Representative John M. Cabello

HB 01016 (Continued)

Amends the Code of Civil Procedure. Provides that any person criminally prosecuted and incarcerated for 30 days or longer prior to trial for one or more felonies by the State which he or she did not commit may file a petition for a certificate of innocence. Provides that the petitioner must prove that: the petitioner was incarcerated prior to trial in a prosecution that resulted in an acquittal or dismissal; the prosecution did not result in a conviction of a lesser included offense; the petitioner is innocent of the charges on which the petitioner's pretrial detention was based, or the charges did not constitute a felony or misdemeanor; and the petitioner did not by his or her own conduct voluntarily cause or bring about the charges that resulted in his or her pretrial incarceration. Amends the Court of Claims Act. Provides that a person who has been issued a certificate of innocence may file a claim against the State for time unjustly served in pretrial incarceration in a county jail. Provides that the Court of Claims shall award \$50,000 per year during which the person was wrongfully imprisoned and shall prorate that amount for a fraction of a year that the person was wrongfully imprisoned (rather than "the amount of the award is at the discretion of the court; and provided, the court shall make no award in excess of the following amounts: for imprisonment of 5 years or less, not more than \$85,350; for imprisonment of 14 years or less but over 5 years, not more than \$170,000; for imprisonment of over 14 years, not more than \$199,150"). Provides that the court shall include the number of years the person was imprisoned awaiting trial in its determination and an additional \$25,000 for each year served on parole, probation, or registered as a sex offender after imprisonment. Makes corresponding changes. Effective immediately.

House Committee Amendment No. 2

Replaces everything after the enacting clause. Amends the Court of Claims Act. Provides that the court shall have exclusive jurisdiction to hear and determine all claims against the State for time unjustly served in a county jail, on parole, on intensive supervision probation, or on the sex offender registry, when the unjustly convicted person received a pardon from the Governor stating that such pardon is issued on the ground of innocence of the crime for which he or she was convicted or he or she received a certificate of innocence from the Circuit Court. Removes language providing that: the amount of an award for unjustly served prison sentences is at the discretion of the court; the court shall make no award in excess of specified amounts for specified terms of imprisonment; and the court shall fix attorney's fees not to exceed 25% of the award granted. Requires the court to make an award of \$50,000 per year, and prorated for any partial year, during which the person was wrongfully incarcerated in a State correctional institution or in a county jail, including the time the person was incarcerated awaiting trial, and \$25,000 for each year, and prorated for any partial year, during which the person was wrongfully on parole, wrongfully on intensive supervision probation, or was wrongfully required to register as a sex offender, as well as an award of reasonable attorney's fees, costs, and expenses in the amount determined by the Circuit Court after awarding a certificate of innocence. Makes other and conforming changes. Amends the Code of Civil Procedure. Allows any person who is convicted or adjudicated a delinquent and subsequently serves any part of a sentence of incarceration in a State correctional institution or in a county jail, of parole, of intensive supervision probation, or of registration as a sex offender for one or more felonies which he or she did not commit to file a petition for certificate of innocence. Requires the petition to state facts in sufficient detail to permit the court to find that the petitioner is likely to succeed at trial in proving that the petitioner is innocent of the alleged offenses for which he or she was convicted or adjudicated a delinquent, and the petitioner did not by his or her own conduct voluntarily cause or bring about his or her conviction or juvenile delinquency adjudication. Provides that neither a guilty plea nor a confession constitutes conduct causing or bringing about one's conviction or delinquency adjudication. Requires, if the court finds that the petitioner is entitled to a judgment, the court to make a determination of the reasonable attorney's fees, costs, and expenses incurred in connection with obtaining the certificate of innocence. Provides that any person seeking a certificate of innocence based on the dismissal of a juvenile delinquency petition or an acquittal on such petition that occurred before the effective date of the amendatory Act, including a petitioner whose petition was denied solely on the basis that this Section did not formerly apply to juvenile delinquency adjudications, shall file his or her petition within 4 years after the effective date of the amendatory Act. Provides that any person seeking a certificate of innocence based on the dismissal of a juvenile delinquency petition or an acquittal on such petition that occurred on or after the effective date of the amendatory Act shall file his or her petition within 2 years after the dismissal or acquittal. Makes other and conforming changes. Effective immediately.

