit into the Temporary Relocation Expenses Revolving Grant Fund (i) all proceeds of the tax attributable to the first year and succeeding years for which the tax is levied after moneys appropriated for purposes of Section 2-3.77 have been distributed to the school district and (ii) all insurance proceeds that become payable to the district under those provisions of any contract or policy of insurance that provide reimbursement for or other coverage against loss with respect to any temporary relocation expenses of the district or proceeds of any legal judgment or settlement regarding the temporary relocation expenses incurred by the district, provided that the aggregate of any tax and insurance or other proceeds paid by the district to the State pursuant to this subsection (e) shall not exceed in amount the moneys distributed to the district pursuant to Section 2-3.77 as a loan or grant.

(f) If bonds under this Section have been issued by the school district and the purposes for which the bonds have been issued are accomplished and paid for in full and there remain funds on hand from the proceeds of the bonds or interest earnings or premiums, then the school board, by resolution, shall transfer those excess funds to the district's bond and interest fund for the purpose of abating taxes to pay debt service on the bonds or for defeasance of the debt or both.

(g) If the school district receives a construction grant under the School Construction Law or any other law and the purposes for which the grant was issued are accomplished and paid for in full and there remains funds on hand from the grant or interest earnings thereon, then the excess funds shall be paid to the State of Illinois for deposit into the School Construction Fund or other State fund from which the construction grant was paid.

(h) All insurance proceeds that become payable to the school district under those provisions of a contract or policy

of insurance that provide reimbursement for or other coverage against losses other than with respect to any temporary relocation expenses of the district or proceeds of any legal judgment or settlement regarding the repair, reconstruction, or replacement of the condemned building shall be applied to the repair, reconstruction, or replacement. If the project is completed and, therefore, all costs have been paid for in full and there remain funds on hand, including any interest earnings thereon, from the insurance coverage, legal judgment, or settlement, then a portion of those excess funds equal to the State's share of the construction cost of the project shall be paid to the State of Illinois for deposit into the School Construction Fund or other State fund from which the construction grant was paid, and the remainder of the excess funds shall be transferred to the district's bond and interest fund for the purpose of abating taxes to pay debt service on the bonds or for defeasance of the debt or both. If no debt service remains to be paid, then the excess may be transferred to whichever fund that, as determined by the school board, is most in need of the funds.

Section 99. Effective date. This Act takes effect upon becoming law.
