20 ILCS 2630/3.2

from Ch. 38, par. 206-3.2

Amends the Criminal Identification Act. Creates procedures for a medical facility, physician, or nurse to report a sexual assault when the sexual assault survivor requests treatment at the medical facility.

Senate Floor Amendment No. 2

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. In the new procedures for a medical facility, physician, or nurse to report a sexual assault when the sexual assault survivor requests treatment at the medical facility, provides that the procedures are an exception to the other requirements of the existing provisions. In the procedure regarding notification of law enforcement of a sexual assault survivor, provides that the healthcare provider must advise the survivor about the options for timing of the law enforcement notification, ask the survivor if the survivor has been threatened, and offer to connect the survivor with a rape crisis center for safety planning, if appropriate, and provides that the documentation required to show a survivor's decision regarding notification of law enforcement must include confirmation that the healthcare provider asked the survivor if the survivor has been threatened. Moves language stating that the provisions do not change the obligations of mandated reporters under specified Acts. Provides that nothing in the provisions require a delay in notification of law enforcement by the Department of Children and Family Services, Adult Protective Services, or any other agency receiving a mandated report.

Senate Floor Amendment No. 3

Replaces everything after the enacting clause. Reinserts the provisions of the bill as amended by Senate Amendment No. 2 with the following changes. Replaces everything after the enacting clause. Amends the School Code. Removes a requirement that school districts, special education nonpublic schools, and specified special education cooperatives accomplish, as part of the State Board of Education's goals, the systemic reduction of isolated time out, time out, and physical restraint within 3 years after August 13, 2021 (the effective date of Public Act 102-339). Requires school districts, special education nonpublic schools, and specified special education cooperatives to submit a report once each year until August 1, 2027 (rather than for 3 years after August 13, 2021 (the effective date of Public Act 102-339)) to the State Board on the progress made toward achieving the goals and benchmarks established by the State Board concerning the use of isolated time out, time out, and physical restraint. 410 ILCS 43/1

Amends the Comprehensive Lead Education, Reduction, and Window Replacement Program Act. Makes a technical change in a Section concerning the short title.

Senate Floor Amendment No. 2

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Directs the Illinois Environmental Protection Agency to conduct statewide sampling of certain community water supplies for the presence of 1,4-Dioxane (rather than directs the Agency to propose, and the Pollution Control Board to adopt, rules establishing State-only maximum contaminant levels for likely or known carcinogens found in public drinking water systems). Provides that within one year of the promulgation by the United States Environmental Protection Agency (USEPA) of regulations or amendments establishing maximum contaminant levels (MCLs) for any PFAS, the Board shall adopt rules which are identical in substance to such federal regulations or amendments. Provides that the Agency shall, by June 30, 2026, conduct sampling of the Illinois community water supplies previously sampled by the Agency for 1,4-Dioxane from the years 2013 through 2015 (rather than the Agency shall conduct an initial study on primary drinking water standards and, by no later than June 30, 2025, present its findings to the General Assembly for the purpose of implementing a State-only MCL for carcinogens and toxic chemicals that are likely to pose a substantial health hazard). Provides that if the results of such sampling detect drinking water levels of 1,4-Dioxane in excess of the USEPA Health Reference Level of 35 micrograms per liter, the Agency shall (rather than the Agency shall, with no prefatory condition), within 2 years after June 30, 2026 (rather than 2025), take all actions needed to obtain expertise to propose rules to establish a State-only MCL for 1,4-Dioxane (rather than for carcinogens and toxic chemicals likely to pose a substantial health hazard). Provides that, by no later than June 30, 2029, the Agency shall propose, and, by no later than June 30, 2030, the Board shall adopt, amendments to the Board rules to establish a State-only MCL for 1,4-Dioxane (rather than no later than June 30, 2029, the Agency shall propose, and, by no later than June 30, 2030, the Board shall adopt, amendments to the Board rules that establish State-only MCLs for carcinogens and toxic chemicals that are likely to pose a substantial health hazard, with certain requirements). Removes provisions that the Agency and Board annually review relevant science and law for rulemaking and related purposes. Provides that the Agency shall, at least annually, convene a stakeholder group to review a subset of chemicals that are likely to pose a substantial health hazard to residents of the state, for the purpose of proposing or revising a State-only MCL for those chemicals.