Representative John M. Cabello**HB 02458 (Continued)**

Amends the Criminal Code of 2012. Changes the statute of limitations for grooming to provide that when the victim is under 17 years of age at the time of the offense, a prosecution for grooming may be commenced within 10 years after the victim or the person with a disability attains 17 years of age. Changes the name of the offenses of child sexual abuse material to child sexual abuse material. Changes the penalty for grooming from a Class 4 to a Class 3 felony. Deletes references to criminal transmission of HIV in various statutes. In the Sex Offenses Article of the Criminal Code of 2012, provides a definition for "unable to give knowing consent". Provides that a person commits sexual exploitation of a child if in the presence or virtual presence, or both, of a child and with knowledge that a child or one whom he or she believes to be a child would view his or her acts, that person knowingly entices, coerces, or persuades a child to participate in the production of the recording or memorializing a sexual act of persons ages 18 or older. Provides that a violation of this provision of sexual exploitation of a child is a Class 4 felony for a first offense; and a Class 3 felony for a second or subsequent offense, or if the person has been previously convicted of a sex offense. Amends the Code of Criminal Procedure of 1963. Provides that the court may set any conditions it finds just and appropriate on the taking of testimony of a victim or witness who is under 18 years of age or an intellectually disabled person or a person affected by a developmental disability (rather than a victim who is a child under the age of 18 years or a moderately, severely, or profoundly intellectually disabled person or a person affected by a developmental disability) involving the use of a facility dog in any criminal proceeding. Makes other changes concerning the admissibility of evidence in cases involving involuntary servitude, involuntary sexual servitude of a minor, and trafficking in persons. Amends various Acts to change references from "child pornography" to "child sexual abuse material".

House Committee Amendment No. 1

Provides that the definition of "family member" in the Sex Offenses Article of the Criminal Code of 2012 includes a sibling. Provides that "family member" also means, if the victim is under 18 years of age, an accused who has resided in the household with the child continuously for at least 3 (rather than 6) months. Restores a reference to aggravated child pornography which offense was repealed by Public Act 97-995, effective January 1, 2013.

House Committee Amendment No. 2

In the definition provisions of the Sex Offenses Article of the Criminal Code of 2012, deletes in the definition of "unable to give knowing consent" that the victim could not give intelligent agreement to the sexual act. Provides that a violation of the provisions of sexual exploitation of a child by knowingly enticing, coercing, or persuading a child to participate in the production of the recording or memorializing a sexual act of persons ages 18 or older is a Class 4 felony (rather than a Class 4 felony for a first offense and a Class 3 felony for a second or subsequent offense or if the person has been previously convicted of a sex crime). Provides that in order to commit the offense of grooming, the person be 5 years or more older than a child victim, or holding a position of trust, authority, or supervision in relation to the child at the time of the offense.

House Committee Amendment No. 3

In the amendatory changes to the Criminal Code of 2012, restores the Class 4 felony penalty for grooming.

