## ILLINOIS COMMERCE COMMISSION

527 East Capitol Avenue  
Springfield, Illinois 62701

160 North LaSalle  
Chicago, Illinois 60601

June 15, 2023

The Honorable Members of the Illinois General Assembly  
State House  
Springfield, Illinois

Dear Honorable Members of the Illinois General Assembly:

Pursuant to Section 21-1101(k) of the Illinois Public Utilities Act, the Illinois Commerce Commission submits the attached Annual Report on Cable and Video Service Deployment by Providers Granted State-Issued Cable and Video Service Authorization.

The Cable and Video Competition Law of 2007 directs the ICC to submit to the General Assembly a report containing year-end data collected from holders of State-issued video and cable services authorizations. The law requires holders of State-issued video and cable services authorizations to meet certain deployment benchmarks by set dates after they receive state authorization. These dates and deployment benchmarks vary according to the providers' number of telecommunications access lines in the State.

Should you have questions regarding this report, please contact Sarah Ryan, Director of Governmental Affairs, at (312) 965-5454, or by email at [sarah.ryan@illinois.gov](mailto:sarah.ryan@illinois.gov).

Sincerely,

A handwritten signature in blue ink, appearing to read "Carrie Zalewski".

Carrie Zalewski  
Chairman

## Introduction

The Cable and Video Competition Law of 2007<sup>1</sup> (“Cable and Video Law”) directs holders of State-issued video and cable services authorizations to annually report to the Illinois Commerce Commission (“Commission”) cable and video service deployment information. Section 21-1101(j) of the Cable and Video Law<sup>2</sup> states:

- (j) Every holder of a State-issued authorization, no later than April 1, 2009, and annually no later than April 1 thereafter, shall report to the Commission for each of the service areas as described in subsections (c) and (d) of this Section in which it provides access to its video service in the State, the following information:
  - (1) Cable service and video service information:
    - (A) The number of households in the holder’s telecommunications service area within each designated market area as described in subsection (c) of this Section or exchange or local unit of government as described in subsection (d) of this Section in which it offers video service.
    - (B) The number of households in the holder’s telecommunications service area within each designated market area as described in subsection (c) of this Section or exchange or local unit of government as described in subsection (d) of this Section that are offered access to video service by the holder.
    - (C) The number of households in the holder’s telecommunications service area in the State.
    - (D) The number of households in the holder’s telecommunications service area in the State that are offered access to video service by the holder.
  - (2) Low-income household information:
    - (A) The number of low-income households in the holder’s telecommunications service area within each designated

market area as described in subsection (c) of this Section, as further identified in terms of exchanges, or exchange or local unit of government as described in subsection (d) of this Section in which it offers video service.

- (B) The number of low-income households in the holder's telecommunications service area within each designated market area as described in subsection (c) of this Section, as further identified in terms of exchanges, or exchange or local unit of government as described in subsection (d) of this Section in the State that are offered access to video service by the holder.
- (C) The number of low-income households in the holder's telecommunications service area in the State.
- (D) The number of low-income households in the holder's telecommunications service area in the State that are offered access to video service by the holder.<sup>3</sup>

Once the holder of a State-issued authorization has satisfied the build-out requirements of Section 21-1101(c),<sup>4</sup> the holder is required to annually report relative to Section 21-1101(j-5), as follows:

