Re: Correspondence with the United States Department of Veterans Affairs

This report is submitted pursuant to Section 60 of the Quincy Veterans' Home Rehabilitation and Rebuilding Act, which requires the Capital Development Board (CDB) to "provide the General Assembly with unredacted copies of all correspondence and communications with the United States Department of Veterans Affairs related to securing funding for the renovation, restoration, rehabilitation, or rebuilding of the Quincy Veterans' Home" (330 ILCS 21/60).

CDB has been working closely with the Illinois Department of Veterans' Affairs (IDVA) to assist IDVA in obtaining federal reimbursement grant funding from the United States Department of Veterans Affairs (USDVA) for design and construction work at IDVA facilities completed under CDB contracts. Enclosed find email correspondence between staff from CDB, IDVA, and USDVA discussing the coordination of certain projects at the Illinois Veterans' Home at Quincy that qualify for federal reimbursement. The email correspondence starts March 4, 2021 and ends March 17, 2021. Note that duplicate copies of some correspondence are provided in order to capture all attachments to the email correspondence.

Should you need any additional information regarding this report, do not hesitate to contact me.

Sincerely,

A handwritten signature in black ink that reads "Amy Romano". The signature is written in a cursive, flowing style.