Makes changes in provisions concerning single prime procurement methods; the Illinois business bid preference; the veteran bid preferences; small business set-aside reporting; the award of contracts to not-for-profit agencies for persons with significant disabilities; the duration of contracts; public education programming; the application of the Code to public institutions of higher education; and not-for-profit agencies for persons with significant disabilities. Adds provisions concerning software licensing contracts. Amends the Governmental Joint Purchasing Act. Authorizes chief procurement officers to approve the award of a contract on a non-competitive basis to a not-for-profit agency for persons with significant disabilities. Amends the Department of Central Management Services Law of the Civil Administrative Code of Illinois. Makes changes in provisions concerning facility leases. Creates the Reimagining Hotel Florence Act. Provides that, notwithstanding any provision of law to the contrary, the Department of Natural Resources on behalf of the State may, pursuant to a competitive request for proposals process governed by the Illinois Procurement Code and rules adopted under that Code and the Act, enter into a public-private agreement to develop, finance, construct, lease, manage, or operate the Hotel Florence on behalf of the State. Provides for home rule preemption. Amends the Business Corporation Act of 1983. Adds provisions concerning contractor diversity reporting. Amends the State Fair Act. Exempts from the requirements of the Illinois Procurement Code procurement expenditures necessary to provide artistic or musical services, performances, events, or productions under the Act at the State Fairgrounds in Springfield. Amends the Transportation Sustainability Act. Specifies that the State's solicitations for the procurement of freight, small package delivery, and other cargo shipping and transportation services shall be subject to the Illinois Procurement Code or the Governmental Joint Purchasing Act (rather than only the Illinois Procurement Code). Amends the Public-Private Partnerships for Transportation Act. Replaces references to "transportation agency" with "responsible public entity". Defines "responsible public entity". Makes changes concerning public construction bonding requirements. Makes other changes. Effective January 1, 2024.

Senate Floor Amendment No. 3

In provisions concerning former coal mine employees, deletes references to the term "union hall". Corrects an erroneous cross-reference. Specifies that a contract entered into by a public agency for the licensing of software applications designed to run on generally available desktop or server hardware may not limit the public agency's ability to install or run the software on any of the public agency's hardware (rather than on the hardware of the public agency's choosing).

Governor Amendatory Veto Message

Recommends deleting from the Public-Private Partnerships for Transportation Act language that added counties, municipalities, and other units of local government to the Act's definition of "responsible public entity".

Representative John M. Cabello**HB 03765 (Continued)**

Replaces everything after the enacting clause. Amends the Illinois Pension Code. In the State Employee Article of the Code, provides that, with regard to persons subject to the Tier 2 provisions, an investigator for the Department of the Lottery is entitled to an annuity calculated under the alternative retirement annuity provisions, in lieu of the regular or minimum retirement annuity, only if the person has withdrawn from service with not less than 20 years of eligible creditable service and has attained age 55, regardless of whether the attainment of age 55 occurs while the person is still in service. Authorizes an investigator for the Department of the Lottery to establish eligible creditable service under the alternative retirement annuity provisions. Provides that a specified educational requirement for persons employed by the Department of Juvenile Justice shall no longer determine the eligibility to earn eligible creditable service under the alternative retirement annuity provisions, and authorizes the conversion of service credit to eligible creditable service. Excludes a benefit increase resulting from the amendatory Act from the definition of "new benefit increase". Establishes a deferred retirement option plan for certain police officers, firefighters, sheriff's law enforcement employees, and deputy sheriffs in the Cook County Police Department who are otherwise eligible to retire under which a participant may continue in active service for up to 5 years while having his or her retirement pension paid into a special account. Provides that the election to participate in the deferred retirement option plan must be made before January 1, 2029. Provides that the Retirement Systems Reciprocal Act (Article 20 of the Code) is adopted and made a part of the Downstate Police, Downstate Firefighter, Chicago Police, and Chicago Firefighter Articles. In the Chicago Teacher Article of the Code, provides that when computing days of validated service, contributors shall receive the greater of: (1) one day of service credit for each day for which they are paid salary representing a partial or a full day of employment rendered to an employer or the Board of Trustees of the Fund; or (2) 10 days of service credit for each 10-day period of employment in which the contributor worked 50% or more of the regularly scheduled hours (instead of one day of service credit for each day for which they are paid salary representing a partial or a full day of employment rendered to an employer or the Board). Amends the State Mandates Act to require implementation without reimbursement.