305 ILCS 65/15 new

Amends the Early Mental Health and Addictions Treatment Act. Requires the Department of Human Services to implement a 2-year pilot program to provide FDA-approved 8-milligram naloxone nasal spray kits to licensed community substance use providers and public health departments in Cook County, DuPage County, Winnebago County, Sangamon County, and St. Clair County. Requires the Department to implement a data collection program to determine the number of 8-milligram naloxone nasal spray kits administered by emergency medical service providers and bystanders per overdose incident during the 2-year term of the pilot program. Provides that the data collected must also include the number of overdose reversals and deaths following the administration of the 8-milligram naloxone nasal spray. Requires the Department to prepare a report on the results of the 2-year pilot program and submit the report to the General Assembly by July 1, 2026. Effective January 1, 2024.

Senate Committee Amendment No. 1

In a provision requiring the Department of Human Services to implement a data collection program to determine the number of 8-milligram naloxone nasal spray kits administered by emergency service providers and bystanders during the 2-year pilot program, provides that the data must (i) include the number of individuals who survived as a result of the 8-milligram naloxone nasal spray intervention and those who became deceased and (ii) include the number of opioid overdose reversals attributed to the administration of the 8-milligram naloxone nasal spray intervention, by county (rather than requiring that the data collected must also include the number of individuals who survived an opioid overdose after receiving the 8-milligram naloxone nasal spray and the number of individuals who died of an opioid overdose after receiving the 8-milligram naloxone nasal spray).

House Floor Amendment No. 1

Removes a provision requiring the Department of Human Services to implement a data collection program to determine the number of 8-milligram naloxone nasal spray kits administered by emergency medical service providers and bystanders per overdose incident during the 2-year term of the pilot program.

Provides that any person may report information about the suspicious death of an eligible adult to an agency designated to receive such reports or to the Department on Aging. Provides that if a mandated reporter has reason to believe that the death of an eligible adult is the result of abuse or neglect, the matter shall be reported to the agency designated to receive such reports or to the Department for subsequent referral to the appropriate law enforcement agency and coroner or medical examiner. Prohibits employers from discriminating against any employee who makes a good faith oral or written report concerning information about the suspicious death of an eligible adult. Contains provisions concerning the required testimony of a mandated reporter at an administrative hearing concerning the suspicious death of an eligible adult; the referral of evidence to the appropriate law enforcement agency; access to records concerning reports of suspicious deaths due to abuse, neglect, or financial exploitation; and other matters. Makes changes to the definitions of "abuse", "abuser", and "mandated reporter". Defines "investment advisor". Effective January 1, 2024.

Senate Committee Amendment No. 1

Further amends the Adult Protective Services Act. In a provision granting specified persons access to records related to reports of abuse or neglect or the suspicious deaths of persons protected under the Act, provides that a probate court with jurisdiction over the guardianship of an alleged victim shall have access to such records, upon request, for an in camera inspection (rather than a court or a guardian ad litem, upon its or his or her finding that access to such records may be necessary for the determination of an issue before the court). Removes language granting a guardian ad litem access to such records in cases regarding self-neglect and instead grants access to a guardian ad litem, unless such guardian ad litem is the abuser or alleged abuser.

Land Conveyance Appraisal Note (Dept. of Transportation)

No land conveyances are included in Senate Bill 1979; therefore, there are no appraisals to be filed.

Fiscal Note (Office of the Treasurer)

SB 1979 would require retail mercantile establishments to accept cash as a form of payment. The Treasurer's Office estimates no fiscal impact from this bill.

State Debt Impact Note (Government Forecasting & Accountability)

SB 1979, as engrossed, would not change the amount of authorization for any type of State-issued bond, and, therefore, would not affect the level of State indebtedness.

Pension Note (Government Forecasting & Accountability)

SB 1979, as engrossed, will have no fiscal impact upon any public pension fund or retirement system in the State of Illinois.

Housing Affordability Impact Note (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence and will not impact the cost of housing development in the state of Illinois.

Judicial Note (Admin Office of the Illinois Courts)

The legislation will not increase or decrease the number of judges needed in the state of Illinois.

