Amends the Unified Code of Corrections. Provides that Department of Juvenile Justice personnel who are hired by the Department and who participate or assist in the rehabilitative and vocational training of delinquent youths, supervise the daily activities involving direct and continuing responsibility for the youth's security, welfare and development, or participate in the personal rehabilitation of delinquent youth by training, supervising, and assisting lower level personnel who perform these duties must be over the age of 21 and have either a bachelor's or advanced degree from an accredited college or university or have 2 or more years of experience providing direct care to youth in the form of residential care, counseling, case management, or mentoring (rather than just any bachelor's or advanced degree from an accredited college or university). Amends the Illinois Pension Code to make conforming changes. Effective immediately.

Pension Note (Government Forecasting & Accountability)

HB 2054 expands employment requirements for Department of Juvenile Justice personnel to include prospective employees who have 2 or more years of experience providing direct care to youth, in lieu of having a bachelor's or advanced degree. The bill makes technical changes to the SERS article of the Pension Code to track with the updated educational and work requirements that are being made in the Unified Code of Corrections.

According to SERS, the proposed legislation would provide eligibility for the Alternative Formula for 150 employees in certain job titles with the Department of Juvenile Justice that currently participate in the Regular Formula. SERS claims this change would result in an increase to the accrued liability of between \$35 to \$40 million, with an estimated annual increase in State contributions of approximately \$2 million per year through FY 2045.

House Floor Amendment No. 1

Provides that Department of Juvenile Justice personnel who are hired by the Department and who participate or assist in the rehabilitative and vocational training of delinquent youths, supervise the daily activities involving direct and continuing responsibility for the youth's security, welfare and development, or participate in the personal rehabilitation of delinquent youth by training, supervising, and assisting lower level personnel who perform these duties must: (1) be over the age of 21 and (2) have a high school diploma or equivalent and either a bachelor's or advanced degree from an accredited college or university or 2 or more years of experience providing direct care to youth in the form of residential care, coaching, case management, or mentoring (rather than just being over the age of 21 and having any bachelor's or advanced degree from an accredited college or university).

Fiscal Note (Dept. of Juvenile Justice)

Defines "electronic", "information", "nontestamentary estate planning document", "person", "record", "security procedure", "settlor", "sign", "state", "terms of trust", "trust instrument", and "will". Creates the Electronic Nontestamentary Estate Planning Documents Article. Sets forth provisions related to: construction; scope; principles of law and equity; use of an electronic record or signature; recognition of an electronic nontestamentary estate planning document and electronic signature; attribution and effect of an electronic record and electronic signature; notarization and acknowledgment; witnessing and attestation; retention of an electronic record; certification of a paper copy; admissibility in evidence; relation to the Electronic Signatures in Global and National Commerce Act; application; and severability. Makes conforming changes in the Probate Act of 1975. Effective January 1, 2024.

House Floor Amendment No. 1

Changes the definition of "nontestamentary estate planning document". Provides that the new Article does not apply to a nontestamentary estate planning document if a will or the terms of a trust governing the document expressly preclude use of an electronic record or electronic signature. Provides that if a will or the terms of a trust governing the nontestamentary estate planning document require a nontestamentary estate planning document to be in writing, an electronic record of the document satisfies the requirement. Provides that if other law of the State or a will or the terms of a trust (rather than only other law of the State) require or permit (rather than only requires) a signature or record to be notarized, acknowledged, verified, or made under oath, the requirement is satisfied with respect to an electronic nontestamentary estate planning document if an individual authorized to perform the notarization, acknowledgment, verification, or oath attaches or logically associates the individual's electronic signature on the document together with all other information required to be included. Provides that if a will or the terms of a trust base the validity of a nontestamentary estate planning document on whether it is signed, witnessed, or attested by another individual, the signature, witnessing, or attestation of that individual may be electronic.

HB 02296 (Continued)

Amends the Regulatory Sunset Act. Provides for the repeal of the Illinois Public Accounting Act on January 1, 2029 (rather than January 1, 2024). Amends the Illinois Public Accounting Act. Provides that all applicants and registrants shall: (1) provide a valid address and email address to the Department of Financial and Professional Regulation, which shall serve as the address of record and email address of record, respectively, at the time of application for registration or renewal of a registration and (2) inform the Department of any change of address of record or email address of record within 14 days after such change either through the Department's website or by contacting the Department's licensure maintenance unit. Provides that a license application shall have an applicant's federal individual taxpayer identification number. Provides that all CPA firms or sole practitioners required to undergo a peer review shall submit to the Department peer review reports; letters of response, if applicable; acceptance letters; letters signed by the reviewed CPA firm accepting the peer review documents with the understanding that the CPA firm agrees to take certain actions, if applicable; and letters notifying the reviewed CPA firm that certain required actions have been completed, if applicable. Provides that the Secretary of Financial and Professional Regulation shall appoint a full-time CPA Coordinator. Provides that the hearing officer shall report the hearing officer's findings of fact, conclusions of law, and recommendations to the Committee (rather than to the Committee and the Secretary). Removes a provision providing that exhibits shall be certified without cost. Makes corresponding and other changes. Specifies that the changes made to the Regulatory Sunset Act take effect immediately.

House Floor Amendment No. 1

Changes references from "federal individual taxpayer identification number" to "individual taxpayer identification number".

Senate Committee Amendment No. 1

In provisions concerning the service of notice for an administrative proceeding, provides that written notice and any notice in the subsequent proceeding may be served by registered or certified mail (rather than regular mail) to the licensee's address of record. Provides that, if in the course of the administrative proceeding the party has previously designated a specific email address at which to accept electronic service for that specific proceeding, notice may be served by sending a copy by email to an email address on record.

Replaces everything after the enacting clause. Amends the Illinois Human Rights Act. Provides that after filing a complaint under the Employment Article, Financial Credit Article, Public Accommodations Article, Elementary, Secondary, and Higher Education Article, or Additional Civil Rights Violations Article, the Department of Human Rights may petition and shall be permitted to intervene as a party in the proceeding if the Human Rights Commission determines that: the Department has an interest different from one or more of the parties; the expertise of the Department makes it better suited to articulate a particular point of view; or the representation of the Department's interest by existing parties is or may be inadequate and the Department will or may be bound by an order or judgment in the action. Provides that if the Department certifies that the case is of general public importance, the Attorney General may seek to intervene on behalf of the Department in a civil action filed by a complainant in State or federal court. Requires, in various situations, a complainant to notify the Department that a complaint has been filed by serving a copy of the complaint on the chief legal counsel of the Department within 21 days from the date that the complaint is filed in circuit court. Requires a complainant who chooses to file a complaint with the Commission without the Department's assistance to notify the Department that a complaint has been filed by serving a copy of the complaint on the chief legal counsel of the Department within 21 days from the date that the complaint is filed with the Commission. Provides that a petition for temporary relief shall contain a certification by the Director of the Department that the particular matter warrants temporary relief (rather than that the matter presents exceptional circumstances in which irreparable injury will result from a civil rights violation in the absence of temporary relief). Provides that the filing of a petition for temporary relief does not affect the initiation or continuation of other specified administrative proceedings. Removes language providing that when a petition for temporary relief is based upon a civil rights violation, the relief or restraining order shall not exceed 5 days. Provides that proceedings on requests for review shall toll the time limitation from the date on which the Department's notice of dismissal or default is issued until 30 days after (rather than issued to) the date on which the Human Rights Commission's order is served on the chief legal counsel of the Department (rather than when the order is entered). Makes other changes.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause with the provisions of the engrossed bill, and makes the following changes: In a provision regarding opting out of a Department of Human Rights investigation, requires a complainant to notify the Department (rather than the Department and the respondent) that a complaint has been filed with the appropriate circuit court (rather than with the appropriate circuit court or other appropriate court of competent jurisdiction) by serving (rather than mail) a copy of the complaint on the chief legal counsel of the Department (rather than the Department and the respondent) within 21 days from the date (rather than on the same date) that the complaint is filed with the appropriate circuit court. Provides that the 21-day period for service on the chief legal counsel shall not be construed to be jurisdictional.

