Sec. 7. Exemptions.

(1) When a request is made to inspect or copy a public record that contains information that is exempt from disclosure under this Section, but also contains information that is not exempt from disclosure, the public body may elect to redact the

information that is exempt. The public body shall make the remaining information available for inspection and copying. Subject to this requirement, the following shall be exempt from inspection and copying:

(a) Information specifically prohibited from disclosure by federal or State law or rules and regulations implementing federal or State law.

(b) Private information, unless disclosure is required by another provision of this Act, a State or federal law or a court order.

(b-5) Files, documents, and other data or databases maintained by one or more law enforcement agencies and specifically designed to provide information to one or more law enforcement agencies regarding the physical or mental status of one or more individual subjects.

(c) Personal information contained within public records, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy, unless the disclosure is consented to in writing by the individual subjects of the information. "Unwarranted invasion of personal privacy" means the disclosure of information that is highly personal or objectionable to a reasonable person and in which the subject's right to privacy outweighs any legitimate public interest in obtaining the information. The disclosure of information that bears on the public duties of public employees and officials shall not be

considered an invasion of personal privacy.

(d) Records in the possession of any public body created in the course of administrative enforcement proceedings, and any law enforcement or correctional agency for law enforcement purposes, but only to the extent that disclosure would:

(i) interfere with pending or actually and reasonably contemplated law enforcement proceedings conducted by any law enforcement or correctional agency that is the recipient of the request;

(ii) interfere with active administrative enforcement proceedings conducted by the public body that is the recipient of the request;

(iii) create a substantial likelihood that a person will be deprived of a fair trial or an impartial hearing;

(iv) unavoidably disclose the identity of a confidential source, confidential information furnished only by the confidential source, or persons who file complaints with or provide information to administrative, investigative, law enforcement, or penal agencies; except that the identities of witnesses to traffic accidents, traffic accident reports, and rescue reports shall be provided by agencies of local government, except when disclosure would interfere with an active criminal investigation

conducted by the agency that is the recipient of the request;

(v) disclose unique or specialized investigative techniques other than those generally used and known or disclose internal documents of correctional agencies related to detection, observation or investigation of incidents of crime or misconduct, and disclosure would result in demonstrable harm to the agency or public body that is the recipient of the request;

(vi) endanger the life or physical safety of law enforcement personnel or any other person; or

(vii) obstruct an ongoing criminal investigation by the agency that is the recipient of the request.

(d-5) A law enforcement record created for law enforcement purposes and contained in a shared electronic record management system if the law enforcement agency that is the recipient of the request did not create the record, did not participate in or have a role in any of the events which are the subject of the record, and only has access to the record through the shared electronic record management system.

(e) Records that relate to or affect the security of correctional institutions and detention facilities.

(e-5) Records requested by persons committed to the Department of Corrections if those materials are available in the library of the correctional facility where the

inmate is confined.

(e-6) Records requested by persons committed to the Department of Corrections if those materials include records from staff members' personnel files, staff rosters, or other staffing assignment information.

(e-7) Records requested by persons committed to the Department of Corrections if those materials are available through an administrative request to the Department of Corrections.

(f) Preliminary drafts, notes, recommendations, memoranda and other records in which opinions are expressed, or policies or actions are formulated, except that a specific record or relevant portion of a record shall not be exempt when the record is publicly cited and identified by the head of the public body. The exemption provided in this paragraph (f) extends to all those records of officers and agencies of the General Assembly that pertain to the preparation of legislative documents.

(g) Trade secrets and commercial or financial information obtained from a person or business where the trade secrets or commercial or financial information are furnished under a claim that they are proprietary, privileged or confidential, and that disclosure of the trade secrets or commercial or financial information would cause competitive harm to the person or business, and only insofar as the claim directly applies to the records

requested.

The information included under this exemption includes all trade secrets and commercial or financial information obtained by a public body, including a public pension fund, from a private equity fund or a privately held company within the investment portfolio of a private equity fund as a result of either investing or evaluating a potential investment of public funds in a private equity fund. The exemption contained in this item does not apply to the aggregate financial performance information of a private equity fund, nor to the identity of the fund's managers or general partners. The exemption contained in this item does not apply to the identity of a privately held company within the investment portfolio of a private equity fund, unless the disclosure of the identity of a privately held company may cause competitive harm.

