105 ILCS 302/1

Amends the College and Career Success for All Students Act. Makes a technical change in a Section concerning the short title.

House Floor Amendment No. 1

Deletes reference to:

105 ILCS 302/1

Adds reference to:

105 ILCS 5/34-18.87 new

Replaces everything after the enacting clause. Amends the Chicago School District Article of the School Code. Prohibits, until February 1, 2027, the Chicago Board of Education from closing any attendance center within the school district that has selective admission requirements that apply to the entire student body. Prohibits, until February 1, 2027, the Board from changing the standards for admission to any attendance center within the school district that has selective admission requirements that apply to the entire student body. Provides that the Board shall not take any action, until February 1, 2027, that results in a disproportionate decrease in either the total amount or percentage of funds allocated to an attendance center within the school district that has selective admission requirements that apply to the entire student body compared to other attendance centers of comparable size. Effective immediately.

House Floor Amendment No. 3

Adds reference to:

105 ILCS 5/34-18.69

Prohibits the Chicago Board of Education from approving any school closings, consolidations, or phase-outs until February 1, 2027 (instead of until January 15, 2025). Removes a provision prohibiting, until February 1, 2027, the Chicago Board of Education from closing any attendance center within the school district that has selective admission requirements that apply to the entire student body.

Racial Impact Note (Illinois State Board of Education)

Pursuant to 25 ILCS 83/110-10 the State Board of Education does not believe HB 303 as amended would pose a racial impact as it would not change the existing procedures or operations of any attendance center within the district.

Fiscal Note (Illinois State Board of Education)

H.B. 303, as amended by House Amendment 3, would extend the prohibition on the board of Chicago Public Schools approving any school closings, consolidations, or phase-outs through February 1, 2027. It would also prohibit the board from changing admission standards for schools with selective admission requirements or from disproportionately decreasing funding for such schools. This change would not have a fiscal impact to the State Board of Education.

HB 00676 (Continued)

Replaces everything after the enacting clause. Amends the Counties Code. In the provision that the county board of any county may, by ordinance, regulate or prohibit within unincorporated areas the discharge of firearms in any residential area where such discharge is likely to subject residents or passersby to the risk of injury, defines "residential area" as any area within 1,000 (rather than 300) yards of at least 3 single or multi-family residential structures. Amends the Illinois Insurance Code. Creates the Task Force on Firearm Insurance to review current and potential future insurance policy offerings for the safe and legal possession of firearms and offer policymaking recommendations related to the use of that insurance. Provides that the Department of Insurance shall provide administrative support for the Task Force. Provides that the Task Force shall be comprised of specified members. Provides that the Task Force shall elect a chairperson from its membership. Provides that appointments shall be made within 90 days after the effective date of the amendatory Act. Provides that members shall serve without compensation. Provides that the Task Force shall submit a report of findings, recommendations, and other information to the Governor and the General Assembly by December 31, 2023. Provides that the Task Force is dissolved January 1, 2025. Amends the Firearm owners Identification Card Act. Provides that no person may acquire or possess any prepackaged explosive components within the State without having in his or her possession a Firearm Owner's Identification Card previously issued in his or her name by the Illinois State Police under the provisions of the Act. Provides exemptions. Amends the Criminal Code of 2012. Creates the offense of unlawful sale or delivery of prepackaged explosive components. Defines the offense and provides penalties for violation. Amends the Firearms Restraining Order Act. Expands the definition of "petitioner" to include intimate partners. Amends the Unified Code of Corrections. Eliminates the repeal date of the statute creating the First Time Weapon Offender Program. Changes the name of the Program to the First Time Weapon Offense Program. Deletes a provision that a defendant is not eligible for the Program if he or she is 21 years of age or older. Provides that the Program shall be at least 6 (rather than 18) months and not to exceed 18 (rather than 24) months. Makes other changes to the Program. Amends the Illinois Domestic Violence Act of 1986. Provides that actions for an order of protection may be commenced in conjunction with an emergency or plenary proceeding under the Firearms Restraining Order Act provided that a petitioner and the respondent are a party to or the subject of that proceeding. Allows the court to prohibit a respondent against whom an order of protection was issued from possessing any firearms during the duration of the order if the order (1) was issued after a hearing of which such person received actual notice, and at which such person had an opportunity to participate, except in circumstances where an order is entered in conjunction with an affidavit or the verified petition for an emergency order of protection demonstrating exigent circumstances thereby justifying an entry of an emergency order without prior notice and (2) restrains such person from abusing the petitioner (rather than harassing, stalking, or threatening an intimate partner of such person or child of such intimate partner or person, or engaging in other conduct that would place an intimate partner in reasonable fear of bodily injury to the partner or child). Prohibits the respondent of an order of protection prohibiting firearm possession to surrender any firearms from acquiring or possessing any firearms for the duration of the order of protection. Requires the court to immediately upon the entry of the order of protection prohibiting firearm possession issue a seizure order of any firearm in the possession of the respondent. Provides that the respondent shall be ordered to immediately surrender any firearms to the appropriate law enforcement agency and prohibited from transferring firearms to another individual in lieu of surrender to law enforcement. Provides that the relevant law enforcement agency shall provide a statement of receipt of any firearm seized or surrendered with a description of any firearm seized or surrendered to the respondent and the court, and that such statement shall be prima facie evidence of compliance with an order to surrender firearms. Allows a court to prohibit a respondent against whom an order of protection was issued from possessing any firearms during the duration of the order if certain prerequisites are satisfied. Makes conforming changes in the Code of Criminal Procedure of 1963. Makes other changes. Effective July 1, 2023.

Replaces everything after the enacting clause. Amends the Reimagining Hotel Florence Act. In a provision regarding legislative intent, notes that the Hotel Florence sits within the Pullman National Historic Landmark District (rather than next to). Notes that the Pullman National Historic Landmark District's redesignation allows the federal National Park Service to enter into agreements for programs at nonfederal historic properties, including the Pullman State Historic Site, composed of the Hotel Florence, Hotel Florence Annex, Factory Grounds, Rear Erecting Shops, Front Erecting Shop North Factory Wing, and Front Erecting Shop South Factory Wing Ruin (rather than only the Hotel Florence). In a provision regarding authority to enter into a public-private agreement, provides that the Department of Natural Resources may, pursuant to a competitive solicitation process governed by this Act (rather than pursuant to a request for proposals process governed by the Illinois Procurement Code, rules adopted under that Code, and this Act), enter into a public-private agreement to develop, finance, construct, lease, manage, divest ownership in, and operate the Hotel Florence and the Pullman Factory on behalf of the State (rather than to develop, finance, construct, lease, manage, or operate the Hotel Florence on behalf of the State). Provides that the Department may enter into agreements with governmental entities and other outside entities to assist in drafting the solicitation and evaluation process as well as develop evaluation criteria for the prequalification of offerors. In a provision regarding the competitive request for solicitations process, provides that criteria includes the offeror's plans for the Hotel Florence project, including, but not limited to, building use, experience, environmental concerns, and a proposed preservation and rehabilitation plan compliant with the Illinois State Agency Historic Preservation Act (rather than the offeror's plans for the Hotel Florence project). Provides that criteria in the competitive request for solicitations process also include the offeror's plans for the Pullman Factory. Provides that the public-private agreement shall include a provision that this project will require using guidelines from the Secretary of the Interior's Standards for the Treatment of Historic Properties with Guidelines for Preserving, Rehabilitating, Restoring, and Reconstructing Historic Buildings, and that the period of the original construction should be used to guide the project design and construction. Removes provisions regarding time limitations for a request for proposals from the effective date of the Reimagining Hotel Florence Act. Provides that the public-private agreement shall also include a requirement that the contract complies with the Business Enterprise for Minorities, Women, and Persons with Disabilities Act and Section 2-105 of the Illinois Human Rights Act, as well as all other terms, conditions, and provisions the Department deems necessary and proper. Adds a definition of Pullman Factory. Makes technical and conforming changes.