New Act

Creates the Child Abuse Notice Act. Requires certain businesses and establishments, including, but not limited to, day care centers, elementary and secondary schools, bus stations, and general acute care hospital emergency rooms, to post in a conspicuous place a notice developed by the Department of Children and Family Services that is aimed toward children under 18 and provides information on what constitutes physical and sexual abuse and how to report such abuse. Requires the notice to be at least 8 1/2 inches by 11 inches in size, written in a 16-point font, unless the notice is provided by electronic means. Requires the Department, in consultation with an accredited Children's Advocacy Center, to develop a model notice no later than 6 months after the effective date of the Act. Requires the Department to make the model notice available for download on the Department's Internet website and provide the notice upon request to eligible business, schools, and other establishments. Provides that the notice shall be printed in English, Spanish, and in one other language that is the most widely spoken language in the county where the establishment is located and for which translation is mandated by the federal Voting Rights Act, as applicable. Imposes certain penalties on those businesses and other establishments that are subject to the Act that fail to comply with the Act's requirements. Exempts school districts and personnel from the penalty provision.

House Committee Amendment No. 2

Removes day care centers and public and private schools that contain students under the age of 18 from the list of businesses and establishments that must post a child abuse notice in their public restrooms. Adds hotels, motels, and tattoo and body piercing establishments to the list. Removes a provision that requires the administrator of a public or private elementary school or public or private secondary school to post a printout of the downloadable notice provided by the Department of Children and Family Services in a conspicuous and accessible place chosen by the administrator in the administrative office or another location in view of school employees. Removes a provision that exempts school districts and personnel from the Act's penalties provisions.

Senate Floor Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes. In a provision listing the types of businesses and other establishments that must post the child abuse notice as required under the Act, requires compliance from entertainment facilities or sporting facilities that are indoor structures with a legal occupancy of at least 5,000 persons (rather than entertainment facilities or sporting facilities providing services or opportunities to those under the age of 18). Removes a provision that requires the Department of Children and Family Services to, upon request, furnish copies of the model notice without charge to businesses, establishments, or schools. Removes an incorrect cross-reference from the provisions of the engrossed bill.

In provisions concerning sexual misconduct in schools, provides that guidelines established for certain situations and all available methods for how to report staff-student boundary violations within a school and to external agencies must be posted on the website, if any, of each school district, charter school, or nonpublic school and must be included in any staff, student, and (instead of or) parent handbook provided by the school district, charter school, or nonpublic school (instead of nonpublic, nonsectarian elementary or secondary school). Sets forth other provisions concerning a regional office of education's or intermediate service center's participation in the employment history review and how long the review remains valid. Provides that if, at any time, a school district has information or records that the school district would have immunity from liability to share as part of an employment history review, then the school district and its employees are immune from liability on specified terms if sharing such information or records with the regional office of education or intermediate service center that maintains the applicable approved substitute list. 415 ILCS 5/21	from Ch. 111 1/2, par. 1021
---------------	-----------------------------

Amends the Environmental Protection Act. Provides that incidental sales of finished compost do not need to be applied to agronomic rates in determining whether a person needs a permit to conduct a landscape waste composting operation at specified sites. Removes a provision requiring that no fee is charged for the acceptance of materials to be composted in order for a site having 10 or more occupied non-farm residences within 1/2 mile of its boundaries to be excepted from permit requirements.

House Floor Amendment No. 1

Replaces everything after the enacting clause with the provisions of the introduced bill, and makes the following changes: Restores language that prohibits a landscape waste composting facility that is located within one-half mile of 10 or more occupied non-farm residences from obtaining a waste permitting exemption unless, among other things, no fee is charged for the acceptance of materials to be composted at the facility. Provides that "incidental sale of finished compost" means the sale of finished compost that meets general use construction standards and is no more than 20% or 300 cubic yards, whichever is less, of the total compost created annually by a private landowner for the landowner's own use.

