Sec. 25. Pharmacies.

(a) No targeted methamphetamine precursor may be knowingly distributed through a pharmacy, including a pharmacy located within, owned by, operated by, or associated with a retail distributor unless all terms of this Section are satisfied.

(b) Any targeted methamphetamine precursor other than a convenience package or a liquid, including but not limited to any targeted methamphetamine precursor in liquid-filled capsules, shall: be packaged in blister packs, with each blister containing not more than 2 dosage units, or when the use of blister packs is technically infeasible, in unit dose packets. Each targeted package shall contain no more than 3,000 milligrams of ephedrine or pseudoephedrine, their salts or

(e) Any retail distributor operating a pharmacy, and any pharmacist or pharmacy technician involved in the transaction or transactions, shall verify that:

(1) The person purchasing, receiving, or otherwise acquiring the targeted methamphetamine precursor is 18 years of age or older and resembles the photograph of the person on the government-issued identification presented by the person; and

Sec. 36. Williamson County Pilot Program; general

provisions.

(a) Purposes. The purposes of this Section are: to establish a pilot program based in Williamson County to track purchases of targeted methamphetamine precursors at multiple locations; to identify persons obtaining or distributing targeted methamphetamine precursors for the likely purpose of manufacturing methamphetamine; to starve methamphetamine manufacturers of the methamphetamine precursors they need to make methamphetamine; to locate and shut down methamphetamine laboratories; and ultimately to reduce the harm that methamphetamine manufacturing and manufacturers are inflicting on individuals, families, communities, first responders, the economy, and the environment in Illinois and beyond. In authorizing this pilot program, the General Assembly recognizes that, although this Act has significantly reduced the number of methamphetamine laboratories in Illinois, some persons continue to violate the Act, evade detection, and support the manufacture of methamphetamine by obtaining targeted methamphetamine precursor at multiple locations. The General Assembly further recognizes that putting an end to this practice and others like it will require an effort to track purchases of targeted methamphetamine precursor across multiple locations, and that a pilot program based in Williamson County will advance this important goal.

(b) Structure.

(1) There is established a pilot program based in

Williamson County, known as the Williamson County Pilot Program or Pilot Program, to track purchases of targeted methamphetamine precursor across multiple locations for the purposes stated in subsection (a) of this Section.

(2) The Pilot Program shall be operated by the Williamson County Sheriff's Office, also known as the Williamson County Pilot Program Authority or the Pilot Program Authority, in accordance with the provisions of Sections 36, 37, 38, 39, and 39.5 of this Act.

(3) The Pilot Program Authority shall designate a Central Repository for the collection of required information, and the Central Repository shall operate according to the provisions of Sections 36, 37, 38, 39, and 39.5 of this Act.

(4) Every covered pharmacy shall participate in the Pilot Program, and any non-covered pharmacy may participate on a voluntary basis and be known as a voluntary participant.

(c) Transmission of electronic transaction records. Except as provided in Section 39:

(1) Each time a covered pharmacy distributes a targeted methamphetamine precursor to a recipient under Section 25 of this Act, the covered pharmacy shall transmit an electronic transaction record to the Central Repository.

(2) Each covered pharmacy shall elect to transmit electronic transaction records either through the secure

website described in Section 37 of this Act or through weekly electronic transfers as described in Section 38 of this Act.

(d) Operation and Timeline for implementation.

(1) Except as stated in this subsection, this amendatory Act of the 95th General Assembly shall be operational upon becoming law.

(2) Covered pharmacies are not required to transmit any electronic transaction records and exempt pharmacies are not required to send any handwritten logs to the Central Repository until the reporting start date set by the Pilot Program Authority.

(3) The Pilot Program Authority shall announce the "reporting start date" within 90 days of the date this legislation is signed into law.

(4) The reporting start date shall be no sooner than 90 days after the date on which the Pilot Program Authority announces the reporting start date.