Nothing contained in this paragraph (g) shall be construed to prevent a person or business from consenting to disclosure.

(h) Proposals and bids for any contract, grant, or agreement, including information which if it were disclosed would frustrate procurement or give an advantage to any person proposing to enter into a contractor agreement with the body, until an award or final selection is made. Information prepared by or for the body in preparation of a bid solicitation shall be exempt until an

award or final selection is made.

(i) Valuable formulae, computer geographic systems, designs, drawings and research data obtained or produced by any public body when disclosure could reasonably be expected to produce private gain or public loss. The exemption for "computer geographic systems" provided in this paragraph (i) does not extend to requests made by news media as defined in Section 2 of this Act when the requested information is not otherwise exempt and the only purpose of the request is to access and disseminate information regarding the health, safety, welfare, or legal rights of the general public.

(ii) information received by a primary or secondary school, college, or university under its procedures for the evaluation of faculty members by their academic peers;

(iv) course materials or research materials used

by faculty members.

(k) Architects' plans, engineers' technical submissions, and other construction related technical documents for projects not constructed or developed in whole or in part with public funds and the same for projects constructed or developed with public funds, including but not limited to power generating and distribution stations and other transmission and distribution facilities, water treatment facilities, airport facilities, sport stadiums, convention centers, and all government owned, operated, or occupied buildings, but only to the extent that disclosure would compromise security.

(l) Minutes of meetings of public bodies closed to the public as provided in the Open Meetings Act until the public body makes the minutes available to the public under Section 2.06 of the Open Meetings Act.

(m) Communications between a public body and an attorney or auditor representing the public body that would not be subject to discovery in litigation, and materials prepared or compiled by or for a public body in anticipation of a criminal, civil or administrative proceeding upon the request of an attorney advising the public body, and materials prepared or compiled with respect to internal audits of public bodies.

(n) Records relating to a public body's adjudication of

employee grievances or disciplinary cases; however, this exemption shall not extend to the final outcome of cases in which discipline is imposed.

(o) Administrative or technical information associated with automated data processing operations, including but not limited to software, operating protocols, computer program abstracts, file layouts, source listings, object modules, load modules, user guides, documentation pertaining to all logical and physical design of computerized systems, employee manuals, and any other information that, if disclosed, would jeopardize the security of the system or its data or the security of materials exempt under this Section.

(p) Records relating to collective negotiating matters between public bodies and their employees or representatives, except that any final contract or agreement shall be subject to inspection and copying.

(q) Test questions, scoring keys, and other examination data used to determine the qualifications of an applicant for a license or employment.

(r) The records, documents, and information relating to real estate purchase negotiations until those negotiations have been completed or otherwise terminated. With regard to a parcel involved in a pending or actually and reasonably contemplated eminent domain proceeding under the Eminent Domain Act, records, documents and

information relating to that parcel shall be exempt except as may be allowed under discovery rules adopted by the Illinois Supreme Court. The records, documents and information relating to a real estate sale shall be exempt until a sale is consummated.

(s) Any and all proprietary information and records related to the operation of an intergovernmental risk management association or self-insurance pool or jointly self-administered health and accident cooperative or pool. (t) Information contained in or related to examination, operating, or condition reports prepared by, on behalf of, or for the use of a public body responsible for the regulation or supervision of financial institutions or insurance companies, unless disclosure is otherwise required by State law.

(u) Information that would disclose or might lead to the disclosure of secret or confidential information, codes, algorithms, programs, or private keys intended to be used to create electronic or digital signatures under the Electronic Commerce Security Act.

(v) Vulnerability assessments, security measures, and response policies or plans that are designed to identify,

prevent, or respond to potential attacks upon a community's population or systems, facilities, or installations, the destruction or contamination of which would constitute a clear and present danger to the health or safety of the community, but only to the extent that disclosure could reasonably be expected to jeopardize the effectiveness of the measures or the safety of the personnel who implement them or the public. Information exempt under this item may include such things as details pertaining to the mobilization or deployment of personnel or equipment, to the operation of communication systems or protocols, or to tactical operations.

(705 ILCS 405/1-7) (from Ch. 37, par. 801-7)

Sec. 1-7. Confidentiality of law enforcement records.

