**Be it enacted by the People of the State of Illinois,  
represented in the General Assembly:**

Section 5. The State Finance Act is amended by changing Section 13.2 as follows:

(30 ILCS 105/13.2) (from Ch. 127, par. 149.2)

Sec. 13.2. Transfers among line item appropriations.

(a) Transfers among line item appropriations from the same treasury fund for the objects specified in this Section may be made in the manner provided in this Section when the balance remaining in one or more such line item appropriations is insufficient for the purpose for which the appropriation was made.

(a-1) No transfers may be made from one agency to another agency, nor may transfers be made from one institution of higher education to another institution of higher education.

(a-2) Except as otherwise provided in this Section, transfers may be made only among the objects of expenditure enumerated in this Section, except that no funds may be transferred from any appropriation for personal services, from any appropriation for State contributions to the State Employees' Retirement System, from any separate appropriation for employee retirement contributions paid by the employer, nor

from any appropriation for State contribution for employee group insurance. During State fiscal year 2005, an agency may transfer amounts among its appropriations within the same treasury fund for personal services, employee retirement contributions paid by employer, and State Contributions to retirement systems; notwithstanding and in addition to the transfers authorized in subsection (c) of this Section, the fiscal year 2005 transfers authorized in this sentence may be made in an amount not to exceed 2% of the aggregate amount appropriated to an agency within the same treasury fund. During State fiscal year 2007, the Departments of Children and Family Services, Corrections, Human Services, and Juvenile Justice may transfer amounts among their respective appropriations within the same treasury fund for personal services, employee retirement contributions paid by employer, and State contributions to retirement systems. During State fiscal year 2010, the Department of Transportation may transfer amounts among their respective appropriations within the same treasury fund for personal services, employee retirement contributions paid by employer, and State contributions to retirement systems. During State fiscal year 2010 only, an agency may transfer amounts among its respective appropriations within the same treasury fund for personal services, employee retirement contributions paid by employer, and State contributions to retirement systems. Notwithstanding, and in addition to, the transfers authorized in subsection (c) of this

Section, these transfers may be made in an amount not to exceed 2% of the aggregate amount appropriated to an agency within the same treasury fund.

(a-3) Further, if an agency receives a separate appropriation for employee retirement contributions paid by the employer, any transfer by that agency into an appropriation for personal services must be accompanied by a corresponding transfer into the appropriation for employee retirement contributions paid by the employer, in an amount sufficient to meet the employer share of the employee contributions required to be remitted to the retirement system.

(b) In addition to the general transfer authority provided under subsection (c), the following agencies have the specific transfer authority granted in this subsection:

The Department of Healthcare and Family Services is authorized to make transfers representing savings attributable to not increasing grants due to the births of additional children from line items for payments of cash grants to line items for payments for employment and social services for the purposes outlined in subsection (f) of Section 4-2 of the Illinois Public Aid Code.

The State Board of Education is authorized to make transfers from line item appropriations within the same treasury fund for General State Aid and General State Aid - Hold Harmless, provided that no such transfer may be made unless the amount transferred is no longer required for the purpose for which that appropriation was made, to the line item appropriation for Transitional Assistance when the balance remaining in such line item appropriation is insufficient for the purpose for which the appropriation was made.

(c-1) Special provisions for State fiscal year 2003. Notwithstanding any other provision of this Section to the contrary, for State fiscal year 2003 only, transfers among line item appropriations to an agency from the same treasury fund may be made provided that the sum of such transfers for an agency in State fiscal year 2003 shall not exceed 3% of the aggregate amount appropriated to that State agency for State fiscal year 2003 for the following objects: personal services, except that no transfer may be approved which reduces the aggregate appropriations for personal services within an

agency; extra help; student and inmate compensation; State contributions to retirement systems; State contributions to social security; State contributions for employee group insurance; contractual services; travel; commodities; printing; equipment; electronic data processing; operation of automotive equipment; telecommunications services; travel and allowance for committed, paroled, and discharged prisoners; library books; federal matching grants for student loans; refunds; workers' compensation, occupational disease, and tort claims; and, in appropriations to institutions of higher education, awards and grants.

(d) Transfers among appropriations made to agencies of the Legislative and Judicial departments and to the constitutionally elected officers in the Executive branch require the approval of the officer authorized in Section 10 of this Act to approve and certify vouchers. Transfers among

Section 10. The School Code is amended by changing Section 3-2.5 as follows:

(105 ILCS 5/3-2.5)

Sec. 3-2.5. Salaries.

