The following information was compiled and reported pursuant to the guidelines set forth by the Illinois Law Enforcement Training and Standards Board (ILETSB) camera grant.

The Ottawa Police Department received nine (9) in-car cameras and installed nine (9) in-car cameras.

The review process for supervisors includes, but is not limited to, having the ability to log in and review any officer's video at any time. Use of the in-car camera system is also set forth in policy #40 titled Squad Video Procedure of the Ottawa Police Department.

Please find an attached list of associated cases in which the cameras were used by the Ottawa Police Department from the dates they were installed through the end of the calendar year 2019.
