Illinois 2020 Body Worn Camera Report

Table of Contents

Introduction

This 2020 Body Worn Camera Report contains a summary of departments that submitted body worn camera program reports to the Illinois Law Enforcement Training and Standards Board (ILETSB). Each department overview includes narrative information and data provided by the department. Visual charts identify the ten (10) most frequent charges related to incidents; a single incident may have multiple charges. Departments reporting less than five (5) charges exclude visual charts. ILETSB is the repository for department reports.

Seventy-nine (79) law enforcement departments submitted body worn camera program reports for the period of January 1, 2020, to December 31, 2020. Categorically, four (4) campus law enforcement departments, twelve (12) sheriff's offices, and sixty-three (63) municipal law enforcement departments submitted reports.

Eleven (11) law enforcement departments utilize body worn cameras but had zero (0) recordings for the period of January 1, 2020, to December 31, 2020. Therefore, this report excludes these departments:

- Bull Valley Police Department

- Glasford Police Department

- Illinois Central College Campus Police Department

- Decatur Police Department

- Dongola Police Department

- Loyola University Chicago Department of Campus Safety

- Mascoutah Police Department

- New Lenox Police Department

- Parkland College Police Department

- San Jose Police Department

- Southern Illinois Airport Police Department

Executive Summary

Departments provide a brief overview, which includes number of officers in the department, number of body worn cameras, and number of officers who use those cameras.

Technical Issues

Common technical issues include low battery life, cameras not charging, difficulty uploading footage, and cameras falling off the officer. Departments may list remedies to the issues.

Review Process

Departments report review policy on body worn camera footage.

Incidents

Departments report incidents when prosecutors use body worn camera footage. This section counts and lists incidents and offenses charged. Please note, one (1) incident may contain multiple offenses charged. Between January 1, 2020, and December 31, 2020, seventy-nine (79) departments report fifty-nine thousand eighty (59,080) incidents leading to seventy-two thousand twenty-six (72,026) offenses charged. Over forty-seven percent (47%) of offenses charged were the following ten (10) offenses:

Greatest Frequency of Charges

Legend:
- Domestic Battery
- Issuance of Warrant
- Driving Under the Influence
- Unlawful Possession of a Controlled/Counterfeit Substance
- Aggravated Unlawful Use of a Weapon
- Retail Theft
- Battery
- Driving with a Suspended/Revoked License
- Unlawful Use of Weapons
- Criminal Trespass to Real Property

- Driving with Suspended License/Permit/Priviledge
- Theft
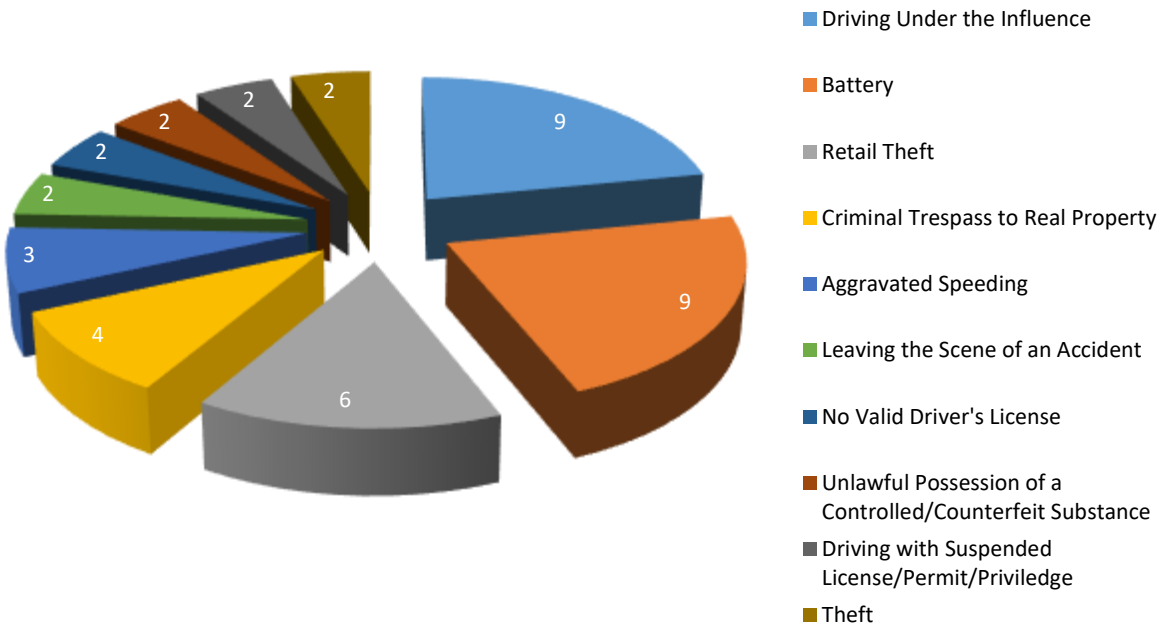

Department Overview – Bethany Police Department

Bethany Police Department consists of two (2) full-time officers who utilize two (2) body worn cameras, effective June 1, 2019.

Technical Issues

Bethany Police Department reports issues with uploading failures. When technical issues arise, Bethany Police Department contacts the manufacturer to troubleshoot, which resolves the issues.

Review Process

Bethany Police Department Chief of Police reviews all recordings. Reviews are done after the incident or when the Chief is back on duty.

Incidents

Between January 14, 2020, and December 28, 2020, Bethany Police Department reports sixteen (16) incidents leading to sixteen (16) offenses charged. Below is a snapshot of greatest frequency of offenses charged.

Greatest Frequency of Charges

- Domestic Battery
- Driving Under the Influence
- Armed Robbery
- Aggravated Fleeing
- Burglary
- Failure to Register as a Sex Offender
- Possession/Intention to Deliver Cannabis
- Possession of Methamphetamine
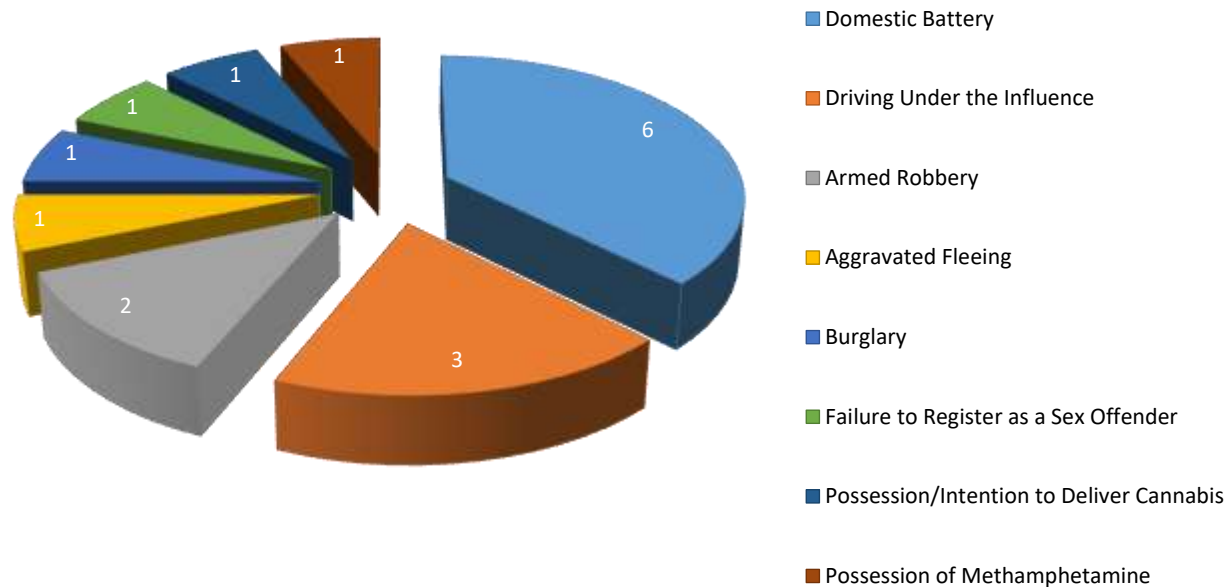

Department Overview – Bloomington Police Department

Bloomington Police Department contracted with Axon for body worn cameras, officially launching their current program on February 26, 2020. Bloomington Police Department's report does not provide department or additional body worn camera information.

Technical Issues

Bloomington Police Department reports zero (0) technical issues.

Review Process

Bloomington Police Department's report does not include a formal review process.

Incidents

Between January 1, 2020, and December 31, 2020, Bloomington Police Department reports one thousand six hundred ninety-three (1,693) incidents leading to four thousand one hundred seventy (4,170) offenses charged. Below is a snapshot of greatest frequency of offenses charged.