Amends the School Code. Provides that the dyslexia handbook developed by the State Board of Education shall include guidelines on the administration of a universal screener and dyslexia screening, the interpretation of data from these screeners, and the resulting appropriate instruction within a multi-tiered system of support framework. Provides that the State Board of Education shall adopt any rules necessary to ensure that a student will be screened for the risk factors of dyslexia using a universal screener. Sets forth which students are required to be screened. Provides that no later than January 1, 2024, the State Board of Education shall employ at least 5 dyslexia specialists or dyslexia therapists with a minimum of 5 years of field experience in screening, identifying, and treating dyslexia and related disorders. Provides that beginning with the 2023-2024 school year, each school district must screen students in grades kindergarten through 2 for the risk factors of dyslexia using a universal screener approved by the State Board of Education. Provides that if a student is determined to be either at risk or at some risk for dyslexia after the universal screener has been administered, the school district must administer a dyslexia screening of the student. Provides that if a student's dyslexia screening indicates that the student has characteristics of dyslexia, the dyslexia intervention services provided to the student must utilize a structured literacy approach as outlined in the State Board of Education's handbook. Makes other changes.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the contents of the introduced bill with the following changes. In the definition of "universal screener", changes references to "an assessment" to "a screener". Provides that the "universal screener" shall screen for the risk factors of reading difficulties, including dyslexia (instead of the risk factors of dyslexia). Provides that students shall be screened if a student from another state enrolls for the first time in any of grades kindergarten through 2 in a school district in this State, provided that if a student's score is below 3.0 on either the listening or the speaking portion of the ACCESS for ELLs assessment, the student may be exempt from a universal screener as determined by the school's or school district's English language learner team (instead of unless the student, the student's parent, or the student's guardian presents documentation that the student meets specified conditions). Adds provisions concerning secondary review of a student. In provisions concerning the student's parent or guardian consent to screening, provides that the parent or guardian must be notified (rather than specifying provisions concerning the nature of notification). Makes conforming changes.

Amends the Illinois Certified Shorthand Reporters Act of 1984. Provides that all applicants and registrants shall: (1) provide a valid address and email address to the Department of Financial and Professional Regulation, which shall serve as the address of record and email address of record, respectively, at the time of application for registration or renewal of a registration; and (2) inform the Department of any change of address of record or email address of record within 14 days after such change either through the Department's website or by contacting the Department's licensure maintenance unit. Provides that every application for an original licensee under this Act shall include the applicant's Social Security Number or individual taxpayer identification number. Provides that the report of findings of fact, conclusions of law, and recommendations of the Board shall be the basis for the Secretary of Financial and Professional Regulation's (rather than the Department's) action regarding a certificate. 20 ILCS 2310/2310-730 new

Removes all of the provisions of the Nonopioid Alternatives for Pain Act except for the provisions requiring the Department of Public Health to develop and publish on its website an educational pamphlet regarding the use of nonopioid alternatives for the treatment of acute nonoperative, acute perioperative, subacute, or chronic pain. Moves those provisions to the Department of Public Health Powers and Duties Law of the Civil Administrative Code of Illinois. In provisions amending the Illinois Insurance Code and the Illinois Public Aid Code, removes language providing that the provisions apply to a nonopioid drug immediately upon its approval by the U.S. Food and Drug Administration. Provides that the Department of Healthcare and Family Services shall ensure that nonopioid drugs preferred on the Department's preferred drug list, and approved by the U.S. Food and Drug Administration, for the treatment or management of pain shall not be disadvantaged or discouraged with respect to coverage relative to any opioid or narcotic drug for the treatment or management of pain (instead of with respect to coverage relative to any opioid or narcotic drug for the treatment or management of pain on the Illinois Medicaid Preferred Drug List, where impermissible disadvantaging or discouragement includes, without limitation: designating any such nonopioid drug as a nonpreferred drug if any opioid or narcotic drug is designated as a preferred drug; or establishing more restrictive or more extensive utilization). Removes language concerning the applicability of the provisions to drugs provided under a contract between the Department and a managed care organization. Provides that the changes to the Illinois Insurance Code and the Illinois Public Aid Code are effective January 1, 2026.

