**PRESENTATION OF RESOLUTIONS**

**SENATE RESOLUTION NO. 524**

Offered by Senators McCann – Harmon and all Senators:  
Mourns the death of Timothy S. Bramlet of Springfield.

By unanimous consent, the foregoing resolution was referred to the Resolutions Consent Calendar.

Senator Steans offered the following Senate Resolution, which was referred to the Committee on Assignments:

**SENATE RESOLUTION NO. 523**

WHEREAS, Section 11 of Article V of the Illinois Constitution authorizes the Governor, by Executive Order, to reassign functions among or reorganize executive agencies that are directly responsible to the Governor; and

WHEREAS, Section 11 of Article V also provides (i) that if an Executive Order proposes a reassignment or reorganization that contravenes a statute, then the Executive Order must be delivered to the General Assembly and (ii) that either house of the General Assembly, by record vote of a majority of the members elected, may disapprove the Executive Order; and

[May 16, 2017]

WHEREAS, Section 3.2 of the Executive Reorganization Implementation Act provides that reorganization occurs when, among other circumstances, an Executive Order transfers the whole or any part of any agency or its functions to the jurisdiction and control of another agency; consolidates the functions of an agency; abolishes any agency that does not have or will not have, upon the taking effect of reorganization, any functions; or establishes a new agency to perform all or any part of the functions of an existing agency or agencies; and

WHEREAS, The Governor has issued Executive Order 2017-02, which proposes to consolidate the functions of the Human Rights Commission into the Department of Human Rights; and

WHEREAS, Executive Order 2017-02 qualifies as an executive reorganization order and is subject to Article V, Section 11 of the Illinois Constitution and the Executive Reorganization Implementation Act because it attempts to consolidate, transfer, or abolish entities that are directly responsible to the Governor in contravention of statute, including the Illinois Human Rights Act; and

WHEREAS, Executive Order 2017-02 was delivered in its entirety to the Secretary of the Senate and the Clerk of the House of Representatives on March 31, 2017; and

WHEREAS, No executive reorganization order may take effect until not less than 60 calendar days after its delivery to the General Assembly; and

WHEREAS, The 60-day period for the General Assembly to disapprove Executive Order 2017-02 expires on May 30, 2017; and

WHEREAS, Executive Order 2017-02 contains a severability clause that purports to preserve any portions of the Order not found invalid, thereby relying on the notion that the General Assembly does not have jurisdiction over Executive Order 2017-02 as a whole, but, instead, has the authority only to disapprove the portions that contravene a statute; and

WHEREAS, Section VI of Executive Order 2017-02 states that the Order does not contravene and shall not be construed to contravene any State statute (except as provided in Section IV, which suspends any prior act of the General Assembly that is inconsistent with the Order and therefore expressly contravenes numerous statutes), regardless of the fact that the Order in its entirety was delivered to the General Assembly and regardless of the fact that the Order in its entirety modifies, changes, or alters the Illinois Human Rights Act so that the Act would have to be substantially amended to conform and be consistent with the change effected in law by the reorganization; and

WHEREAS, The General Assembly has the constitutional and statutory authority to consider each Executive Order that contravenes a statute; therefore, be it

RESOLVED, BY THE SENATE OF THE ONE HUNDREDTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that pursuant to Article V, Section 11 of the Illinois Constitution, the Senate hereby disapproves Executive Order 2017-02 in its entirety; and be it further

RESOLVED, That the Executive Order 2017-02 shall not become effective; and be it further

RESOLVED, That copies of this resolution be delivered to the Governor and the Speaker of the House of Representatives.

(20 ILCS 301/5-10)

Sec. 5-10. Functions of the Department.

(a) In addition to the powers, duties and functions vested in the Department by this Act, or by other laws of this State, the Department shall carry out the following activities:

(1) Design, coordinate and fund a comprehensive and coordinated community-based and culturally and gender-appropriate array of services throughout the State for the prevention, intervention, treatment and rehabilitation of alcohol and other drug abuse and dependency that is accessible and addresses the needs of at-risk or addicted individuals and their families.

(2) Act as the exclusive State agency to accept, receive and expend, pursuant to appropriation, any public or private monies, grants or services, including those received from the federal government or from other State agencies, for the purpose of providing an array of services for the prevention, intervention, treatment and rehabilitation of alcoholism or other drug abuse or dependency. Monies received by the Department shall be deposited into appropriate funds as may be created by State law or administrative action.

(2.5) In partnership with the Department of Healthcare and Family Services, act as one of the principal State agencies for the sole purpose of calculating the maintenance of effort requirement under Section 1930 of Title XIX, Part B, Subpart II of the Public Health Service Act (42 U.S.C. 300x-30) and the Interim Final Rule (45 CFR 96.134).

