represented in the General Assembly:**

Section 5. The Upper Illinois River Valley Development Authority Act is amended by changing Section 7 and by adding Section 7.1 as follows:

(70 ILCS 530/7) (from Ch. 85, par. 7157)

Sec. 7. Bonds.

(a) The Authority, with the written approval of the Governor, shall have the continuing power to issue bonds, notes, or other evidences of indebtedness in an aggregate amount outstanding not to exceed \$500,000,000 ~~\$250,000,000~~ for the purpose of developing, constructing, acquiring or improving projects, including those established by business entities locating or expanding property within the territorial jurisdiction of the Authority, for entering into venture capital agreements with businesses locating or expanding within the territorial jurisdiction of the Authority, for acquiring and improving any property necessary and useful in connection therewith and for the purposes of the Employee Ownership Assistance Act. For the purpose of evidencing the obligations of the Authority to repay any money borrowed, the Authority may, pursuant to resolution, from time to time issue

and dispose of its interest bearing revenue bonds, notes or other evidences of indebtedness and may also from time to time issue and dispose of such bonds, notes or other evidences of indebtedness to refund, at maturity, at a redemption date or in advance of either, any bonds, notes or other evidences of indebtedness pursuant to redemption provisions or at any time before maturity. All such bonds, notes or other evidences of indebtedness shall be payable solely and only from the revenues or income to be derived from loans made with respect to projects, from the leasing or sale of the projects or from any other funds available to the Authority for such purposes. The bonds, notes or other evidences of indebtedness may bear such date or dates, may mature at such time or times not exceeding 40 years from their respective dates, may bear interest at such rate or rates not exceeding the maximum rate permitted by "An Act to authorize public corporations to issue bonds, other evidences of indebtedness and tax anticipation warrants subject to interest rate limitations set forth therein", approved May 26, 1970, as amended, may be in such form, may carry such registration privileges, may be executed in such manner, may be payable at such place or places, may be made subject to redemption in such manner and upon such terms, with or without premium as is stated on the face thereof, may be authenticated in such manner and may contain such terms and covenants as may be provided by an applicable resolution.

(b-1) The holder or holders of any bonds, notes or other

evidences of indebtedness issued by the Authority may bring suits at law or proceedings in equity to compel the performance and observance by any corporation or person or by the Authority or any of its agents or employees of any contract or covenant made with the holders of such bonds, notes or other evidences of indebtedness, to compel such corporation, person, the Authority and any of its agents or employees to perform any duties required to be performed for the benefit of the holders of any such bonds, notes or other evidences of indebtedness by the provision of the resolution authorizing their issuance and to enjoin such corporation, person, the Authority and any of its agents or employees from taking any action in conflict with any such contract or covenant.

(b-2) If the Authority fails to pay the principal of or interest on any of the bonds or premium, if any, as the same become due, a civil action to compel payment may be instituted in the appropriate circuit court by the holder or holders of the bonds on which such default of payment exists or by an indenture trustee acting on behalf of such holders. Delivery of a summons and a copy of the complaint to the Chairman of the Board shall constitute sufficient service to give the circuit court jurisdiction of the subject matter of such a suit and jurisdiction over the Authority and its officers named as defendants for the purpose of compelling such payment. Any case, controversy or cause of action concerning the validity of this Act relates to the revenue of the State of Illinois.

(c) Notwithstanding the form and tenor of any such bonds, notes or other evidences of indebtedness and in the absence of any express recital on the face thereof that it is non-negotiable, all such bonds, notes and other evidences of indebtedness shall be negotiable instruments. Pending the preparation and execution of any such bonds, notes or other evidences of indebtedness, temporary bonds, notes or evidences of indebtedness may be issued as provided by ordinance.

(d) To secure the payment of any or all of such bonds, notes or other evidences of indebtedness, the revenues to be received by the Authority from a lease agreement or loan agreement shall be pledged, and, for the purpose of setting forth the covenants and undertakings of the Authority in connection with the issuance thereof and the issuance of any additional bonds, notes or other evidences of indebtedness payable from such revenues, income or other funds to be derived from projects, the Authority may execute and deliver a mortgage or trust agreement. A remedy for any breach or default of the terms of any such mortgage or trust agreement by the Authority may be by mandamus proceedings in the appropriate circuit court to compel the performance and compliance therewith, but the trust agreement may prescribe by whom or on whose behalf such action may be instituted.