HB 00793 (Continued)

Replaces everything after the enacting clause. Amends the Department of Human Services Act. Requires the Department of Human Services, in partnership with other specified State agencies, to eliminate on July 1, 2027 the use of active or pending 14(c) certificates authorized under the federal Fair Labor Standards Act of 1938, as well as authorizations permitted under the Minimum Wage Law to pay an employee with a disability less than the minimum wage otherwise required for employees under the Minimum Wage Law. Creates the Transition Grant Fund as a special fund in the State treasury to provide funds, subject to appropriation, to community agencies with active or pending 14(c) certificates to aid in the transition away from subminimum wages for employees with disabilities. Amends the Employment and Economic Opportunity for Persons with Disabilities Task Force Act. Requires the Employment and Economic Opportunity for Persons with Disabilities Task Force (Task Force) to create, by no later than July 1, 2025, a multi-year plan of recommended actions, outcomes, and benchmarks to help the State meet its goal to eliminate the use of 14(c) certificates on and after July 1, 2027. Sets forth certain information and data that shall be included in the multi-year plan to inform the work of the Task Force. Requires the Task Force to include in the multi-year plan certain recommendations aimed at facilitating the elimination of 14(c) certificates. Requires the Task Force to submit the multi-year plan to the Governor and the General Assembly by no later than July 1, 2025 and to provide annual reports on implementation through January 1, 2030. Amends the Illinois Procurement Code. In a provision listing the type of not-for-profit agencies whose supplies and services may be procured without advertising or calling for bids, revises the list to include a not-for-profit agency that is (i) certified as a community rehabilitation provider by the Department of Human Services and (ii) accredited by a nationally-recognized accrediting organization or certified as a day services provider by the Department. Amends the Business Enterprise for Minorities, Women, and Persons with Disabilities Act. In the definition of "business owned by a person with a disability", removes from the definition a not-for-profit agency for persons with disabilities that is exempt from taxation under the Internal Revenue Code of 1986. Amends the Medical Assistance Article of the Illinois Public Aid Code. Provides that, beginning January 1, 2024, the personal needs allowance for a qualifying medical assistance recipient who is a resident in a facility licensed under the Community-Integrated Living Arrangements Licensure and Certification Act shall equal \$100. Provides that beginning January 1, 2025, the personal needs allowance shall increase annually at the same rate as the Social Security cost-of-living adjustment to take effect on January 1 of each year. Amends the Minimum Wage Law. In a provision permitting the Director of Labor to issue regulations providing for the employment of workers with disabilities at wages lower than the wage rate applicable under the Act, provides that the provision is inoperative on and after July 1, 2027. Effective immediately.

Requires the Department of Human Services to eliminate on December 31, 2029 (rather than July 1, 2027) the use of active or pending certificates authorized under Section 14(c) the federal Fair Labor Standards Act of 1938. Requires the Department of Healthcare and Family Services, in partnership with the Department of Human Services, to file an amendment to the Home and Community-Based Services Waiver Program for Adults with Developmental Disabilities authorized under the Social Security Act to increase the rates for the following waiver services: Supported Employment - Small Group Supports. Requires the amendment to be filed by January 1, 2025. Provides that eligibility for the grants shall be contingent upon community agencies submitting a transition plan. Requires the Department to provide example plans that community agencies may adapt and to award transition program grant funds by January 1, 2025 in compliance with the Grant Accountability and Transparency Act. Contains provisions on appropriate uses for the grant funds. Requires the Department to submit annual status reports to the Governor and the General Assembly that include data on each grant recipient to demonstrate progress toward identified benchmarks. Further amends the Employment and Economic Opportunity for Persons with Disabilities Task Force Act. In provisions requiring the Employment and Economic Opportunity for Persons with Disabilities Task Force to create a multi-year plan to eliminate Section 14(c) certificates, requires the Task Force to create the multi-year plan with the Illinois Council on Developmental Disabilities and an academic partner with relevant subject matter expertise. Provides that the multi-year plan shall help the State to successfully eliminate the use of Section 14(c) certificates on December 31, 2029 (rather than July 1, 2027). Sets forth certain considerations the Task Force must make when developing the multi-year plan; data and analysis to be included in the multi-year plan; and other matters. Provides that the Task Force shall consult with employment service providers, people with disabilities, disability trade associations, and disability advocacy organizations in the development of the multi-year plan. Requires the Governor to appoint at least 2 additional members to the Task Force who represent organizations that are current Section 14(c) certificate holders. Provides that the Director of Labor, or the Director's designee, shall serve on the Task Force in a non-voting, advisory capacity until July 1, 2025. Further amends the Medical Assistance Article of the Illinois Public Aid Code concerning personal needs allowance increases for residents of community-integrated living arrangements. Further amends the Minimum Wage Law. Permits the Director of Labor to issue regulations for the employment of learners at wages lower than the wage rate applicable under the Act. Effective immediately.

HB 01016

Rep. Mary E. Flowers-Justin Slaughter-John M. Cabello-Carol Ammons-Kelly M. Cassidy

(Sen. Elgie R. Sims, Jr.)

705 ILCS 505/8

from Ch. 37, par. 439.8

705 ILCS 505/11

from Ch. 37, par. 439.11

735 ILCS 5/2-702

Amends the Code of Civil Procedure. Provides that any person criminally prosecuted and incarcerated for 30 days or longer prior to trial for one or more felonies by the State which he or she did not commit may file a petition for a certificate of innocence. Provides that the petitioner must prove that: the petitioner was incarcerated prior to trial in a prosecution that resulted in an acquittal or dismissal; the prosecution did not result in a conviction of a lesser included offense; the petitioner is innocent of the charges on which the petitioner's pretrial detention was based, or the charges did not constitute a felony or misdemeanor; and the petitioner did not by his or her own conduct voluntarily cause or bring about the charges that resulted in his or her pretrial incarceration. Amends the Court of Claims Act. Provides that a person who has been issued a certificate of innocence may file a claim against the State for time unjustly served in pretrial incarceration in a county jail. Provides that the Court of Claims shall award \$50,000 per year during which the person was wrongfully imprisoned and shall prorate that amount for a fraction of a year that the person was wrongfully imprisoned (rather than "the amount of the award is at the discretion of the court; and provided, the court shall make no award in excess of the following amounts: for imprisonment of 5 years or less, not more than \$85,350; for imprisonment of 14 years or less but over 5 years, not more than \$170,000; for imprisonment of over 14 years, not more than \$199,150"). Provides that the court shall include the number of years the person was imprisoned awaiting trial in its determination and an additional \$25,000 for each year served on parole, probation, or registered as a sex offender after imprisonment. Makes corresponding changes. Effective immediately.

House Committee Amendment No. 2

Replaces everything after the enacting clause. Amends the Court of Claims Act. Provides that the court shall have exclusive jurisdiction to hear and determine all claims against the State for time unjustly served in a county jail, on parole, on intensive supervision probation, or on the sex offender registry, when the unjustly convicted person received a pardon from the Governor stating that such pardon is issued on the ground of innocence of the crime for which he or she was convicted or he or she received a certificate of innocence from the Circuit Court. Removes language providing that: the amount of an award for unjustly served prison sentences is at the discretion of the court; the court shall make no award in excess of specified amounts for specified terms of imprisonment; and the court shall fix attorney's fees not to exceed 25% of the award granted. Requires the court to make an award of \$50,000 per year, and prorated for any partial year, during which the person was wrongfully incarcerated in a State correctional institution or in a county jail, including the time the person was incarcerated awaiting trial, and \$25,000 for each year, and prorated for any partial year, during which the person was wrongfully on parole, wrongfully on intensive supervision probation, or was wrongfully required to register as a sex offender, as well as an award of reasonable attorney's fees, costs, and expenses in the amount determined by the Circuit Court after awarding a certificate of innocence. Makes other and conforming changes. Amends the Code of Civil Procedure. Allows any person who is convicted or adjudicated a delinquent and subsequently serves any part of a sentence of incarceration in a State correctional institution or in a county jail, of parole, of intensive supervision probation, or of registration as a sex offender for one or more felonies which he or she did not commit to file a petition for certificate of innocence. Requires the petition to state facts in sufficient detail to permit the court to find that the petitioner is likely to succeed at trial in proving that the petitioner is innocent of the alleged offenses for which he or she was convicted or adjudicated a delinquent, and the petitioner did not by his or her own conduct voluntarily cause or bring about his or her conviction or juvenile delinquency adjudication. Provides that neither a guilty plea nor a confession constitutes conduct causing or bringing about one's conviction or delinquency adjudication. Requires, if the court finds that the petitioner is entitled to a judgment, the court to make a determination of the reasonable attorney's fees, costs, and expenses incurred in connection with obtaining the certificate of innocence. Provides that any person seeking a certificate of innocence based on the dismissal of a juvenile delinquency petition or an acquittal on such petition that occurred before the effective date of the amendatory Act, including a petitioner whose petition was denied solely on the basis that this Section did not formerly apply to juvenile delinquency adjudications, shall file his or her petition within 4 years after the effective date of the amendatory Act. Provides that any person seeking a certificate of innocence based on the dismissal of a juvenile delinquency petition or an acquittal on such petition that occurred on or after the effective date of the amendatory Act shall file his or her petition within 2 years after the dismissal or acquittal. Makes other and conforming changes. Effective immediately.