Greatest Frequency of Charges

- ■ Driving Under the Influence
- ■ Delivery or Intent to Manufacture/Delivery of a Controlled Substance
- ■ Domestic Battery
- ■ Unlawful Possession of a Controlled/Counterfeit Substance
- ■ Driving with Suspended License/Permit/Priviledge
- ■ Possession of Methamphetamine
- ■ Resisting or Obstructing a Peace Officer
- ■ Criminal Damage to Property
- ■ Methamphetamine Delivery
- ■ Retail Theft
- ■ Battery
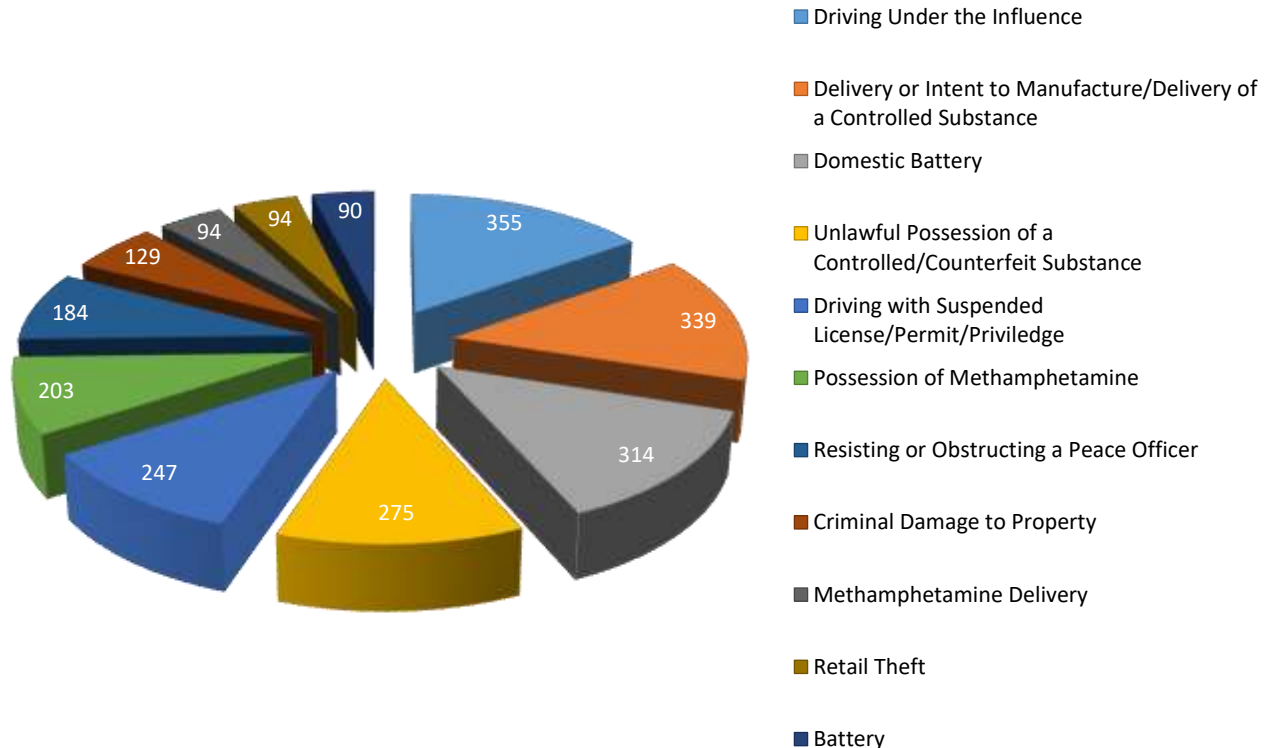

Department Overview – Bourbonnais Police Department

Bourbonnais Police Department consists of twenty-six officers (26) who utilize twenty-four (24) body worn cameras. The Department consists of one (1) chief, one (1) deputy chief, six (6) sergeants, two (2) detectives, one (1) school resource officer, one (1) special agent, and fourteen (14) patrol officers. All officers wear a body camera during their regular shift and any overtime details; detectives wear body cameras when taking statements or meeting with victims.

Technical Issues
Bourbonnais Police Department reports user error, battery, clip, and syncing issues.

Review Process
Bourbonnais Police Department shift supervisors and administrators have the right to review body camera videos any time they are investigating alleged misconduct or reports of meritorious conduct, or whenever such recordings would be beneficial in reviewing an officer's performance or training exercise.

Incidents
Between January 1, 2020, and December 31, 2020, Bourbonnais Police Department reports two hundred thirty-seven (237) incidents leading to two hundred forty-five (245) offenses charged. Below is a snapshot of greatest frequency of offenses charged.

Greatest Frequency of Charges

- Driving with a Suspended/Revoked License
- Issuance of Warrant
- Domestic Battery
- Driving Under the Influence
- Driving Without a License
- Disorderly Conduct
- Theft
- Driver's License Expired
- Battery
- Violation of an Order of Protection
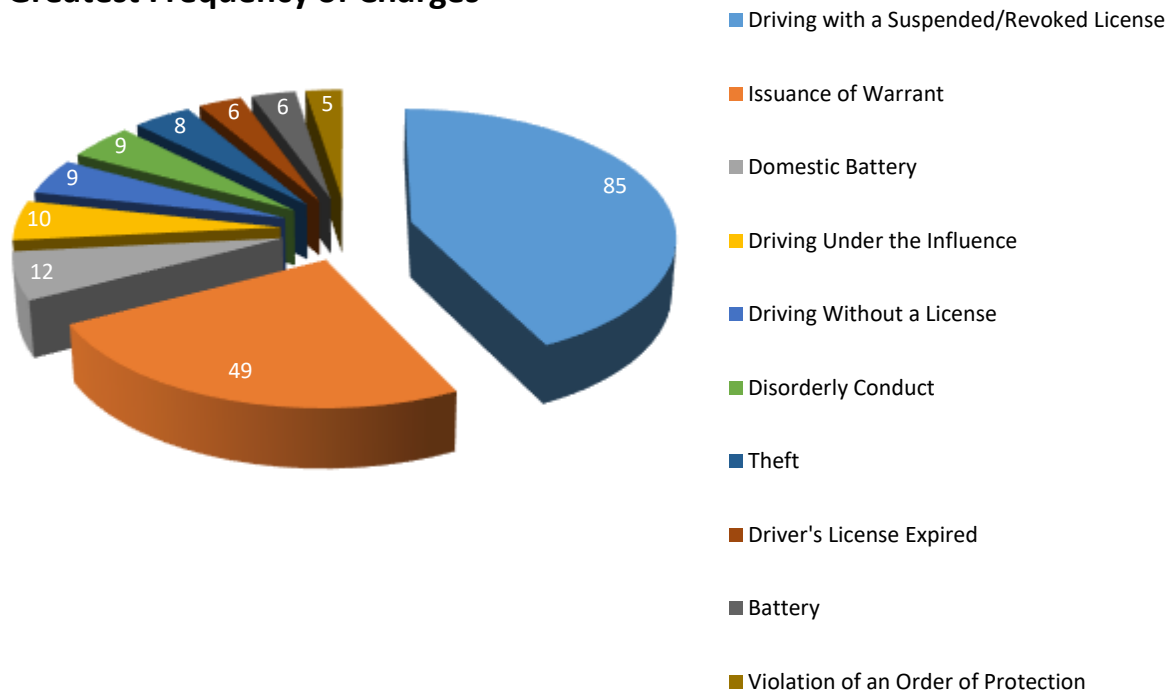

Department Overview – Broadview Police Department

Broadview Police Department implemented its body worn camera program August 1, 2016. The Department has sixteen (16) body worn cameras utilized by twenty-five (25) of the thirty (30) sworn officers (Chief, Deputy Chief and two Commanders are exempt).

Technical Issues

Broadview Police Department reports an issue with the main motherboard in the cameras, which required all to be replaced.

Review Process

Broadview Police Department supervisors review body worn camera footage of each officer at least once every sixty (60) day period and log this review in a database.

Supervisors review footage for quality control measures.

Footage may be used for discipline only if a citizen formally or informally files a complaint, an officer uses force during an incident, an incident may result in formal investigation under the Uniform Peace Officers' Disciplinary Act, or as corroboration of other misconduct.

Incidents

Between January 1, 2020, and December 31, 2020, Broadview Police Department reports one thousand two hundred two (1,202) incidents leading to one thousand seven hundred forty-three (1,743) offenses charged. Below is a snapshot of greatest frequency of offenses charged.

