The dual credit programs shall encompass the following characteristics:

(A) Student learning outcomes expected for dual credit courses in General Education Core Curriculum courses and the professional and career and technical disciplines shall be the same as the student learning outcomes expected for the same courses taught on the postsecondary campus.

(B) Course content, course delivery, and course rigor shall be evaluated by the community college chief academic officer or his or her designee, in consultation with the school district's superintendent or his or her designee. The evaluation shall be conducted in a manner that is consistent with the community college district's review and evaluation policy and procedures for on-campus adjunct faculty, including visits to the secondary class. This evaluation shall be limited to the course and the ability of the instructor to deliver quality, rigorous college credit coursework. This evaluation shall not impact the instructor's performance evaluation under Article 24A of the School Code.

(C) The academic supports and, if applicable, guidance that will be provided to students participating in the program by the high school and the community college district.

(8) Identify all fees and costs to be assessed by the community college district for dual credit courses. This provision shall require that any fees and costs assessed for dual credit courses shall be reasonable and promote student access to those courses, and may take into account regional considerations and differences.

(9) The community college district shall establish a mechanism for evaluating and documenting on a regular basis the performance of students who complete dual credit courses, consistent with paragraph (9) of Section 20 and Section 30 of this Act, and for sharing that data in a meaningful and timely manner with the school district. This evaluation shall be limited to the course and the coursework. This evaluation shall not impact the instructor's performance evaluation under Article 24A of the School Code.

If, within 180 calendar days of the school district's initial request to enter into a partnership agreement with the community college district, the school district and the community college district do not reach agreement on the partnership agreement, then the school district and community college district shall jointly implement the provisions of the Model Partnership Agreement established under Section 19 of this Act for which local agreement could not be reached. A community college district may combine its negotiations with multiple school districts to establish one multi-district partnership agreement or may negotiate individual partnership agreements at its discretion.

(110 ILCS 27/17 new)

Sec. 17. Out-of-state dual credit contracts. On or after the effective date of this amendatory Act of the 100th General Assembly, a school district may not enter into a new contract with an out-of-state institution to provide a dual credit course without first offering the community college district in the district in which the school district is located the opportunity to provide the course. Prior to entering into a contract with an out-of-state institution, the school district shall notify the Board of Higher Education of its intent to enter into an agreement with an out-of-state institution. The Board of Higher Education shall have 30 days to provide the school district with a list of in-state institutions that can provide the school district an equivalent dual credit opportunity. In deciding which dual credit courses to offer, a school district reserves the right to evaluate any dual credit course offered by any institution for quality, rigor, and alignment with the school district's students' needs.

Agreements to provide dual credit courses between a school district and an out-of-state institution in existence on the effective date of this amendatory Act of the 100th General Assembly shall remain in effect and shall not be impacted by this Section.

(110 ILCS 27/18 new)

Sec. 18. Recognition of dual credit coursework completion. Any General Education Core Curriculum dual credit coursework completed by a high school student under this Act must be recognized as credit-bearing college-level coursework meeting General Education Core Curriculum requirements, consistent with the Illinois Articulation Initiative Act, if the course or courses have an existing Illinois Articulation Initiative code at the community college. Dual credit coursework completed by a high school student under this Act is transferrable to all public institutions in this State on the same basis as coursework completed by a public community college student who has previously earned a high school diploma in the manner set forth under the Illinois Articulation Initiative Act.

(110 ILCS 27/19 new)

Sec. 19. Model Partnership Agreement and Dual Credit Committee. A Model Partnership Agreement shall be developed through a Dual Credit Committee involving collaboration between the Illinois Community College Board and the State Board of Education by June 30, 2019. The Committee shall consist of 5 members appointed by the State Superintendent of Education and 5 members appointed by the Executive Director of the Illinois Community College Board. The Model Partnership Agreement shall address all of the matters set forth in Section 16 of this Act.

(110 ILCS 27/20)

Sec. 20. Standards. All institutions offering dual credit courses shall meet the following standards:

The institution shall have 30 days to review the plan and approve an instructor professional development plan that is in line with the credentials set forth in paragraph (2) of this Section. The institution shall not unreasonably withhold approval of a professional development plan. These approvals shall be good for as long as satisfactory progress toward the completion of the credential is demonstrated, but in no event shall a professional development plan be in effect for more than 3 years from the date of its approval. A high school instructor whose professional development plan is not approved by the institution may appeal to the Illinois Community College Board or the Board of Higher Education, as appropriate.

(C) The Illinois Community College Board shall report yearly on its Internet website the number of teachers who have approved professional development plans under this Section.

(2) A high school instructor shall qualify for a professional development plan if the instructor:

(A) has a master's degree in any discipline and has earned 9 graduate hours in a discipline in which he or she is currently teaching or expects to teach; or

(B) has a bachelor's degree with a minimum of 18 graduate hours in a discipline that he or she is currently teaching or expects to teach and is enrolled in a discipline-specific master's degree program; and

(8) Every dual credit course must be reviewed annually by faculty through the appropriate department to ensure consistency with campus courses.

(9) Dual credit students must be assessed using methods consistent with students in traditional credit-bearing college courses.

(3) Subject to federal approval, the Department of Healthcare and Family Services must implement an ex parte renewal process for Medicaid-eligible individuals residing in long-term care facilities. (1) The Departments shall review, in collaboration with representatives of affected providers, all forms and procedures currently in use, federal guidelines either suggested or mandated, and staff deployment by September 30, 2014 to identify additional measures that can improve long-term care eligibility processing and make adjustments where possible.

(2) No later than June 30, 2014, the Department of Healthcare and Family Services shall issue vouchers for advance payments not to exceed \$50,000,000 to nursing facilities with significant outstanding Medicaid liability associated with services provided to residents with Medicaid applications pending and residents facing the greatest delays. Such simplified verification policies shall apply to community cases as well as long-term care cases.

(5) As soon as practicable, but not later than July 1, 2014, the Department of Healthcare and Family Services and the Department of Human Services shall jointly begin a special enrollment project by using simplified eligibility verification policies and by redeploying caseworkers trained to handle long-term care cases to prioritize those cases, until the backlog is eliminated and processing time is within 90 days. No local Department of Human Services office shall refuse to accept an electronically filed application.

(e) (8) Notwithstanding any other provision of this Code, the Department of Human Services and the Department of Healthcare and Family Services' Office of the Inspector General shall, upon request, allow an applicant additional time to submit information and documents needed as part of a review of available resources or resources transferred during the look-back period. The initial extension shall not exceed 30 days. A second extension of 30 days may be granted upon request. Any request for information issued by the State to an applicant shall include the following: an explanation of the information required and the date by which the information must be submitted; a statement that failure to respond in a timely manner can result in denial of the application; a statement that the applicant or the facility in the name of the applicant may seek an extension; and the name and contact information of a caseworker in case of questions. Any such request for information shall also be sent to the facility. In deciding whether to grant an extension, the Department of Human Services or the Department of Healthcare and Family Services' Office of the Inspector General shall take into account what is in the best interest of the applicant. The time limits for processing an application shall be tolled during the period of any extension granted under this subsection.

(f) (9) The Department of Human Services and the Department of Healthcare and Family Services must jointly compile data on pending applications, denials, appeals, and redeterminations into a monthly report, which shall be posted on each Department's website for the purposes of monitoring long-term care eligibility processing. (2) compliance with federal regulations on the timely determination of eligibility as provided under 42 CFR 435.912;

(3) the accuracy and completeness of the report required under paragraph (9) of subsection (e);

(4) the efficacy and efficiency of the task-based process used for making eligibility

(5) any issues affecting eligibility determinations related to the Department of Human Services' staff completing Medicaid eligibility determinations instead of the designated single-state Medicaid agency in Illinois, the Department of Healthcare and Family Services.

The Auditor General's report shall include any and all other areas or issues which are identified through an annual review. Paragraphs (1) through (5) of this subsection shall not be construed to limit the scope of the annual review and the Auditor General's authority to thoroughly and completely evaluate any and all processes, policies, and procedures concerning compliance with federal and State law requirements on eligibility determinations for Medicaid long-term care services and supports.

(h) The Department of Healthcare and Family Services shall adopt any rules necessary to administer and enforce any provision of this Section. Rulemaking shall not delay the full implementation of this Section.

(1) The Departments shall review, in collaboration with representatives of affected providers, all forms and procedures currently in use, federal guidelines either suggested or mandated, and staff deployment by September 30, 2014 to identify additional measures that can improve long-term care eligibility processing and make adjustments where possible.

(2) No later than June 30, 2014, the Department of Healthcare and Family Services shall issue vouchers for advance payments not to exceed \$50,000,000 to nursing facilities with significant outstanding Medicaid liability associated with services provided to residents with Medicaid applications pending and residents facing the greatest delays. Each facility with an advance payment shall state in writing whether its own recoupment schedule will be in 3 or 6 equal monthly installments, as long as all advances are recouped by June 30, 2015.

(3) The Department of Healthcare and Family Services' Office of Inspector General and the Department of Human Services shall immediately forgo resource review and review of transfers during the relevant look-back period for applications that were submitted prior to September 1, 2013. An applicant who applied prior to September 1, 2013, who was denied for failure to cooperate in providing required information, and whose application was incorrectly reviewed under the wrong look-back period rules may request review and correction of the denial based on this subsection. If found eligible upon review, such applicants shall be retroactively enrolled.

(4) As soon as practicable, the Department of Healthcare and Family Services shall implement policies and promulgate rules to simplify financial eligibility verification in the following instances: (A) for applicants or recipients who are receiving Supplemental Security Income payments or who had been receiving such payments at the time they were admitted to a nursing facility and (B) for applicants or recipients with verified income at or below 100% of the federal poverty level when the declared value of their countable resources is no greater than the allowable amounts pursuant to Section 5-2 of this Code for classes of eligible persons for whom a resource limit applies. Such simplified verification policies shall apply to community cases as well as long-term care cases.

(5) As soon as practicable, but not later than July 1, 2014, the Department of Healthcare and Family Services and the Department of Human Services shall jointly begin a special enrollment project by using simplified eligibility verification policies and by redeploying caseworkers trained to handle long-term care cases to prioritize those cases, until the backlog is eliminated and processing time is within 90 days. This project shall apply to applications for long-term care received by the State on or before May 15, 2014.

(6) As soon as practicable, but not later than September 1, 2014, the Department on Aging shall make available to long-term care facilities and community providers upon request, through an electronic method, the information contained within the Interagency Certification of Screening Results completed by the prescriber, in a form and manner acceptable to the Department of Human Services.

(d) (7) Effective 30 days after the completion of 3 regionally based trainings, nursing facilities shall submit all applications for medical assistance online via the Application for Benefits Eligibility (ABE) website. This requirement shall extend to scanning and uploading with the online application any required additional forms such as the Long Term Care Facility Notification and the Additional Financial Information for Long Term Care Applicants as well as scanned copies of any supporting documentation. Long-term care facility admission documents must be submitted as required in Section 5-5 of this Code. No local Department of Human Services office shall refuse to accept an electronically filed application. No local Department of Human Services office shall request submission of any document in hard copy.

(e) (8) Notwithstanding any other provision of this Code, the Department of Human Services and the Department of Healthcare and Family Services' Office of the Inspector General shall, upon request, allow an applicant additional time to submit information and documents needed as part of a review of available

resources or resources transferred during the look-back period. The initial extension shall not exceed 30 days. A second extension of 30 days may be granted upon request. Any request for information issued by the State to an applicant shall include the following: an explanation of the information required and the date by which the information must be submitted; a statement that failure to respond in a timely manner can result in denial of the application; a statement that the applicant or the facility in the name of the applicant may seek an extension; and the name and contact information of a caseworker in case of questions. Any such request for information shall also be sent to the facility. In deciding whether to grant an extension, the Department of Human Services or the Department of Healthcare and Family Services' Office of the Inspector General shall take into account what is in the best interest of the applicant. The time limits for processing an application shall be tolled during the period of any extension granted under this subsection.

(f) (9) The Department of Human Services and the Department of Healthcare and Family Services must jointly compile data on pending applications, denials, appeals, and redeterminations into a monthly report, which shall be posted on each Department's website for the purposes of monitoring long-term care eligibility processing. The report must specify the number of applications and redeterminations pending long-term care eligibility determination and admission and the number of appeals of denials in the following categories:

(A) Length of time applications, redeterminations, and appeals are pending - 0 to 45 days, 46 days to 90 days, 91 days to 180 days, 181 days to 12 months, over 12 months to 18 months, over 18 months to 24 months, and over 24 months.

(B) Percentage of applications and redeterminations pending in the Department of Human Services' Family Community Resource Centers, in the Department of Human Services' long-term care hubs, with the Department of Healthcare and Family Services' Office of Inspector General, and those applications which are being tolled due to requests for extension of time for additional information.

(C) Status of pending applications, denials, appeals, and redeterminations.

(g) (4) Beginning on July 1, 2017, the Auditor General shall report every 3 years to the General Assembly on the performance and compliance of the Department of Healthcare and Family Services, the Department of Human Services, and the Department on Aging in meeting the requirements of this Section and the federal requirements concerning eligibility determinations for Medicaid long-term care services and supports, and shall report any issues or deficiencies and make recommendations. The Auditor General shall, at a minimum, review, consider, and evaluate the following:

(1) compliance with federal regulations on furnishing services as related to Medicaid long-term care services and supports as provided under 42 CFR 435.930;

(2) compliance with federal regulations on the timely determination of eligibility as provided under 42 CFR 435.912;

(3) the accuracy and completeness of the report required under paragraph (9) of subsection (e);

(4) the efficacy and efficiency of the task-based process used for making eligibility determinations in the centralized offices of the Department of Human Services for long-term care services, including the role of the State's integrated eligibility system, as opposed to the traditional caseworker-specific process from which these central offices have converted; and

(5) any issues affecting eligibility determinations related to the Department of Human Services' staff completing Medicaid eligibility determinations instead of the designated single-state Medicaid agency in Illinois, the Department of Healthcare and Family Services.

The Auditor General's report shall include any and all other areas or issues which are identified through an annual review. Paragraphs (1) through (5) of this subsection shall not be construed to limit the scope of the annual review and the Auditor General's authority to thoroughly and completely evaluate any and all processes, policies, and procedures concerning compliance with federal and State law requirements on eligibility determinations for Medicaid long-term care services and supports.

(h) The Department of Healthcare and Family Services shall adopt any rules necessary to administer and enforce any provision of this Section. Rulemaking shall not delay the full implementation of this Section.

Sec. 11-6. Decisions on applications. Within 10 days after a decision is reached on an application, the applicant shall be notified in writing of the decision. If the applicant resides in a facility licensed under the Nursing Home Care Act or a supportive living facility authorized under Section 5-5.01a, the facility shall also receive written notice of the decision, provided that the notification is related to a Department payment for services received by the applicant in the facility. Only facilities enrolled in and subject to a provider

The Department shall consider eligibility for, and the notice shall contain a decision on, each of the following assistance programs for which the client may be eligible based on the information contained in the application: Temporary Assistance for Needy Families, Medical Assistance, Aid to the Aged, Blind and Disabled, General Assistance (in the City of Chicago), and food stamps. No decision shall be required for any assistance program for which the applicant has expressly declined in writing to apply. If the applicant is determined to be eligible, the notice shall include a statement of the amount of financial aid to be provided and a statement of the reasons for any partial grant amounts. If the applicant is determined ineligible for any public assistance the notice shall include the reason why the applicant is ineligible and a list of all missing supporting documents and information and the date the documents were requested. If the application for any public assistance is denied, the notice shall include a statement defining the applicant's right to appeal the decision. The Illinois Department, by rule, shall determine the date on which assistance shall begin for applicants determined eligible. That date may be no later than 30 days after the date of the application.

Under no circumstances may any application be denied solely to meet an application-processing deadline. As used in this Section, "application" also refers to requests for admission approval to facilities licensed under the Nursing Home Care Act or to supportive living facilities authorized under Section 5-5.01a.

Those forms shall be retained by the licensed clinical social worker, licensed clinical professional counselor, licensed marriage and family therapist, licensed speech-language pathologist, or other licensed or certified professional at a program licensed pursuant to the Illinois Alcoholism and Other Drug Abuse and Dependency Act for a period of not less than 5 years.

(b)(1) An insurer that provides coverage for hospital or medical expenses under a group or individual policy of accident and health insurance or health care plan amended, delivered, issued, or renewed on or after the effective date of this amendatory Act of the 100th General Assembly shall provide coverage under the policy for treatment of serious mental illness and substance use disorders consistent with the parity requirements of Section 370c.1 of this Code. This subsection does not apply to any group policy of accident and health insurance or health care plan for any plan year of a small employer as defined in Section 5 of the Illinois Health Insurance Portability and Accountability Act.

(2) "Serious mental illness" means the following psychiatric illnesses as defined in the most current edition of the Diagnostic and Statistical Manual (DSM) published by the American Psychiatric Association:

- (G) obsessive-compulsive disorders;
- (H) depression in childhood and adolescence;
- (I) panic disorder;
- (J) post-traumatic stress disorders (acute, chronic, or with delayed onset); and

(3) Unless otherwise prohibited by federal law and consistent with the parity requirements of Section 370c.1 of this Code, the reimbursing insurer, a provider of treatment of serious mental illness or substance use disorder shall furnish medical records or other necessary data that substantiate that initial or continued treatment is at all times medically necessary. An insurer shall provide a mechanism for the timely review by a provider holding the same license and practicing in the same specialty as the patient's provider, who is unaffiliated with the insurer, jointly selected by the patient (or the patient's next of kin or legal representative if the patient is unable to act for himself or herself), the patient's provider, and the insurer in the event of a dispute between the insurer and patient's provider regarding the medical necessity of a treatment proposed by a patient's provider. If the reviewing provider determines the treatment to be medically necessary, the insurer shall provide reimbursement for the treatment. Future contractual or employment actions by the insurer regarding the patient's provider may not be based on the provider's participation in this procedure. Nothing prevents the insured from agreeing in writing to continue treatment at his or her expense. When making a determination of the medical necessity for a treatment modality for serious mental illness or substance use disorder, an insurer must make the determination in a manner that is consistent with the manner used to make that determination with respect to other diseases or illnesses covered under the policy, including an appeals process. Medical necessity determinations for substance use disorders shall be made in accordance with appropriate patient placement criteria established by the American Society of Addiction Medicine. No additional criteria may be used to make medical necessity determinations for substance use disorders.

(4) A group health benefit plan amended, delivered, issued, or renewed on or after the effective date of this amendatory Act of the 97th General Assembly:

(A) shall provide coverage based upon medical necessity for the treatment of mental illness and substance use disorders consistent with the parity requirements of Section 370c.1 of this Code; provided, however, that in each calendar year coverage shall not be less than the following:

(i) 45 days of inpatient treatment; and

(ii) beginning on June 26, 2006 (the effective date of Public Act 94-921), 60 visits for outpatient treatment including group and individual outpatient treatment; and

(iii) for plans or policies delivered, issued for delivery, renewed, or modified after January 1, 2007 (the effective date of Public Act 94-906), 20 additional outpatient visits for speech therapy for treatment of pervasive developmental disorders that will be in addition to speech therapy provided pursuant to item (ii) of this subparagraph (A); and

(B) may not include a lifetime limit on the number of days of inpatient treatment or the number of outpatient visits covered under the plan.

(C) (Blank).

(5) An issuer of a group health benefit plan may not count toward the number of outpatient visits required to be covered under this Section an outpatient visit for the purpose of medication management and shall cover the outpatient visits under the same terms and conditions as it covers outpatient visits for the treatment of physical illness.

(5.5) An individual or group health benefit plan amended, delivered, issued, or renewed on or after the effective date of this amendatory Act of the 99th General Assembly shall offer coverage for medically necessary acute treatment services and medically necessary clinical stabilization services. The treating provider shall base all treatment recommendations and the health benefit plan shall base all medical necessity determinations for substance use disorders in accordance with the most current edition of the American Society of Addiction Medicine Patient Placement Criteria.

As used in this subsection:

"Acute treatment services" means 24-hour medically supervised addiction treatment that provides evaluation and withdrawal management and may include biopsychosocial assessment, individual and group counseling, psychoeducational groups, and discharge planning.

"Clinical stabilization services" means 24-hour treatment, usually following acute treatment services for substance abuse, which may include intensive education and counseling regarding the nature of addiction and its consequences, relapse prevention, outreach to families and significant others, and aftercare planning for individuals beginning to engage in recovery from addiction.

(6) An issuer of a group health benefit plan may provide or offer coverage required under this Section through a managed care plan.

(7) (Blank).

(8) (Blank).

(9) With respect to substance use disorders, coverage for inpatient treatment shall include coverage for treatment in a residential treatment center licensed by the Department of Public Health or the Department of Human Services.

(c) This Section shall not be interpreted to require coverage for speech therapy or other rehabilitative services for those individuals covered under Section 356z.15 of this Code.

(d) The Department shall enforce the requirements of State and federal parity law, which includes ensuring compliance by individual and group policies; detecting violations of the law by individual and group policies proactively monitoring discriminatory practices; accepting, evaluating, and responding to complaints regarding such violations; and ensuring violations are appropriately remedied and deterred.

(e) Availability of plan information.

(1) The criteria for medical necessity determinations made under a group health plan with respect to mental health or substance use disorder benefits (or health insurance coverage offered in connection with the plan with respect to such benefits) must be made available by the plan administrator (or the health insurance issuer offering such coverage) to any current or potential participant, beneficiary, or contracting provider upon request.

(2) The reason for any denial under a group health plan (or health insurance coverage offered in connection with such plan) of reimbursement or payment for services with respect to mental health or substance use disorder benefits in the case of any participant or beneficiary must be made available within a reasonable time and in a reasonable manner by the plan administrator (or the health insurance issuer offering such coverage) to the participant or beneficiary upon request.

(f) As used in this Section, "group policy of accident and health insurance" and "group health benefit plan" includes (1) State-regulated employer-sponsored group health insurance plans written in Illinois and (2) State employee health plans.

(g) (1) As used in this subsection:

"Benefits", with respect to insurers, means the benefits provided for treatment services for inpatient and outpatient treatment of substance use disorders or conditions at American Society of Addiction Medicine levels of treatment 2.1 (Intensive Outpatient), 2.5 (Partial Hospitalization), 3.1 (Clinically Managed Low-Intensity Residential), 3.3 (Clinically Managed Population-Specific High-Intensity Residential), 3.5 (Clinically Managed High-Intensity Residential), and 3.7 (Medically Monitored Intensive Inpatient) and OMT (Opioid Maintenance Therapy) services.

"Benefits", with respect to managed care organizations, means the benefits provided for treatment services for inpatient and outpatient treatment of substance use disorders or conditions at American Society of Addiction Medicine levels of treatment 2.1 (Intensive Outpatient), 2.5 (Partial Hospitalization), 3.5 (Clinically Managed High-Intensity Residential), and 3.7 (Medically Monitored Intensive Inpatient) and OMT (Opioid Maintenance Therapy) services.

"Substance use disorder treatment provider or facility" means a licensed physician, licensed psychologist, licensed psychiatrist, licensed advanced practice registered nurse, or licensed, certified, or otherwise State-approved facility or provider of substance use disorder treatment.

(2) A group health insurance policy, an individual health benefit plan, or qualified health plan that is offered through the health insurance marketplace, small employer group health plan, and large employer group health plan that is amended, delivered, issued, executed, or renewed in this State, or approved for issuance or renewal in this State, on or after the effective date of this amendatory Act of the 100th General Assembly shall comply with the requirements of this Section and Section 370c.1. The services for the treatment and the ongoing assessment of the patient's progress in treatment shall follow the requirements of 77 Ill. Adm. Code 2060.

(3) Prior authorization shall not be utilized for the benefits under this subsection. The substance use disorder treatment provider or facility shall notify the insurer of the initiation of treatment. For an insurer that is not a managed care organization, the substance use disorder treatment provider or facility notification shall occur for the initiation of treatment of the covered person within 2 business days. For managed care organizations, the substance use disorder treatment provider or facility notification shall occur in accordance with the protocol set forth in the provider agreement for initiation of treatment within 24 hours. If the managed care organization is not capable of accepting the notification in accordance with the contractual protocol during the 24-hour period following admission, the substance use disorder treatment provider or facility shall have one additional business day to provide the notification to the appropriate managed care organization. Treatment plans shall be developed in accordance with the requirements and timeframes established in 77 Ill. Adm. Code 2060. If the substance use disorder treatment provider or facility fails to notify the insurer of the initiation of treatment in accordance with these provisions, the insurer may follow its normal prior authorization processes.

(4) For an insurer that is not a managed care organization, if an insurer determines that benefits are no longer medically necessary, the insurer shall notify the covered person, the covered person's authorized representative, if any, and the covered person's health care provider in writing of the covered person's right

to request an external review pursuant to the Health Carrier External Review Act. The notification shall occur within 24 hours following the adverse determination.

Pursuant to the requirements of the Health Carrier External Review Act, the covered person or the covered person's authorized representative may request an expedited external review. An expedited external review may not occur if the substance use disorder treatment provider or facility determines that continued treatment is no longer medically necessary. Under this subsection, a request for expedited external review must be initiated within 24 hours following the adverse determination notification by the insurer. Failure to request an expedited external review within 24 hours shall preclude a covered person or a covered person's authorized representative from requesting an expedited external review.

If an expedited external review request meets the criteria of the Health Carrier External Review Act, an independent review organization shall make a final determination of medical necessity within 72 hours. If an independent review organization upholds an adverse determination, an insurer shall remain responsible to provide coverage of benefits through the day following the determination of the independent review organization. A decision to reverse an adverse determination shall comply with the Health Carrier External Review Act.

(5) The substance use disorder treatment provider or facility shall provide the insurer with 7 business days' advance notice of the planned discharge of the patient from the substance use disorder treatment provider or facility and notice on the day that the patient is discharged from the substance use disorder treatment provider or facility.

(6) The benefits required by this subsection shall be provided to all covered persons with a diagnosis of substance use disorder or conditions. The presence of additional related or unrelated diagnoses shall not be a basis to reduce or deny the benefits required by this subsection.

(7) Nothing in this subsection shall be construed to require an insurer to provide coverage for any of the benefits in this subsection.

(1) the financial requirements applicable to such mental, emotional, nervous, or substance use disorder or condition benefits are no more restrictive than the predominant financial requirements applied to substantially all hospital and medical benefits covered by the policy and that there are no separate cost-sharing requirements that are applicable only with respect to mental, emotional, nervous, or substance use disorder or condition benefits; and

(2) the treatment limitations applicable to such mental, emotional, nervous, or substance use disorder or condition benefits are no more restrictive than the predominant treatment limitations applied to substantially all hospital and medical benefits covered by the policy and that there are no separate treatment limitations that are applicable only with respect to mental, emotional, nervous, or substance use disorder or condition benefits.

(2) In the case of a policy that is not described in paragraph (1) of subsection (c) of this Section and that includes no or different annual limits on different categories of hospital and medical benefits, the Director shall establish rules under which subparagraph (B) of paragraph (1) of subsection (c) of this Section is applied to such policy with respect to mental, emotional, nervous, or substance use disorder or condition benefits by substituting for the applicable annual limit an average annual limit that is computed taking into account the weighted average of the annual limits applicable to such categories.

"Section 5. The Illinois Public Aid Code is amended by changing Section 5-2.1a as follows:
(305 ILCS 5/5-2.1a)

[May 30, 2018]

Sec. 5-2.1a. Treatment of trust amounts. (Source: P.A. 98-651, eff. 6-16-14.)"

AMENDMENT NO. 2 TO SENATE BILL 1851

AMENDMENT NO. 2. Amend Senate Bill 1851, AS AMENDED, by replacing everything after the enacting clause with the following:

"Section 1. Findings; intent. According to the Congressional Research Service reporting, approximately 35% to 60% of children placed in foster care have at least one chronic or acute physical health condition that requires treatment, including growth failure, asthma, obesity, vision impairment, hearing loss, neurological problems, and complex chronic illnesses; as many as 50% to 75% show behavioral or social competency issues that may warrant mental health services; many of these physical and mental health care issues persist and, relative to their peers in the general population, children who leave foster care for adoption and those who age out of care continue to have greater health needs.

Federal child welfare policy requires states to develop strategies to address the health care needs of each child in foster care and mandates coordination of state child welfare and Medicaid agencies to ensure that the health care needs of children in foster care are properly identified and treated.

The Department of Children and Family Services is responsible for ensuring safety, family permanence, and well-being for the children placed in its custody and protecting these children from further trauma by ensuring timely access to appropriate placements and services, especially those children with complex emotional and behavioral needs who are at much greater risk for not achieving the fundamental child welfare goals of safety, permanence, and well-being.

The Department remains under federal court oversight pursuant to the B.H. Consent Decree, in part, for failure to provide constitutionally sufficient services and placements for children with psychological, behavioral, or emotional challenges; the 2015 court-appointed Expert Panel found too many children in the class experience multiple disruptions of placement, services, and relationships; these children and their families endure indeterminate waits, month upon month, for services the child and family need, without a concrete plan or timeframe; these disruptions and delays and the inaction of Department officials exacerbate children's already serious and chronic mental health problems; the Department's approach to treatment and its system of practice have been shaped by crises, practitioner preferences, tradition, and system expediency.

The American Academy of Pediatrics cautions that the effects of managed care on children's access to services and actual health outcomes are not yet clear; it outlines design and implementation principles if managed care is to be implemented for children.

It is the intent of the General Assembly to ensure that children are provided a system of health care with full and inclusive access to physical and behavioral health services necessary for them to thrive.

The General Assembly finds it necessary to protect youth in care by requiring the Department to plan the use of managed care services transparently, collaboratively, and deliberately to ensure quality outcomes and accountable oversight.

Section 5. The Open Meetings Act is amended by changing Section 2 as follows:

(5 ILCS 120/2) (from Ch. 102, par. 42)

Sec. 2. Open meetings.

(a) Openness required. All meetings of public bodies shall be open to the public unless excepted in subsection (c) and closed in accordance with Section 2a.

(b) Construction of exceptions. The exceptions contained in subsection (c) are in derogation of the requirement that public bodies meet in the open, and therefore, the exceptions are to be strictly construed, extending only to subjects clearly within their scope. The exceptions authorize but do not require the holding of a closed meeting to discuss a subject included within an enumerated exception.

(c) Exceptions. A public body may hold closed meetings to consider the following subjects:

(1) The appointment, employment, compensation, discipline, performance, or dismissal of specific employees of the public body or legal counsel for the public body, including hearing testimony on a complaint lodged against an employee of the public body or against legal counsel for the public body to determine its validity. However, a meeting to consider an increase in compensation to a specific employee of a public body that is subject to the Local Government Wage Increase Transparency Act may not be closed and shall be open to the public and posted and held in accordance with this Act.

(2) Collective negotiating matters between the public body and its employees or their representatives, or deliberations concerning salary schedules for one or more classes of employees.

(3) The selection of a person to fill a public office, as defined in this Act, including a vacancy in a public office, when the public body is given power to appoint under law or ordinance, or the discipline, performance or removal of the occupant of a public office, when the public body is given power to remove the occupant under law or ordinance.

(4) Evidence or testimony presented in open hearing, or in closed hearing where specifically authorized by law, to a quasi-adjudicative body, as defined in this Act, provided that the body prepares and makes available for public inspection a written decision setting forth its determinative reasoning.

(5) The purchase or lease of real property for the use of the public body, including meetings held for the purpose of discussing whether a particular parcel should be acquired.

(6) The setting of a price for sale or lease of property owned by the public body.

(7) The sale or purchase of securities, investments, or investment contracts. This exception shall not apply to the investment of assets or income of funds deposited into the Illinois Prepaid Tuition Trust Fund.

(8) Security procedures, school building safety and security, and the use of personnel and equipment to respond to an actual, a threatened, or a reasonably potential danger to the safety of employees, students, staff, the public, or public property.

(9) Student disciplinary cases.

(10) The placement of individual students in special education programs and other matters relating to individual students.

(11) Litigation, when an action against, affecting or on behalf of the particular public body has been filed and is pending before a court or administrative tribunal, or when the public body finds that an action is probable or imminent, in which case the basis for the finding shall be recorded and entered into the minutes of the closed meeting.

(12) The establishment of reserves or settlement of claims as provided in the Local Governmental and Governmental Employees Tort Immunity Act, if otherwise the disposition of a claim or potential claim might be prejudiced, or the review or discussion of claims, loss or risk management information, records, data, advice or communications from or with respect to any insurer of the public body or any intergovernmental risk management association or self insurance pool of which the public body is a member.

(13) Conciliation of complaints of discrimination in the sale or rental of housing, when closed meetings are authorized by the law or ordinance prescribing fair housing practices and creating a commission or administrative agency for their enforcement.

(14) Informant sources, the hiring or assignment of undercover personnel or equipment, or ongoing, prior or future criminal investigations, when discussed by a public body with criminal investigatory responsibilities.

(15) Professional ethics or performance when considered by an advisory body appointed to advise a licensing or regulatory agency on matters germane to the advisory body's field of competence.

(16) Self evaluation, practices and procedures or professional ethics, when meeting with a representative of a statewide association of which the public body is a member.

(17) The recruitment, credentialing, discipline or formal peer review of physicians or other health care professionals, or for the discussion of matters protected under the federal Patient Safety and Quality Improvement Act of 2005, and the regulations promulgated thereunder, including 42 C.F.R. Section 20. The Illinois Public Aid Code is amended by changing Sections 5-4.2, 5-5.4h, and 5A-16 and by adding Sections 5-5.07 and 5-30.8 as follows:

(305 ILCS 5/5-4.2) (from Ch. 23, par. 5-4.2)

Sec. 5-4.2. Ambulance services payments.

(a) For ambulance services provided to a recipient of aid under this Article on or after January 1, 1993, the Illinois Department shall reimburse ambulance service providers at rates calculated in accordance with this Section. It is the intent of the General Assembly to provide adequate reimbursement for ambulance services so as to ensure adequate access to services for recipients of aid under this Article and to provide appropriate incentives to ambulance service providers to provide services in an efficient and cost-effective manner. Thus, it is the intent of the General Assembly that the Illinois Department implement a reimbursement system for ambulance services that, to the extent practicable and subject to the availability of funds appropriated by the General Assembly for this purpose, is consistent with the payment principles of Medicare. To ensure uniformity between the payment principles of Medicare and Medicaid, the Illinois

Department shall follow, to the extent necessary and practicable and subject to the availability of funds appropriated by the General Assembly for this purpose, the statutes, laws, regulations, policies, procedures, principles, definitions, guidelines, and manuals used to determine the amounts paid to ambulance service providers under Title XVIII of the Social Security Act (Medicare).

(b) For ambulance services provided to a recipient of aid under this Article on or after January 1, 1996, the Illinois Department shall reimburse ambulance service providers based upon the actual distance traveled if a natural disaster, weather conditions, road repairs, or traffic congestion necessitates the use of a route other than the most direct route.

(c) For purposes of this Section, "ambulance services" includes medical transportation services provided by means of an ambulance, medi-car, service car, or taxi.

(c-1) For purposes of this Section, "ground ambulance service" means medical transportation services that are described as ground ambulance services by the Centers for Medicare and Medicaid Services and provided in a vehicle that is licensed as an ambulance by the Illinois Department of Public Health pursuant to the Emergency Medical Services (EMS) Systems Act.

(c-2) For purposes of this Section, "ground ambulance service provider" means a vehicle service provider as described in the Emergency Medical Services (EMS) Systems Act that operates licensed ambulances for the purpose of providing emergency ambulance services, or non-emergency ambulance services, or both. For purposes of this Section, this includes both ambulance providers and ambulance suppliers as described by the Centers for Medicare and Medicaid Services.

(c-3) For purposes of this Section, "medi-car" means transportation services provided to a patient who is confined to a wheelchair and requires the use of a hydraulic or electric lift or ramp and wheelchair lockdown when the patient's condition does not require medical observation, medical supervision, medical equipment, the administration of medications, or the administration of oxygen.

(c-4) For purposes of this Section, "service car" means transportation services provided to a patient by a passenger vehicle where that patient does not require the specialized modes described in subsection (c-1) or (c-3).

(d) This Section does not prohibit separate billing by ambulance service providers for oxygen furnished while providing advanced life support services.

(e) Beginning with services rendered on or after July 1, 2008, all providers of non-emergency medi-car and service car transportation must certify that the driver and employee attendant, as applicable, have completed a safety program approved by the Department to protect both the patient and the driver, prior to transporting a patient. The provider must maintain this certification in its records. The provider shall produce such documentation upon demand by the Department or its representative. Failure to produce documentation of such training shall result in recovery of any payments made by the Department for services rendered by a non-certified driver or employee attendant. Medi-car and service car providers must maintain legible documentation in their records of the driver and, as applicable, employee attendant that actually transported the patient. Providers must recertify all drivers and employee attendants every 3 years.

Notwithstanding the requirements above, any public transportation provider of medi-car and service car transportation that receives federal funding under 49 U.S.C. 5307 and 5311 need not certify its drivers and employee attendants under this Section, since safety training is already federally mandated.

(f) With respect to any policy or program administered by the Department or its agent regarding approval of non-emergency medical transportation by ground ambulance service providers, including, but not limited to, the Non-Emergency Transportation Services Prior Approval Program (NETSPAP), the Department shall establish by rule a process by which ground ambulance service providers of non-emergency medical transportation may appeal any decision by the Department or its agent for which no denial was received prior to the time of transport that either (i) denies a request for approval for payment of non-emergency transportation by means of ground ambulance service or (ii) grants a request for approval of non-emergency transportation by means of ground ambulance service at a level of service that entitles the ground ambulance service provider to a lower level of compensation from the Department than the ground ambulance service provider would have received as compensation for the level of service requested. The rule shall be filed by December 15, 2012 and shall provide that, for any decision rendered by the Department or its agent on or after the date the rule takes effect, the ground ambulance service provider shall have 60 days from the date the decision is received to file an appeal. The rule established by the Department shall be, insofar as is practical, consistent with the Illinois Administrative Procedure Act. The Director's decision on an appeal under this Section shall be a final administrative decision subject to review under the Administrative Review Law.

(f-5) Beginning 90 days after July 20, 2012 (the effective date of Public Act 97-842), (i) no denial of a request for approval for payment of non-emergency transportation by means of ground ambulance service, and (ii) no approval of non-emergency transportation by means of ground ambulance service at a level of

service that entitles the ground ambulance service provider to a lower level of compensation from the Department than would have been received at the level of service submitted by the ground ambulance service provider, may be issued by the Department or its agent unless the Department has submitted the criteria for determining the appropriateness of the transport for first notice publication in the Illinois Register pursuant to Section 5-40 of the Illinois Administrative Procedure Act.

(g) Whenever a patient covered by a medical assistance program under this Code or by another medical program administered by the Department, including a patient covered under the State's Medicaid managed care program, is being transported discharged from a facility and requires non-emergency transportation including ground ambulance, medi-car, or service car transportation, a Physician Certification Statement ~~or a physician discharge order~~ as described in this Section shall be required for each patient ~~whose discharge requires medically supervised ground ambulance services~~. Facilities shall develop procedures for a licensed medical professional ~~physician with medical staff privileges~~ to provide a written and signed Physician Certification Statement ~~physician discharge order~~. The Physician Certification Statement ~~physician discharge order~~ shall specify the level of transportation ground ambulance services needed and complete a medical certification establishing the criteria for approval of non-emergency ambulance transportation, as published by the Department of Healthcare and Family Services, that is met by the patient. This ~~order and the medical certification~~ shall be completed prior to ordering the transportation an ambulance service and prior to patient discharge. The Physician Certification Statement is not required prior to transport if a delay in transport can be expected to negatively affect the patient outcome. ~~discharge.~~

The medical certification specifying the level and type of non-emergency transportation needed shall be in the form of the Physician Certification Statement on a standardized form prescribed by the Department of Healthcare and Family Services. Within 75 days after the effective date of this amendatory Act of the 100th General Assembly, the Department of Healthcare and Family Services shall develop a standardized form of the Physician Certification Statement specifying the level and type of transportation services needed in consultation with the Department of Public Health, Medicaid managed care organizations, a statewide association representing ambulance providers, a statewide association representing hospitals, 3 statewide associations representing nursing homes, and other stakeholders. The Physician Certification Statement shall include, but is not limited to, the criteria necessary to demonstrate medical necessity for the level of transport needed as required by (i) the Department of Healthcare and Family Services and (ii) the federal Centers for Medicare and Medicaid Services as outlined in the Centers for Medicare and Medicaid Services' Medicare Benefit Policy Manual, Pub. 100-02, Chap. 10, Sec. 10.2.1, et seq. The use of the Physician Certification Statement shall satisfy the obligations of hospitals under Section 6.22 of the Hospital Licensing Act and nursing homes under Section 2-217 of the Nursing Home Care Act. Implementation and acceptance of the Physician Certification Statement shall take place no later than 90 days after the issuance of the Physician Certification Statement by the Department of Healthcare and Family Services.

Pursuant to subsection (E) of Section 12-4.25 of this Code, the Department is entitled to recover overpayments paid to a provider or vendor, including, but not limited to, from the discharging physician, the discharging facility, and the ground ambulance service provider, in instances where a non-emergency ground ambulance service is rendered as the result of improper or false certification.

Beginning October 1, 2018, the Department of Healthcare and Family Services shall collect data from Medicaid managed care organizations and transportation brokers, including the Department's NETSPAP broker, regarding denials and appeals related to the missing or incomplete Physician Certification Statement forms and overall compliance with this subsection. The Department of Healthcare and Family Services shall publish quarterly results on its website within 15 days following the end of each quarter.

