Senator Morrison offered the following Senate Resolution, which was referred to the Committee on Assignments:

SENATE RESOLUTION NO. 1293

WHEREAS, There are 230,000 diagnosed kidney disease patients in Illinois and approximately 26 million kidney disease patients nationwide; 96% of them do not know they have kidney disease; and

WHEREAS, Five of every six patients on the organ transplant waiting list are seeking a kidney transplant, which translates to 83%; and

WHEREAS, Each year, approximately 150 Illinoisans will die waiting for a kidney transplant and approximately 4,500 nationwide will die while waiting; approximately 170 Illinoisans are removed from the organ transplant waiting list every year due to advanced illness caused by the life-threatening wait for a kidney; and

WHEREAS, Approximately 700 Illinoisans will receive a kidney transplant in a year and more than 1,200 new names are added to the list each year; and

WHEREAS, Living kidney donation can end this life-threatening wait and help more patients receive a transplant; the majority of those who donate are pleased with their decision and go on to live full, healthy, and vibrant lives; and

WHEREAS, Living kidney donation is currently the best and most cost-effective treatment for end stage renal failure; a kidney donation by a living donor as opposed to a deceased donor lasts significantly longer, vastly improving the patient's quality of life; and

WHEREAS, Living kidney donors have successfully improved outcomes for more than 150,000 kidney transplant recipients; more than 6,800 of whom received transplants in Illinois; and

WHEREAS, The State of Illinois and the National Kidney Foundation of Illinois are committed to increasing awareness by recognizing living kidney donors who give kidney disease patients hope for a better tomorrow; therefore, be it

RESOLVED, BY THE SENATE OF THE ONE HUNDREDTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we recognize the citizens of Illinois who have selflessly donated a kidney and saved a life as a living kidney donor; and be it further

RESOLVED, That we recognize the commitment of the National Kidney Foundation of Illinois and their support of our kidney disease patients' hope for a better and longer life; and be it further

[January 24, 2018]

RESOLVED, That we declare June 25, 2018 as "Living Kidney Donors Day" in the State of Illinois; and be it further

RESOLVED, That a suitable copy of this resolution be presented to the National Kidney Foundation of Illinois.

Senator Murphy offered the following Senate Resolution, which was referred to the Committee on Assignments:

SENATE RESOLUTION NO. 1301

WHEREAS, Lyme disease is a bacterial disease transmitted by infected ticks; and

WHEREAS, Lyme disease was first recognized in the United States in 1975 after a mysterious outbreak of arthritis near Old Lyme, Connecticut; since then, reports of Lyme disease have increased dramatically, and the disease has become an important public health concern; and

WHEREAS, The Centers for Disease Control and Prevention states that the reported Lyme disease cases are numbered at 30,000 a year in the United States, but the actual burden of Lyme disease may actually be as high as 300,000 cases a year throughout the United States; and

WHEREAS, The signs and symptoms of Lyme disease can vary greatly from one person to another; symptoms can also vary with the length of time a person has been infected; the initial symptoms of Lyme disease are similar to those of more common diseases, such as a flu-like illness without a cough or mononucleosis, and many infected persons do not recall a tick bite; further symptoms can develop over time, including fever, severe headache and stiff neck, certain heart irregularities, temporary paralysis of facial muscles, pain with numbness or weakness in the arms or legs, loss of concentration or memory problems, and, most commonly, Lyme arthritis; and

WHEREAS, Not all ticks carry the bacterium of Lyme disease, and a bite does not always result in the development of Lyme disease, however, since it is impossible to tell by sight which ticks are infected, it is important to avoid tick bites whenever possible and to perform regular tick checks when traversing in tick-invested areas of the United States, any wooded areas, or any areas with tall grass and weeds; and

WHEREAS, While Lyme disease has been associated with outdoor activities that involve being in the woods or in areas with tall grass and weeds, recent reports have connected Lyme disease transmission with the growing incidence of infestations of mice in homes, as mice carry ticks that carry Lyme disease bacterium; a single mouse may have 60 to 100 ticks covering its ears and face; and

WHEREAS, As Lyme disease is a complex illness with both acute and chronic manifestation, there continues to be a need to increase funding for Lyme disease treatment and prevention; in 2015, the first major research program devoted to the causes and cures of Lyme disease was established at Johns Hopkins School of Medicine as the Lyme Disease Clinical Research Center; and

WHEREAS, Initial funding from federal grants has been able to start research known as the Study of Lyme Disease Immunology and Clinical Events (SLICE); the federal 21st Century Cures Act created a working group within the United States Department of Health and Human Services to improve outcomes of Lyme disease and to develop a plan for improving diagnosis, treatment, and prevention; however, there is still a need for more research on Lyme disease and efforts to promote awareness of its signs and symptoms; therefore, be it

RESOLVED, BY THE SENATE OF THE ONE HUNDREDTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we declare May 24, 2018 as "Lyme Disease Awareness Day" in the State of Illinois to promote awareness of the impact that Lyme disease has on our society.

[January 24, 2018]

Senator Connelly offered the following Senate Resolution, which was referred to the Committee on Assignments:

SENATE RESOLUTION NO. 1308

WHEREAS, It is highly fitting that the Illinois Senate pays honor and respect to the truly great individuals who have served our country and, in doing so, have gone above and beyond the call of duty in truly heroic acts; and

WHEREAS, Jeffrey Allen Williams was born in Kansas City, Missouri to Sandra Smith on February 23, 1985; he graduated from Wheaton Warrenville South High School in 2003; and

WHEREAS, Jeffrey Williams joined the United States Army after high school, achieving the rank of Corporal; he was deployed to Iraq in February of 2005 where he valiantly served as an Army Medic in Operation Iraqi Freedom; and

WHEREAS, For his heroism, Jeffrey Williams was awarded the Bronze Star Medal, the Purple Heart, the Army Commendation Medal, the Iraqi Campaign Medal, the Global War on Terrorism Service Medal, the National Defense Service Medal, the Army Service Ribbon, and the Combat Medic Badge; and

WHEREAS, Jeffrey Williams was killed in action while serving his country on September 5, 2005 in Iraq; and

WHEREAS, Jeffery Williams had a deep connection to the Warrenville Post Office due to running errands to help his mother and, in doing so, he befriended many of the employees; and

WHEREAS, Jeffrey Williams' service to our nation deserves recognition; therefore, be it

RESOLVED, BY THE SENATE OF THE ONE HUNDREDTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we urge the U.S. Postal Service to rename the Warrenville Post Office in honor of Jeffrey Allen Williams to honor his heroic service to our nation; and be it further

RESOLVED, That suitable copies of this resolution be delivered to Postmaster General of the United States Megan J. Brennan, President Donald Trump, U.S. Senate Majority Leader Mitch McConnell, U.S. Senate Minority Leader Chuck Schumer, U.S. Speaker of the House Paul Ryan, U.S. House of Representatives Minority Leader Nancy Pelosi, and all members of the Illinois Congressional Delegation.