---

<sup>3</sup> The Cable and Video Law defines a "Local unit of government" as "a city, village, incorporated town, or a county," defines "a Telecommunications service area" as "the area designated by the Commission as the area in which a telecommunications company was obligated to provide non-competitive local telephone service as of February 8, 1996 as incorporated into Section 13-202.5 of this Act," and defines a "Designated market area" as "a designated market area, as determined by Nielsen Media Research and published in the 1999-2000 Nielsen Station Index Directory and Nielsen Station Index United States Television Household Estimates or any successor publication. For any designated market area that crosses State lines, only households in the portion of the designated market area that is located within the holder's telecommunications service area in the State where access to video service will be offered shall be considered." 220 ILCS 5/21-201. The Cable and Video Law refers to the Telecommunications Article of the Public Utilities Act for the definition of exchange, where exchange is defined as "a geographical area for the administration of telecommunications services, established and described by the tariff of a telecommunications carrier providing local exchange telecommunications service, and consisting of one or more contiguous central offices, together with associated facilities used in providing such local exchange telecommunications service. To the extent practicable, a municipality, city, or village shall not be located in more than one exchange unless the municipality, city, or village is located in more than one exchange through annexation that occurs after the establishment of the exchange boundary." 220 ILCS 5/ 21-201 and 220 ILCS 5/13-206.

<sup>4</sup> Section 21-1101(c) addresses holders using telecommunications facilities and having over 1,000,000 access lines. Within 3 years, such holders shall provide cable or video service to at least 35% of the households within 3 designated service areas. Within 5 years, such holders shall provide cable or video service to at least 50% of the households within the 3 designated service areas. Section 21-1101(c) holders

- (1) Cable service and video service information:
  - (A) The number of households in the holder's telecommunications service area within each designated market area in which it offers cable service or video service.
  - (B) The number of households in the holder's telecommunications service area within each designated market area that are offered access to cable service or video service by the holder.
  - (C) The number of households in the holder's telecommunications service area in the State.
  - (D) The number of households in the holder's telecommunications service area in the State that are offered access to cable service or video service by the holder.
  - (E) The exchanges or local units of government in which the holder added cable service or video service in the prior year.
- (2) Low-income household information:
  - (A) The number of low-income households in the holder's telecommunications service area within each designated market area in which it offers video service.
  - (B) The number of low-income households in the holder's telecommunications service area within each designated market area that are offered access to video service by the holder.
  - (C) The number of low-income households in the holder's telecommunications service area in the State.
  - (D) The number of low-income households in the holder's telecommunications service area in the State that are offered access to video service by the holder.

are also required to deploy cable or video service so that at least 30% of the total households with access to the holder's cable or video service shall be low-income. The holder is also obligated to provide access to cable or video service to a percentage of low-income households in each exchange that is at least equal to the percentage of the total low-income households within that exchange.

Once the holder of a State-issued authorization has satisfied the build-out requirements of Section 21-1101(d),<sup>5</sup> the holder is required to annually report relative to Section 21-1101(j-10), as follows:

(1) Cable service and video service information:

- (A) The number of households in the holder's footprint in which it offers cable service or video service.
- (B) The number of households in the holder's footprint that are offered access to cable service or video service by the holder.
- (C) The exchanges or local units of government in which the holder added cable service or video service in the prior year.

(2) Low-income household information:

- (A) The number of low-income households in the holder's footprint in which it offers cable service or video service.
- (B) The number of low-income households in the holder's footprint that are offered access to cable service or video service by the holder.

The Cable and Video Law directs the Commission to include the deployment information supplied to it by holders of State-issued video and cable services authorizations in an annual report to the General Assembly. Section 21-1101(k) of the Cable and Video Law<sup>6</sup> provides that:

The Commission, within 30 days of receiving the first report from holders under this Section, and annually no later than July 1 thereafter, shall submit to the General Assembly a report that includes, based on year-end data, the information submitted by holders pursuant to subdivisions (1) and (2) of subsections (j), (j-5), and (j-10) of this Section. The Commission shall make this report available to any member of the public or any local unit of government upon request. All information

---

<sup>5</sup> Section 21-1101(d) addresses all holders other than those referenced in Section 21-1101(c). Within 3 years, such holders shall provide cable or video service to at least 35% of the households within each exchange or local unit of government within its service area. Within 5 years, such holders shall provide cable or video service to at least 50% of the households within each exchange or local unit of government within its service area. Section 21-1101(d) holders are also required to deploy cable or video service so that at least 30% of the total households with access to the holder's cable or video service shall be low-income. The holder is also obligated to provide access to cable or video service to a percentage of low-income households in each exchange or local unit of government that is at least equal to the percentage of the total low-income households within that exchange or local unit of government.