(h) On and after July 1, 2012, the Department shall reduce any rate of reimbursement for services or other payments or alter any methodologies authorized by this Code to reduce any rate of reimbursement for services or other payments in accordance with Section 5-5e.

Clinically complex residents on a ventilator shall receive a per diem rate of \$669. Subject to federal approval of changes to the Title XIX State Plan, for dates of services starting April 1, 2019, medically complex for the developmentally disabled facilities must be reimbursed an exceptional care per diem rate, instead of the base rate, for services to residents with complex or extensive medical needs. Exceptional care per diem rates must be paid for the conditions or services specified under subsection (f) at the following per diem rates: Tier 1 \$326, Tier 2 \$546, and Tier 3 \$735.

(d) ~~For To~~ qualify for the per diem rate of \$669 for clinically complex residents on a ventilator pursuant to subsection (c) or subsection (f), facilities shall have a policy documenting their method of routine assessment of a resident's weaning potential with interventions implemented noted in the resident's medical record.

(e) ~~For services provided prior to April 1, 2019 and for~~ For the purposes of this Section, a resident is considered clinically complex if the resident requires at least one of the following medical services:

This data shall be comprehensive enough for MCO actuaries to recreate and verify the accuracy of the capitation base rate build-up.

(B) A draft rate meeting after the Department provides the MCOs with the draft capitated base rates to discuss, review, and seek feedback regarding the draft capitation base rates.

[May 30, 2018]

(3) Prior to the submission of final capitation rates to the federal Centers for Medicare and Medicaid Services, the Department shall provide the MCOs with a final actuarial report including the final capitation base rates for the following year and subsequently conduct a final capitation base review meeting. Final capitation rates shall be marked final.

(c) For the development of capitation base rates reflecting policy changes:

Additionally, the Department shall share with the participating MCOs what other data is needed to estimate the change and the processes for collection of that data that shall be utilized to develop capitation base rates.

(3) No later than 60 days after the effective date of the policy change or program implementation, the Department shall meet with MCOs to review data and the Department's written draft assumptions to be used in development of capitation base rates for the policy change, and shall provide opportunities for questions to be asked and answered.

(4) No later than 60 days after the effective date of the policy change or program implementation, the Department shall provide the MCOs with draft capitation base rates and shall also conduct a draft capitation base rate meeting with MCOs to discuss, review, and seek feedback regarding the draft capitation base rates.

(d) For the development of capitation base rates for retroactive policy or fee schedule changes:

(1) The Department shall meet with the MCOs regarding the initial data collection needed to establish capitation base rates for the policy change. Additionally, the Department shall share with the participating MCOs what other data is needed to estimate the change and the processes for collection of the data that shall be utilized to develop capitation base rates.

(2) The Department shall meet with MCOs to review data and the Department's written draft assumptions to be used in development of capitation base rates for the policy change. The Department shall provide opportunities for questions to be asked and answered.

(3) The Department shall provide the MCOs with draft capitated rates and shall also conduct a draft rate meeting with MCOs to discuss, review, and seek feedback regarding the draft capitation base rates.

(4) The Department shall inform MCOs no less than quarterly of upcoming benefit and policy changes to the Medicaid program.

(e) Meetings of the group established to discuss Medicaid capitation rates under this Section shall be closed to the public and shall not be subject to the Open Meetings Act. Records and information produced by the group established to discuss Medicaid capitation rates under this Section shall be confidential and not subject to the Freedom of Information Act.

AMENDMENT NO. 3 TO SENATE BILL 2927

AMENDMENT NO. 3. Amend Senate Bill 2927, AS AMENDED, by replacing everything after the enacting clause with the following:

"Section 1. Legislative intent. It is the intent of this Act to increase enrollment at public 4-year universities in this State by providing those universities with the option for additional funding through a new, merit-based and means-tested matching scholarship for Illinois students. It is also the intent of this Act that any public university participating in this program should, in its best efforts, attempt to delegate scholarship funds amongst a racially diverse range of students and not use a student's race, color, religion, sex (including gender identity, sexual orientation, or pregnancy), national origin, age, disability, or genetic information to disqualify him or her from receiving funds under the program.

Section 5. The Higher Education Student Assistance Act is amended by changing Section 10 and adding Section 65.100 as follows:

(110 ILCS 947/10)

Sec. 10. Definitions. In this Act, and except to the extent that any of the following words or phrases is specifically qualified by its context:

"Commission" means the Illinois Student Assistance Commission created by this Act.

"Enrollment" means the establishment and maintenance of an individual's status as a student in an institution of higher learning, regardless of the terms used at the institution to describe that status.

"Approved high school" means any public high school located in this State; and any high school, located in this State or elsewhere (whether designated as a high school, secondary school, academy, preparatory school, or otherwise) which in the judgment of the State Superintendent of Education provides a course of

[May 30, 2018]

instruction at the secondary level and maintains standards of instruction substantially equivalent to those of the public high schools located in this State.

"Institution of higher learning", "qualified institution", or "institution" means an educational organization located in this State which

(1) provides at least an organized 2 year program of collegiate grade in the liberal arts or sciences, or both, directly applicable toward the attainment of a baccalaureate degree or a program in health education directly applicable toward the attainment of a certificate, diploma, or an associate degree;

(2) either is

(A) operated by this State, or

(B) operated publicly or privately, not for profit, or

(C) operated for profit, provided such for profit organization

(i) offers degree programs which have been approved by the Board of Higher Education for a minimum of 3 years under the Academic Degree Act, and

(ii) enrolls a majority of its students in such degree programs, and

(iii) maintains an accredited status with the Commission on Institutions of Higher Education of the North Central Association of Colleges and Schools;

(3) in the judgment of the Commission meets standards substantially equivalent to those of comparable institutions operated by this State; and

(4) if so required by the Commission, uses the State as its primary guarantor of student loans made under the federal Higher Education Act of 1965.

For otherwise eligible educational organizations which provide academic programs for incarcerated students, the terms "institution of higher learning", "qualified institutions", and "institution" shall specifically exclude academic programs for incarcerated students.

(110 ILCS 947/65.100 new)

Sec. 65.100. AIM HIGH Grant Pilot Program.

(a) The General Assembly makes all of the following findings:

(1) Both access and affordability are important aspects of the Illinois Public Agenda for College and Career Success report.

(2) This State is in the top quartile with respect to the percentage of family income needed to pay for college.

(3) Research suggests that as loan amounts increase, rather than an increase in grant amounts, the probability of college attendance decreases.

(4) There is further research indicating that socioeconomic status may affect the willingness of students to use loans to attend college.

(5) Strategic use of tuition discounting can decrease the amount of loans that students must use to pay for tuition.

(6) A modest, individually tailored tuition discount can make the difference in a student choosing to attend college and enhance college access for low-income and middle-income families.

(7) Even if the federally calculated financial need for college attendance is met, the federally determined Expected Family Contribution can still be a daunting amount.

(8) This State is the second largest exporter of students in the country.

(9) When talented Illinois students attend universities in this State, the State and those universities benefit.

(10) State universities in other states have adopted pricing and incentives that allow many Illinois residents to pay less to attend an out-of-state university than to remain in this State for college.

(11) Supporting Illinois student attendance at Illinois public universities can assist in State efforts to maintain and educate a highly trained workforce.

(12) Modest tuition discounts that are individually targeted and tailored can result in enhanced revenue for public universities.

(13) By increasing a public university's capacity to strategically use tuition discounting, the public university will be capable of creating enhanced tuition revenue by increasing enrollment yields.

(b) In this Section:

"Eligible applicant" means a student from any high school in this State, whether or not recognized by the State Board of Education, who is engaged in a program of study that in due course will be completed by the end of the school year and who meets all of the qualifications and requirements under this Section.

"Tuition and other necessary fees" includes the customary charge for instruction and use of facilities in general and the additional fixed fees charged for specified purposes that are required generally of non-grant recipients for each academic period for which the grant applicant actually enrolls, but does not include fees payable only once or breakage fees and other contingent deposits that are refundable in whole or in part. The Commission may adopt, by rule not inconsistent with this Section, detailed provisions concerning the computation of tuition and other necessary fees.

(c) Beginning with the 2019-2020 academic year, each public university may establish a merit-based scholarship pilot program known as the AIM HIGH Grant Pilot Program. Each year, the Commission shall receive and consider applications from public universities under this Section. Subject to appropriation and any tuition waiver limitation established by the Board of Higher Education, a public university campus may award a grant to a student under this Section if it finds that the applicant meets all of the following criteria:

(1) He or she is a resident of this State and a citizen or eligible noncitizen of the United States.

(2) He or she files a Free Application for Federal Student Aid and demonstrates financial need with a household income no greater than 6 times the poverty guidelines updated periodically in the Federal Register by the U.S. Department of Health and Human Services under the authority of 42 U.S.C. 9902(2).

(3) He or she meets the minimum cumulative grade point average or ACT or SAT college admissions test score, as determined by the public university campus.

(4) He or she is enrolled in a public university as an undergraduate student on a full-time basis.

(5) He or she has not yet received a baccalaureate degree or the equivalent of 135 semester credit hours.

(6) He or she is not incarcerated.

(7) He or she is not in default on any student loan or does not owe a refund or repayment on any State or federal grant or scholarship.

(8) Any other reasonable criteria, as determined by the public university campus.

(d) Each public university campus shall determine grant renewal criteria consistent with the requirements under this Section.

(e) Each participating public university campus shall post on its Internet website criteria and eligibility requirements for receiving awards that use funds under this Section that includes a range in the sizes of these individual awards. The criteria and amounts must also be reported to the Commission and the Board of Higher Education, who shall post the information on their respective Internet websites.

(f) After enactment of an appropriation for this Program, the Commission shall determine an allocation of funds to each public university in an amount proportionate to the number of undergraduate students who are residents of this State and citizens or eligible noncitizens of the United States and who were enrolled at each public university campus in the previous academic year. All applications must be made to the Commission on or before a date determined by the Commission and on forms that the Commission shall provide to each public university campus. The form of the application and the information required shall be determined by the Commission and shall include, without limitation, the total public university campus funds used to match funds received from the Commission in the previous academic year under this Section, if any, the total enrollment of undergraduate students who are residents of this State from the previous academic year, and any supporting documents as the Commission deems necessary. Each public university campus shall match the amount of funds received by the Commission with financial aid for eligible students.

A public university campus is not required to claim its entire allocation. The Commission shall make available to all public universities, on a date determined by the Commission, any unclaimed funds and the funds must be made available to those public university campuses in the proportion determined under this

subsection (f), excluding from the calculation those public university campuses not claiming their full allocations.

Each public university campus may determine the award amounts for eligible students on an individual or broad basis, but, subject to renewal eligibility, each renewed award may not be less than the amount awarded to the eligible student in his or her first year attending the public university campus. Notwithstanding this limitation, a renewal grant may be reduced due to changes in the student's cost of attendance, including, but not limited to, if a student reduces the number of credit hours in which he or she is enrolled, but remains a full-time student, or switches to a course of study with a lower tuition rate.

An eligible applicant awarded grant assistance under this Section is eligible to receive other financial aid. Total grant aid to the student from all sources may not exceed the total cost of attendance at the public university campus.

(g) All money allocated to a public university campus under this Section may be used only for financial aid purposes for students attending the public university campus during the academic year, not including summer terms. Any funds received by a public university campus under this Section that are not granted to students in the academic year for which the funds are received must be refunded to the Commission before any new funds are received by the public university campus for the next academic year.

(h) Each public university campus that establishes a Program under this Section must annually report to the Commission, on or before a date determined by the Commission, the number of undergraduate students enrolled at that campus who are residents of this State.

(i) Each public university campus must report to the Commission the total non-loan financial aid amount given by the public university campus to undergraduate students in fiscal year 2018. To be eligible to receive funds under the Program, a public university campus may not decrease the total amount of non-loan financial aid for undergraduate students to an amount lower than the total non-loan financial aid amount given by the public university campus to undergraduate students in fiscal year 2018, not including any funds received from the Commission under this Section or any funds used to match grant awards under this Section.

(j) On or before a date determined by the Commission, each public university campus that participates in the Program under this Section shall annually submit a report to the Commission with all of the following information:

(1) The Program's impact on tuition revenue and enrollment goals and increase in access and affordability at the public university campus.

(2) Total funds received by the public university campus under the Program.

(3) Total non-loan financial aid awarded to undergraduate students attending the public university campus.

(4) Total amount of funds matched by the public university campus.

(5) Total amount of funds refunded to the Commission by the public university campus.

(6) The percentage of total financial aid distributed under the Program by the public university campus.

(7) The total number of students receiving grants from the public university campus under the Program and those students' grade level, race, gender, income level, family size, Monetary Award Program eligibility, Pell Grant eligibility, and zip code of residence and the amount of each grant award. This information shall include unit record data on those students regarding variables associated with the parameters of the public university's Program, including, but not limited to, a student's ACT or SAT college admissions test score, high school or university cumulative grade point average, or program of study.

On or before October 1, 2020 and annually on or before October 1 thereafter, the Commission shall submit a report with the findings under this subsection (j) and any other information regarding the AIM HIGH Grant Pilot Program to (i) the Governor, (ii) the Speaker of the House of Representatives, (iii) the Minority Leader of the House of Representatives, (iv) the President of the Senate, and (v) the Minority Leader of the Senate. The reports to the General Assembly shall be filed with the Clerk of the House of Representatives and the Secretary of the Senate in electronic form only, in the manner that the Clerk and the Secretary shall direct. The Commission's report may not disaggregate data to a level that may disclose personally identifying information of individual students.

The sharing and reporting of student data under this subsection (j) must be in accordance with the requirements under the federal Family Educational Rights and Privacy Act of 1974 and the Illinois School Student Records Act. All parties must preserve the confidentiality of the information as required by law. The names of the grant recipients under this Section are not subject to disclosure under the Freedom of Information Act.

Public university campuses that fail to submit a report under this subsection (j) or that fail to adhere to any other requirements under this Section may not be eligible for distribution of funds under the Program for the next academic year, but may be eligible for distribution of funds for each academic year thereafter.

(k) The Commission shall adopt rules to implement this Section.

(l) This Section is repealed on October 1, 2024.

AMENDMENT NO. 2. Amend Senate Bill 904 by replacing everything after the enacting clause with the following:

"Section 5. The Workers' Compensation Act is amended by changing Sections 8.2 and 8.2a as follows:
 (820 ILCS 305/8.2)

Sec. 8.2. Fee schedule.

(a) Except as provided for in subsection (c), for procedures, treatments, or services covered under this Act and rendered or to be rendered on and after February 1, 2006, the maximum allowable payment shall be 90% of the 80th percentile of charges and fees as determined by the Commission utilizing information provided by employers' and insurers' national databases, with a minimum of 12,000,000 Illinois line item charges and fees comprised of health care provider and hospital charges and fees as of August 1, 2004 but not earlier than August 1, 2002. These charges and fees are provider billed amounts and shall not include discounted charges. The 80th percentile is the point on an ordered data set from low to high such that 80% of the cases are below or equal to that point and at most 20% are above or equal to that point. The Commission shall adjust these historical charges and fees as of August 1, 2004 by the Consumer Price Index-U for the period August 1, 2004 through September 30, 2005. The Commission shall establish fee schedules for procedures, treatments, or services for hospital inpatient, hospital outpatient, emergency room and trauma, ambulatory surgical treatment centers, and professional services. These charges and fees shall be designated by geozip or any smaller geographic unit. The data shall in no way identify or tend to identify any patient, employer, or health care provider. As used in this Section, "geozip" means a three-digit zip code based on data similarities, geographical similarities, and frequencies. A geozip does not cross state boundaries. As used in this Section, "three-digit zip code" means a geographic area in which all zip codes have the same first 3 digits. If a geozip does not have the necessary number of charges and fees to calculate a valid percentile for a specific procedure, treatment, or service, the Commission may combine data from the geozip with up to 4 other geozips that are demographically and economically similar and exhibit similarities in data and frequencies until the Commission reaches 9 charges or fees for that specific procedure, treatment, or service. In cases where the compiled data contains less than 9 charges or fees for a procedure, treatment, or service, reimbursement shall occur at 76% of charges and fees as determined by the Commission in a manner consistent with the provisions of this paragraph. Providers of out-of-state procedures, treatments, services, products, or supplies shall be reimbursed at the lesser of that state's fee schedule amount or the fee schedule amount for the region in which the employee resides. If no fee schedule exists in that state, the provider shall be reimbursed at the lesser of the actual charge or the fee schedule amount for the region in which the employee resides. Not later than September 30 in 2006 and each year thereafter, the Commission shall automatically increase or decrease the maximum allowable payment for a procedure, treatment, or service established and in effect on January 1 of that year by the percentage change in the Consumer Price Index-U for the 12 month period ending August 31 of that year. The increase or decrease shall become effective on January 1 of the following year. As used in this Section, "Consumer Price Index-U" means the index published by the Bureau of Labor Statistics of the U.S.

[May 30, 2018]

Department of Labor, that measures the average change in prices of all goods and services purchased by all urban consumers, U.S. city average, all items, 1982-84=100.

(a-1) Notwithstanding the provisions of subsection (a) and unless otherwise indicated, the following provisions shall apply to the medical fee schedule starting on September 1, 2011:

(1) The Commission shall establish and maintain fee schedules for procedures, treatments, products, services, or supplies for hospital inpatient, hospital outpatient, emergency room, ambulatory surgical treatment centers, accredited ambulatory surgical treatment facilities, prescriptions filled and dispensed outside of a licensed pharmacy, dental services, and professional services. This fee schedule shall be based on the fee schedule amounts already established by the Commission pursuant to subsection (a) of this Section. However, starting on January 1, 2012, these fee schedule amounts shall be grouped into geographic regions in the following manner:

(A) Four regions for non-hospital fee schedule amounts shall be utilized:

- (i) Cook County;
- (ii) DuPage, Kane, Lake, and Will Counties;
- (iii) Bond, Calhoun, Clinton, Jersey, Macoupin, Madison, Monroe, Montgomery, Randolph, St. Clair, and Washington Counties; and
- (iv) All other counties of the State.

(B) Fourteen regions for hospital fee schedule amounts shall be utilized:

- (i) Cook, DuPage, Will, Kane, McHenry, DeKalb, Kendall, and Grundy Counties;
- (ii) Kankakee County;
- (iii) Madison, St. Clair, Macoupin, Clinton, Monroe, Jersey, Bond, and Calhoun Counties;
- (iv) Winnebago and Boone Counties;
- (v) Peoria, Tazewell, Woodford, Marshall, and Stark Counties;
- (vi) Champaign, Piatt, and Ford Counties;
- (vii) Rock Island, Henry, and Mercer Counties;
- (viii) Sangamon and Menard Counties;
- (ix) McLean County;
- (x) Lake County;
- (xi) Macon County;
- (xii) Vermilion County;
- (xiii) Alexander County; and
- (xiv) All other counties of the State.

(2) If a geozip, as defined in subsection (a) of this Section, overlaps into one or more of the regions set forth in this Section, then the Commission shall average or repeat the charges and fees in a geozip in order to designate charges and fees for each region.

(3) In cases where the compiled data contains less than 9 charges or fees for a procedure, treatment, product, supply, or service or where the fee schedule amount cannot be determined by the non-discounted charge data, non-Medicare relative values and conversion factors derived from established fee schedule amounts, coding crosswalks, or other data as determined by the Commission, reimbursement shall occur at 76% of charges and fees until September 1, 2011 and 53.2% of charges and fees thereafter as determined by the Commission in a manner consistent with the provisions of this paragraph.

(4) To establish additional fee schedule amounts, the Commission shall utilize provider non-discounted charge data, non-Medicare relative values and conversion factors derived from established fee schedule amounts, and coding crosswalks. The Commission may establish additional fee schedule amounts based on either the charge or cost of the procedure, treatment, product, supply, or service.

(5) Implants shall be reimbursed at 25% above the net manufacturer's invoice price less rebates, plus actual reasonable and customary shipping charges whether or not the implant charge is submitted by a provider in conjunction with a bill for all other services associated with the implant, submitted by a provider on a separate claim form, submitted by a distributor, or submitted by the manufacturer of the implant. "Implants" include the following codes or any substantially similar updated code as determined by the Commission: 0274 (prosthetics/orthotics); 0275 (pacemaker); 0276 (lens implant); 0278 (implants); 0540 and 0545 (ambulance); 0624 (investigational devices); and 0636 (drugs requiring detailed coding). Non-implantable devices or supplies within these codes shall be reimbursed at 65% of actual charge, which is the provider's normal rates under its standard chargemaster. A standard chargemaster is the provider's list of charges for procedures, treatments, products, supplies, or services used to bill payers in a consistent manner.

(6) The Commission shall automatically update all codes and associated rules with the version of the codes and rules valid on January 1 of that year.

(a-2) For procedures, treatments, services, or supplies covered under this Act and rendered or to be rendered on or after September 1, 2011, the maximum allowable payment shall be 70% of the fee schedule amounts, which shall be adjusted yearly by the Consumer Price Index-U, as described in subsection (a) of this Section.

(a-3) Prescriptions filled and dispensed outside of a licensed pharmacy shall be subject to a fee schedule that shall not exceed the Average Wholesale Price (AWP) plus a dispensing fee of \$4.18. AWP or its equivalent as registered by the National Drug Code shall be set forth for that drug on that date as published in Medispan.

(b) Notwithstanding the provisions of subsection (a), if the Commission finds that there is a significant limitation on access to quality health care in either a specific field of health care services or a specific geographic limitation on access to health care, it may change the Consumer Price Index-U increase or decrease for that specific field or specific geographic limitation on access to health care to address that limitation.

(c) The Commission shall establish by rule a process to review those medical cases or outliers that involve extra-ordinary treatment to determine whether to make an additional adjustment to the maximum payment within a fee schedule for a procedure, treatment, or service.

(d) When a patient notifies a provider that the treatment, procedure, or service being sought is for a work-related illness or injury and furnishes the provider the name and address of the responsible employer, the provider shall bill the employer or its designee directly. The employer or its designee shall make payment for treatment in accordance with the provisions of this Section directly to the provider, except that, if a provider has designated a third-party billing entity to bill on its behalf, payment shall be made directly to the billing entity. Providers ~~and providers~~ shall submit bills and records in accordance with the provisions of this Section.

(1) All payments to providers for treatment provided pursuant to this Act shall be made within 30 days of receipt of the bills as long as the bill claim contains substantially all the required data elements necessary to adjudicate the bill bills.

(2) If the bill claim does not contain substantially all the required data elements necessary to adjudicate the bill, or the claim is denied for any other reason, in whole or in part, the employer or insurer shall provide written notification to the provider in the form of an explanation of benefits, explaining the basis for the denial and describing any additional necessary data elements, ~~to the provider~~ within 30 days of receipt of the bill. The Commission, with assistance from the Medical Fee Advisory Board, shall adopt rules detailing the requirements for the explanation of benefits required under this subsection.

(3) In the case (i) of nonpayment to a provider within 30 days of receipt of the bill which contained substantially all of the required data elements necessary to adjudicate the bill, (ii) of nonpayment to a provider of a portion of such a bill, or (iii) where the provider has not been issued an explanation of benefits for a bill up to the lesser of the actual charge or the payment level set by the Commission in the fee schedule established in this Section, the bill, or portion of the bill up to the lesser of the actual charge or the payment level set by the Commission in the fee scheduled established in this Section, shall incur interest at a rate of 2% 4% per month payable by the employer to the provider. Any required interest payments shall be made by the employer or its insurer to the provider not later than within 30 days after payment of the bill.

(4) If the employer or its insurer fails to pay interest required pursuant to this subsection (d), the provider may bring an action in circuit court to enforce the provisions of this subsection (d) against the employer or its insurer responsible for insuring the employer's liability pursuant to item (3) of subsection (a) of Section 4. Interest under this subsection (d) is only payable to the provider. An employee is not responsible for the payment of interest under this Section. The right to interest under this subsection (d) shall not delay, diminish, restrict, or alter in any way the benefits to which the employee or his or her dependents are entitled under this Act.

The changes made to this subsection (d) by this amendatory Act of the 100th General Assembly apply to procedures, treatments, and services rendered on and after the effective date of this amendatory Act of the 100th General Assembly.

(e) Except as provided in subsections (e-5), (e-10), and (e-15), a provider shall not hold an employee liable for costs related to a non-disputed procedure, treatment, or service rendered in connection with a compensable injury. The provisions of subsections (e-5), (e-10), (e-15), and (e-20) shall not apply if an employee provides information to the provider regarding participation in a group health plan. If the employee participates in a group health plan, the provider may submit a claim for services to the group

health plan. If the claim for service is covered by the group health plan, the employee's responsibility shall be limited to applicable deductibles, co-payments, or co-insurance. Except as provided under subsections (e-5), (e-10), (e-15), and (e-20), a provider shall not bill or otherwise attempt to recover from the employee the difference between the provider's charge and the amount paid by the employer or the insurer on a compensable injury, or for medical services or treatment determined by the Commission to be excessive or unnecessary.

(e-5) If an employer notifies a provider that the employer does not consider the illness or injury to be compensable under this Act, the provider may seek payment of the provider's actual charges from the employee for any procedure, treatment, or service rendered. Once an employee informs the provider that there is an application filed with the Commission to resolve a dispute over payment of such charges, the provider shall cease any and all efforts to collect payment for the services that are the subject of the dispute. Any statute of limitations or statute of repose applicable to the provider's efforts to collect payment from the employee shall be tolled from the date that the employee files the application with the Commission until the date that the provider is permitted to resume collection efforts under the provisions of this Section.

(e-10) If an employer notifies a provider that the employer will pay only a portion of a bill for any procedure, treatment, or service rendered in connection with a compensable illness or disease, the provider may seek payment from the employee for the remainder of the amount of the bill up to the lesser of the actual charge, negotiated rate, if applicable, or the payment level set by the Commission in the fee schedule established in this Section. Once an employee informs the provider that there is an application filed with the Commission to resolve a dispute over payment of such charges, the provider shall cease any and all efforts to collect payment for the services that are the subject of the dispute. Any statute of limitations or statute of repose applicable to the provider's efforts to collect payment from the employee shall be tolled from the date that the employee files the application with the Commission until the date that the provider is permitted to resume collection efforts under the provisions of this Section.

(e-15) When there is a dispute over the compensability of or amount of payment for a procedure, treatment, or service, and a case is pending or proceeding before an Arbitrator or the Commission, the provider may mail the employee reminders that the employee will be responsible for payment of any procedure, treatment or service rendered by the provider. The reminders must state that they are not bills, to the extent practicable include itemized information, and state that the employee need not pay until such time as the provider is permitted to resume collection efforts under this Section. The reminders shall not be provided to any credit rating agency. The reminders may request that the employee furnish the provider with information about the proceeding under this Act, such as the file number, names of parties, and status of the case. If an employee fails to respond to such request for information or fails to furnish the information requested within 90 days of the date of the reminder, the provider is entitled to resume any and all efforts to collect payment from the employee for the services rendered to the employee and the employee shall be responsible for payment of any outstanding bills for a procedure, treatment, or service rendered by a provider.

(e-20) Upon a final award or judgment by an Arbitrator or the Commission, or a settlement agreed to by the employer and the employee, a provider may resume any and all efforts to collect payment from the employee for the services rendered to the employee and the employee shall be responsible for payment of any outstanding bills for a procedure, treatment, or service rendered by a provider as well as the interest awarded under subsection (d) of this Section. In the case of a procedure, treatment, or service deemed compensable, the provider shall not require a payment rate, excluding the interest provisions under subsection (d), greater than the lesser of the actual charge or the payment level set by the Commission in the fee schedule established in this Section. Payment for services deemed not covered or not compensable under this Act is the responsibility of the employee unless a provider and employee have agreed otherwise in writing. Services not covered or not compensable under this Act are not subject to the fee schedule in this Section.

(f) Nothing in this Act shall prohibit an employer or insurer from contracting with a health care provider or group of health care providers for reimbursement levels for benefits under this Act different from those provided in this Section.

(g) On or before January 1, 2010 the Commission shall provide to the Governor and General Assembly a report regarding the implementation of the medical fee schedule and the index used for annual adjustment to that schedule as described in this Section.

payment on standardized forms.

(2) Require acceptance by employers and insurers of electronic claims for payment of medical services.

(3) Ensure confidentiality of medical information submitted on electronic claims for payment of medical services.

(4) Ensure that health care providers have an opportunity to comply with requests for records by employers and insurers for the authorization of the payment of workers' compensation claims.

(5) Ensure that health care providers are responsible for supplying only those medical records pertaining to the provider's own claims that are minimally necessary under the federal Health Insurance Portability and Accountability Act of 1996.

The amount of the administrative fine shall be no greater than \$1,000 per each violation, but shall not exceed \$10,000 for identical violations during a calendar year.

(b) To the extent feasible, standards adopted pursuant to subdivision (a) shall be consistent with existing standards under the federal Health Insurance Portability and Accountability Act of 1996 and standards adopted under the Illinois Health Information Exchange and Technology Act.

(c) The rules requiring employers and insurers to accept electronic claims for payment of medical services shall be proposed on or before January 1, 2012, and shall require all employers and insurers to accept electronic claims for payment of medical services on or before June 30, 2012. The Director of Insurance shall adopt rules by January 1, 2019 to implement the changes to this Section made by this amendatory Act of this 100th General Assembly. The Commission, with assistance from the Department and the Medical Fee Advisory Board, shall publish on its Internet website a companion guide to assist with compliance with electronic claims rules. The Medical Fee Advisory Board shall periodically review the companion guide.

(d) The Director of Insurance shall by rule establish criteria for granting exceptions to employers, insurance carriers, and health care providers who are unable to submit or accept medical bills electronically.

(725 ILCS 5/110-6) (from Ch. 38, par. 110-6)

Sec. 110-6. Modification of bail or conditions.

(a) Upon verified application by the State or the defendant or on its own motion the court before which the proceeding is pending may increase or reduce the amount of bail or may alter the conditions of the bail bond or grant bail where it has been previously revoked or denied. If bail has been previously revoked pursuant to subsection (f) of this Section or if bail has been denied to the defendant pursuant to subsection (e) of Section 110-6.1 or subsection (e) of Section 110-6.3, the defendant shall be required to present a verified application setting forth in detail any new facts not known or obtainable at the time of the previous revocation or denial of bail proceedings. If the court grants bail where it has been previously revoked or denied, the court shall state on the record of the proceedings the findings of facts and conclusion of law upon which such order is based.

(a-5) In addition to any other available motion or procedure under this Code, a person in custody solely for a Category B offense due to an inability to post monetary bail shall be brought before the court at the next available court date or 7 calendar days from the date bail was set, whichever is earlier, for a rehearing on the amount or conditions of bail or release pending further court proceedings. The court may reconsider conditions of release for any other person whose inability to post monetary bail is the sole reason for continued incarceration, including a person in custody for a Category A offense or a Category A offense and a Category B offense. The court may deny the rehearing permitted under this subsection (a-5) if the person has failed to appear as required before the court and is incarcerated based on a warrant for failure to appear on the same original criminal offense.

(b) Violation of the conditions of Section 110-10 of this Code or any special conditions of bail as ordered by the court shall constitute grounds for the court to increase the amount of bail, or otherwise alter the conditions of bail, or, where the alleged offense committed on bail is a forcible felony in Illinois or a Class 2 or greater offense under the Illinois Controlled Substances Act, the Cannabis Control Act, or the Methamphetamine Control and Community Protection Act, revoke bail pursuant to the appropriate provisions of subsection (e) of this Section.

(c) Reasonable notice of such application by the defendant shall be given to the State.

(d) Reasonable notice of such application by the State shall be given to the defendant, except as provided in subsection (e).

(e) Upon verified application by the State stating facts or circumstances constituting a violation or a threatened violation of any of the conditions of the bail bond the court may issue a warrant commanding any peace officer to bring the defendant without unnecessary delay before the court for a hearing on the matters set forth in the application. If the actual court before which the proceeding is pending is absent or otherwise unavailable another court may issue a warrant pursuant to this Section. When the defendant is charged with a felony offense and while free on bail is charged with a subsequent felony offense and is

the subject of a proceeding set forth in Section 109-1 or 109-3 of this Code, upon the filing of a verified petition by the State alleging a violation of Section 110-10 (a) (4) of this Code, the court shall without prior notice to the defendant, grant leave to file such application and shall order the transfer of the defendant and the application without unnecessary delay to the court before which the previous felony matter is pending for a hearing as provided in subsection (b) or this subsection of this Section. The defendant shall be held without bond pending transfer to and a hearing before such court. At the conclusion of the hearing based on a violation of the conditions of Section 110-10 of this Code or any special conditions of bail as ordered by the court the court may enter an order increasing the amount of bail or alter the conditions of bail as deemed appropriate.

(f) Where the alleged violation consists of the violation of one or more felony statutes of any jurisdiction which would be a forcible felony in Illinois or a Class 2 or greater offense under the Illinois Controlled Substances Act, the Cannabis Control Act, or the Methamphetamine Control and Community Protection Act and the defendant is on bail for the alleged commission of a felony, or where the defendant is on bail for a felony domestic battery (enhanced pursuant to subsection (b) of Section 12-3.2 of the Criminal Code of 1961 or the Criminal Code of 2012), aggravated domestic battery, aggravated battery, unlawful restraint, aggravated unlawful restraint or domestic battery in violation of item (1) of subsection (a) of Section 12-3.2 of the Criminal Code of 1961 or the Criminal Code of 2012 against a family or household member as defined in Section 112A-3 of this Code and the violation is an offense of domestic battery against the same victim the court shall, on the motion of the State or its own motion, revoke bail in accordance with the following provisions:

(1) The court shall hold the defendant without bail pending the hearing on the alleged breach; however, if the defendant is not admitted to bail the hearing shall be commenced within 10 days from the date the defendant is taken into custody or the defendant may not be held any longer without bail, unless delay is occasioned by the defendant. Where defendant occasions the delay, the running of the 10 day period is temporarily suspended and resumes at the termination of the period of delay. Where defendant occasions the delay with 5 or fewer days remaining in the 10 day period, the court may grant a period of up to 5 additional days to the State for good cause shown. The State, however, shall retain the right to proceed to hearing on the alleged violation at any time, upon reasonable notice to the defendant and the court.

(2) At a hearing on the alleged violation the State has the burden of going forward and proving the violation by clear and convincing evidence. The evidence shall be presented in open court with the opportunity to testify, to present witnesses in his behalf, and to cross-examine witnesses if any are called by the State, and representation by counsel and if the defendant is indigent to have counsel appointed for him. The rules of evidence applicable in criminal trials in this State shall not govern the admissibility of evidence at such hearing. Information used by the court in its findings or stated in or offered in connection with hearings for increase or revocation of bail may be by way of proffer based upon reliable information offered by the State or defendant. All evidence shall be admissible if it is relevant and reliable regardless of whether it would be admissible under the rules of evidence applicable at criminal trials. A motion by the defendant to suppress evidence or to suppress a confession shall not be entertained at such a hearing. Evidence that proof may have been obtained as a result of an unlawful search and seizure or through improper interrogation is not relevant to this hearing.

(3) Upon a finding by the court that the State has established by clear and convincing evidence that the defendant has committed a forcible felony or a Class 2 or greater offense under the Illinois Controlled Substances Act, the Cannabis Control Act, or the Methamphetamine Control and Community Protection Act while admitted to bail, or where the defendant is on bail for a felony domestic battery (enhanced pursuant to subsection (b) of Section 12-3.2 of the Criminal Code of 1961 or the Criminal Code of 2012), aggravated domestic battery, aggravated battery, unlawful restraint, aggravated unlawful restraint or domestic battery in violation of item (1) of subsection (a) of Section 12-3.2 of the Criminal Code of 1961 or the Criminal Code of 2012 against a family or household member as defined in Section 112A-3 of this Code and the violation is an offense of domestic battery, against the same victim, the court shall revoke the bail of the defendant and hold the defendant for trial without bail. Neither the finding of the court nor any transcript or other record of the hearing shall be admissible in the State's case in chief, but shall be admissible for impeachment, or as provided in Section 115-10.1 of this Code or in a perjury proceeding.

(4) If the bail of any defendant is revoked pursuant to paragraph (f) (3) of this Section, the defendant may demand and shall be entitled to be brought to trial on the offense with respect to which he was formerly released on bail within 90 days after the date on which his bail was revoked. If the defendant is not brought to trial within the 90 day period required by the preceding sentence, he

shall not be held longer without bail. In computing the 90 day period, the court shall omit any period of delay resulting from a continuance granted at the request of the defendant.

(5) If the defendant either is arrested on a warrant issued pursuant to this Code or is arrested for an unrelated offense and it is subsequently discovered that the defendant is a subject of another warrant or warrants issued pursuant to this Code, the defendant shall be transferred promptly to the court which issued such warrant. If, however, the defendant appears initially before a court other than the court which issued such warrant, the non-issuing court shall not alter the amount of bail set on such warrant unless the court sets forth on the record of proceedings the conclusions of law and facts which are the basis for such altering of another court's bond. The non-issuing court shall not alter another court's bail set on a warrant unless the interests of justice and public safety are served by such action.

(g) The State may appeal any order where the court has increased or reduced the amount of bail or altered the conditions of the bail bond or granted bail where it has previously been revoked.

(725 ILCS 5/110-14) (from Ch. 38, par. 110-14)

Sec. 110-14. Credit for incarceration on bailable offense; credit against monetary bail for certain offenses.

(a) Any person incarcerated on a bailable offense who does not supply bail and against whom a fine is levied on conviction of the offense shall be allowed a credit of \$5 for each day so incarcerated upon application of the defendant. However, in no case shall the amount so allowed or credited exceed the amount of the fine.

(b) Subsection (a) does not apply to a person incarcerated for sexual assault as defined in paragraph (1) of subsection (a) of Section 5-9-1.7 of the Unified Code of Corrections.

(c) A person subject to bail on a Category B offense shall have \$30 deducted from his or her 10% cash bond amount monetary bail every day the person is incarcerated. The sheriff shall calculate and apply this \$30 per day reduction and send notice to the circuit clerk if a defendant's 10% cash bond amount is reduced to \$0, at which point the defendant shall be released upon his or her own recognizance.

Section 5-25. Member terms and vacancies.

Except for actions involving the ground numbered (26), all proceedings to suspend, revoke, place on probationary status, or take any other disciplinary action as the Department may deem proper, with regard

to a license on any of the foregoing grounds, must be commenced within 5 years next after receipt by the Department of a complaint alleging the commission of or notice of the conviction order for any of the acts described herein. Except for the grounds numbered (8), (9), (26), and (29), no action shall be commenced more than 10 years after the date of the incident or act alleged to have violated this Section. For actions involving the ground numbered (26), a pattern of practice or other behavior includes all incidents alleged to be part of the pattern of practice or other behavior that occurred, or a report pursuant to Section 23 of this Act received, within the 10-year period preceding the filing of the complaint. In the event of the settlement of any claim or cause of action in favor of the claimant or the reduction to final judgment of any civil action in favor of the plaintiff, such claim, cause of action or civil action being grounded on the allegation that a person licensed under this Act was negligent in providing care, the Department shall have an additional period of 2 years from the date of notification to the Department under Section 23 of this Act of such settlement or final judgment in which to investigate and commence formal disciplinary proceedings under Section 36 of this Act, except as otherwise provided by law. The time during which the holder of the license was outside the State of Illinois shall not be included within any period of time limiting the commencement of disciplinary action by the Department.

The entry of an order or judgment by any circuit court establishing that any person holding a license under this Act is a person in need of mental treatment operates as a suspension of that license. That person may resume their practice only upon the entry of a Departmental order based upon a finding by the Disciplinary Board that they have been determined to be recovered from mental illness by the court and upon the Disciplinary Board's recommendation that they be permitted to resume their practice.

The Department may refuse to issue or take disciplinary action concerning the license of any person who fails to file a return, or to pay the tax, penalty or interest shown in a filed return, or to pay any final assessment of tax, penalty or interest, as required by any tax Act administered by the Illinois Department of Revenue, until such time as the requirements of any such tax Act are satisfied as determined by the Illinois Department of Revenue.

The Department, upon the recommendation of the Disciplinary Board, shall adopt rules which set forth standards to be used in determining:

- (a) when a person will be deemed sufficiently rehabilitated to warrant the public trust;
- (b) what constitutes dishonorable, unethical or unprofessional conduct of a character likely to deceive, defraud, or harm the public;
- (c) what constitutes immoral conduct in the commission of any act, including, but not limited to, commission of an act of sexual misconduct related to the licensee's practice; and
- (d) what constitutes gross negligence in the practice of medicine.

However, no such rule shall be admissible into evidence in any civil action except for review of a licensing or other disciplinary action under this Act.