Greatest Frequency of Charges

Legend:
- Speeding
- Driving with a Suspended/Revoked License
- Possession of Cannabis
- No Insurance
- Retail Theft
- Expired Registration
- Driving Without a License
- Disobeying Stop Sign
- Operating Uninsured Motor Vehicle
- Improper Lane Usage

Pie chart values: 351, 140, 132, 125, 65, 54, 53, 50, 48, 25
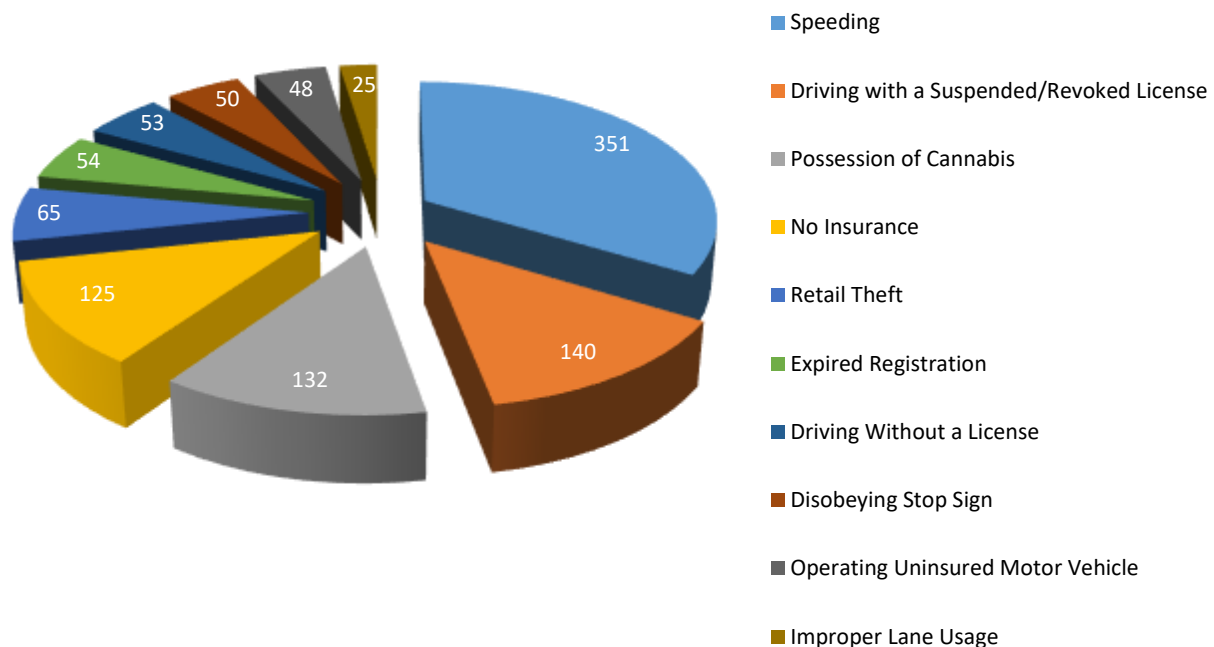

Department Overview – Champaign Police Department

Champaign Police Department consists of one hundred twenty-five (125) officers who utilize one hundred twenty-five (125) body worn cameras. In July 2017, the City of Champaign Police Department completed its full implementation of body worn cameras to all sworn law enforcement officers in every division of the department.

Technical Issues
Champaign Police Department reports several issues for body worn cameras:

- Officers misclassify footage;

- Pairing dock issues. Replaced with USB hubs and a secured charging/syncing cable

- SD card errors;

- Camera recording failure;

- Camera uploading failure;

- Camera synchronization failure;

- Charging/syncing cable failure due to normal wear and tear. Department replaces these at a rate of two (2) to three (3) a month;

- Video import issues; most resolved in-house while remaining were resolved with the assistance of the manufacturer;

- Camera mount failure;

- Footage sharing limitations. State's Attorney's Office unable to access shared folder; department provides videos on discs and portable hard drives to ensure the State's Attorney's Office receives copies of the videos;

Review Process
Champaign Police Department supervisors:

- Randomly view footage for quality;

- Review use of force incidents above normal handcuffing;

- Review footage officers flag and note footage reviewed before writing report;

- Randomly review footage to ensure policy compliance;

- Review footage before debriefings;

- Review footage of complaints; and

- Review footage of FOIA requests.

Department Overview – Champaign Police Department, Continued

Deputy Chief reviews accidental footage to maintain officer's privacy. City of Champaign Legal Department, Champaign County State's Attorney's Office, and defense attorneys review footage for legal proceedings. The video program manager (City of Champaign Police Department Lieutenant) reviews random videos on a consistent basis to ensure compliance with the Department's policy and procedures as well as state law. The City of Champaign Police Department's Administration and Professional Standards Division reviews videos related to allegations of misconduct. Beginning May 2019, the City of Champaign Human Relations Commission Citizen Review Subcommittee began reviewing videos related to citizen complaints involving a formal complaint investigation.

Incidents

Between January 1, 2020, and December 31, 2020, Champaign Police Department reports one thousand twenty-eight (1,028) incidents leading to one thousand four hundred eighteen (1,418) offenses charged. Below is a snapshot of greatest frequency of offenses charged.

Greatest Frequency of Charges

Legend:
- Domestic Battery
- Criminal Damage to Property
- Resisting or Obstructing a Peace Officer
- Aggravated Battery
- Burglary
- Theft
- Retail Theft
- Battery
- Driving Under the Influence
- Unlawful Use or Possession of a Firearm by Felon

Pie chart values: 236, 88, 74, 72, 68, 61, 60, 52, 45, 36
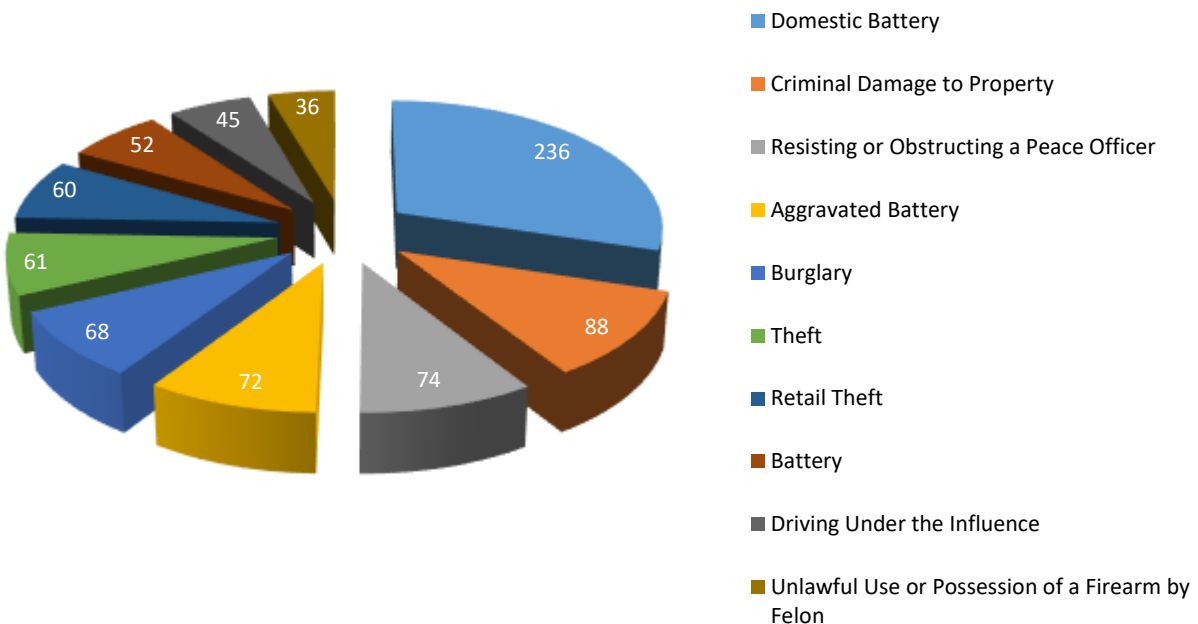

Department Overview – Champaign County Sheriff's Office

Champaign County Sheriff's Office consists of fifty-four (54) sworn deputies who utilize fifty-four (54) Axon Body 3 body worn cameras.

Technical Issues
Champaign County Sheriff's Office reports minor connectivity and off-load issues.

Review Process
Champaign County Sheriff's Office administrators review body worn camera footage to investigate incidents, alleged misconduct, reports of meritorious conduct, or in performance review. Within a forty-five (45) day period, sergeants randomly review and log at least one (1) body worn camera video for each deputy on their team as part of a performance review. In addition to random audits, a separate review of use of force incidents with reported injury or needing medical attention, vehicle pursuits, and/or complaints against a deputy or specific incident will be conducted and logged.

Incidents
Between April 15, 2020, and December 31, 2020, Champaign County Sheriff's Office reports two hundred thirty-four (234) incidents leading to six hundred thirteen (613) offenses charged. Below is a snapshot of greatest frequency of offenses charged.

