STATE OF ILLINOIS
DEPARTMENT OF REVENUE

December 1, 2022

Clerk John Hollman
402 State House
Springfield, Illinois 62706

Dear Mr. Hollman:

As required by statute, I am submitting on behalf of the Director the annual report of the Illinois Department of Revenue's efforts to assist other state agencies in collecting debt owed to the State of Illinois. Attached is a report on these activities for Fiscal Year 2022.

Throughout FY22, IDOR maintained contact with the participating state agencies to review account receivable practices and recommend procedural improvements to enhance collection efforts. IDOR Collection staff continues to work with the agencies on issues with debt collection such as:

- the importance of capturing unique identifying account information
- timely referral of overdue accounts for collection action
- the requirement to continue to refer debt to the Illinois Office of the Comptroller

IDOR has contracted with and closely manages several high-quality, third-party collection firms to recover outstanding state agency debt, including tax debt. In FY22, the program has successfully recovered \$18,944,735 from an inventory of other State agencies aged receivables. IDOR continues to encourage state agencies to place their delinquent debts with our collection firms.

If you have any questions or require additional information, do not hesitate to contact me at 217-782-5195.

Sincerely,

A handwritten signature in blue ink, appearing to read "Steven D. Hayes".