(5) Starting on the reporting start date, and continuing for a period of one year thereafter, covered pharmacies shall transmit electronic transaction records as described in Sections 37 and 38 of this Act, and exempt pharmacies shall send handwritten logs as described in Section 39 of this Act.

(6) Nothing in this Act shall preclude covered pharmacies and exempt pharmacies from voluntarily

participating in the Pilot Program before the start date or continuing to participate in the Pilot Program after one year after the reporting start date.

(e) Funding. Funding for the Pilot Program shall be provided by the Williamson County Pilot Program Authority, drawing upon federal grant money and other available sources. If funding is delayed, curtailed, or otherwise unavailable, the Pilot Program Authority may delay implementation of the Pilot Program, reduce the number of counties covered by the Pilot Program, or end the Pilot Program early. If any such change becomes necessary, the Pilot Program Authority shall inform every covered pharmacy in writing.

(f) Training. The Pilot Program Authority shall provide, free of charge, training and assistance to any pharmacy playing any role in the Pilot Program.

(g) Relationship between the Williamson County Pilot Program and other laws and rules. Nothing in Sections 36, 37, 38, 39, and 39.5 of this Act shall supersede, nullify, or diminish the force of any requirement stated in any other Section of this Act or in any other State or federal law or rule.

(720 ILCS 648/37 new)

Sec. 37. Williamson County Pilot Program; secure website.

(a) Transmission of electronic transaction records through a secure website; in general.

(1) The Pilot Program Authority shall establish a secure website for the transmission of electronic transaction records and electronic signatures and make it available free of charge to any covered pharmacy that elects to use it.

(2) The secure website shall enable any covered pharmacy to transmit to the Central Repository an electronic transaction record and an electronic signature each time the pharmacy distributes a targeted methamphetamine precursor to a recipient under Section 25 of this Act.

(3) If the secure website becomes unavailable to a covered pharmacy, the covered pharmacy may, during the period in which the secure website is not available, continue to distribute targeted methamphetamine precursor without using the secure website if, during this period, the covered pharmacy maintains and transmits handwritten logs as described in subsection (b) of Section 39 of this Act.

(b) Assistance to covered pharmacies using the secure website.

(1) The purpose of this subsection is to ensure that participation in the Pilot Program does not impose substantial costs on covered pharmacies that elect to transmit electronic transaction records to the Central Repository by means of the secure website.

(2) If a covered pharmacy that elects to transmit electronic transaction records by means of the secure website does not have computer hardware or software or related equipment sufficient to make use of the secure website, then the covered pharmacy may obtain and install such hardware or software or related equipment at its own cost, or it may request assistance from the Pilot Program Authority, or some combination of the 2.

(3) If a covered pharmacy requests such assistance, then the Pilot Program Authority shall, free of charge, provide and install any computer hardware or software or related equipment needed.

(4) Nothing in this subsection shall preclude the Pilot Program Authority from providing additional or other assistance to any pharmacy or retail distributor.

(c) Any covered pharmacy that elects to transmit electronic transaction records by means of the secure website described in this Section may use the secure website as its exclusive means of complying with subsections (d) and (f) of Section 25 of this Act, provided that, along with each electronic transaction record, the pharmacy also transmits an electronically-captured signature of the recipient of the targeted methamphetamine precursor. To facilitate this option, the Pilot Program shall do the following:

(1) The Pilot Program Authority shall provide to any covered pharmacy that requests it an electronic signature

pad or other means of electronic signature capture.

(2) The Pilot Program Authority shall provide the covered pharmacy with an official letter indicating that:

(A) The covered pharmacy in question is participating in the Williamson County Pilot Program for a specified period of time.

(B) During the specified period of time, the Pilot Program Authority has assumed responsibility for maintaining the logs described in subsection (f) of Section 25 of this Act.

(C) Any law enforcement officer seeking to inspect or copy the covered pharmacy's logs should direct the request to the Pilot Program Authority through means described in the letter.