Greatest Frequency of Charges

Legend:
- Aggravated Domestic Battery
- Domestic Battery
- Aggravated Unlawful Use of Weapon
- Aggravated Driving Under the Influence
- Unlawful Possession of a Controlled/Counterfeit Substance
- Receive, Possess, Sell Stolen Vehicle

- Aggravated Fleeing or Attempting to Elude a Peace Officer
- Resisting or Obstructing a Peace Officer
- Criminal Trepass to Vehicles
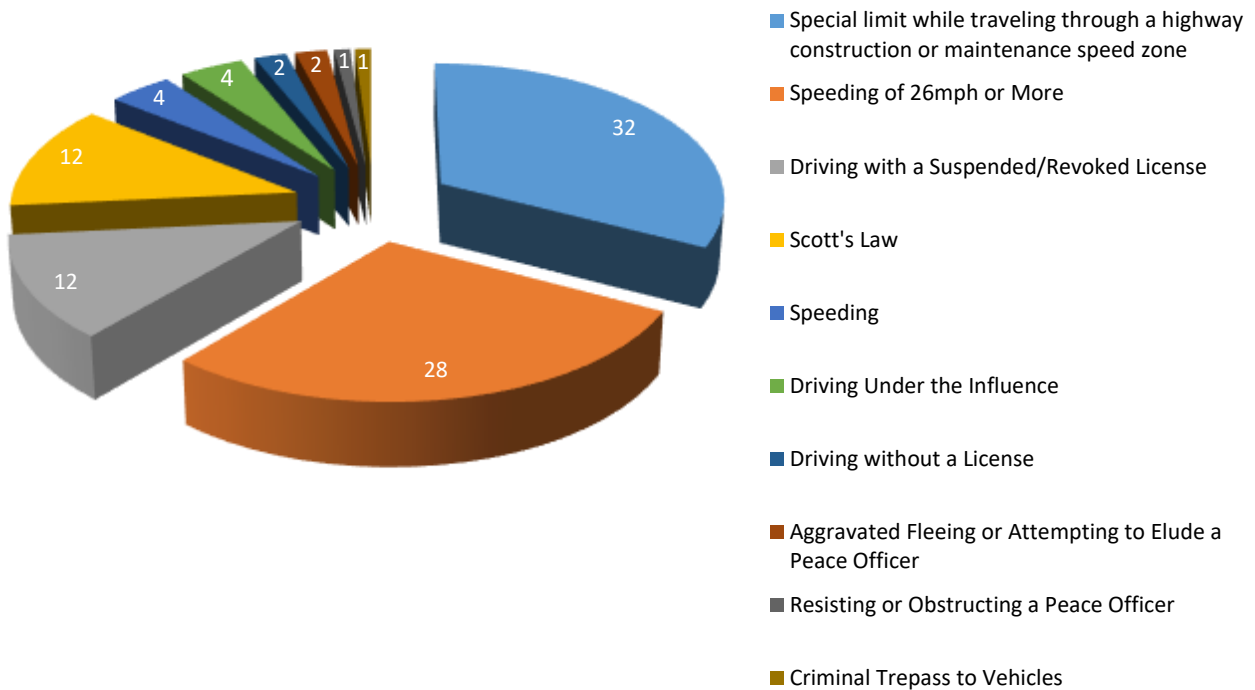

Department Overview – Chicago Police Department

Chicago Police Department is the largest municipal police agency in Illinois with approximately eleven thousand seven hundred (11,700) sworn officers. The Chicago Police Department is divided into two (2) offices: the Office of Operations and the Office of Constitutional Policing and Reform. The Chicago Police Department has prioritized body worn camera deployment in the Office of Operations Patrol Districts and Units within the Special Operations Group.

The Chicago Police Department consists of twenty-two (22) patrol districts, as well as Area Community Safety Teams. These districts and teams are staffed by approximately eight thousand (8,000) sworn officers; approximately seven thousand seven hundred (7,700) of these officers are equipped with body worn cameras. There are another approximate three hundred (300) body worn cameras assigned to the Special Operations Group, Mass Transit Unit. As of April 30, 2021, approximately eight thousand (8,000) body worn cameras are utilized by the Chicago Police Department.

Technical Issues
Chicago Police Department reports that 2020/2021 upgrades to a newer model of cameras offered by their body worn camera vendor has resulted in no major technical issues.

Review Process
Chicago Police Department supervisors ensure:

- Department members use body worn cameras consistent with Chicago Police Department directives;

- A report is entered in a Chicago Police Department application whenever any member is unable to use the body worn camera or download digitally recorded data due to technical problems. This application is monitored twenty-four (24) hours and seven (7) days a week by trained field technicians who respond to repair or replace any defective equipment;

- An investigation is initiated when notified of a missing, lost, or damaged body worn camera;

- The distribution, charging, and uploading of the body worn cameras are consistent with Chicago Police Department directives;

- Officers who reviewed a body worn camera recording prior to writing an arrest report document this fact in the narrative portion of the arrest report prior to submitting the report for approval;

- The Watch Operations Lieutenant must review at least one (1) random recording per watch to ensure Chicago Police Department policy is properly adhered to;

- District commanders/unit commanding officers, or their designee, receive weekly reports on officer body worn camera usage and the number of unmatched videos to ensure compliance with Chicago Police Department policy.

Incidents

Between January 1, 2020, and December 31, 2020, Chicago Police Department reports thirty-seven thousand four hundred forty-nine (37,449) incidents leading to thirty-eight thousand nine hundred seventy-two (38,972) offenses charged. Below is a snapshot of greatest frequency of offenses charged.

Greatest Frequency of Charges

- Issuance of Warrant — 5732
- Domestic Battery — 3389
- Unlawful Possession of a Controlled/Counterfeit Substance — 3212
- Aggravated Unlawful Use of a Weapon — 2412
- Battery — 1790
- Unlawful Use of Weapons — 1693
- Retail Theft — 1568
- Criminal Trepass to Real Property — 1367
- Driving Under the Influence — 1123
- Delivery or Intent to Manufacture/Delivery of a Controlled Substance — 1002
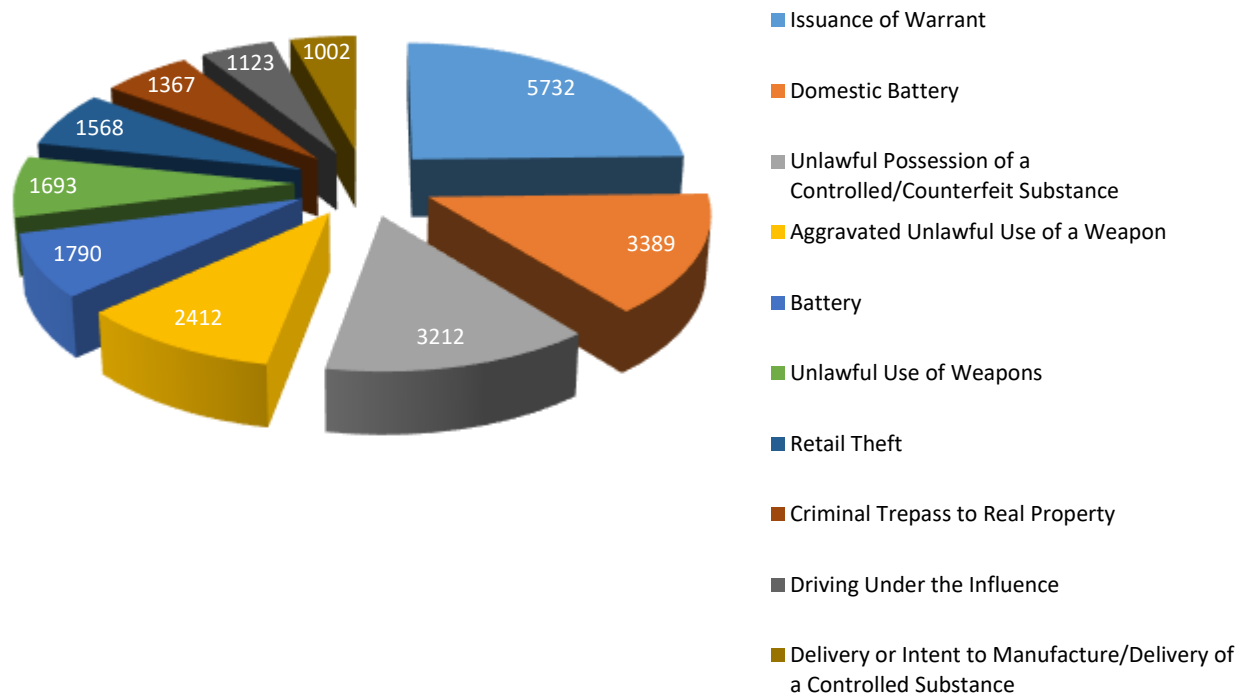

Department Overview – Chillicothe Police Department

Chillicothe Police Department consists of eleven (11) full-time sworn officers, including three (3) sergeants, one (1) detective, two (2) school resource officers, and one (1) chief of police. Eleven (11) body worn cameras are in use.

Technical Issues

Chillicothe Police Department reports zero (0) technical issues.

Review Process

Chillicothe Police Department Sergeants randomly review footage to ensure proper downloading. The Chief of Police, or his designee, flags footage for filed complaints or internal investigations. Department supervisors view footage:

- To investigate a complaint against an officer or a specific incident;

- To identify videos for training purposes and for instructional use;

- When officers show a pattern of alleged abuse or misconduct; and

- For any reason consistent with the Chief of Police directive.