Amends the Community-Law Enforcement and Other First Responder Partnership for Deflection and Substance Use Disorder Treatment Act. Changes the Act name to the Community Partnership for Deflection and Substance Use Disorder Treatment Act. Modifies and adds definitions. Provides that A law enforcement agency, other first responder entity, or local government agency (rather than only a law enforcement agency or other first responder entity) may establish a deflection program in partnership with one or more licensed providers of substance use disorder treatment services and one or more community members or organizations. Provides that a deflection program may involve a pre-arrest diversion response and proactive identification of persons thought likely to have an untreated or undiagnosed mental illness. Provides that a local deflection program shall also include case management and restorative justice aspects. Provides that a deflection program may accept, receive, and disburse, in furtherance of its duties and functions, any funds, grants, and services made available by the State and its agencies, the federal government and its agencies, units of local government, and private or civic sources. Provides that activities eligible for funding under the Act include naloxone and related harm reduction supplies (rather than related supplies) necessary for carrying out overdose prevention and reversal (rather than overdose reversal) for purposes of distribution to program participants or for use by law enforcement, other first responders, or local governmental agencies and wraparound participant funds to be used to incentivize participation and meet participant needs. Provides that the Legislative Reference Bureau shall reassign the Act in the Illinois Compiled Statutes (to reflect the addition of local government agencies to the Act).

Senate Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes. Provides that "deflection programs" may include an officer intervention during routine activities, such as patrol or response to a service call during which a referral to treatment, to services, or to a case manager is made in lieu of arrest (rather than an officer intervention deflection response when criminal charges are present but held in abeyance pending engagement with treatment). Removes language providing that a "deflection program" may include a pre-booking diversion response initiated by law enforcement when criminal charges are possible, but the individual is diverted to case management services in lieu of charges.

Amends the Illinois Vehicle Code. Provides that a resident of this State who purchases a vehicle in another state and transports the vehicle to Illinois shall apply for registration and certificate of title as soon as practicable, but in no event less than 45 days after the purchase of the vehicle. Provides that the owner of such a vehicle shall display any temporary permit or registration issued in accordance with the provisions of the Code. Restricts the issuance of a temporary registration permit to the holder of a valid Illinois driver's license.

House Floor Amendment No. 1

In provisions concerning vehicles purchased out-of-state, requires that person to apply for registration and certificate of title no more than 45 days (rather than no less than 45 days) after the purchase of the vehicle. Provides that if an Illinois motorist who purchased a vehicle from an out-of-state licensed dealer is unable to meet the 45-day deadline due to a delay in paperwork from the seller, that motorist may obtain an Illinois temporary registration plate with: (i) proof of purchase; (ii) proof of meeting the Illinois driver's license or identification card requirement; and (iii) proof that Illinois title and registration fees have been paid. If fees have not been paid, provides that the motorist may pay the fees in order to obtain the temporary registration plate. Changes provisions concerning temporary permits to provide that the Secretary of State may grant a temporary permit or placard to operate a vehicle for which application for registration and certificate of title has been made where such application is made by the holder of a valid Illinois driver's license or identification card, or equivalent documentation (rather than made by the holder of a valid Illinois driver's license), and accompanied by the proper fee, pending action upon the application by the Secretary of State. Provides that If the person making the application is primarily a resident of a state other than the State of Illinois, that person shall provide a valid driver's license or identification card, or equivalent documentation, of that primary state of residence, accompanied by the proper fee, and one or more of the following: (i) proof of ownership or lease agreement for a residence in Illinois; (ii) proof of enrollment in an Illinois college, university, or other institution of higher education; or (iii) proof of active duty military status.

Prohibits the Secretary from releasing highly restricted personal information or personally identifying information or disclosing documents to any immigration agent unless it is necessary to comply with a lawful court order, judicial warrant, or subpoena for individual records that specifically requires production of such information or documents. Prohibits the Secretary from entering into or maintaining any agreement regarding the sharing of such information or documents. Provides that if the applicant does not have documentation authorizing the applicant's presence in the country, the applicant must submit documentation establishing that the applicant has resided in the State for a period in excess of one year and a passport validly issued to the applicant from the applicant's country of citizenship. HB 03882 (Continued)

In the Consular Identification Document Act: Changes the definition of "standard identification card" to require such card to be marked "Federal Limits Apply" (rather than "Not for Federal Identification"). Provides that an applicant who submits a passport as proof of date of birth and written signature for an identification card must be a person who does not have a social security number or documentation issued by the United States Department of Homeland Security authorizing the person's presence in the country. Removes changes made to a provision concerning the expiration of identification cards. Makes other changes. In the Illinois Vehicle Code: Defines "limited term REAL ID compliant driver's license" as a REAL ID compliant driver's license issued to a person who is not a permanent resident or citizen of the United States (rather than in compliance with a specified provision), or an individual who has an approved application for asylum in the United States or has entered the United States in refugee status, and marked "Limited Term" on the face of the license. Provides that if an applicant for a license or instruction permit under the Code does not have specified documentation, the applicant shall provide, among other documentation, (i) a passport validly issued to the applicant from the applicant's country of citizenship or a consular identification document validly issued to the applicant by a consulate of that country, as long as such documents are either unexpired or presented by an applicant within 2 years of its expiration date, and (ii) a social security card, if the applicant has a social security number. HB 03940 (Continued)

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes. Further amends the Emergency Telephone System Act. Adds a definition of "first responder" and modifies the definition of "grade of service". Provides that within 36 (rather than 18) months of the awarding of a contract to a certified vendor to provide Next Generation 9-1-1 service, a 9-1-1 system in Illinois shall provide Next Generation 9-1-1 service, except that a municipality with a population over 500,000 shall provide Next Generation 9-1-1 service by July 1, 2024 (rather than December 31, 2023). Provides that every 9-1-1 system shall be able to accept text to 9-1-1 no later than July 1, 2024 (rather than January 1, 2023). Changes the date on which each aggregator that is operating within the State must submit (rather than email) to the Office of the Statewide 9-1-1 Administrator information that supports the implementation of and the migration to the Statewide NG9-1-1 system and provides that the Illinois State Police shall make available the form to submit the information. Makes changes relating to call handling and aid outside jurisdictional boundaries agreements. Prohibits calling or texting 9-1-1 or causing a transmission, in any manner, to a public safety agency or public safety answering point (rather than placing an emergency call to 9-1-1 for the purpose of making or transmitting a false alarm or complaint and reporting information) when, at the time the call, text, or transmission is made, the person knows there is no reasonable ground for making the call, text, or transmission (removing a requirement that the person further knows that the call or transmission could result in the emergency response of any public safety agency), and makes conforming changes to the elements of disorderly conduct in the Criminal Code of 2012. Provides that the Emergency Telephone System Board shall complete and maintain a Next Generation 9-1-1 GIS database in accordance with NENA Standards before implementation of the NG9-1-1 system. Provides that the MSAG and GIS data standardizing and synchronization must reach a 98% or greater match rate, with an option of matching with ALI, before using GIS data for NG9-1-1 (rather than complete a Master Street Address Guide database before implementation of the 9-1-1 system and that the error ratio of the database shall not at any time exceed 1% of the total database). Makes changes relating to consolidation grants. Allows the cost of upgrading the Illinois State Police's call-handling equipment to meet the standards necessary to access and increase interoperability with the statewide Next Generation 9-1-1 network to be included in the Illinois State Police's administrative costs, and includes requirements relating to those upgrades. Provides that surcharge revenues received under the Act shall be made consistent with specified federal law, including specified examples (rather than may be made by municipalities, counties, and 9-1-1 Authorities only to pay for the costs associated with specified requirements). Provides that the Illinois State Police shall create uniform accounting procedures that any emergency telephone system board (rather than board or unit of local government) receiving surcharge money must follow. Provides that the Illinois State Police shall post annual financial reports (rather than the audited financial statements) on the Illinois State Police's website. Repeals provisions relating to copies of the annual certified notification of continuing agreement to be filed with the Attorney General and the statewide 9-1-1 Administrator, call boxes, and the Wireless Carrier Reimbursement Fund. Removes references to the Wireless Carrier Reimbursement Fund in the Act and the State Finance Act. Certain changes are effective immediately.