(720 ILCS 648/38 new)

Sec. 38. Williamson County Pilot Program; weekly electronic transfer.

(a) Weekly electronic transfer; in general.

(1) Any covered pharmacy may elect not to use the secure website but instead to transmit electronic transaction records by means of weekly electronic transfers as described in this Section.

(2) Any covered pharmacy electing to transmit electronic transaction records by means of weekly electronic transfers shall transmit the records by means of

a computer diskette, a magnetic tape, or an electronic device compatible with the receiving device of the Central Repository.

(b) Weekly electronic transfer; timing.

(1) Any covered pharmacy electing to transmit electronic transaction records by means of weekly electronic transfers shall select a standard weeklong reporting period such as, by way of example only, the 7-day period that begins immediately after midnight Monday morning and lasts until immediately before midnight the next Sunday night.

(2) Electronic transaction records for transactions occurring during the standard weeklong reporting period selected by the pharmacy shall be transmitted to the Central Repository no later than 24 hours after each standard weeklong reporting period ends.

(3) Electronic transaction records may be delivered to the Central Repository in person, by messenger, through the United States Postal Service, over the Internet, or by other reasonably reliable and prompt means.

(4) Although electronic transaction records shall be transmitted to the Central Repository no later than one day after the end of a weeklong reporting period, it is not required that the electronic transaction records be received by that deadline.

(c) Weekly electronic transfer; form of data. Each

electronic transaction record transmitted shall contain the following information in the form described:

(1) The recipient's (A) first name, (B) last name, (C) street address, and (D) zip code, in the 4 separate data fields listed (A) through (D).

(2) The (A) date and (B) time of the transaction, in the 2 separate data fields listed (A) and (B).

(3) One of the following:

(C) A company-specific code, akin to the National Drug Code, from which may be determined the brand and product name and total quantity distributed of ephedrine or pseudoephedrine, their salts, or optical isomers, or salts of optical isomers, along with information sufficient to translate any company-specific codes into the brand and product name

and total quantity distributed of ephedrine or pseudoephedrine, their salts, or optical isomers, or salts of optical isomers.

(4) One of the following:

(A) The identification type presented by the recipient; or

(iv) that a prisoner serving a sentence for aggravated discharge of a firearm, whether or not the conduct leading to conviction for the offense resulted in great bodily harm to the victim, shall receive no more than 4.5 days of good conduct credit for each month of his or her sentence of imprisonment.

(2.1) For all offenses, other than those enumerated in subdivision (a)(2)(i), (ii), or (iii) committed on or after June 19, 1998 or subdivision (a)(2)(iv) committed on or after June 23, 2005 (the effective date of Public Act 94-71), and other than the offense of reckless homicide as defined in subsection (e) of Section 9-3 of the Criminal Code of 1961 committed on or after January 1, 1999, or aggravated driving under the influence of alcohol, other

drug or drugs, or intoxicating compound or compounds, or any combination thereof as defined in subparagraph (F) of paragraph (1) of subsection (d) of Section 11-501 of the Illinois Vehicle Code, the rules and regulations shall provide that a prisoner who is serving a term of imprisonment shall receive one day of good conduct credit for each day of his or her sentence of imprisonment or recommitment under Section 3-3-9. Each day of good conduct credit shall reduce by one day the prisoner's period of imprisonment or recommitment under Section 3-3-9.

(2.2) A prisoner serving a term of natural life imprisonment or a prisoner who has been sentenced to death shall receive no good conduct credit.

(2.3) The rules and regulations on early release shall provide that a prisoner who is serving a sentence for reckless homicide as defined in subsection (e) of Section 9-3 of the Criminal Code of 1961 committed on or after January 1, 1999, or aggravated driving under the influence of alcohol, other drug or drugs, or intoxicating compound or compounds, or any combination thereof as defined in subparagraph (F) of paragraph (1) of subsection (d) of Section 11-501 of the Illinois Vehicle Code, shall receive no more than 4.5 days of good conduct credit for each month of his or her sentence of imprisonment.