Balanced Budget Note (Office of Management and Budget)

Please be advised that the Balanced Budget Note Act does not apply to Senate Bill 1979 as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

House Committee Amendment No. 1

Provides that, the lease of real estate is also permitted by a county when a property, structure, or facility owned by the county can be used for athletic purposes or museum purposes in the interest of the public or for the benefit and enjoyment of residents of the county in the following circumstances: (1) if the property, structure, or facility is vacant; or (2) if the property, structure, or facility acquired by the county is being used prior to the county acquiring the property, structure, or facility, then, for leases entered into after the effective date of this amendatory Act of the 103rd General Assembly, the lease of the property, structure, or facility must require (i) the lessee to allow any organization that used the land at the time the lease is executed to continue to use the land for the leased purposes during the term of the lease and (ii) the lessor to continue, during the term of the lease, to employ, in the same capacity, any persons who provided services on the land at the time the lease is executed. In provisions allowing a county to maintain, restore, rehabilitate, beautify, or adaptively reuse places of architectural significance, historic significance, scenic significance, or land along scenic byways and to lease or license county-held property to public or private entities for not longer than 99 years for such purposes, provides that nothing in the provisions may be construed to permit eminent domain.

35 ILCS 200/15-170

Amends the Property Tax Code. In provisions concerning the senior citizens homestead exemption, permanently removes the requirement to reapply for the exemption in counties with 3,000,000 or more inhabitants (currently, that requirement was eliminated only for taxable years 2019 through 2023). In counties with less than 3,000,000 inhabitants, provides that, if the county board passes a resolution removing the requirement to reapply for the exemption, the chief county assessment official shall conduct, by no later than December 31 of the first year of each reassessment cycle, an audit of all senior citizen homestead exemptions granted for the preceding reassessment cycle.

Senate Floor Amendment No. 1

Provides that, if the county board passes a resolution removing the requirement to reapply for the senior citizens homestead exemption, the chief county assessment official shall conduct a review (in the introduced bill, an audit) of all senior citizen homestead exemptions granted for the preceding reassessment cycle. Provides that the review shall be conducted prior to the submission of the final abstract for the first year of each reassessment cycle (in the introduced bill, by no later than December 31 of the first year of each reassessment cycle).

Amends the Illinois Vehicle Code. Creates the Driver and Motor Vehicle Records Data Privacy Law. Provides that the purpose is to comply with the federal Driver's Privacy Protection Act of 1994 in order to protect the interest of individuals in their personal privacy by prohibiting the disclosure and use of personal information contained in their motor vehicle record, except as authorized by the individual or by law. Adds provisions concerning: disclosure of social security number; confidentiality of captured photographs, signatures, and images; confidentiality of documents submitted with applications for driver's licenses and vehicle transactions; restrictions on use of information for immigration enforcement; disclosure with consent; permitted disclosures; fees; commercial requesters; access agreements; audits; redisclosures; prohibitions and violations; data system security breaches; procedural safeguards; and rules. Repeals provisions of the Illinois Vehicle Code regarding confidentiality of captured photographs and images; confidentiality of documents submitted with an application for a driver's license; restrictions on use of information; and sale and distribution of information.

Senate Committee Amendment No. 1

Deletes reference to:

625 ILCS 5/2A-107

Provides that an exception to a provision concerning the confidentiality of photographs, signatures, and images obtained in the process of issuing or applying for a driver's license, permit, identification card, or in connection to a Certificate of Title or vehicle registration is notwithstanding any other provision of law. Provides that those photographs, signatures, and images may be disclosed to the individual to whom the driver's license, permit, identification card, Certificate of Title, or vehicle registration was issued, upon written request (rather than to the individual upon written request). In a provision concerning disclosure of those photographs, signatures, and images to law enforcement officials for a civil or criminal law enforcement investigation, adds a cross-reference to provisions setting forth restrictions on the use of certain information for immigration enforcement. Corrects cross-references. Removes a provision concerning confidentiality of documents submitted with an application for a driver's license.

Senate Floor Amendment No. 2

In a provision limiting civil liability for the Secretary of State or the Secretary's departments or employees for the improper use or release of motor vehicle records to certain persons, provides an exception for willful or wanton misconduct. Makes a grammatical change.