(A) Inspection and copying of law enforcement records maintained by law enforcement agencies that relate to a minor who has been investigated, arrested, or taken into custody

before his or her 18th birthday shall be restricted to the following:

(1) Any local, State or federal law enforcement officers of any jurisdiction or agency when necessary for the discharge of their official duties during the investigation or prosecution of a crime or relating to a minor who has been adjudicated delinquent and there has been a previous finding that the act which constitutes the previous offense was committed in furtherance of criminal activities by a criminal street gang, or, when necessary for the discharge of its official duties in connection with a particular investigation of the conduct of a law enforcement officer, an independent agency or its staff created by ordinance and charged by a unit of local government with the duty of investigating the conduct of law enforcement officers. For purposes of this Section, "criminal street gang" has the meaning ascribed to it in Section 10 of the Illinois Streetgang Terrorism Omnibus Prevention Act.

(2) Prosecutors, probation officers, social workers, or other individuals assigned by the court to conduct a pre-adjudication or pre-disposition investigation, and individuals responsible for supervising or providing temporary or permanent care and custody for minors pursuant to the order of the juvenile court, when essential to performing their responsibilities.

(3) Prosecutors and probation officers:

(a) in the course of a trial when institution of criminal proceedings has been permitted or required under Section 5-805; or

(b) when institution of criminal proceedings has been permitted or required under Section 5-805 and such minor is the subject of a proceeding to determine the amount of bail; or

(c) when criminal proceedings have been permitted or required under Section 5-805 and such minor is the subject of a pre-trial investigation, pre-sentence investigation, fitness hearing, or proceedings on an application for probation.

(4) Adult and Juvenile Prisoner Review Board.

(5) Authorized military personnel.

(6) Persons engaged in bona fide research, with the permission of the Presiding Judge of the Juvenile Court and the chief executive of the respective law enforcement agency; provided that publication of such research results in no disclosure of a minor's identity and protects the confidentiality of the minor's record.

(7) Department of Children and Family Services child protection investigators acting in their official capacity.

(8) The appropriate school official only if the agency or officer believes that there is an imminent threat of

physical harm to students, school personnel, or others who are present in the school or on school grounds.

(A) Inspection and copying shall be limited to law enforcement records transmitted to the appropriate school official or officials whom the school has determined to have a legitimate educational or safety interest by a local law enforcement agency under a reciprocal reporting system established and maintained between the school district and the local law enforcement agency under Section 10-20.14 of the School Code concerning a minor enrolled in a school within the school district who has been arrested or taken into custody for any of the following offenses:

(i) any violation of Article 24 of the Criminal Code of 1961 or the Criminal Code of 2012;

(ii) a violation of the Illinois Controlled Substances Act;

(iii) a violation of the Cannabis Control Act;

(iv) a forcible felony as defined in Section 2-8 of the Criminal Code of 1961 or the Criminal Code of 2012;

(v) a violation of the Methamphetamine Control and Community Protection Act;

The information derived from the law enforcement records shall be kept separate from and shall not become a part of the official school record of that child and shall not be a public record. The information shall be used solely by the appropriate school official or officials whom the school has determined to have a legitimate educational or safety interest to aid in the proper rehabilitation of the child and to protect the safety of students and employees in the school. If the designated law enforcement and school officials deem it to be in the best interest of the minor, the student may be referred to in-school or community based social services if those services are available. "Rehabilitation services" may include interventions by school support personnel, evaluation for eligibility for special education, referrals to community-based agencies such as youth services, behavioral healthcare service providers, drug and alcohol prevention or treatment programs, and other interventions as deemed appropriate for the student.

(B) Any information provided to appropriate school officials whom the school has determined to have a

legitimate educational or safety interest by local law enforcement officials about a minor who is the subject of a current police investigation that is directly related to school safety shall consist of oral information only, and not written law enforcement records, and shall be used solely by the appropriate school official or officials to protect the safety of students and employees in the school and aid in the proper rehabilitation of the child. The information derived orally from the local law enforcement officials shall be kept separate from and shall not become a part of the official school record of the child and shall not be a public record. This limitation on the use of information about a minor who is the subject of a current police investigation shall in no way limit the use of this information by prosecutors in pursuing criminal charges arising out of the information disclosed during a police investigation of the minor. For purposes of this paragraph, "investigation" means an official systematic inquiry by a law enforcement agency into actual or suspected criminal activity.