(2.5) The rules and regulations on early release shall provide that a prisoner who is serving a sentence for aggravated arson committed on or after July 27, 2001 (the effective date of Public Act 92-176) shall receive no more than 4.5 days of good conduct credit for each month of his or her sentence of imprisonment.

(3) The rules and regulations shall also provide that the Director may award up to 180 days additional good conduct credit for meritorious service in specific instances as the Director deems proper; except that no more than 90 days of good conduct credit for meritorious service shall be awarded to any prisoner who is serving a sentence for conviction of first degree murder, reckless homicide while under the influence of alcohol or any other drug, or aggravated driving under the influence of alcohol, other drug or drugs, or intoxicating compound or compounds, or

any combination thereof as defined in subparagraph (F) of paragraph (1) of subsection (d) of Section 11-501 of the Illinois Vehicle Code, aggravated kidnapping, kidnapping, predatory criminal sexual assault of a child, aggravated criminal sexual assault, criminal sexual assault, deviate sexual assault, aggravated criminal sexual abuse, aggravated indecent liberties with a child, indecent liberties with a child, child pornography, heinous battery, aggravated battery of a spouse, aggravated battery of a spouse with a firearm, stalking, aggravated stalking, aggravated battery of a child, endangering the life or health of a child, cruelty to a child, or narcotic racketeering. Notwithstanding the foregoing, good conduct credit for meritorious service shall not be awarded on a sentence of imprisonment imposed for conviction of: (i) one of the offenses enumerated in subdivision (a)(2)(i), (ii), or (iii) when the offense is committed on or after June 19, 1998 or subdivision (a)(2)(iv) when the offense is committed on or after June 23, 2005 (the effective date of Public Act 94-71), (ii) reckless homicide as defined in subsection (e) of Section 9-3 of the Criminal Code of 1961 when the offense is committed on or after January 1, 1999, or aggravated driving under the influence of alcohol, other drug or drugs, or intoxicating compound or compounds, or any combination thereof as defined in subparagraph (F) of paragraph (1) of subsection (d) of Section 11-501 of the

Illinois Vehicle Code, (iii) one of the offenses enumerated in subdivision (a)(2.4) when the offense is committed on or after July 15, 1999 (the effective date of Public Act 91-121), or (iv) aggravated arson when the offense is committed on or after July 27, 2001 (the effective date of Public Act 92-176).

(4) The rules and regulations shall also provide that the good conduct credit accumulated and retained under paragraph (2.1) of subsection (a) of this Section by any inmate during specific periods of time in which such inmate is engaged full-time in substance abuse programs, correctional industry assignments, or educational programs provided by the Department under this paragraph (4) and satisfactorily completes the assigned program as determined by the standards of the Department, shall be multiplied by a factor of 1.25 for program participation before August 11, 1993 and 1.50 for program participation on or after that date. However, no inmate shall be eligible for the additional good conduct credit under this paragraph (4) or (4.1) of this subsection (a) while assigned to a boot camp or electronic detention, or if convicted of an offense enumerated in subdivision (a)(2)(i), (ii), or (iii) of this Section that is committed on or after June 19, 1998 or subdivision (a)(2)(iv) of this Section that is committed on or after June 23, 2005 (the effective date of Public Act 94-71), or if convicted of reckless homicide as

defined in subsection (e) of Section 9-3 of the Criminal Code of 1961 if the offense is committed on or after January 1, 1999, or aggravated driving under the influence of alcohol, other drug or drugs, or intoxicating compound or compounds, or any combination thereof as defined in subparagraph (F) of paragraph (1) of subsection (d) of Section 11-501 of the Illinois Vehicle Code, or if convicted of an offense enumerated in paragraph (a)(2.4) of this Section that is committed on or after July 15, 1999 (the effective date of Public Act 91-121), or first degree murder, a Class X felony, criminal sexual assault, felony criminal sexual abuse, aggravated criminal sexual abuse, aggravated battery with a firearm, or any predecessor or successor offenses with the same or substantially the same elements, or any inchoate offenses relating to the foregoing offenses. No inmate shall be eligible for the additional good conduct credit under this paragraph (4) who (i) has previously received increased good conduct credit under this paragraph (4) and has subsequently been convicted of a felony, or (ii) has previously served more than one prior sentence of imprisonment for a felony in an adult correctional facility.

