Note I: We still have students from 2019 currently in the scholarship program.							
Note II: Graduates reflect the individual youth who has completed some type of Post-Secondary Program (e.g., Diploma, Certificate, Advanced Certificate, Associate's Degree, or Bachelor's Degree)							
Note III: Scholarships unable to transfer because students didn't reply back to letters or emails sent via the school's financial aid. (For students from 2019 and 20122. We are in the process of transferring these scholarships).
