(d) On completion of sentence of imprisonment or upon discharge from probation, conditional discharge or periodic imprisonment, or at any time thereafter, all license rights and privileges granted under the authority of this State which have been revoked or suspended because of conviction of an offense shall be restored unless the authority having jurisdiction of such license rights finds after investigation and hearing that restoration is not in the public interest. This paragraph (d) shall not apply to the suspension or revocation of a license to operate a motor vehicle under the Illinois Vehicle Code.

(e) Upon a person's discharge from incarceration or parole, or upon a person's discharge from probation or at any time thereafter, the committing court may enter an order certifying that the sentence has been satisfactorily completed when the court believes it would assist in the rehabilitation of the person and be consistent with the public welfare. Such order may be entered upon the motion of the defendant or the State or upon the court's own motion.

(f) Upon entry of the order, the court shall issue to the person in whose favor the order has been entered a certificate stating that his behavior after conviction has warranted the issuance of the order.

(g) This Section shall not affect the right of a defendant to collaterally attack his conviction or to rely on it in bar of subsequent proceedings for the same offense.

(h) No application for any license specified in subsection (i) of this Section granted under the authority of this State shall be denied by reason of an eligible offender who has obtained a certificate of relief from disabilities, as defined in Article 5.5 of this Chapter, having been previously convicted of one or more criminal offenses, or by reason of a finding of lack of "good moral character" when the finding is based upon the fact that the applicant has previously been convicted of one or more criminal offenses, unless:

  - (6) the seriousness of the offense or offenses;
  - (7) any information produced by the person or produced on his or her behalf in regard to his or her rehabilitation and good conduct, including a certificate of relief from disabilities issued to the applicant, which certificate shall create a presumption of rehabilitation in regard to the offense or offenses specified in the certificate; and
  - (8) the legitimate interest of the licensing agency in protecting property, and the safety and welfare of specific individuals or the general public.
- (i) A certificate of relief from disabilities shall be issued only for a license or certification issued under the following Acts:

- (1) the Animal Welfare Act; except that a certificate of relief from disabilities may not be granted to provide for the issuance or restoration of a license under the Animal Welfare Act for any person convicted of violating Section 3, 3.01, 3.02, 3.03, 3.03-1, or 4.01 of the Humane Care for Animals Act or Section 26-5 or 48-1 of the Criminal Code of 1961 or the Criminal Code of 2012;

Section 20. The Mechanics Lien Act is amended by changing Section 1 as follows:  
(770 ILCS 60/1) (from Ch. 82, par. 1)

Sec. 1. Contractor defined; amount of lien; waiver of lien; attachment of lien; agreement to waive; when not enforceable.

(a) Any person who shall by any contract or contracts, express or implied, or partly expressed or implied, with the owner of a lot or tract of land, or with one whom the owner has authorized or knowingly permitted to contract, to improve the lot or tract of land or for the purpose of improving the tract of land, or to manage a structure under construction thereon, is known under this Act as a contractor and has a lien upon the whole of such lot or tract of land and upon adjoining or adjacent lots or tracts of land of such owner constituting the same premises and occupied or used in connection with such lot or tract of land as a place of residence or business; and in case the contract relates to 2 or more buildings, on 2 or more lots or tracts of land, upon all such lots and tracts of land and improvements thereon for the amount due to him or her for the material, fixtures, apparatus, machinery, services or labor, and interest at the rate of 10% per annum from the date the same is due. This lien extends to an estate in fee, for life, for years, or any other estate

[May 19, 2017]

or any right of redemption or other interest that the owner may have in the lot or tract of land at the time of making such contract or may subsequently acquire and this lien attaches as of the date of the contract.