HB 02458 (Continued)

Amends the Criminal Code of 2012. Changes the statute of limitations for grooming to provide that when the victim is under 17 years of age at the time of the offense, a prosecution for grooming may be commenced within 10 years after the victim or the person with a disability attains 17 years of age. Changes the name of the offenses of child sexual abuse material to child sexual abuse material. Changes the penalty for grooming from a Class 4 to a Class 3 felony. Deletes references to criminal transmission of HIV in various statutes. In the Sex Offenses Article of the Criminal Code of 2012, provides a definition for "unable to give knowing consent". Provides that a person commits sexual exploitation of a child if in the presence or virtual presence, or both, of a child and with knowledge that a child or one whom he or she believes to be a child would view his or her acts, that person knowingly entices, coerces, or persuades a child to participate in the production of the recording or memorializing a sexual act of persons ages 18 or older. Provides that a violation of this provision of sexual exploitation of a child is a Class 4 felony for a first offense; and a Class 3 felony for a second or subsequent offense, or if the person has been previously convicted of a sex offense. Amends the Code of Criminal Procedure of 1963. Provides that the court may set any conditions it finds just and appropriate on the taking of testimony of a victim or witness who is under 18 years of age or an intellectually disabled person or a person affected by a developmental disability (rather than a victim who is a child under the age of 18 years or a moderately, severely, or profoundly intellectually disabled person or a person affected by a developmental disability) involving the use of a facility dog in any criminal proceeding. Makes other changes concerning the admissibility of evidence in cases involving involuntary servitude, involuntary sexual servitude of a minor, and trafficking in persons. Amends various Acts to change references from "child pornography" to "child sexual abuse material".

House Committee Amendment No. 1

Provides that the definition of "family member" in the Sex Offenses Article of the Criminal Code of 2012 includes a sibling. Provides that "family member" also means, if the victim is under 18 years of age, an accused who has resided in the household with the child continuously for at least 3 (rather than 6) months. Restores a reference to aggravated child pornography which offense was repealed by Public Act 97-995, effective January 1, 2013.

House Committee Amendment No. 2

In the definition provisions of the Sex Offenses Article of the Criminal Code of 2012, deletes in the definition of "unable to give knowing consent" that the victim could not give intelligent agreement to the sexual act. Provides that a violation of the provisions of sexual exploitation of a child by knowingly enticing, coercing, or persuading a child to participate in the production of the recording or memorializing a sexual act of persons ages 18 or older is a Class 4 felony (rather than a Class 4 felony for a first offense and a Class 3 felony for a second or subsequent offense or if the person has been previously convicted of a sex crime). Provides that in order to commit the offense of grooming, the person be 5 years or more older than a child victim, or holding a position of trust, authority, or supervision in relation to the child at the time of the offense.

House Committee Amendment No. 3

In the amendatory changes to the Criminal Code of 2012, restores the Class 4 felony penalty for grooming.

Provides that, with respect to county-operated juvenile detention centers, the Ombudsman shall report to a local commission concerning: (1) the work of the Ombudsman; (2) the status of any review or investigation undertaken by the Ombudsman; and (3) any recommendations that the Ombudsman has relating to a systemic issue in the Department of Juvenile Justice's or a county-operated juvenile detention center's provision of services and any other matters for consideration by the General Assembly and the Governor. Amends the Adult Protective Services Act. Provides that any person may report information about the suspicious death of an eligible adult to an agency designated to receive such reports or to the Department on Aging. Provides that if a mandated reporter has reason to believe that the death of an eligible adult is the result of abuse or neglect, the matter shall be reported to the agency designated to receive such reports or to the Department for subsequent referral to the appropriate law enforcement agency and coroner or medical examiner. Prohibits employers from discriminating against any employee who makes a good faith oral or written report concerning information about the suspicious death of an eligible adult. Contains provisions concerning the required testimony of a mandated reporter at an administrative hearing concerning the suspicious death of an eligible adult; the referral of evidence to the appropriate law enforcement agency; access to records concerning reports of suspicious deaths due to abuse, neglect, or financial exploitation; and other matters. Makes changes to the definitions of "abuse", "abuser", and "mandated reporter". Defines "investment advisor". Effective January 1, 2024.

House Committee Amendment No. 1

Further amends the Adult Protective Services Act. In a provision granting specified persons access to records related to reports of abuse or neglect or the suspicious deaths of persons protected under the Act, provides that a probate court with jurisdiction over the guardianship of an alleged victim shall have access to such records, upon request, for an in camera inspection (rather than a court or a guardian ad litem, upon its or his or her finding that access to such records may be necessary for the determination of an issue before the court). Removes language granting a guardian ad litem access to such records in cases regarding self-neglect and instead grants access to a guardian ad litem, unless such guardian ad litem is the abuser or alleged abuser.

20 ILCS 2705/2705-630 new

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Amends the Department of Transportation Law (rather than the Department of Central Management Services Law) of the Civil Administrative Code of Illinois. Provides that the Department of Transportation (rather than the Department of Central Management Services), in consultation and collaboration with the Department of Central Management Services and the Capital Development Board (rather than without express provisions for consultation or collaboration), shall develop standards (rather than shall establish a maximum Global Warming Potential standard) for State purchases of appliances, concrete, asphalt, steel, and other building materials (rather than State purchases of vehicles, appliances, and building materials for use in State-funded infrastructure projects), subject to appropriation or the award of grant funding for this purpose (rather than without express limitations based on funding). Provides that, in developing these standards, the establishment of a maximum acceptable Global Warming Potential standard, as well as ways to promote and facilitate the use of life cycle assessments and environmental product declarations, shall be considered when considering bids for State-funded infrastructure projects.

Provides for: grounds for denial or discipline; surrender of a license; license, display, transfer; authorizing agent; authorization for natural organic reduction; performance of natural organic reduction services; training; recordkeeping; natural organic reduction procedures; disposition of reduced human remains; limitation of liability; hazardous implants; penalties; failure to file an annual report; injunctive action, cease and desist order; service of notice; investigations, notice and hearing; compelling testimony; administrative review, venue, certification of record, costs; and preneed of natural organic reduction arrangements.

Provides that each disposition authority shall file an annual report with the Comptroller, accompanied with a \$25 fee plus \$5 (instead of \$15) for each natural organic reduction performed that calendar year. Specifies that the \$25 annual report fee shall be deposited into the Comptroller's Administrative Fund, and the \$5 fee for each natural organic reduction performed shall be deposited into the Cemetery Consumer Protection Fund. Removes language providing that the delivery of the reduced human remains may be made in person or by registered mail. Makes a grammatical correction.

Specifies that certain chemical analyses are to be performed by a laboratory accredited by the Illinois Environmental Protection Agency's Environmental Laboratory Accreditation Program. Provides that, in the case of an event where the health of the public may be at risk or there are signs at a facility of a potential health hazard, the Illinois Department of Public Health shall be consulted to assess the natural organic reduction facility. Replaces everything after the enacting clause. Amends the Illinois Pension Code. In the State Employee Article of the Code, provides that, with regard to persons subject to the Tier 2 provisions, an investigator for the Department of the Lottery is entitled to an annuity calculated under the alternative retirement annuity provisions, in lieu of the regular or minimum retirement annuity, only if the person has withdrawn from service with not less than 20 years of eligible creditable service and has attained age 55, regardless of whether the attainment of age 55 occurs while the person is still in service. Authorizes an investigator for the Department of the Lottery to establish eligible creditable service under the alternative retirement annuity provisions. Provides that a specified educational requirement for persons employed by the Department of Juvenile Justice shall no longer determine the eligibility to earn eligible creditable service under the alternative retirement annuity provisions, and authorizes the conversion of service credit to eligible creditable service. Excludes a benefit increase resulting from the amendatory Act from the definition of "new benefit increase". Establishes a deferred retirement option plan for certain police officers, firefighters, sheriff's law enforcement employees, and deputy sheriffs in the Cook County Police Department who are otherwise eligible to retire under which a participant may continue in active service for up to 5 years while having his or her retirement pension paid into a special account. Provides that the election to participate in the deferred retirement option plan must be made before January 1, 2029. Provides that the Retirement Systems Reciprocal Act (Article 20 of the Code) is adopted and made a part of the Downstate Police, Downstate Firefighter, Chicago Police, and Chicago Firefighter Articles. In the Chicago Teacher Article of the Code, provides that when computing days of validated service, contributors shall receive the greater of: (1) one day of service credit for each day for which they are paid salary representing a partial or a full day of employment rendered to an employer or the Board of Trustees of the Fund; or (2) 10 days of service credit for each 10-day period of employment in which the contributor worked 50% or more of the regularly scheduled hours (instead of one day of service credit for each day for which they are paid salary representing a partial or a full day of employment rendered to an employer or the Board). Amends the State Mandates Act to require implementation without reimbursement.