Educational, vocational, substance abuse and correctional industry programs under which good conduct credit may be increased under this paragraph (4) and paragraph (4.1) of this subsection (a) shall be evaluated

by the Department on the basis of documented standards. The Department shall report the results of these evaluations to the Governor and the General Assembly by September 30th of each year. The reports shall include data relating to the recidivism rate among program participants.

Availability of these programs shall be subject to the limits of fiscal resources appropriated by the General Assembly for these purposes. Eligible inmates who are denied immediate admission shall be placed on a waiting list under criteria established by the Department. The inability of any inmate to become engaged in any such programs by reason of insufficient program resources or for any other reason established under the rules and regulations of the Department shall not be deemed a cause of action under which the Department or any employee or agent of the Department shall be liable for damages to the inmate.

(4.1) The rules and regulations shall also provide that an additional 60 days of good conduct credit shall be awarded to any prisoner who passes the high school level Test of General Educational Development (GED) while the prisoner is incarcerated. The good conduct credit awarded under this paragraph (4.1) shall be in addition to, and shall not affect, the award of good conduct under any other paragraph of this Section, but shall also be pursuant to the guidelines and restrictions set forth in paragraph (4)

of subsection (a) of this Section. The good conduct credit provided for in this paragraph shall be available only to those prisoners who have not previously earned a high school diploma or a GED. If, after an award of the GED good conduct credit has been made and the Department determines that the prisoner was not eligible, then the award shall be revoked.

(4.5) The rules and regulations on early release shall also provide that when the court's sentencing order recommends a prisoner for substance abuse treatment and the crime was committed on or after September 1, 2003 (the effective date of Public Act 93-354), the prisoner shall receive no good conduct credit awarded under clause (3) of this subsection (a) unless he or she participates in and completes a substance abuse treatment program. The Director may waive the requirement to participate in or complete a substance abuse treatment program and award the good conduct credit in specific instances if the prisoner is not a good candidate for a substance abuse treatment program for medical, programming, or operational reasons. Availability of substance abuse treatment shall be subject to the limits of fiscal resources appropriated by the General Assembly for these purposes. If treatment is not available and the requirement to participate and complete the treatment has not been waived by the Director, the prisoner shall be placed on a waiting list under criteria

established by the Department. The Director may allow a prisoner placed on a waiting list to participate in and complete a substance abuse education class or attend substance abuse self-help meetings in lieu of a substance abuse treatment program. A prisoner on a waiting list who is not placed in a substance abuse program prior to release may be eligible for a waiver and receive good conduct credit under clause (3) of this subsection (a) at the discretion of the Director.

(4.6) The rules and regulations on early release shall also provide that a prisoner who has been convicted of a sex offense as defined in Section 2 of the Sex Offender Registration Act shall receive no good conduct credit unless he or she either has successfully completed or is participating in sex offender treatment as defined by the Sex Offender Management Board. However, prisoners who are waiting to receive such treatment, but who are unable to do so due solely to the lack of resources on the part of the Department, may, at the Director's sole discretion, be awarded good conduct credit at such rate as the Director shall determine.

(5) Whenever the Department is to release any inmate earlier than it otherwise would because of a grant of good conduct credit for meritorious service given at any time during the term, the Department shall give reasonable advance notice of the impending release to the State's

Attorney of the county where the prosecution of the inmate took place.