In enforcing this Section, the Disciplinary Board or the Licensing Board, upon a showing of a possible violation, may compel, in the case of the Disciplinary Board, any individual who is licensed to practice under this Act or holds a permit to practice under this Act, or, in the case of the Licensing Board, any individual who has applied for licensure or a permit pursuant to this Act, to submit to a mental or physical examination and evaluation, or both, which may include a substance abuse or sexual offender evaluation, as required by the Licensing Board or Disciplinary Board and at the expense of the Department. The Disciplinary Board or Licensing Board shall specifically designate the examining physician licensed to practice medicine in all of its branches or, if applicable, the multidisciplinary team involved in providing the mental or physical examination and evaluation, or both. The multidisciplinary team shall be led by a physician licensed to practice medicine in all of its branches and may consist of one or more or a combination of physicians licensed to practice medicine in all of its branches, licensed chiropractic physicians, licensed clinical psychologists, licensed clinical social workers, licensed clinical professional counselors, and other professional and administrative staff. Any examining physician or member of the multidisciplinary team may require any person ordered to submit to an examination and evaluation pursuant to this Section to submit to any additional supplemental testing deemed necessary to complete any examination or evaluation process, including, but not limited to, blood testing, urinalysis, psychological testing, or neuropsychological testing. The Disciplinary Board, the Licensing Board, or the Department may order the examining physician or any member of the multidisciplinary team to provide to the Department, the Disciplinary Board, or the Licensing Board any and all records, including business records, that relate to the examination and evaluation, including any supplemental testing performed. The Disciplinary Board, the Licensing Board, or the Department may order the examining physician or any member of the multidisciplinary team to present testimony concerning this examination and evaluation of the licensee, permit holder, or applicant, including testimony concerning any supplemental testing or documents relating to the examination and evaluation. No information, report, record, or other documents

in any way related to the examination and evaluation shall be excluded by reason of any common law or statutory privilege relating to communication between the licensee, permit holder, or applicant and the examining physician or any member of the multidisciplinary team. No authorization is necessary from the licensee, permit holder, or applicant ordered to undergo an evaluation and examination for the examining physician or any member of the multidisciplinary team to provide information, reports, records, or other documents or to provide any testimony regarding the examination and evaluation. The individual to be examined may have, at his or her own expense, another physician of his or her choice present during all aspects of the examination. Failure of any individual to submit to mental or physical examination and evaluation, or both, when directed, shall result in an automatic suspension, without hearing, until such time as the individual submits to the examination. If the Disciplinary Board or Licensing Board finds a physician unable to practice following an examination and evaluation because of the reasons set forth in this Section, the Disciplinary Board or Licensing Board shall require such physician to submit to care, counseling, or treatment by physicians, or other health care professionals, approved or designated by the Disciplinary Board, as a condition for issued, continued, reinstated, or renewed licensure to practice. Any physician, whose license was granted pursuant to Sections 9, 17, or 19 of this Act, or, continued, reinstated, renewed, disciplined or supervised, subject to such terms, conditions or restrictions who shall fail to comply with such terms, conditions or restrictions, or to complete a required program of care, counseling, or treatment, as determined by the Chief Medical Coordinator or Deputy Medical Coordinators, shall be referred to the Secretary for a determination as to whether the licensee shall have their license suspended immediately, pending a hearing by the Disciplinary Board. In instances in which the Secretary immediately suspends a license under this Section, a hearing upon such person's license must be convened by the Disciplinary Board within 15 days after such suspension and completed without appreciable delay. The Disciplinary Board shall have the authority to review the subject physician's record of treatment and counseling regarding the impairment, to the extent permitted by applicable federal statutes and regulations safeguarding the confidentiality of medical records.

An individual licensed under this Act, affected under this Section, shall be afforded an opportunity to demonstrate to the Disciplinary Board that they can resume practice in compliance with acceptable and prevailing standards under the provisions of their license.

The Department may promulgate rules for the imposition of fines in disciplinary cases, not to exceed \$10,000 for each violation of this Act. Fines may be imposed in conjunction with other forms of disciplinary action, but shall not be the exclusive disposition of any disciplinary action arising out of conduct resulting in death or injury to a patient. Any funds collected from such fines shall be deposited in the Illinois State Medical Disciplinary Fund.

All fines imposed under this Section shall be paid within 60 days after the effective date of the order imposing the fine or in accordance with the terms set forth in the order imposing the fine.

(B) The Department shall revoke the license or permit issued under this Act to practice medicine or a chiropractic physician who has been convicted a second time of committing any felony under the Illinois Controlled Substances Act or the Methamphetamine Control and Community Protection Act, or who has been convicted a second time of committing a Class 1 felony under Sections 8A-3 and 8A-6 of the Illinois Public Aid Code. A person whose license or permit is revoked under this subsection B shall be prohibited from practicing medicine or treating human ailments without the use of drugs and without operative surgery.

(C) The Department shall not revoke, suspend, place on probation, reprimand, refuse to issue or renew, or take any other disciplinary or non-disciplinary action against the license or permit issued under this Act to practice medicine to a physician based solely upon the recommendation of the physician to an eligible patient regarding, or prescription for, or treatment with, an investigational drug, biological product, or device.

(D) The Disciplinary Board shall recommend to the Department civil penalties and any other appropriate discipline in disciplinary cases when the Board finds that a physician willfully performed an abortion with actual knowledge that the person upon whom the abortion has been performed is a minor or an incompetent person without notice as required under the Parental Notice of Abortion Act of 1995. Upon the Board's recommendation, the Department shall impose, for the first violation, a civil penalty of \$1,000 and for a second or subsequent violation, a civil penalty of \$5,000.

(Section scheduled to be repealed on January 1, 2028)

Sec. 7. Collaboration requirements.

(a) A collaborating physician shall determine the number of physician assistants to collaborate with, provided the physician is able to provide adequate collaboration as outlined in the written collaborative agreement required under Section 7.5 of this Act and consideration is given to the nature of the physician's practice, complexity of the patient population, and the experience of each physician assistant. A collaborating physician may collaborate with a maximum of 7 5 full-time equivalent physician assistants as described in Section 54.5 of the Medical Practice Act of 1987. As used in this Section, "full-time equivalent" means the equivalent of 40 hours per week per individual. Physicians and physician assistants who work in a hospital, hospital affiliate, or ambulatory surgical treatment center as defined by Section 7.7 of this Act are exempt from the collaborative ratio restriction requirements of this Section. A physician assistant shall be able to hold more than one professional position. A collaborating physician shall file a notice of collaboration of each physician assistant according to the rules of the Department.

Physician assistants shall collaborate only with physicians as defined in this Act who are engaged in clinical practice, or in clinical practice in public health or other community health facilities.

Nothing in this Act shall be construed to prohibit the employment of physician assistants by a hospital, nursing home or other health care facility where such physician assistants function under a collaborating physician.

A physician assistant may be employed by a practice group or other entity employing multiple physicians at one or more locations. In that case, one of the physicians practicing at a location shall be designated the collaborating physician. The other physicians with that practice group or other entity who practice in the same general type of practice or specialty as the collaborating physician may collaborate with the physician assistant with respect to their patients.

(b) A physician assistant licensed in this State, or licensed or authorized to practice in any other U.S. jurisdiction or credentialed by his or her federal employer as a physician assistant, who is responding to a need for medical care created by an emergency or by a state or local disaster may render such care that the physician assistant is able to provide without collaboration as it is defined in this Section or with such collaboration as is available.

Any physician who collaborates with a physician assistant providing medical care in response to such an emergency or state or local disaster shall not be required to meet the requirements set forth in this Section for a collaborating physician.

The multidisciplinary team shall be led by a physician licensed to practice medicine in all of its branches and may consist of one or more or a combination of physicians licensed to practice medicine in all of its branches, licensed clinical psychologists, licensed clinical social workers, licensed clinical professional counselors, and other professional and administrative staff. Any examining physician or member of the multidisciplinary team may require any person ordered to submit to an examination pursuant to this Section to submit to any additional supplemental testing deemed necessary to complete any examination or evaluation process, including, but not limited to, blood testing, urinalysis, psychological testing, or neuropsychological testing.

The Department may order the examining physician or any member of the multidisciplinary team to provide to the Department any and all records, including business records, that relate to the examination and evaluation, including any supplemental testing performed.

The Department may order the examining physician or any member of the multidisciplinary team to present testimony concerning the mental or physical examination of the licensee or applicant. No information, report, record, or other documents in any way related to the examination shall be excluded by reason of any common law or statutory privilege relating to communications between the licensee or applicant and the examining physician or any member of the multidisciplinary team. No authorization is necessary from the licensee or applicant ordered to undergo an examination for the examining physician

or any member of the multidisciplinary team to provide information, reports, records, or other documents or to provide any testimony regarding the examination and evaluation.

The individual to be examined may have, at his or her own expense, another physician of his or her choice present during all aspects of this examination. However, that physician shall be present only to observe and may not interfere in any way with the examination.

Failure of an individual to submit to a mental or physical examination, when ordered, shall result in an automatic suspension of his or her license until the individual submits to the examination.

If the Department finds an individual unable to practice because of the reasons set forth in this Section, the Department may require that individual to submit to care, counseling, or treatment by physicians approved or designated by the Department, as a condition, term, or restriction for continued, reinstated, or renewed licensure to practice; or, in lieu of care, counseling, or treatment, the Department may file a complaint to immediately suspend, revoke, or otherwise discipline the license of the individual. An individual whose license was granted, continued, reinstated, renewed, disciplined, or supervised subject to such terms, conditions, or restrictions, and who fails to comply with such terms, conditions, or restrictions, shall be referred to the Secretary for a determination as to whether the individual shall have his or her license suspended immediately, pending a hearing by the Department.

In instances in which the Secretary immediately suspends a person's license under this Section, a hearing on that person's license must be convened by the Department within 30 days after the suspension and completed without appreciable delay. The Department shall have the authority to review the subject individual's record of treatment and counseling regarding the impairment to the extent permitted by applicable federal statutes and regulations safeguarding the confidentiality of medical records.

An individual licensed under this Act and affected under this Section shall be afforded an opportunity to demonstrate to the Department that he or she can resume practice in compliance with acceptable and prevailing standards under the provisions of his or her license.

(e) An individual or organization acting in good faith, and not in a willful and wanton manner, in complying with this Section by providing a report or other information to the Board, by assisting in the investigation or preparation of a report or information, by participating in proceedings of the Board, or by serving as a member of the Board, shall not be subject to criminal prosecution or civil damages as a result of such actions.

(f) Members of the Board and the Disciplinary Board shall be indemnified by the State for any actions occurring within the scope of services on the Disciplinary Board or Board, done in good faith and not willful and wanton in nature. The Attorney General shall defend all such actions unless he or she determines either that there would be a conflict of interest in such representation or that the actions complained of were not in good faith or were willful and wanton.

If the Attorney General declines representation, the member has the right to employ counsel of his or her choice, whose fees shall be provided by the State, after approval by the Attorney General, unless there is a determination by a court that the member's actions were not in good faith or were willful and wanton.

The member must notify the Attorney General within 7 days after receipt of notice of the initiation of any action involving services of the Disciplinary Board. Failure to so notify the Attorney General constitutes an absolute waiver of the right to a defense and indemnification.

The Attorney General shall determine, within 7 days after receiving such notice, whether he or she will undertake to represent the member.

Section 20. The Retailers' Occupation Tax Act is amended by changing Section 7 as follows:
(35 ILCS 120/7) (from Ch. 120, par. 446)

Sec. 7. Every person engaged in the business of selling tangible personal property at retail in this State shall keep records and books of all sales of tangible personal property, together with invoices, bills of lading, sales records, copies of bills of sale, inventories prepared as of December 31 of each year or otherwise annually as has been the custom in the specific trade and other pertinent papers and documents. Every person who is engaged in the business of selling tangible personal property at retail in this State and who, in connection with such business, also engages in other activities (including, but not limited to, engaging in a service occupation) shall keep such additional records and books of all such activities as will accurately reflect the character and scope of such activities and the amount of receipts realized therefrom. The Department may adopt rules that establish requirements, including record forms and formats, for records required to be kept and maintained by taxpayers. For purposes of this Section, "records" means all data maintained by the taxpayer, including data on paper, microfilm, microfiche or any type of machine-sensible data compilation.

All books and records and other papers and documents which are required by this Act to be kept shall be kept in the English language and shall, at all times during business hours of the day, be subject to inspection by the Department or its duly authorized agents and employees.

To support deductions made on the tax return form, or authorized under this Act, on account of receipts from isolated or occasional sales of tangible personal property, on account of receipts from sales of tangible personal property for resale, on account of receipts from sales to governmental bodies or other exempted types of purchasers, on account of receipts from sales of tangible personal property in interstate commerce, and on account of receipts from any other kind of transaction that is not taxable under this Act, entries in any books, records or other pertinent papers or documents of the taxpayer in relation thereto shall be in detail sufficient to show the name and address of the taxpayer's customer in each such transaction, the character of every such transaction, the date of every such transaction, the amount of receipts realized from every such transaction and such other information as may be necessary to establish the non-taxable character of such transaction under this Act.

Except in the case of a sale to a purchaser who will always resell and deliver the property to his customers outside Illinois, anyone claiming that he has made a nontaxable sale for resale in some form as tangible personal property shall also keep a record of the purchaser's registration number or resale number with the Department.

It shall be presumed that all sales of tangible personal property are subject to tax under this Act until the contrary is established, and the burden of proving that a transaction is not taxable hereunder shall be upon the person who would be required to remit the tax to the Department if such transaction is taxable. In the course of any audit or investigation or hearing by the Department with reference to a given taxpayer, if the Department finds that the taxpayer lacks documentary evidence needed to support the taxpayer's claim to exemption from tax hereunder, the Department is authorized to notify the taxpayer in writing to produce such evidence, and the taxpayer shall have 60 days subject to the right in the Department to extend this period either on request for good cause shown or on its own motion from the date when such notice is sent to the taxpayer by certified or registered mail (or delivered to the taxpayer if the notice is served personally) in which to obtain and produce such evidence for the Department's inspection, failing which the matter shall be closed, and the transaction shall be conclusively presumed to be taxable hereunder.

Books and records and other papers reflecting gross receipts received during any period with respect to which the Department is authorized to issue notices of tax liability as provided by Sections 4 and 5 of this Act shall be preserved until the expiration of such period unless the Department, in writing, shall authorize their destruction or disposal prior to such expiration.

Any person who fails to keep books and records or fails to produce books and records for examination, as required by this Section and the rules adopted by the Department, is liable to pay to the Department, for deposit into the Tax Compliance and Administration Fund, a penalty of \$1,000 for the first failure to keep books and records or produce books and records for examination and a penalty of \$3,000 for each subsequent failure to keep books and records or produce books and records for examination as required by this Section and the rules adopted by the Department. The penalties imposed under this Section shall not apply if the taxpayer shows that he or she acted with ordinary business care and prudence. The Department may adopt rules to administer the penalties under this Section.

Sec. 12. Every distributor or secondary distributor who is required to procure a license under this Act and who purchases cigarettes for shipment into Illinois from a point outside this State shall procure invoices in duplicate covering each such shipment, shall make the invoices available for inspection upon demand by a duly authorized employee of the Department, and shall, if the Department so requires, furnish one copy of each such invoice to the Department at the time of filing a return or a report required by this Act.

Reasonable cause shall be determined in each situation in accordance with rules adopted by the Department. Section 35. The Tobacco Products Tax Act of 1995 is amended by changing Sections 10-25, 10-35, 10-37, 10-40, and 10-50 and by adding Sections 10-35a and 10-38 as follows:

(35 ILCS 143/10-25)

Sec. 10-25. License actions.

(a) The Department may, after notice and a hearing, revoke, cancel, or suspend the license of any distributor or retailer who violates any of the provisions of this Act, fails to keep books and records as required under this Act, fails to make books and records available for inspection upon demand by a duly authorized employee of the Department, or violates a rule or regulation of the Department for the administration and enforcement of this Act. The notice shall specify the alleged violation or violations upon which the revocation, cancellation, or suspension proceeding is based.

(b) The Department may revoke, cancel, or suspend the license of any distributor for a violation of the Tobacco Product Manufacturers' Escrow Enforcement Act as provided in Section 20 of that Act.

(c) If the retailer has a training program that facilitates compliance with minimum-age tobacco laws, the Department shall suspend for 3 days the license of that retailer for a fourth or subsequent violation of the Prevention of Tobacco Use by Minors and Sale and Distribution of Tobacco Products Act, as provided in subsection (a) of Section 2 of that Act. For the purposes of this Section, any violation of subsection (a) of Section 2 of the Prevention of Tobacco Use by Minors and Sale and Distribution of Tobacco Products Act occurring at the retailer's licensed location, during a 24-month period, shall be counted as a violation against the retailer.

If the retailer does not have a training program that facilitates compliance with minimum-age tobacco laws, the Department shall suspend for 3 days the license of that retailer for a second violation of the Prevention of Tobacco Use by Minors and Sale and Distribution of Tobacco Products Act, as provided in subsection (a-5) of Section 2 of that Act.

If the retailer does not have a training program that facilitates compliance with minimum-age tobacco laws, the Department shall suspend for 7 days the license of that retailer for a third violation of the Prevention of Tobacco Use by Minors and Sale and Distribution of Tobacco Products Act, as provided in subsection (a-5) of Section 2 of that Act.

If the retailer does not have a training program that facilitates compliance with minimum-age tobacco laws, the Department shall suspend for 30 days the license of a retailer for a fourth or subsequent violation of the Prevention of Tobacco Use by Minors and Sale and Distribution of Tobacco Products Act, as provided in subsection (a-5) of Section 2 of that Act.

A training program that facilitates compliance with minimum-age tobacco laws must include at least the following elements: (i) it must explain that only individuals displaying valid identification demonstrating that they are 18 years of age or older shall be eligible to purchase cigarettes or tobacco products and (ii) it must explain where a clerk can check identification for a date of birth. The training may be conducted electronically. Each retailer that has a training program shall require each employee who completes the training program to sign a form attesting that the employee has received and completed tobacco training. The form shall be kept in the employee's file and may be used to provide proof of training.

(d) The Department may, by application to any circuit court, obtain an injunction restraining any person who engages in business as a distributor of tobacco products without a license (either because his or her license has been revoked, canceled, or suspended or because of a failure to obtain a license in the first instance) from engaging in that business until that person, as if that person were a new applicant for a

license, complies with all of the conditions, restrictions, and requirements of Section 10-20 of this Act and qualifies for and obtains a license. Refusal or neglect to obey the order of the court may result in punishment for contempt.

(35 ILCS 143/10-35)

Sec. 10-35. Record keeping.

(a) Every distributor, as defined in Section 10-5, shall keep complete and accurate records of tobacco products held, purchased, manufactured, brought in or caused to be brought in from without the State, and tobacco products sold, or otherwise disposed of, and shall preserve and keep all invoices, bills of lading, sales records, and copies of bills of sale, the wholesale price for tobacco products sold or otherwise disposed of, an inventory of tobacco products prepared as of December 31 of each year or as of the last day of the distributor's fiscal year if he or she files federal income tax returns on the basis of a fiscal year, and other pertinent papers and documents relating to the manufacture, purchase, sale, or disposition of tobacco products. Every sales invoice issued by a licensed distributor to a retailer in this State shall contain the distributor's Tobacco Products License number unless the distributor has been granted a waiver by the Department in response to a written request in cases where (i) the distributor sells little cigars or other tobacco products only to licensed retailers that are wholly-owned by the distributor or owned by a wholly-owned subsidiary of the distributor; (ii) the licensed retailer obtains little cigars or other tobacco products only from the distributor requesting the waiver; and (iii) the distributor affixes the tax stamps to the original packages of little cigars or has or will pay the tax on the other tobacco products sold to the licensed retailer. The distributor shall file a written request with the Department, and, if the Department determines that the distributor meets the conditions for a waiver, the Department shall grant the waiver.

(b) Every retailer, as defined in Section 10-5, whether or not the retailer has obtained a retailer's license pursuant to Section 4g, shall keep complete and accurate records of tobacco products held, purchased, sold, or otherwise disposed of, and shall preserve and keep all invoices, bills of lading, sales records, and copies of bills of sale, returns and other pertinent papers and documents relating to the purchase, sale, or disposition of tobacco products. Such records need not be maintained on the licensed premises, but must be maintained in the State of Illinois; however, if access is available electronically, the records may be maintained out of state. However, all original invoices or copies thereof covering purchases of tobacco products must be retained on the licensed premises for a period of 90 days after such purchase, unless the Department has granted a waiver in response to a written request in cases where records are kept at a central business location within the State of Illinois or in cases where records that are available electronically are maintained out of state. The Department shall adopt rules regarding the eligibility for a waiver, revocation of a waiver, and requirements and standards for maintenance and accessibility of records located at a central location out-of-State pursuant to a waiver provided under this Section.

(c) Books, records, papers, and documents that are required by this Act to be kept shall, at all times during the usual business hours of the day, be subject to inspection by the Department or its duly authorized agents and employees. The books, records, papers, and documents for any period with respect to which the Department is authorized to issue a notice of tax liability shall be preserved until the expiration of that period.

(35 ILCS 143/10-35a new)

Sec. 10-35a. Failure to keep or produce books and records. Any person who fails to keep books and records or fails to produce books and records for inspection, as required by Section 10-35, is liable to pay to the Department, for deposit in the Tax Compliance and Administration Fund, a penalty of \$1,000 for the first failure to keep books and records or failure to produce books and records for inspection, as required by Section 10-35, and \$3,000 for each subsequent failure to keep books and records or failure to produce books and records for inspection, as required by Section 10-35. The Department may adopt rules to administer the penalties under this Section.

(35 ILCS 143/10-37)

Sec. 10-37. Proof of payment of tax imposed by this Act. Every licensed distributor of tobacco products in this State is required to show proof of the tax having been paid as required by this Act by displaying its Tobacco Products License number on every sales invoice issued to a retailer in this State. No retailer shall possess tobacco products without either a proper invoice indicating that the tobacco products tax was paid by a distributor for the tobacco products in the retailer's possession or other proof that the tax was paid by the retailer if it has purchased tobacco products on which tax has not been paid as required by this Act. Failure to comply with the provisions of this paragraph may be grounds for revocation of a distributor's or retailer's license in accordance with Section 10-25 of this Act or Section 6 of the Cigarette Tax Act. In

addition, the Department may impose a civil penalty not to exceed \$1,000 for the first violation and \$3,000 for each subsequent violation, which shall be deposited into the Tax Compliance and Administration Fund. (Source: P.A. 98-1055, eff. 1-1-16.)

(35 ILCS 143/10-38 new)

Sec. 10-38. Presumption for unlicensed distributors or persons. Whenever any person obtains tobacco products from an unlicensed in-state or out-of-state distributor or person, a prima facie presumption shall arise that the tax imposed by this Act on such tobacco products has not been paid in violation of this Act. Invoices or other documents kept in the normal course of business in the possession of a person reflecting purchases of tobacco products from an unlicensed in-state or out-of-state distributor or person or invoices or other documents kept in the normal course of business obtained by the Department from in-state or out-of-state distributors or persons, are sufficient to raise the presumption that the tax imposed by this Act has not been paid. If a presumption is raised, the Department may assess tax, penalty, and interest on the tobacco products. In addition, any person who violates this Section is liable to pay to the Department, for deposit in the Tax Compliance and Administration Fund, a penalty of \$1,000 for the first violation and \$3,000 for any subsequent violation. The Department may adopt rules to administer the penalties under this Section.

(35 ILCS 143/10-40)

Sec. 10-40. Invoices. Every distributor or other person who purchases tobacco products for resale for shipment into Illinois from a point outside Illinois shall procure invoices in duplicate covering each shipment and shall make the invoices available for inspection upon demand by a duly authorized employee of the Department, and shall, if the Department so requires, furnish one copy of each invoice to the Department at the time of filing the return required by this Act. (Source: P.A. 89-21, eff. 6-6-95.)

(35 ILCS 143/10-50)

A person commits a separate offense on each day that he or she engages in business in violation of Section 10-20, 10-21, or 10-22 of this Act. If a person fails to produce the books and records for inspection by the Department upon request, a prima facie presumption shall arise that the person has failed to keep books and records as required under this Act. A person who is unable to rebut this presumption is in violation of this Act and is subject to the penalties provided in this Section.

When the amount due is under \$300, any person who accepts money that is due to the Department under this Act from a taxpayer for the purpose of acting as the taxpayer's agent to make the payment to the Department, but who fails to remit the payment to the Department when due, is guilty of a Class 4 felony.

Any person who violates any provision of Sections 10-20, 10-21 and 10-22 of this Act, fails to keep books and records as required under this Act, or willfully violates a rule or regulation of the Department for the administration and enforcement of this Act is guilty of a business offense and may be fined up to \$5,000. If a person fails to produce books and records for inspection by the Department upon request, a prima facie presumption shall arise that the person has failed to keep books and records as required under this Act. A person who is unable to rebut this presumption is in violation of this Act and is subject to the penalties provided in this Section. A person commits a separate offense on each day that he or she engages in business in violation of Sections 10-20, 10-21 and 10-22 of this Act.

When the amount due is \$300 or more, any distributor who files, or causes to be filed, a fraudulent return, or any officer or agent of a corporation engaged in the business of distributing tobacco products to retailers and consumers located in this State who files or causes to be filed or signs or causes to be signed a fraudulent return filed on behalf of the corporation, or any accountant or other agent who knowingly enters false information on the return of any taxpayer under this Act is guilty of a Class 3 felony.

payment to the Department but fails to remit such payment to the Department when due is guilty of a Class 3 felony.

When the amount due is under \$300, any retailer who fails to file a return, willfully fails or refuses to make any payment to the Department of the tax imposed by this Act, or files a fraudulent return, or any officer or agent of a corporation engaged in the retail business of selling tobacco products to purchasers of tobacco products for use and consumption located in this State who signs a fraudulent return filed on behalf of the corporation, or any accountant or other agent who knowingly enters false information on the return of any taxpayer under this Act is guilty of a Class A misdemeanor for a first offense and a Class 4 felony for each subsequent offense.

Any person whose principal place of business is in this State and who is charged with a violation under this Section shall be tried in the county where his or her principal place of business is located unless he or she asserts a right to be tried in another venue. If the taxpayer does not have his or her principal place of business in this State, however, the hearing must be held in Sangamon County unless the taxpayer asserts a right to be tried in another venue.

Any taxpayer or agent of a taxpayer who with the intent to defraud purports to make a payment due to the Department by issuing or delivering a check or other order upon a real or fictitious depository for the payment of money, knowing that it will not be paid by the depository, is guilty of a deceptive practice in violation of Section 17-1 of the Criminal Code of 2012.

A prosecution for a violation described in this Section may be commenced within 3 years after the commission of the act constituting the violation.

"Section 5. The Criminal Code of 2012 is amended by changing Section 24-3 as follows:

(720 ILCS 5/24-3) (from Ch. 38, par. 24-3)

"Mental institution" means any hospital, institution, clinic, evaluation facility, mental health center, or part thereof, which is used primarily for the care or treatment of persons with mental illness.

"Patient in a mental institution" means the person was admitted, either voluntarily or involuntarily, to a mental institution for mental health treatment, unless the treatment was voluntary and solely for an alcohol abuse disorder and no other secondary substance abuse disorder or mental illness.

(f) Sells or gives any firearms to any person who is a person with an intellectual disability.

(g) Delivers any firearm of a size which may be concealed upon the person, incidental to a sale, without withholding delivery of ~~the such~~

firearm for at least 72 hours after application for its purchase has been made, or delivers ~~any rifle, shotgun or other long gun,~~ or a stun gun or taser, incidental to a sale, without withholding delivery of ~~the such rifle, shotgun or other long gun,~~ or a stun gun or taser for at least 24 hours after application for its purchase has been made. However, this paragraph (g) does not apply to: (1) the sale of a firearm to a law enforcement officer if the seller of the firearm knows that the person to whom he or she is selling the firearm is a law enforcement officer or the sale of a firearm to a person who desires to purchase a firearm for use in promoting the public interest incident to his or her employment as a bank guard, armed truck guard, or other similar employment; (2) a mail order sale of a firearm from a federally licensed firearms dealer to a nonresident of Illinois under which the firearm is mailed to a federally licensed firearms dealer outside the boundaries of Illinois; (3) ~~(blank); the sale of a firearm to a nonresident of Illinois while at a firearm showing or display recognized by the Illinois Department of State Police;~~ (4) the sale of a firearm to a dealer licensed as a federal firearms dealer under Section 923 of the federal Gun Control Act of 1968 (18 U.S.C. 923); or (5) the transfer or sale of any rifle, shotgun, or other long gun to a resident registered competitor or attendee or non-resident registered competitor or attendee by any dealer licensed as a federal firearms dealer under Section 923 of the federal Gun Control Act of 1968 at competitive shooting events held at the World Shooting Complex sanctioned by a national governing body. For purposes of transfers or sales under subparagraph (5) of this paragraph (g), the Department of Natural Resources shall give notice to the Department of State Police at least 30 calendar days prior to any competitive shooting events at the World Shooting Complex sanctioned by a national governing body. The notification shall be made on a form prescribed by the Department of State Police. The sanctioning body shall provide a list of all registered competitors and attendees at least 24 hours before the events to the Department of State Police. Any changes to the list of registered competitors and attendees shall be forwarded to the Department of State Police as soon as practicable. The Department of State Police must destroy the list of registered competitors and attendees no later than 30 days after the date of the event. Nothing in this paragraph (g) relieves a federally licensed firearm dealer from the requirements of conducting a NICS background check through the Illinois Point of Contact under 18 U.S.C. 922(t). For purposes of this paragraph (g), "application" means when the buyer and seller reach an agreement to purchase a firearm. For purposes of this paragraph (g), "national governing body" means a group of persons who adopt rules and formulate policy on behalf of a national firearm sporting organization.

(h) While holding any license as a dealer, importer, manufacturer or pawnbroker under the federal Gun Control Act of 1968, manufactures, sells or delivers to any unlicensed person a handgun having a barrel, slide, frame or receiver which is a die casting of zinc alloy or any other nonhomogeneous metal which will melt or deform at a temperature of less than 800 degrees Fahrenheit. For purposes of this paragraph, (1) "firearm" is defined as in the Firearm Owners Identification Card Act; and (2) "handgun" is defined as a firearm designed to be held and fired by the use of a single hand, and includes a combination of parts from which such a firearm can be assembled.

(i) Sells or gives a firearm of any size to any person under 18 years of age who does not possess a valid Firearm Owner's Identification Card.

(j) Sells or gives a firearm while engaged in the business of selling firearms at

wholesale or retail without being licensed as a federal firearms dealer under Section 923 of the federal Gun Control Act of 1968 (18 U.S.C. 923). In this paragraph (j):

A person "engaged in the business" means a person who devotes time, attention, and labor to engaging in the activity as a regular course of trade or business with the principal objective of livelihood and profit, but does not include a person who makes occasional repairs of firearms or who occasionally fits special barrels, stocks, or trigger mechanisms to firearms.

"With the principal objective of livelihood and profit" means that the intent underlying the sale or disposition of firearms is predominantly one of obtaining livelihood and pecuniary gain, as opposed to other intents, such as improving or liquidating a personal firearms collection; however, proof of profit shall not be required as to a person who engages in the regular and repetitive purchase and disposition of firearms for criminal purposes or terrorism.

(k) Sells or transfers ownership of a firearm to a person who does not display to the seller or transferor of the firearm either: (1) a currently valid Firearm Owner's Identification Card that has previously been issued in the transferee's name by the Department of State Police under the provisions of the Firearm Owners Identification Card Act; or (2) a currently valid license to carry a concealed firearm that has previously been issued in the transferee's name by the Department of State Police under the Firearm Concealed Carry Act. This paragraph (k) does not apply to the transfer of a firearm to a person who is exempt from the requirement of possessing a Firearm Owner's Identification Card under Section 2 of the Firearm Owners Identification Card Act. For the purposes of this Section, a currently valid Firearm Owner's Identification Card means (i) a Firearm Owner's Identification Card that has not expired or (ii) an approval number issued in accordance with subsection (a-10) of subsection 3 or Section 3.1 of the Firearm Owners Identification Card Act shall be proof that the Firearm Owner's Identification Card was valid.

(1) In addition to the other requirements of this paragraph (k), all persons who are not federally licensed firearms dealers must also have complied with subsection (a-10) of Section 3 of the Firearm Owners Identification Card Act by determining the validity of a purchaser's Firearm Owner's Identification Card.

(2) All sellers or transferors who have complied with the requirements of subparagraph (1) of this paragraph (k) shall not be liable for damages in any civil action arising from the use or misuse by the transferee of the firearm transferred, except for willful or wanton misconduct on the part of the seller or transferor.

(l) Not being entitled to the possession of a firearm, delivers the firearm, knowing it to have been stolen or converted. It may be inferred that a person who possesses a firearm with knowledge that its serial number has been removed or altered has knowledge that the firearm is stolen or converted.

(B) Paragraph (h) of subsection (A) does not include firearms sold within 6 months after enactment of Public Act 78-355 (approved August 21, 1973, effective October 1, 1973), nor is any firearm legally owned or possessed by any citizen or purchased by any citizen within 6 months after the enactment of Public Act 78-355 subject to confiscation or seizure under the provisions of that Public Act. Nothing in Public Act 78-355 shall be construed to prohibit the gift or trade of any firearm if that firearm was legally held or acquired within 6 months after the enactment of that Public Act.

Passed the House, as amended, May 30, 2018.

TIMOTHY D. MAPES, Clerk of the House

AMENDMENT NO. 1 TO SENATE BILL 3452

AMENDMENT NO. 1. Amend Senate Bill 3452 by replacing everything after the enacting clause with the following:

"Section 5. The Illinois Horse Racing Act of 1975 is amended by changing Sections 26, 26.8, 26.9, and 27 as follows:

(230 ILCS 5/26) (from Ch. 8, par. 37-26)

Sec. 26. Wagering.

(a) Any licensee may conduct and supervise the pari-mutuel system of wagering, as defined in Section 3.12 of this Act, on horse races conducted by an Illinois organization licensee or conducted at a racetrack located in another state or country and televised in Illinois in accordance with subsection (g) of Section 26 of this Act. Subject to the prior consent of the Board, licensees may supplement any pari-mutuel pool in order to guarantee a minimum distribution. Such pari-mutuel method of wagering shall not, under any circumstances if conducted under the provisions of this Act, be held or construed to be unlawful, other statutes of this State to the contrary notwithstanding. Subject to rules for advance wagering promulgated by the Board, any licensee may accept wagers in advance of the day of the race wagered upon occurs.

(b) No other method of betting, pool making, wagering or gambling shall be used or permitted by the licensee. Each licensee may retain, subject to the payment of all applicable taxes and purses, an amount not to exceed 17% of all money wagered under subsection (a) of this Section, except as may otherwise be permitted under this Act.

(b-5) An individual may place a wager under the pari-mutuel system from any licensed location authorized under this Act provided that wager is electronically recorded in the manner described in Section 3.12 of this Act. Any wager made electronically by an individual while physically on the premises of a licensee shall be deemed to have been made at the premises of that licensee.

(c) Until January 1, 2000, the sum held by any licensee for payment of outstanding pari-mutuel tickets, if unclaimed prior to December 31 of the next year, shall be retained by the licensee for payment of such tickets until that date. Within 10 days thereafter, the balance of such sum remaining unclaimed, less any uncashed supplements contributed by such licensee for the purpose of guaranteeing minimum distributions of any pari-mutuel pool, shall be paid to the Illinois Veterans' Rehabilitation Fund of the State treasury, except as provided in subsection (g) of Section 27 of this Act.

(c-5) Beginning January 1, 2000, the sum held by any licensee for payment of outstanding pari-mutuel tickets, if unclaimed prior to December 31 of the next year, shall be retained by the licensee for payment of such tickets until that date. Within 10 days thereafter, the balance of such sum remaining unclaimed, less any uncashed supplements contributed by such licensee for the purpose of guaranteeing minimum distributions of any pari-mutuel pool, shall be evenly distributed to the purse account of the organization licensee and the organization licensee.

(d) A pari-mutuel ticket shall be honored until December 31 of the next calendar year, and the licensee shall pay the same and may charge the amount thereof against unpaid money similarly accumulated on account of pari-mutuel tickets not presented for payment.

(e) No licensee shall knowingly permit any minor, other than an employee of such licensee or an owner, trainer, jockey, driver, or employee thereof, to be admitted during a racing program unless accompanied by a parent or guardian, or any minor to be a patron of the pari-mutuel system of wagering conducted or

[May 30, 2018]

supervised by it. The admission of any unaccompanied minor, other than an employee of the licensee or an owner, trainer, jockey, driver, or employee thereof at a race track is a Class C misdemeanor.

(f) Notwithstanding the other provisions of this Act, an organization licensee may contract with an entity in another state or country to permit any legal wagering entity in another state or country to accept wagers solely within such other state or country on races conducted by the organization licensee in this State. Beginning January 1, 2000, these wagers shall not be subject to State taxation. Until January 1, 2000, when the out-of-State entity conducts a pari-mutuel pool separate from the organization licensee, a privilege tax equal to 7 1/2% of all monies received by the organization licensee from entities in other states or countries pursuant to such contracts is imposed on the organization licensee, and such privilege tax shall be remitted to the Department of Revenue within 48 hours of receipt of the moneys from the simulcast. When the out-of-State entity conducts a combined pari-mutuel pool with the organization licensee, the tax shall be 10% of all monies received by the organization licensee with 25% of the receipts from this 10% tax to be distributed to the county in which the race was conducted.

An organization licensee may permit one or more of its races to be utilized for pari-mutuel wagering at one or more locations in other states and may transmit audio and visual signals of races the organization licensee conducts to one or more locations outside the State or country and may also permit pari-mutuel pools in other states or countries to be combined with its gross or net wagering pools or with wagering pools established by other states.

(g) A host track may accept interstate simulcast wagers on horse races conducted in other states or countries and shall control the number of signals and types of breeds of racing in its simulcast program, subject to the disapproval of the Board. The Board may prohibit a simulcast program only if it finds that the simulcast program is clearly adverse to the integrity of racing. The host track simulcast program shall include the signal of live racing of all organization licensees. All non-host licensees and advance deposit wagering licensees shall carry the signal of and accept wagers on live racing of all organization licensees. Advance deposit wagering licensees shall not be permitted to accept out-of-state wagers on any Illinois signal provided pursuant to this Section without the approval and consent of the organization licensee providing the signal. For one year after August 15, 2014 (the effective date of Public Act 98-968), non-host licensees may carry the host track simulcast program and shall accept wagers on all races included as part of the simulcast program of horse races conducted at race tracks located within North America upon which wagering is permitted. For a period of one year after August 15, 2014 (the effective date of Public Act 98-968), on horse races conducted at race tracks located outside of North America, non-host licensees may accept wagers on all races included as part of the simulcast program upon which wagering is permitted. Beginning August 15, 2015 (one year after the effective date of Public Act 98-968), non-host licensees may carry the host track simulcast program and shall accept wagers on all races included as part of the simulcast program upon which wagering is permitted. All organization licensees shall provide their live signal to all advance deposit wagering licensees for a simulcast commission fee not to exceed 6% of the advance deposit wagering licensee's Illinois handle on the organization licensee's signal without prior approval by the Board. The Board may adopt rules under which it may permit simulcast commission fees in excess of 6%. The Board shall adopt rules limiting the interstate commission fees charged to an advance deposit wagering licensee. The Board shall adopt rules regarding advance deposit wagering on interstate simulcast races that shall reflect, among other things, the General Assembly's desire to maximize revenues to the State, horsemen purses, and organizational licensees. However, organization licensees providing live signals pursuant to the requirements of this subsection (g) may petition the Board to withhold their live signals from an advance deposit wagering licensee if the organization licensee discovers and the Board finds reputable or credible information that the advance deposit wagering licensee is under investigation by another state or federal governmental agency, the advance deposit wagering licensee's license has been suspended in another state, or the advance deposit wagering licensee's license is in revocation proceedings in another state. The organization licensee's provision of their live signal to an advance deposit wagering licensee under this subsection (g) pertains to wagers placed from within Illinois. Advance deposit wagering licensees may place advance deposit wagering terminals at wagering facilities as a convenience to customers. The advance deposit wagering licensee shall not charge or collect any fee from purses for the placement of the advance deposit wagering terminals. The costs and expenses of the host track and non-host licensees associated with interstate simulcast wagering, other than the interstate commission fee, shall be borne by the host track and all non-host licensees incurring these costs. The interstate commission fee shall not exceed 5% of Illinois handle on the interstate simulcast race or races without prior approval of the Board. The Board shall promulgate rules under which it may permit interstate commission fees in excess of 5%. The interstate commission fee and other fees charged by the sending racetrack, including, but not limited to, satellite decoder fees, shall be uniformly applied to the host track and all non-host licensees.

Notwithstanding any other provision of this Act, through ~~June 30, 2020~~ ~~December 31, 2018~~, an organization licensee, with the consent of the horsemen association representing the largest number of owners, trainers, jockeys, or standardbred drivers who race horses at that organization licensee's racing meeting, may maintain a system whereby advance deposit wagering may take place or an organization licensee, with the consent of the horsemen association representing the largest number of owners, trainers, jockeys, or standardbred drivers who race horses at that organization licensee's racing meeting, may contract with another person to carry out a system of advance deposit wagering. Such consent may not be unreasonably withheld. Only with respect to an appeal to the Board that consent for an organization licensee that maintains its own advance deposit wagering system is being unreasonably withheld, the Board shall issue a final order within 30 days after initiation of the appeal, and the organization licensee's advance deposit wagering system may remain operational during that 30-day period. The actions of any organization licensee who conducts advance deposit wagering or any person who has a contract with an organization licensee to conduct advance deposit wagering who conducts advance deposit wagering on or after January 1, 2013 and prior to June 7, 2013 (the effective date of Public Act 98-18) taken in reliance on the changes made to this subsection (g) by Public Act 98-18 are hereby validated, provided payment of all applicable pari-mutuel taxes are remitted to the Board. All advance deposit wagers placed from within Illinois must be placed through a Board-approved advance deposit wagering licensee; no other entity may accept an advance deposit wager from a person within Illinois. All advance deposit wagering is subject to any rules adopted by the Board. The Board may adopt rules necessary to regulate advance deposit wagering through the use of emergency rulemaking in accordance with Section 5-45 of the Illinois Administrative Procedure Act. The General Assembly finds that the adoption of rules to regulate advance deposit wagering is deemed an emergency and necessary for the public interest, safety, and welfare. An advance deposit wagering licensee may retain all moneys as agreed to by contract with an organization licensee. Any moneys retained by the organization licensee from advance deposit wagering, not including moneys retained by the advance deposit wagering licensee, shall be paid 50% to the organization licensee's purse account and 50% to the organization licensee. With the exception of any organization licensee that is owned by a publicly traded company that is incorporated in a state other than Illinois and advance deposit wagering licensees under contract with such organization licensees, organization licensees that maintain advance deposit wagering systems and advance deposit wagering licensees that contract with organization licensees shall provide sufficiently detailed monthly accountings to the horsemen association representing the largest number of owners, trainers, jockeys, or standardbred drivers who race horses at that organization licensee's racing meeting so that the horsemen association, as an interested party, can confirm the accuracy of the amounts paid to the purse account at the horsemen association's affiliated organization licensee from advance deposit wagering. If more than one breed races at the same race track facility, then the 50% of the moneys to be paid to an organization licensee's purse account shall be allocated among all organization licensees' purse accounts operating at that race track facility proportionately based on the actual number of host days that the Board grants to that breed at that race track facility in the current calendar year. To the extent any fees from advance deposit wagering conducted in Illinois for wagers in Illinois or other states have been placed in escrow or otherwise withheld from wagers pending a determination of the legality of advance deposit wagering, no action shall be brought to declare such wagers or the disbursement of any fees previously escrowed illegal.

