Re: Illinois' 2023 Annual Comprehensive Housing Plan

Dear Senator President Harmon:

As the Chair of the Illinois Housing Task Force, it is my pleasure to present to the Governor and the Illinois General Assembly the Annual Illinois Comprehensive Housing Plan, covering calendar year 2023. Each Annual Comprehensive Housing Plan, implementing the requirements established in the Comprehensive Housing Planning Act (P.A. 99-564), provides information on major Housing Task Force activities to be undertaken in the upcoming calendar year.

The 2023 Plan includes resources and production goals targeting the underserved populations identified in the statute as well as updated annual strategies and action items that make up the policy priorities identified by State Housing Task Force members for the calendar year 2023.

Please feel free to contact me at 312-836-5314, if you or your staff have any questions or concerns regarding this document.

I look forward to continuing the hard work of all Housing Task Force members towards the successful implementation of Illinois' 2023 Comprehensive Housing Plan.

Sincerely,

Kristin Faust
Executive Director, IHDA and
Housing Task Force Chair
