STEGER POLICE DEPARTMENT 2019 IN-CAR CAMERA REPORT

April 29, 2020

The Steger Police Department is submitting its 2019 In-Car Camera Report as required by the grant: Camera Grant FY19 Report.

The Steger Police Department received 8 in-car cameras purchased through WatchGuard Video. These in-car camera systems were installed in our 8 department police units in August/September 2018 as follows:

2013 Ford Taurus, 2014 Ford Taurus, 2014 Ford Explorer, 2016 Ford Explorer (3 units), and 2017 Ford Explorer (2 units)

The Steger Police Department has established Policy 708 Mobile Audio/Video System (MAV) in that Supervisors may review MAV recordings as follows:

- to assess officer performance
- to assess proper functioning of the MAV systems
- if a supervisor is participating in an official investigation (personnel complaint, administrative inquiry, or criminal investigation)
- for court purposes
- for possible trainings

Respectfully,