Incidents

Between January 2, 2020, and November 30, 2020, Chillicothe Police Department reports thirty-five (35) incidents leading to thirty-five (35) offenses charged. Below is a snapshot of greatest frequency of offenses charged.

Greatest Frequency of Charges

Legend:
- Driving Under the Influence
- Domestic Battery
- Aggravated Domestic Battery
- Retail Theft
- Violation of an Order of Protection
- Battery
- Theft of Lost or Mislaid Property
- Criminal Damage to Property
- Unlawful Use of Weapons
- Speeding of 26mph or More
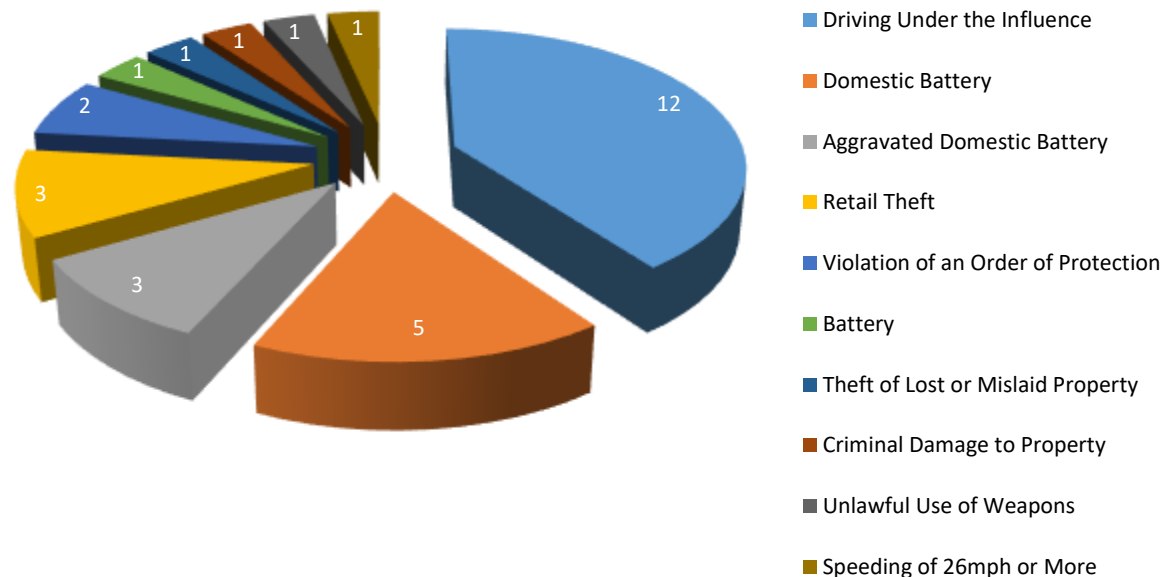

Department Overview – Christian County Sheriff's Office

Christian County Sheriff's Office consists of fourteen (14) full-time deputies and five (5) part-time deputies who utilize body worn cameras. The report does not provide body worn camera information.

Technical Issues

Christian County Sheriff's Office reports issues with the body worn camera mounts.

Review Process

Christian County Sheriff's Office supervisors review videos directly related to cases and periodically to check in on the activities of the deputies.

Incidents

Between January 1, 2020, and December 28, 2020, Christian County Sheriff's Office reports fifty-two (52) incidents leading to fifty-two (52) offenses charged. Below is a snapshot of greatest frequency of offenses charged.

Greatest Frequency of Charges

Legend:
- Driving with a Suspended/Revoked License
- Domestic Battery
- Driving Under the Influence
- Violation of an Order of Protection
- Unlawful Use of Weapons
- Criminal Sexual Abuse
- Arson
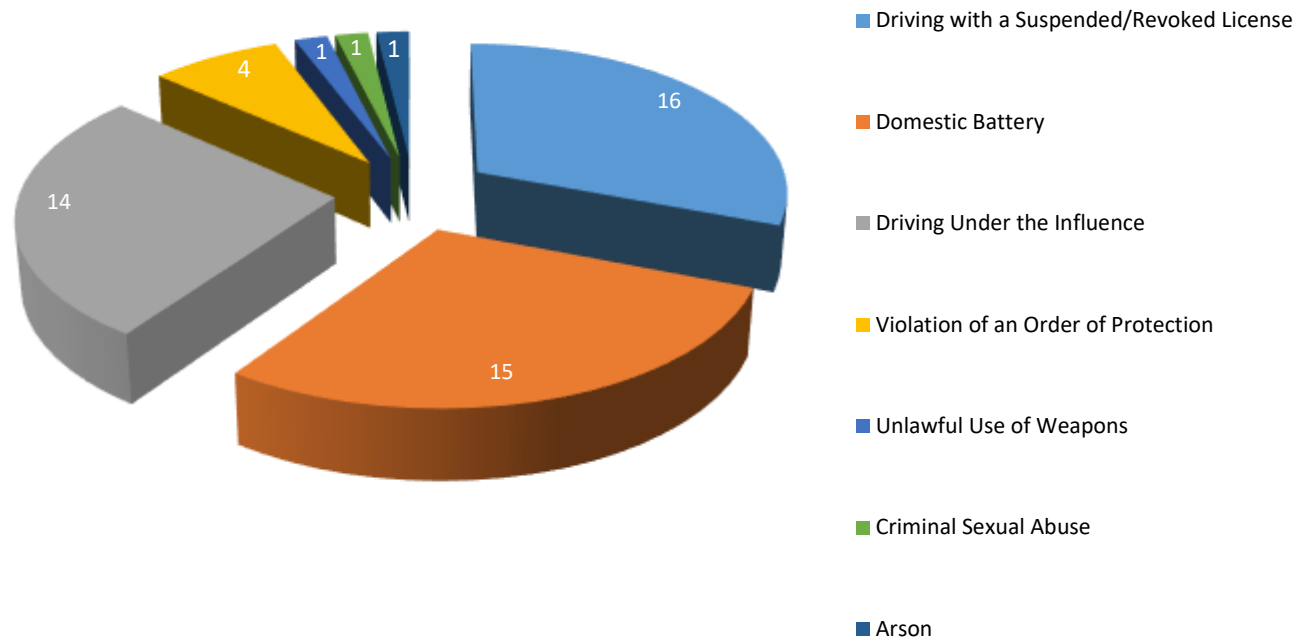

Department Overview – Coal Valley Police Department

Coal Valley Police Department consists of thirteen (13) officers who utilize ten (10) body worn cameras as of October 2019.

Technical Issues
Coal Valley Police Department reports zero (0) technical issues.

Review Process
Coal Valley Police Department supervisors are authorized to review relevant recording any time they are investigating alleged misconduct or reports of meritorious conduct, or whenever such recordings would be beneficial in reviewing the member's performance.

Incidents
Between January 6, 2020, and December 25, 2020, Coal Valley Police Department reports twenty-nine (29) incidents leading to thirty-four (34) offenses charged. Below is a snapshot of greatest frequency of offenses charged.

Greatest Frequency of Charges

- Driving Under the Influence
- Driving with a Suspended License/Permit/Priviledge
- Domestic Battery
- Disorderly Conduct
- Aggravated Unlawful Use of a Weapon
- Endangering the Life or Health of a Child
- Resisting or Obstructing a Peace Officer
- Possession of Cannabis
- Aggravated Domestic Battery
- Possession or Transportation of Alcoholic Liquor in a Motor Vehicle
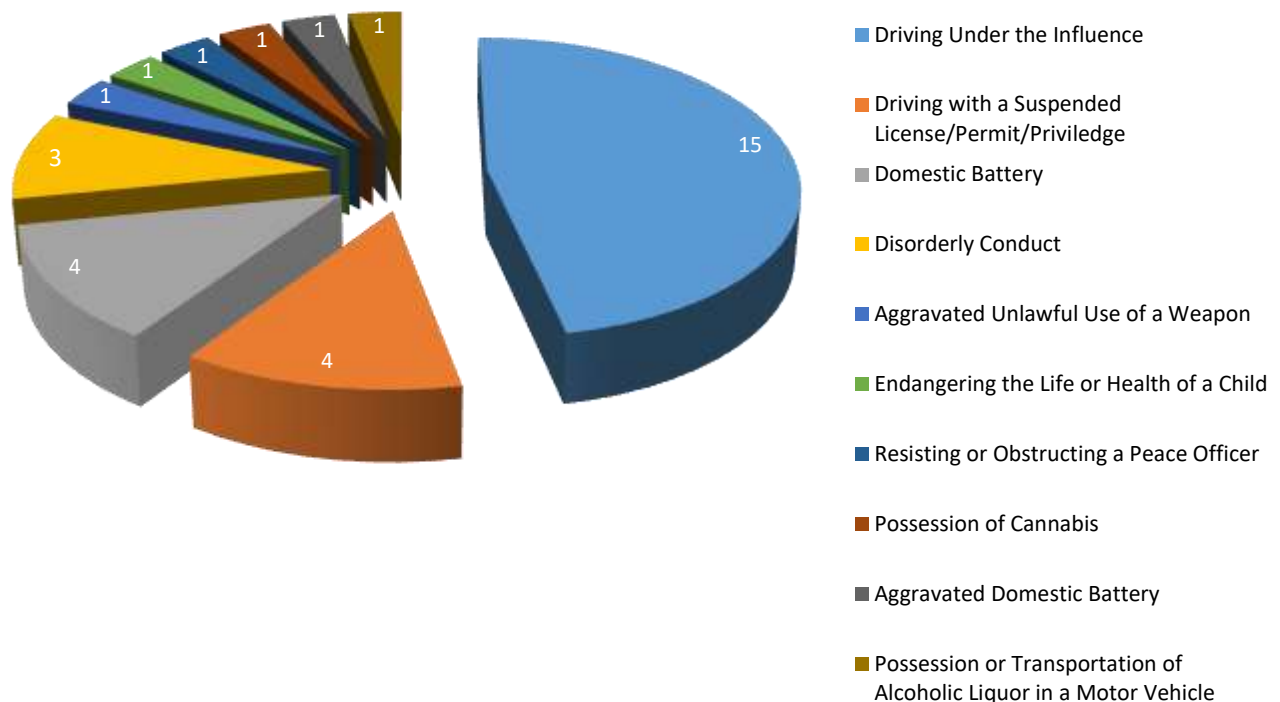