(1) Between the hours of 6:30 a.m. and 6:30 p.m. an inter-track wagering licensee other than the host track may supplement the host track simulcast program with additional simulcast races or race programs, provided that between January 1 and the third Friday in February of any year, inclusive, if no live thoroughbred racing is occurring in Illinois during this period, only thoroughbred races may be used for supplemental interstate simulcast purposes. The Board shall withhold approval for a supplemental interstate simulcast only if it finds that the simulcast is clearly adverse to the integrity of racing. A supplemental interstate simulcast may be transmitted from an inter-track wagering licensee to its affiliated non-host licensees. The interstate commission fee for a supplemental interstate simulcast shall be paid by the non-host licensee and its affiliated non-host licensees receiving the simulcast.

(2) Between the hours of 6:30 p.m. and 6:30 a.m. an inter-track wagering licensee other than the host track may receive supplemental interstate simulcasts only with the consent of the host track, except when the Board finds that the simulcast is clearly adverse to the integrity of racing. Consent granted under this paragraph (2) to any inter-track wagering licensee shall be deemed consent to all non-host licensees. The interstate commission fee for the supplemental interstate simulcast shall be paid by all participating non-host licensees.

(3) Each licensee conducting interstate simulcast wagering may retain, subject to the payment of all applicable taxes and the purses, an amount not to exceed 17% of all money wagered. If any licensee conducts the pari-mutuel system wagering on races conducted at racetracks in another state

or country, each such race or race program shall be considered a separate racing day for the purpose of determining the daily handle and computing the privilege tax of that daily handle as provided in subsection (a) of Section 27. Until January 1, 2000, from the sums permitted to be retained pursuant to this subsection, each inter-track wagering location licensee shall pay 1% of the pari-mutuel handle wagered on simulcast wagering to the Horse Racing Tax Allocation Fund, subject to the provisions of subparagraph (B) of paragraph (11) of subsection (h) of Section 26 of this Act.

(4) A licensee who receives an interstate simulcast may combine its gross or net pools with pools at the sending racetracks pursuant to rules established by the Board. All licensees combining their gross pools at a sending racetrack shall adopt the take-out percentages of the sending racetrack. A licensee may also establish a separate pool and takeout structure for wagering purposes on races conducted at race tracks outside of the State of Illinois. The licensee may permit pari-mutuel wagers placed in other states or countries to be combined with its gross or net wagering pools or other wagering pools.

(5) After the payment of the interstate commission fee (except for the interstate commission fee on a supplemental interstate simulcast, which shall be paid by the host track and by each non-host licensee through the host-track) and all applicable State and local taxes, except as provided in subsection (g) of Section 27 of this Act, the remainder of moneys retained from simulcast wagering pursuant to this subsection (g), and Section 26.2 shall be divided as follows:

(A) For interstate simulcast wagers made at a host track, 50% to the host track and 50% to purses at the host track.

(B) For wagers placed on interstate simulcast races, supplemental simulcasts as defined in subparagraphs (1) and (2), and separately pooled races conducted outside of the State of Illinois made at a non-host licensee, 25% to the host track, 25% to the non-host licensee, and 50% to the purses at the host track.

(6) Notwithstanding any provision in this Act to the contrary, non-host licensees who derive their licenses from a track located in a county with a population in excess of 230,000 and that borders the Mississippi River may receive supplemental interstate simulcast races at all times subject to Board approval, which shall be withheld only upon a finding that a supplemental interstate simulcast is clearly adverse to the integrity of racing.

(7) Notwithstanding any provision of this Act to the contrary, after payment of all applicable State and local taxes and interstate commission fees, non-host licensees who derive their licenses from a track located in a county with a population in excess of 230,000 and that borders the Mississippi River shall retain 50% of the retention from interstate simulcast wagers and shall pay 50% to purses at the track from which the non-host licensee derives its license as follows:

(A) Between January 1 and the third Friday in February, inclusive, if no live thoroughbred racing is occurring in Illinois during this period, when the interstate simulcast is a standardbred race, the purse share to its standardbred purse account;

(B) Between January 1 and the third Friday in February, inclusive, if no live thoroughbred racing is occurring in Illinois during this period, and the interstate simulcast is a thoroughbred race, the purse share to its interstate simulcast purse pool to be distributed under paragraph (10) of this subsection (g);

(C) Between January 1 and the third Friday in February, inclusive, if live thoroughbred racing is occurring in Illinois, between 6:30 a.m. and 6:30 p.m. the purse share from wagers made during this time period to its thoroughbred purse account and between 6:30 p.m. and 6:30 a.m. the purse share from wagers made during this time period to its standardbred purse accounts;

(D) Between the third Saturday in February and December 31, when the interstate simulcast occurs between the hours of 6:30 a.m. and 6:30 p.m., the purse share to its thoroughbred purse account;

(E) Between the third Saturday in February and December 31, when the interstate simulcast occurs between the hours of 6:30 p.m. and 6:30 a.m., the purse share to its standardbred purse account.

(7.1) Notwithstanding any other provision of this Act to the contrary, if no standardbred racing is conducted at a racetrack located in Madison County during any calendar year beginning on or after January 1, 2002, all moneys derived by that racetrack from simulcast wagering and inter-track wagering that (1) are to be used for purses and (2) are generated between the hours of 6:30 p.m. and 6:30 a.m. during that calendar year shall be paid as follows:

(A) If the licensee that conducts horse racing at that racetrack requests from the

Board at least as many racing dates as were conducted in calendar year 2000, 80% shall be paid to its thoroughbred purse account; and

(B) Twenty percent shall be deposited into the Illinois Colt Stakes Purse Distribution Fund and shall be paid to purses for standardbred races for Illinois conceived and foaled horses conducted at any county fairgrounds. The moneys deposited into the Fund pursuant to this subparagraph (B) shall be deposited within 2 weeks after the day they were generated, shall be in addition to and not in lieu of any other moneys paid to standardbred purses under this Act, and shall not be commingled with other moneys paid into that Fund. The moneys deposited pursuant to this subparagraph (B) shall be allocated as provided by the Department of Agriculture, with the advice and assistance of the Illinois Standardbred Breeders Fund Advisory Board.

(7.2) Notwithstanding any other provision of this Act to the contrary, if no thoroughbred racing is conducted at a racetrack located in Madison County during any calendar year beginning on or after January 1, 2002, all moneys derived by that racetrack from simulcast wagering and inter-track wagering that (1) are to be used for purses and (2) are generated between the hours of 6:30 a.m. and 6:30 p.m. during that calendar year shall be deposited as follows:

(A) If the licensee that conducts horse racing at that racetrack requests from the Board at least as many racing dates as were conducted in calendar year 2000, 80% shall be deposited into its standardbred purse account; and

(B) Twenty percent shall be deposited into the Illinois Colt Stakes Purse Distribution Fund. Moneys deposited into the Illinois Colt Stakes Purse Distribution Fund pursuant to this subparagraph (B) shall be paid to Illinois conceived and foaled thoroughbred breeders' programs and to thoroughbred purses for races conducted at any county fairgrounds for Illinois conceived and foaled horses at the discretion of the Department of Agriculture, with the advice and assistance of the Illinois Thoroughbred Breeders Fund Advisory Board. The moneys deposited into the Illinois Colt Stakes Purse Distribution Fund pursuant to this subparagraph (B) shall be deposited within 2 weeks after the day they were generated, shall be in addition to and not in lieu of any other moneys paid to thoroughbred purses under this Act, and shall not be commingled with other moneys deposited into that Fund.

(7.3) If no live standardbred racing is conducted at a racetrack located in Madison County in calendar year 2000 or 2001, an organization licensee who is licensed to conduct horse racing at that racetrack shall, before January 1, 2002, pay all moneys derived from simulcast wagering and inter-track wagering in calendar years 2000 and 2001 and paid into the licensee's standardbred purse account as follows:

(A) Eighty percent to that licensee's thoroughbred purse account to be used for thoroughbred purses; and

(B) Twenty percent to the Illinois Colt Stakes Purse Distribution Fund.

Failure to make the payment to the Illinois Colt Stakes Purse Distribution Fund before January 1, 2002 shall result in the immediate revocation of the licensee's organization license, inter-track wagering license, and inter-track wagering location license.

Moneys paid into the Illinois Colt Stakes Purse Distribution Fund pursuant to this paragraph (7.3) shall be paid to purses for standardbred races for Illinois conceived and foaled horses conducted at any county fairgrounds. Moneys paid into the Illinois Colt Stakes Purse Distribution Fund pursuant to this paragraph (7.3) shall be used as determined by the Department of Agriculture, with the advice and assistance of the Illinois Standardbred Breeders Fund Advisory Board, shall be in addition to and not in lieu of any other moneys paid to standardbred purses under this Act, and shall not be commingled with any other moneys paid into that Fund.

(7.4) If live standardbred racing is conducted at a racetrack located in Madison County at any time in calendar year 2001 before the payment required under paragraph (7.3) has been made, the organization licensee who is licensed to conduct racing at that racetrack shall pay all moneys derived by that racetrack from simulcast wagering and inter-track wagering during calendar years 2000 and 2001 that (1) are to be used for purses and (2) are generated between the hours of 6:30 p.m. and 6:30 a.m. during 2000 or 2001 to the standardbred purse account at that racetrack to be used for standardbred purses.

(8) Notwithstanding any provision in this Act to the contrary, an organization licensee from a track located in a county with a population in excess of 230,000 and that borders the Mississippi River and its affiliated non-host licensees shall not be entitled to share in any retention generated on racing, inter-track wagering, or simulcast wagering at any other Illinois wagering facility.

(8.1) Notwithstanding any provisions in this Act to the contrary, if 2 organization

licensees are conducting standardbred race meetings concurrently between the hours of 6:30 p.m. and 6:30 a.m., after payment of all applicable State and local taxes and interstate commission fees, the remainder of the amount retained from simulcast wagering otherwise attributable to the host track and to host track purses shall be split daily between the 2 organization licensees and the purses at the tracks of the 2 organization licensees, respectively, based on each organization licensee's share of the total live handle for that day, provided that this provision shall not apply to any non-host licensee that derives its license from a track located in a county with a population in excess of 230,000 and that borders the Mississippi River.

(9) (Blank).

(10) (Blank).

(11) (Blank).

(12) The Board shall have authority to compel all host tracks to receive the simulcast of any or all races conducted at the Springfield or DuQuoin State fairgrounds and include all such races as part of their simulcast programs.

(13) Notwithstanding any other provision of this Act, in the event that the total Illinois pari-mutuel handle on Illinois horse races at all wagering facilities in any calendar year is less than 75% of the total Illinois pari-mutuel handle on Illinois horse races at all such wagering facilities for calendar year 1994, then each wagering facility that has an annual total Illinois pari-mutuel handle on Illinois horse races that is less than 75% of the total Illinois pari-mutuel handle on Illinois horse races at such wagering facility for calendar year 1994, shall be permitted to receive, from any amount otherwise payable to the purse account at the race track with which the wagering facility is affiliated in the succeeding calendar year, an amount equal to 2% of the differential in total Illinois pari-mutuel handle on Illinois horse races at the wagering facility between that calendar year in question and 1994 provided, however, that a wagering facility shall not be entitled to any such payment until the Board certifies in writing to the wagering facility the amount to which the wagering facility is entitled and a schedule for payment of the amount to the wagering facility, based on: (i) the racing dates awarded to the race track affiliated with the wagering facility during the succeeding year; (ii) the sums available or anticipated to be available in the purse account of the race track affiliated with the wagering facility for purses during the succeeding year; and (iii) the need to ensure reasonable purse levels during the payment period. The Board's certification shall be provided no later than January 31 of the succeeding year. In the event a wagering facility entitled to a payment under this paragraph (13) is affiliated with a race track that maintains purse accounts for both standardbred and thoroughbred racing, the amount to be paid to the wagering facility shall be divided between each purse account pro rata, based on the amount of Illinois handle on Illinois standardbred and thoroughbred racing respectively at the wagering facility during the previous calendar year. Annually, the General Assembly shall appropriate sufficient funds from the General Revenue Fund to the Department of Agriculture for payment into the thoroughbred and standardbred horse racing purse accounts at Illinois pari-mutuel tracks. The amount paid to each purse account shall be the amount certified by the Illinois Racing Board in January to be transferred from each account to each eligible racing facility in accordance with the provisions of this Section.

(h) The Board may approve and license the conduct of inter-track wagering and simulcast wagering by inter-track wagering licensees and inter-track wagering location licensees subject to the following terms and conditions:

(1) Any person licensed to conduct a race meeting (i) at a track where 60 or more days of racing were conducted during the immediately preceding calendar year or where over the 5 immediately preceding calendar years an average of 30 or more days of racing were conducted annually may be issued an inter-track wagering license; (ii) at a track located in a county that is bounded by the Mississippi River, which has a population of less than 150,000 according to the 1990 decennial census, and an average of at least 60 days of racing per year between 1985 and 1993 may be issued an inter-track wagering license; or (iii) at a track located in Madison County that conducted at least 100 days of live racing during the immediately preceding calendar year may be issued an inter-track wagering license, unless a lesser schedule of live racing is the result of (A) weather, unsafe track conditions, or other acts of God; (B) an agreement between the organization licensee and the associations representing the largest number of owners, trainers, jockeys, or standardbred drivers who race horses at that organization licensee's racing meeting; or (C) a finding by the Board of extraordinary circumstances and that it was in the best interest of the public and the sport to conduct fewer than 100 days of live racing. Any such person having operating control of the racing facility may receive inter-track wagering location licenses. An eligible race track located in a county that has a population of more than 230,000 and that is bounded by the Mississippi River may establish up to 9 inter-track wagering locations, an

eligible race track located in Stickney Township in Cook County may establish up to 16 inter-track wagering locations, and an eligible race track located in Palatine Township in Cook County may establish up to 18 inter-track wagering locations. An application for said license shall be filed with the Board prior to such dates as may be fixed by the Board. With an application for an inter-track wagering location license there shall be delivered to the Board a certified check or bank draft payable to the order of the Board for an amount equal to \$500. The application shall be on forms prescribed and furnished by the Board. The application shall comply with all other rules, regulations and conditions imposed by the Board in connection therewith.

(2) The Board shall examine the applications with respect to their conformity with this Act and the rules and regulations imposed by the Board. If found to be in compliance with the Act and rules and regulations of the Board, the Board may then issue a license to conduct inter-track wagering and simulcast wagering to such applicant. All such applications shall be acted upon by the Board at a meeting to be held on such date as may be fixed by the Board.

(3) In granting licenses to conduct inter-track wagering and simulcast wagering, the Board shall give due consideration to the best interests of the public, of horse racing, and of maximizing revenue to the State.

(4) Prior to the issuance of a license to conduct inter-track wagering and simulcast wagering, the applicant shall file with the Board a bond payable to the State of Illinois in the sum of \$50,000, executed by the applicant and a surety company or companies authorized to do business in this State, and conditioned upon (i) the payment by the licensee of all taxes due under Section 27 or 27.1 and any other monies due and payable under this Act, and (ii) distribution by the licensee, upon presentation of the winning ticket or tickets, of all sums payable to the patrons of pari-mutuel pools.

(5) Each license to conduct inter-track wagering and simulcast wagering shall specify the person to whom it is issued, the dates on which such wagering is permitted, and the track or location where the wagering is to be conducted.

(6) All wagering under such license is subject to this Act and to the rules and regulations from time to time prescribed by the Board, and every such license issued by the Board shall contain a recital to that effect.

(7) An inter-track wagering licensee or inter-track wagering location licensee may accept wagers at the track or location where it is licensed, or as otherwise provided under this Act.

(8) Inter-track wagering or simulcast wagering shall not be conducted at any track less than 5 miles from a track at which a racing meeting is in progress.

(8.1) Inter-track wagering location licensees who derive their licenses from a particular organization licensee shall conduct inter-track wagering and simulcast wagering only at locations that are within 160 miles of that race track where the particular organization licensee is licensed to conduct racing. However, inter-track wagering and simulcast wagering shall not be conducted by those licensees at any location within 5 miles of any race track at which a horse race meeting has been licensed in the current year, unless the person having operating control of such race track has given its written consent to such inter-track wagering location licensees, which consent must be filed with the Board at or prior to the time application is made. In the case of any inter-track wagering location licensee initially licensed after December 31, 2013, inter-track wagering and simulcast wagering shall not be conducted by those inter-track wagering location licensees that are located outside the City of Chicago at any location within 8 miles of any race track at which a horse race meeting has been licensed in the current year, unless the person having operating control of such race track has given its written consent to such inter-track wagering location licensees, which consent must be filed with the Board at or prior to the time application is made.

(8.2) Inter-track wagering or simulcast wagering shall not be conducted by an inter-track wagering location licensee at any location within 500 feet of an existing church or existing school, nor within 500 feet of the residences of more than 50 registered voters without receiving written permission from a majority of the registered voters at such residences. Such written permission statements shall be filed with the Board. The distance of 500 feet shall be measured to the nearest part of any building used for worship services, education programs, residential purposes, or conducting inter-track wagering by an inter-track wagering location licensee, and not to property boundaries. However, inter-track wagering or simulcast wagering may be conducted at a site within 500 feet of a church, school or residences of 50 or more registered voters if such church, school or residences have been erected or established, or such voters have been registered, after the Board issues the original inter-track wagering location license at the site in question. Inter-track wagering location licensees may conduct inter-track wagering and simulcast wagering only in areas that are zoned for commercial or manufacturing purposes or in areas for which a special use has been approved by the local zoning

authority. However, no license to conduct inter-track wagering and simulcast wagering shall be granted by the Board with respect to any inter-track wagering location within the jurisdiction of any local zoning authority which has, by ordinance or by resolution, prohibited the establishment of an inter-track wagering location within its jurisdiction. However, inter-track wagering and simulcast wagering may be conducted at a site if such ordinance or resolution is enacted after the Board licenses the original inter-track wagering location licensee for the site in question.

(9) (Blank).

(10) An inter-track wagering licensee or an inter-track wagering location licensee may retain, subject to the payment of the privilege taxes and the purses, an amount not to exceed 17% of all money wagered. Each program of racing conducted by each inter-track wagering licensee or inter-track wagering location licensee shall be considered a separate racing day for the purpose of determining the daily handle and computing the privilege tax or pari-mutuel tax on such daily handle as provided in Section 27.

(10.1) Except as provided in subsection (g) of Section 27 of this Act, inter-track wagering location licensees shall pay 1% of the pari-mutuel handle at each location to the municipality in which such location is situated and 1% of the pari-mutuel handle at each location to the county in which such location is situated. In the event that an inter-track wagering location licensee is situated in an unincorporated area of a county, such licensee shall pay 2% of the pari-mutuel handle from such location to such county.

(10.2) Notwithstanding any other provision of this Act, with respect to inter-track wagering at a race track located in a county that has a population of more than 230,000 and that is bounded by the Mississippi River ("the first race track"), or at a facility operated by an inter-track wagering licensee or inter-track wagering location licensee that derives its license from the organization licensee that operates the first race track, on races conducted at the first race track or on races conducted at another Illinois race track and simultaneously televised to the first race track or to a facility operated by an inter-track wagering licensee or inter-track wagering location licensee that derives its license from the organization licensee that operates the first race track, those moneys shall be allocated as follows:

(A) That portion of all moneys wagered on standardbred racing that is required under this Act to be paid to purses shall be paid to purses for standardbred races.

(B) That portion of all moneys wagered on thoroughbred racing that is required under this Act to be paid to purses shall be paid to purses for thoroughbred races.

(11) (A) After payment of the privilege or pari-mutuel tax, any other applicable taxes, and the costs and expenses in connection with the gathering, transmission, and dissemination of all data necessary to the conduct of inter-track wagering, the remainder of the monies retained under either Section 26 or Section 26.2 of this Act by the inter-track wagering licensee on inter-track wagering shall be allocated with 50% to be split between the 2 participating licensees and 50% to purses, except that an inter-track wagering licensee that derives its license from a track located in a county with a population in excess of 230,000 and that borders the Mississippi River shall not divide any remaining retention with the Illinois organization licensee that provides the race or races, and an inter-track wagering licensee that accepts wagers on races conducted by an organization licensee that conducts a race meet in a county with a population in excess of 230,000 and that borders the Mississippi River shall not divide any remaining retention with that organization licensee.

(B) From the sums permitted to be retained pursuant to this Act each inter-track wagering location licensee shall pay (i) the privilege or pari-mutuel tax to the State; (ii) 4.75% of the pari-mutuel handle on inter-track wagering at such location on races as purses, except that an inter-track wagering location licensee that derives its license from a track located in a county with a population in excess of 230,000 and that borders the Mississippi River shall retain all purse moneys for its own purse account consistent with distribution set forth in this subsection (h), and inter-track wagering location licensees that accept wagers on races conducted by an organization licensee located in a county with a population in excess of 230,000 and that borders the Mississippi River shall distribute all purse moneys to purses at the operating host track; (iii) until January 1, 2000, except as provided in subsection (g) of Section 27 of this Act, 1% of the pari-mutuel handle wagered on inter-track wagering and simulcast wagering at each inter-track wagering location licensee facility to the Horse Racing Tax Allocation Fund, provided that, to the extent the total amount collected and distributed to the Horse Racing Tax Allocation Fund under this subsection (h) during any calendar year exceeds the amount collected and distributed to the Horse Racing Tax Allocation Fund during calendar year 1994, that excess amount shall be redistributed (I) to all inter-track wagering location licensees, based on each licensee's pro-rata share of the total handle from inter-track wagering and simulcast wagering for all inter-track wagering location licensees during the calendar year in which this provision is applicable; then (II) the amounts

redistributed to each inter-track wagering location licensee as described in subpart (I) shall be further redistributed as provided in subparagraph (B) of paragraph (5) of subsection (g) of this Section 26 provided first, that the shares of those amounts, which are to be redistributed to the host track or to purses at the host track under subparagraph (B) of paragraph (5) of subsection (g) of this Section 26 shall be redistributed based on each host track's pro rata share of the total inter-track wagering and simulcast wagering handle at all host tracks during the calendar year in question, and second, that any amounts redistributed as described in part (I) to an inter-track wagering location licensee that accepts wagers on races conducted by an organization licensee that conducts a race meet in a county with a population in excess of 230,000 and that borders the Mississippi River shall be further redistributed as provided in subparagraphs (D) and (E) of paragraph (7) of subsection (g) of this Section 26, with the portion of that further redistribution allocated to purses at that organization licensee to be divided between standardbred purses and thoroughbred purses based on the amounts otherwise allocated to purses at that organization licensee during the calendar year in question; and (iv) 8% of the pari-mutuel handle on inter-track wagering wagered at such location to satisfy all costs and expenses of conducting its wagering. The remainder of the monies retained by the inter-track wagering location licensee shall be allocated 40% to the location licensee and 60% to the organization licensee which provides the Illinois races to the location, except that an inter-track wagering location licensee that derives its license from a track located in a county with a population in excess of 230,000 and that borders the Mississippi River shall not divide any remaining retention with the organization licensee that provides the race or races and an inter-track wagering location licensee that accepts wagers on races conducted by an organization licensee that conducts a race meet in a county with a population in excess of 230,000 and that borders the Mississippi River shall not divide any remaining retention with the organization licensee. Notwithstanding the provisions of clauses (ii) and (iv) of this paragraph, in the case of the additional inter-track wagering location licenses authorized under paragraph (1) of this subsection (h) by Public Act 87-110, those licensees shall pay the following amounts as purses: during the first 12 months the licensee is in operation, 5.25% of the pari-mutuel handle wagered at the location on races; during the second 12 months, 5.25%; during the third 12 months, 5.75%; during the fourth 12 months, 6.25%; and during the fifth 12 months and thereafter, 6.75%. The following amounts shall be retained by the licensee to satisfy all costs and expenses of conducting its wagering: during the first 12 months the licensee is in operation, 8.25% of the pari-mutuel handle wagered at the location; during the second 12 months, 8.25%; during the third 12 months, 7.75%; during the fourth 12 months, 7.25%; and during the fifth 12 months and thereafter, 6.75%. For additional inter-track wagering location licensees authorized under Public Act 89-16, purses for the first 12 months the licensee is in operation shall be 5.75% of the pari-mutuel wagered at the location, purses for the second 12 months the licensee is in operation shall be 6.25%, and purses thereafter shall be 6.75%. For additional inter-track location licensees authorized under Public Act 89-16, the licensee shall be allowed to retain to satisfy all costs and expenses: 7.75% of the pari-mutuel handle wagered at the location during its first 12 months of operation, 7.25% during its second 12 months of operation, and 6.75% thereafter.

(C) There is hereby created the Horse Racing Tax Allocation Fund which shall remain in existence until December 31, 1999. Moneys remaining in the Fund after December 31, 1999 shall be paid into the General Revenue Fund. Until January 1, 2000, all monies paid into the Horse Racing Tax Allocation Fund pursuant to this paragraph (11) by inter-track wagering location licensees located in park districts of 500,000 population or less, or in a municipality that is not included within any park district but is included within a conservation district and is the county seat of a county that (i) is contiguous to the state of Indiana and (ii) has a 1990 population of 88,257 according to the United States Bureau of the Census, and operating on May 1, 1994 shall be allocated by appropriation as follows:

Two-sevenths to the Department of Agriculture. Fifty percent of this two-sevenths shall be used to promote the Illinois horse racing and breeding industry, and shall be distributed by the Department of Agriculture upon the advice of a 9-member committee appointed by the Governor consisting of the following members: the Director of Agriculture, who shall serve as chairman; 2 representatives of organization licensees conducting thoroughbred race meetings in this State, recommended by those licensees; 2 representatives of organization licensees conducting standardbred race meetings in this State, recommended by those licensees; a representative of the Illinois Thoroughbred Breeders and Owners Foundation, recommended by that Foundation; a representative of the Illinois Standardbred Owners and Breeders Association, recommended by that Association; a representative of the Horsemen's Benevolent and Protective Association or any successor organization thereto established in Illinois comprised of the largest number of owners and trainers, recommended by that Association or that successor organization; and a representative of the Illinois Harness Horsemen's Association, recommended by that Association. Committee members shall serve

for terms of 2 years, commencing January 1 of each even-numbered year. If a representative of any of the above-named entities has not been recommended by January 1 of any even-numbered year, the Governor shall appoint a committee member to fill that position. Committee members shall receive no compensation for their services as members but shall be reimbursed for all actual and necessary expenses and disbursements incurred in the performance of their official duties. The remaining 50% of this two-sevenths shall be distributed to county fairs for premiums and rehabilitation as set forth in the Agricultural Fair Act;

Four-sevenths to park districts or municipalities that do not have a park district of 500,000 population or less for museum purposes (if an inter-track wagering location licensee is located in such a park district) or to conservation districts for museum purposes (if an inter-track wagering location licensee is located in a municipality that is not included within any park district but is included within a conservation district and is the county seat of a county that (i) is contiguous to the state of Indiana and (ii) has a 1990 population of 88,257 according to the United States Bureau of the Census, except that if the conservation district does not maintain a museum, the monies shall be allocated equally between the county and the municipality in which the inter-track wagering location licensee is located for general purposes) or to a municipal recreation board for park purposes (if an inter-track wagering location licensee is located in a municipality that is not included within any park district and park maintenance is the function of the municipal recreation board and the municipality has a 1990 population of 9,302 according to the United States Bureau of the Census); provided that the monies are distributed to each park district or conservation district or municipality that does not have a park district in an amount equal to four-sevenths of the amount collected by each inter-track wagering location licensee within the park district or conservation district or municipality for the Fund. Monies that were paid into the Horse Racing Tax Allocation Fund before August 9, 1991 (the effective date of Public Act 87-110) by an inter-track wagering location licensee located in a municipality that is not included within any park district but is included within a conservation district as provided in this paragraph shall, as soon as practicable after August 9, 1991 (the effective date of Public Act 87-110), be allocated and paid to that conservation district as provided in this paragraph. Any park district or municipality not maintaining a museum may deposit the monies in the corporate fund of the park district or municipality where the inter-track wagering location is located, to be used for general purposes; and

One-seventh to the Agricultural Premium Fund to be used for distribution to agricultural home economics extension councils in accordance with "An Act in relation to additional support and finances for the Agricultural and Home Economic Extension Councils in the several counties of this State and making an appropriation therefor", approved July 24, 1967.

Until January 1, 2000, all other monies paid into the Horse Racing Tax Allocation Fund pursuant to this paragraph (11) shall be allocated by appropriation as follows:

Two-sevenths to the Department of Agriculture. Fifty percent of this two-sevenths shall be used to promote the Illinois horse racing and breeding industry, and shall be distributed by the Department of Agriculture upon the advice of a 9-member committee appointed by the Governor consisting of the following members: the Director of Agriculture, who shall serve as chairman; 2 representatives of organization licensees conducting thoroughbred race meetings in this State, recommended by those licensees; 2 representatives of organization licensees conducting standardbred race meetings in this State, recommended by those licensees; a representative of the Illinois Thoroughbred Breeders and Owners Foundation, recommended by that Foundation; a representative of the Illinois Standardbred Owners and Breeders Association, recommended by that Association; a representative of the Horsemen's Benevolent and Protective Association or any successor organization thereto established in Illinois comprised of the largest number of owners and trainers, recommended by that Association or that successor organization; and a representative of the Illinois Harness Horsemen's Association, recommended by that Association. Committee members shall serve for terms of 2 years, commencing January 1 of each even-numbered year. If a representative of any of the above-named entities has not been recommended by January 1 of any even-numbered year, the Governor shall appoint a committee member to fill that position. Committee members shall receive no compensation for their services as members but shall be reimbursed for all actual and necessary expenses and disbursements incurred in the performance of their official duties. The remaining 50% of this two-sevenths shall be distributed to county fairs for premiums and rehabilitation as set forth in the Agricultural Fair Act;

Four-sevenths to museums and aquariums located in park districts of over 500,000

population; provided that the monies are distributed in accordance with the previous year's distribution of the maintenance tax for such museums and aquariums as provided in Section 2 of the Park District Aquarium and Museum Act; and

One-seventh to the Agricultural Premium Fund to be used for distribution to agricultural home economics extension councils in accordance with "An Act in relation to additional support and finances for the Agricultural and Home Economic Extension Councils in the several counties of this State and making an appropriation therefor", approved July 24, 1967. This subparagraph (C) shall be inoperative and of no force and effect on and after January 1, 2000.

(D) Except as provided in paragraph (11) of this subsection (h), with respect to purse allocation from inter-track wagering, the monies so retained shall be divided as follows:

(i) If the inter-track wagering licensee, except an inter-track wagering licensee that derives its license from an organization licensee located in a county with a population in excess of 230,000 and bounded by the Mississippi River, is not conducting its own race meeting during the same dates, then the entire purse allocation shall be to purses at the track where the races wagered on are being conducted.

(ii) If the inter-track wagering licensee, except an inter-track wagering licensee that derives its license from an organization licensee located in a county with a population in excess of 230,000 and bounded by the Mississippi River, is also conducting its own race meeting during the same dates, then the purse allocation shall be as follows: 50% to purses at the track where the races wagered on are being conducted; 50% to purses at the track where the inter-track wagering licensee is accepting such wagers.

(iii) If the inter-track wagering is being conducted by an inter-track wagering location licensee, except an inter-track wagering location licensee that derives its license from an organization licensee located in a county with a population in excess of 230,000 and bounded by the Mississippi River, the entire purse allocation for Illinois races shall be to purses at the track where the race meeting being wagered on is being held.

(12) The Board shall have all powers necessary and proper to fully supervise and control the conduct of inter-track wagering and simulcast wagering by inter-track wagering licensees and inter-track wagering location licensees, including, but not limited to the following:

(A) The Board is vested with power to promulgate reasonable rules and regulations for the purpose of administering the conduct of this wagering and to prescribe reasonable rules, regulations and conditions under which such wagering shall be held and conducted. Such rules and regulations are to provide for the prevention of practices detrimental to the public interest and for the best interests of said wagering and to impose penalties for violations thereof.

(B) The Board, and any person or persons to whom it delegates this power, is vested with the power to enter the facilities of any licensee to determine whether there has been compliance with the provisions of this Act and the rules and regulations relating to the conduct of such wagering.

(C) The Board, and any person or persons to whom it delegates this power, may eject or exclude from any licensee's facilities, any person whose conduct or reputation is such that his presence on such premises may, in the opinion of the Board, call into the question the honesty and integrity of, or interfere with the orderly conduct of such wagering; provided, however, that no person shall be excluded or ejected from such premises solely on the grounds of race, color, creed, national origin, ancestry, or sex.

(D) (Blank).

(E) The Board is vested with the power to appoint delegates to execute any of the powers granted to it under this Section for the purpose of administering this wagering and any rules and regulations promulgated in accordance with this Act.

(F) The Board shall name and appoint a State director of this wagering who shall be a representative of the Board and whose duty it shall be to supervise the conduct of inter-track wagering as may be provided for by the rules and regulations of the Board; such rules and regulation shall specify the method of appointment and the Director's powers, authority and duties.

(G) The Board is vested with the power to impose civil penalties of up to \$5,000 against individuals and up to \$10,000 against licensees for each violation of any provision of this Act relating to the conduct of this wagering, any rules adopted by the Board, any order of the Board or any other action which in the Board's discretion, is a detriment or impediment to such wagering.

(13) The Department of Agriculture may enter into agreements with licensees authorizing such licensees to conduct inter-track wagering on races to be held at the licensed race meetings conducted by the Department of Agriculture. Such agreement shall specify the races of the Department of Agriculture's licensed race meeting upon which the licensees will conduct wagering. In the event that

a licensee conducts inter-track pari-mutuel wagering on races from the Illinois State Fair or DuQuoin State Fair which are in addition to the licensee's previously approved racing program, those races shall be considered a separate racing day for the purpose of determining the daily handle and computing the privilege or pari-mutuel tax on that daily handle as provided in Sections 27 and 27.1. Such agreements shall be approved by the Board before such wagering may be conducted. In determining whether to grant approval, the Board shall give due consideration to the best interests of the public and of horse racing. The provisions of paragraphs (1), (8), (8.1), and (8.2) of subsection (h) of this Section which are not specified in this paragraph (13) shall not apply to licensed race meetings conducted by the Department of Agriculture at the Illinois State Fair in Sangamon County or the DuQuoin State Fair in Perry County, or to any wagering conducted on those race meetings.

(14) An inter-track wagering location license authorized by the Board in 2016 that is owned and operated by a race track in Rock Island County shall be transferred to a commonly owned race track in Cook County on August 12, 2016 (the effective date of Public Act 99-757). The licensee shall retain its status in relation to purse distribution under paragraph (11) of this subsection (h) following the transfer to the new entity. The pari-mutuel tax credit under Section 32.1 shall not be applied toward any pari-mutuel tax obligation of the inter-track wagering location licensee of the license that is transferred under this paragraph (14).

(i) Notwithstanding the other provisions of this Act, the conduct of wagering at wagering facilities is authorized on all days, except as limited by subsection (b) of Section 19 of this Act.

(230 ILCS 5/27) (from Ch. 8, par. 37-27)

Sec. 27. (a) In addition to the organization license fee provided by this Act, until January 1, 2000, a graduated privilege tax is hereby imposed for conducting the pari-mutuel system of wagering permitted under this Act. Until January 1, 2000, except as provided in subsection (g) of Section 27 of this Act, all of the breakage of each racing day held by any licensee in the State shall be paid to the State. Until January 1, 2000, such daily graduated privilege tax shall be paid by the licensee from the amount permitted to be retained under this Act. Until January 1, 2000, each day's graduated privilege tax, breakage, and Horse Racing Tax Allocation funds shall be remitted to the Department of Revenue within 48 hours after the close of the racing day upon which it is assessed or within such other time as the Board prescribes. The privilege tax hereby imposed, until January 1, 2000, shall be a flat tax at the rate of 2% of the daily pari-mutuel handle except as provided in Section 27.1.

In addition, every organization licensee, except as provided in Section 27.1 of this Act, which conducts multiple wagering shall pay, until January 1, 2000, as a privilege tax on multiple wagers an amount equal to 1.25% of all moneys wagered each day on such multiple wagers, plus an additional amount equal to 3.5% of the amount wagered each day on any other multiple wager which involves a single betting interest on 3 or more horses. The licensee shall remit the amount of such taxes to the Department of Revenue within 48 hours after the close of the racing day on which it is assessed or within such other time as the Board prescribes.

This subsection (a) shall be inoperative and of no force and effect on and after January 1, 2000.

(a-5) Beginning on January 1, 2000, a flat pari-mutuel tax at the rate of 1.5% of the daily pari-mutuel handle is imposed at all pari-mutuel wagering facilities and on advance deposit wagering from a location

other than a wagering facility, except as otherwise provided for in this subsection (a-5). In addition to the pari-mutuel tax imposed on advance deposit wagering pursuant to this subsection (a-5), beginning on August 24, 2012 (the effective date of Public Act 97-1060) and through ~~December 31, 2018~~, June 30, 2020, an additional pari-mutuel tax at the rate of 0.25% shall be imposed on advance deposit wagering. Until August 25, 2012, the additional 0.25% pari-mutuel tax imposed on advance deposit wagering by Public Act 96-972 shall be deposited into the Quarter Horse Purse Fund, which shall be created as a non-appropriated trust fund administered by the Board for grants to thoroughbred organization licensees for payment of purses for quarter horse races conducted by the organization licensee. Beginning on August 26, 2012, the additional 0.25% pari-mutuel tax imposed on advance deposit wagering shall be deposited into the Standardbred Purse Fund, which shall be created as a non-appropriated trust fund administered by the Board, for grants to the standardbred organization licensees for payment of purses for standardbred horse races conducted by the organization licensee. Thoroughbred organization licensees may petition the Board to conduct quarter horse racing and receive purse grants from the Quarter Horse Purse Fund. The Board shall have complete discretion in distributing the Quarter Horse Purse Fund to the petitioning organization licensees. Beginning on July 26, 2010 (the effective date of Public Act 96-1287), a pari-mutuel tax at the rate of 0.75% of the daily pari-mutuel handle is imposed at a pari-mutuel facility whose license is derived from a track located in a county that borders the Mississippi River and conducted live racing in the previous year. The pari-mutuel tax imposed by this subsection (a-5) shall be remitted to the Department of Revenue within 48 hours after the close of the racing day upon which it is assessed or within such other time as the Board prescribes.

(b) On or before December 31, 1999, in the event that any organization licensee conducts 2 separate programs of races on any day, each such program shall be considered a separate racing day for purposes of determining the daily handle and computing the privilege tax on such daily handle as provided in subsection (a) of this Section.

(c) Licensees shall at all times keep accurate books and records of all monies wagered on each day of a race meeting and of the taxes paid to the Department of Revenue under the provisions of this Section. The Board or its duly authorized representative or representatives shall at all reasonable times have access to such records for the purpose of examining and checking the same and ascertaining whether the proper amount of taxes is being paid as provided. The Board shall require verified reports and a statement of the total of all monies wagered daily at each wagering facility upon which the taxes are assessed and may prescribe forms upon which such reports and statement shall be made.

(d) Any licensee failing or refusing to pay the amount of any tax due under this Section shall be guilty of a business offense and upon conviction shall be fined not more than \$5,000 in addition to the amount found due as tax under this Section. Each day's violation shall constitute a separate offense. All fines paid into Court by a licensee hereunder shall be transmitted and paid over by the Clerk of the Court to the Board.

(e) No other license fee, privilege tax, excise tax, or racing fee, except as provided in this Act, shall be assessed or collected from any such licensee by the State.

(f) No other license fee, privilege tax, excise tax or racing fee shall be assessed or collected from any such licensee by units of local government except as provided in paragraph 10.1 of subsection (h) and subsection (f) of Section 26 of this Act. However, any municipality that has a Board licensed horse race meeting at a race track wholly within its corporate boundaries or a township that has a Board licensed horse race meeting at a race track wholly within the unincorporated area of the township may charge a local amusement tax not to exceed 10¢ per admission to such horse race meeting by the enactment of an ordinance. However, any municipality or county that has a Board licensed inter-track wagering location facility wholly within its corporate boundaries may each impose an admission fee not to exceed \$1.00 per admission to such inter-track wagering location facility, so that a total of not more than \$2.00 per admission may be imposed. Except as provided in subparagraph (g) of Section 27 of this Act, the inter-track wagering location licensee shall collect any and all such fees and within 48 hours remit the fees to the Board, which shall, pursuant to rule, cause the fees to be distributed to the county or municipality.