Replaces everything after the enacting clause. Amends the Cemetery Protection Act. Defines "veteran" and "veterans' organization". Provides that if a veterans' organization has identified human remains of a veteran that are more than 100 years old and wishes to have a marker placed to designate the grave as that of a veteran, a cemetery authority may allow such memorialization without permission of the decedent's heirs. Provides that all costs for memorialization including the marker, its installation, and any removal of or repair to a previous marker that is damaged shall be entirely borne by the veterans' organization. Prohibits human remains from being disturbed in this process. Requires permission from the cemetery authority and compliance with the rules and regulations and any collective bargaining agreement of the involved cemetery. Requires the veterans' organization to first make a good faith effort to contact the decedent's next of kin, and if there is no response within 120 days, the process may proceed. Provides that if any heir of a decedent later objects to memorialization, the sole remedy is the removal of the involved marker at the expense of the involved veterans' organization unless the veterans' organization no longer exists or is without funds, in which case removal shall be at the expense of the heir. Prohibits any monetary damages or any other equitable relief or penalties against the cemetery authority, cemetery, or veterans' association.

Senate Floor Amendment No. 1

Defines "not-for-profit corporation" as that term is used in the General Not For Profit Corporation Act of 1986. Provides that a not-for-profit corporation may identify human remains of a veteran under the Cemetery Protection Act.

New Act

Creates the Home Modification Program Act. Provides that the purpose of the Act is to establish a home modification funding system that is streamlined, effective, and administered by experts within the disability community. Provides that, subject to appropriation, the Department of Human Services shall establish a Home Modification Program to provide financial assistance to persons with disabilities for home modification projects. Requires the Department to designate a statewide association that represents centers for independent living to serve as the lead agency to administer the Program. Requires the Department to provide funding for the Program. Requires the lead agency to distribute any moneys it receives from the Department to the State's 22 centers for independent living, covering all 102 counties. Provides that the lead agency shall ensure that each center for independent living has access to at least \$105,000 to use for home modification projects, with the excess funds subject to reallocation during the 4th fiscal quarter of each year. Contains provisions concerning eligibility requirements for applicants under the Program; standards and qualifications for home modification projects; the lead agency's establishment of a Home Modification Subcommittee to provide additional oversight of the home modification projects; and an administrative fee to the lead agency.

House Committee Amendment No. 1

Expands the list of findings to include the following: nearly 3,900,000 veterans receive disability compensation payments; these veterans have sacrificed in service to their country and defense of our freedoms; and home modifications will help Illinois veterans to regain and maintain their own freedom to utilize their homes and access the world around them. Provides that older adults and veterans who have a disability, as defined in the Act, qualify for financial assistance under the Home Modification Program. Requires program applicants to have proof of disability from an agency other than a center for independent living when a disability is not obvious or readily apparent. Provides that, in addition to other local, State, and federal requirements, all contractors must follow the requirements under the Illinois Accessibility Code. Expands the definition of "home modification" to include any change to the structure of a residential home or property to create universal design. Defines "universal design" to mean any dwelling unit designed and constructed that is safe and accessible for everyone, regardless of age, physical ability, or stature. Makes technical changes.

Representative Jeff Keicher**HB 02418 (Continued)**

Amends the Criminal Identification Act. Provides that a trafficking victim may petition for vacation and expungement of an offense (rather than shall be eligible to petition for immediate sealing) upon the completion of his or her last sentence if his or her participation in the underlying offense was proximately caused by the human trafficking (rather than a direct result of human trafficking). Provides that, if the offense is a crime of violence, the trafficking victim may petition for immediate sealing of the offense upon the completion of his or her last sentence. Provides that a petition may be prepared, signed, and filed electronically. Provides that the court may allow the petitioner to attend any required hearing remotely by audiovisual conference if the petition affirms that attendance in court would be an undue hardship or could create a risk of harm to the petitioner, and provides that the court may allow a petition to be filed under seal if the public filing of the petition would constitute a risk of harm to the petitioner.