Senate Floor Amendment No. 2

In the Emergency Telephone System Act and the Criminal Code of 2012, restores provisions requiring a prohibited call or text to 9-1-1 or other transmission to a public safety agency to be made for the purpose of making or transmitting a false alarm or complaint and reporting information, and restores in those same provisions a requirement that the individual further knows that the call, text, or transmission (adding text) could result in the emergency response of any public safety agency. In the Emergency Telephone System Act, makes stylistic changes to provisions relating to how specified surplus moneys may be used.

Provides that a dental service contractor shall not recoup a claim solely due to a loss of coverage for a patient or ineligibility if, at the time of treatment, the dental service contractor erroneously confirmed coverage and eligibility, but had sufficient information available to the dental service contractor indicating that the patient was no longer covered or was ineligible for coverage. Prohibits waiver of the provisions by contract.

House Committee Amendment No. 1

Adds reference to:
215 ILCS 5/355.4

Adds reference to:
215 ILCS 130/4003 from Ch. 73, par. 1504-3

Adds reference to:
215 ILCS 165/10 from Ch. 32, par. 604

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Makes a change in the definition of "prior authorization". Defines "dental carrier" as an insurer, dental service corporation, insurance network leasing company, or any company that offers individual or group policies of accident and health insurance that provide coverage for dental services. Changes references from "dental service contractor" and "insurer" to "dental carrier". Provides that beginning on the effective date of the amendatory Act, a dental carrier shall not deny any claim subsequently submitted for procedures specifically included in a prior authorization unless certain circumstances apply. Removes language providing that no insurer, dental service plan corporation, insurance network leasing company, or any company that amends, delivers, issues, or renews an individual or group policy of accident and health insurance that provides dental insurance on or after the effective date of the amendatory Act shall deny any claim subsequently submitted for procedures specifically included in a prior authorization unless certain circumstances apply. Further amends the Illinois Insurance Code. In a provision requiring contracting entities to provide notification before any scheduled assignment or lease of the network to which the provider is a contracted provider, requires the notification to provide the specific URL address where the following are located: all contract terms, a policy manual, a fee schedule, and a statement that the provider has the right to choose not to participate in third-party access (instead of the notification including all contract terms, a policy manual, a fee schedule, and a statement that the provider has the right to choose not to participate in third-party access). Requires the notification to provide instructions for how the provider may obtain a copy of those materials. Amends the Limited Health Service Organization Act and Voluntary Health Services Plans Act to make conforming changes.

Senate Committee Amendment No. 1

Provides that any contractual agreement entered into or amended, delivered, issued, or renewed on or after the effective date of the amendatory Act that is in conflict with the provisions (instead of any contractual agreement that is in conflict with the provisions) or that purports to waive any requirement of the provisions is null and void.

Provides that liability under the Act does not apply to a person that solely transmits or stores data or software, including any service provider, with respect to any unauthorized digital replica by reason of the storage at the direction of a user of material that resides on a system or network, if the person (1) (i) does not have actual knowledge that the material or an activity using the material on the system or network is unauthorized; (ii) is not aware of facts or circumstances from which unauthorized activity is apparent; or (iii) upon obtaining such knowledge or awareness, acts expeditiously to remove, or disable access to, the material; and (2) does not receive a financial benefit directly attributable to the unauthorized activity; and (3) upon notification of claimed unauthorized activity, responds expeditiously to remove, or disable access to, the material that is claimed to be infringing or to be the subject of infringing activity. Senate Committee Amendment No. 2

**Synopsis of Legislation Passed Both Houses
All legislation through November 14, 2024**

HB 04875 (Continued)

Replaces everything after the enacting clause with the engrossed bill, with these changes. Restores the definition of "commercial purpose" to current law. Defines "digital replica" to mean a newly created, electronic representation of the voice, image or likeness of an actual individual created using a computer algorithm, software tool, artificial intelligence, or other technology that is fixed in a sound recording or audiovisual work in which that individual did not actually perform or appear, and which a reasonable person would believe is the individual's voice, image or likeness of the person being imitated. Defines "service provider" to mean any entity offering broadband services as used in the Broadband Advisory Council Act, a wireless carrier as defined by a specified federal law, or a telecommunications carrier as defined in the Public Utilities Act. Defines "person" to mean a natural or juristic person and a service provider may only constitute a person under this Act if the service provider created the unauthorized digital replica. Prohibits a person from distributing, transmitting, or making available to the general public a sound recording or audiovisual work that contains a digital replica of an individual with actual knowledge that the use of the digital replica was not authorized by the individual. Provides that this liability does not apply to the use of identity or digital replica in the following: (1) news, public affairs, or a sports broadcast or account, or any political campaign; (2) for a purpose that has political, public interest, educational, or newsworthy value, unless use of the audiovisual digital replica is intended to create, and does create, the false impression that the work is an authentic recording in which the individual participated; (3) use of a digital replica to depict the individual in a documentary, docudrama, or historical or biographical audiovisual work, or any other representation of the individual as such individual, regardless of the degree of fictionalization, unless the use of the audiovisual digital replica creates the false impression to a reasonable viewer or listener that the digital replica is an authentic recording or that the individual participated in the work; (4) use of digital replica for the purposes of comment, criticism, scholarship, satire, or parody; or (5) certain promotional materials, advertisements, or commercial announcements for certain use. Provides that the provisions of the amendatory Act do not apply to any action filed before, nor to any action pending on, its effective date.

Senate Floor Amendment No. 3

Replaces everything after the enacting clause with the engrossed bill, as amended by Senate Amendment No. 2, with the following changes. Modifies the definitions of "digital replica" and "person". Defines "application software provider" and "unauthorized digital replica". Provides that a person may not knowingly distribute, transmit, or make available to the general public a sound recording or audiovisual work with actual knowledge that the work contains an unauthorized digital replica (rather than a person may not distribute, transmit, or make available to the general public a sound recording or audiovisual work that contains a digital replica of an individual with actual knowledge that the work contains an unauthorized digital replica). In provisions allowing a person who materially contributes to, induces, or otherwise facilitates a violation of the provisions by another person after having obtained actual knowledge that the other person is infringing upon an individual's rights under this Section to be found liable for the violation: (i) removes language that includes within those provisions distributing, transmitting, or otherwise making available to the general public an algorithm, software, tool, or other technology service or device the primary purpose or function of which is to produce the identity of particular, identified individuals with actual knowledge that distributing, transmitting, or otherwise making available to the general public that identity was not authorized by the individual; and (ii) modifies the exceptions to those provisions. In provisions requiring the Department of Human Services to enter into intergovernmental agreements with the Illinois Department of Corrections, the Cook County Department of Corrections, and the office of the sheriff of every other county, removes a requirement that the Department conduct monthly exchanges of information with the specified agencies in order to determine if an assistance unit receiving public aid includes an individual who is an inmate of a correctional institution, facility, or jail. Removes a requirement that the Department of Human Services exchange information with the office of the sheriff of every county and instead requires the Department to exchange information with the office of the sheriff to the extent available. Requires the Department to review each individual prior to authorizing benefits at application and redetermination to verify eligibility for benefits under the Code (rather than requiring the Department to review each month the entire list of individuals generated by the monthly exchange and verify the eligibility for benefits under the Code for each individual on the list).