Department Overview – Crystal Lake Police Department

Crystal Lake Police Department utilizes twenty-one (21) body worn cameras. The report does not provide any department information.

Technical Issues
Crystal Lake Police Department reports zero (0) issues.

Review Process
Crystal Lake Police Department supervisors perform at least two (2) random reviews of recordings on a monthly basis to assist in: periodic assessment of an officer's performance, assessing proper functioning of MAV systems, and/or assessing possible training value.

Incidents
Between January 1, 2020, and December 31, 2020, Crystal Lake Police Department reports one hundred fifty-seven (157) incidents leading to one hundred fifty-seven (157) offenses charged. Below is a snapshot of greatest frequency of offenses charged.

Greatest Frequency of Charges

Legend:
- Driving Under the Influence
- Domestic Battery
- Unlawful Possession of a Controlled/Counterfeit Substance
- Aggravated Battery
- Battery

- Delivery or Intent to Manufacture/Delivery of a Controlled Substance
- Chemical Breakdown of Illicit Controlled Substance
- Obstructing identification
- Theft
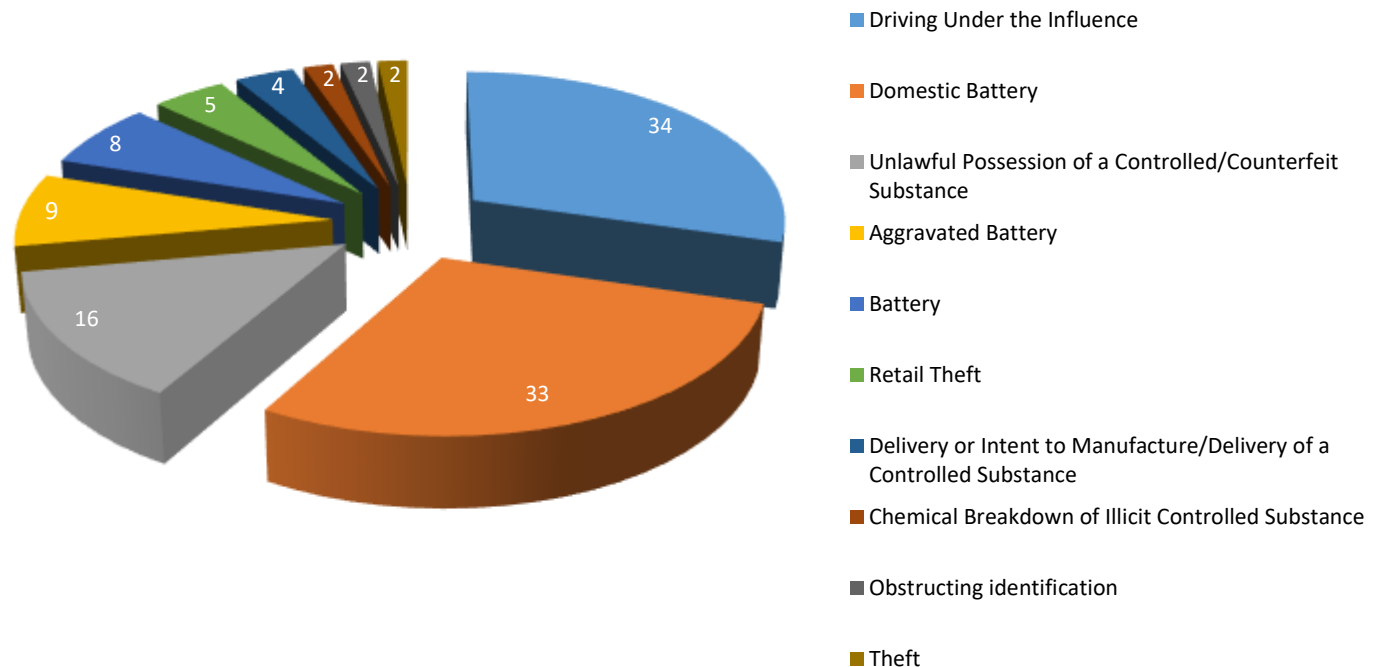

Department Overview – Danville Police Department

Danville Police Department consists of sixty-four (64) officers who utilize twenty-six (26) body worn cameras.

Technical Issues

Danville Police Department reports issues with the body worn camera clips and issues with syncing with the squad car camera.

Review Process

Danville Police Department supervisors are responsible for ensuring the cameras are used in accordance with departmental policies and procedures. Supervisors are required to review camera footage if there is a complaint made against an officer or when there are patterns of alleged misconduct. Supervisors have review access to all videos; it is the supervisor's responsibility to document the day to day assignments of the squad car and body worn cameras.

Incidents

Between October 10, 2020, and December 31, 2020, Danville Police Department reports ninety-eight (98) incidents leading to one hundred ninety offenses (190) offenses charged. Below is a snapshot of greatest frequency of offenses charged.

Greatest Frequency of Charges

- Driving with a Suspended/Revoked License
- Criminal Trespass
- Obstructing a Peace Officer
- Driving Under the Influence
- Criminal Damage to Property
- Unlawful Possession of a Controlled/Counterfeit Substance
- Resisting a Peace Officer
- Domestic Battery
- Aggravated Domestic Battery
- Disorderly Conduct
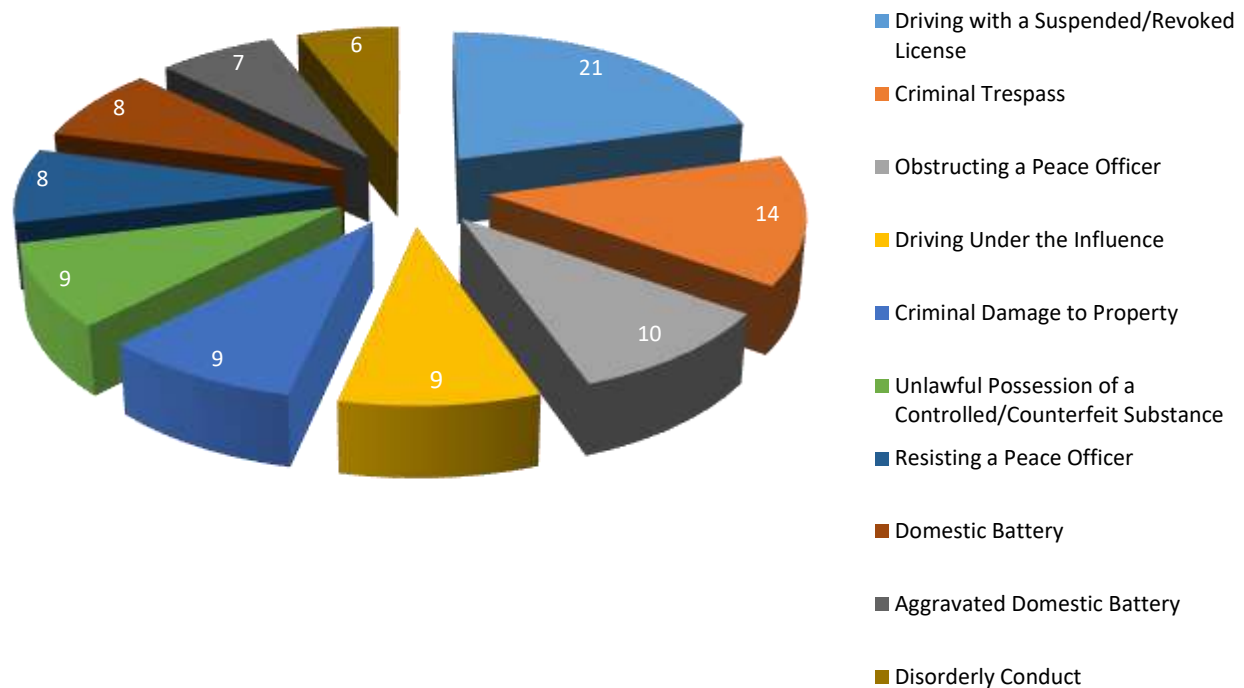

Department Overview – East Peoria Police Department

East Peoria Police Department utilizes forty-nine (49) body worn cameras, with a total of forty (40) officers using cameras. East Peoria Police Department's report does not provide additional department information.