On September 2, 2021 in Docket No. 21-0598, the Commission approved the Transfer of the WideOpenWest Illinois, LLC's State-Issued Authorization to Provide Cable and Video Services within the State of Illinois pursuant to Section 401 of the Cable and Video Competition Law of 2007 to RCN Telecom Services of Illinois, LLC d/b/a Astound Broadband d/b/a Astound TV Network (ATVN) d/b/a Astound Business Solutions d/b/a Astound ("Astound"). Accordingly, the former WideOpenWest, LLC's service area territory is now included in RCN Telecom Services of Illinois, LLC d/b/a Astound's annual report below.

#### *Highland Communication Services Twelfth Report to the Commission*

Highland Communication Services provided its twelfth annual report to the Commission on April 10, 2023 for the year ending December 31, 2022, included as Attachment B. Highland Communication Services provides video services for the City of Highland and surrounding areas.

Highland Communications Services added no new exchanges or local units of government from last year's report.

Highland Communication Services indicated that it offers cable service to 4,630 of its 5,382 households, or 86%. 21% of the households offered service by Highland Communication Services in 2022 were low-income, which is equal to the percentage of all households in the Highland Communication Services service area that are low-income at 21%.

*Mediacom Illinois LLC's Ninth Report to the Commission*

Mediacom Illinois LLC submitted its ninth annual report on March 9, 2023 for the year ending December 31, 2022, included as Attachment C. Mediacom Illinois LLC provides cable services to 283 distinct service areas throughout Illinois, including Carbondale, Effingham, Marion, Murphysboro, and Mattoon.

Mediacom Illinois LLC reports 3 fewer exchanges or local units of government from last year's report.

Mediacom Illinois LLC indicated that it now offers cable service to 246,960 of its 1,189,953 households, or 21%. 27% of the households offered service by Mediacom Illinois LLC in 2022 were low-income, which is equal to the percentage of all households in the Mediacom Illinois LLC service area that are low-income at 27%. In areas where Mediacom Illinois LLC is an incumbent provider of cable services it is, pursuant to Section 21-301(b) "obligated to provide access to cable services or video services within any local unit of government at the same levels required by the local franchising authorities for the local unit of government on June 30, 2007."

*MCC Illinois LLC's Ninth Report to the Commission*

MCC Illinois LLC submitted its ninth annual report on March 9, 2023 for the year ending December 31, 2022, included as Attachment D. MCC Illinois LLC identified 53 cable service areas, including Moline, Williamson County and Coles County.

In areas where MCC Illinois LLC is an incumbent provider of cable services it is, pursuant to Section 21-301(b) "obligated to provide access to cable services or video services within any local unit of government at the same levels required by the local franchising authorities for the local unit of government on June 30, 2007."

*US Sonet LLC's ("Lightspeed") Final Report to the Commission*

US Sonet LLC's service territory was acquired by Wabash Independent Networks on March 24, 2017.

### *Comcast's Eighth Report to the Commission*

Comcast of Florida/Georgia/Illinois/Michigan, LLC, Comcast of Illinois III, Inc. d/b/a CHICAGO CABLE TV-IV, and Comcast of South Chicago, Inc. received State-issued authorization to provide cable services to the City of Chicago Areas 2, 3, 4 and 5 on September 19, 2014. Comcast of Chicago, Inc. received Commission approval to provide cable service to the City of Chicago Area 1 on April 23, 2015. Comcast of Florida/Georgia/Illinois/Michigan, LLC, Comcast of Illinois III, Inc. d/b/a CHICAGO CABLE TV-IV, Comcast of South Chicago, Inc., and Comcast of Chicago, Inc. ("Comcast") submitted its eighth annual report on March 2, 2023 for year ending December 31, 2022, included as Attachment E.