Balanced Budget Note (Office of Management and Budget)

Please be advised that the Balanced Budget Note Act does not apply to House Bill 5395, as amended by House Amendment 1, as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Fiscal Note (Dept. of Healthcare & Family Services)

Expected expenditures for the Illinois Department of Healthcare and Family Services, based on the provisions in HB 5395, are estimated at approximately \$30 million per year, beginning January 1, 2026 (the anticipated effective date of the provisions regarding prior approval for inpatient treatment). This estimate assumes a static number of inpatient mental health admissions and does not account for any fluctuations in admissions that may result from changes in provider behavior or from the implementation of other, less-intensive interventions.

New Act

Creates the Electric Vehicle Charging Act. Provides that the Act applies to new single-family homes and newly constructed or renovated multi-unit residential buildings that have parking spaces and are constructed or renovated after the effective date of the Act. Defines terms. Provides that a new single-family residence or a small multifamily residence shall have at least one electric vehicle capable parking space for each residential unit that has dedicated parking, unless any subsequently adopted building code requires additional electric vehicle capable parking spaces or installed electric vehicle supply equipment. Includes electric vehicle parking space requirements for a new, large multifamily residential building or a large multifamily residential building being renovated by a developer converting the property to an association. Includes electric vehicle parking space requirements for affordable housing and for an existing multi-unit residential building subject to an association that undertakes renovation. Includes electric vehicle charging station policies for unit owners and for renters.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause with the provisions of the introduced bill, and makes the following changes. Provides that the Act applies to newly constructed single-family homes and multi-unit residential buildings (rather than new single-family homes and newly constructed or renovated multi-unit residential buildings). Removes the definitions of "electric vehicle charging station", "electric vehicle system", and "renovated". Changes the definitions of "EV-capable", "EV-ready", "level 1", and "level 2". Provides that the residential requirements for electric vehicle parking spaces apply to all building permits issued 90 days after the effective date of the Act. Provides that all building permits issued 90 days after the effective date of the Act shall require a new, large multifamily residential building or a large multifamily residential building being renovated by a developer converting the property to an association to have 100% of its total parking spaces EV-capable (rather than a specified percentage of EV-capable spaces based on the total amount of parking spaces available). Changes the residential requirements for electric vehicle parking spaces for permits issued 24 months after the effective date. Provides that all building permits issued 24 months after the effective date of the Act to be as follows: (1) for permits issued 24 months after the effective date of this Act, a minimum of 40% EV-capable parking spaces; (2) for permits issued 5 years after the effective date of this Act, a minimum of 50% EV-capable parking spaces; and (3) for permits issued 10 years after the effective date of this Act, a minimum of 70% EV-capable parking spaces. Removes language providing that an existing multi-unit residential building subject to an association that undertakes a capital maintenance, repair, replacement, or improvement project related to electrical power infrastructure shall be required to upgrade or install electrical panel capacity for dedicated branch circuits sufficient to ensure that the residential building has the power capacity to become electric vehicle capable as it relates to the space requirements. Removes language providing that a renovated large multifamily residential building that qualifies as an affordable housing development is subject to certain requirements if more than 25% of parking spaces are substantially modified. Makes other changes.

Senate Floor Amendment No. 2

Changes the definitions of "level 1" and "level 2". Provides that a tenant may install, at the tenant's own expense for the tenant's own use, a level 1 or level 2 receptacle or outlet or a level 2 electric vehicle charging system (rather than a level 1 or level 2 electric vehicle charging system) on or in the leased premises.

Senate Floor Amendment No. 3

Provides that "EV capable" shall not be construed to require a developer or builder to install or run wire or cable from the electrical panel through the conduit or raceway to the terminus of the conduit. Provides that nothing in the Act shall be construed to require that in the case of a developer converting the property to an association, no EV-capable or EV-ready mandate shall apply if it would necessitate the developer having to excavate an existing surface lot or other parking facility in order to retrofit the parking lot or facility with the necessary conduit and wiring. Establishes that an association that willfully violates the provisions shall be liable to the unit owner for actual damages and shall pay a civil penalty to the unit owner for actual damages and shall pay a civil penalty to the unit owner not to exceed \$500 (rather than \$1,000). Provides that in any action by a unit owner requesting to have an electric vehicle installed and seeking to enforce compliance with the provisions, the court shall award reasonable attorney's fees to a prevailing party (rather than a prevailing plaintiff). Provides that a landlord shall not assess or charge a tenant any fees for the placement or use of an electric vehicles charging system, except that a landlord may charge a security deposit to cover costs to restore the property to its original condition if the tenant removes the electric vehicle charging system.

New Act

Adds reference to:

30 ILCS 500/45-26

Replaces everything after the enacting clause. Creates the State Entities Single-Use Plastic Reporting Act. Requires, beginning July 1, 2024, each State agency to (i) track the purchase of single-use plastics on behalf of the State agency that do not require procurement contracts for one year, (ii) establish goals on reducing single-use plastic purchases based on the information obtained from the purchase tracking, and (iii) submit a report of its findings to the Governor and the General Assembly on or before October 1, 2025. Defines terms. Amends the Illinois Procurement Code. In a provision regarding environmentally preferable procurement: Removes language providing that if contracting for an environmentally preferable supply or service would impose an undue economic or practical hardship on the contracting State agency, or if an environmentally preferable supply or service cannot be used to meet the requirements of the State agency, then the State agency need not contract for an environmentally preferable supply or service. Provides instead that when a State agency is to award a contract to the lowest responsible bidder, an otherwise qualified bidder who will fulfill the contract through the use of compostable foodware or recyclable foodware may be given preference over other bidders unable to do so, as long as the bid is not more than 5% greater than the cost of products that are single-use plastic disposable foodware.

Senate Floor Amendment No. 2

Deletes reference to:

30 ILCS 500/45-26

Defines "single-use plastic disposable foodware" as containers, bowls, straws, plates, trays, cartons, cups, lids, forks, spoons, knives, and other items that are designed for one-time use for beverages, prepared food, or leftovers from meals and that are made of plastic, are not compostable, and are not accepted in residential curbside recycling pick up. Replaces the term "single-use plastics" with "single-use plastic disposable foodware". Provides that beginning July 1, 2024, each State agency shall (1) track its own purchases of single-use plastic disposable foodware that are less than \$2,000 or otherwise not reduced to writing, and (2) establish goals on reducing single-use plastic disposable foodware purchases based on the tracked purchases. Removes the changes made to the Illinois Procurement Code. Repeals the Act on October 1, 2026.

House Floor Amendment No. 2

Provides that after January 1, 2026, or at the renewal of its next contract, whichever occurs later, no vendor contracted through a State agency or department may provide customers with disposable food service containers that are composed in whole or in part from polystyrene foam at any site owned or leased by the State, and instead shall offer only compostable foodware or recyclable foodware for use at sites owned or leased by the State.