New Act

720 ILCS 5/33G-4

745 ILCS 5/1

820 ILCS 275/120

from Ch. 127, par. 801

Creates the Legislative Employee Labor Relations Act. Authorizes legislative employees to bargain collectively through the representatives of their choosing on questions of wages, hours, and other conditions of employment. Specifies that the General Assembly is not required to bargain on specified matters of inherent managerial policy. Establishes the Office of State Legislative Labor Relations. Directs the Office of State Legislative Labor Relations to manage the interests of the General Assembly in collective bargaining with legislative employees. Grants the State Panel of the Illinois Labor Relations Board jurisdiction over collective bargaining matters between employee organizations and the General Assembly of the State of Illinois. Contains additional provisions concerning the following topics: the duty to bargain collectively; fair-share agreements; grievance procedures; election and recognition of labor organizations as exclusive representatives; unfair labor practices; mediation; fact-finding; exhaustion of nonjudicial remedies; strikes during session periods; and multiyear collective bargaining agreements. Specifies that the Open Meetings Act does not apply to collective bargaining negotiations and grievance arbitration proceedings under the Act. Sets forth definitions. Amends the Criminal Code of 2012, the State Lawsuit Immunity Act, and the Workplace Violence Prevention Act to make conforming changes. Effective July 1, 2026.

House Floor Amendment No. 1

Makes changes to the definitions of the terms "excluded employee" and "legislative employee". Provides that a legislative employee employed by the Speaker of the House of Representatives, the Minority Leader of the House of Representatives, the President of the Senate, the Minority Leader of the Senate, or a legislative employee that is a district office employee is employed by the individual occupying that elected position. Provides that, upon any change in a person occupying such an elected position, the newly elected person has the sole and exclusive authority to act with respect to employment decisions, such as, hiring, promotion, renewal of employment, or discharge, and prohibits any provision in a collective bargaining agreement to the contrary. Makes changes concerning the manner in which the Director of the Office of State Legislative Labor Relations is selected. Provides exclusive representatives of legislative employees with access to the premises of the General Assembly (including access to the legislative complex or district offices). Removes provisions concerning the certification of units with fewer than 35 employees. Provides that it is an unfair labor practice to, among other things, promise, threaten, or take any action: (i) to permanently replace an employee who participates in a lawful strike; (ii) to discriminate against an employee who is working or has unconditionally offered to return to work for the employer because the employee supported or participated in such a lawful strike; or (iii) to lock out, suspend, or otherwise withhold employment from an employee in order to influence the position of such employee or the representative of such employee in collective bargaining prior to a lawful strike. Grants the Illinois Labor Relations Board subpoena power and the power to require parties to appear before the Board and produce evidence. Authorizes legislative employees to strike 5 days (rather than 30 days) after written notice is provided to the Office of State Legislative Labor Relations. Deletes provisions concerning fair-share agreements. Makes other technical changes. Provides that the portion of the bill creating the Office of State Legislative Labor Relations takes effect on July 1, 2025.

Rep. Martin J. Moylan-Carol Ammons-Dagmara Avelar-Hoan Huynh and Joyce Mason

(Sen. Ram Villivalam)

415 ILCS 5/9.20 new

Amends the Environmental Protection Act. Requires the Environmental Protection Agency to establish a Fleet Electrification Incentive Program to provide fleet owners and operators in the State grants to promote the use of eligible electric vehicles. Provides that the Program shall offer qualifying purchasers a grant up to specified base amounts toward the purchase of eligible electric vehicles based on the Class of vehicle. Requires the Agency to award grants under the Program on a competitive basis according to the availability of funding. Provides that to be eligible to receive a grant under the Program a purchaser must satisfy all of the required criteria. Provides that the Agency shall give weight to an application based upon the potential impact of the geographic location and route of the purchaser's fleet on pollution affecting an equity investment eligible community. Requires the Agency to ensure that resale of a vehicle serving a public school or located within an equity investment eligible community shall result in the vehicle servicing a similarly situated community. Provides that grants under the Program may be combined with other public incentives but the total of governmental incentives shall not exceed a maximum of 80% of the purchase price of the vehicle. Requires the Agency to set aside 20% of the appropriated funds under the Program for grants to the purchaser of electric school buses. Provides that all awards granted are subject to appropriation by the General Assembly. Defines terms.

House Floor Amendment No. 1

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Removes a provision that the Environmental Protection Agency shall offer increased grant incentives of an additional 15% of the base amount for the purchase of eligible electric vehicles that will be located within an equity investment eligible community. Provides that the Agency shall use a points-based evaluation and shall award additional points to an application from an eligible purchaser whose eligible electric vehicles are to be domiciled in an equity investment eligible community (rather than give weight to an application based on the potential impact of the location and route of the purchaser's fleet on pollution affecting an equity investment eligible community). Adds a definition of "eligible purchaser" using language from the introduced bill describing purchasers who are eligible to receive a grant under the Program. Makes conforming changes. Makes other changes.

Amends the Department of Natural Resources Act. Provides that the Department of Natural Resources may lease land on property of which the Department has jurisdiction for the purpose of creating, operating, or maintaining a commercial solar energy system or a clean energy project. Provides that the lease shall be for a period not longer than 25 years. Provides that, if practical, the Department shall require that any land or property over which the Department has jurisdiction and that is used for the purpose of creating, operating, or maintaining a commercial solar energy system shall have implemented on it and maintained management practices that would qualify the land or property as a beneficial habitat under the Pollinator-Friendly Solar Site Act. Amends the Department of Natural Resources (Conservation) Law of the Civil Administrative Code of Illinois. Defines "clean energy". Provides that the Department may provide for at least one electric vehicle charging station, as defined in the Electric Vehicle Act, at any State park or other real property that is owned by the Department where electrical service will reasonably permit. Provides that the Department is authorized to charge user fees for the use of an electric vehicle charging station. Amends the State Parks Act to make conforming changes. Amends the Illinois Procurement Code. Exempts certain expenditures by the Department of Natural Resources from the Code.

Fiscal Note (Dept. of Natural Resources)

The Office of Law Enforcement is currently working with Procurement regarding the purchase of body cameras for all sworn OLE personnel. This is a mandate that must be in place by January 2025. Current figures show a total cost of \$2.6 million for a contract covering 5 years with the first expense of approximately \$680,000 hopefully still occurring prior to the end of fiscal year 2024. This expense of \$680,000 includes Cloud data storage as well as the cost of acquiring the actual equipment (body cameras and in-car cameras). Thereafter, there will be an annual cost of approximately \$500,000 for each of 4 years to cover data storage and maintenance. This contract will also allow the Office of Law Enforcement to upgrade its equipment after 3 years to take advantage of the newest technology. This upgrade would occur at no additional charge. For the purchase of technology and software, the Office of Law Enforcement is in the process of procuring a records management system that will replace obsolete databases and allow officers to input some of their own data (ie tickets, etc.) to minimize errors, repetitive handling, lost files, etc. This procurement is being worked on at this moment, but it is a very complex procurement and will likely not occur until FY25 at the earliest. Initial estimates were that the system OLE is wanting to acquire would/could cost approximately \$500,000 the first year depending on options and features available and requested. Initial estimates were that 50% of the total cost would be required at contract signing, 40% once the system was implemented and operational without errors and 10% once all applicable staff had been thoroughly trained. Once the system is in place and staff have been trained, it estimated that there would be a \$60,000 annual maintenance cost for each of the next 4 years which would include upgrades. For a 5-year contract the total cost over 5 years could approach \$750,000.

House Floor Amendment No. 2

HB 04209 (Continued)

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. In the Department of Natural Resources Act concerning the power of the Department of Natural Resources to lease land or property over which the Department has jurisdiction, and which is not immediately to be used or developed by the State, provides that the lease term shall not be more than 10 (rather than 5) years. In news provision providing for the lease of land or property over which the Department has jurisdiction for the purpose of creating, operating, or maintaining a commercial solar energy system or a clean energy project, provides that the lease term shall not be longer than 40 years and may be renewed by the Department for not more than 40 years per renewal (rather than 25 years without renewal in the introduced bill). In the Department of Natural Resources (Conservation) Law of the Civil Administrative Code of Illinois, includes the 40 (rather than 25) year lease and renewal provisions and provides that the Department shall require that any lease must provide for a signed project labor agreement for the length of the lease term. Provides that a project labor agreement entered into under this provision shall be entered into with the local building and construction trades council having geographic jurisdiction over the project. In the State Parks Act, provides that, in a lease that allows for the creation, operation, or maintenance of a commercial solar energy system, the Department shall require that any lease must include a signed project labor agreement for the length of the lease term. Provides that a project labor agreement entered into under this provision shall be entered into with the local building and construction trades council having geographic jurisdiction over the project.