(e) Such bonds or notes shall be secured as provided in the authorizing ordinance which may, notwithstanding any other provision of this Act, include in addition to any other

security a specific pledge or assignment of and lien on or security interest in any or all revenues or money of the Authority from whatever source which may by law be used for debt service purposes and a specific pledge or assignment of and lien on or security interest in any funds or accounts established or provided for by ordinance of the Authority authorizing the issuance of such bonds or notes.

(f) In the event that the Authority determines that monies of the Authority will not be sufficient for the payment of the principal of and interest on its bonds during the next State fiscal year, the Chairman, as soon as practicable, shall certify to the Governor the amount required by the Authority to enable it to pay such principal of and interest on the bonds. The Governor shall submit the amount so certified to the General Assembly as soon as practicable, but no later than the end of the current State fiscal year. This Section shall not apply to any bonds or notes as to which the Authority shall have determined, in the resolution authorizing the issuance of the bonds or notes, that this Section shall not apply. Whenever the Authority makes such a determination, that fact shall be plainly stated on the face of the bonds or notes and that fact shall also be reported to the Governor.

In the event of a withdrawal of moneys from a reserve fund established with respect to any issue or issues of bonds of the Authority to pay principal or interest on those bonds, the Chairman of the Authority, as soon as practicable, shall

certify to the Governor the amount required to restore the reserve fund to the level required in the resolution or indenture securing those bonds. The Governor shall submit the amount so certified to the General Assembly as soon as practicable, but no later than the end of the current State fiscal year. This subsection (f) shall not apply to any bond issued on or after the effective date of this amendatory Act of the 97th General Assembly.

(g) The State of Illinois pledges to and agrees with the holders of the bonds and notes of the Authority issued pursuant to this Section that the State will not limit or alter the rights and powers vested in the Authority by this Act so as to impair the terms of any contract made by the Authority with such holders or in any way impair the rights and remedies of such holders until such bonds and notes, together with interest thereon, with interest on any unpaid installments of interest, and all costs and expenses in connection with any action or proceedings by or on behalf of such holders, are fully met and discharged. In addition, the State pledges to and agrees with the holders of the bonds and notes of the Authority issued pursuant to this Section that the State will not limit or alter the basis on which State funds are to be paid to the Authority as provided in this Act, or the use of such funds, so as to impair the terms of any such contract. The Authority is authorized to include these pledges and agreements of the State in any contract with the holders of bonds or notes issued

pursuant to this Section.

(h) Not less than 30 days prior to the commitment to issue bonds, notes, or other evidences of indebtedness for the purpose of developing, constructing, acquiring or improving housing or residential projects, as defined in Section 3, the Authority shall provide notice to the Executive Director of the Illinois Housing Development Authority. Within 30 days after notice is provided, the Illinois Housing Development Authority shall either in writing express interest in financing the project or notify the Authority that it is not interested in providing such financing and the Authority may finance the project or seek alternative financing.

(70 ILCS 530/7.1 new)

Sec. 7.1. Bonds and notes; exemption from taxation. The creation of the Authority is in all respects for the benefit of the people of Illinois and for the improvement of their health, safety, welfare, comfort, and security, and its purposes are public purposes. In consideration thereof, the notes and bonds of the Authority issued pursuant to this Act and the income from these notes and bonds may be free from all taxation by the State or its political subdivisions, except for estate, transfer, and inheritance taxes. The exemption from taxation set forth in this Section shall apply to the income on any notes or bonds of the Authority only if the Authority in its

sole judgment determines that the exemption enhances the marketability of the bonds or notes or reduces the interest rates that would otherwise be borne by the bonds or notes. For purposes of Section 250 of the Illinois Income Tax Act, the exemption of the Authority shall terminate after all of the bonds have been paid. The amount of the income that shall be added and then subtracted on the Illinois income tax return of a taxpayer, subject to Section 203 of the Illinois Income Tax Act, from federal adjusted gross income or federal taxable income in computing Illinois base income shall be the interest net of any bond premium amortization.

Section 99. Effective date. This Act takes effect upon becoming law.