Comcast reported that, with respect to the City of Chicago, Comcast is an "incumbent cable operator" because Comcast, on January 1, 2007, provided cable service in and throughout the City of Chicago pursuant to franchise agreements. Pursuant to and in accordance with those local franchise agreements, Comcast provided cable service access to 100% of low-income households throughout its City of Chicago "footprint." Because Comcast is an incumbent cable operator under the Cable and Video Competition Law of 2007 ("Act"), Comcast must provide cable access in its service territory (i.e., City of Chicago) on the same terms and in a geographic area no smaller than it did on June 30, 2007. Comcast reports it is fully compliant with these obligations under the Act.

Comcast states that the United States Census Bureau's most recent estimate of the number of "low-income households," as defined in Section 21-201(p) of the Illinois Public Utilities Act, located within the City of Chicago is 333,774, and that Comcast provides access to 100% of those low-income households.

### *Computer Techniques, Inc. d/b/a CTI Fiber's Eighth Report to the Commission*

Computer Techniques, Inc. d/b/a CTI Fiber submitted its eighth annual report on April 3, 2023 for the year ending December 31, 2022, included as Attachment F. Computer Techniques, Inc. d/b/a CTI Fiber provides cable services to areas such as Taylorville, Litchfield, Greenville, Hillsboro, and Pana. Computer Techniques, Inc. d/b/a CTI Fiber reports eight new exchanges or local units of government since last year's report.

Computer Techniques, Inc. d/b/a CTI Fiber indicated that it offers cable service to 10,586 of its 20,591 households, or 51%. 34% of the households offered service by Computer Techniques, Inc. d/b/a CTI Fiber in 2022 were low-income, which is greater than the percentage of all households in the Computer Techniques, Inc. d/b/a CTI Fiber service area that are low-income at 21%.

*Illinois Electric Cooperative's Eighth Report to the Commission*

Illinois Electric Cooperative submitted its eighth annual report on March 27, 2023 for the year ending December 31, 2022, included as Attachment G. Illinois Electric Cooperative provides video services to the City of Winchester and the Village of Bluffs, with no additional exchanges from last year.

Re: Docket 21-0491 DIRECTV Annual Video Service Access Report

Dear Ms. Rolando:

DIRECTV, LLC ("DIRECTV") submits its Annual Video Service Access Report to you for filing pursuant to the requirements under the Cable and Video Competition Law of 2013 (the "Act") (220 ILCS 5/21-100).

On June 24, 2021, the Illinois Commerce Commission approved the transfer of the video franchise held by Illinois Bell Telephone Company ("AT&T Illinois") to DIRECTV and granted state issued authorization to provide video service by the Commission's notice in Docket 21-0491 dated June 24, 2021. The transfer was completed on July 31, 2021, and DIRECTV began providing U-verse TV service in the same video service area footprint as AT&T Illinois.

We respectfully request Commission acceptance of this Report. Any questions regarding this filing can be directed to me as follows:

## **DIRECTV Annual Video Service Access Report**

**Data as of December 31, 2022**

### **Definitions and Descriptions**

**Attachment 1 – Statewide and Designated Market Areas**

## **Definitions and Descriptions for Attachments 1**

“Access” means that DIRECTV is capable of providing video services at the household address using any technology, other than direct-to-home satellite service, which provides two-way broadband internet capability and video programming, content and functionality, regardless of whether any customer has ordered service or whether the owner or landlord or other responsible person has granted access to the household.

“HH” or “Household” means a house, an apartment, a mobile home, a group of rooms, or a single room that is intended for occupancy as separate living quarters. Separate living quarters are those in which the occupants live and eat separately from any other persons in the building and which have direct access from the outside of the building or through a common hall.

“LI” or “Low-income household” means those residential households located within the AT&T Illinois’ existing telecommunications service area where the average annual household income is less than \$35,000 based on the United States Census Bureau estimates adjusted annually to reflect rate of change and distribution.