House Committee Amendment No. 1

Provides that a trafficking victim may petition for vacation and expungement or immediate sealing of his or her criminal record (rather than expungement of an offense) upon the completion of his or her last sentence under specified circumstances. Provides that, if the offense is a crime of violence that is not a misdemeanor offense (rather than a crime of violence), the trafficking victim may only petition for immediate sealing of the offense upon the completion of his or her last sentence.

House Floor Amendment No. 2

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill, as amended by House Amendment No. 1, with the following changes. Replaces a requirement making an offense eligible for vacation and expungement or immediate sealing if it was proximately caused by human trafficking with a provision allowing vacation and expungement or immediate sealing if the offense was a result of human trafficking. Removes an exception providing that a trafficking victim may petition only for immediate sealing if the offense was a crime of violence other than a misdemeanor.

House Floor Amendment No. 3

Provides that a petition for the vacation and expungement or sealing of trafficking victims' crimes shall (rather than may) be prepared, signed, and filed in accordance with Supreme Court Rule 9 (rather than prepared, signed, and filed electronically). Provides that the court may allow the petitioner to attend any required hearing remotely in accordance with local rules (rather than by audiovisual conference if the petition affirms that attendance in court would be an undue hardship or could create a risk of harm to the petitioner).

Replaces everything after the enacting clause. Amends the Illinois Human Rights Act. Provides that after filing a complaint under the Employment Article, Financial Credit Article, Public Accommodations Article, Elementary, Secondary, and Higher Education Article, or Additional Civil Rights Violations Article, the Department of Human Rights may petition and shall be permitted to intervene as a party in the proceeding if the Human Rights Commission determines that: the Department has an interest different from one or more of the parties; the expertise of the Department makes it better suited to articulate a particular point of view; or the representation of the Department's interest by existing parties is or may be inadequate and the Department will or may be bound by an order or judgment in the action. Amends the School Code. In a Section concerning the debt limitations of school districts, provides that, in addition to all other authority to issue bonds, Joliet Public Schools District 86 may issue bonds with an aggregate principal amount not to exceed \$99,500,000 if certain conditions are met, including (1) that the voters of the district approve a proposition for the bond issuance at an election held on or after April 4, 2023 and (2) that, prior to the issuance of the bonds, the school board determines, by resolution, that the projects set forth in the proposition for the bond issuance were and are required because of the age and condition of the school district's existing school buildings. Provides that the debt incurred on the bonds shall not be considered indebtedness for purposes of any statutory debt limitation and that the bonds must mature within not to exceed 25 years from their date, notwithstanding any other law to the contrary.

With respect to Freeburg Community High School District 77 and Mundelein Consolidated High School District 120, changes the maximum aggregate principal amount that may be issued if the bonds are issued in more than one issuance. Provides that Washington School District 52 may issue bonds with an aggregate principal amount not to exceed \$20,000,000 if certain conditions are met, including (1) that the voters of the district approve a proposition for the bond issuance at an election held on or after April 4, 2023 and (2) that, prior to the issuance of the bonds, the school board determines, by resolution, that the projects set forth in the proposition for the bond issuance were and are required because of the age, condition, or capacity of the school district's existing school buildings. 20 ILCS 2630/5.2

Amends the Criminal Identification Act. Provides that a trafficking victim may petition for vacation and expungement of an offense (rather than shall be eligible to petition for immediate sealing) upon the completion of his or her last sentence if his or her participation in the underlying offense was proximately caused by the human trafficking (rather than a direct result of human trafficking). Provides that, if the offense is a crime of violence, the trafficking victim may petition for immediate sealing of the offense upon the completion of his or her last sentence. Provides that a petition may be prepared, signed, and filed electronically. Provides that the court may allow the petitioner to attend any required hearing remotely by audiovisual conference if the petition affirms that attendance in court would be an undue hardship or could create a risk of harm to the petitioner, and provides that the court may allow a petition to be filed under seal if the public filing of the petition would constitute a risk of harm to the petitioner.