(b) As used in subsection (a) of this Section, "improve" means to furnish labor, services, material, fixtures, apparatus or machinery, forms or form work in the process of construction where cement, concrete or like material is used for the purpose of or in the building, altering, repairing or ornamenting any house or other building, walk or sidewalk, whether the walk or sidewalk is on the land or bordering thereon, driveway, fence or improvement or appurtenances to the lot or tract of land or connected therewith, and upon, over or under a sidewalk, street or alley adjoining; or fill, sod or excavate such lot or tract of land, or do landscape work thereon or therefor; or raise or lower any house thereon or remove any house thereto, or remove any house or other structure therefrom, or perform any services or incur any expense as an architect, structural engineer, professional engineer, land surveyor, registered interior designer, or property manager in, for, or on a lot or tract of land for any such purpose; or drill any water well thereon; or furnish or perform labor or services as superintendent, time keeper, mechanic, laborer or otherwise, in the building, altering, repairing or ornamenting of the same; or furnish material, fixtures, apparatus, machinery, labor or services, forms or form work used in the process of construction where concrete, cement or like material is used, or drill any water well on the order of his agent, architect, structural engineer, registered interior designer, or superintendent having charge of the improvements, building, altering, repairing, or ornamenting the same.

(c) The taking of additional security by the contractor or sub-contractor is not a waiver of any right of lien which he may have by virtue of this Act, unless made a waiver by express agreement of the parties and the waiver is not prohibited by this Act.

(d) An agreement to waive any right to enforce or claim any lien under this Act, or an agreement to subordinate the lien, where the agreement is in anticipation of and in consideration for the awarding of a contract or subcontract, either express or implied, to perform work or supply materials for an improvement upon real property is against public policy and unenforceable. This Section does not prohibit release of lien under subsection (b) of Section 35 of this Act, nor does it prohibit an agreement to subordinate a mechanics lien to a mortgage lien that secures a construction loan if that agreement is made after more than 50% of the loan has been disbursed to fund improvements to the property.

(20 ILCS 1605/7.12)

(Section scheduled to be repealed on July 1, 2017)

Sec. 7.12. Internet program.

(a) The General Assembly finds that:

(1) the consumer market in Illinois has changed since the creation of the Illinois State Lottery in 1974;

(2) the Internet has become an integral part of everyday life for a significant number of Illinois residents not only in regards to their professional life, but also in regards to personal business and communication; and

(3) the current practices of selling lottery tickets does not appeal to the new form of market participants who prefer to make purchases on the Internet at their own convenience.

It is the intent of the General Assembly to create an Internet program for the sale of lottery tickets to capture this new form of market participant.

(b) The Department shall create a program that allows an individual 18 years of age or older to purchase lottery tickets or shares on the Internet without using a Lottery retailer with on-line status, as those terms

The Department shall implement the Internet program only if the Department of Justice does not object to the implementation of the program within a reasonable period of time after its review.

The Department is obligated to implement the program set forth in this Section and Sections 7.15 and 7.16 only at such time, and to such extent, that the Department of Justice does not object to the implementation of the program within a reasonable period of time after its review. While the Illinois Lottery may only offer Lotto, Mega Millions, and Powerball games through the program, the Department shall request review from the federal Department of Justice for the Illinois Lottery to sell lottery tickets on the Internet on behalf of the State of Illinois that are not limited to just these games.

The Department shall authorize the private manager to implement and administer the program pursuant to the management agreement entered into under Section 9.1 and in a manner consistent with the provisions of this Section. If a private manager has not been selected pursuant to Section 9.1 at the time the Department is obligated to implement the program, then the Department shall not proceed with the program until after the selection of the private manager, at which time the Department shall authorize the private manager to implement and administer the program pursuant to the management agreement entered into under Section 9.1 and in a manner consistent with the provisions of this Section.

Nothing in this Section shall be construed as prohibiting the Department from implementing and operating a website portal whereby individuals who are 18 years of age or older with an Illinois mailing address may apply to purchase lottery tickets via subscription. Nothing in this Section shall also be construed as prohibiting the sale of Lotto, Mega Millions, and Powerball games by a lottery licensee pursuant to the Department's rules.