Technical Issues

East Peoria Police Department reports issues including: connecting, battery charging, battery life, sporadic missing recordings, power up, proper functioning, and downloading. Replacing defective body worn cameras fixes the issues.

Review Process

East Peoria Police Department Sergeants randomly review recordings monthly to ensure the equipment operates, to ensure officers use the cameras appropriately, and per policy and training. Sergeants document their review on a Body Worn Camera Supervisor Review form. The Deputy Chief of Operations and Administration receives these completed forms.

Incidents

Between January 3, 2020, and November 19, 2020, East Peoria Police Department reports ninety-four (94) incidents leading to two hundred thirty-two (232) offenses charged. Below is a snapshot of greatest frequency of offenses charged.

Greatest Frequency of Charges

Legend:
- Driving Under the Influence
- Operating Uninsured Motor Vehicle
- Driving with Suspended License/Permit/Priviledge
- Speeding
- Retail Theft
- Aggravated Battery
- Driving on Roadways Laned for Traffic

- Battery
- Domestic Battery

Pie chart values: 47, 23, 17, 16, 10, 8, 8, 7, 3, 2
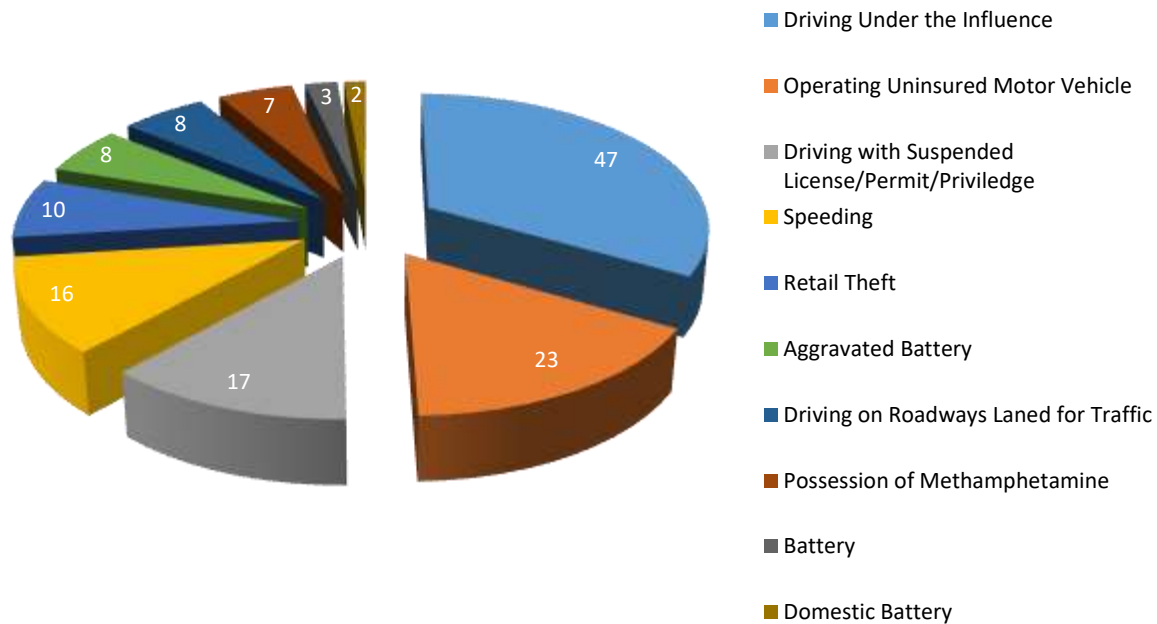

Department Overview – Eastern Illinois University Police Department

Eastern Illinois University Police Department consists of thirteen (13) officers who utilize thirteen (13) body worn cameras.

Technical Issues

Eastern Illinois University Police Department reports zero (0) technical issues.

Review Process

Eastern Illinois University Police Department supervisors randomly review body worn camera videos for training issues, tactics, customer service, and policy compliance.

Incidents

Between January 23, 2020, and December 17, 2020, Eastern Illinois University Police Department reports fourteen (14) incidents leading to forty-two (42) offenses charged. Below is a snapshot of greatest frequency of offenses charged.

Greatest Frequency of Charges

- Driving Under the Influence
- Driving on Roadways Laned for Traffic
- Driving with Suspended License/Permit/Priviledge
- Operating Uninsured Motor Vehicle
- Obstructing Justice
- Possession or Transportation of Alcoholic Liquor in a Motor Vehicle
- Obedience To and Required Traffic-Control Devices
- Possession of Methamphetamine
- Expired Registration Plate/Sticker
- Resisting or Obstructing a Peace Officer
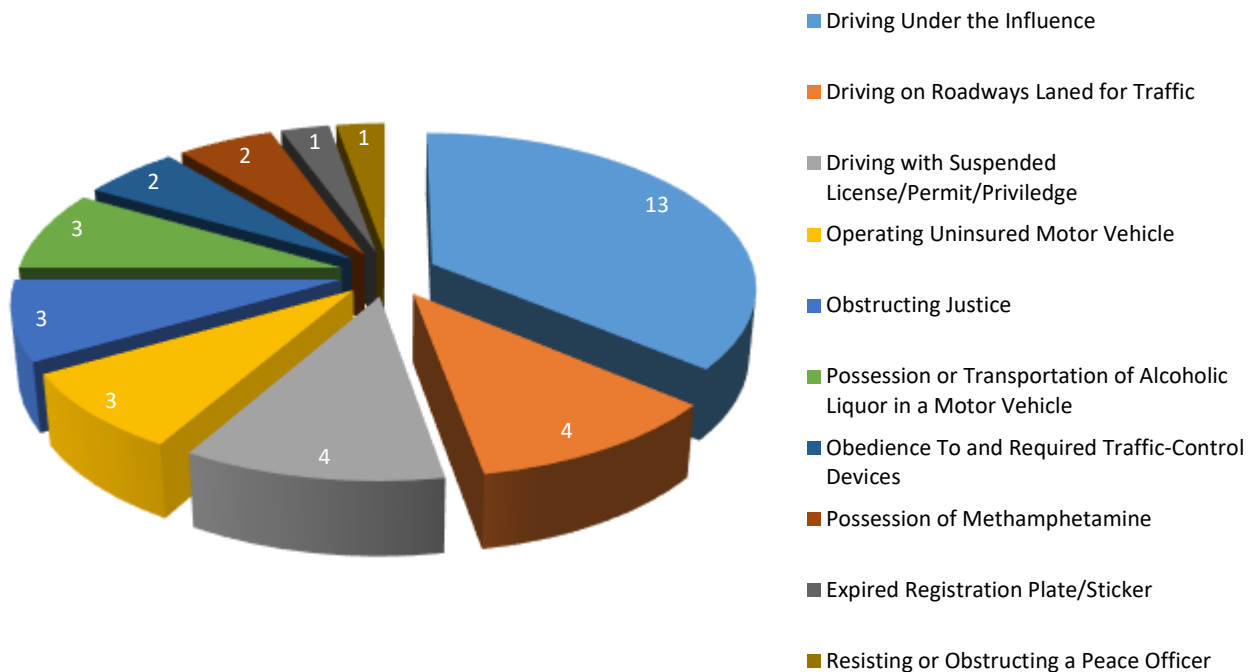

Department Overview – Edwardsville Police Department

Edwardsville Police Department's report does not provide department or body worn camera information.

Technical Issues
Edwardsville Police Department reports zero (0) technical issues.

Review Process
Edwardsville Police Department's report does not include a formal review process.

Incidents
Between January 1, 2020, and December 31, 2020, Edwardsville Police Department reports two thousand two hundred ninety-four (2,294) incidents leading to two thousand eight hundred eighty-seven (2,887) offenses charged. Below is a snapshot of greatest frequency of offenses charged.

Greatest Frequency of Charges

Pie chart values: 873, 265, 208, 194, 110, 104, 93, 91, 91, 79

Department Overview – Elgin Police Department

Elgin Police Department utilizes one hundred eighty-four (184) Axon Body 3 cameras and thirty (30) Axon Flex 2 cameras. A total of one hundred eighty-four (184) officers and supervisors utilize these body worn cameras. All sworn members of the Department are issued body worn cameras.

Technical Issues
Elgin Police Department reports technical issues including defective cameras and cameras not holding a charge.