House Floor Amendment No. 4

Replaces everything after the enacting clause. Reinserts the provisions of the bill as amended by House Amendment No. 2 with the following changes. Provides that the Department of Natural Resources "shall then" (rather than "shall" or "may also") prioritize commercial solar energy system sites with a significant history of disturbance, such as former strip mines or previously developed sites.

New Act

Creates the Uniform Cohabitants' Economic Remedies Act. Allows an individual who is or was a cohabitant to commence an action on a contractual or equitable claim that arises out of contributions to the relationship, including allowing an action to be commenced on behalf of or against a deceased cohabitant. Provides that a claim for breach of a cohabitants' agreement accrues on breach and may be commenced, within 5 or 10 years after it first accrues, during cohabitation or after termination of cohabitation. Includes instances when a cohabitants' agreement may be unenforceable or voidable. Allows a cohabitant to commence an equitable action against the other cohabitant concerning entitlement to property based on the contributions to the relationship, and such an action accrues on termination of cohabitation. Sets forth applicability, governing law, effect of a court order or judgment on a third party, principles of law and equity, uniformity of application and construction, relation to electronic signatures, and transitional provisions. Defines terms.

House Floor Amendment No. 2

Provides that a claim brought under this Act is subject to any applicable affirmative defense, including, but not limited to, the statute of frauds. Provides that an equitable claim based on contributions to the relationship accrues on termination of cohabitation and is subject to equitable defenses, and may be commenced, subject to the 5-year general statute of limitation in the Code of Civil Procedure, during cohabitation or after termination of cohabitation. Provides that a court order or judgment granting relief under the Act may not impair the right or interest of a cohabitant's spouse or surviving spouse to the cohabitant's property and is subordinate to any domestic support obligation arising from a marriage of a cohabitant to another person. Provides that this Act applies to a cohabitants' agreement made on or after the effective date of the Act and to an equitable claim under the Act that accrues on or after the effective date of the Act.

Rep. Daniel Didech

(Sen. Adriane Johnson)

720 ILCS 5/48-10

Amends provisions of the Criminal Code of 2012 making it an offense to keep a dangerous animal, with specified exceptions. In the definition of "dangerous animal", includes a serval, caracal, kangaroo, and wallaby and any hybrid, intergrade, or cross of a listed dangerous animal.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill. Makes a technical correction. Defines "federally licensed facility". Permits a person to have a right of property in, keep, harbor, care for, act as custodian of or maintain in his or her possession any dangerous animal or primate in or by a: (1) federally licensed facility, (2) veterinary hospital, or (3) permitted hound running area and only for possession of coyotes. Provides that the exemptions listed in the dangerous animals statute do not exempt persons from having to be in compliance with the Wildlife Code or the Endangered Species Act, including, but not limited to, prohibitions on possession of any dangerous animal. Provides that it is an affirmative defense for a prosecution under the dangerous animals statute if a person had lawful possession of a feline crossbreed between a serval cat and a domesticated cat and the possessor of the animal proves that the possessor possessed the animal before the effective date of the amendatory Act. Provides that nothing in dangerous animals statute shall be construed to apply to a motion picture, television, or digital media production company employing or contracting with a dealer or exhibitor licensed under the federal Animal Welfare Act or with a carrier, intermediate handler, or unlicensed exhibitor registered under that Act for the transportation, purchase, exhibition, or use of animals in its motion picture, television or digital media production.

In the amendatory changes to the Criminal Code of 2012, provides that upon the conviction of a person for keeping, harboring, caring for, acting as custodian of, or maintaining in his or her possession any dangerous animal, the animal with regard to which the conviction was obtained shall be confiscated and placed in a licensed (rather than an approved) facility, with the owner responsible for all costs connected with the seizure and confiscation of the animal.

625 ILCS 5/11-208.8

Amends the Illinois Vehicle Code. Establishes that a municipality that operates an automated speed enforcement system shall set aside 10% of the net proceeds from each system that generates more than \$500,000 in revenue for the respective school district or park district in which the automated speed enforcement system is located. Provides that the set aside proceeds may be allocated for any purpose designated by the school district or park district. Set forth home rule provisions.

House Floor Amendment No. 1

Amends the Illinois Insurance Code. Provides that the amendatory Act may be referred to as the Strengthening Mental Health and Substance Use Parity Act. Provides that a group or individual policy of accident and health insurance or managed care plan that is amended, delivered, issued, or renewed on or after January 1, 2025, or any third-party administrator administering the behavioral health benefits for the insurer, shall cover all out-of-network medically necessary mental health and substance use benefits and services (inpatient and outpatient) as if they were in-network for purposes of cost sharing for the insured. Provides that the insured has the right to select the provider or facility of their choice and the modality, whether the care is provided via in-person visit or telehealth, for medically necessary care. Sets forth minimum reimbursement rates for certain behavioral health benefits. Sets forth provisions concerning responsibility for compliance with parity requirements; coverage and payment for multiple covered mental health and substance use services, mental health or substance use services provided under the supervision of a licensed mental health or substance treatment provider, and 60-minute individual psychotherapy; timely credentialing of mental health and substance use providers; Department of Insurance enforcement and rulemaking; civil penalties; and other matters. Amends the Illinois Administrative Procedure Act to authorize emergency rulemaking. Effective immediately.

from Ch. 111 1/2, par. 1411.2

Replaces everything after the enacting clause. Provides that the amendatory Act may be referred to as the Strengthening Mental Health and Substance Use Parity Act. Amends the Illinois Insurance Code. Provides that for all group or individual policies of accident and health insurance or managed care plans that are amended, delivered, issued, or renewed on or after January 1, 2026, or any contracted third party administering the behavioral health benefits for the insurer, reimbursement for in-network mental health and substance use disorder treatment services delivered by Illinois providers and facilities must be, on average, at least as favorable as professional services provided by in-network primary care providers. Requires a group or individual policy of accident and health insurance or managed care plan that is amended, delivered, issued, or renewed on or after January 1, 2025, or a contracted third party administering the behavioral health benefits for the insurer, to cover all medically necessary mental health or substance use disorder services received by the same insured on the same day from the same or different mental health or substance use provider or facility for both outpatient and inpatient care. Requires coverage of medically necessary mental health or substance use disorder services provided by behavioral health trainees under certain circumstances. Requires coverage of medically necessary 60-minute psychotherapy billed using the CPT Code 90837 for Individual Therapy. Sets forth provisions concerning timely contracting for becoming a participating mental health or substance use disorder treatment provider, enforcement, and rulemaking. Amends the Health Maintenance Organization Act to require health maintenance organizations to comply with the provisions of the Illinois Insurance Code added by the amendatory Act. Effective immediately.

House Floor Amendment No. 2

Replaces everything after the enacting clause. Reinserts the provisions of the bill, as amended by House Amendment No. 1, with the following changes. Provides that for all group or individual policies of accident and health insurance or managed care plans that are amended, delivered, issued, or renewed on or after January 1, 2026, or any contracted third party administering the behavioral health benefits for the insurer, reimbursement for in-network mental health and substance use disorder treatment services delivered by Illinois providers and facilities must be equal to or greater than 141% of the Medicare rate for the mental health or substance use disorder service delivered (rather than on average, at least as favorable as professional services provided by in-network primary care providers). Removes language providing that reimbursement rates for services paid to Illinois mental health and substance use disorder treatment providers and facilities do not meet the required standard unless the reimbursement rates are, on average, equal to or greater than 141% of the Medicare reimbursement rate for the same service. Provides that, if the Department of Insurance determines that an insurer or a contracted third party administering the behavioral health benefits for the insurer has violated a provision concerning mental health and substance use parity, the Department shall by order assess a civil penalty of \$1,000 (rather than \$5,000) for each violation. Excludes health care plans serving Medicaid populations that provide, arrange for, pay for, or reimburse the cost of any health care service for persons who are enrolled under the Illinois Public Aid Code or under the Children's Health Insurance Program Act from provisions concerning mental health and substance use parity. Makes other changes. Effective immediately.

415 ILCS 5/7.5

from Ch. 111 1/2, par. 1007.5

Amends the Environmental Protection Act. Provides that the filing fees for specified petitions shall be \$250 (rather than \$75).

Fiscal Note (IL Pollution Control Board)

House Bill 4651 will have no impact on state expenditures but does have the potential to increase revenue. Since the per filing fee will increase from \$75 to \$250 each, this will increase the revenue collected per filing. Based on the current trend of ten(10) filings per year, the increase in the per filing fee would collect an additional \$1,750 in state revenue per fiscal year.