(9) Mental health professionals on behalf of the Illinois Department of Corrections or the Department of Human Services or prosecutors who are evaluating, prosecuting, or investigating a potential or actual

petition brought under the Sexually Violent Persons Commitment Act relating to a person who is the subject of juvenile law enforcement records or the respondent to a petition brought under the Sexually Violent Persons Commitment Act who is the subject of the juvenile law enforcement records sought. Any records and any information obtained from those records under this paragraph (9) may be used only in sexually violent persons commitment proceedings.

(10) The president of a park district. Inspection and copying shall be limited to law enforcement records transmitted to the president of the park district by the Illinois State Police under Section 8-23 of the Park District Code or Section 16a-5 of the Chicago Park District Act concerning a person who is seeking employment with that park district and who has been adjudicated a juvenile delinquent for any of the offenses listed in subsection (c) of Section 8-23 of the Park District Code or subsection (c) of Section 16a-5 of the Chicago Park District Act.

(B)(1) Except as provided in paragraph (2), no law enforcement officer or other person or agency may knowingly transmit to the Department of Corrections or the Department of State Police or to the Federal Bureau of Investigation any fingerprint or photograph relating to a minor who has been arrested or taken into custody before his or her 18th birthday, unless the court in proceedings under this Act

authorizes the transmission or enters an order under Section 5-805 permitting or requiring the institution of criminal proceedings.

(2) Law enforcement officers or other persons or agencies shall transmit to the Department of State Police copies of fingerprints and descriptions of all minors who have been arrested or taken into custody before their 18th birthday for the offense of unlawful use of weapons under Article 24 of the Criminal Code of 1961 or the Criminal Code of 2012, a Class X or Class 1 felony, a forcible felony as defined in Section 2-8 of the Criminal Code of 1961 or the Criminal Code of 2012, or a Class 2 or greater felony under the Cannabis Control Act, the Illinois Controlled Substances Act, the Methamphetamine Control and Community Protection Act, or Chapter 4 of the Illinois Vehicle Code, pursuant to Section 5 of the Criminal Identification Act. Information reported to the Department pursuant to this Section may be maintained with records that the Department files pursuant to Section 2.1 of the Criminal Identification Act. Nothing in this Act prohibits a law enforcement agency from fingerprinting a minor taken into custody or arrested before his or her 18th birthday for an offense other than those listed in this paragraph (2).

(C) The records of law enforcement officers, or of an independent agency created by ordinance and charged by a unit

of local government with the duty of investigating the conduct of law enforcement officers, concerning all minors under 18 years of age must be maintained separate from the records of arrests and may not be open to public inspection or their contents disclosed to the public except by order of the court presiding over matters pursuant to this Act or when the institution of criminal proceedings has been permitted or required under Section 5-805 or such a person has been convicted of a crime and is the subject of pre-sentence investigation or proceedings on an application for probation or when provided by law. For purposes of obtaining documents pursuant to this Section, a civil subpoena is not an order of the court.

(1) In cases where the law enforcement, or independent agency, records concern a pending juvenile court case, the party seeking to inspect the records shall provide actual notice to the attorney or guardian ad litem of the minor whose records are sought.

(2) In cases where the records concern a juvenile court case that is no longer pending, the party seeking to inspect the records shall provide actual notice to the minor or the minor's parent or legal guardian, and the matter shall be referred to the chief judge presiding over matters pursuant to this Act.

(3) In determining whether the records should be available for inspection, the court shall consider the

minor's interest in confidentiality and rehabilitation over the moving party's interest in obtaining the information. Any records obtained in violation of this subsection (C) shall not be admissible in any criminal or civil proceeding, or operate to disqualify a minor from subsequently holding public office or securing employment, or operate as a forfeiture of any public benefit, right, privilege, or right to receive any license granted by public authority.

(D) Nothing contained in subsection (C) of this Section shall prohibit the inspection or disclosure to victims and witnesses of photographs contained in the records of law enforcement agencies when the inspection and disclosure is conducted in the presence of a law enforcement officer for the purpose of the identification or apprehension of any person subject to the provisions of this Act or for the investigation or prosecution of any crime.

(E) Law enforcement officers, and personnel of an independent agency created by ordinance and charged by a unit of local government with the duty of investigating the conduct of law enforcement officers, may not disclose the identity of any minor in releasing information to the general public as to the arrest, investigation or disposition of any case involving a minor.