(b) Whenever a person is or has been committed under several convictions, with separate sentences, the sentences shall be construed under Section 5-8-4 in granting and forfeiting of good time.

(c) The Department shall prescribe rules and regulations for revoking good conduct credit, or suspending or reducing the rate of accumulation of good conduct credit for specific rule violations, during imprisonment. These rules and regulations shall provide that no inmate may be penalized more than one year of good conduct credit for any one infraction.

When the Department seeks to revoke, suspend or reduce the rate of accumulation of any good conduct credits for an alleged infraction of its rules, it shall bring charges therefor against the prisoner sought to be so deprived of good conduct credits before the Prisoner Review Board as provided in subparagraph (a)(4) of Section 3-3-2 of this Code, if the amount of credit at issue exceeds 30 days or when during any 12 month period, the cumulative amount of credit revoked exceeds 30 days except where the infraction is committed or discovered within 60 days of scheduled release. In those cases, the Department of Corrections may revoke up to 30 days of good conduct credit. The Board may subsequently approve the revocation of additional good conduct credit, if the Department seeks to revoke good conduct credit in excess of 30 days.

However, the Board shall not be empowered to review the Department's decision with respect to the loss of 30 days of good conduct credit within any calendar year for any prisoner or to increase any penalty beyond the length requested by the Department.

The Director of the Department of Corrections, in appropriate cases, may restore up to 30 days good conduct credits which have been revoked, suspended or reduced. Any restoration of good conduct credits in excess of 30 days shall be subject to review by the Prisoner Review Board. However, the Board may not restore good conduct credit in excess of the amount requested by the Director.

Nothing contained in this Section shall prohibit the Prisoner Review Board from ordering, pursuant to Section 3-3-9(a)(3)(i)(B), that a prisoner serve up to one year of the sentence imposed by the court that was not served due to the accumulation of good conduct credit.

(d) If a lawsuit is filed by a prisoner in an Illinois or federal court against the State, the Department of Corrections, or the Prisoner Review Board, or against any of their officers or employees, and the court makes a specific finding that a pleading, motion, or other paper filed by the prisoner is frivolous, the Department of Corrections shall conduct a hearing to revoke up to 180 days of good conduct credit by bringing charges against the prisoner sought to be deprived of the good conduct credits before the Prisoner Review Board as

provided in subparagraph (a) (8) of Section 3-3-2 of this Code. If the prisoner has not accumulated 180 days of good conduct credit at the time of the finding, then the Prisoner Review Board may revoke all good conduct credit accumulated by the prisoner.

For purposes of this subsection (d):

(1) "Frivolous" means that a pleading, motion, or other filing which purports to be a legal document filed by a prisoner in his or her lawsuit meets any or all of the following criteria:

(A) it lacks an arguable basis either in law or in fact;

(B) it is being presented for any improper purpose, such as to harass or to cause unnecessary delay or needless increase in the cost of litigation;

(C) the claims, defenses, and other legal contentions therein are not warranted by existing law or by a nonfrivolous argument for the extension, modification, or reversal of existing law or the establishment of new law;

(D) the allegations and other factual contentions do not have evidentiary support or, if specifically so identified, are not likely to have evidentiary support after a reasonable opportunity for further investigation or discovery; or

(E) the denials of factual contentions are not

warranted on the evidence, or if specifically so identified, are not reasonably based on a lack of information or belief.

(2) "Lawsuit" means a petition for post-conviction relief under Article 122 of the Code of Criminal Procedure of 1963, a motion pursuant to Section 116-3 of the Code of Criminal Procedure of 1963, a habeas corpus action under Article X of the Code of Civil Procedure or under federal law (28 U.S.C. 2254), a petition for claim under the Court of Claims Act or an action under the federal Civil Rights Act (42 U.S.C. 1983).

(e) Nothing in Public Act 90-592 or 90-593 affects the validity of Public Act 89-404.