“Designated Market Area” or “DMA” means a designated market area, as determined by Nielsen Media Research and published in the 1999-2000 Nielsen Station Index Directory and Nielsen Station Index United States Television Household Estimates or any successor publication. For any designated market area that crosses State lines, only households in the portion of the designated market area that is located within AT&T Illinois’ telecommunications service area where access to video service will be offered is included.

“Telco Footprint” shows the number of households in AT&T Illinois’ telecommunications service area at statewide and DMA levels.

“Current Build Footprint” and “Current Build Coverage %” shows the number and percent of households with access to video service in areas within DIRECTV’s State-issued authorization at statewide and DMA levels.

“Footprint LI” and “Footprint LI %” shows the number and percent of low-income households in AT&T Illinois’ telecommunications service area at statewide and DMA levels.

“Current Build LI” and “Current Build LI %” shows the number and percent of low-income households with access to video service in areas within DIRECTV’s State-issued authorization at statewide and DMA levels.

***Re: Annual Cable Service Report; Comcast of Chicago, Inc.; Comcast of Georgia/Illinois/Michigan, LLC; Comcast of Illinois III, Inc.; and Comcast of South Chicago, Inc.***

Dear Chief Clerk Rolando:

In accordance with Section 21-1101(j) of the Cable and Video Competition Law of 2007 ("Act"), provided below is the Annual Cable Service Report through December 31, 2022, for: Comcast of Chicago, Inc. (Chicago Area 1); Comcast of Georgia/Illinois/Michigan, LLC (Chicago Areas 2 and 3); Comcast of Illinois III, Inc. (Chicago Area 4); and Comcast of South Chicago, Inc. (Chicago Area 5).

With respect to the city of Chicago, Comcast is an "incumbent cable operator"<sup>1</sup> because, on January 1, 2007, Comcast provided cable service in and throughout the city of Chicago pursuant to local franchise agreements. Pursuant to and in accordance with those local franchise agreements, Comcast provided cable service access to 100% of low-income households through its city of Chicago "footprint." Because Comcast is an incumbent cable operator under the Act, Comcast must provide cable access in its service territory (*i.e.*, city of Chicago) on the same terms and in a geographic area no smaller than it did on June 30, 2007. Comcast continues to provide cable access in Chicago at the same levels and throughout the same geographic area as it did on June 30, 2007. Therefore, Comcast is fully compliant with these obligations under the Act.

The United States Census Bureau's most recent estimate of the number of "low-income households,"<sup>2</sup> as defined in Section 21-201(p) of the Act, located within the city of Chicago is 333,774. Comcast provides access to 100% of low-income households (*i.e.*, 333,774) throughout the city of Chicago.

Sincerely,

Amy K. Averill  
Vice President, Regulatory Affairs  
404.710.3718  
[amy\\_averill@comcast.com](mailto:amy_averill@comcast.com)

<sup>1</sup> "Incumbent cable operator" means a person or entity that provided cable services or video services in a particular area under a franchise agreement with a local unit of government pursuant to Section 11-42-11 of the Illinois Municipal Code (65 ILCS 5/11-42-11) or Section 5-1095 of the Counties Code (55 ILCS 5/5-1095) on January 1, 2007. [See 220 ILCS 5/21-201(m).]

<sup>2</sup> The U.S. Census Bureau-reported number of "low-income households" has been updated utilizing the 2017-2021 American Community Survey (ACS) 5-Year Estimates, which provides estimates of various demographic data, including household income, annually through the American Community Survey.

**Explanatory Notes**

As of December 31, 2020, Telecommunications Management LLC was merged into Cable One Inc. dba Sparklight. Sparklight continues to provide cable television access in the above-referenced local units of government at the same levels and throughout the same geographic areas as it did before it obtained statewide authorization to provide cable service.

\*The number of households offered access to video service in North City Village is subsumed by Franklin County.

\*\*Statewide totals remove double-counting created by overlap of counties and any individual local unit of government with the county.