(F) Nothing contained in this Section shall prohibit law enforcement agencies from communicating with each other by

letter, memorandum, teletype or intelligence alert bulletin or other means the identity or other relevant information pertaining to a person under 18 years of age if there are reasonable grounds to believe that the person poses a real and present danger to the safety of the public or law enforcement officers. The information provided under this subsection (F) shall remain confidential and shall not be publicly disclosed, except as otherwise allowed by law.

(G) Nothing in this Section shall prohibit the right of a Civil Service Commission or appointing authority of any state, county or municipality examining the character and fitness of an applicant for employment with a law enforcement agency, correctional institution, or fire department from obtaining and examining the records of any law enforcement agency relating to any record of the applicant having been arrested or taken into custody before the applicant's 18th birthday.

(H) The changes made to this Section by Public Act 98-61 apply to law enforcement records of a minor who has been arrested or taken into custody on or after January 1, 2014 (the effective date of Public Act 98-61).

Sec. 5-905. Law enforcement records.

(1) Law Enforcement Records. Inspection and copying of law enforcement records maintained by law enforcement agencies that relate to a minor who has been investigated, arrested, or taken into custody before his or her 18th birthday shall be restricted to the following and when necessary for the discharge of their official duties:

(a) A judge of the circuit court and members of the staff of the court designated by the judge;

(b) Law enforcement officers, probation officers or prosecutors or their staff, or, when necessary for the discharge of its official duties in connection with a particular investigation of the conduct of a law enforcement officer, an independent agency or its staff created by ordinance and charged by a unit of local government with the duty of investigating the conduct of law enforcement officers;

(c) The minor, the minor's parents or legal guardian and their attorneys, but only when the juvenile has been charged with an offense;

(d) Adult and Juvenile Prisoner Review Boards;

(e) Authorized military personnel;

(f) Persons engaged in bona fide research, with the permission of the judge of juvenile court and the chief executive of the agency that prepared the particular recording: provided that publication of such research results in no disclosure of a minor's identity and protects

the confidentiality of the record;

(g) Individuals responsible for supervising or providing temporary or permanent care and custody of minors pursuant to orders of the juvenile court or directives from officials of the Department of Children and Family Services or the Department of Human Services who certify in writing that the information will not be disclosed to any other party except as provided under law or order of court;

(h) The appropriate school official only if the agency or officer believes that there is an imminent threat of physical harm to students, school personnel, or others who are present in the school or on school grounds.

(A) Inspection and copying shall be limited to law enforcement records transmitted to the appropriate school official or officials whom the school has determined to have a legitimate educational or safety interest by a local law enforcement agency under a reciprocal reporting system established and maintained between the school district and the local law enforcement agency under Section 10-20.14 of the School Code concerning a minor enrolled in a school within the school district who has been arrested or taken into custody for any of the following offenses:

(i) any violation of Article 24 of the Criminal Code of 1961 or the Criminal Code of 2012;

(ii) a violation of the Illinois Controlled

Substances Act;

(iii) a violation of the Cannabis Control Act;

(iv) a forcible felony as defined in Section 2-8 of the Criminal Code of 1961 or the Criminal Code of 2012;

(v) a violation of the Methamphetamine Control and Community Protection Act;

(vi) a violation of Section 1-2 of the Harassing and Obscene Communications Act;

(vii) a violation of the Hazing Act; or

(viii) a violation of Section 12-1, 12-2, 12-3, 12-3.05, 12-3.1, 12-3.2, 12-3.4, 12-3.5, 12-5, 12-7.3, 12-7.4, 12-7.5, 25-1, or 25-5 of the Criminal Code of 1961 or the Criminal Code of 2012.

The information derived from the law enforcement records shall be kept separate from and shall not become a part of the official school record of that child and shall not be a public record. The information shall be used solely by the appropriate school official or officials whom the school has determined to have a legitimate educational or safety interest to aid in the proper rehabilitation of the child and to protect the safety of students and employees in the school. If the designated law enforcement and school officials deem it to be in the best interest of the minor, the student may be referred to in-school or community based social

services if those services are available. "Rehabilitation services" may include interventions by school support personnel, evaluation for eligibility for special education, referrals to community-based agencies such as youth services, behavioral healthcare service providers, drug and alcohol prevention or treatment programs, and other interventions as deemed appropriate for the student.