(Sen. Julie A. Morrison-Linda Holmes)

620 ILCS 5/42.1

Amends the Illinois Aeronautics Act. Allows a unit of local government to adopt reasonable rules related to the use of the first 150 feet of airspace that is above ground level of public property owned or controlled by that unit of local government. Establishes that a unit of local government may only adopt rules for publicly owned or controlled property that is intended or permitted to be used for recreational or conservation purposes, including, but not limited to, parks, playgrounds, aquatic facilities, wildlife areas, or other recreational facilities. Provides that reasonable rules adopted by a unit of local government shall not supersede any administrative rules adopted by the Department of Transportation. Effective immediately.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Amends the Illinois Aeronautics Act. In provisions concerning the regulation of unmanned aircraft systems, provides that nothing in those provisions shall be construed to deny a unit of local government the right to adopt reasonable rules related to the use by a private party of airspace that is above ground level of public property owned or controlled by that unit of local government. Provides that the provisions apply to publicly owned or controlled property that is intended or permitted to be used for recreational or conservation purposes, including, but not limited to, parks, playgrounds, aquatic facilities, wildlife areas, or other recreational facilities. Provides that reasonable rules adopted pursuant to the provisions do not supersede any administrative rules adopted by the Department of Transportation or any federal laws, rules, or regulations. Effective immediately.

House Floor Amendment No. 2

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Provides an exemption from State regulation for unmanned aircraft systems used by commercial users for business operations in connection with critical infrastructure. (Sen. Willie Preston)

625 ILCS 5/18a-302

from Ch. 95 1/2, par. 18a-302

Amends the Illinois Vehicle Code. In provisions allowing a person in lawful possession or control of private property to employ a commercial relocater to remove a vehicle that obstructs the person's ability to enter or exit the property if written notice is posted at the property, removes language providing that the provisions shall not be construed as prohibiting any unit of local government from imposing additional or greater notice requirements. Provides that a home rule unit may not regulate the removal of an unauthorized vehicle by an owner or other person in lawful possession or control of private property in a manner inconsistent with the provisions.

House Floor Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes: Provides that the provisions only apply to municipalities with a population over 2,000,000. Provides that express notice is required to remove a vehicle blocking an area that is clearly reserved or intended as an ingress or egress point for a residential property, including, but not limited to, a driveway (rather than no express notice is required upon residential property which, paying due regard to the circumstances and the surrounding area, is clearly reserved or intended exclusively for the use or occupation of residents or their vehicles). Provides that an owner or other person in lawful possession or control of private property must use a private vendor approved by the municipality in which the property is located to remove an unauthorized vehicle from the property.

30 ILCS 500/45-105

Amends the Illinois Procurement Code. Requires that each construction agency shall submit a report to the Governor and the General Assembly by December 1 (rather than September 1) of each year that identifies the Illinois businesses procured by the construction agency, the primary location of the construction project, the percentage of the construction agency's utilization of Illinois businesses on the project as a whole, and the actions that the construction agency has undertaken to increase the use of Illinois businesses. Provides that, in procuring construction, construction-related services, construction-related professional services, and construction support services (rather than construction and construction-related professional services) for projects with a total value that exceeds the small purchase maximum established by the Code, construction agencies shall provide a bid preference to a responsive and responsible bidder that is an Illinois business. Makes other changes.

House Committee Amendment No. 2

Removes references in the introduced bill to construction-related services, construction-related professional services, and construction support services.

Replaces everything after the enacting clause. Provides that the amendatory Act may be referred to as the Kinship in Demand (KIND) Act. Provides that the KIND Act creates the statutory vision and authority for the Department of Children and Family Services to execute a kin-first approach to service delivery and directs the juvenile courts to provide necessary oversight of the Department's obligations to maintain family connections and promote equitable opportunities for youth and families to thrive with relational permanence. Amends the Children and Family Services Act. Contains provisions concerning Department rules on relative and licensed foster care; grants to subsidized guardians of hard-to-place children; a requirement on the Department to make diligent efforts to place a child with a relative; documentation of the Department's reasons for failing to secure a relative placement; foster care maintenance payments for relatives who qualify for certification as a relative caregiver home under the Child Care Act of 1969; subsidized guardianship support services for children and their guardians; certification and background checks on persons seeking relative caregiver approval; annual reports regarding relative and certified relative caregiver placements; performance audits; and other matters. Amends the Child Care Act of 1969. Requires the Department to adopt standards for certified relative caregiver family homes that are different from licensing standards used for non-relative foster family homes. Contains provisions concerning background screenings of prospective relative caregiver homes; a requirement that the Department assist prospective certified relative caregivers with completing the steps required for approval as a certified relative caregiver home; orientation activities for certified relative caregivers; and other matters. Amends the Juvenile Court Act of 1987. Makes changes to provisions concerning "best interest" determinations; court assessments on the Department's effort to place a minor with a relative; inquiries by a court on the Department's family finding and relative engagement efforts; required notification to a minor's located relatives that the minor has been removed from the custody of the minor's parents; and other matters. Some provisions take effect immediately, some provisions take effect January 1, 2025 and some provisions take effect July 1, 2025.

House Committee Amendment No. 3

Moves to a different location in House Amendment No. 2 a provision requiring the Department of Children and Family Services to make reasonable efforts to identify and locate relatives to serve as visitation resources for the child and potential future placement resources unless excused by the court.

House Floor Amendment No. 5

Further amends the Children and Family Services Act. In the definition of "fictive kin", removes language providing that a fictive kin means a person with close ties with the child or the child's family prior to the child's placement with the person. Further amends the Child Care Act of 1969. In provisions concerning standards for certified relative caregiver homes, provides that the Department of Children and Family Services or a licensed child welfare agency (rather than a licensed child welfare agency) shall complete the home safety and needs assessment and assess the ability of the prospective certified relative caregiver to care for the physical, emotional, medical, and educational needs of the specific child or children being placed by the Department. Makes conforming changes.

House Floor Amendment No. 1

Replaces everything after the enacting clause. In provisions concerning sexual misconduct in schools, provides that guidelines established for certain situations and all available methods for how to report staff-student boundary violations within a school and to external agencies must be posted on the website, if any, of each school district, charter school, or nonpublic school and must be included in any staff, student, and (instead of or) parent handbook provided by the school district, charter school, or nonpublic school (instead of nonpublic, nonsectarian elementary or secondary school). In provisions concerning an employment history review, requires a job applicant to provide the name, address, telephone number, and other relevant contact information of the applicant's current employer only if the applicant has direct contact with children or students at the applicant's current employer. Provides that for a licensed substitute teacher who is seeking employment in more than one school district, a school district's regional office of education or intermediate service center may collect and share specified information and records. Provides that a regional office of education's or intermediate service center's participation in the employment history review shall be limited to collecting such information and records and sharing the information and records with the school district or school districts. Sets forth other provisions concerning a regional office of education's or intermediate service center's participation in the employment history review and how long the review remains valid. Provides that if, at any time, a school district has information or records that the school district would have immunity from liability to share as part of an employment history review, then the school district and its employees are immune from liability on specified terms if sharing such information or records with the regional office of education or intermediate service center that maintains the applicable approved substitute list. Provides that examiners of unclaimed property that is reported and remitted to the State Treasurer and custodians contracted by the State of Illinois to hold presumptively abandoned securities or virtual currency may deduct fees prior to remittance. Amends the Revised Uniform Unclaimed Property Act. Changes the definition of property presumed to be abandoned to a corporate bond (rather than a state or municipal bond).  5 ILCS 100/10-25.1 new
 5 ILCS 100/10-70 from Ch. 127, par. 1010-70

Amends the Illinois Administrative Procedure Act. Specifies that the notice in contested case hearings must include an enclosure that notifies the recipient of the ability to request interpretive assistance for the hearing and to receive language assistance in translating the contents of the notice. Provides that an administrative law judge has the duty to inquire and determine whether a self-represented litigant or witness in a hearing needs interpretive assistance to participate in or understand the hearing. Authorizes any self-represented litigant, witness, or indigent person to request, at any time during the course of a hearing, interpretive assistance needed to participate in or understand the hearing. Provides that, if interpretive assistance is requested by a self-represented litigant, a witness, or an indigent person or if interpretive assistance is determined to be necessary by the administrative law judge, the administrative agency must appoint a foreign language interpreter at no cost to the person in need of the assistance for use in a substantive hearing. Authorizes an administrative agency to provide interpretive assistance during a nonsubstantive hearing through use of an interpreter who is not a foreign language interpreter, provided the administrative law judge examines the interpreter for competency for the purposes of the nonsubstantive hearing. Requires all persons appointed to provide interpretive assistance in substantive and nonsubstantive hearings to make certain affirmations. Contains provisions concerning waiver of these language assistance provisions.

