Axon Body Cam 2	X81408486	Device does not sync, malfunctions when plugged in. Attempted to fix it using troubleshooting techniques	YES, RMA #367435

### Review Process Used by Supervisors

According to our policy the review process used by Supervisors was, *“Supervisors are authorized to review relevant recordings any time they are investigating alleged misconduct or reports of meritorious conduct or whenever such recordings would be beneficial in reviewing the member’s performance.”*

### Body worn Camera use in Prosecution

Please find attached a separate excel document with required information. The spreadsheet has tabs at the bottom of the sheet for each year the department has utilized body worn cameras. Please click on the 2019 tab for the applicable information.

### Body worn Camera use in Civil Proceedings or Internal Affairs Investigation

There was no use of body worn camera recordings used during civil proceedings or Internal Affairs Investigations during 2019.

If you require any additional information or have questions, please do not hesitate to contact me. Thank you!

Lieutenant Justin Bouse