(a) Except as otherwise provided in this Section, the regional superintendents of schools shall receive for their services an annual salary according to the population, as determined by the last preceding federal census, of the region they serve, as set out in the following schedule:

SALARIES OF REGIONAL SUPERINTENDENTS OF SCHOOLS

POPULATION OF REGION	ANNUAL SALARY
Less than 48,000	\$73,500
48,000 to 99,999	\$78,000
100,000 to 999,999	\$81,500
1,000,000 and over	\$83,500

The changes made by Public Act 86-98 in the annual salary that the regional superintendents of schools shall receive for their services shall apply to the annual salary received by the regional superintendents of schools during each of their elected terms of office that commence after July 26, 1989 and before the first Monday of August, 1995.

The changes made by Public Act 89-225 in the annual salary that regional superintendents of schools shall receive for their services shall apply to the annual salary received by the regional superintendents of schools during their elected terms of office that commence after August 4, 1995 and end on August 1, 1999.

The changes made by this amendatory Act of the 91st General Assembly in the annual salary that the regional superintendents of schools shall receive for their services shall apply to the annual salary received by the regional superintendents of schools during each of their elected terms of office that commence on or after August 2, 1999.

Beginning July 1, 2000, the salary that the regional superintendent of schools receives for his or her services shall be adjusted annually to reflect the percentage increase, if any, in the most recent Consumer Price Index, as defined and officially reported by the United States Department of Labor, Bureau of Labor Statistics, except that no annual increment may exceed 2.9%. If the percentage of change in the Consumer Price Index is a percentage decrease, the salary that the regional superintendent of schools receives shall not be adjusted for that year.

When regional superintendents are authorized by the School Code to appoint assistant regional superintendents, the assistant regional superintendent shall receive an annual salary based on his or her qualifications and computed as a

percentage of the salary of the regional superintendent to whom he or she is assistant, as set out in the following schedule:

SALARIES OF ASSISTANT REGIONAL  
SUPERINTENDENTS

QUALIFICATIONS OF ASSISTANT REGIONAL SUPERINTENDENT	PERCENTAGE OF SALARY OF REGIONAL SUPERINTENDENT
No Bachelor's degree, but State certificate valid for teaching and supervising.	70%
Bachelor's degree plus State certificate valid for supervising.	75%
Master's degree plus State certificate valid for supervising.	90%

However, in any region in which the appointment of more than one assistant regional superintendent is authorized, whether by Section 3-15.10 of this Code or otherwise, not more than one assistant may be compensated at the 90% rate and any other assistant shall be paid at not exceeding the 75% rate, in each case depending on the qualifications of the assistant.

The salaries provided in this Section for regional superintendents and assistant regional superintendents are payable monthly ~~from the Common School Fund~~. The State Comptroller in making his or her warrant to any county for the

amount due it ~~from the Common School Fund~~ shall deduct from it the several amounts for which warrants have been issued to the regional superintendent, and any assistant regional superintendent, of the educational service region encompassing the county since the preceding apportionment ~~of the Common School Fund~~.

County boards may provide for additional compensation for the regional superintendent or the assistant regional superintendents, or for each of them, to be paid quarterly from the county treasury.

(b) Upon abolition on July 1, 1994, of the office of regional superintendent of schools in educational service regions containing 2,000,000 or more inhabitants as provided in Section 3-0.01 of this Code, the provisions of subsection (a) of this Section shall no longer apply in any educational service region in which the office of regional superintendent of schools is so abolished, and no salary or other compensation shall be payable under that subsection (a) or under any other provision of this Section with respect to the office so abolished or with respect to any assistant position to the office so abolished.

(c) If the State pays all or any portion of the employee contributions required under Section 16-152 of the Illinois Pension Code for employees of the State Board of Education, it shall also pay the employee contributions required of regional superintendents of schools and assistant regional

superintendents of schools on the same basis, but excluding any contributions based on compensation that is paid by the county rather than the State.

This subsection (c) applies to contributions based on payments of salary earned after the effective date of this amendatory Act of the 91st General Assembly, except that in the case of an elected regional superintendent of schools, this subsection does not apply to contributions based on payments of salary earned during a term of office that commenced before the effective date of this amendatory Act.