House Committee Amendment No. 1

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Changes references to person in need of interpretive assistance to references to limited English proficient person. In a provision regarding rules establishing procedures for administrative hearings, provides that rules may include procedures for requesting and receiving language access services (rather than language assistance). Provides that notice for a hearing shall include an enclosure written in several specified languages which notifies the recipient of the ability for a party or their agent to request interpretive assistance to participate in or understand the hearing and to receive language access services for translating the contents of the notice (rather than which notifies the recipient of the ability to request interpretive assistance for the hearing and to receive language assistance in translating the contents of the notice). Defines "language access services" and "limited English proficient person". Removes a provision that any self-represented litigant, witness, or indigent person has the right to request interpretive assistance. Provides that a self-represented litigant, a witness, or a litigant who is an indigent person has the right to request interpretive assistance to participate in or understand a hearing at any time during the course of the hearing. Provides that an administrative law judge shall inquire if an individual is in need of interpretive assistance to participate in or understand the hearing if the judge reasonably believes the person is a limited English proficient person (rather than an administrative law judge has the duty to inquire and determine if a self-represented litigant or witness in a hearing needs interpretive assistance to participate in or understand the hearing). Effective July 1, 2025.

House Committee Amendment No. 2

In provisions regarding contested cases, notice requirements, and administrative hearings, provides that language access services and interpretive assistance shall be, at a minimum, in accordance with the Illinois Administrative Procedure Act, and as otherwise provided for in any law or rule governing an agency's contested hearings.

Removes a provision that requires the Department of the Lottery to publish each January in the Illinois Register a list of all game-specific rules, play instructions, directives, operations manuals, brochures, or other game-specific publications issued by the Department during the previous year and instructions concerning how the public may obtain copies of these materials from the Department. Provides that the Department shall make an effort to more directly inform players of the odds of winning prizes by publishing the information for all games on the Department's public website. Provides that written play instructions shall be made available on the Department's public website or by the Department by request (rather than made available to all players through sales agents licensed to sell game tickets or shares). Makes a change in a provision that makes any organization in which specified individuals are to participate in the management or sales of lottery tickets or shares ineligible for any license under the Act. Provides that the State Lottery Fund shall receive from the sale of lottery tickets or shares consisting of the net of commissions and fees representing those expenses that are directly proportionate to the sale of tickets or shares at the agent location and prizes of \$600 or less (rather than less than \$600) which have been validly paid at the agent level. Provides that the Department may pay any prize (rather than prizes up to \$25,000) from funds held by the Department in an account separate and apart from all public moneys of the State. Removes provisions allowing moneys in the account to be deposited by the Department into the Public Treasurers' Investment Pool or used to pay amounts to deferred prize winners. Allows the Department (rather than the State Treasurer with the consent of the Director of the Lottery) to contract with any person or corporation to perform such financial functions, activities, or services in connection with operation of the lottery. Allows, with the consent of the Director, the State Treasurer to act as an agent of the Department to perform the financial functions as the Director may prescribe. Removes language requiring the Director to prepare and send to the State Comptroller vouchers requesting payment from the Deferred Lottery Prize Winners Trust Fund to deferred prize winners. Removes certain deadlines related to private managers. In provisions concerning preaudits by the State Comptroller, removes a limitation that the provisions apply to payments for prizes of \$25,000 or less. Makes other changes.

New Act

5 ILCS 140/7.5

625 ILCS 5/3-400

625 ILCS 5/11-612

625 ILCS 7/Act rep.

from Ch. 95 1/2, par. 3-400

Creates the Highway Work Zone Safety Act. Establishes the Highway Work Zone Speed Control Pilot Program. Provides that the Program's purpose is to enforce the speed limits established for construction or maintenance speed zones. Requires the Department of Transportation to install and operate an automated traffic control system only when highway construction and maintenance is occurring and when workers are present. Requires the Department to conduct a public safety campaign and post signage to inform drivers about the use of an automated traffic control system that detects speeds in excess of a work zone speed limit. Requires an automated traffic control system used in the Program to undergo an annual calibration check performed by an independent calibration laboratory. Provides that the Department shall employ automated traffic control system operators to operate an automated traffic control system at a construction or maintenance speed zone. Enumerates the duties and training requirements of an automated traffic control system operator. Limits the use of a photograph or recorded image captured by an automated traffic control system. Creates a presumption that the owner of a motor vehicle that is the subject of a photograph or recorded image was operating the motor vehicle when the photograph or recorded image was obtained through an automated traffic control system. Allows the presumption to be rebutted if specified conditions are met. Grants rulemaking authority to the Department. Defines terms. Repeals the Automated Traffic Control Systems in Highway Construction or Maintenance Zones Act. Makes conforming changes.

House Committee Amendment No. 1

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Provides that the Illinois State Police (rather than the Department of Transportation) shall establish and administer the Highway Work Zone Speed Control Pilot Program. Provides that the Illinois State Police (rather than the Department of Transportation) shall install and operate automated traffic control systems in highway construction and maintenance speed zones to detect violations of posted work zone speed limits (rather than when highway construction or maintenance is occurring and when workers are present). Provides that the Illinois State Police (rather than the Department of Transportation) shall conduct a public information campaign for the Program. Removes provisions regarding maintenance of automated traffic control systems. Provides that the Illinois State Police (rather than the Department of Transportation) shall employ automated traffic control system operators. Removes provisions regarding specified requirements, duties, and restrictions for automated traffic control system operators. Provides that the Illinois State Police may adopt rules to establish requirements, duties, or restrictions for automated traffic control system operators. Removes provisions regarding liability, defenses, and civil penalties for violations. Provides that a person who owns a motor vehicle that is identified by an automated traffic control system as operating in a construction or maintenance speed zone at a speed in excess of the posted speed limit is guilty of a civil law violation, with a fine of \$100 to \$200, with specifications regarding the fine. Provides that a person found to have committed a third or subsequent violation, and found to have failed to pay all fines and costs within 30 days, is guilty of a separate civil law violation. Removes provisions regarding administrative reporting requirements. Provides that the Illinois State Police may conduct procurement and adopt rules to implement and administer the Act (rather than the Department of Transportation shall adopt rules including rules establishing procedures for notices, hearings, and appeals). Removes the definitions of "Authority" and "Department". Makes technical and other changes. Effective January 1, 2027, except that provisions regarding procurement and rulemaking are effective immediately.

House Floor Amendment No. 2

HB 05304 (Continued)

Replaces everything after the enacting clause with the provisions of House Amendment No. 1 with the following changes. Creates the Highway Work Zone Speed Control Program (rather than Highway Work Zone Speed Control Pilot Program). Provides that the Illinois Department of Transportation, in coordination with the Illinois State Police (rather than only the Illinois State Police), shall establish the Highway Work Zone Speed Control Program. Provides that the Illinois Department of Transportation, in coordination with the Illinois State Police and Illinois State Toll Highway Authority (rather than the Illinois State Police in coordination with the Department of Transportation and Illinois State Toll Highway Authority), shall administer the Program. Provides that the Illinois Department of Transportation (rather than the Illinois State Police) may enter into an agreement with a third-party vendor to assist in the administration of the program. Provides that the Illinois State Police in conjunction with the Illinois Department of Transportation and the Illinois Tollway Authority shall install, set up, and operate automated traffic control systems in certain areas (rather than the Illinois State Police shall install and operate automated traffic control systems in certain areas). Provides that the Illinois State Police and the Illinois Department of Transportation may (rather than the Illinois State Police shall) conduct a public information campaign. Provides that signs indicating that work zone speeds are enforced by automated traffic control systems must be clearly posted in the areas where the systems are in use (rather than the Department of Transportation, in coordination with the Illinois State Police, shall post before the entrance to a construction or maintenance speed zone in which an automated traffic control system is in use signage indicating that the work zone speed limit is being monitored by an automated traffic control system). Provides that the Illinois Department of Transportation (rather than the Illinois State Police) shall employ automated traffic control system operators and may adopt rules necessary to establish requirements, duties, or restrictions concerning automated traffic control system operators. In a provision regarding a civil law violation and subsequent fine, provides that moneys designated for the Illinois Department of Transportation shall be remitted by the circuit court clerk within one month after receipt for deposit into the Transportation Safety Highway Hire-back Fund. Provides that a civil law violation under this Act to a motor vehicle rental or leasing company shall be dismissed if the company responds to the civil law violation within 30 days of the mailing with an affidavit of non-liability and a copy of the driver's license number, name, and address of the renter or lessee.

