

AN ACT concerning appropriations.

**Be it enacted by the People of the State of Illinois, represented
in the General Assembly:**

Section 5. The amount of \$21,000,000, or so much of that amount as may be necessary, is appropriated for Fiscal Year 2008 from the General Revenue Fund to the State Board of Education to be used by the State Board of Education exclusively for school districts that will receive less funding in the 2007-2008 school year than they received in the 2006-2007 school year as a result of Public Act 93-1022 and not, under any circumstances, for personal service expenditures or other operational or administrative costs.

Section 99. Effective date. This Act takes effect upon becoming law.