Fiscal Note, House Floor Amendment No. 1 (Dept. of Central Management Services)
SB 0058, HAM #1, will have a negligible fiscal impact on CMS. However, CMS as an agency does not purchase Styrofoam. The greater impact will come from other State Agencies (ex ... DOC, OHS), that often deal with these types of containers. Compostable Styrofoam could increase across 30-50%, depending on the item.

Senate Floor Amendment No. 1

Senate Floor Amendment No. 2

Changes references from January 1, 2024 to September 1, 2024.

Pension Note (Government Forecasting & Accountability)

According to SURS, the system's actuary does not recognize the actuarial liabilities associated with part-time employees; the actuary assumes all employees are full-time. SURS reports approximately 24% of active members (73,307) have some part-time service. In addition, approximately 16% of retirement claims have a part-time adjustment, and the adjustment typically impacts the final pension amount in 10% of retirement claims. Thus, while there will be no change to SURS' liabilities due to the new service accrual schedule and the elimination of the part-time adjustment (for the aforementioned reason that the actuary assumes all employees are FT employees), SURS claims more assets will be necessary to pay enhanced benefits due to the new accrual schedule and the elimination of the part-time adjustment. The amount by which payouts will increase as a result of these changes has not been provided by SURS.

House Floor Amendment No. 2

Adds reference to:

40 ILCS 5/15-112

from Ch. 108 1/2, par. 15-112

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes. Further amends the State Universities Article of the Illinois Pension Code. Provides that beginning September 1, 2024, a provision excluding specified earnings in the determination of the final rate of earnings applies to an employee who has been employed at 1/2 time or less for 3 or more years. Adds an inseverability provision. Effective immediately.

Land Conveyance Appraisal Note (Dept. of Transportation)

No land conveyances are included in Senate Bill 1235, HA 1; therefore, there are no appraisals to be filed.

State Debt Impact Note (Government Forecasting & Accountability)

SB 1235, as amended by House Amendment 1, would not change the amount of authorization for any type of State-issued bond, and, therefore, would not affect the level of State indebtedness.

Housing Affordability Impact Note (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence and will not impact the cost of housing development in the state of Illinois.

Judicial Note (Admin Office of the Illinois Courts)

Based on a review of SB1235 as amended by House Amendment 1, the legislation will not increase or decrease the number of judges needed in the state of Illinois.

Amends the State Fire Marshal Act. Defines "fire-resistant material" and "fire-resistant material applicator". Provides that it is unlawful for a person to engage in business as a fire-resistant material applicator in this State without being certified by the Office of the State Fire Marshal. Senate Floor Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Provides that a group or individual policy of accident and health insurance or a managed care plan that is amended, delivered, issued, or renewed on or after January 1, 2025 (rather than the effective date of the amendatory Act) shall provide coverage for preventative liver disease screenings for individuals 35 years of age or older and under the age of 65 (rather than for persons 18 years of age or older and under the age of 65) at high risk for liver disease, including liver ultrasounds and alpha-fetoprotein blood tests every 6 months, without imposing a deductible, coinsurance, copayment, or any other cost-sharing requirement on the coverage provided. Provides that the provisions do not apply to coverage of liver disease screenings to the extent such coverage would disqualify a high-deductible health plan from eligibility for a health savings account pursuant to specified federal law.

310 ILCS 67/50

Amends the Affordable Housing Planning and Appeal Act. In provisions requiring non-exempt local governments to approve an affordable housing plan, provides that, in addition to other requirements, the affordable housing plan must consist of a description of any housing market conditions, infrastructure limitations, local government ordinances, local policies or practices that do not affirmatively further fair housing as defined in the federal Fair Housing Act, and other local factors that constrain the local government's ability to create and preserve affordable housing. Requires the plan to also include potential strategies to eliminate or mitigate the specified constraints. Provides that the plan must set forth certain benchmark goals for new affordable housing developments or redevelopments; as well as proposed timelines, within the first 24 months after the date upon which the affordable housing plan was adopted, for actions to implement the components of the affordable housing plan. Provides that no later than 36 months after adopting or updating an affordable housing plan, the local government shall submit a report to the Illinois Housing Development Authority summarizing actions taken to implement the current plan. Contains provisions concerning the review of affordable housing plans by the State Housing Appeals Board (Board); membership on the Board; and other matters.

Senate Floor Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes: In a provision concerning benchmarks a non-exempt local government must aim to accomplish under its affordable housing plan, provides that the local government shall aim to have a minimum of 15% (rather than 40%) of affordable housing within its jurisdiction. Removes a provision requiring affordable housing plans from local governments to be subject to review by the State Housing Appeals Board. Requires the Illinois Housing Development Authority (IHDA) to post each affordable housing plan submitted by a local government on the IHDA website. Restores a provision providing that a non-exempt local government may not enter into an intergovernmental agreement with any local government that contains more than 25% affordable housing. Changes the filing date from January 1, 2024 to January 1, 2026 upon which an affordable housing developer or municipal resident may appeal a municipality's decision to deny or impose conditions on a proposed affordable housing development. Replaces all references to "plaintiff" with "appellant". In provisions concerning the Housing Appeals Board, provides that on and after the effective date of the amendatory Act, the Housing Appeals Board shall consist of 5 members appointed by the Governor (rather than providing that prior to January 1, 2008, a Housing Appeals Board shall be created consisting of 7 members appointed by the Governor). In provisions concerning membership on the Board, provides that initial terms of 3 (rather than 4) members designated by the Governor under the amendatory Act shall be for 2 years; and that initial terms of 2 (rather than 3) members designated by the Governor under the amendatory Act shall be for one year. Provides that the terms of members serving on the Housing Appeals Board before the effective date of the amendatory Act expire on the effective date of the amendatory Act. In the definition of "affordable housing", removes language providing that the costs of parking, maintenance, or landlord-imposed fees, as provided by a municipality's regional planning commission, are to be included in the calculation of affordable housing. Redefines "exempt local government" to mean any local government in which at least 35% of its total year-round housing units are affordable, as determined by the Illinois Housing Development Authority or any municipality with a population under 2,500 (rather than "exempt local government" means any local government in which the percentage of its total year-round housing units that are affordable is greater than the 20th percentile of all local governments, as determined by the Illinois Housing Development Authority, or any municipality with a population under 1,000). Removes the definition of "high cost housing community" or "nonexempt local government".

Restores the number of members on the State Housing Appeals Board to 7 (rather than reducing the number to 5). Provides that the Board shall include a retired circuit judge, a retired appellate judge, a current or retired administrative law judge, or a practicing or retired attorney with experience in the area of land use law or related field, who shall act as chairperson (rather than a current or retired circuit judge, appellate judge, administrative law judge, or attorney with experience in the area of land use law, who shall act as chairperson). New Act

Creates the Firefighter Training Leave of Absence Act. Defines terms. Provides that a State employee shall be granted leave from his or her State employment for firefighter training as follows: (1) on one occasion, for up to 200 hours, to participate in training necessary to obtain Basic Operations Firefighter certification from the State Fire Marshal while attending a State Fire Marshal-approved fire academy; and (2) special or advanced training annually, not to exceed 80 hours, after obtaining Basic Operations Firefighter certification from the State Fire Marshal for courses that will lead to additional certification by the State Fire Marshal. Provides that, during leaves for basic, special, or advanced training, the State employee shall continue to receive his or her regular compensation as a State employee, but, if the State employee receives compensation for basic, special, or advanced training, the State employee shall receive his or her regular compensation as a State employee minus the amount of his or her compensation for basic, special, or advanced training. Provides that a State employee who wishes to obtain a leave of absence under this Act shall request in advance for the leave of absence and may take the leave of absence only after obtaining approval from the State employee's agency.