(g) Notwithstanding any provision in this Act to the contrary, if in any calendar year the total taxes and fees required to be collected from licensees and distributed under this Act to all State and local governmental authorities exceeds the amount of such taxes and fees distributed to each State and local governmental authority to which each State and local governmental authority was entitled under this Act for calendar year 1994, then the first \$11 million of that excess amount shall be allocated at the earliest possible date for distribution as purse money for the succeeding calendar year. Upon reaching the 1994 level, and until the excess amount of taxes and fees exceeds \$11 million, the Board shall direct all licensees to cease paying the subject taxes and fees and the Board shall direct all licensees to allocate any such excess amount for purses as follows:

[May 30, 2018]

(i) the excess amount shall be initially divided between thoroughbred and standardbred purses based on the thoroughbred's and standardbred's respective percentages of total Illinois live wagering in calendar year 1994;

(ii) each thoroughbred and standardbred organization licensee issued an organization license in that succeeding allocation year shall be allocated an amount equal to the product of its percentage of total Illinois live thoroughbred or standardbred wagering in calendar year 1994 (the total to be determined based on the sum of 1994 on-track wagering for all organization licensees issued organization licenses in both the allocation year and the preceding year) multiplied by the total amount allocated for standardbred or thoroughbred purses, provided that the first \$1,500,000 of the amount allocated to standardbred purses under item (i) shall be allocated to the Department of Agriculture to be expended with the assistance and advice of the Illinois Standardbred Breeders Funds Advisory Board for the purposes listed in subsection (g) of Section 31 of this Act, before the amount allocated to standardbred purses under item (i) is allocated to standardbred organization licensees in the succeeding allocation year.

To the extent the excess amount of taxes and fees to be collected and distributed to State and local governmental authorities exceeds \$11 million, that excess amount shall be collected and distributed to State and local authorities as provided for under this Act.

Section 99. Effective date. This Act takes effect upon becoming law."

AMENDMENT NO. 2 TO SENATE BILL 3452

AMENDMENT NO. 2. Amend Senate Bill 3452 by replacing everything after the enacting clause with the following:

"Section 5. The Illinois Horse Racing Act of 1975 is amended by changing Sections 26, 26.8, 26.9, and 27 as follows:

(230 ILCS 5/26) (from Ch. 8, par. 37-26)

Sec. 26. Wagering.

(a) Any licensee may conduct and supervise the pari-mutuel system of wagering, as defined in Section 3.12 of this Act, on horse races conducted by an Illinois organization licensee or conducted at a racetrack located in another state or country and televised in Illinois in accordance with subsection (g) of Section 26 of this Act. Subject to the prior consent of the Board, licensees may supplement any pari-mutuel pool in order to guarantee a minimum distribution. Such pari-mutuel method of wagering shall not, under any circumstances if conducted under the provisions of this Act, be held or construed to be unlawful, other statutes of this State to the contrary notwithstanding. Subject to rules for advance wagering promulgated by the Board, any licensee may accept wagers in advance of the day of the race wagered upon occurs.

(b) No other method of betting, pool making, wagering or gambling shall be used or permitted by the licensee. Each licensee may retain, subject to the payment of all applicable taxes and purses, an amount not to exceed 17% of all money wagered under subsection (a) of this Section, except as may otherwise be permitted under this Act.

(b-5) An individual may place a wager under the pari-mutuel system from any licensed location authorized under this Act provided that wager is electronically recorded in the manner described in Section 3.12 of this Act. Any wager made electronically by an individual while physically on the premises of a licensee shall be deemed to have been made at the premises of that licensee.

(c) Until January 1, 2000, the sum held by any licensee for payment of outstanding pari-mutuel tickets, if unclaimed prior to December 31 of the next year, shall be retained by the licensee for payment of such tickets until that date. Within 10 days thereafter, the balance of such sum remaining unclaimed, less any uncashed supplements contributed by such licensee for the purpose of guaranteeing minimum distributions of any pari-mutuel pool, shall be paid to the Illinois Veterans' Rehabilitation Fund of the State treasury, except as provided in subsection (g) of Section 27 of this Act.

(c-5) Beginning January 1, 2000, the sum held by any licensee for payment of outstanding pari-mutuel tickets, if unclaimed prior to December 31 of the next year, shall be retained by the licensee for payment of such tickets until that date. Within 10 days thereafter, the balance of such sum remaining unclaimed, less any uncashed supplements contributed by such licensee for the purpose of guaranteeing minimum distributions of any pari-mutuel pool, shall be evenly distributed to the purse account of the organization licensee and the organization licensee.

(d) A pari-mutuel ticket shall be honored until December 31 of the next calendar year, and the licensee shall pay the same and may charge the amount thereof against unpaid money similarly accumulated on account of pari-mutuel tickets not presented for payment.

(e) No licensee shall knowingly permit any minor, other than an employee of such licensee or an owner, trainer, jockey, driver, or employee thereof, to be admitted during a racing program unless accompanied by a parent or guardian, or any minor to be a patron of the pari-mutuel system of wagering conducted or supervised by it. The admission of any unaccompanied minor, other than an employee of the licensee or an owner, trainer, jockey, driver, or employee thereof at a race track is a Class C misdemeanor.

(f) Notwithstanding the other provisions of this Act, an organization licensee may contract with an entity in another state or country to permit any legal wagering entity in another state or country to accept wagers solely within such other state or country on races conducted by the organization licensee in this State. Beginning January 1, 2000, these wagers shall not be subject to State taxation. Until January 1, 2000, when the out-of-State entity conducts a pari-mutuel pool separate from the organization licensee, a privilege tax equal to 7 1/2% of all monies received by the organization licensee from entities in other states or countries pursuant to such contracts is imposed on the organization licensee, and such privilege tax shall be remitted to the Department of Revenue within 48 hours of receipt of the moneys from the simulcast. When the out-of-State entity conducts a combined pari-mutuel pool with the organization licensee, the tax shall be 10% of all monies received by the organization licensee with 25% of the receipts from this 10% tax to be distributed to the county in which the race was conducted.

An organization licensee may permit one or more of its races to be utilized for pari-mutuel wagering at one or more locations in other states and may transmit audio and visual signals of races the organization licensee conducts to one or more locations outside the State or country and may also permit pari-mutuel pools in other states or countries to be combined with its gross or net wagering pools or with wagering pools established by other states.

(g) A host track may accept interstate simulcast wagers on horse races conducted in other states or countries and shall control the number of signals and types of breeds of racing in its simulcast program, subject to the disapproval of the Board. The Board may prohibit a simulcast program only if it finds that the simulcast program is clearly adverse to the integrity of racing. The host track simulcast program shall include the signal of live racing of all organization licensees. All non-host licensees and advance deposit wagering licensees shall carry the signal of and accept wagers on live racing of all organization licensees. Advance deposit wagering licensees shall not be permitted to accept out-of-state wagers on any Illinois signal provided pursuant to this Section without the approval and consent of the organization licensee providing the signal. For one year after August 15, 2014 (the effective date of Public Act 98-968), non-host licensees may carry the host track simulcast program and shall accept wagers on all races included as part of the simulcast program of horse races conducted at race tracks located within North America upon which wagering is permitted. For a period of one year after August 15, 2014 (the effective date of Public Act 98-968), on horse races conducted at race tracks located outside of North America, non-host licensees may accept wagers on all races included as part of the simulcast program upon which wagering is permitted. Beginning August 15, 2015 (one year after the effective date of Public Act 98-968), non-host licensees may carry the host track simulcast program and shall accept wagers on all races included as part of the simulcast program upon which wagering is permitted. All organization licensees shall provide their live signal to all advance deposit wagering licensees for a simulcast commission fee not to exceed 6% of the advance deposit wagering licensee's Illinois handle on the organization licensee's signal without prior approval by the Board. The Board may adopt rules under which it may permit simulcast commission fees in excess of 6%. The Board shall adopt rules limiting the interstate commission fees charged to an advance deposit wagering licensee. The Board shall adopt rules regarding advance deposit wagering on interstate simulcast races that shall reflect, among other things, the General Assembly's desire to maximize revenues to the State, horsemen purses, and organizational licensees. However, organization licensees providing live signals pursuant to the requirements of this subsection (g) may petition the Board to withhold their live signals from an advance deposit wagering licensee if the organization licensee discovers and the Board finds reputable or credible information that the advance deposit wagering licensee is under investigation by another state or federal governmental agency, the advance deposit wagering licensee's license has been suspended in another state, or the advance deposit wagering licensee's license is in revocation proceedings in another state. The organization licensee's provision of their live signal to an advance deposit wagering licensee under this subsection (g) pertains to wagers placed from within Illinois. Advance deposit wagering licensees may place advance deposit wagering terminals at wagering facilities as a convenience to customers. The advance deposit wagering licensee shall not charge or collect any fee from purses for the placement of the advance deposit wagering terminals. The costs and expenses of the host track and non-host licensees associated with interstate simulcast wagering, other than the interstate commission fee, shall

be borne by the host track and all non-host licensees incurring these costs. The interstate commission fee shall not exceed 5% of Illinois handle on the interstate simulcast race or races without prior approval of the Board. The Board shall promulgate rules under which it may permit interstate commission fees in excess of 5%. The interstate commission fee and other fees charged by the sending racetrack, including, but not limited to, satellite decoder fees, shall be uniformly applied to the host track and all non-host licensees.

Notwithstanding any other provision of this Act, through December 31, ~~2018~~, 2020, an organization licensee, with the consent of the horsemen association representing the largest number of owners, trainers, jockeys, or standardbred drivers who race horses at that organization licensee's racing meeting, may maintain a system whereby advance deposit wagering may take place or an organization licensee, with the consent of the horsemen association representing the largest number of owners, trainers, jockeys, or standardbred drivers who race horses at that organization licensee's racing meeting, may contract with another person to carry out a system of advance deposit wagering. Such consent may not be unreasonably withheld. Only with respect to an appeal to the Board that consent for an organization licensee that maintains its own advance deposit wagering system is being unreasonably withheld, the Board shall issue a final order within 30 days after initiation of the appeal, and the organization licensee's advance deposit wagering system may remain operational during that 30-day period. The actions of any organization licensee who conducts advance deposit wagering or any person who has a contract with an organization licensee to conduct advance deposit wagering who conducts advance deposit wagering on or after January 1, 2013 and prior to June 7, 2013 (the effective date of Public Act 98-18) taken in reliance on the changes made to this subsection (g) by Public Act 98-18 are hereby validated, provided payment of all applicable pari-mutuel taxes are remitted to the Board. All advance deposit wagers placed from within Illinois must be placed through a Board-approved advance deposit wagering licensee; no other entity may accept an advance deposit wager from a person within Illinois. All advance deposit wagering is subject to any rules adopted by the Board. The Board may adopt rules necessary to regulate advance deposit wagering through the use of emergency rulemaking in accordance with Section 5-45 of the Illinois Administrative Procedure Act. The General Assembly finds that the adoption of rules to regulate advance deposit wagering is deemed an emergency and necessary for the public interest, safety, and welfare. An advance deposit wagering licensee may retain all moneys as agreed to by contract with an organization licensee. Any moneys retained by the organization licensee from advance deposit wagering, not including moneys retained by the advance deposit wagering licensee, shall be paid 50% to the organization licensee's purse account and 50% to the organization licensee. With the exception of any organization licensee that is owned by a publicly traded company that is incorporated in a state other than Illinois and advance deposit wagering licensees under contract with such organization licensees, organization licensees that maintain advance deposit wagering systems and advance deposit wagering licensees that contract with organization licensees shall provide sufficiently detailed monthly accountings to the horsemen association representing the largest number of owners, trainers, jockeys, or standardbred drivers who race horses at that organization licensee's racing meeting so that the horsemen association, as an interested party, can confirm the accuracy of the amounts paid to the purse account at the horsemen association's affiliated organization licensee from advance deposit wagering. If more than one breed races at the same race track facility, then the 50% of the moneys to be paid to an organization licensee's purse account shall be allocated among all organization licensees' purse accounts operating at that race track facility proportionately based on the actual number of host days that the Board grants to that breed at that race track facility in the current calendar year. To the extent any fees from advance deposit wagering conducted in Illinois for wagers in Illinois or other states have been placed in escrow or otherwise withheld from wagers pending a determination of the legality of advance deposit wagering, no action shall be brought to declare such wagers or the disbursement of any fees previously escrowed illegal.

(1) Between the hours of 6:30 a.m. and 6:30 p.m. an inter-track wagering licensee other than the host track may supplement the host track simulcast program with additional simulcast races or race programs, provided that between January 1 and the third Friday in February of any year, inclusive, if no live thoroughbred racing is occurring in Illinois during this period, only thoroughbred races may be used for supplemental interstate simulcast purposes. The Board shall withhold approval for a supplemental interstate simulcast only if it finds that the simulcast is clearly adverse to the integrity of racing. A supplemental interstate simulcast may be transmitted from an inter-track wagering licensee to its affiliated non-host licensees. The interstate commission fee for a supplemental interstate simulcast shall be paid by the non-host licensee and its affiliated non-host licensees receiving the simulcast.

(2) Between the hours of 6:30 p.m. and 6:30 a.m. an inter-track wagering licensee other than the host track may receive supplemental interstate simulcasts only with the consent of the host track, except when the Board finds that the simulcast is clearly adverse to the integrity of racing. Consent

granted under this paragraph (2) to any inter-track wagering licensee shall be deemed consent to all non-host licensees. The interstate commission fee for the supplemental interstate simulcast shall be paid by all participating non-host licensees.

(3) Each licensee conducting interstate simulcast wagering may retain, subject to the payment of all applicable taxes and the purses, an amount not to exceed 17% of all money wagered. If any licensee conducts the pari-mutuel system wagering on races conducted at racetracks in another state or country, each such race or race program shall be considered a separate racing day for the purpose of determining the daily handle and computing the privilege tax of that daily handle as provided in subsection (a) of Section 27. Until January 1, 2000, from the sums permitted to be retained pursuant to this subsection, each inter-track wagering location licensee shall pay 1% of the pari-mutuel handle wagered on simulcast wagering to the Horse Racing Tax Allocation Fund, subject to the provisions of subparagraph (B) of paragraph (11) of subsection (h) of Section 26 of this Act.

(4) A licensee who receives an interstate simulcast may combine its gross or net pools with pools at the sending racetracks pursuant to rules established by the Board. All licensees combining their gross pools at a sending racetrack shall adopt the take-out percentages of the sending racetrack. A licensee may also establish a separate pool and takeout structure for wagering purposes on races conducted at race tracks outside of the State of Illinois. The licensee may permit pari-mutuel wagers placed in other states or countries to be combined with its gross or net wagering pools or other wagering pools.

(5) After the payment of the interstate commission fee (except for the interstate commission fee on a supplemental interstate simulcast, which shall be paid by the host track and by each non-host licensee through the host-track) and all applicable State and local taxes, except as provided in subsection (g) of Section 27 of this Act, the remainder of moneys retained from simulcast wagering pursuant to this subsection (g), and Section 26.2 shall be divided as follows:

(A) For interstate simulcast wagers made at a host track, 50% to the host track and 50% to purses at the host track.

(B) For wagers placed on interstate simulcast races, supplemental simulcasts as defined in subparagraphs (1) and (2), and separately pooled races conducted outside of the State of Illinois made at a non-host licensee, 25% to the host track, 25% to the non-host licensee, and 50% to the purses at the host track.

(6) Notwithstanding any provision in this Act to the contrary, non-host licensees who derive their licenses from a track located in a county with a population in excess of 230,000 and that borders the Mississippi River may receive supplemental interstate simulcast races at all times subject to Board approval, which shall be withheld only upon a finding that a supplemental interstate simulcast is clearly adverse to the integrity of racing.

(7) Notwithstanding any provision of this Act to the contrary, after payment of all applicable State and local taxes and interstate commission fees, non-host licensees who derive their licenses from a track located in a county with a population in excess of 230,000 and that borders the Mississippi River shall retain 50% of the retention from interstate simulcast wagers and shall pay 50% to purses at the track from which the non-host licensee derives its license as follows:

(A) Between January 1 and the third Friday in February, inclusive, if no live thoroughbred racing is occurring in Illinois during this period, when the interstate simulcast is a standardbred race, the purse share to its standardbred purse account;

(B) Between January 1 and the third Friday in February, inclusive, if no live thoroughbred racing is occurring in Illinois during this period, and the interstate simulcast is a thoroughbred race, the purse share to its interstate simulcast purse pool to be distributed under paragraph (10) of this subsection (g);

(C) Between January 1 and the third Friday in February, inclusive, if live thoroughbred racing is occurring in Illinois, between 6:30 a.m. and 6:30 p.m. the purse share from wagers made during this time period to its thoroughbred purse account and between 6:30 p.m. and 6:30 a.m. the purse share from wagers made during this time period to its standardbred purse accounts;

(D) Between the third Saturday in February and December 31, when the interstate simulcast occurs between the hours of 6:30 a.m. and 6:30 p.m., the purse share to its thoroughbred purse account;

(E) Between the third Saturday in February and December 31, when the interstate simulcast occurs between the hours of 6:30 p.m. and 6:30 a.m., the purse share to its standardbred purse account.

(7.1) Notwithstanding any other provision of this Act to the contrary, if no

standardbred racing is conducted at a racetrack located in Madison County during any calendar year beginning on or after January 1, 2002, all moneys derived by that racetrack from simulcast wagering and inter-track wagering that (1) are to be used for purses and (2) are generated between the hours of 6:30 p.m. and 6:30 a.m. during that calendar year shall be paid as follows:

(A) If the licensee that conducts horse racing at that racetrack requests from the Board at least as many racing dates as were conducted in calendar year 2000, 80% shall be paid to its thoroughbred purse account; and

(B) Twenty percent shall be deposited into the Illinois Colt Stakes Purse Distribution Fund and shall be paid to purses for standardbred races for Illinois conceived and foaled horses conducted at any county fairgrounds. The moneys deposited into the Fund pursuant to this subparagraph (B) shall be deposited within 2 weeks after the day they were generated, shall be in addition to and not in lieu of any other moneys paid to standardbred purses under this Act, and shall not be commingled with other moneys paid into that Fund. The moneys deposited pursuant to this subparagraph (B) shall be allocated as provided by the Department of Agriculture, with the advice and assistance of the Illinois Standardbred Breeders Fund Advisory Board.

(7.2) Notwithstanding any other provision of this Act to the contrary, if no thoroughbred racing is conducted at a racetrack located in Madison County during any calendar year beginning on or after January 1, 2002, all moneys derived by that racetrack from simulcast wagering and inter-track wagering that (1) are to be used for purses and (2) are generated between the hours of 6:30 a.m. and 6:30 p.m. during that calendar year shall be deposited as follows:

(A) If the licensee that conducts horse racing at that racetrack requests from the Board at least as many racing dates as were conducted in calendar year 2000, 80% shall be deposited into its standardbred purse account; and

(B) Twenty percent shall be deposited into the Illinois Colt Stakes Purse Distribution Fund pursuant to this subparagraph (B) shall be paid to Illinois conceived and foaled thoroughbred breeders' programs and to thoroughbred purses for races conducted at any county fairgrounds for Illinois conceived and foaled horses at the discretion of the Department of Agriculture, with the advice and assistance of the Illinois Thoroughbred Breeders Fund Advisory Board. The moneys deposited into the Illinois Colt Stakes Purse Distribution Fund pursuant to this subparagraph (B) shall be deposited within 2 weeks after the day they were generated, shall be in addition to and not in lieu of any other moneys paid to thoroughbred purses under this Act, and shall not be commingled with other moneys deposited into that Fund.

(7.3) If no live standardbred racing is conducted at a racetrack located in Madison County in calendar year 2000 or 2001, an organization licensee who is licensed to conduct horse racing at that racetrack shall, before January 1, 2002, pay all moneys derived from simulcast wagering and inter-track wagering in calendar years 2000 and 2001 and paid into the licensee's standardbred purse account as follows:

(A) Eighty percent to that licensee's thoroughbred purse account to be used for thoroughbred purses; and

(B) Twenty percent to the Illinois Colt Stakes Purse Distribution Fund.

Failure to make the payment to the Illinois Colt Stakes Purse Distribution Fund before January 1, 2002 shall result in the immediate revocation of the licensee's organization license, inter-track wagering license, and inter-track wagering location license.

Moneys paid into the Illinois Colt Stakes Purse Distribution Fund pursuant to this paragraph (7.3) shall be paid to purses for standardbred races for Illinois conceived and foaled horses conducted at any county fairgrounds. Moneys paid into the Illinois Colt Stakes Purse Distribution Fund pursuant to this paragraph (7.3) shall be used as determined by the Department of Agriculture, with the advice and assistance of the Illinois Standardbred Breeders Fund Advisory Board, shall be in addition to and not in lieu of any other moneys paid to standardbred purses under this Act, and shall not be commingled with any other moneys paid into that Fund.

(7.4) If live standardbred racing is conducted at a racetrack located in Madison County at any time in calendar year 2001 before the payment required under paragraph (7.3) has been made, the organization licensee who is licensed to conduct racing at that racetrack shall pay all moneys derived by that racetrack from simulcast wagering and inter-track wagering during calendar years 2000 and 2001 that (1) are to be used for purses and (2) are generated between the hours of 6:30 p.m. and 6:30 a.m. during 2000 or 2001 to the standardbred purse account at that racetrack to be used for standardbred purses.

(8) Notwithstanding any provision in this Act to the contrary, an organization licensee

from a track located in a county with a population in excess of 230,000 and that borders the Mississippi River and its affiliated non-host licensees shall not be entitled to share in any retention generated on racing, inter-track wagering, or simulcast wagering at any other Illinois wagering facility.

(8.1) Notwithstanding any provisions in this Act to the contrary, if 2 organization licensees are conducting standardbred race meetings concurrently between the hours of 6:30 p.m. and 6:30 a.m., after payment of all applicable State and local taxes and interstate commission fees, the remainder of the amount retained from simulcast wagering otherwise attributable to the host track and to host track purses shall be split daily between the 2 organization licensees and the purses at the tracks of the 2 organization licensees, respectively, based on each organization licensee's share of the total live handle for that day, provided that this provision shall not apply to any non-host licensee that derives its license from a track located in a county with a population in excess of 230,000 and that borders the Mississippi River.

(9) (Blank).

(10) (Blank).

(11) (Blank).

(12) The Board shall have authority to compel all host tracks to receive the simulcast of any or all races conducted at the Springfield or DuQuoin State fairgrounds and include all such races as part of their simulcast programs.

(13) Notwithstanding any other provision of this Act, in the event that the total Illinois pari-mutuel handle on Illinois horse races at all wagering facilities in any calendar year is less than 75% of the total Illinois pari-mutuel handle on Illinois horse races at all such wagering facilities for calendar year 1994, then each wagering facility that has an annual total Illinois pari-mutuel handle on Illinois horse races that is less than 75% of the total Illinois pari-mutuel handle on Illinois horse races at such wagering facility for calendar year 1994, shall be permitted to receive, from any amount otherwise payable to the purse account at the race track with which the wagering facility is affiliated in the succeeding calendar year, an amount equal to 2% of the differential in total Illinois pari-mutuel handle on Illinois horse races at the wagering facility between that calendar year in question and 1994 provided, however, that a wagering facility shall not be entitled to any such payment until the Board certifies in writing to the wagering facility the amount to which the wagering facility is entitled and a schedule for payment of the amount to the wagering facility, based on: (i) the racing dates awarded to the race track affiliated with the wagering facility during the succeeding year; (ii) the sums available or anticipated to be available in the purse account of the race track affiliated with the wagering facility for purses during the succeeding year; and (iii) the need to ensure reasonable purse levels during the payment period. The Board's certification shall be provided no later than January 31 of the succeeding year. In the event a wagering facility entitled to a payment under this paragraph (13) is affiliated with a race track that maintains purse accounts for both standardbred and thoroughbred racing, the amount to be paid to the wagering facility shall be divided between each purse account pro rata, based on the amount of Illinois handle on Illinois standardbred and thoroughbred racing respectively at the wagering facility during the previous calendar year. Annually, the General Assembly shall appropriate sufficient funds from the General Revenue Fund to the Department of Agriculture for payment into the thoroughbred and standardbred horse racing purse accounts at Illinois pari-mutuel tracks. The amount paid to each purse account shall be the amount certified by the Illinois Racing Board in January to be transferred from each account to each eligible racing facility in accordance with the provisions of this Section.

(h) The Board may approve and license the conduct of inter-track wagering and simulcast wagering by inter-track wagering licensees and inter-track wagering location licensees subject to the following terms and conditions:

(1) Any person licensed to conduct a race meeting (i) at a track where 60 or more days of racing were conducted during the immediately preceding calendar year or where over the 5 immediately preceding calendar years an average of 30 or more days of racing were conducted annually may be issued an inter-track wagering license; (ii) at a track located in a county that is bounded by the Mississippi River, which has a population of less than 150,000 according to the 1990 decennial census, and an average of at least 60 days of racing per year between 1985 and 1993 may be issued an inter-track wagering license; or (iii) at a track located in Madison County that conducted at least 100 days of live racing during the immediately preceding calendar year may be issued an inter-track wagering license, unless a lesser schedule of live racing is the result of (A) weather, unsafe track conditions, or other acts of God; (B) an agreement between the organization licensee and the associations representing the largest number of owners, trainers, jockeys, or standardbred drivers who race horses at that organization licensee's racing meeting; or (C) a finding by the Board of extraordinary circumstances

and that it was in the best interest of the public and the sport to conduct fewer than 100 days of live racing. Any such person having operating control of the racing facility may receive inter-track wagering location licenses. An eligible race track located in a county that has a population of more than 230,000 and that is bounded by the Mississippi River may establish up to 9 inter-track wagering locations, an eligible race track located in Stickney Township in Cook County may establish up to 16 inter-track wagering locations, and an eligible race track located in Palatine Township in Cook County may establish up to 18 inter-track wagering locations. An application for said license shall be filed with the Board prior to such dates as may be fixed by the Board. With an application for an inter-track wagering location license there shall be delivered to the Board a certified check or bank draft payable to the order of the Board for an amount equal to \$500. The application shall be on forms prescribed and furnished by the Board. The application shall comply with all other rules, regulations and conditions imposed by the Board in connection therewith.

(2) The Board shall examine the applications with respect to their conformity with this Act and the rules and regulations imposed by the Board. If found to be in compliance with the Act and rules and regulations of the Board, the Board may then issue a license to conduct inter-track wagering and simulcast wagering to such applicant. All such applications shall be acted upon by the Board at a meeting to be held on such date as may be fixed by the Board.

(3) In granting licenses to conduct inter-track wagering and simulcast wagering, the Board shall give due consideration to the best interests of the public, of horse racing, and of maximizing revenue to the State.

(4) Prior to the issuance of a license to conduct inter-track wagering and simulcast wagering, the applicant shall file with the Board a bond payable to the State of Illinois in the sum of \$50,000, executed by the applicant and a surety company or companies authorized to do business in this State, and conditioned upon (i) the payment by the licensee of all taxes due under Section 27 or 27.1 and any other monies due and payable under this Act, and (ii) distribution by the licensee, upon presentation of the winning ticket or tickets, of all sums payable to the patrons of pari-mutuel pools.

(5) Each license to conduct inter-track wagering and simulcast wagering shall specify the person to whom it is issued, the dates on which such wagering is permitted, and the track or location where the wagering is to be conducted.

(6) All wagering under such license is subject to this Act and to the rules and regulations from time to time prescribed by the Board, and every such license issued by the Board shall contain a recital to that effect.

(7) An inter-track wagering licensee or inter-track wagering location licensee may accept wagers at the track or location where it is licensed, or as otherwise provided under this Act.

(8) Inter-track wagering or simulcast wagering shall not be conducted at any track less than 5 miles from a track at which a racing meeting is in progress.

(8.1) Inter-track wagering location licensees who derive their licenses from a particular organization licensee shall conduct inter-track wagering and simulcast wagering only at locations that are within 160 miles of that race track where the particular organization licensee is licensed to conduct racing. However, inter-track wagering and simulcast wagering shall not be conducted by those licensees at any location within 5 miles of any race track at which a horse race meeting has been licensed in the current year, unless the person having operating control of such race track has given its written consent to such inter-track wagering location licensees, which consent must be filed with the Board at or prior to the time application is made. In the case of any inter-track wagering location licensee initially licensed after December 31, 2013, inter-track wagering and simulcast wagering shall not be conducted by those inter-track wagering location licensees that are located outside the City of Chicago at any location within 8 miles of any race track at which a horse race meeting has been licensed in the current year, unless the person having operating control of such race track has given its written consent to such inter-track wagering location licensees, which consent must be filed with the Board at or prior to the time application is made.

(8.2) Inter-track wagering or simulcast wagering shall not be conducted by an inter-track wagering location licensee at any location within 500 feet of an existing church or existing school, nor within 500 feet of the residences of more than 50 registered voters without receiving written permission from a majority of the registered voters at such residences. Such written permission statements shall be filed with the Board. The distance of 500 feet shall be measured to the nearest part of any building used for worship services, education programs, residential purposes, or conducting inter-track wagering by an inter-track wagering location licensee, and not to property boundaries. However, inter-track wagering or simulcast wagering may be conducted at a site within 500 feet of a church, school or residences of 50 or more registered voters if such church, school or residences have been

erected or established, or such voters have been registered, after the Board issues the original inter-track wagering location license at the site in question. Inter-track wagering location licensees may conduct inter-track wagering and simulcast wagering only in areas that are zoned for commercial or manufacturing purposes or in areas for which a special use has been approved by the local zoning authority. However, no license to conduct inter-track wagering and simulcast wagering shall be granted by the Board with respect to any inter-track wagering location within the jurisdiction of any local zoning authority which has, by ordinance or by resolution, prohibited the establishment of an inter-track wagering location within its jurisdiction. However, inter-track wagering and simulcast wagering may be conducted at a site if such ordinance or resolution is enacted after the Board licenses the original inter-track wagering location licensee for the site in question.

(9) (Blank).

(10) An inter-track wagering licensee or an inter-track wagering location licensee may retain, subject to the payment of the privilege taxes and the purses, an amount not to exceed 17% of all money wagered. Each program of racing conducted by each inter-track wagering licensee or inter-track wagering location licensee shall be considered a separate racing day for the purpose of determining the daily handle and computing the privilege tax or pari-mutuel tax on such daily handle as provided in Section 27.

(10.1) Except as provided in subsection (g) of Section 27 of this Act, inter-track wagering location licensees shall pay 1% of the pari-mutuel handle at each location to the municipality in which such location is situated and 1% of the pari-mutuel handle at each location to the county in which such location is situated. In the event that an inter-track wagering location licensee is situated in an unincorporated area of a county, such licensee shall pay 2% of the pari-mutuel handle from such location to such county.

(10.2) Notwithstanding any other provision of this Act, with respect to inter-track wagering at a race track located in a county that has a population of more than 230,000 and that is bounded by the Mississippi River ("the first race track"), or at a facility operated by an inter-track wagering licensee or inter-track wagering location licensee that derives its license from the organization licensee that operates the first race track, on races conducted at the first race track or on races conducted at another Illinois race track and simultaneously televised to the first race track or to a facility operated by an inter-track wagering licensee or inter-track wagering location licensee that derives its license from the organization licensee that operates the first race track, those moneys shall be allocated as follows:

(A) That portion of all moneys wagered on standardbred racing that is required under this Act to be paid to purses shall be paid to purses for standardbred races.

(B) That portion of all moneys wagered on thoroughbred racing that is required under this Act to be paid to purses shall be paid to purses for thoroughbred races.

(11) (A) After payment of the privilege or pari-mutuel tax, any other applicable taxes, and the costs and expenses in connection with the gathering, transmission, and dissemination of all data necessary to the conduct of inter-track wagering, the remainder of the monies retained under either Section 26 or Section 26.2 of this Act by the inter-track wagering licensee on inter-track wagering shall be allocated with 50% to be split between the 2 participating licensees and 50% to purses, except that an inter-track wagering licensee that derives its license from a track located in a county with a population in excess of 230,000 and that borders the Mississippi River shall not divide any remaining retention with the Illinois organization licensee that provides the race or races, and an inter-track wagering licensee that accepts wagers on races conducted by an organization licensee that conducts a race meet in a county with a population in excess of 230,000 and that borders the Mississippi River shall not divide any remaining retention with that organization licensee.

(B) From the sums permitted to be retained pursuant to this Act each inter-track wagering location licensee shall pay (i) the privilege or pari-mutuel tax to the State; (ii) 4.75% of the pari-mutuel handle on inter-track wagering at such location on races as purses, except that an inter-track wagering location licensee that derives its license from a track located in a county with a population in excess of 230,000 and that borders the Mississippi River shall retain all purse moneys for its own purse account consistent with distribution set forth in this subsection (h), and inter-track wagering location licensees that accept wagers on races conducted by an organization licensee located in a county with a population in excess of 230,000 and that borders the Mississippi River shall distribute all purse moneys to purses at the operating host track; (iii) until January 1, 2000, except as provided in subsection (g) of Section 27 of this Act, 1% of the pari-mutuel handle wagered on inter-track wagering and simulcast wagering at each inter-track wagering location licensee facility to the Horse Racing Tax Allocation Fund, provided that, to the extent the total amount collected and distributed to the Horse Racing Tax Allocation Fund under this subsection (h) during any calendar year exceeds the amount collected and

distributed to the Horse Racing Tax Allocation Fund during calendar year 1994, that excess amount shall be redistributed (I) to all inter-track wagering location licensees, based on each licensee's pro-rata share of the total handle from inter-track wagering and simulcast wagering for all inter-track wagering location licensees during the calendar year in which this provision is applicable; then (II) the amounts redistributed to each inter-track wagering location licensee as described in subpart (I) shall be further redistributed as provided in subparagraph (B) of paragraph (5) of subsection (g) of this Section 26 provided first, that the shares of those amounts, which are to be redistributed to the host track or to purses at the host track under subparagraph (B) of paragraph (5) of subsection (g) of this Section 26 shall be redistributed based on each host track's pro rata share of the total inter-track wagering and simulcast wagering handle at all host tracks during the calendar year in question, and second, that any amounts redistributed as described in part (I) to an inter-track wagering location licensee that accepts wagers on races conducted by an organization licensee that conducts a race meet in a county with a population in excess of 230,000 and that borders the Mississippi River shall be further redistributed as provided in subparagraphs (D) and (E) of paragraph (7) of subsection (g) of this Section 26, with the portion of that further redistribution allocated to purses at that organization licensee to be divided between standardbred purses and thoroughbred purses based on the amounts otherwise allocated to purses at that organization licensee during the calendar year in question; and (iv) 8% of the pari-mutuel handle on inter-track wagering wagered at such location to satisfy all costs and expenses of conducting its wagering. The remainder of the monies retained by the inter-track wagering location licensee shall be allocated 40% to the location licensee and 60% to the organization licensee which provides the Illinois races to the location, except that an inter-track wagering location licensee that derives its license from a track located in a county with a population in excess of 230,000 and that borders the Mississippi River shall not divide any remaining retention with the organization licensee that provides the race or races and an inter-track wagering location licensee that accepts wagers on races conducted by an organization licensee that conducts a race meet in a county with a population in excess of 230,000 and that borders the Mississippi River shall not divide any remaining retention with the organization licensee. Notwithstanding the provisions of clauses (ii) and (iv) of this paragraph, in the case of the additional inter-track wagering location licenses authorized under paragraph (1) of this subsection (h) by Public Act 87-110, those licensees shall pay the following amounts as purses: during the first 12 months the licensee is in operation, 5.25% of the pari-mutuel handle wagered at the location on races; during the second 12 months, 5.25%; during the third 12 months, 5.75%; during the fourth 12 months, 6.25%; and during the fifth 12 months and thereafter, 6.75%. The following amounts shall be retained by the licensee to satisfy all costs and expenses of conducting its wagering: during the first 12 months the licensee is in operation, 8.25% of the pari-mutuel handle wagered at the location; during the second 12 months, 8.25%; during the third 12 months, 7.75%; during the fourth 12 months, 7.25%; and during the fifth 12 months and thereafter, 6.75%. For additional inter-track wagering location licensees authorized under Public Act 89-16, purses for the first 12 months the licensee is in operation shall be 5.75% of the pari-mutuel wagered at the location, purses for the second 12 months the licensee is in operation shall be 6.25%, and purses thereafter shall be 6.75%. For additional inter-track location licensees authorized under Public Act 89-16, the licensee shall be allowed to retain to satisfy all costs and expenses: 7.75% of the pari-mutuel handle wagered at the location during its first 12 months of operation, 7.25% during its second 12 months of operation, and 6.75% thereafter.

(C) There is hereby created the Horse Racing Tax Allocation Fund which shall remain in existence until December 31, 1999. Moneys remaining in the Fund after December 31, 1999 shall be paid into the General Revenue Fund. Until January 1, 2000, all monies paid into the Horse Racing Tax Allocation Fund pursuant to this paragraph (11) by inter-track wagering location licensees located in park districts of 500,000 population or less, or in a municipality that is not included within any park district but is included within a conservation district and is the county seat of a county that (i) is contiguous to the state of Indiana and (ii) has a 1990 population of 88,257 according to the United States Bureau of the Census, and operating on May 1, 1994 shall be allocated by appropriation as follows:

Four-sevenths to park districts or municipalities that do not have a park district of 500,000 population or less for museum purposes (if an inter-track wagering location licensee is located in such a park district) or to conservation districts for museum purposes (if an inter-track wagering location licensee is located in a municipality that is not included within any park district but is included within a conservation district and is the county seat of a county that (i) is contiguous to the state of Indiana and (ii) has a 1990 population of 88,257 according to the United States Bureau of the Census, except that if the conservation district does not maintain a museum, the monies shall be allocated equally between the county and the municipality in which the inter-track wagering location licensee is located for general purposes) or to a municipal recreation board for park purposes (if an inter-track wagering location licensee is located in a municipality that is not included within any park district and park maintenance is the function of the municipal recreation board and the municipality has a 1990 population of 9,302 according to the United States Bureau of the Census); provided that the monies are distributed to each park district or conservation district or municipality that does not have a park district in an amount equal to four-sevenths of the amount collected by each inter-track wagering location licensee within the park district or conservation district or municipality for the Fund. Any park district or municipality not maintaining a museum may deposit the monies in the corporate fund of the park district or municipality where the inter-track wagering location is located, to be used for general purposes; and

Committee members shall receive no compensation for their services as members but shall be reimbursed for all actual and necessary expenses and disbursements incurred in the performance of their official duties. The remaining 50%

of this two-sevenths shall be distributed to county fairs for premiums and rehabilitation as set forth in the Agricultural Fair Act;

Four-sevenths to museums and aquariums located in park districts of over 500,000 population; provided that the monies are distributed in accordance with the previous year's distribution of the maintenance tax for such museums and aquariums as provided in Section 2 of the Park District Aquarium and Museum Act; and

This subparagraph (C) shall be inoperative and of no force and effect on and after January 1, 2000.

(D) Except as provided in paragraph (11) of this subsection (h), with respect to purse allocation from inter-track wagering, the monies so retained shall be divided as follows:

(i) If the inter-track wagering licensee, except an inter-track wagering

licensee that derives its license from an organization licensee located in a county with a population in excess of 230,000 and bounded by the Mississippi River, is not conducting its own race meeting during the same dates, then the entire purse allocation shall be to purses at the track where the races wagered on are being conducted.

(ii) If the inter-track wagering licensee, except an inter-track wagering

licensee that derives its license from an organization licensee located in a county with a population in excess of 230,000 and bounded by the Mississippi River, is also conducting its own race meeting during the same dates, then the purse allocation shall be as follows: 50% to purses at the track where the races wagered on are being conducted; 50% to purses at the track where the inter-track wagering licensee is accepting such wagers.

(iii) If the inter-track wagering is being conducted by an inter-track wagering

location licensee, except an inter-track wagering location licensee that derives its license from an organization licensee located in a county with a population in excess of 230,000 and bounded by the Mississippi River, the entire purse allocation for Illinois races shall be to purses at the track where the race meeting being wagered on is being held.

(12) The Board shall have all powers necessary and proper to fully supervise and control the conduct of inter-track wagering and simulcast wagering by inter-track wagering licensees and inter-track wagering location licensees, including, but not limited to the following:

(A) The Board is vested with power to promulgate reasonable rules and regulations

for the purpose of administering the conduct of this wagering and to prescribe reasonable rules, regulations and conditions under which such wagering shall be held and conducted. Such rules and regulations are to provide for the prevention of practices detrimental to the public interest and for the best interests of said wagering and to impose penalties for violations thereof.

(B) The Board, and any person or persons to whom it delegates this power, is vested

with the power to enter the facilities of any licensee to determine whether there has been compliance with the provisions of this Act and the rules and regulations relating to the conduct of such wagering.

(C) The Board, and any person or persons to whom it delegates this power, may eject

or exclude from any licensee's facilities, any person whose conduct or reputation is such that his presence on such premises may, in the opinion of the Board, call into the question the honesty and integrity of, or interfere with the orderly conduct of such wagering; provided, however, that no person shall be excluded or ejected from such premises solely on the grounds of race, color, creed, national origin, ancestry, or sex.

(D) (Blank).

(E) The Board is vested with the power to appoint delegates to execute any of the

powers granted to it under this Section for the purpose of administering this wagering and any rules and regulations promulgated in accordance with this Act.

(F) The Board shall name and appoint a State director of this wagering who shall be

a representative of the Board and whose duty it shall be to supervise the conduct of inter-track wagering as may be provided for by the rules and regulations of the Board; such rules and regulation shall specify the method of appointment and the Director's powers, authority and duties.