House Committee Amendment No. 1

Provides that a trafficking victim may petition for vacation and expungement or immediate sealing of his or her criminal record (rather than expungement of an offense) upon the completion of his or her last sentence under specified circumstances. Provides that, if the offense is a crime of violence that is not a misdemeanor offense (rather than a crime of violence), the trafficking victim may only petition for immediate sealing of the offense upon the completion of his or her last sentence.

House Floor Amendment No. 2

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill, as amended by House Amendment No. 1, with the following changes. Replaces a requirement making an offense eligible for vacation and expungement or immediate sealing if it was proximately caused by human trafficking with a provision allowing vacation and expungement or immediate sealing if the offense was a result of human trafficking. Removes an exception providing that a trafficking victim may petition only for immediate sealing if the offense was a crime of violence other than a misdemeanor.

730 ILCS 150/2

from Ch. 38, par. 222

740 ILCS 128/10

Amends the Criminal Code of 2012. Changes the statute of limitations for grooming to provide that when the victim is under 17 years of age at the time of the offense, a prosecution for grooming may be commenced within 10 years after the victim or the person with a disability attains 17 years of age. Changes the name of the offenses of child sexual abuse material to child sexual abuse material. Changes the penalty for grooming from a Class 4 to a Class 3 felony. Deletes references to criminal transmission of HIV in various statutes. In the Sex Offenses Article of the Criminal Code of 2012, provides a definition for "unable to give knowing consent". Provides that a person commits sexual exploitation of a child if in the presence or virtual presence, or both, of a child and with knowledge that a child or one whom he or she believes to be a child would view his or her acts, that person knowingly entices, coerces, or persuades a child to participate in the production of the recording or memorializing a sexual act of persons ages 18 or older. Provides that a violation of this provision of sexual exploitation of a child is a Class 4 felony for a first offense; and a Class 3 felony for a second or subsequent offense, or if the person has been previously convicted of a sex offense. Amends the Code of Criminal Procedure of 1963. Provides that the court may set any conditions it finds just and appropriate on the taking of testimony of a victim or witness who is under 18 years of age or an intellectually disabled person or a person affected by a developmental disability (rather than a victim who is a child under the age of 18 years or a moderately, severely, or profoundly intellectually disabled person or a person affected by a developmental disability) involving the use of a facility dog in any criminal proceeding. Makes other changes concerning the admissibility of evidence in cases involving involuntary servitude, involuntary sexual servitude of a minor, and trafficking in persons. Amends various Acts to change references from "child pornography" to "child sexual abuse material".

House Committee Amendment No. 1

Provides that the definition of "family member" in the Sex Offenses Article of the Criminal Code of 2012 includes a sibling. Provides that "family member" also means, if the victim is under 18 years of age, an accused who has resided in the household with the child continuously for at least 3 (rather than 6) months. Restores a reference to aggravated child pornography which offense was repealed by Public Act 97-995, effective January 1, 2013.

House Committee Amendment No. 2

In the definition provisions of the Sex Offenses Article of the Criminal Code of 2012, deletes in the definition of "unable to give knowing consent" that the victim could not give intelligent agreement to the sexual act. Provides that a violation of the provisions of sexual exploitation of a child by knowingly enticing, coercing, or persuading a child to participate in the production of the recording or memorializing a sexual act of persons ages 18 or older is a Class 4 felony (rather than a Class 4 felony for a first offense and a Class 3 felony for a second or subsequent offense or if the person has been previously convicted of a sex crime). Provides that in order to commit the offense of grooming, the person be 5 years or more older than a child victim, or holding a position of trust, authority, or supervision in relation to the child at the time of the offense.

House Committee Amendment No. 3

In the amendatory changes to the Criminal Code of 2012, restores the Class 4 felony penalty for grooming.