(1) Household data based on U.S. Census data "Occupied housing units" category on Census Data TableID S1901, Financial Characteristics from the 2021: ACS 5-Year Estimates Subject Tables

(2) Number of households offered access to video service includes only those households Sparklight could reasonably confirm are residential households.

(3) Low-income household data based on Census Data TableID S1901, Financial Characteristics from the 2021: ACS 5-Year Estimates Subject Tables under "Household Income in the Past 12 Months (in 2021 Inflation-Adjusted Dollars)" category

(4) Low-income household data based on percentage of total number of households offered access to video service to total number of households in local unit of government.

In accordance with Section 21-1101(j) of the Cable and Video Competition Law of 2007 ("Act"), provided below is the Annual Cable Service Report through December 31, 2021, for Cass Cable TV, Inc. (hereinafter "Cass").

With respect to the villages of Bath, Tallula, Forest City, and Sherman; and with respect to the cities of Pittsfield, Pleasant Plains, Rushville, Mason, Ashland, Virginia, Athens, Versailles and Mt. Sterling; and with respect to Menard County, Cass is an "incumbent cable operator"<sup>1</sup> because, on January 1, 2007, Cass provided cable service in and throughout the aforementioned villages, cities and County pursuant to local franchise agreements. Pursuant to and in accordance with those local franchise agreements, Cass provided cable service access to 100% of low-income households throughout its "footprint" in each of the aforementioned villages, cities and County. Because Cass is an incumbent cable operator under the Act, Cass must provide cable access in its service territory (i.e. all of the aforementioned villages, cities and County) on the same terms and in a geographic area no smaller than it did on June 30, 2007. With respect to the aforementioned villages, cities and County, Cass continues to provide cable access at the same levels and throughout the same geographic area as it did on June 30, 2007. Therefore, Cass is fully compliant with these obligations under the Act as it relates to the aforementioned villages and cities.

With respect to the Village of Lynnville, Cass is not an "incumbent cable operator" because, on January 1, 2007, Cass did not provide cable service in and throughout the Village of Lynnville. However, Cass currently provides access to its cable service within and throughout the entire corporate limits of the Village of Lynnville. Therefore, Cass is fully compliant with its obligations under the Act as it relates to the Village of Lynnville.

With respect to Morgan County, Cass is not an "incumbent cable operator" because, on January 1, 2007, Cass did not provide cable service in and throughout Morgan County. However, Cass provides access to its cable service within unincorporated Morgan County at the same levels

required by Morgan County of incumbent cable operators on June 30, 2007. Accordingly, Cass is fully compliant with the Act as it relates to Morgan County.

With respect to the Village of South Jacksonville, Cass is not an "incumbent cable operator" because, on January 1, 2007, Cass did not provide cable service in and throughout the Village of South Jacksonville. However, Cass provides access to its cable service within the Village of South Jacksonville at the same levels required by the Village of South Jacksonville of incumbent cable operators on June 30, 2007. Therefore, Cass is fully compliant with its obligations under the Act as it relates to the Village of South Jacksonville.

The United States Census Bureau's most recent estimate of the number of "low-income households,"<sup>2</sup> as defined in Section 21-201(p) of the Act, located within Cass's "footprint" is 10,471. Cass provides access to 100% of low-income households (i.e., 10,471) throughout its service area footprint.

Please contact me at 217-452-4105 if you have any questions or need additional information.

Sincerely,

Chad Winters  
Vice President and Manager of Cable TV Services

<sup>1</sup> "Incumbent cable operator" means a person or entity that provided cable services or video services in a particular area under a franchise agreement with a local unit of government pursuant to Section 11-42-11 of the Illinois Municipal Code (65 ILCS 5/11-42-11) or Section 5-1095 of the Counties Code (55 ILCS 5/5-1095) on January 1, 2007. [See 220 ILCS 5/21-201(m)]

<sup>2</sup> The Census Bureau reported number of "low-income households" has been updated utilizing the 2014-2018 American Community Survey 5-Year Estimates which provides estimates of various demographic data, including household income, annually through the American Community Survey.