(G) The Board is vested with the power to impose civil penalties of up to \$5,000

against individuals and up to \$10,000 against licensees for each violation of any provision of this Act relating to the conduct of this wagering, any rules adopted by the Board, any order of the Board or any other action which in the Board's discretion, is a detriment or impediment to such wagering.

(13) The Department of Agriculture may enter into agreements with licensees authorizing

such licensees to conduct inter-track wagering on races to be held at the licensed race meetings conducted by the Department of Agriculture. Such agreement shall specify the races of the Department of Agriculture's licensed race meeting upon which the licensees will conduct wagering. In the event that a licensee conducts inter-track pari-mutuel wagering on races from the Illinois State Fair or DuQuoin State Fair which are in addition to the licensee's previously approved racing program, those races shall be considered a separate racing day for the purpose of determining the daily handle and computing the privilege or pari-mutuel tax on that daily handle as provided in Sections 27 and 27.1. Such agreements shall be approved by the Board before such wagering may be conducted. In determining whether to grant approval, the Board shall give due consideration to the best interests of the public and of horse racing. The provisions of paragraphs (1), (8), (8.1), and (8.2) of subsection (h) of this Section which are not specified in this paragraph (13) shall not apply to licensed race meetings conducted by the Department of Agriculture at the Illinois State Fair in Sangamon County or the DuQuoin State Fair in Perry County, or to any wagering conducted on those race meetings.

(14) An inter-track wagering location license authorized by the Board in 2016 that is owned and operated by a race track in Rock Island County shall be transferred to a commonly owned race track in Cook County on August 12, 2016 (the effective date of Public Act 99-757). The licensee shall retain its status in relation to purse distribution under paragraph (11) of this subsection (h) following the transfer to the new entity. The pari-mutuel tax credit under Section 32.1 shall not be applied toward any pari-mutuel tax obligation of the inter-track wagering location licensee of the license that is transferred under this paragraph (14).

(i) Notwithstanding the other provisions of this Act, the conduct of wagering at wagering facilities is authorized on all days, except as limited by subsection (b) of Section 19 of this Act.

(230 ILCS 5/27) (from Ch. 8, par. 37-27)

Sec. 27. (a) In addition to the organization license fee provided by this Act, until January 1, 2000, a graduated privilege tax is hereby imposed for conducting the pari-mutuel system of wagering permitted under this Act. Until January 1, 2000, except as provided in subsection (g) of Section 27 of this Act, all of the breakage of each racing day held by any licensee in the State shall be paid to the State. Until January 1, 2000, such daily graduated privilege tax shall be paid by the licensee from the amount permitted to be retained under this Act. Until January 1, 2000, each day's graduated privilege tax, breakage, and Horse Racing Tax Allocation funds shall be remitted to the Department of Revenue within 48 hours after the close of the racing day upon which it is assessed or within such other time as the Board prescribes. The privilege tax hereby imposed, until January 1, 2000, shall be a flat tax at the rate of 2% of the daily pari-mutuel handle except as provided in Section 27.1.

In addition, every organization licensee, except as provided in Section 27.1 of this Act, which conducts multiple wagering shall pay, until January 1, 2000, as a privilege tax on multiple wagers an amount equal to 1.25% of all moneys wagered each day on such multiple wagers, plus an additional amount equal to 3.5% of the amount wagered each day on any other multiple wager which involves a single betting interest on 3 or more horses. The licensee shall remit the amount of such taxes to the Department of Revenue within 48 hours after the close of the racing day on which it is assessed or within such other time as the Board prescribes.

[May 30, 2018]

This subsection (a) shall be inoperative and of no force and effect on and after January 1, 2000.

(a-5) Beginning on January 1, 2000, a flat pari-mutuel tax at the rate of 1.5% of the daily pari-mutuel handle is imposed at all pari-mutuel wagering facilities and on advance deposit wagering from a location other than a wagering facility, except as otherwise provided for in this subsection (a-5). In addition to the pari-mutuel tax imposed on advance deposit wagering pursuant to this subsection (a-5), beginning on August 24, 2012 (the effective date of Public Act 97-1060) and through December 31, ~~2020~~ 2018, an additional pari-mutuel tax at the rate of 0.25% shall be imposed on advance deposit wagering. Until August 25, 2012, the additional 0.25% pari-mutuel tax imposed on advance deposit wagering by Public Act 96-972 shall be deposited into the Quarter Horse Purse Fund, which shall be created as a non-appropriated trust fund administered by the Board for grants to thoroughbred organization licensees for payment of purses for quarter horse races conducted by the organization licensee. Beginning on August 26, 2012, the additional 0.25% pari-mutuel tax imposed on advance deposit wagering shall be deposited into the Standardbred Purse Fund, which shall be created as a non-appropriated trust fund administered by the Board, for grants to the standardbred organization licensees for payment of purses for standardbred horse races conducted by the organization licensee. Thoroughbred organization licensees may petition the Board to conduct quarter horse racing and receive purse grants from the Quarter Horse Purse Fund. The Board shall have complete discretion in distributing the Quarter Horse Purse Fund to the petitioning organization licensees. Beginning on July 26, 2010 (the effective date of Public Act 96-1287), a pari-mutuel tax at the rate of 0.75% of the daily pari-mutuel handle is imposed at a pari-mutuel facility whose license is derived from a track located in a county that borders the Mississippi River and conducted live racing in the previous year. The pari-mutuel tax imposed by this subsection (a-5) shall be remitted to the Department of Revenue within 48 hours after the close of the racing day upon which it is assessed or within such other time as the Board prescribes.

(b) On or before December 31, 1999, in the event that any organization licensee conducts 2 separate programs of races on any day, each such program shall be considered a separate racing day for purposes of determining the daily handle and computing the privilege tax on such daily handle as provided in subsection (a) of this Section.

(c) Licensees shall at all times keep accurate books and records of all monies wagered on each day of a race meeting and of the taxes paid to the Department of Revenue under the provisions of this Section. The Board or its duly authorized representative or representatives shall at all reasonable times have access to such records for the purpose of examining and checking the same and ascertaining whether the proper amount of taxes is being paid as provided. The Board shall require verified reports and a statement of the total of all monies wagered daily at each wagering facility upon which the taxes are assessed and may prescribe forms upon which such reports and statement shall be made.

(d) Any licensee failing or refusing to pay the amount of any tax due under this Section shall be guilty of a business offense and upon conviction shall be fined not more than \$5,000 in addition to the amount found due as tax under this Section. Each day's violation shall constitute a separate offense. All fines paid into Court by a licensee hereunder shall be transmitted and paid over by the Clerk of the Court to the Board.

(e) No other license fee, privilege tax, excise tax, or racing fee, except as provided in this Act, shall be assessed or collected from any such licensee by the State.

(f) No other license fee, privilege tax, excise tax or racing fee shall be assessed or collected from any such licensee by units of local government except as provided in paragraph 10.1 of subsection (h) and subsection (f) of Section 26 of this Act. However, any municipality that has a Board licensed horse race meeting at a race track wholly within its corporate boundaries or a township that has a Board licensed horse race meeting at a race track wholly within the unincorporated area of the township may charge a local amusement tax not to exceed 10¢ per admission to such horse race meeting by the enactment of an ordinance. However, any municipality or county that has a Board licensed inter-track wagering location facility wholly within its corporate boundaries may each impose an admission fee not to exceed \$1.00 per admission to such inter-track wagering location facility, so that a total of not more than \$2.00 per admission may be imposed. Except as provided in subparagraph (g) of Section 27 of this Act, the inter-track wagering location licensee shall collect any and all such fees and within 48 hours remit the fees to the Board, which shall, pursuant to rule, cause the fees to be distributed to the county or municipality.

(g) Notwithstanding any provision in this Act to the contrary, if in any calendar year the total taxes and fees required to be collected from licensees and distributed under this Act to all State and local governmental authorities exceeds the amount of such taxes and fees distributed to each State and local governmental authority to which each State and local governmental authority was entitled under this Act for calendar year 1994, then the first \$11 million of that excess amount shall be allocated at the earliest possible date for distribution as purse money for the succeeding calendar year. Upon reaching the 1994

level, and until the excess amount of taxes and fees exceeds \$11 million, the Board shall direct all licensees to cease paying the subject taxes and fees and the Board shall direct all licensees to allocate any such excess amount for purses as follows:

(i) the excess amount shall be initially divided between thoroughbred and standardbred purses based on the thoroughbred's and standardbred's respective percentages of total Illinois live wagering in calendar year 1994;

(ii) each thoroughbred and standardbred organization licensee issued an organization licensee in that succeeding allocation year shall be allocated an amount equal to the product of its percentage of total Illinois live thoroughbred or standardbred wagering in calendar year 1994 (the total to be determined based on the sum of 1994 on-track wagering for all organization licensees issued organization licenses in both the allocation year and the preceding year) multiplied by the total amount allocated for standardbred or thoroughbred purses, provided that the first \$1,500,000 of the amount allocated to standardbred purses under item (i) shall be allocated to the Department of Agriculture to be expended with the assistance and advice of the Illinois Standardbred Breeders Funds Advisory Board for the purposes listed in subsection (g) of Section 31 of this Act, before the amount allocated to standardbred purses under item (i) is allocated to standardbred organization licensees in the succeeding allocation year.

To the extent the excess amount of taxes and fees to be collected and distributed to State and local governmental authorities exceeds \$11 million, that excess amount shall be collected and distributed to State and local authorities as provided for under this Act.

(4) A comprehensive assessment of the candidate's teaching effectiveness, as evaluated by the principal or qualified equivalent of a principal, as required under subsection (d) of this Section, and the program coordinator, at the end of the second year of residency. If there is disagreement between the 2 evaluators about the candidate's teaching effectiveness, the candidate may complete one additional year of residency teaching under a professional development plan developed by the principal or qualified equivalent and the preparation program. At the completion of the third year, a candidate must have positive evaluations and a recommendation for full licensure from both the principal or qualified equivalent and the program coordinator or no Professional Educator License shall be issued. Successful completion of the program shall be deemed to satisfy any other practice or student teaching and content matter requirements established by law.

(c) An alternative provisional educator endorsement on an Educator License with Stipulations is valid for 2 years of teaching in the public schools, including without limitation a preschool educational program under Section 2-3.71 of this Code or charter school, or in a State-recognized nonpublic school in which the chief administrator is required to have the licensure necessary to be a principal in a public school in this State and in which a majority of the teachers are required to have the licensure necessary to be instructors in a public school in this State, but may be renewed for a third year if needed to complete the Alternative Educator Licensure Program for Teachers. The endorsement shall be issued only once to an individual who meets all of the following requirements:

(1) Has graduated from a regionally accredited college or university with a bachelor's degree or higher.

(2) Has a cumulative grade point average of 3.0 or greater on a 4.0 scale or its equivalent on another scale.

(3) Has completed a major in the content area if seeking a middle or secondary level endorsement or, if seeking an early childhood, elementary, or special education endorsement, has completed a major in the content area of reading, English/language arts, mathematics, or one of the sciences. If the individual does not have a major in a content area for any level of teaching, he or she must submit transcripts to the State Board Superintendent of Education to be reviewed for equivalency.

(4) Has successfully completed phase (1) of subsection (b) of this Section.

(5) Has passed a test of basic skills and content area test required for the specific endorsement for admission into the program, as required under Section 21B-30 of this Code.

A candidate possessing the alternative provisional educator endorsement may receive a salary, benefits, and any other terms of employment offered to teachers in the school who are members of an exclusive bargaining representative, if any, but a school is not required to provide these benefits during the years of residency if the candidate is serving only as a co-teacher. If the candidate is serving as the teacher of record, the candidate must receive a salary, benefits, and any other terms of employment. Residency experiences must not be counted towards tenure.

(d) The recognized institution offering the Alternative Educator Licensure Program for Teachers must partner with a school district, including without limitation a preschool educational program under Section 2-3.71 of this Code or charter school, or a State-recognized, nonpublic school in this State in which the chief administrator is required to have the licensure necessary to be a principal in a public school in this State and in which a majority of the teachers are required to have the licensure necessary to be instructors in a public school in this State. A recognized institution that partners with a public school district administering a preschool educational program under Section 2-3.71 of this Code must require a principal to recommend or evaluate candidates in the program. A recognized institution that partners with an eligible entity administering a preschool educational program under Section 2-3.71 of this Code and that is not a public school district must require a principal or qualified equivalent of a principal to recommend or evaluate candidates in the program. The program presented for approval by the State Board of Education must demonstrate the supports that are to be provided to assist the provisional teacher during the 2-year residency period. These supports must provide additional contact hours with mentors during the first year of residency.

(e) Upon completion of the 4 phases outlined in subsection (b) of this Section and all assessments required under Section 21B-30 of this Code, an individual shall receive a Professional Educator License.

(f) The State Board of Education, in consultation with the State Educator Preparation and Licensure Board, may adopt such rules as may be necessary to establish and implement the Alternative Educator Licensure Program for Teachers.

"Section 5. The Property Tax Code is amended by changing Section 20-175 as follows:
(35 ILCS 200/20-175)

Sec. 20-175. Refund for erroneous assessments or overpayments.

(a) In counties other than Cook County, if any property is twice assessed for the same year, or assessed before it becomes taxable, and the erroneously assessed taxes have been paid either at sale or otherwise, or have been overpaid by the same claimant or by different claimants, the County Collector, upon being satisfied of the facts in the case, shall refund the taxes to the proper claimant. When the County Collector is unable to determine the proper claimant, the circuit court, on petition of the person paying the taxes, or his or her agent, and being satisfied of the facts in the case, shall direct the county collector to refund the taxes and deduct the amount thereof, pro rata, from the moneys due to taxing bodies which received the taxes erroneously paid, or their legal successors. Pleadings in connection with the petition provided for in this Section shall conform to that prescribed in the Civil Practice Law. Appeals may be taken from the judgment of the circuit court, either by the county collector or by the petitioner, as in other civil cases. A claim for refund shall not be allowed unless a petition is filed within 5 years from the date the right to a refund arose. If a certificate of error results in the allowance of a homestead exemption not previously allowed, the county collector shall pay the taxpayer interest on the amount of taxes paid that are attributable to the amount of the additional allowance, at the rate of 6% per year. To cover the cost of interest, the county collector shall proportionately reduce the distribution of taxes collected for each taxing district in which the property is situated.

(a-1) In Cook County, if any property is twice assessed for the same year, or assessed before it becomes taxable, and the erroneously assessed taxes have been paid either at sale or otherwise, or have been overpaid by the same claimant or by different claimants, the Cook County Treasurer, upon being satisfied of the facts in the case, shall refund the taxes to the proper claimant. When the Cook County Treasurer is unable to determine the proper claimant, the circuit court, on petition of the person paying the taxes, or his or her agent, and being satisfied of the facts in the case, shall direct the Cook County Treasurer to refund the taxes plus costs of suit and deduct the amount thereof, pro rata, from the moneys due to taxing bodies which received the taxes erroneously paid, or their legal successors. Pleadings in connection with the petition provided for in this Section shall conform to that prescribed in the Civil Practice Law. Appeals may be taken from the judgment of the circuit court, either by the Cook County Treasurer or by the petitioner, as in other civil cases. A claim for refund shall not be allowed unless a petition is filed within 20 years from the date the right to a refund arose. ~~The total amount of taxes and interest refunded for claims under this subsection for which the right to a refund arose prior to January 1, 2009 shall not exceed \$2,500,000 per year. If the payment of a claim for a refund would cause the aggregate total of taxes and interest for all claims to exceed \$2,500,000 in any year, the refund shall be paid in the next succeeding year.~~ If a certificate of error results in the allowance of a homestead exemption not previously allowed, the Cook County Treasurer shall pay the taxpayer interest on the amount of taxes paid that are attributable to the amount of the additional allowance, at the rate of 6% per year. To cover the cost of interest, the Cook County Treasurer shall proportionately reduce the distribution of taxes collected for each taxing district in which the property is situated.

(b) Notwithstanding any other provision of law, in Cook County a claim for refund under this Section is also allowed if the application therefor is filed between September 1, 2011 and September 1, 2012 and the right to a refund arose more than 5 years prior to the date the application is filed but not earlier than January 1, 2000. The Cook County Treasurer, upon being satisfied of the facts in the case, shall refund the taxes to the proper claimant and shall proportionately reduce the distribution of taxes collected for each taxing district in which the property is situated. Refunds under this subsection shall be paid in the order in which the claims are received. The Cook County Treasurer shall not accept a claim for refund under this subsection before September 1, 2011. For the purposes of this subsection, the Cook County Treasurer shall accept a claim for refund by mail or in person. In no event shall a refund be paid under this subsection if the issuance of that refund would cause the aggregate total of taxes and interest refunded for all claims under this subsection to exceed \$350,000. The Cook County Treasurer shall notify the public of the provisions of this subsection on the Treasurer's website. A home rule unit may not regulate claims for refunds in a manner that is inconsistent with this Act. In this paragraph (7), "dangerous or deadly weapon" means any firearm, or other weapon, device, instrument, material, or substance, whether animate or inanimate, which in the manner it is used or is intended to be used is known to be capable of producing death or serious bodily injury.

(b) Supervisory approval must be obtained by the drone operator prior to the deployment of a drone under subsection (a) of this Section.

(c) Each law enforcement agency shall have a written policy addressing drone usage and reporting prior to deploying a drone. That policy shall comply with the provisions of this Act and must be made available to the public.

(d) Any use of a drone under subsection (a) of this Section shall continue to be subject to the United States Constitution and the Illinois Constitution and all applicable State and federal rules, regulations, and laws.

"Renting" does not include the making of a charge by an automobile dealer for the use of an automobile as a demonstrator in connection with the dealer's business of selling, where the charge is merely made to recover the costs of operating the automobile as a demonstrator and is not intended as a rental or leasing charge in the ordinary sense.

"Automobile" means (1) any motor vehicle of the first division, or (2) a motor vehicle of the second division which: (A) is a self-contained motor vehicle designed or permanently converted to provide living quarters for recreational, camping or travel use, with direct walk through access to the living quarters from the driver's seat; (B) is of the van configuration designed for the transportation of not less than 7 nor more than 16 passengers, as defined in Section 1-146 of the Illinois Vehicle Code; or (C) has a Gross Vehicle Weight Rating, as defined in Section 1-124.5 of the Illinois Vehicle Code, of 8,000 pounds or less.

"Department" means the Department of Revenue.

"Person" means any natural individual, firm, partnership, association, joint stock company, joint adventure, public or private corporation, limited liability company, or a receiver, executor, trustee, conservator or other representative appointed by order of any court.

"Rentor" means any person, firm, corporation or association engaged in the business of renting or leasing automobiles to users. For this purpose, the objective of making a profit is not necessary to make the renting activity a business.

"Rentee" means any user to whom the possession, or the right to possession, of an automobile is transferred for a valuable consideration for a period of one year or less, whether paid for by the "rentee" or by someone else.

"Gross receipts" from the renting of tangible personal property or "rent" means the total rental price or leasing price. In the case of rental transactions in which the consideration is paid to the rentor on an

[May 30, 2018]

installment basis, the amounts of such payments shall be included by the rentor in gross receipts or rent only as and when payments are received by the rentor.

"Gross receipts" does not include receipts received by an automobile dealer from a manufacturer or service contract provider for the use of an automobile by a person while that person's automobile is being repaired by that automobile dealer and the repair is made pursuant to a manufacturer's warranty or a service contract where a manufacturer or service contract provider reimburses that automobile dealer pursuant to a manufacturer's warranty or a service contract and the reimbursement is merely made to recover the costs of operating the automobile as a loaner vehicle.

"Rental price" means the consideration for renting or leasing an automobile valued in money, whether received in money or otherwise, including cash credits, property and services, and shall be determined without any deduction on account of the cost of the property rented, the cost of materials used, labor or service cost, or any other expense whatsoever, but does not include charges that are added by a rentor on account of the rentor's tax liability under this Act or on account of the rentor's duty to collect, from the rentee, the tax that is imposed by Section 4 of this Act. The phrase "rental price" does not include compensation paid to a rentor by a rentee in consideration of the waiver by the rentor of any right of action or claim against the rentee for loss or damage to the automobile rented and also does not include a separately stated charge for insurance or recovery of refueling costs or other separately stated charges that are not for the use of tangible personal property.

Section 10. The Counties Code is amended by changing Section 5-1032 as follows:

(55 ILCS 5/5-1032) (from Ch. 34, par. 5-1032)

Sec. 5-1032. County Automobile Renting Occupation Tax. The corporate authorities of a county may impose a tax upon all persons engaged in the business of renting automobiles in the county, but outside any municipality, at the rate of not to exceed 1% of the gross receipts from such business. For the purposes of imposing a tax under this Section, the facilitation of a privately-owned passenger motor vehicle for use by a person other than the vehicle's registered owner as a part of a personal car facilitation transaction, as defined in Section 1-159.1b of the Illinois Vehicle Code, constitutes engaging in the business of renting automobiles in the county. The tax imposed by a county pursuant to this Section and all civil penalties that may be assessed as an Incident thereof shall be collected and enforced by the State Department of Revenue. The certificate of registration which is issued by the Department to a retailer under the "Retailers' Occupation Tax Act", approved June 23, 1933, as amended, or under the "Automobile Renting Occupation and Use Tax Act", enacted by the Eighty-Second General Assembly, shall permit such person to engage in a business which is taxable under any ordinance or resolution enacted pursuant to this Section without registering separately with the Department under such ordinance or resolution or under this Section. The Department shall have full power to administer and enforce this Section; to collect all taxes and penalties due hereunder; to dispose of taxes and penalties so collected in the manner hereinafter provided, and to determine all rights to credit memoranda, arising on account of the erroneous payment of tax or penalty hereunder. In the administration of, and compliance with, this Section, the Department and persons who are subject to this Section shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties and definitions of terms, and employ the same modes of procedure, as are prescribed in Sections 2 and 3 (in respect to all provisions therein other than the State rate of tax; and with relation to the provisions of the "Retailers' Occupation Tax" referred to therein, except as to the disposition of taxes and penalties collected, and except for the provision allowing retailers a deduction from the tax to cover certain costs, and except that credit memoranda issued hereunder may not be used to discharge any State tax liability) of the "Automobile Renting Occupation and Use Tax Act", as the same are now or may hereafter be amended, as fully as if provisions contained in those Sections of said Act were set forth herein.

Persons subject to any tax imposed pursuant to the authority granted in this Section may reimburse themselves for their tax liability hereunder by separately stating such tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax which sellers are required to collect under the "Automobile Renting Occupation and Use Tax Act" pursuant to such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this Section to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified, and to the person named, in such notification from the Department. Such refund shall be paid by the State Treasurer out of the county automobile renting tax fund.

The Department shall forthwith pay over to the State Treasurer, ex-officio, as trustee, all taxes and penalties collected hereunder. On or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money to named counties from which renters have paid taxes or penalties hereunder to the Department during the second preceding calendar month. The amount to be paid to each county shall be the amount (not including credit memoranda) collected hereunder during the second preceding calendar month by the Department, and not including an amount equal to the amount of refunds made during the second preceding calendar month by the Department on behalf of such county, less 2% of such balance, which sum shall be retained by the State Treasurer to cover the costs incurred by the Department in administering and enforcing this Section as provided herein. The Department at the time of each monthly disbursement to the counties shall prepare and certify to the Comptroller the amount, so retained by the State Treasurer, to be paid into the General Revenue Fund of the State Treasury. Within 10 days after receipt, by the Comptroller, of the disbursement certification to the counties and the General Revenue Fund, provided for in this Section to be given to the Comptroller by the Department, the Comptroller shall cause the orders to be drawn for the respective amounts in accordance with the directions contained in such certification.

Nothing in this Section shall be construed to authorize a county to impose a tax upon the privilege of engaging in any business which under the constitution of the United States may not be made the subject of taxation by this State.

An ordinance or resolution imposing a tax hereunder or effecting a change in the rate thereof shall be effective on the first day of the calendar month next following the month in which such ordinance or resolution is passed. The corporate authorities of any county which levies a tax authorized by this Section shall transmit to the Department of Revenue on or not later than 5 days after passage of the ordinance or resolution a certified copy of the ordinance or resolution imposing such tax whereupon the Department of Revenue shall proceed to administer and enforce this Section on behalf of such county as of the effective date of the ordinance or resolution. Upon a change in rate of a tax levied hereunder, or upon the discontinuance of the tax, the corporate authorities of the county shall on or not later than 5 days after passage of the ordinance or resolution discontinuing the tax or effecting a change in rate transmit to the Department of Revenue a certified copy of the ordinance or resolution effecting such change or discontinuance.

The Department of Revenue must upon the request of the County Clerk or County Board submit to a county a list of those persons who are registered with the Department to pay automobile renting occupation tax within the unincorporated area of that governmental unit. This list shall contain only the names of persons who have paid the tax and not the amount of tax paid by such person.

This Section shall be known and may be cited as the "County Automobile Renting Occupation Tax Law".

The certificate of registration which is issued by the Department to a retailer under the Retailers' Occupation Tax Act or under the Automobile Renting Occupation and Use Tax Act shall permit such person to engage in a business which is taxable under any ordinance or resolution enacted pursuant to this Section without registering separately with the Department under such ordinance or resolution or under this Section. The Department shall have full power to administer and enforce this Section; to collect all taxes and penalties due hereunder; to dispose of taxes and penalties so collected in the manner hereinafter provided; and to determine all rights to credit memoranda, arising on account of the erroneous payment of tax or penalty hereunder. Persons subject to any tax imposed pursuant to the authority granted in this Section may reimburse themselves for their tax liability hereunder by separately stating such tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax which sellers are required to collect under the Automobile Renting Occupation and Use Tax Act pursuant to such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this Section to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified, and to the person named, in such notification from the Department. Such refund shall be paid by the State Treasurer out of the municipal automobile renting tax fund.

The Department shall forthwith pay over to the State Treasurer, ex-officio, as trustee, all taxes and penalties collected hereunder. On or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money to named municipalities, the municipalities to be those from which renters have paid taxes or penalties hereunder to the Department during the second preceding calendar month. The amount to be paid to each municipality shall be the amount (not including credit memoranda) collected hereunder during the second preceding calendar month by the Department, and not including an amount equal to the amount of refunds made during the second preceding calendar month by the Department on behalf of such municipality, less 1.6% of such balance, which sum shall be retained by the State Treasurer to cover the costs incurred by the Department in administering and enforcing this Section as provided herein. The Department at the time of each monthly disbursement to the municipalities shall prepare and certify to the Comptroller the amount, so retained by the State Treasurer, to be paid into the General Revenue Fund of the State Treasury. Within 10 days after receipt, by the Comptroller, of the disbursement certification to the municipalities and the General Revenue Fund, provided for in this Section to be given to the Comptroller by the Department, the Comptroller shall cause the orders to be drawn for the respective amounts in accordance with the directions contained in such certification.

Nothing in this Section shall be construed to authorize a municipality to impose a tax upon the privilege of engaging in any business which under the Constitution of the United States may not be made the subject of taxation by this State.

An ordinance or resolution imposing a tax hereunder or effecting a change in the rate thereof shall be effective on the first day of the calendar month next following publication as provided in Section 1-2-4. The corporate authorities of any municipality which levies a tax authorized by this Section shall transmit to the Department of Revenue on or not later than 5 days after publication a certified copy of the ordinance or resolution imposing such tax whereupon the Department of Revenue shall proceed to administer and enforce this Section on behalf of such municipality as of the effective date of the ordinance or resolution. Upon a change in rate of a tax levied hereunder, or upon the discontinuance of the tax, the corporate authorities of the municipality shall on or not later than 5 days after publication of the ordinance or resolution discontinuing the tax or effecting a change in rate transmit to the Department of Revenue a certified copy of the ordinance or resolution effecting such change or discontinuance.

The Department of Revenue must upon the request of the municipal clerk, city council or village board of trustees submit to a city, village or incorporated town a list of those persons who are registered with the Department to pay automobile renting occupation tax within that governmental unit. This list shall contain only the names of persons who have paid the tax and not the amount of tax paid by such person.

(625 ILCS 5/6-305.2)

Sec. 6-305.2. Limited liability for damage.

(a) Damage to private passenger vehicle. A person who rents a motor vehicle to another may hold the renter liable to the extent permitted under subsections (b) through (d) for physical or mechanical damage to the rented motor vehicle that occurs during the time the motor vehicle is under the rental agreement.

(b) Limits on liability: vehicle MSRP \$50,000 or less. The total liability of a renter under subsection (a) for damage to a motor vehicle with a Manufacturer's Suggested Retail Price (MSRP) of \$50,000 or less may not exceed all of the following:

(1) The lesser of:

(A) Actual and reasonable costs that the person who rents a motor vehicle to another incurred to repair the motor vehicle or that the rental company would have incurred if the motor vehicle had been repaired, which shall reflect any discounts, price reductions, or adjustments available to the rental company; or

(B) The fair market value of that motor vehicle immediately before the damage occurred, as determined in the customary market for the retail sale of that motor vehicle; and

(2) Actual and reasonable costs incurred by the loss due to theft of the rental motor vehicle up to \$2,000; provided, however, that if it is established that the renter or an authorized driver failed to exercise ordinary care while in possession of the vehicle or that the renter or an authorized driver committed or aided and abetted the commission of the theft, then the damages shall be the actual and reasonable costs of the rental vehicle up to its fair market value, as determined by the customary market for the sale of that vehicle.

For purposes of this subsection (b), for the period prior to June 1, 1998, the maximum amount that may be recovered from an authorized driver shall not exceed \$6,000; for the period beginning June 1, 1998 through May 31, 1999, the maximum recovery shall not exceed \$7,500; and for the period beginning June 1, 1999 through May 31, 2000, the maximum recovery shall not exceed \$9,000. Beginning June 1, 2000, and annually each June 1 thereafter, the maximum amount that may be recovered from an authorized driver shall be increased by \$500 above the maximum recovery allowed immediately prior to June 1 of that year.

(b-5) Limits on liability: vehicle MSRP more than \$50,000. The total liability of a renter under subsection (a) for damage to a motor vehicle with a Manufacturer's Suggested Retail Price (MSRP) of more than \$50,000 may not exceed all of the following:

(1) the lesser of:

(A) actual and reasonable costs that the person who rents a motor vehicle to another incurred to repair the motor vehicle or that the rental company would have incurred if the motor vehicle had been repaired, which shall reflect any discounts, price reductions, or adjustments available to the rental company; or

(B) the fair market value of that motor vehicle immediately before the damage occurred, as determined in the customary market for the retail sale of that motor vehicle; and

(2) the actual and reasonable costs incurred by the loss due to theft of the rental motor vehicle up to \$40,000.

The maximum recovery for a motor vehicle with a Manufacturer's Suggested Retail Price (MSRP) of more than \$50,000 under this subsection (b-5) shall not exceed \$40,000 on the effective date of this amendatory Act of the 99th General Assembly. On October 1, 2016, and for the next 3 years thereafter, the maximum amount that may be recovered from an authorized driver under this subsection (b-5) shall be increased by \$2,500 above the prior year's maximum recovery. On October 1, 2020, and for each year

[May 30, 2018]

thereafter, the maximum amount that may be recovered from an authorized driver under this subsection (b-5) shall be increased by \$1,000 above the prior year's maximum recovery.

(c) Multiple recoveries prohibited. Any person who rents a motor vehicle to another may not hold the renter liable for any amounts that the rental company recovers from any other party.

(d) Repair estimates. A person who rents a motor vehicle to another may not collect or attempt to collect the amount described in subsection (b) or (b-5) unless the rental company obtains an estimate from a repair company or an appraiser in the business of providing such appraisals on the costs of repairing the motor vehicle, makes a copy of the estimate available upon request to the renter who may be liable under subsection (a), or the insurer of the renter, and submits a copy of the estimate with any claim to collect the amount described in subsection (b) or (b-5). In order to collect the amount described in subsection (b-5), a person renting a motor vehicle to another must also provide the renter's personal insurance company with reasonable notice and an opportunity to inspect damages.

(d-5) In the event of loss due to theft of the rental motor vehicle with a MSRP more than \$50,000, the rental company shall provide reasonable notice of the theft to the renter's personal insurance company.

(e) Duty to mitigate. A claim against a renter resulting from damage or loss to a rental vehicle must be reasonably and rationally related to the actual loss incurred. A rental company shall mitigate damages where possible and shall not assert or collect any claim for physical damage which exceeds the actual costs of the repair, including all discounts or price reductions.

(f) No rental company shall require a deposit or an advance charge against the credit card of a renter, in any form, for damages to a vehicle which is in the renter's possession, custody, or control. No rental company shall require any payment for damage to the rental vehicle, upon the renter's return of the vehicle in a damaged condition, until after the cost of the damage to the vehicle and liability therefor is agreed to between the rental company and renter or is determined pursuant to law.

(g) If insurance coverage exists under the renter's personal insurance policy and the coverage is confirmed during regular business hours, the renter may require that the rental company must submit any claims to the renter's personal insurance carrier as the renter's agent. The rental company shall not make any written or oral representations that it will not present claims or negotiate with the renter's insurance carrier. For purposes of this Section, confirmation of coverage includes telephone confirmation from insurance company representatives during regular business hours. After confirmation of coverage, the amount of claim shall be resolved between the insurance carrier and the rental company.

(h) For the purposes of the allocation of liability for damage to a private passenger vehicle as established under this Section, a motor vehicle rental company that is a personal car facilitation company, as defined in Section 1-159.1a, shall, if any damage to a vehicle occurs at any time when the vehicle is not in possession of the vehicle's registered owner and at the personal car facilitation company's designated location while being made available to rent, under the operation and control of a person other than the vehicle's registered owner under a personal car facilitation transaction facilitated by that company, or at the personal car facilitation company's designated area not being made available to rent, but not yet in the possession of the vehicle's registered owner, assume all liability of the registered owner of the vehicle used in the personal car facilitation transaction. Nothing in this subsection (h) prevents a personal car facilitation company from holding a renter in a personal car facilitation transaction liable to the extent permitted under this Section. A personal car facilitation company continues to be liable under this subsection (h) until the end of the personal car facilitation transaction as described in subsection (c) of Section 30 of the Renter's Financial Responsibility and Protection Act or as described in this subsection (h) while the vehicle is at the designated location of the personal car facilitation company. At no time shall the registered owner of the vehicle or the owner's insurer be liable for any exposure, including negligent entrustment, of the vehicle involved in a personal car facilitation transaction as described in subsection (c) of Section 30 of the Renter's Financial Responsibility and Protection Act.

(b) Motor vehicle rental companies may include a separately stated mandatory surcharge or fee in a rental agreement for vehicle license cost recovery fees (VLCRF) and all applicable taxes.

(c) If a motor vehicle rental company includes a VLCRF as separately stated charge in a rental agreement, the amount of the fee must represent the motor vehicle rental company's good-faith estimate of the automobile rental company's daily charge as calculated by the motor vehicle rental company to recover its actual total annual motor vehicle titling, registration, and inspection costs.

(d) If the total amount of the VLCRF collected by a motor vehicle rental company under this Section in any calendar year exceeds the motor vehicle rental company's actual costs to license, title, register, and inspect for that calendar year, the motor vehicle rental company shall do both of the following:

(1) Retain the excess amount; and

(2) Adjust the estimated average per vehicle titling, licensing, inspection, and registration charge for the following calendar year by a corresponding amount.

(e) Nothing in subsection (d) of this Section shall prevent a motor vehicle rental company from making adjustments to the VLCRF during the calendar year.

(625 ILCS 5/9-101) (from Ch. 95 1/2, par. 9-101)

Sec. 9-101. Owner of for-rent motor vehicle to give proof of financial responsibility. For purposes of this Chapter, "for rent" means any transfer of the possession of or right to possession of a motor vehicle to a user for a valuable consideration for a period of less than one year, and "to lease" means any transfer of the possession of or right to possession of a motor vehicle to a user for a period of one year or more. It is unlawful for the owner of any motor vehicle to engage in the business, or to hold himself out to the public generally as being engaged in the business of renting out such motor vehicle to be operated by the customer, unless the owner has given, and there is in full force and effect and on file with the Secretary of State proof of financial responsibility as hereinafter provided. For the purposes of this Section, the facilitation of a privately-owned passenger motor vehicle for use by a person other than the vehicle's registered owner as a part of a personal car facilitation transaction shall constitute engaging in the business of renting out motor vehicles in this State. For the purposes of providing proof of financial responsibility under this Section, a personal car facilitation company shall be considered the owner of the vehicle and financially responsible for that vehicle at any time the vehicle is used in a personal car facilitation transaction facilitated by that company and under the operation and control of a person other than the vehicle's registered owner. The delivery of a vehicle owned by an out of State person or business to a renter in this State shall constitute engaging in the rental business in this State for purposes of this Section.

All owners of motor vehicles which are leased for a period of one year or more are not required to provide proof of insurance as required under this chapter, but instead must comply with Section 7-601 of this Code and obtain vehicle insurance in amounts no less than the minimum amount set for bodily injury or death and for destruction of property pursuant to Section 7-203 of this Code.

(b) If any loss or injury occurs at any time a vehicle is under the operation and control of a person other than the vehicle's registered owner under a personal car facilitation transaction facilitated by a personal car facilitation company, the company shall assume all liability of the registered owner of the vehicle used in the personal car facilitation transaction and shall be considered the vehicle's owner for all purposes.

(d) At no time shall the registered owner of the vehicle or the owner's insurer be held liable for any loss, injury, damage, or violation involving his or her vehicle occurring during a personal car facilitation transaction unless it is shown that the registered owner was operating or in control of the vehicle at the time of the loss, injury, damage, or violation.

(1) the registered owner responds to the citation by submitting, within 30 days of the mailing of the citation, an affidavit of non-liability stating that, at the time of the alleged violation, the vehicle was under the operation and control of a person other than the vehicle's registered owner under a personal car facilitation transaction facilitated by a personal car facilitation company; and

AMENDMENT NO. 3 TO SENATE BILL 2641

AMENDMENT NO. 3. Amend Senate Bill 2641, AS AMENDED, by replacing everything after the enacting clause with the following:

"Section 5. The Automobile Renting Occupation and Use Tax Act is amended by changing Section 2 as follows:

(35 ILCS 155/2) (from Ch. 120, par. 1702)

Sec. 2. Definitions. "Renting" means any transfer of the possession or right to possession of an automobile to a user for a valuable consideration for a period of one year or less, including the facilitation of a privately-owned passenger motor vehicle for use by persons other than the vehicle's registered owner as an part of a car facilitation transaction, as defined in Section 1-110.06 of the Illinois Vehicle Code.

"Renting" does not include making a charge for the use of an automobile where the rentor, either himself or through an agent, furnishes a service of operating an automobile so that the rentor remains in possession of the automobile, because this does not constitute a transfer of possession or right to possession of the automobile.

"Renting" does not include the making of a charge by an automobile dealer for the use of an automobile as a demonstrator in connection with the dealer's business of selling, where the charge is merely made to recover the costs of operating the automobile as a demonstrator and is not intended as a rental or leasing charge in the ordinary sense.

"Automobile" means (1) any motor vehicle of the first division, or (2) a motor vehicle of the second division which: (A) is a self-contained motor vehicle designed or permanently converted to provide living quarters for recreational, camping or travel use, with direct walk through access to the living quarters from the driver's seat; (B) is of the van configuration designed for the transportation of not less than 7 nor more than 16 passengers, as defined in Section 1-146 of the Illinois Vehicle Code; or (C) has a Gross Vehicle Weight Rating, as defined in Section 1-124.5 of the Illinois Vehicle Code, of 8,000 pounds or less.

"Department" means the Department of Revenue.

"Person" means any natural individual, firm, partnership, association, joint stock company, joint adventure, public or private corporation, limited liability company, or a receiver, executor, trustee, conservator or other representative appointed by order of any court.

"Rentor" means any person, firm, corporation or association engaged in the business of renting or leasing automobiles to users. For this purpose, the objective of making a profit is not necessary to make the renting activity a business.

"Rentee" means any user to whom the possession, or the right to possession, of an automobile is transferred for a valuable consideration for a period of one year or less, whether paid for by the "rentee" or by someone else.

"Gross receipts" from the renting of tangible personal property or "rent" means the total rental price or leasing price. In the case of rental transactions in which the consideration is paid to the rentor on an installment basis, the amounts of such payments shall be included by the rentor in gross receipts or rent only as and when payments are received by the rentor.

"Gross receipts" does not include receipts received by an automobile dealer from a manufacturer or service contract provider for the use of an automobile by a person while that person's automobile is being repaired by that automobile dealer and the repair is made pursuant to a manufacturer's warranty or a service contract where a manufacturer or service contract provider reimburses that automobile dealer pursuant to a manufacturer's warranty or a service contract and the reimbursement is merely made to recover the costs of operating the automobile as a loaner vehicle.

"Rental price" means the consideration for renting or leasing an automobile valued in money, whether received in money or otherwise, including cash credits, property and services, and shall be determined without any deduction on account of the cost of the property rented, the cost of materials used, labor or service cost, or any other expense whatsoever, but does not include charges that are added by a rentor on account of the rentor's tax liability under this Act or on account of the rentor's duty to collect, from the rentee, the tax that is imposed by Section 4 of this Act. The phrase "rental price" does not include compensation paid to a rentor by a rentee in consideration of the waiver by the rentor of any right of action or claim against the rentee for loss or damage to the automobile rented and also does not include a separately stated charge for insurance or recovery of refueling costs or other separately stated charges that are not for the use of tangible personal property.