Senate Floor Amendment No. 1

Provides that a leave of absence may not be denied to a State employee who requests leave under the Act and who has provided notification of the leave at least 14 calendar days prior to the requested leave date. Provides that a State employee who provides less than 14 calendar days' notice of the leave may be denied leave if the State employee's agency demonstrates that the leave would create a health or safety hazard in the workplace. Provides that, if the leave is denied, written notification must be provided to the employee within 24 hours after the employee's request for leave. Provides that, once the leave has been approved, approval for the leave may not be rescinded.

Pension Note (Government Forecasting & Accountability)

Under SB 1611, as engrossed, state employees who avail themselves of a leave of absence for firefighter training will continue to receive compensation, and thus, pensionable service credit in SERS for such periods of leave. The bill states that the employee's agency can reduce his or her compensation by the amount the member is paid for the training; thus, SERS states that situations may arise where members may wish to purchase "earnings credits." The SERS Article of the Pension Code requires members wishing to establish earnings credits to pay to SERS an amount equal to the employee contribution based upon the rate of compensation paid immediately prior to the leave, plus interest at the actuarially assumed rate, from the beginning of the leave of absence to the date of payment.

Under current law, an employee who receives no compensation during a leave of absence may establish service credit in SERS by paying the aforementioned amounts, plus the employer's normal cost for the period of the leave. Inasmuch as state employees would be compensated during firefighter training leaves of absence under SB 1611, and thus would not be required to pay the employer's normal cost for the period of the leave, there would be a very minor fiscal impact upon SERS commensurate with the number of state employees who avail themselves of such periods of leave.

Fiscal Note (Dept. of Central Management Services)

SB 1611, as engrossed, will have a fiscal impact to CMS but this impact cannot be identified at present. The maximum time allowance for training is approximately 37 days. CMS cannot gauge the participation this would generate in the state. There is the obvious loss of productivity and expertise from the employee's absence that will need to be compensated for through overtime, temporaries, etc.. Finally, it will take some time and additional resources to develop and effectuate rules for the Act and allow for software and programming changes.

Land Conveyance Appraisal Note (Dept. of Transportation)

No land conveyances are included in Senate Bill 1611; therefore, there are no appraisals to be filed.

State Debt Impact Note (Government Forecasting & Accountability)

SB 1611, as engrossed, would not change the amount of authorization for any type of State-issued bond, and, therefore, would not affect the level of State indebtedness.

Balanced Budget Note (Office of Management and Budget)

Please be advised that the Balanced Budget Note Act does not apply to Senate Bill 1611, as amended by Senate Amendment 1, as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

House Floor Amendment No. 1

Provides that for Tier 2 firemen, final average salary is the greater of (1) the average monthly salary obtained by dividing the total salary of the fireman during the 96 consecutive months of service within the last 120 months of service in which the total salary was the highest by the number of months of service in that period or (2) the average monthly salary obtained by dividing the total salary of the fireman during the 48 consecutive months of service within the last 60 months (instead of 120 months) of service in which the total salary was the highest by the number of months of service in that period.

Pension Note (Government Forecasting & Accountability)

SB 1629 would have a significant fiscal impact on the Chicago Fire pension fund. An actuarial study would be needed to assess the long-term cost. According to the Chicago Fire Pension Fund's 2021 actuarial valuation, the fund had \$5.6 billion in unfunded liabilities, with a funding ratio of 20.9%.

30 ILCS 708/45

Removes provisions amending the Grant Accountability and Transparency Act providing that the Act does not apply to the Department of Agriculture's Soil and Water Conservation District Grants Program.

Senate Floor Amendment No. 4

In the provisions regarding the Partners for Conservation Fund and the Partners for Conservation Projects Fund in the State Finance Act, provides that the Funds may be used to provide capacity grants to support soil and water conservation districts, including lab analysis (rather than professional development), and to implement a crop insurance premium discount program at the State level (rather than to implement a crop insurance premium discount program at the State level for practices that improve soil health). Makes the following changes to the provisions amending the Soil and Water Conservation Districts Act. Modifies the definition of "soil health assessment". Provides that soil health assessments shall be used to identify opportunities to access (rather than access and leverage) financial and technical assistance from local, State, and federal sources to guide resources to their best potential use. Provides that the Illinois Healthy Soils Initiative shall complement and improve coordination of existing resources and processes and shall not replace existing, local, State, or federal (removing private) funding or technical assistance programs. Provides that the information collected through the development of the Department of Agriculture's guidelines for soil health assessments shall be compiled (rather than summarized) and provided to the soil and water conservation districts annually (rather than by July 1) to inform the development of local soil health assessments. Provides that the soil health assessment that each soil and water conservation district shall develop shall be developed annually. Provides that, upon the request of a district, the Department may (rather than shall) assist in the preparation of the district's soil health assessment. Makes a grammatical change.

House Floor Amendment No. 1

Provides that the Partners for Conservation Fund and the Partners for Conservation Projects Fund may be used to provide capacity grants to support soil and water conservation districts, including, among other things, for development and travel stipends for meetings and educational events (instead of travel stipends for meetings and educational events). Removes implementation of a crop insurance premium discount program at the State level as a use of the Partners for Conservation Fund and the Partners for Conservation Projects Fund. Provides that "health soil practices" includes practices related to conservation. Provides that, subject to appropriation, the Illinois Healthy Soils Initiative shall be administered by the Director of Agriculture with consultation from specified entities (adding that the administration is subject to appropriation). Provides that, in developing its guidelines to assist soil and water conservation districts in determining local goals and needs for soil health assessments, the Department of Agriculture shall consider availability of State and federal financial and technical assistance programs (rather than State, federal, and private financial and technical assistance programs) to soil and water conservation districts, local governments, and conservation partners.

Amends the Juvenile Court Act of 1987. Provides that a neglected minor includes any minor (rather than a minor under 14 years) whose parent or other person responsible for the minor's welfare leaves the minor without supervision for an unreasonable period of time without regard for the mental or physical health, safety, or welfare of that minor. Provides that a minor shall not be considered neglected for the sole reason that the minor was engaged in independent activities, except if the person responsible for the minor's health, safety, or welfare willfully disregards danger that the independent activity poses to the physical or mental health of the minor under circumstances when the danger is sufficiently obvious that no reasonable person would cause or permit the minor to be unsupervised in such a situation given the minor's level of maturity, physical condition, or mental abilities. Provides factors that must be considered in determining if a minor's needs can be sufficiently met during an independent activity. Amends the Criminal Code of 2012 to change the child abandonment statute. Deletes language providing that a person commits child abandonment by leaving a child who is under the age of 13 without supervision by a responsible person over the age of 14 for a period of 24 hours or more. Provides instead that a person commits child abandonment when he or she, as a parent, guardian, or other person having physical custody or control of a child, without regard for the mental or physical health, safety, or welfare of that child, knowingly permits a child to engage in independent activities that were unreasonable under the circumstances or for an unreasonable period of time without regard for the minor's mental or physical health, safety or well-being. Provides that no specific age shall be determinative of reasonableness, and that reasonableness shall be determined by the maturity of each individual child. Effective immediately.

Provides that the intent of the Act is for the requirements of the Act to apply equally to the governing board of each public institution of higher education in this State. Defines "governing board of each public institution of higher education" and "public institution of higher education". Adds provisions requiring each public institution of higher education to make emergency contraception available for purchase through at least one vending machine located on each campus under its jurisdiction; defines "emergency contraception". Sets forth minimum requirements concerning the packaging, storage, cost, and dispensing of the emergency contraception. Effective immediately.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Defines "wellness kiosk". Replaces references to "vending machine" with "wellness kiosk". Makes related changes. Effective immediately.

