It's so you can get your money from the grant award. If you send it over to your finance department get them to fill out and fax to the number in the email so we can finish processing your grant.

Thanks.

RE: Request for Conditional Approval
FAI 17-051, Renovation: Emergency Campus Reconstruction
Illinois Veterans' Home at Quincy Illinois

Dear Ms. Gaug,

In accordance with the provisions of 38 CFR Section 59.70, the Illinois Department of Veterans' Affairs respectfully requests conditional approval of grant application **FAI 17-051** in the amount of \$197,047,500 (estimated total project costs \$230,000,000), for Renovation: Emergency Campus Reconstruction, at the Illinois Veterans' Home, Quincy, Illinois. The State will meet all requirements for this grant not later than 180 calendar days after the date of conditional approval. We understand that if a State that has obtained conditional approval for a project does not meet all of the requirements within 180 calendar days after the date of conditional approval, the Secretary will rescind the conditional approval and the project will be ineligible for a grant for the rest of that fiscal year.

A conditional grant award will allow the State to have time to finalize the remaining requirements as outlined in VA Form 10-0388-14, Checklist of Major Requirements for State Home Construction Grants. The state has completed the necessary requirements on VA Form 10-0388-14, Checklist of Major Requirements, Section A, 1-13 and Section B, 1-5A-D for New Construction. The State is coordinating efforts to meet all remaining Federal requirements. The State executed the Design-Build entity's contract on February 219, 2021.

DEPARTMENT OF VETERANS AFFAIRS
Under Secretary for Health
Washington DC 20420

September 30, 2021

Mr. Terry Prince III
Acting Director
State of Illinois Department of Veterans' Affairs
833 S. Spring Street
Springfield, IL 62794

Dear Mr. Prince:

The Department of Veterans Affairs (VA) has conditionally approved your application for Federal assistance for the cost of the Renovation/Safety Emergency Campus Reconstruction Project at the Veterans' Home in Quincy, Illinois (FAI 17-051).

VA's participation in the project is contingent upon the State of Illinois compliance with the remaining Federal requirements within 180 calendar days from the date of this letter. If the requirements are not met within the 180 days, a grant will not be awarded. Based upon our review of the application documents, the amount of \$197,047,500.00 has been set aside for the grant application.

I have enclosed a copy of the Checklist of Major Requirements for State Home Construction/Acquisition Grants, which indicates the remaining requirements that need to be met prior to approving the grant award for this project. Failure to meet the remaining Federal qualifying factors for this grant application within the 180 calendar days would result in the loss of Federal funds for this project during fiscal year 2021.

We look forward to receiving the information above so that we may proceed with the final grant award.

Sincerely,

A handwritten signature in cursive script that reads "Steven Lieberman".

Steven L. Lieberman, M.D.