Section 10. The Counties Code is amended by changing Section 5-1032 as follows:
(55 ILCS 5/5-1032) (from Ch. 34, par. 5-1032)

Sec. 5-1032. County Automobile Renting Occupation Tax. The corporate authorities of a county may impose a tax upon all persons engaged in the business of renting automobiles in the county, but outside any municipality, at the rate of not to exceed 1% of the gross receipts from such business. For the purposes of imposing a tax under this Section, the facilitation of a privately-owned passenger motor vehicle for use by a person other than the vehicle's registered owner as a part of a car facilitation transaction, as defined in Section 1-110.06 of the Illinois Vehicle Code, constitutes engaging in the business of renting automobiles in the county. The tax imposed by a county pursuant to this Section and all civil penalties that may be assessed as an Incident thereof shall be collected and enforced by the State Department of Revenue. The certificate of registration which is issued by the Department to a retailer under the "Retailers' Occupation Tax Act", approved June 23, 1933, as amended, or under the "Automobile Renting Occupation and Use Tax Act", enacted by the Eighty-Second General Assembly, shall permit such person to engage in a business which is taxable under any ordinance or resolution enacted pursuant to this Section without registering separately with the Department under such ordinance or resolution or under this Section. The Department shall have full power to administer and enforce this Section; to collect all taxes and penalties due hereunder; to dispose of taxes and penalties so collected in the manner hereinafter provided, and to determine all rights to credit memoranda, arising on account of the erroneous payment of tax or penalty hereunder. In the administration of, and compliance with, this Section, the Department and persons who are subject to this Section shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties and definitions of terms, and employ the same modes of procedure, as are prescribed in Sections 2 and 3 (in respect to all provisions therein other than the State rate of tax; and with relation to the provisions of the "Retailers' Occupation Tax" referred to therein, except as to the disposition of taxes and penalties collected, and except for the provision allowing retailers a deduction from the tax to cover certain costs, and except that credit memoranda issued hereunder may not be used to discharge any State tax liability) of the "Automobile Renting Occupation and Use Tax Act", as the same are now or may hereafter be amended, as fully as if provisions contained in those Sections of said Act were set forth herein.

Persons subject to any tax imposed pursuant to the authority granted in this Section may reimburse themselves for their tax liability hereunder by separately stating such tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax which sellers are required to collect

under the "Automobile Renting Occupation and Use Tax Act" pursuant to such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this Section to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified, and to the person named, in such notification from the Department. Such refund shall be paid by the State Treasurer out of the county automobile renting tax fund.

The Department shall forthwith pay over to the State Treasurer, ex-officio, as trustee, all taxes and penalties collected hereunder. On or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money to named counties from which renters have paid taxes or penalties hereunder to the Department during the second preceding calendar month. The amount to be paid to each county shall be the amount (not including credit memoranda) collected hereunder during the second preceding calendar month by the Department, and not including an amount equal to the amount of refunds made during the second preceding calendar month by the Department on behalf of such county, less 2% of such balance, which sum shall be retained by the State Treasurer to cover the costs incurred by the Department in administering and enforcing this Section as provided herein. The Department at the time of each monthly disbursement to the counties shall prepare and certify to the Comptroller the amount, so retained by the State Treasurer, to be paid into the General Revenue Fund of the State Treasury. Within 10 days after receipt, by the Comptroller, of the disbursement certification to the counties and the General Revenue Fund, provided for in this Section to be given to the Comptroller by the Department, the Comptroller shall cause the orders to be drawn for the respective amounts in accordance with the directions contained in such certification.

Nothing in this Section shall be construed to authorize a county to impose a tax upon the privilege of engaging in any business which under the constitution of the United States may not be made the subject of taxation by this State.

An ordinance or resolution imposing a tax hereunder or effecting a change in the rate thereof shall be effective on the first day of the calendar month next following the month in which such ordinance or resolution is passed. The corporate authorities of any county which levies a tax authorized by this Section shall transmit to the Department of Revenue on or not later than 5 days after passage of the ordinance or resolution a certified copy of the ordinance or resolution imposing such tax whereupon the Department of Revenue shall proceed to administer and enforce this Section on behalf of such county as of the effective date of the ordinance or resolution. Upon a change in rate of a tax levied hereunder, or upon the discontinuance of the tax, the corporate authorities of the county shall on or not later than 5 days after passage of the ordinance or resolution discontinuing the tax or effecting a change in rate transmit to the Department of Revenue a certified copy of the ordinance or resolution effecting such change or discontinuance.

The Department of Revenue must upon the request of the County Clerk or County Board submit to a county a list of those persons who are registered with the Department to pay automobile renting occupation tax within the unincorporated area of that governmental unit. This list shall contain only the names of persons who have paid the tax and not the amount of tax paid by such person.

This Section shall be known and may be cited as the "County Automobile Renting Occupation Tax Law".

Persons subject to any tax imposed pursuant to the authority granted in this Section may reimburse themselves for their tax liability hereunder by separately stating such tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax which sellers are required to collect under the Automobile Renting Occupation and Use Tax Act pursuant to such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this Section to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified, and to the person named, in such notification from the Department. Within 10 days after receipt, by the Comptroller, of the disbursement certification to the municipalities and the General Revenue Fund, provided for in this Section to be given to the Comptroller by the Department, the Comptroller shall cause the orders to be drawn for the respective amounts in accordance with the directions contained in such certification.

Nothing in this Section shall be construed to authorize a municipality to impose a tax upon the privilege of engaging in any business which under the Constitution of the United States may not be made the subject of taxation by this State.

A car facilitation company continues to be liable under this subsection (g) until the end of the car facilitation transaction as described in subsection (c) of this Section or as described in this subsection (g). At no time shall the registered owner of the vehicle or the owner's insurer be liable for any exposure, including negligent entrustment, of the vehicle involved in a car facilitation transaction.

(h) Notwithstanding any other law and unless otherwise excluded, an insurer may exclude any and all coverage and the duty to defend or indemnify for any claim made under a car facilitation transaction.

(i) An insurer that defends or indemnifies a claim against its insured that is determined to be excluded under the terms of its policy shall have the right to seek contribution against the insurer of the car facilitation company, if the claim is:

(1) made against the registered owner of the vehicle or renter in the car facilitation transaction for loss or injury that occurs during the car facilitation transaction; and

(2) excluded under the terms of the insurer's policy.

(j) Nothing in this Section invalidates or limits an exclusion contained in an insurers policy for any coverage included in the policy.

(k) An insurer may deny issuance of, cancel, void, terminate, rescind, or deny renewal of an insurance policy covering a motor vehicle that has been made available for a car facilitation transaction if the applicant or policyholder of the insurance policy fails to provide complete and accurate information about the use of a motor vehicle through a car facilitation transaction as requested by the insurer during the application or renewal process of the insurance policy.

(l) Nothing in this Section requires any insurance policy to:

(1) provide primary or excess coverage during the car facilitation transaction;

(2) imply that any insurance policy provides coverage for a motor vehicle during the car facilitation transaction; or

(3) preclude an insurer from providing coverage for a vehicle while the vehicle is made available or used through a car facilitation transaction if the insurer elects to do so by contract or endorsement.

(m) The car facilitation company shall collect and verify records pertaining to the use of a vehicle, including, but not limited to, times used, fees paid by the rentor, and revenues received by the vehicle owner, and provide that information upon request to the registered owner of the vehicle, the owner's insurer, or and the insurer of a person operating the vehicle during the car facilitation transaction when a claim has been made against an insured involving a dispute as to whether the insurer's policy of the registered owner of the vehicle or the person operating the vehicle and shall retain the records for a reasonable period after the expiration of the applicable personal injury statute of limitations.

(n) The car facilitation company shall have sole responsibility for any equipment, such as a GPS system or other special equipment, that is put in or on the vehicle to monitor or facilitate the transaction, and shall agree to indemnify and hold harmless the vehicle owner for any damage to or theft of such equipment.

(o) The car facilitation company shall:

(1) verify that the registered vehicle does not have any safety recalls on the vehicle for which the repairs have not been made; and

(2) notify the owner of the registered vehicle of the requirements under subsection (p) of this Section.

(p) If the registered owner of the vehicle has received an actual notice of a safety recall on the motor vehicle, the registered owner of the vehicle may not make the motor vehicle available through the car facilitation company until the safety recall repair has been made.

If a registered owner of a vehicle receives an actual notice of a safety recall on a registered vehicle while the registered vehicle is made available or in use through the car facilitation company, the registered owner of the vehicle shall remove the shared motor vehicle from participation as soon as practicably possible, but no later than 72 hours after receiving the notice of the safety recall and shall not allow the vehicle to be used in a car facilitation transaction until the safety recall repair has been made."

READING BILL FROM THE HOUSE OF REPRESENTATIVES A FIRST TIME

House Bill No. 4873, sponsored by Senator Link, was taken up, read by title a first time and referred to the Committee on Assignments.

[May 30, 2018]

HOUSE BILL RECALLED

On motion of Senator J. Cullerton, **House Bill No. 1804** was recalled from the order of third reading to the order of second reading.

Floor Amendment No. 1 was postponed in the Committee on Criminal Law.

Senator J. Cullerton offered the following amendment and moved its adoption:

AMENDMENT NO. 2 TO HOUSE BILL 1804

AMENDMENT NO. 2. Amend House Bill 1804 by replacing everything after the enacting clause with the following:

"Section 5. The Illinois Vehicle Code is amended by changing Section 4-103 as follows:

(625 ILCS 5/4-103) (from Ch. 95 1/2, par. 4-103)

Sec. 4-103. Offenses relating to motor vehicles and other vehicles - Felonies.

(a) Except as provided in subsection (a-1), it is a violation of this Chapter for:

(1) A person not entitled to the possession of a vehicle or essential part of a vehicle to receive, possess, conceal, sell, dispose, or transfer it, knowing it to have been stolen or converted, Knowledge that a vehicle or essential part is stolen or converted may be inferred: (A) from the surrounding facts and circumstances, which would lead a reasonable person to believe that the vehicle or essential part is stolen or converted; or (B) if the person exercises exclusive unexplained possession over the stolen or converted vehicle or essential part, regardless of whether the date on which the vehicle or essential part was stolen is recent or remote; additionally the General Assembly finds that the acquisition and disposition of vehicles and their essential parts are strictly controlled by law and that such acquisitions and dispositions are reflected by documents of title, uniform invoices, rental contracts, leasing agreements and bills of sale. It may be inferred, therefore that a person exercising exclusive unexplained possession over a stolen or converted vehicle or an essential part of a stolen or converted vehicle has knowledge that such vehicle or essential part is stolen or converted, regardless of whether the date on which such vehicle or essential part was stolen is recent or remote;

(2) A person to knowingly remove, alter, deface, destroy, falsify, or forge a manufacturer's identification number of a vehicle or an engine number of a motor vehicle or any essential part thereof having an identification number;

(3) A person to knowingly conceal or misrepresent the identity of a vehicle or any essential part thereof;

(4) A person to buy, receive, possess, sell or dispose of a vehicle, or any essential part thereof, with knowledge that the identification number of the vehicle or any essential part thereof having an identification number has been removed or falsified;

(5) A person to knowingly possess, buy, sell, exchange, give away, or offer to buy, sell, exchange or give away, any manufacturer's identification number plate, mylar sticker, federal certificate label, State police reassignment plate, Secretary of State assigned plate, rosette rivet, or facsimile of such which has not yet been attached to or has been removed from the original or assigned vehicle. It is an affirmative defense to subsection (a) of this Section that the person possessing, buying, selling or exchanging a plate mylar sticker or label described in this paragraph is a police officer doing so as part of his official duties, or is a manufacturer's authorized representative who is replacing any manufacturer's identification number plate, mylar sticker or Federal certificate label originally placed on the vehicle by the manufacturer of the vehicle or any essential part thereof;

(6) A person to knowingly make a false report of the theft or conversion of a vehicle to any police officer of this State or any employee of a law enforcement agency of this State designated by the law enforcement agency to take, receive, process, or record reports of vehicle theft or conversion.

(a-1) A person engaged in the repair or servicing of vehicles does not violate this Chapter by knowingly possessing a manufacturer's identification number plate for the purpose of reaffixing it on the same damaged vehicle from which it was originally taken, if the person reaffixes or intends to reaffix the original manufacturer's identification number plate in place of the identification number plate affixed on a new dashboard that has been or will be installed in the vehicle. The person must notify the Secretary of State each time the original manufacturer's identification number plate is reattached to a vehicle. The person must keep a record indicating that the identification number plate affixed on the new dashboard has been removed and has been replaced by the manufacturer's identification number plate originally affixed on the vehicle. The person also must keep a record regarding the status and location of the identification number

plate removed from the replacement dashboard. The Secretary shall adopt rules for implementing this subsection (a-1).

(a-2) The owner of a vehicle repaired under subsection (a-1) must, within 90 days of the date of the repairs, contact an officer of the Illinois State Police Vehicle Inspection Bureau and arrange for an inspection of the vehicle, by the officer or the officer's designee, at a mutually agreed upon date and location.

(b) Sentence. A person convicted of a violation of this Section shall be guilty of a Class 2 felony.

(c) The offenses set forth in subsection (a) of this Section shall not include the offense set forth in Section 4-103.2 of this Code.

(Source: P.A. 93-456, eff. 8-8-03.)

Section 10. The Juvenile Court Act of 1987 is amended by changing Section 5-410 as follows:

(705 ILCS 405/5-410)

Sec. 5-410. Non-secure custody or detention.

(1) Any minor arrested or taken into custody pursuant to this Act who requires care away from his or her home but who does not require physical restriction shall be given temporary care in a foster family home or other shelter facility designated by the court.

(2) (a) Any minor 10 years of age or older arrested pursuant to this Act where there is probable cause to believe that the minor is a delinquent minor and that (i) secured custody is a matter of immediate and urgent necessity for the protection of the minor or of the person or property of another, (ii) the minor is likely to flee the jurisdiction of the court, or (iii) the minor was taken into custody under a warrant, may be kept or detained in an authorized detention facility. A minor under 13 years of age shall not be admitted, kept, or detained in a detention facility unless a local youth service provider, including a provider through the Comprehensive Community Based Youth Services network, has been contacted and has not been able to accept the minor. No minor under 12 years of age shall be detained in a county jail or a municipal lockup for more than 6 hours.

(a-5) For a minor arrested or taken into custody for vehicular hijacking or aggravated vehicular hijacking, a previous finding of delinquency for vehicular hijacking or aggravated vehicular hijacking shall be given greater weight in determining whether secured custody of a minor is a matter of immediate and urgent necessity for the protection of the minor or of the person or property of another.

(b) The written authorization of the probation officer or detention officer (or other public officer designated by the court in a county having 3,000,000 or more inhabitants) constitutes authority for the superintendent of any juvenile detention home to detain and keep a minor for up to 40 hours, excluding Saturdays, Sundays and court-designated holidays. These records shall be available to the same persons and pursuant to the same conditions as are law enforcement records as provided in Section 5-905.

(b-4) The consultation required by subsection (b-5) shall not be applicable if the probation officer or detention officer (or other public officer designated by the court in a county having 3,000,000 or more inhabitants) utilizes a scorable detention screening instrument, which has been developed with input by the State's Attorney, to determine whether a minor should be detained, however, subsection (b-5) shall still be applicable where no such screening instrument is used or where the probation officer, detention officer (or other public officer designated by the court in a county having 3,000,000 or more inhabitants) deviates from the screening instrument.

(b-5) Subject to the provisions of subsection (b-4), if a probation officer or detention officer (or other public officer designated by the court in a county having 3,000,000 or more inhabitants) does not intend to detain a minor for an offense which constitutes one of the following offenses he or she shall consult with the State's Attorney's Office prior to the release of the minor: first degree murder, second degree murder, involuntary manslaughter, criminal sexual assault, aggravated criminal sexual assault, aggravated battery with a firearm as described in Section 12-4.2 or subdivision (e)(1), (e)(2), (e)(3), or (e)(4) of Section 12-3.05, aggravated or heinous battery involving permanent disability or disfigurement or great bodily harm, robbery, aggravated robbery, armed robbery, vehicular hijacking, aggravated vehicular hijacking, vehicular invasion, arson, aggravated arson, kidnapping, aggravated kidnapping, home invasion, burglary, or residential burglary.

(c) Except as otherwise provided in paragraph (a), (d), or (e), no minor shall be detained in a county jail or municipal lockup for more than 12 hours, unless the offense is a crime of violence in which case the minor may be detained up to 24 hours. For the purpose of this paragraph, "crime of violence" has the meaning ascribed to it in Section 1-10 of the Alcoholism and Other Drug Abuse and Dependency Act.

(i) The period of detention is deemed to have begun once the minor has been placed in a

locked room or cell or handcuffed to a stationary object in a building housing a county jail or municipal lockup. Time spent transporting a minor is not considered to be time in detention or secure custody.

(ii) Any minor so confined shall be under periodic supervision and shall not be permitted to come into or remain in contact with adults in custody in the building.

(iii) Upon placement in secure custody in a jail or lockup, the minor shall be informed of the purpose of the detention, the time it is expected to last and the fact that it cannot exceed the time specified under this Act.

(iv) A log shall be kept which shows the offense which is the basis for the detention, the reasons and circumstances for the decision to detain and the length of time the minor was in detention.

(v) Violation of the time limit on detention in a county jail or municipal lockup shall not, in and of itself, render inadmissible evidence obtained as a result of the violation of this time limit. Minors under 18 years of age shall be kept separate from confined adults and may not at any time be kept in the same cell, room or yard with adults confined pursuant to criminal law. Persons 18 years of age and older who have a petition of delinquency filed against them may be confined in an adult detention facility. In making a determination whether to confine a person 18 years of age or older who has a petition of delinquency filed against the person, these factors, among other matters, shall be considered:

(A) The age of the person;

(B) Any previous delinquent or criminal history of the person;

(C) Any previous abuse or neglect history of the person; and

(D) Any mental health or educational history of the person, or both.

(d) (i) If a minor 12 years of age or older is confined in a county jail in a county with a population below 3,000,000 inhabitants, then the minor's confinement shall be implemented in such a manner that there will be no contact by sight, sound or otherwise between the minor and adult prisoners. Minors 12 years of age or older must be kept separate from confined adults and may not at any time be kept in the same cell, room, or yard with confined adults. This paragraph (d)(i) shall only apply to confinement pending an adjudicatory hearing and shall not exceed 40 hours, excluding Saturdays, Sundays and court designated holidays. To accept or hold minors during this time period, county jails shall comply with all monitoring standards adopted by the Department of Corrections and training standards approved by the Illinois Law Enforcement Training Standards Board.

(ii) To accept or hold minors, 12 years of age or older, after the time period prescribed in paragraph (d)(i) of this subsection (2) of this Section but not exceeding 7 days including Saturdays, Sundays and holidays pending an adjudicatory hearing, county jails shall comply with all temporary detention standards adopted by the Department of Corrections and training standards approved by the Illinois Law Enforcement Training Standards Board.

(iii) To accept or hold minors 12 years of age or older, after the time period prescribed in paragraphs (d)(i) and (d)(ii) of this subsection (2) of this Section, county jails shall comply with all county juvenile detention standards adopted by the Department of Juvenile Justice.

(e) When a minor who is at least 15 years of age is prosecuted under the criminal laws of this State, the court may enter an order directing that the juvenile be confined in the county jail. However, any juvenile confined in the county jail under this provision shall be separated from adults who are confined in the county jail in such a manner that there will be no contact by sight, sound or otherwise between the juvenile and adult prisoners.

(f) For purposes of appearing in a physical lineup, the minor may be taken to a county jail or municipal lockup under the direct and constant supervision of a juvenile police officer. During such time as is necessary to conduct a lineup, and while supervised by a juvenile police officer, the sight and sound separation provisions shall not apply.

(g) For purposes of processing a minor, the minor may be taken to a County Jail or municipal lockup under the direct and constant supervision of a law enforcement officer or correctional officer. During such time as is necessary to process the minor, and while supervised by a law enforcement officer or correctional officer, the sight and sound separation provisions shall not apply.

(3) If the probation officer or State's Attorney (or such other public officer designated by the court in a county having 3,000,000 or more inhabitants) determines that the minor may be a delinquent minor as described in subsection (3) of Section 5-105, and should be retained in custody but does not require physical restriction, the minor may be placed in non-secure custody for up to 40 hours pending a detention hearing.

(4) Any minor taken into temporary custody, not requiring secure detention, may, however, be detained in the home of his or her parent or guardian subject to such conditions as the court may impose.

(5) The changes made to this Section by Public Act 98-61 apply to a minor who has been arrested or taken into custody on or after January 1, 2014 (the effective date of Public Act 98-61).

2. failed to give the required or correct information in his application; or
3. failed to pay any fees owed to the Secretary of State under this Code for the license or permit, ~~civil penalties owed to the Illinois Commerce Commission, or taxes due under this Act and upon reasonable notice and demand;~~ or

4. committed any fraud in the making of such application; or

5. is ineligible therefor under the provisions of Section 6-103 of this Act, as amended;

or

6. has refused or neglected to submit an alcohol, drug, and intoxicating compound evaluation or to submit to examination or re-examination as required under this Act; or

7. has been convicted of violating the Cannabis Control Act, the Illinois Controlled Substances Act, the Methamphetamine Control and Community Protection Act, or the Use of Intoxicating Compounds Act while that individual was in actual physical control of a motor vehicle. For purposes of this Section, any person placed on probation under Section 10 of the Cannabis Control Act, Section 410 of the Illinois Controlled Substances Act, or Section 70 of the Methamphetamine Control and Community Protection Act shall not be considered convicted. Any person found guilty of this offense, while in actual physical control of a motor vehicle, shall have an entry made in the court record by the judge that this offense did occur while the person was in actual physical control of a motor vehicle and order the clerk of the court to report the violation to the Secretary of State as such. After the cancellation, the Secretary of State shall not issue a new license or permit for a period of one year after the date of cancellation. However, upon application, the Secretary of State may, if satisfied that the person applying will not endanger the public safety, or welfare, issue a restricted driving permit granting the privilege of driving a motor vehicle between the petitioner's residence and petitioner's place of employment or within the scope of the petitioner's employment related duties, or to allow transportation for the petitioner or a household member of the petitioner's family for the receipt of necessary medical care, or provide transportation for the petitioner to and from alcohol or drug remedial or rehabilitative activity recommended by a licensed service provider, or for the petitioner to attend classes, as a student, in an accredited educational institution. The petitioner must demonstrate that no alternative means of transportation is reasonably available; provided that the Secretary's discretion shall be limited to cases where undue hardship, as defined by the rules of the Secretary of State, would result from a failure to issue such restricted driving permit. In each case the Secretary of State may issue such restricted driving permit for such period as he deems appropriate, except that such permit shall expire within one year from the date of issuance. A restricted driving permit issued hereunder shall be subject to cancellation, revocation and suspension by the Secretary of State in like manner and for like cause as a driver's license issued hereunder may be cancelled, revoked or suspended; except that a conviction upon one or more offenses against laws or ordinances regulating the movement of traffic shall be deemed sufficient cause for the revocation, suspension or cancellation of a restricted driving permit. The Secretary of State may, as a condition to the issuance of a restricted driving permit, require the applicant to participate in a driver remedial or rehabilitative program. In accordance with 49 C.F.R. 384, the Secretary of State may not issue a restricted driving permit for the operation of a commercial motor vehicle to a person holding a CDL whose driving privileges have been revoked, suspended, cancelled, or disqualified under this Code; or

8. failed to submit a report as required by Section 6-116.5 of this Code; or

9. has been convicted of a sex offense as defined in the Sex Offender Registration Act. The driver's license shall remain cancelled until the driver registers as a sex offender as required by the Sex Offender Registration Act, proof of the registration is furnished to the Secretary of State and the sex offender provides proof of current address to the Secretary; or

10. is ineligible for a license or permit under Section 6-107, 6-107.1, or 6-108 of this Code; or

11. refused or neglected to appear at a Driver Services facility to have the license or permit corrected and a new license or permit issued or to present documentation for verification of identity; or

12. failed to submit a medical examiner's certificate or medical variance as required by 49 C.F.R. 383.71 or submitted a fraudulent medical examiner's certificate or medical variance; or

13. has had his or her medical examiner's certificate, medical variance, or both removed or rescinded by the Federal Motor Carrier Safety Administration; or

14. failed to self-certify as to the type of driving in which the CDL driver engages or expects to engage; or

15. has submitted acceptable documentation indicating out-of-state residency to the Secretary of State to be released from the requirement of showing proof of financial responsibility in this State; or

16. was convicted of fraud relating to the testing or issuance of a CDL or CLP, in which case only the CDL or CLP shall be cancelled. After cancellation, the Secretary shall not issue a CLP or CDL for a period of one year from the date of cancellation; or

17. has a special restricted license under subsection (g) of Section 6-113 of this Code and failed to submit the required annual vision specialist report that the special restricted license holder's vision has not changed; or

18. has a special restricted license under subsection (g) of Section 6-113 of this Code and was convicted or received court supervision for a violation of this Code that occurred during nighttime hours or was involved in a motor vehicle accident during nighttime hours in which the restricted license holder was at fault; or

19. has assisted an out-of-state resident in acquiring an Illinois driver's license or identification card by providing or allowing the out-of-state resident to use his or her Illinois address of residence and is complicit in distributing and forwarding the Illinois driver's license or identification card to the out-of-state resident.

(b) Upon such cancellation the licensee or permittee must surrender the license or permit so cancelled to the Secretary of State.

(c) Except as provided in Sections 6-206.1 and 7-702.1, the Secretary of State shall have exclusive authority to grant, issue, deny, cancel, suspend and revoke driving privileges, drivers' licenses and restricted driving permits.

(d) The Secretary of State may adopt rules to implement this Section.

The reporting requirements of this subsection (a) apply to all violations listed in paragraphs (1) and (2) of this subsection (a), excluding parking violations, when the driver holds a CLP or CDL, regardless of the type of vehicle in which the violation occurred, or when any driver committed the violation in a commercial motor vehicle as defined in Section 6-500 of this Code.

(3) Whenever an order is entered vacating the forfeiture of any bail, security or bond

given to secure appearance for any offense under this Code or similar offenses under municipal ordinance, it shall be the duty of the clerk of the court in which such vacation was had or the judge of such court if such court has no clerk, within 5 days thereafter to forward to the Secretary of State a report of the vacation.

(4) A report of any disposition of court supervision for a violation of Sections 6-303, 11-401, 11-501 or a similar provision of a local ordinance, 11-503, 11-504, and 11-506 of this Code, Section 5-7 of the Snowmobile Registration and Safety Act, and Section 5-16 of the Boat Registration and Safety Act shall be forwarded to the Secretary of State. A report of any disposition of court supervision for a violation of an offense defined as a serious traffic violation in this Code or a similar provision of a local ordinance committed by a person under the age of 21 years shall be forwarded to the Secretary of State.

(5) Reports of conviction under this Code and sentencing hearings under the Juvenile Court Act of 1987 in an electronic format or a computer processible medium shall be forwarded to the Secretary of State via the Supreme Court in the form and format required by the Illinois Supreme Court and established by a written agreement between the Supreme Court and the Secretary of State. In counties with a population over 300,000, instead of forwarding reports to the Supreme Court, reports of conviction under this Code and sentencing hearings under the Juvenile Court Act of 1987 in an electronic format or a computer processible medium may be forwarded to the Secretary of State by the Circuit Court Clerk in a form and format required by the Secretary of State and established by written agreement between the Circuit Court Clerk and the Secretary of State. Failure to forward the reports of conviction or sentencing hearing under the Juvenile Court Act of 1987 as required by this Section shall be deemed an omission of duty and it shall be the duty of the several State's Attorneys to enforce the requirements of this Section.

(b) Whenever a restricted driving permit is forwarded to a court, as a result of confiscation by a police officer pursuant to the authority in Section 6-113(f), it shall be the duty of the clerk, or judge, if the court has no clerk, to forward such restricted driving permit and a facsimile of the officer's citation to the Secretary of State as expeditiously as practicable.

(c) For the purposes of this Code, a forfeiture of bail or collateral deposited to secure a defendant's appearance in court when forfeiture has not been vacated, or the failure of a defendant to appear for trial after depositing his driver's license in lieu of other bail, shall be equivalent to a conviction.

(d) For the purpose of providing the Secretary of State with records necessary to properly monitor and assess driver performance and assist the courts in the proper disposition of repeat traffic law offenders, the clerk of the court shall forward to the Secretary of State, on a form prescribed by the Secretary, records of a driver's participation in a driver remedial or rehabilitative program which was required, through a court order or court supervision, in relation to the driver's arrest for a violation of Section 11-501 of this Code or a similar provision of a local ordinance. The clerk of the court shall also forward to the Secretary, either on paper or in an electronic format or a computer processible medium as required under paragraph (5) of subsection (a) of this Section, any disposition of court supervision for any traffic violation, excluding those offenses listed in paragraph (2) of subsection (a) of this Section. These reports shall be sent within 5 days after disposition, or, if the driver is referred to a driver remedial or rehabilitative program, within 5 days of the driver's referral to that program. These reports received by the Secretary of State, including those required to be forwarded under paragraph (a)(4), shall be privileged information, available only (i) to the affected driver, (ii) to the parent or guardian of a person under the age of 18 years holding an instruction permit or a graduated driver's license, and (iii) for use by the courts, police officers, prosecuting authorities, the Secretary of State, and the driver licensing administrator of any other state. In accordance with 49 C.F.R. Part 384, all reports of court supervision, except violations related to parking, shall be forwarded to the Secretary of State for all holders of a CLP or CDL or any driver who commits an offense while driving a commercial motor vehicle. These reports shall be recorded to the driver's record as a conviction for use in the disqualification of the driver's commercial motor vehicle privileges and shall not be privileged information.

A defendant found guilty of this offense while operating a motor vehicle shall have an entry made in the court record by the presiding judge that this offense did occur while the defendant was operating a motor vehicle and order the clerk of the court to report the violation to the Secretary of State;

19. Violation of subsection (a) of Section 11-1414 of this Code, or a similar provision of a local ordinance, relating to the offense of overtaking or passing of a school bus when the driver, in committing the violation, is involved in a motor vehicle accident that results in death to another and the violation is a proximate cause of the death.

(b) The Secretary of State shall also immediately revoke the license or permit of any driver in the following situations:

1. Of any minor upon receiving the notice provided for in Section 5-901 of the Juvenile Court Act of 1987 that the minor has been adjudicated under that Act as having committed an offense relating to motor vehicles prescribed in Section 4-103 of this Code;

2. Of any person when any other law of this State requires either the revocation or suspension of a license or permit;

3. Of any person adjudicated under the Juvenile Court Act of 1987 based on an offense determined to have been committed in furtherance of the criminal activities of an organized gang as provided in Section 5-710 of that Act, and that involved the operation or use of a motor vehicle or the use of a driver's license or permit. The revocation shall remain in effect for the period determined by the court.

(c)(1) Whenever a person is convicted of any of the offenses enumerated in this Section, the court may recommend and the Secretary of State in his discretion, without regard to whether the recommendation is

made by the court may, upon application, issue to the person a restricted driving permit granting the privilege of driving a motor vehicle between the petitioner's residence and petitioner's place of employment or within the scope of the petitioner's employment related duties, or to allow the petitioner to transport himself or herself or a family member of the petitioner's household to a medical facility for the receipt of necessary medical care or to allow the petitioner to transport himself or herself to and from alcohol or drug remedial or rehabilitative activity recommended by a licensed service provider, or to allow the petitioner to transport himself or herself or a family member of the petitioner's household to classes, as a student, at an accredited educational institution, or to allow the petitioner to transport children, elderly persons, or persons with disabilities who do not hold driving privileges and are living in the petitioner's household to and from daycare; if the petitioner is able to demonstrate that no alternative means of transportation is reasonably available and that the petitioner will not endanger the public safety or welfare; provided that the Secretary's discretion shall be limited to cases where undue hardship, as defined by the rules of the Secretary of State, would result from a failure to issue the restricted driving permit.

(1.5) A person subject to the provisions of paragraph 4 of subsection (b) of Section 6-208 of this Code may make application for a restricted driving permit at a hearing conducted under Section 2-118 of this Code after the expiration of 5 years from the effective date of the most recent revocation, or after 5 years from the date of release from a period of imprisonment resulting from a conviction of the most recent offense, whichever is later, provided the person, in addition to all other requirements of the Secretary, shows by clear and convincing evidence:

(A) a minimum of 3 years of uninterrupted abstinence from alcohol and the unlawful use or consumption of cannabis under the Cannabis Control Act, a controlled substance under the Illinois Controlled Substances Act, an intoxicating compound under the Use of Intoxicating Compounds Act, or methamphetamine under the Methamphetamine Control and Community Protection Act; and

(B) the successful completion of any rehabilitative treatment and involvement in any ongoing rehabilitative activity that may be recommended by a properly licensed service provider according to an assessment of the person's alcohol or drug use under Section 11-501.01 of this Code.

In determining whether an applicant is eligible for a restricted driving permit under this paragraph (1.5), the Secretary may consider any relevant evidence, including, but not limited to, testimony, affidavits, records, and the results of regular alcohol or drug tests. Persons subject to the provisions of paragraph 4 of subsection (b) of Section 6-208 of this Code and who have been convicted of more than one violation of paragraph (3), paragraph (4), or paragraph (5) of subsection (a) of Section 11-501 of this Code shall not be eligible to apply for a restricted driving permit.

A restricted driving permit issued under this paragraph (1.5) shall provide that the holder may only operate motor vehicles equipped with an ignition interlock device as required under paragraph (2) of subsection (c) of this Section and subparagraph (A) of paragraph 3 of subsection (c) of Section 6-206 of this Code. The Secretary may revoke a restricted driving permit or amend the conditions of a restricted driving permit issued under this paragraph (1.5) if the holder operates a vehicle that is not equipped with an ignition interlock device, or for any other reason authorized under this Code.

A restricted driving permit issued under this paragraph (1.5) shall be revoked, and the holder barred from applying for or being issued a restricted driving permit in the future, if the holder is subsequently convicted of a violation of Section 11-501 of this Code, a similar provision of a local ordinance, or a similar offense in another state.

(2) If a person's license or permit is revoked or suspended due to 2 or more convictions of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, or Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012, where the use of alcohol or other drugs is recited as an element of the offense, or a similar out-of-state offense, or a combination of these offenses, arising out of separate occurrences, that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1.

(3) If:

(A) a person's license or permit is revoked or suspended 2 or more times due to any combination of:

(i) a single conviction of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, or Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012, where the use of alcohol or other drugs is recited as an element of the offense, or a similar out-of-state offense; or

(ii) a statutory summary suspension or revocation under Section 11-501.1; or

(iii) a suspension pursuant to Section 6-203.1;

arising out of separate occurrences; or

(B) a person has been convicted of one violation of subparagraph (C) or (F) of paragraph (1) of subsection (d) of Section 11-501 of this Code, Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012, relating to the offense of reckless homicide where the use of alcohol or other drugs was recited as an element of the offense, or a similar provision of a law of another state; that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1.

(4) The person issued a permit conditioned on the use of an ignition interlock device must pay to the Secretary of State DUI Administration Fund an amount not to exceed \$30 per month. The Secretary shall establish by rule the amount and the procedures, terms, and conditions relating to these fees.

(5) If the restricted driving permit is issued for employment purposes, then the prohibition against operating a motor vehicle that is not equipped with an ignition interlock device does not apply to the operation of an occupational vehicle owned or leased by that person's employer when used solely for employment purposes. For any person who, within a 5-year period, is convicted of a second or subsequent offense under Section 11-501 of this Code, or a similar provision of a local ordinance or similar out-of-state offense, this employment exemption does not apply until either a one-year period has elapsed during which that person had his or her driving privileges revoked or a one-year period has elapsed during which that person had a restricted driving permit which required the use of an ignition interlock device on every motor vehicle owned or operated by that person.

(6) In each case the Secretary of State may issue a restricted driving permit for a period he deems appropriate, except that the permit shall expire within one year from the date of issuance. A restricted driving permit issued under this Section shall be subject to cancellation, revocation, and suspension by the Secretary of State in like manner and for like cause as a driver's license issued under this Code may be cancelled, revoked, or suspended; except that a conviction upon one or more offenses against laws or ordinances regulating the movement of traffic shall be deemed sufficient cause for the revocation, suspension, or cancellation of a restricted driving permit. The Secretary of State may, as a condition to the issuance of a restricted driving permit, require the petitioner to participate in a designated driver remedial or rehabilitative program. The Secretary of State is authorized to cancel a restricted driving permit if the permit holder does not successfully complete the program. However, if an individual's driving privileges have been revoked in accordance with paragraph 13 of subsection (a) of this Section, no restricted driving permit shall be issued until the individual has served 6 months of the revocation period.

(c-5) (Blank).

(c-6) If a person is convicted of a second violation of operating a motor vehicle while the person's driver's license, permit or privilege was revoked, where the revocation was for a violation of Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012 relating to the offense of reckless homicide or a similar out-of-state offense, the person's driving privileges shall be revoked pursuant to subdivision (a)(15) of this Section. The person may not make application for a license or permit until the expiration of five years from the effective date of the revocation or the expiration of five years from the date of release from a term of imprisonment, whichever is later.

(c-7) If a person is convicted of a third or subsequent violation of operating a motor vehicle while the person's driver's license, permit or privilege was revoked, where the revocation was for a violation of Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012 relating to the offense of reckless homicide or a similar out-of-state offense, the person may never apply for a license or permit.

(d)(1) Whenever a person under the age of 21 is convicted under Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, the Secretary of State shall revoke the driving privileges of that person. One year after the date of revocation, and upon application, the Secretary of State may, if satisfied that the person applying will not endanger the public safety or welfare, issue a restricted driving permit granting the privilege of driving a motor vehicle only between the hours of 5 a.m. and 9 p.m. or as otherwise provided by this Section for a period of one year. After this one-year period, and upon reapplication for a license as provided in Section 6-106, upon payment of the appropriate reinstatement fee provided under paragraph (b) of Section 6-118, the Secretary of State, in his discretion, may reinstate the petitioner's driver's license and driving privileges, or extend the restricted driving permit as many times as the Secretary of State deems appropriate, by additional periods of not more than 12 months each.

(2) If a person's license or permit is revoked or suspended due to 2 or more convictions of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, or Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012, where the use of alcohol or other drugs is recited as an element of the offense, or a similar out-of-state offense, or a combination of these offenses, arising out of separate occurrences, that person, if issued a restricted

driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1.

(3) If a person's license or permit is revoked or suspended 2 or more times due to any combination of:

- (A) a single conviction of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, or Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012, where the use of alcohol or other drugs is recited as an element of the offense, or a similar out-of-state offense; or
- (B) a statutory summary suspension or revocation under Section 11-501.1; or
- (C) a suspension pursuant to Section 6-203.1;

arising out of separate occurrences, that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1.

(3.5) If a person's license or permit is revoked or suspended due to a conviction for a violation of subparagraph (C) or (F) of paragraph (1) of subsection (d) of Section 11-501 of this Code, or a similar provision of a local ordinance or similar out-of-state offense, that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1.

(4) The person issued a permit conditioned upon the use of an interlock device must pay to the Secretary of State DUI Administration Fund an amount not to exceed \$30 per month. The Secretary shall establish by rule the amount and the procedures, terms, and conditions relating to these fees.

(5) If the restricted driving permit is issued for employment purposes, then the prohibition against driving a vehicle that is not equipped with an ignition interlock device does not apply to the operation of an occupational vehicle owned or leased by that person's employer when used solely for employment purposes. For any person who, within a 5-year period, is convicted of a second or subsequent offense under Section 11-501 of this Code, or a similar provision of a local ordinance or similar out-of-state offense, this employment exemption does not apply until either a one-year period has elapsed during which that person had his or her driving privileges revoked or a one-year period has elapsed during which that person had a restricted driving permit which required the use of an ignition interlock device on every motor vehicle owned or operated by that person.

(6) A restricted driving permit issued under this Section shall be subject to cancellation, revocation, and suspension by the Secretary of State in like manner and for like cause as a driver's license issued under this Code may be cancelled, revoked, or suspended; except that a conviction upon one or more offenses against laws or ordinances regulating the movement of traffic shall be deemed sufficient cause for the revocation, suspension, or cancellation of a restricted driving permit.

(d-5) The revocation of the license, permit, or driving privileges of a person convicted of a third or subsequent violation of Section 6-303 of this Code committed while his or her driver's license, permit, or privilege was revoked because of a violation of Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012, relating to the offense of reckless homicide, or a similar provision of a law of another state, is permanent. The Secretary may not, at any time, issue a license or permit to that person.

(e) This Section is subject to the provisions of the Driver License Compact.

(f) Any revocation imposed upon any person under subsections 2 and 3 of paragraph (b) that is in effect on December 31, 1988 shall be converted to a suspension for a like period of time.

(g) The Secretary of State shall not issue a restricted driving permit to a person under the age of 16 years whose driving privileges have been revoked under any provisions of this Code.

(h) The Secretary of State shall require the use of ignition interlock devices for a period not less than 5 years on all vehicles owned by a person who has been convicted of a second or subsequent offense under Section 11-501 of this Code or a similar provision of a local ordinance. The person must pay to the Secretary of State DUI Administration Fund an amount not to exceed \$30 for each month that he or she uses the device. The Secretary shall establish by rule and regulation the procedures for certification and use of the interlock system, the amount of the fee, and the procedures, terms, and conditions relating to these fees. During the time period in which a person is required to install an ignition interlock device under this subsection (h), that person shall only operate vehicles in which ignition interlock devices have been installed, except as allowed by subdivision (c)(5) or (d)(5) of this Section.

(i) (Blank).

(j) In accordance with 49 C.F.R. 384, the Secretary of State may not issue a restricted driving permit for the operation of a commercial motor vehicle to a person holding a CDL whose driving privileges have been revoked, suspended, cancelled, or disqualified under any provisions of this Code.