State Debt Impact Note (Government Forecasting & Accountability)
SB 1907, as engrossed, would not change the amount of authorization for any type of State-issued bond, and, therefore, would not affect the level of State indebtedness.

Fiscal Note (IL Community College Board)
SB 1907 has no fiscal impact on the Illinois Community College Board.

Balanced Budget Note (Office of Management and Budget)
Senate Bill 1907, as amended by Senate Amendment 1, is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Creates the Deceptive Practices of Limited Services Pregnancy Centers Act. Prohibits a limited services pregnancy center from using or employing any deception, fraud, false pretense, false promise, or misrepresentation, or the concealment, suppression, or omission of any material fact, with the intent that others rely upon the concealment, suppression or omission of such material fact: to interfere with an individual seeking to gain entry or access to a provider of abortion or emergency contraception; to induce an individual to enter or access the limited services pregnancy center; in advertising, soliciting, or otherwise offering pregnancy-related services; or in conducting, providing, or performing pregnancy-related services. Allows the Attorney General to enforce the Act when: it appears to the Attorney General that a limited services pregnancy center has engaged in, is engaging in, or is about to engage in any practice declared to be unlawful by the Act; the Attorney General receives a written complaint of the commission of a practice declared to be unlawful under the Act; or the Attorney General believes it to be in the public interest that an investigation should be made to ascertain whether a limited services pregnancy center has engaged in, is engaging in, or is about to engage in, any practice declared to be unlawful by the Act. Establishes the remedies available under the Act for violation of the Act, including preliminary or permanent injunction and a civil penalty not to exceed \$50,000. - 105 ILCS 5/3-12 from Ch. 122, par. 3-12
- 105 ILCS 5/3-3 rep.
- 30 ILCS 805/8.47 new

Amends the Illinois Municipal Retirement Fund Article of the Illinois Pension Code. In a provision concerning service credit for accumulated unused sick leave, provides that if the employee was in the service of more than one employer or regional office of education (instead of more than one employer), then sick leave days from all such employers shall be credited. Amends the School Code. Provides that beginning July 1, 2023, all regional superintendents of schools shall receive the same salary regardless of the population of the region they serve. Provides that the salary for all regional superintendents shall be equal to the middle annual salary tier. Makes a change concerning the posting of information on the institute fund. Repeals a provision of the Code that prohibits regional superintendents from practicing or from holding themselves out as practicing any other profession. Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

Pension Note (Government Forecasting & Accountability)

The fiscal impact of SB 1924 is not known, as the number of employees of regional offices of education who would receive pensionable service credit for unused, unpaid sick leave from multiple employers is not known. To the extent that service credit up to one year would be provided for employees who would have previously not been eligible to combine sick leave credit from multiple employers, there would be a slight negative impact to the IMRF employer that would assume the liability associated with the additional service credit being granted.

State Debt Impact Note (Government Forecasting & Accountability)

SB 1924 would not change the amount of authorization for any type of State-issued bond, and, therefore, would not affect the level of State indebtedness.

Fiscal Note ()

Balanced Budget Note (Office of Management and Budget)

30 ILCS 805/8.47 new

Replaces everything after the enacting clause. Amends the Illinois Pension Code. Provides that the Retirement Systems Reciprocal Act (Article 20 of the Code) is adopted and made a part of the Downstate Police, Downstate Firefighter, Chicago Police, and Chicago Firefighter Articles, but only with respect to a person who, on or after the effective date of the amendatory Act, is entitled under those Articles or through a participating system under the Retirement Systems Reciprocal Act to begin receiving a retirement annuity or survivor's annuity and who elects to proceed under the Retirement Systems Reciprocal Act. In the Chicago Police Article of the Code, removes a birthdate restriction on eligibility at age 55 for a 3% automatic annual increase in retirement annuity that is not subject to a maximum increase of 30% and specifies the timing of an initial increase in retirement annuity for persons who have not received the initial increase before January 1, 2023. Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

Pension Note (Government Forecasting & Accountability)

SB 1956, as amended by HA 001, would grant an annual 3% non-compounded cost-of-living adjustment (COLA) to all Tier 1 Chicago Police retirees who reach age 55 with 20 years of service. This change would have a significant fiscal impact upon the pension fund. An actuarial study would be required to determine the precise fiscal impact. As of December 31, 2021, the pension fund had an unfunded liability of approximately \$12 billion, and a funded ratio of 24.9%. Regarding the expansion of reciprocal service, CGFA staff has consulted with the systems most likely to have members who would receive reciprocal annuities comprised of service with the Chicago Police, Chicago Fire, and the Downstate Fire pension funds. IMRF and SERS do not anticipate a significant actuarial cost due to bringing these funds under the ambit of the Reciprocal Act. The Cook County Pension Fund says that some increased liability is possible, but the extent of the increase cannot be known as the number of members who would receive proportional annuities between the impacted funds is not known.

Fiscal Note (Department of Insurance)

This legislation poses no impact, fiscal or otherwise to the Department of Insurance.

Provides that if a disabled person purchases a parking unit or a residential unit to which a limited common element parking space is assigned, that unit owner who is a person with a disability who requires accessible parking may request use of a common element accessible parking space in exchange for permitting the association use of that disabled unit owner's parking unit or limited common element parking space.

20 ILCS 505/8

from Ch. 23, par. 5008

Amends the Children and Family Services Act. In a provision requiring the Department of Children and Family Services to award post-secondary education scholarships and fee waivers to eligible students, removes a provision that conditions the renewal of awarded scholarships and fee waivers on students continuing to work toward graduation. Instead provides that while students shall not be required to maintain a specified minimum grade point average to continue to receive scholarships and fee waivers, students must be making satisfactory progress toward completing their degree at a community college, university, or college. Requires the Department to adopt rules identifying the criteria for "satisfactory progress toward completing a degree" (rather than the criteria for "continuing to work toward graduation"). Removes a provision requiring a community college or public university that an applicant attends to waive any tuition and fee amounts that exceed the amounts paid to the applicant under the State's Monetary Award Program. Effective immediately.

Senate Committee Amendment No. 1

Provides that tuition and fee waivers shall be available to a student for at least the first 5 years the student is enrolled in a community college, university, or college maintained by the State of Illinois so long as the student continues to work toward graduation and completion of a certificate or degree program (rather than makes satisfactory progress toward completing the student's degree). 20 ILCS 505/9.1

from Ch. 23, par. 5009.1

20 ILCS 505/9.3

from Ch. 23, par. 5009.3

Amends the Children and Family Services Act. In a provision concerning children accepted for care and training under the Juvenile Court Act of 1987 or through a voluntary placement agreement, provides that the parents or guardians of such children (rather than the parents or guardians of the estates of such children) shall only be liable for the sums representing the charges for such care and training. Requires the Department of Children and Family Services to establish a standard by which the ability of parents or guardians to pay for the care and training of the child shall be measured on an individual basis. Requires such standards and rules to provide: (i) that no liability exists if the family's annual income is under \$100,000 or 400% of the federal poverty guidelines, whichever is greater; and (ii) that any liability shall not be contrary to the best interests of the child and shall not negatively impact the family's ability to participate in services to achieve reunification or in parent or child visitation. Requires the Department to adopt rules no later than July 1, 2025. In a provision concerning the referral of Title IV-E foster care maintenance cases to the Department of Healthcare and Family Services for child support enforcement services, provides that such cases shall only be referred if the Department of Children and Family Services has conducted a thorough individualized review of the family's circumstances, including, but not limited to, the impact the referral may have on the child's best interest and the ability to achieve permanency or participate in visitation. In a provision concerning liability for parents or guardians who make false written declarations to the Department concerning their income or ability to pay for their children's Department-sponsored care and training, provides that such parents and guardians will be liable to Department to the extent liability is consistent with the standards and rules set forth in the amendatory Act.