House Committee Amendment No. 1

SB 02978 (Continued)

Replaces everything after the enacting clause with the provisions of the engrossed bill, and makes the following changes. Defines "law enforcement agency" and "material breach". Allows the Secretary to disclose a social security number provided to the Secretary in connection with a motor vehicle record to the Treasurer for purposes of administering the Revised Uniform Unclaimed Property Act. Allows (i) photographs, signatures, and images obtained by the Secretary in the process of issuing a driver's license, permit, identification card, or in connection to a certificate of title or vehicle registration or (ii) documents required to be submitted with an application for a certificate of title, vehicle registration, or driver's license to be disclosed to law enforcement officials for a civil or criminal law enforcement investigation only if an officer of the law enforcement agency has made a written request to the Secretary specifying the law enforcement investigation for which the photographs, signatures, and images or documents are being sought. Removes language allowing the Secretary to limit the number of persons authorized to obtain direct electronic access and to restrict, or establish priority for, access to motor vehicle records as the Secretary deems necessary to avoid disruption to the Secretary's normal operations, or as the Secretary deems is in the best interests of the public. Removes language providing that every requester must execute an access agreement and agree to be responsible for (i) maintaining security procedures in the requester's network and procedures deemed appropriate in the sole discretion of the Secretary, (ii) providing to the Secretary the names, work addresses, and work phone numbers of all persons responsible for maintaining motor vehicle record files provided by the Secretary or otherwise executing the provisions of an access agreement on behalf of the requester, (iii) providing a written certification that the Secretary's motor vehicle records or any portion thereof shall not be transferred, nor accessed outside of the United States, electronically or otherwise, and (iv) certifying that no employee nor officer of the requester accessing motor vehicle records has been convicted of a felony, or that at least 5 years have passed since the completion of the sentence. Removes language allowing the Secretary to require an agreement that a requester seeking to obtain motor vehicle records shall hold harmless and indemnify the Secretary for any money damages, criminal fines, civil penalties, court costs, and attorney's fees awarded to any person or entity by any State or federal court resulting from any disclosure by the requester or by any person to whom the requester provided information from a motor vehicle record that is contrary to State or federal law. Makes other changes.

Provides that the issuance and regulation of a third-party retailer delivery license is under the exclusive jurisdiction of the Illinois Liquor Control Commission and does not require local approval prior to issuance by the State Commission. Sets forth fees for licensure and requirements for the delivery of alcoholic liquor by third-party retailer delivery licensees, including limitations on fees that may be charged, maintenance of an insurance policy, recordkeeping, labeling of alcoholic liquor, and verification that the recipient is 21 years of age or older. In provisions requiring the Department of Human Services to establish a public education program regarding gambling disorders, requires the program to (i) promote public awareness to create a gambling informed State regarding the impact of gambling disorders on individuals, families, and communities and the stigma that surrounds gambling disorders and (ii) use screening, crisis intervention, treatment, public awareness, prevention, in-service training, and other innovative means to decrease the incidents of suicide attempts related to a gambling disorder or gambling issues. Requires the Department to determine a statement regarding obtaining assistance with a gambling disorder, which each licensed gambling establishment owner shall post and each master sports wagering licensee shall include on the master sports wagering licensee's portal, Internet website, or computer or mobile application. Permits the Department: to provide advice to State and local officials on gambling disorders; to support gambling disorder prevention, recognition, treatment, and recovery projects; to collaborate with other community-based organizations, substance use disorder treatment centers, or other health care providers engaged in treating individuals who are experiencing gambling disorder; and to perform other actions. Permits the Department to award grants to create or support local gambling prevention, recognition, and response projects. Makes other changes.

50 ILCS 705/8.2

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill, as modified by Senate Amendment No. 2, with the following changes in the Illinois Police Training Act. In provisions requiring specified training to be completed before a full-time or part-time law enforcement or county corrections officer receives waiver approval, removes a requirement that the officer receive training for crimes motivated by bias. Provides that training for crimes motivated by bias is also part of an officer's minimum in-service training requirements. In provisions requiring the Illinois Law Enforcement Training Standards Board to develop or approve the training course for crimes motivated by bias, provides that the Board must approve at least one training course (rather than develop or approve a course). Provides that the Board must, within a reasonable time, update the course to conform with national trends and best practices (rather than the Board must review the approved course or courses every 3 years and update the approved courses). Encourages the Board to adopt model policies to assist law enforcement agencies in developing policies related to hate crimes and crimes motivated by violence, and allows the Board to consult with the Commission on Discrimination and Hate Crimes or other entities to develop the policies. Requires the Board to periodically conduct an educational conference to inform and sensitize chief law enforcement officers, community service providers, and other interested persons to the law enforcement issues associated with bias crimes (removing provisions relating to providing instructional materials to chief law enforcement officers and provisions requiring chief law enforcement officers to encourage law enforcement officers to complete the in-service training). Allows the Board to partner with other public or private entities to sponsor and conduct these conferences.