House Floor Amendment No. 3

In a provision in House Amendment No. 2, provides that the Illinois State Police, in conjunction with the Illinois Department of Transportation and the Illinois State Toll Highway Authority, shall set up and operate (rather than install, set up, and operate) automated traffic control systems in highway construction and maintenance speed zones. 305 ILCS 5/5-55 new

Creates the Nonopioid Alternatives for Pain Act. Requires the Department of Public Health to develop and publish an educational pamphlet regarding the use of nonopioid alternatives for pain treatment. Provides that a health care practitioner shall exercise professional judgment in selecting appropriate treatment modalities for pain in accordance with specified Centers for Disease Control and Prevention guidelines, including the use of nonopioid alternatives whenever nonopioid alternatives exist. Requires a health care practitioner who prescribes an opioid drug to provide certain information to the patient, discuss certain topics, and document the reasons for the prescription. Requires the Department to develop a nonopioid directive form for patients. Sets forth provisions concerning exceptions, execution of a nonopioid directive, opioid administration to a patient with a nonopioid directive, and limitations of liability. Amends the Illinois Insurance Code. Provides that when a licensed health care practitioner prescribes a nonopioid medication for the treatment of acute pain, it shall be unlawful for a health insurance issuer to deny coverage of the nonopioid prescription drug in favor of an opioid prescription drug or to require the patient to try an opioid prescription drug before providing coverage. Provides that in establishing and maintaining its drug formulary, a health insurance issuer shall ensure that no nonopioid drug approved by the Food and Drug Administration for the treatment or management of pain shall be disadvantaged or discouraged, with respect to coverage or cost sharing, relative to any opioid or narcotic drug for the treatment or management of pain. Amends the Medical Assistance Article of the Illinois Public Aid Code. Provides that whenever a licensed health care practitioner prescribes a nonopioid medication for the treatment of acute pain, neither the Department of Healthcare and Family Services nor a managed care organization shall deny coverage of the nonopioid prescription drug in favor of an opioid prescription drug or require a patient to try an opioid prescription drug prior to providing coverage of the nonopioid prescription drug. Makes other changes.

Deletes reference to:

New Act

Adds reference to:

20 ILCS 2310/2310-730 new

Removes all of the provisions of the Nonopioid Alternatives for Pain Act except for the provisions requiring the Department of Public Health to develop and publish on its website an educational pamphlet regarding the use of nonopioid alternatives for the treatment of acute nonoperative, acute perioperative, subacute, or chronic pain. Moves those provisions to the Department of Public Health Powers and Duties Law of the Civil Administrative Code of Illinois. In provisions amending the Illinois Insurance Code and the Illinois Public Aid Code, removes language providing that the provisions apply to a nonopioid drug immediately upon its approval by the U.S. Food and Drug Administration. Provides that the Department of Healthcare and Family Services shall ensure that nonopioid drugs preferred on the Department's preferred drug list, and approved by the U.S. Food and Drug Administration, for the treatment or management of pain shall not be disadvantaged or discouraged with respect to coverage relative to any opioid or narcotic drug for the treatment or management of pain (instead of with respect to coverage relative to any opioid or narcotic drug for the treatment or management of pain on the Illinois Medicaid Preferred Drug List, where impermissible disadvantaging or discouragement includes, without limitation: designating any such nonopioid drug as a nonpreferred drug if any opioid or narcotic drug is designated as a preferred drug; or establishing more restrictive or more extensive utilization). Removes language concerning the applicability of the provisions to drugs provided under a contract between the Department and a managed care organization. Provides that the changes to the Illinois Insurance Code and the Illinois Public Aid Code are effective January 1, 2026.

House Floor Amendment No. 1

Deletes reference to:

20 ILCS 2305/6.5 new

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Deletes references to the role of HIV Treatment Innovation Coordinator. Amends the Illinois Insurance Code. Provides that an individual or group policy of accident and health insurance amended, delivered, issued, or renewed in the State after January 1, 2026 (instead of January 1, 2025) shall provide coverage for home test kits for sexually transmitted infections, including any laboratory costs of processing the kit, that are deemed medically necessary or appropriate and ordered directly by a clinician (instead of a clinician or furnished through a standing order) for patient use. Amends the AIDS Confidentiality Act. Defines "conditional approval" to mean Illinois AIDS Drug Assistance Program approval within one business day after submission of documentation of Illinois residency, Program Agreement form, and attestation of remaining eligibility requirements (instead of approval within 24 hours after submission of the materials). Deletes a requirement that an applicant seeking conditional approval must document resident in the State. Provides that the Department of Public Health shall establish one Rapid Start for HIV Treatment pilot site per HIV Care Connect Region (instead of 8 pilot sites throughout the State). Provides that the Department may implement the pilot program in accordance with industry standards informed by the most current Health Resources and Services Administration guidance on HIV care and treatment (in addition to the most current Centers for Disease Control and Prevention guidance). Provides that the Department shall compile reports from each of the pilot sites on the operation of the pilot program upon completion of the pilot period (instead of publishing a report on the operation of the program 15 months after the pilot sites have launched). Makes other changes. Amends the County Jail Act. Removes a provision that required a report by the Department of Corrections to include whether the warden of the jail had sought certain information from the Department of Public Health or community-based organizations certified to provide HIV/AIDS testing.

105 ILCS 5/14-7.05

Replaces everything after the enacting clause. Amends the Children with Disabilities Article of the School Code. Provides that a parent or guardian that moves out of the State after the parent's or guardian's child is placed in a nonpublic school or special education facility, public out-of-state school, or county special education facility shall enroll the child in a school in the other state to initiate reimbursement to Illinois. Provides that if the laws, policies, or procedures of the other state prohibit the foregoing or if the parent or guardian otherwise provides proof of at least one satisfactory attempt to enroll the child but is refused by the other state, the child shall continue to be deemed a resident of the last school district in which the child was enrolled. In provisions concerning the determination that the location of a parent or guardian of a student is unknown, provides that the information submitted from a school district or school or special education facility providing special education to the State Superintendent of Education must include an affidavit from that school district's superintendent or the facility's director attesting that the location of the parent or guardian is unknown and at least 3 satisfactory attempts were made to locate the parent or guardian and no response was received from the parent or guardian within 14 days after such satisfactory attempts (instead of requiring 4 items of documentary evidence that a minimum of 4 separate attempts were made). Provides that any determination by the State Superintendent of Education that the location of a parent or guardian is unknown shall be made as soon as practicable after receipt of the affidavit from the school district's superintendent or the facility's director. Provides that a school district or special education facility may request assistance with determining the location of a parent or guardian from the State Board of Education. In provisions concerning placement in a residential facility, provides that if the child is not currently enrolled in a school district or if the resident school district is unknown, the appropriate resident school district must be identified and the child must be enrolled in that district prior to the placement of the child, except in emergency situations. Provides that the residential facility shall require the parent or guardian of the child to sign a contract upon placement in the residential facility affirming that the parent or guardian understands the parent's or guardian's obligations under State law, including the obligation to enroll the child in the appropriate school district of residence at time of placement or upon the child reaching the age of 3. Provides that the identified school district of residence may not deny enrollment on the basis of the child's placement. Effective immediately.

from Ch. 34, par. 5-21001

Amends the Illinois Health Facilities Planning Act. Removes an exception for skilled and intermediate long-term care facilities licensed under the Nursing Home Care Act from providing a Safety Net Impact Statement as part of its general review criteria. Includes nursing homes operated by a county in a list of safety net service providers. Provides that facilities operated by a county shall provide in the facility's Safety Net Impact Statement the number of the facility's Medicaid and Medicare certified beds for the 3 fiscal years prior to the application. Requires the State Board Staff Report to include a statement of findings regarding the project's safety net impact under specified circumstances, and that the State Board Staff's assessment shall be considered in determining whether the project fulfills the public interest requirements. Amends the County Homes Division of the Counties Code. Removes a requirement that two-thirds of the county board is required sell, dispose of, or lease for any term, any part of the home properties, and requires a referendum before selling any home (rather than requiring a referendum only for homes that were erected after referendum approval by the voters of the county). Adds referendum language for the selling, disposition of, or lease of a home.

House Committee Amendment No. 1

In the Illinois Health Facilities Planning Act, provides that general review criteria shall include a requirement that all health care facilities, including nursing homes operated by a county, but otherwise with the exception of skilled and intermediate long-term care facilities licensed under the Nursing Home Care Act, provide a Safety Net Impact Statement (rather than, in the introduced bill, removal of the exception of skilled and intermediate long term care facilities licensed under the Nursing Home Care Act). Provides that nursing homes (rather than facilities) operated by a county shall also provide the number of the facility's Medicaid and Medicare certified beds for the 3 fiscal years prior to the application. Removes a provision relating to a circumstance when an application for a permit to discontinue or change ownership of a health care facility has been deemed substantially complete but the application was unable to describe specified project impacts. Adds language providing additional requirements for the Health Facilities and Services Review Board Staff Report that shall be considered in evaluating whether an application fulfills the public interest requirements of the Act. Makes a grammatical change. In the Counties Code, removes language providing that, if a county nursing home was erected after referendum approval by the voters of the county, the county nursing home may be leased upon the vote of a 3/5 majority of all the members of the board.