Senate Floor Amendment No. 1

Replaces everything after the enacting clause. Amends the Children and Family Services Act. Removes a provision making parents monetarily liable for the cost of care and training provided by the Department of Children and Family Services for children placed with the Department under a voluntary placement agreement. Instead provides that the Department shall adopt rules no later than January 1, 2026 regarding referral of Title IV-E foster care maintenance cases to the Department of Healthcare and Family Services for child support enforcement services under Title IV-D of the Social Security Act. Provides that it is the policy of the State that in order to preserve the financial security of a child's parent seeking reunification, the Department will not refer cases for child support enforcement services or seek an assignment of rights of child support regarding any child prior to the permanency goal of return home being ruled out by the court in accordance with the Juvenile Court Act of 1987. Permits the Department to refer cases for child support enforcement services, consistent with rules, after the permanency goal of return home has been ruled out by the court in accordance with the Juvenile Court Act of 1987. Requires the Department to adopt rules by January 1, 2026 establishing additional policies or criteria to consider to ensure compliance with this Section and federal law regarding referral for child support enforcement or assignment of rights of child support for children where a return home goal has been ruled out in accordance with the Juvenile Court Act of 1987. In a provision concerning liability for parents or guardians who make false written declarations to the Department concerning their income or ability to pay for their children's Department-sponsored care and training, provides that such parents and guardians will be liable to Department to the extent liability is consistent with the standards and rules set forth in the amendatory Act. Amends the Crime Victims Compensation Act. Expands the definition of "applicant" under the Act. Changes the definition of "victim" to include a grandparent solely for the purpose of compensating for pecuniary loss incurred for psychological treatment of a mental or emotional condition caused or aggravated by the crime. Provides that a victim or applicant who has been convicted of a felony not related to the crime for which the individual is seeking compensation may apply for assistance under this Act at any time but no ward of compensation may be considered or granted while the victim or applicant is held in a correctional institution. Authorizes the Attorney General to issue subpoenas to compel production of law enforcement reports maintained by law enforcement agencies. Prohibits the Attorney General's office from disclosing to the public law enforcement reports obtained from an applicant or victim under this Act. Allows the Attorney General and the Court of Claims to extend the time for reporting to law enforcement (rather than, for most crimes of violence, within 72 hours of the crime) if the Attorney General determines that the extension is justified by extraordinary circumstances. Provides that an application based on an allegation of police misconduct causing the injury or death may not be denied solely because a police report was not made by the victim. Amends the Juvenile Court. Provides that nothing in the Act prohibits law enforcement agencies from disclosing law enforcement reports and records to the Attorney General to comply with the Crime Victims Compensation Act. Makes other changes. Effective immediately, except that some provisions are effective January 1, 2025.

Amends the Crime Victims Compensation Act. Defines "applicant", "crime of violence", "victim", "pecuniary loss", "dating relationship", and other terms. Provides that no compensation may be granted to an applicant under the Act while the applicant is held in a correctional institution. Provides that an applicant who is held in a correctional institution may apply for assistance under this Act at any time, but no award of compensation may be considered until the applicant is released. Authorizes the Attorney General to issue subpoenas to compel the production of law enforcement reports maintained by the enforcement agencies. Provides that if the victim or applicant has obtained an order of protection, a civil no contact order, or a stalking no contact order or the crime was allegedly committed by law enforcement use of force, it is appropriate notification if the applicant or victim has been treated by the medical provider or mental health provider. Creates criteria to determine whether an applicant has cooperated with law enforcement. Provides that an applicant may provide notification by being treated by a mental health provider for psychological injuries for injuries arising from violations of the Criminal Code of 2012 for trafficking, sex crimes, and bodily harm. Requires the mental health provider to perform an independent medical evaluation and provide an opinion regarding causation of those injuries. Creates criteria for the Attorney General to use in evaluating an applicant's cooperation. Provides that an applicant's failure to respond to the Attorney General or Court of Claims may result in the claim being closed without compensation. Provides that an award shall be reduced or denied to the extent by which the victim's behavior posed an imminent threat of death or serious bodily injury to a law enforcement officer and the victim's behavior was direct and proximate cause of the victim's injury in claims that a law enforcement officer's use of force caused the victim's injury or death. Makes other changes. Effective immediately, except certain provisions take effect January 1, 2025.

from Ch. 122, par. 14-11.02

Amends the Children with Disabilities Article of the School Code. Provides that the State Board of Education shall maintain and operate, or contract for (instead of being empowered to establish, maintain, and operate or contract for) the operation of a permanent statewide residential education facility (instead of statewide service center), known as the Philip J. Rock Center and School. Provides that the State Board of Education shall include a line item in its budget to pay the costs of operating and maintaining the Philip J. Rock Center and School. Limits the specified services provided by the Philip J. Rock Center and School to eligible deaf-blind persons of all ages to being subject to appropriated funding for those specified services. Makes changes concerning provided services. Provides that for the purposes of employment, the Philip J. Rock Center and School shall be considered its own employer. Provides that the State Board of Education shall appoint a Chief Administrator of the Philip J. Rock Center and School who shall be employed by the Philip J. Rock Center and School. Specifies the duties of the Chief Administrator. Sets forth provisions concerning a student with an individualized education program at the Philip J. Rock Center and School. Makes changes concerning the Advisory Board for the Philip J. Rock Center and School. Makes other changes.

Senate Committee Amendment No. 1

Makes changes concerning who qualifies as a person with deaf-blindness and who is eligible for deaf-blind services. Changes references of "auditory" to "hearing". Makes changes concerning the services the Philip J. Rock Center and School shall include.

Senate Floor Amendment No. 2

Replaces everything after the enacting clause. Reinserts the contents of the bill as amended by Senate Amendment No. 1 with the following changes. Changes references of "deaf-blind" to "deafblind". Provides that the Philip J. Rock Center and School shall service eligible students between the ages of 3 and 21, unless the student's 22nd birthday occurs during the school year, in which case the student is eligible for such services through the end of the school year (instead of providing that the School serves eligible children between the ages of 3 and 22). Removes the requirement that, in accordance with a student's individualized education program, the Philip J. Rock Center and School make every attempt to provide a free appropriate public education pursuant to the federal Individuals with Disabilities Education Act of 2001 to a student placed in its residential educational facility either in its own program or within a local school district program that is appropriate to the child and contracted for by the Philip J. Rock Center and School. Makes typographical and grammatical corrections.

House Floor Amendment No. 2

Replaces everything after the enacting clause. Reinserts the contents of the bill as engrossed with the following changes. Provides that priority of services shall be given to students referred to the Philip J. Rock Center and School who qualify as individuals with concomitant hearing and visual impairments or who are eligible for special education services under the category of deafblind. Provides that such a student may not be denied enrollment unless the student's placement in the Center and School would endanger the health or safety of any other student.

Provides that, beginning no later than the 2025-2026 academic year, if an exonerated person has been found by the Illinois Student Assistance Commission to qualify for a grant and the exonerated person has not yet exhausted the benefits for which the exonerated person is eligible, the exonerated person may designate one or more dependents to use any unexpended portion of the benefits for which the exonerated person is eligible, up to the total benefit for which the exonerated person is eligible. Provides that the combined benefit used by the exonerated person and any designated dependents may not exceed the total benefit for which the exonerated person is eligible. Provides that if funding is insufficient to serve all applicants, the Commission may prioritize applicants who have been exonerated over applicants who are dependents of exonerated individuals.