(B) Any information provided to appropriate school officials whom the school has determined to have a legitimate educational or safety interest by local law enforcement officials about a minor who is the subject of a current police investigation that is directly related to school safety shall consist of oral information only, and not written law enforcement records, and shall be used solely by the appropriate school official or officials to protect the safety of students and employees in the school and aid in the proper rehabilitation of the child. The information derived orally from the local law enforcement officials shall be kept separate from and shall not become a part of the official school record of the child and shall not be a public record. This limitation on the use of information about a minor who is the subject of a current police investigation shall in no way limit the use of this information by prosecutors in

pursuing criminal charges arising out of the information disclosed during a police investigation of the minor. For purposes of this paragraph, "investigation" means an official systematic inquiry by a law enforcement agency into actual or suspected criminal activity;

(i) The president of a park district. Inspection and copying shall be limited to law enforcement records transmitted to the president of the park district by the Illinois State Police under Section 8-23 of the Park District Code or Section 16a-5 of the Chicago Park District Act concerning a person who is seeking employment with that park district and who has been adjudicated a juvenile delinquent for any of the offenses listed in subsection (c) of Section 8-23 of the Park District Code or subsection (c) of Section 16a-5 of the Chicago Park District Act.

(2) Information identifying victims and alleged victims of sex offenses, shall not be disclosed or open to public inspection under any circumstances. Nothing in this Section shall prohibit the victim or alleged victim of any sex offense from voluntarily disclosing his or her identity.

(2.5) If the minor is a victim of aggravated battery, battery, attempted first degree murder, or other non-sexual violent offense, the identity of the victim may be disclosed to appropriate school officials, for the purpose of preventing foreseeable future violence involving minors, by a local law

enforcement agency pursuant to an agreement established between the school district and a local law enforcement agency subject to the approval by the presiding judge of the juvenile court.

(3) Relevant information, reports and records shall be made available to the Department of Juvenile Justice when a juvenile offender has been placed in the custody of the Department of Juvenile Justice.

(4) Nothing in this Section shall prohibit the inspection or disclosure to victims and witnesses of photographs contained in the records of law enforcement agencies when the inspection or disclosure is conducted in the presence of a law enforcement officer for purposes of identification or apprehension of any person in the course of any criminal investigation or prosecution.

(5) The records of law enforcement officers, or of an independent agency created by ordinance and charged by a unit of local government with the duty of investigating the conduct of law enforcement officers, concerning all minors under 18 years of age must be maintained separate from the records of adults and may not be open to public inspection or their contents disclosed to the public except by order of the court or when the institution of criminal proceedings has been permitted under Section 5-130 or 5-805 or required under Section 5-130 or 5-805 or such a person has been convicted of a crime and is the subject of pre-sentence investigation or when

provided by law.

(6) Except as otherwise provided in this subsection (6), law enforcement officers, and personnel of an independent agency created by ordinance and charged by a unit of local government with the duty of investigating the conduct of law enforcement officers, may not disclose the identity of any minor in releasing information to the general public as to the arrest, investigation or disposition of any case involving a minor. Any victim or parent or legal guardian of a victim may petition the court to disclose the name and address of the minor and the minor's parents or legal guardian, or both. Upon a finding by clear and convincing evidence that the disclosure is either necessary for the victim to pursue a civil remedy against the minor or the minor's parents or legal guardian, or both, or to protect the victim's person or property from the minor, then the court may order the disclosure of the information to the victim or to the parent or legal guardian of the victim only for the purpose of the victim pursuing a civil remedy against the minor or the minor's parents or legal guardian, or both, or to protect the victim's person or property from the minor.

(7) Nothing contained in this Section shall prohibit law enforcement agencies when acting in their official capacity from communicating with each other by letter, memorandum, teletype or intelligence alert bulletin or other means the identity or other relevant information pertaining to a person

under 18 years of age. The information provided under this subsection (7) shall remain confidential and shall not be publicly disclosed, except as otherwise allowed by law.

(8) No person shall disclose information under this Section except when acting in his or her official capacity and as provided by law or order of court.

(9) The changes made to this Section by Public Act 98-61 apply to law enforcement records of a minor who has been arrested or taken into custody on or after January 1, 2014 (the effective date of Public Act 98-61).