Review Process
Elgin Police Department's review process is as follows:

- The recording officer and his/her supervisor may access and review recordings prior to completing the police report or other documentation;

- Supervisors review critical incident footage;

- Lieutenants review an appropriate sampling of footage at least once every thirty (30) days to ensure equipment operates properly and officers utilize the cameras appropriately and in accordance with policy and training;

- Supervisors document their review and forward this completed form to the Body Worn Camera Program Administrator; and

- Supervisors do not review recordings to search for violations of policy or law not related to a specific complaint or incident.

Supervisors may review footage to discipline an employee when:

- A citizen files a formal or informal complaint of misconduct;

- The encounter in the footage could result in a formal investigation under the Uniform Peace Officer's Act;

- A use of force incident occurs; or

- As corroboration or other evidence of misconduct.

Supervisors shall not use footage for performance evaluations, but for the purpose of correcting substandard employee performance or highlighting commendatory performance of an employee.

Incidents

Between January 1, 2020, and December 31, 2020, Elgin Police Department reports one thousand seven hundred ten (1,710) incidents leading to three thousand nine hundred thirty-nine (3,939) offenses charged. Below is a snapshot of greatest frequency of offenses charged.

Greatest Frequency of Charges

Legend:
- Domestic Battery
- Driving Under the Influence
- Warrant in State
- Driving with Suspended License/Permit/Priviledge
- Resisting or Obstructing a Peace Officer

- Domestic Battery
Department Overview – Fayette County Sheriff's Office

Fayette County Sheriff's Office consists of twenty (20) officers who utilize fifteen (15) body worn cameras.

Technical Issues
Fayette County Sheriff's Office reports issues including low battery life, cameras not charging, and the transfer cable stops working.

Review Process
Fayette County Sheriff's Office supervisors review body worn camera footage after it is found necessary due to: the nature of the call, training opportunity, camera malfunction, quality control, and/or safety concern.

Incidents
Between January 6, 2020, and December 30, 2020, Fayette County Sheriff's Office reports nineteen (19) incidents leading to nineteen (19) offenses charged. Below is a snapshot of greatest frequency of offenses charged.

Greatest Frequency of Charges

- Domestic Battery
- Theft
- Failure to Yield to Emergency Vehicle
- Possession of Methamphetamine
- Speeding
- Driving Under the Influence
- Burglary
- Property Damage
- Concealing or Aiding a Fugitive
- Fleeing or Attempting to Elude
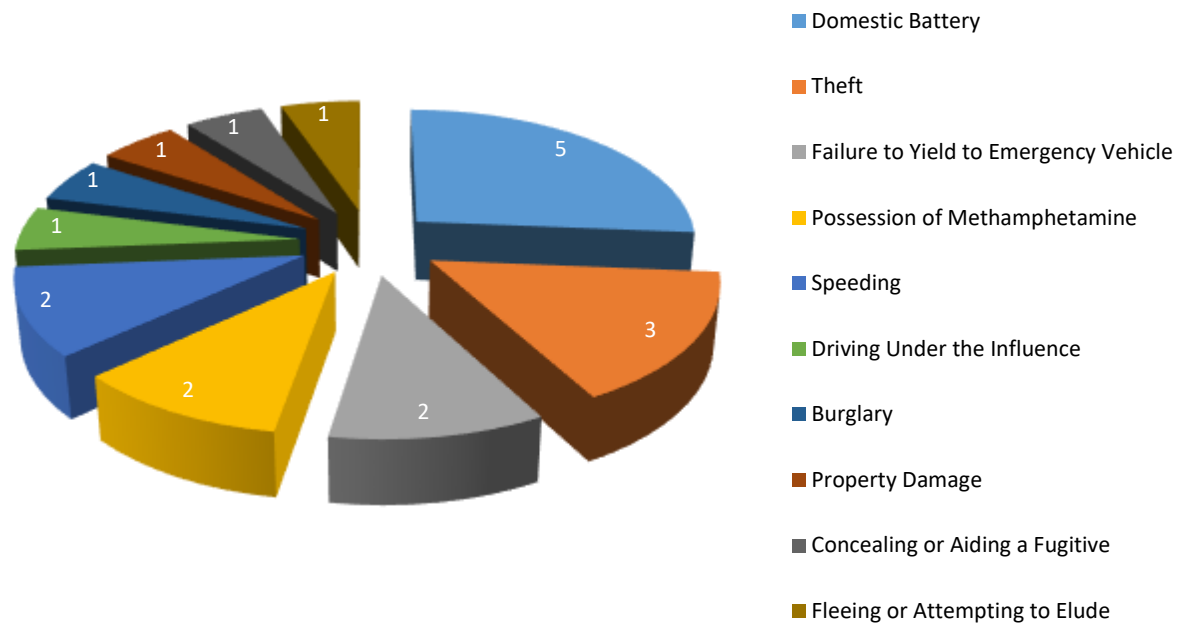

Department Overview – Forest Preserves of Cook County Police Department

Forest Preserves of Cook County Police Department consists of one hundred two (102) sworn officers who utilize sixteen (16) body worn cameras. The Forest Preserves of Cook County Police Department purchased the body worn cameras as part of a pilot program; sixteen (16) officers were assigned a camera. Further deployment of the body worn cameras to the entire department was delayed due to restrictions imposed as a result of the COVID-19 pandemic; it is anticipated that with the easing of restrictions the remainder of the body worn cameras will be deployed during the summer of 2021.

Technical Issues

Forest Preserves of Cook County Police Department reports damage to one (1) body worn camera due to it being dropped. The information technology department upgraded the internet service and the communication lines to improve downloading capabilities at each of the five (5) reporting locations.

Review Process

Forest Preserves of Cook County Police Department supervisors conduct required random audits to ensure video and audio are clear on body worn camera recordings, and to ensure the devices are operating properly. Supervisors also conduct random audits as follows: (1) sergeants randomly audit recordings made by their subordinates under their supervision, generally once every two (2) weeks, (2) commanders and deputy commanders may randomly audit recordings made by sworn members under their respective commands as needed, and (3) the Director of Compliance may randomly audit recordings made by the sworn members to ensure compliance with the employment plan and district policies.

Incidents

Between July 6, 2020, and October 4, 2020, Forest Preserves of Cook County Police Department reports five (5) incidents leading to eleven (11) offenses charged. The next page contains a snapshot of greatest frequency of offenses charged.

Department Overview – Lake County Sheriff's Office

Lake County Sheriff's Office consists of two hundred thirty-five (235) sworn deputies, part-time court security officers, and seasonal marine unit deputies who utilize three hundred forty-six (346) body worn cameras. Each patrol deputy is assigned two cameras, so the newly charged/synced body worn camera is utilized at the start of each shift. Other employees are assigned one body worn camera.

Technical Issues
Lake County Sheriff's Office reports no widespread technical issues.

Review Process
Lake County Sheriff's Office has a written policy which dictates when personnel are required to utilize their body worn camera, which encompasses Illinois statute pertaining to body worn camera usage. While supervisory staff have the ability to review videos of those they supervise at any time, bi-yearly supervisory personnel are to review two (2) random videos for everyone they directly supervise, per sheriff's policy. The review is to determine if there are widespread technical issues and if personnel is adhering to the body worn camera policy/state law. Policy violations are handled through the sheriff's office disciplinary/compliant protocol. Supervisory personnel will view subordinate body worn camera videos should an internal or external complaint arise.

Incidents
Between January 1, 2020, and December 31, 2020, Lake County Sheriff's Office reports eight hundred thirty-eight (838) incidents leading to nine hundred forty-three (943) offenses charged. Below is a snapshot of greatest frequency of offenses charged.

Greatest Frequency of Charges

Department Overview – Mundelein Police Department

Mundelein Police Department consists of fifty-three (53) police officers who utilize forty-eight (48) body worn cameras.

Technical Issues
Mundelein Police Department reports issues from normal wear and tear.

Review Process
Mundelein Police Department supervisors:

- Ensure officers utilize body worn cameras in accordance to policy and training;

- Review footage in their investigative scope, conduct further investigation they deem appropriate, and forward the information via the chain of command;

- Randomly review and document at least one (1) body worn camera recording quarterly for each officer they supervise to ensure equipment operates;

- Review body worn camera footage for administrative review of use of force incidents;

- Identify areas for training or guidance;

- Do not use footage to prepare performance evaluations, unless used for commending exemplary performance or correcting substandard performance; and

- Do not review footage for disciplinary purposes.

Supervisors review footage to determine possible discipline when:

- A citizen files a complaint of misconduct;

- An officer uses unauthorized or incorrect use of force;

- The encounter may result in a formal investigation under the Uniform Peace Officer's Act; or

- As corroboration of misconduct.

Incidents
Between January 1, 2020, and December 24, 2020, Mundelein Police Department reports one hundred ninety-five (195) incidents leading to one hundred ninety-five (195) offenses charged. On the following page is a snapshot of greatest frequency of offenses charged.

Greatest Frequency of Charges

Legend:
- Driving Under the Influence