(3) Coordinate a statewide strategy among State agencies for the prevention, intervention, treatment and rehabilitation of alcohol and other drug abuse and dependency. This strategy shall include the development of an annual comprehensive State plan for the provision of an array of services for education, prevention, intervention, treatment, relapse prevention and other services and activities to alleviate alcoholism and other drug abuse and dependency. The plan shall be based on local community-based needs and upon data including, but not limited to, that which defines the prevalence of and costs associated with the abuse of and dependency upon alcohol and other drugs. This comprehensive State plan shall include identification of problems, needs, priorities, services and other pertinent information, including the needs of minorities and other specific populations in the State, and shall describe how the identified problems and needs will be addressed. For purposes of this paragraph, the term "minorities and other specific populations" may include, but shall not be limited to, groups such as women, children, intravenous drug users, persons with AIDS or who are HIV infected, African-Americans, Puerto Ricans, Hispanics, Asian Americans, the elderly, persons in the criminal justice system, persons who are clients of services provided by other State agencies, persons with disabilities and such other specific populations as the Department may from time to time identify. In developing the plan, the Department shall seek input from providers, parent groups, associations and interested citizens.

Beginning with State fiscal year 1996, the annual comprehensive State plan developed under this Section shall include an explanation of the rationale to be used in ensuring that funding shall be based upon local community needs, including, but not limited to, the incidence and prevalence of, and costs associated with, the abuse of and dependency upon alcohol and other drugs, as well as upon demonstrated program performance.

The annual comprehensive State plan developed under this Section shall contain a report detailing the activities of and progress made by the programs for the care and treatment of addicted pregnant women, addicted mothers and their children established under subsection (j) of Section 35-5 of this Act.

Each State agency which provides or funds alcohol or drug prevention, intervention and treatment services shall annually prepare an agency plan for providing such services, and these shall be used by the Department in preparing the annual comprehensive statewide plan. Each agency's annual plan for alcohol and drug abuse services shall contain a report on the activities and progress of such services in the prior year. The Department may provide technical assistance to other State agencies, as required, in the development of their agency plans.

(4) Lead, foster and develop cooperation, coordination and agreements among federal and State governmental agencies and local providers that provide assistance, services, funding or other functions, peripheral or direct, in the prevention, intervention, treatment or rehabilitation of alcoholism and other drug abuse and dependency. This shall include, but shall not be limited to, the following:

(B) Cooperate with and assist the Illinois Department of Public Health in the establishment, funding and support of programs and services for the promotion of maternal and child health and the prevention and treatment of infectious diseases, including but not limited to HIV infection, especially with respect to those persons who may abuse drugs by intravenous injection, or may have been sexual partners of drug abusers, or may have abused substances so that their immune systems are impaired, causing them to be at high risk.

(C) Supply to the Department of Public Health and prenatal care providers a list of all alcohol and other drug abuse service providers for addicted pregnant women in this State.

(D) Assist in the placement of child abuse or neglect perpetrators (identified by the Illinois Department of Children and Family Services) who have been determined to be in need of alcohol or other drug abuse services pursuant to Section 8.2 of the Abused and Neglected Child Reporting Act.

(E) Cooperate with and assist the Illinois Department of Children and Family Services in carrying out its mandates to:

(i) identify alcohol and other drug abuse issues among its clients and their families; and

(ii) develop programs and services to deal with such problems.

These programs and services may include, but shall not be limited to, programs to prevent the abuse of alcohol or other drugs by DCFS clients and their families, rehabilitation services, identifying child care needs within the array of alcohol and other drug abuse services, and assistance with other issues as required.

(F) Cooperate with and assist the Illinois Criminal Justice Information Authority with respect to statistical and other information concerning drug abuse incidence and prevalence.

(G) Cooperate with and assist the State Superintendent of Education, boards of education, schools, police departments, the Illinois Department of State Police, courts and other public and private agencies and individuals in establishing prevention programs statewide and preparing curriculum materials for use at all levels of education. An agreement shall be entered into with the State Superintendent of Education to assist in the establishment of such programs.

(H) Cooperate with and assist the Illinois Department of Healthcare and Family Services in the development and provision of services offered to recipients of public assistance for the treatment and prevention of alcoholism and other drug abuse and dependency.

(I) Provide training recommendations to other State agencies funding alcohol or other drug abuse prevention, intervention, treatment or rehabilitation services.

(5) From monies appropriated to the Department from the Drunk and Drugged Driving Prevention Fund, make grants to reimburse DUI evaluation and remedial education programs licensed by the Department for the costs of providing indigent persons with free or reduced-cost services relating to a charge of driving under the influence of alcohol or other drugs.

(6) Promulgate regulations to provide appropriate standards for publicly and privately funded programs as well as for levels of payment to government funded programs which provide an array of services for prevention, intervention, treatment and rehabilitation for alcoholism and other drug abuse or dependency.

(7) In consultation with local service providers, specify a uniform statistical methodology for use by agencies, organizations, individuals and the Department for collection and dissemination of statistical information regarding services related to alcoholism and other drug use and abuse.