(k) The Secretary of State shall notify by mail any person whose driving privileges have been revoked under paragraph 16 of subsection (a) of this Section that his or her driving privileges and driver's license will be revoked 90 days from the date of the mailing of the notice.

(b) If any conviction forming the basis of a suspension or revocation authorized under this Section is appealed, the Secretary of State may rescind or withhold the entry of the order of suspension or revocation, as the case may be, provided that a certified copy of a stay order of a court is filed with the Secretary of State. If the conviction is affirmed on appeal, the date of the conviction shall relate back to the time the original judgment of conviction was entered and the 6 month limitation prescribed shall not apply.

(c) 1. Upon suspending or revoking the driver's license or permit of any person as authorized in this Section, the Secretary of State shall immediately notify the person in writing of the revocation or suspension. The notice to be deposited in the United States mail, postage prepaid, to the last known address of the person.

2. If the Secretary of State suspends the driver's license of a person under subsection 2 of paragraph (a) of this Section, a person's privilege to operate a vehicle as an occupation shall not be suspended, provided an affidavit is properly completed, the appropriate fee received, and a permit issued prior to the effective date of the suspension, unless 5 offenses were committed, at least 2 of which occurred while operating a commercial vehicle in connection with the driver's regular occupation. All other driving privileges shall be suspended by the Secretary of State. Any driver prior to operating a vehicle for occupational purposes only must submit the affidavit on forms to be provided by the Secretary of State setting forth the facts of the person's occupation. The affidavit shall also state the number of offenses committed while operating a vehicle in connection with the driver's regular occupation. The affidavit shall be accompanied by the driver's license. Upon receipt of a properly completed affidavit, the Secretary of State shall issue the driver a permit to operate a vehicle in connection with the driver's regular occupation only. Unless the permit is issued by the Secretary of State prior to the date of suspension, the privilege to drive any motor vehicle shall be suspended as set forth in the notice that was mailed under this Section. If an affidavit is received subsequent to the effective date of this suspension, a permit may be issued for the remainder of the suspension period.

The provisions of this subparagraph shall not apply to any driver required to possess a CDL for the purpose of operating a commercial motor vehicle.

Any person who falsely states any fact in the affidavit required herein shall be guilty of perjury under Section 6-302 and upon conviction thereof shall have all driving privileges revoked without further rights.

3. At the conclusion of a hearing under Section 2-118 of this Code, the Secretary of State shall either rescind or continue an order of revocation or shall substitute an order of suspension; or, good cause appearing therefor, rescind, continue, change, or extend the order of suspension. If the Secretary of State does not rescind the order, the Secretary may upon application, to relieve undue hardship (as defined by the rules of the Secretary of State), issue a restricted driving permit granting the privilege of driving a motor vehicle between the petitioner's residence and petitioner's place of employment or within the scope of the petitioner's employment related duties, or to allow the petitioner to transport himself or herself, or a family member of the petitioner's household to a medical facility, to receive necessary medical care, to allow the petitioner to transport himself or herself to and from alcohol or drug remedial or rehabilitative activity recommended by a licensed service provider, or to allow the petitioner to transport himself or herself or a family member of the petitioner's household to classes, as a student, at an accredited educational institution, or to allow the petitioner to transport children, elderly persons, or persons with disabilities who do not hold driving privileges and are living in the petitioner's household to and from daycare. The petitioner must demonstrate that no alternative means of transportation is reasonably available and that the petitioner will not endanger the public safety or welfare.

(A) If a person's license or permit is revoked or suspended due to 2 or more convictions of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, or Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012, where the use of alcohol or other drugs is recited as an element of the offense, or a similar out-of-state offense, or a combination of these offenses, arising out of separate occurrences, that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1.

(B) If a person's license or permit is revoked or suspended 2 or more times due to any combination of:

(i) a single conviction of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense or Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012, where the use of alcohol or other drugs is recited as an element of the offense, or a similar out-of-state offense; or

(ii) a statutory summary suspension or revocation under Section 11-501.1; or

(iii) a suspension under Section 6-203.1;

arising out of separate occurrences; that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1.

(B-5) If a person's license or permit is revoked or suspended due to a conviction for a violation of subparagraph (C) or (F) of paragraph (1) of subsection (d) of Section 11-501 of this Code, or a similar provision of a local ordinance or similar out-of-state offense, that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1.

(C) The person issued a permit conditioned upon the use of an ignition interlock device must pay to the Secretary of State DUI Administration Fund an amount not to exceed \$30 per month. The Secretary shall establish by rule the amount and the procedures, terms, and conditions relating to these fees.

(D) If the restricted driving permit is issued for employment purposes, then the prohibition against operating a motor vehicle that is not equipped with an ignition interlock device does not apply to the operation of an occupational vehicle owned or leased by that person's employer when used solely for employment purposes. For any person who, within a 5-year period, is convicted of a second or subsequent offense under Section 11-501 of this Code, or a similar provision of a local ordinance or similar out-of-state offense, this employment exemption does not apply until either a one-year period has elapsed during which that person had his or her driving privileges revoked or a one-year period has elapsed during which that person had a restricted driving permit which required the use of an ignition interlock device on every motor vehicle owned or operated by that person.

(E) In each case the Secretary may issue a restricted driving permit for a period deemed appropriate, except that all permits shall expire within one year from the date of issuance. A restricted driving permit issued under this Section shall be subject to cancellation, revocation, and suspension by the Secretary of State in like manner and for like cause as a driver's license issued under this Code may be cancelled, revoked, or suspended; except that a conviction upon one or more offenses against laws or ordinances regulating the movement of traffic shall be deemed sufficient cause for the revocation, suspension, or cancellation of a restricted driving permit. The Secretary of State may, as a condition to the issuance of a restricted driving permit, require the applicant to participate in a

designated driver remedial or rehabilitative program. The Secretary of State is authorized to cancel a restricted driving permit if the permit holder does not successfully complete the program.

(F) A person subject to the provisions of paragraph 4 of subsection (b) of Section 6-208 of this Code may make application for a restricted driving permit at a hearing conducted under Section 2-118 of this Code after the expiration of 5 years from the effective date of the most recent revocation or after 5 years from the date of release from a period of imprisonment resulting from a conviction of the most recent offense, whichever is later, provided the person, in addition to all other requirements of the Secretary, shows by clear and convincing evidence:

(i) a minimum of 3 years of uninterrupted abstinence from alcohol and the unlawful use or consumption of cannabis under the Cannabis Control Act, a controlled substance under the Illinois Controlled Substances Act, an intoxicating compound under the Use of Intoxicating Compounds Act, or methamphetamine under the Methamphetamine Control and Community Protection Act; and

(ii) the successful completion of any rehabilitative treatment and involvement in any ongoing rehabilitative activity that may be recommended by a properly licensed service provider according to an assessment of the person's alcohol or drug use under Section 11-501.01 of this Code.

In determining whether an applicant is eligible for a restricted driving permit under this subparagraph (F), the Secretary may consider any relevant evidence, including, but not limited to, testimony, affidavits, records, and the results of regular alcohol or drug tests. Persons subject to the provisions of paragraph 4 of subsection (b) of Section 6-208 of this Code and who have been convicted of more than one violation of paragraph (3), paragraph (4), or paragraph (5) of subsection (a) of Section 11-501 of this Code shall not be eligible to apply for a restricted driving permit under this subparagraph (F).

A restricted driving permit issued under this subparagraph (F) shall provide that the holder may only operate motor vehicles equipped with an ignition interlock device as required under paragraph (2) of subsection (c) of Section 6-205 of this Code and subparagraph (A) of paragraph 3 of subsection (c) of this Section. The Secretary may revoke a restricted driving permit or amend the conditions of a restricted driving permit issued under this subparagraph (F) if the holder operates a vehicle that is not equipped with an ignition interlock device, or for any other reason authorized under this Code.

A restricted driving permit issued under this subparagraph (F) shall be revoked, and the holder barred from applying for or being issued a restricted driving permit in the future, if the holder is convicted of a violation of Section 11-501 of this Code, a similar provision of a local ordinance, or a similar offense in another state.

(c-3) In the case of a suspension under paragraph 43 of subsection (a), reports received by the Secretary of State under this Section shall, except during the actual time the suspension is in effect, be privileged information and for use only by the courts, police officers, prosecuting authorities, the driver licensing administrator of any other state, the Secretary of State, or the parent or legal guardian of a driver under the age of 18. However, beginning January 1, 2008, if the person is a CDL holder, the suspension shall also be made available to the driver licensing administrator of any other state, the U.S. Department of Transportation, and the affected driver or motor carrier or prospective motor carrier upon request.

(c-4) In the case of a suspension under paragraph 43 of subsection (a), the Secretary of State shall notify the person by mail that his or her driving privileges and driver's license will be suspended one month after the date of the mailing of the notice.

(c-5) The Secretary of State may, as a condition of the reissuance of a driver's license or permit to an applicant whose driver's license or permit has been suspended before he or she reached the age of 21 years pursuant to any of the provisions of this Section, require the applicant to participate in a driver remedial education course and be retested under Section 6-109 of this Code.

(d) This Section is subject to the provisions of the Drivers License Compact.

(e) The Secretary of State shall not issue a restricted driving permit to a person under the age of 16 years whose driving privileges have been suspended or revoked under any provisions of this Code.

(f) In accordance with 49 C.F.R. 384, the Secretary of State may not issue a restricted driving permit for the operation of a commercial motor vehicle to a person holding a CDL whose driving privileges have been suspended, revoked, cancelled, or disqualified under any provisions of this Code.

(a) Upon receipt of a certified report, as prescribed by subsection (c) of this Section, from any municipality or county stating that the owner of a registered vehicle: ~~(1) has failed to pay any fine or penalty due and owing as a result of 10 or more violations of a municipality's or county's vehicular standing, parking, or compliance regulations established by ordinance pursuant to Section 11-208.3 of this Code, (2) has failed to pay any fine or penalty due and owing as a result of 5 offenses for automated speed enforcement system violations or automated traffic violations as defined in Sections 11-208.6, 11-208.8, 11-208.9, or 11-1201.1, or combination thereof, or (3) is more than 14 days in default of a payment plan pursuant to which a suspension had been terminated under subsection (c) of this Section, the Secretary of State shall suspend the driving privileges of such person in accordance with the procedures set forth in this Section. The Secretary shall also suspend the driving privileges of an owner of a registered vehicle upon receipt of a certified report, as prescribed by subsection (f) of this Section, from any municipality or county stating that such person has failed to satisfy any fines or penalties imposed by final judgments for 5 or more automated speed enforcement system or automated traffic law violations, or combination thereof, or 10 or more violations of local standing, parking, or compliance regulations~~ after exhaustion of judicial review procedures.

(b) Following receipt of the certified report of the municipality or county as specified in this Section, the Secretary of State shall notify the person whose name appears on the certified report that the person's drivers license will be suspended at the end of a specified period of time unless the Secretary of State is presented with a notice from the municipality or county certifying that the fine or penalty due and owing the municipality or county has been paid or that inclusion of that person's name on the certified report was in error. The Secretary's notice shall state in substance the information contained in the municipality's or county's certified report to the Secretary, and shall be effective as specified by subsection (c) of Section 6-211 of this Code.

(c) The report of the appropriate municipal or county official notifying the Secretary of State of unpaid fines or penalties pursuant to this Section shall be certified and shall contain the following:

(1) The name, last known address as recorded with the Secretary of State, as provided by

the lessor of the cited vehicle at the time of lease, or as recorded in a United States Post Office approved database if any notice sent under Section 11-208.3 of this Code is returned as undeliverable, and drivers

In a municipality or county with a population of 1,000,000 or more, the report shall also include a statement that the alleged violator's State vehicle registration number and vehicle make, if specified on the automated speed enforcement system violation or automated traffic law violation notice, are correct as they appear on the citations.

A certified copy of such notification shall also be given upon request and at no additional charge to the person named therein. Upon receipt of the municipality's or county's notification or presentation of a certified copy of such notification, the Secretary of State shall terminate the suspension.

(e) Any municipality or county making a certified report to the Secretary of State pursuant to this Section shall also by ordinance establish procedures for persons to challenge the accuracy of the certified report. The ordinance shall also state the grounds for such a challenge, which may be limited to (1) the person not having been the owner or lessee of the vehicle or vehicles receiving ~~10 or more standing, parking, or compliance violation notices~~ or a combination of 5 or more automated speed enforcement system or automated traffic law violations on the date or dates such notices were issued; and (2) the person having already paid the fine or penalty for the ~~10 or more standing, parking, or compliance violations~~ or combination of 5 or more automated speed enforcement system or automated traffic law violations indicated on the certified report.

(f) Any municipality or county, other than a municipality or county establishing ~~vehicular standing, parking, and compliance regulations pursuant to Section 11-208.3~~, automated speed enforcement system regulations under Section 11-208.8, or automated traffic law regulations under Section 11-208.6, 11-208.9, or 11-1201.1, may also cause a suspension of a person's drivers license pursuant to this Section. Such municipality or county may invoke this sanction by making a certified report to the Secretary of State upon a person's failure to satisfy any fine or penalty imposed by final judgment for ~~10 or more violations of local standing, parking, or compliance regulations~~ or a combination of 5 or more automated speed enforcement system or automated traffic law violations after exhaustion of judicial review procedures, but only if:

An ordinance so providing shall specify that the notice sent to the person liable for any fine or penalty shall state that failure to pay the fine or penalty owing within 45 days of the notice's date will result in the municipality or county notifying the Secretary of State that the person's drivers license is eligible for suspension pursuant to this Section. The notice of impending drivers license suspension shall be sent by

first class United States mail, postage prepaid, to the address recorded with the Secretary of State or at the last address known to the lessor of the cited vehicle at the time of lease or, if any notice sent under Section 11-208.3 of this Code is returned as undeliverable, to the last known address recorded in a United States Post Office approved database.

(h) An administrative hearing to contest an impending suspension or a suspension made pursuant to this Section may be had upon filing a written request with the Secretary of State. The filing fee for this hearing shall be \$20, to be paid at the time the request is made. A municipality or county which files a certified report with the Secretary of State pursuant to this Section shall reimburse the Secretary for all reasonable costs incurred by the Secretary as a result of the filing of the report, including but not limited to the costs of providing the notice required pursuant to subsection (b) and the costs incurred by the Secretary in any hearing conducted with respect to the report pursuant to this subsection and any appeal from such a hearing.

(i) The provisions of this Section shall apply on and after January 1, 1988.

(625 ILCS 5/11-208.3) (from Ch. 95 1/2, par. 11-208.3)

Sec. 11-208.3. Administrative adjudication of violations of traffic regulations concerning the standing, parking, or condition of vehicles, automated traffic law violations, and automated speed enforcement system violations.

(a) Any municipality or county may provide by ordinance for a system of administrative adjudication of vehicular standing and parking violations and vehicle compliance violations as described in this subsection, automated traffic law violations as defined in Section 11-208.6, 11-208.9, or 11-1201.1, and automated speed enforcement system violations as defined in Section 11-208.8. The administrative system shall have as its purpose the fair and efficient enforcement of municipal or county regulations through the administrative adjudication of automated speed enforcement system or automated traffic law violations and violations of municipal or county ordinances regulating the standing and parking of vehicles, the condition and use of vehicle equipment, and the display of municipal or county wheel tax licenses within the municipality's or county's borders. The administrative system shall only have authority to adjudicate civil offenses carrying fines not in excess of \$500 or requiring the completion of a traffic education program, or both, that occur after the effective date of the ordinance adopting such a system under this Section. For purposes of this Section, "compliance violation" means a violation of a municipal or county regulation governing the condition or use of equipment on a vehicle or governing the display of a municipal or county wheel tax license.

(b) Any ordinance establishing a system of administrative adjudication under this Section shall provide for:

(1) A traffic compliance administrator authorized to adopt, distribute and process

parking, compliance, and automated speed enforcement system or automated traffic law violation notices and other notices required by this Section, collect money paid as fines and penalties for violation of parking and compliance ordinances and automated speed enforcement system or automated traffic law violations, and operate an administrative adjudication system. The traffic compliance administrator also may make a certified report to the Secretary of State under Section 6-306.5.

(2) A parking, standing, compliance, automated speed enforcement system, or automated traffic law violation notice that shall specify the date, time, and place of violation of a parking, standing, compliance, automated speed enforcement system, or automated traffic law regulation; the particular regulation violated; any requirement to complete a traffic education program; the fine and any penalty that may be assessed for late payment or failure to complete a required traffic education program, or both, when so provided by ordinance; the vehicle make and state registration number; and the identification number of the person issuing the notice. With regard to automated speed enforcement system or automated traffic law violations, vehicle make shall be specified on the automated speed enforcement system or automated traffic law violation notice if the make is available and readily discernible. With regard to municipalities or counties with a population of 1 million or more, it shall be grounds for dismissal of a parking violation if the state registration number or vehicle make specified is incorrect. The violation notice shall state that the completion of any required traffic education program, the payment of any indicated fine, and the payment of any applicable penalty for late payment or failure to complete a required traffic education program, or both, shall operate as a final disposition of the violation. The notice also shall contain information as to the availability of a hearing in which the violation may be contested on its merits. The violation notice shall specify the time and manner in which a hearing may be had.

(3) Service of the parking, standing, or compliance violation notice by affixing the

original or a facsimile of the notice to an unlawfully parked vehicle or by handing the notice to the operator of a vehicle if he or she is present and service of an automated speed enforcement system or automated traffic law violation notice by mail to the address of the registered owner or lessee of the cited vehicle as recorded with the Secretary of State or the lessor of the motor vehicle within 30 days after the Secretary of State or the lessor of the motor vehicle notifies the municipality or county of the identity of the owner or lessee of the vehicle, but not later than 90 days after the violation, except that in the case of a lessee of a motor vehicle, service of an automated traffic law violation notice may occur no later than 210 days after the violation. A person authorized by ordinance to issue and serve parking, standing, and compliance violation notices shall certify as to the correctness of the facts entered on the violation notice by signing his or her name to the notice at the time of service or in the case of a notice produced by a computerized device, by signing a single certificate to be kept by the traffic compliance administrator attesting to the correctness of all notices produced by the device while it was under his or her control. In the case of an automated traffic law violation, the ordinance shall require a determination by a technician employed or contracted by the municipality or county that, based on inspection of recorded images, the motor vehicle was being operated in violation of Section 11-208.6, 11-208.9, or 11-1201.1 or a local ordinance. If the technician determines that the vehicle entered the intersection as part of a funeral procession or in order to yield the right-of-way to an emergency vehicle, a citation shall not be issued. In municipalities with a population of less than 1,000,000 inhabitants and counties with a population of less than 3,000,000 inhabitants, the automated traffic law ordinance shall require that all determinations by a technician that a motor vehicle was being operated in violation of Section 11-208.6, 11-208.9, or 11-1201.1 or a local ordinance must be reviewed and approved by a law enforcement officer or retired law enforcement officer of the municipality or county issuing the violation. In municipalities with a population of 1,000,000 or more inhabitants and counties with a population of 3,000,000 or more inhabitants, the automated traffic law ordinance shall require that all determinations by a technician that a motor vehicle was being operated in violation of Section 11-208.6, 11-208.9, or 11-1201.1 or a local ordinance must be reviewed and approved by a law enforcement officer or retired law enforcement officer of the municipality or county issuing the violation or by an additional fully-trained reviewing technician who is not employed by the contractor who employs the technician who made the initial determination. In the case of an automated speed enforcement system violation, the ordinance shall require a determination by a technician employed by the municipality, based upon an inspection of recorded images, video or other documentation, including documentation of the speed limit and automated speed enforcement signage, and documentation of the inspection, calibration, and certification of the speed equipment, that the vehicle was being operated in violation of Article VI of Chapter 11 of this Code or a similar local ordinance. If the technician determines that the vehicle speed was not determined by a calibrated, certified speed equipment device based upon the speed equipment documentation, or if the vehicle was an emergency vehicle, a citation may not be issued. The automated speed enforcement ordinance shall require that all determinations by a technician that a violation occurred be reviewed and approved by a law enforcement officer or retired law enforcement officer of the municipality issuing the violation or by an additional fully trained reviewing technician who is not employed by the contractor who employs the technician who made the initial determination. Routine and independent calibration of the speeds produced by automated speed enforcement systems and equipment shall be conducted annually by a qualified technician. Speeds produced by an automated speed enforcement system shall be compared with speeds produced by lidar or other independent equipment. Radar or lidar equipment shall undergo an internal validation test no less frequently than once each week. Qualified technicians shall test loop based equipment no less frequently than once a year. Radar equipment shall be checked for accuracy by a qualified technician when the unit is serviced, when unusual or suspect readings persist, or when deemed necessary by a reviewing technician. Radar equipment shall be checked with the internal frequency generator and the internal circuit test whenever the radar is turned on. Technicians must be alert for any unusual or suspect readings, and if unusual or suspect readings of a radar unit persist, that unit shall immediately be removed from service and not returned to service until it has been checked by a qualified technician and determined to be functioning properly. Documentation of the annual calibration results, including the equipment tested, test date, technician performing the test, and test results, shall be maintained and available for use in the determination of an automated speed enforcement system violation and issuance of a citation. The technician performing the calibration and testing of the automated speed enforcement equipment shall be trained and certified in the use of equipment for speed enforcement purposes. Training on the speed enforcement equipment may be conducted by law enforcement, civilian, or manufacturer's personnel and if applicable may be equivalent to the equipment use and operations training included in the Speed Measuring Device Operator Program developed by the National Highway Traffic Safety Administration

(NHTSA). The vendor or technician who performs the work shall keep accurate records on each piece of equipment the technician calibrates and tests. As used in this paragraph, "fully-trained reviewing technician" means a person who has received at least 40 hours of supervised training in subjects which shall include image inspection and interpretation, the elements necessary to prove a violation, license plate identification, and traffic safety and management. In all municipalities and counties, the automated speed enforcement system or automated traffic law ordinance shall require that no additional fee shall be charged to the alleged violator for exercising his or her right to an administrative hearing, and persons shall be given at least 25 days following an administrative hearing to pay any civil penalty imposed by a finding that Section 11-208.6, 11-208.8, 11-208.9, or 11-1201.1 or a similar local ordinance has been violated. The original or a facsimile of the violation notice or, in the case of a notice produced by a computerized device, a printed record generated by the device showing the facts entered on the notice, shall be retained by the traffic compliance administrator, and shall be a record kept in the ordinary course of business. A parking, standing, compliance, automated speed enforcement system, or automated traffic law violation notice issued, signed and served in accordance with this Section, a copy of the notice, or the computer generated record shall be prima facie correct and shall be prima facie evidence of the correctness of the facts shown on the notice. The notice, copy, or computer generated record shall be admissible in any subsequent administrative or legal proceedings.

(4) An opportunity for a hearing for the registered owner of the vehicle cited in the parking, standing, compliance, automated speed enforcement system, or automated traffic law violation notice in which the owner may contest the merits of the alleged violation, and during which formal or technical rules of evidence shall not apply; provided, however, that under Section 11-1306 of this Code the lessee of a vehicle cited in the violation notice likewise shall be provided an opportunity for a hearing of the same kind afforded the registered owner. The hearings shall be recorded, and the person conducting the hearing on behalf of the traffic compliance administrator shall be empowered to administer oaths and to secure by subpoena both the attendance and testimony of witnesses and the production of relevant books and papers. Persons appearing at a hearing under this Section may be represented by counsel at their expense. The ordinance may also provide for internal administrative review following the decision of the hearing officer.

(5) Service of additional notices, sent by first class United States mail, postage prepaid, to the address of the registered owner of the cited vehicle as recorded with the Secretary of State or, if any notice to that address is returned as undeliverable, to the last known address recorded in a United States Post Office approved database, or, under Section 11-1306 or subsection (p) of Section 11-208.6 or 11-208.9, or subsection (p) of Section 11-208.8 of this Code, to the lessee of the cited vehicle at the last address known to the lessor of the cited vehicle at the time of lease or, if any notice to that address is returned as undeliverable, to the last known address recorded in a United States Post Office approved database. The service shall be deemed complete as of the date of deposit in the United States mail. The notices shall be in the following sequence and shall include but not be limited to the information specified herein:

(i) A second notice of parking, standing, or compliance violation. This notice shall specify the date and location of the violation cited in the parking, standing, or compliance violation notice, the particular regulation violated, the vehicle make and state registration number, any requirement to complete a traffic education program, the fine and any penalty that may be assessed for late payment or failure to complete a traffic education program, or both, when so provided by ordinance, the availability of a hearing in which the violation may be contested on its merits, and the time and manner in which the hearing may be had. The notice of violation shall also state that failure to complete a required traffic education program, to pay the indicated fine and any applicable penalty, or to appear at a hearing on the merits in the time and manner specified, will result in a final determination of violation liability for the cited violation in the amount of the fine or penalty indicated, and that, upon the occurrence of a final determination of violation liability for the failure, and the exhaustion of, or failure to exhaust, available administrative or judicial procedures for review, any incomplete traffic education program or any unpaid fine or penalty, or both, will constitute a debt due and owing the municipality or county.

(ii) A notice of final determination of parking, standing, compliance, automated speed enforcement system, or automated traffic law violation liability. This notice shall be sent following a final determination of parking, standing, compliance, automated speed enforcement system, or automated traffic law violation liability and the conclusion of judicial review procedures taken under this Section. The notice shall state that the incomplete traffic education program or the unpaid fine or penalty, or both, is a debt due and owing the municipality or county. The notice shall contain warnings that failure to complete any required traffic education program or to pay any fine

or penalty due and owing the municipality or county, or both, within the time specified may result in the municipality's or county's filing of a petition in the Circuit Court to have the incomplete traffic education program or unpaid fine or penalty, or both, rendered a judgment as provided by this Section, or, where applicable, may result in suspension of the person's drivers license for failure to complete a traffic education program or to pay fines or penalties, or both, for ~~40 or more parking violations under Section 6-306.5, or a combination of 5 or more automated traffic law violations under Section 11-208.6 or 11-208.9 or automated speed enforcement system violations under Section 11-208.8.~~

(6) A notice of impending drivers license suspension. This notice shall be sent to the person liable for failure to complete a required traffic education program or to pay any fine or penalty that remains due and owing, or both, on ~~40 or more parking violations or combination of 5 or more unpaid automated speed enforcement system or automated traffic law violations.~~ The notice shall state that failure to complete a required traffic education program or to pay the fine or penalty owing, or both, within 45 days of the notice's date will result in the municipality or county notifying the Secretary of State that the person is eligible for initiation of suspension proceedings under Section 6-306.5 of this Code. The notice shall also state that the person may obtain a photostatic copy of an original ticket imposing a fine or penalty by sending a self addressed, stamped envelope to the municipality or county along with a request for the photostatic copy. The notice of impending drivers license suspension shall be sent by first class United States mail, postage prepaid, to the address recorded with the Secretary of State or, if any notice to that address is returned as undeliverable, to the last known address recorded in a United States Post Office approved database.

(7) Final determinations of violation liability. A final determination of violation liability shall occur following failure to complete the required traffic education program or to pay the fine or penalty, or both, after a hearing officer's determination of violation liability and the exhaustion of or failure to exhaust any administrative review procedures provided by ordinance. Where a person fails to appear at a hearing to contest the alleged violation in the time and manner specified in a prior mailed notice, the hearing officer's determination of violation liability shall become final: (A) upon denial of a timely petition to set aside that determination, or (B) upon expiration of the period for filing the petition without a filing having been made.

(8) A petition to set aside a determination of parking, standing, compliance, automated speed enforcement system, or automated traffic law violation liability that may be filed by a person owing an unpaid fine or penalty. A petition to set aside a determination of liability may also be filed by a person required to complete a traffic education program. The petition shall be filed with and ruled upon by the traffic compliance administrator in the manner and within the time specified by ordinance. The grounds for the petition may be limited to: (A) the person not having been the owner or lessee of the cited vehicle on the date the violation notice was issued, (B) the person having already completed the required traffic education program or paid the fine or penalty, or both, for the violation in question, and (C) excusable failure to appear at or request a new date for a hearing. With regard to municipalities or counties with a population of 1 million or more, it shall be grounds for dismissal of a parking violation if the state registration number, or vehicle make if specified, is incorrect. After the determination of parking, standing, compliance, automated speed enforcement system, or automated traffic law violation liability has been set aside upon a showing of just cause, the registered owner shall be provided with a hearing on the merits for that violation.

(9) Procedures for non-residents. Procedures by which persons who are not residents of the municipality or county may contest the merits of the alleged violation without attending a hearing.

(10) A schedule of civil fines for violations of vehicular standing, parking, compliance, automated speed enforcement system, or automated traffic law regulations enacted by ordinance pursuant to this Section, and a schedule of penalties for late payment of the fines or failure to complete required traffic education programs, provided, however, that the total amount of the fine and penalty for any one violation shall not exceed \$250, except as provided in subsection (c) of Section 11-1301.3 of this Code.

(11) Other provisions as are necessary and proper to carry into effect the powers granted and purposes stated in this Section.

(c) Any municipality or county establishing vehicular standing, parking, compliance, automated speed enforcement system, or automated traffic law regulations under this Section may also provide by ordinance for a program of vehicle immobilization for the purpose of facilitating enforcement of those regulations. The program of vehicle immobilization shall provide for immobilizing any eligible vehicle upon the public way by presence of a restraint in a manner to prevent operation of the vehicle. Any ordinance establishing a program of vehicle immobilization under this Section shall provide:

(1) Criteria for the designation of vehicles eligible for immobilization. A vehicle

shall be eligible for immobilization when the registered owner of the vehicle has accumulated the number of incomplete traffic education programs or unpaid final determinations of parking, standing, compliance, automated speed enforcement system, or automated traffic law violation liability, or both, as determined by ordinance.

(2) A notice of impending vehicle immobilization and a right to a hearing to challenge the validity of the notice by disproving liability for the incomplete traffic education programs or unpaid final determinations of parking, standing, compliance, automated speed enforcement system, or automated traffic law violation liability, or both, listed on the notice.

(3) The right to a prompt hearing after a vehicle has been immobilized or subsequently towed without the completion of the required traffic education program or payment of the outstanding fines and penalties on parking, standing, compliance, automated speed enforcement system, or automated traffic law violations, or both, for which final determinations have been issued. An order issued after the hearing is a final administrative decision within the meaning of Section 3-101 of the Code of Civil Procedure.

(4) A post immobilization and post-towing notice advising the registered owner of the vehicle of the right to a hearing to challenge the validity of the impoundment.

(d) Judicial review of final determinations of parking, standing, compliance, automated speed enforcement system, or automated traffic law violations and final administrative decisions issued after hearings regarding vehicle immobilization and impoundment made under this Section shall be subject to the provisions of the Administrative Review Law.

(e) Any fine, penalty, incomplete traffic education program, or part of any fine or any penalty remaining unpaid after the exhaustion of, or the failure to exhaust, administrative remedies created under this Section and the conclusion of any judicial review procedures shall be a debt due and owing the municipality or county and, as such, may be collected in accordance with applicable law. Completion of any required traffic education program and payment in full of any fine or penalty resulting from a standing, parking, compliance, automated speed enforcement system, or automated traffic law violation shall constitute a final disposition of that violation.

(f) After the expiration of the period within which judicial review may be sought for a final determination of parking, standing, compliance, automated speed enforcement system, or automated traffic law violation, the municipality or county may commence a proceeding in the Circuit Court for purposes of obtaining a judgment on the final determination of violation. Nothing in this Section shall prevent a municipality or county from consolidating multiple final determinations of parking, standing, compliance, automated speed enforcement system, or automated traffic law violations against a person in a proceeding. Upon commencement of the action, the municipality or county shall file a certified copy or record of the final determination of parking, standing, compliance, automated speed enforcement system, or automated traffic law violation, which shall be accompanied by a certification that recites facts sufficient to show that the final determination of violation was issued in accordance with this Section and the applicable municipal or county ordinance. Service of the summons and a copy of the petition may be by any method provided by Section 2-203 of the Code of Civil Procedure or by certified mail, return receipt requested, provided that the total amount of fines and penalties for final determinations of parking, standing, compliance, automated speed enforcement system, or automated traffic law violations does not exceed \$2500. If the court is satisfied that the final determination of parking, standing, compliance, automated speed enforcement system, or automated traffic law violation was entered in accordance with the requirements of this Section and the applicable municipal or county ordinance, and that the registered owner or the lessee, as the case may be, had an opportunity for an administrative hearing and for judicial review as provided in this Section, the court shall render judgment in favor of the municipality or county and against the registered owner or the lessee for the amount indicated in the final determination of parking, standing, compliance, automated speed enforcement system, or automated traffic law violation, plus costs. The judgment shall have the same effect and may be enforced in the same manner as other judgments for the recovery of money.

(g) The fee for participating in a traffic education program under this Section shall not exceed \$25.

A low-income individual required to complete a traffic education program under this Section who provides proof of eligibility for the federal earned income tax credit under Section 32 of the Internal Revenue Code or the Illinois earned income tax credit under Section 212 of the Illinois Income Tax Act shall not be required to pay any fee for participating in a required traffic education program.

(b) Following receipt of the certified report of the Authority as specified in the Section, the Secretary of State shall notify the person whose name appears on the certified report that the person's vehicle registration will be suspended at the end of a specified period unless the Secretary of State is presented with a notice from the Authority certifying that the fines or penalties owing the Authority have been satisfied or that inclusion of that person's name on the certified report was in error. (1) the person not having been the owner or lessee of the vehicle or vehicles receiving 5 or more toll violation or toll evasion notices on the date or dates the notices were issued; or

(2) the person having already satisfied the fines or penalties for the 5 or more toll violations or toll evasions indicated on the certified report.

(f) All notices sent by the Authority to persons involved in administrative adjudications, hearings, and final orders issued pursuant to rules implementing subsection (a-5) of Section 10 of the Toll Highway Act shall state, in clear and unambiguous language, the consequences of that failure to satisfy any fine or penalty imposed by the Authority shall result in the Secretary of State suspending the driving privileges, vehicle registration, or both, of the person failing to satisfy the fines or penalties imposed by the Authority.

(g) A person may request an administrative hearing to contest an impending suspension or a suspension made pursuant to this Section upon filing a written request with the Secretary. (625 ILCS 5/6-201)

Sec. 6-201. Authority to cancel licenses and permits.

(a) The Secretary of State is authorized to cancel any license or permit upon determining that the holder thereof:

1. was not entitled to the issuance thereof hereunder; or
2. failed to give the required or correct information in his application; or
3. failed to pay any fees owed to the Secretary of State under this Code for the license or permit, ~~civil penalties owed to the Illinois Commerce Commission, or taxes due under this Act and upon reasonable notice and demand;~~ or
4. committed any fraud in the making of such application; or
5. is ineligible therefor under the provisions of Section 6-103 of this Act, as amended;

or

6. has refused or neglected to submit an alcohol, drug, and intoxicating compound evaluation or to submit to examination or ~~reexamination~~ re-examination as required under this Code Act; or

7. has been convicted of violating the Cannabis Control Act, the Illinois Controlled Substances Act, the Methamphetamine Control and Community Protection Act, or the Use of Intoxicating Compounds Act while that individual was in actual physical control of a motor vehicle. For purposes of this Section, any person placed on probation under Section 10 of the Cannabis Control Act, Section 410 of the Illinois Controlled Substances Act, or Section 70 of the Methamphetamine Control and Community Protection Act shall not be considered convicted. Any person found guilty of this offense, while in actual physical control of a motor vehicle, shall have an entry made in the court record by the judge that this offense did occur while the person was in actual physical control of a motor vehicle and order the clerk of the court to report the violation to the Secretary of State as such. After the cancellation, the Secretary of State shall not issue a new license or permit for a period of one year after the date of cancellation. However, upon application, the Secretary of State may, if satisfied that the person applying will not endanger the public safety, or welfare, issue a restricted driving permit granting the privilege of driving a motor vehicle between the petitioner's residence and petitioner's place of employment or within the scope of the petitioner's employment related duties, or to allow transportation for the petitioner or a household member of the petitioner's family for the receipt of necessary medical care, or provide transportation for the petitioner to and from alcohol or drug remedial or rehabilitative activity recommended by a licensed service provider, or for the petitioner to attend classes, as a student, in an accredited educational institution. The petitioner must demonstrate that no alternative means of transportation is reasonably available; provided that the Secretary's discretion shall be limited to cases where undue hardship, as defined by the rules of the Secretary of State, would result from a failure to issue such restricted driving permit. In each case the Secretary of State may issue such restricted driving permit for such period as he deems appropriate, except that such permit shall expire within one year from the date of issuance. A restricted driving permit issued hereunder shall be subject to cancellation, revocation, and suspension by the Secretary of State in like manner and for like cause as a driver's license issued hereunder may be cancelled, revoked or suspended; except that a conviction upon one or

more offenses against laws or ordinances regulating the movement of traffic shall be deemed sufficient cause for the revocation, suspension or cancellation of a restricted driving permit. The Secretary of State may, as a condition to the issuance of a restricted driving permit, require the applicant to participate in a driver remedial or rehabilitative program. In accordance with 49 C.F.R. 384, the Secretary of State may not issue a restricted driving permit for the operation of a commercial motor vehicle to a person holding a CDL whose driving privileges have been revoked, suspended, cancelled, or disqualified under this Code; or

8. failed to submit a report as required by Section 6-116.5 of this Code; or

9. has been convicted of a sex offense as defined in the Sex Offender Registration Act. The driver's license shall remain cancelled until the driver registers as a sex offender as required by the Sex Offender Registration Act, proof of the registration is furnished to the Secretary of State and the sex offender provides proof of current address to the Secretary; or

10. is ineligible for a license or permit under Section 6-107, 6-107.1, or 6-108 of this Code; or

11. refused or neglected to appear at a Driver Services facility to have the license or permit corrected and a new license or permit issued or to present documentation for verification of identity; or

12. failed to submit a medical examiner's certificate or medical variance as required by 49 C.F.R. 383.71 or submitted a fraudulent medical examiner's certificate or medical variance; or

13. has had his or her medical examiner's certificate, medical variance, or both removed or rescinded by the Federal Motor Carrier Safety Administration; or

14. failed to self-certify as to the type of driving in which the CDL driver engages or expects to engage; or

15. has submitted acceptable documentation indicating out-of-state residency to the Secretary of State to be released from the requirement of showing proof of financial responsibility in this State; or

16. was convicted of fraud relating to the testing or issuance of a CDL or CLP, in which case only the CDL or CLP shall be cancelled. After cancellation, the Secretary shall not issue a CLP or CDL for a period of one year from the date of cancellation; or

17. has a special restricted license under subsection (g) of Section 6-113 of this Code and failed to submit the required annual vision specialist report that the special restricted license holder's vision has not changed; or

18. has a special restricted license under subsection (g) of Section 6-113 of this Code and was convicted or received court supervision for a violation of this Code that occurred during nighttime hours or was involved in a motor vehicle accident during nighttime hours in which the restricted license holder was at fault; or

19. has assisted an out-of-state resident in acquiring an Illinois driver's license or identification card by providing or allowing the out-of-state resident to use his or her Illinois address of residence and is complicit in distributing and forwarding the Illinois driver's license or identification card to the out-of-state resident.

(b) Upon such cancellation the licensee or permittee must surrender the license or permit so cancelled to the Secretary of State.

(c) Except as provided in Sections 6-206.1 and 7-702.1, the Secretary of State shall have exclusive authority to grant, issue, deny, cancel, suspend and revoke driving privileges, drivers' licenses and restricted driving permits.

(625 ILCS 5/6-204) (from Ch. 95 1/2, par. 6-204)

Sec. 6-204. When court to forward license and reports.

(a) For the purpose of providing to the Secretary of State the records essential to the performance of the Secretary's duties under this Code to cancel, revoke or suspend the driver's license and privilege to drive motor vehicles of certain minors ~~adjudicated truant minors in need of supervision, addicted, or delinquent~~ and of persons found guilty of the criminal offenses or traffic violations which this Code recognizes as evidence relating to unfitness to safely operate motor vehicles, the following duties are imposed upon public officials:

The reporting requirements of this subsection shall apply to all violations stated in paragraphs (1) and (2) of this subsection when the individual has been adjudicated under the Juvenile Court Act or the Juvenile Court Act of 1987. Such reporting requirements shall also apply to individuals adjudicated under the Juvenile Court Act or the Juvenile Court Act of 1987 who have committed a violation of Section 11-501 of this Code, or similar provision of a local ordinance, or Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012, relating to the offense of reckless homicide, or Section 5-7 of the Snowmobile Registration and Safety Act or Section 5-16 of the Boat Registration and Safety Act, relating to the offense of operating a snowmobile or a watercraft while under the influence of alcohol, other drug or drugs, intoxicating compound or compounds, or combination thereof. These reporting requirements also apply to individuals adjudicated under the Juvenile Court Act of 1987 based on any offense determined to have been committed in furtherance of the criminal activities of an organized gang, as provided in Section 5-710 of that Act, if those activities and that involved the operation or use of a motor vehicle or the use of a driver's license or permit. ~~The reporting requirements of this subsection shall also apply to a truant minor in need of supervision, an addicted minor, or a delinquent minor and whose driver's license and privilege to drive a motor vehicle has been ordered suspended for such times as determined by the court, but only until he or she attains 18 years of age.~~ It shall be the duty of the clerk of the court in which adjudication is had within 5 days thereafter to forward to the Secretary of State a report of the adjudication and the court order requiring the Secretary of State to suspend the minor's driver's license and driving privilege for such time as determined by the court, but only until he or she attains the age of 18 years. All juvenile court dispositions reported to the Secretary of State under this provision shall be processed by the Secretary of State as if the cases had

been adjudicated in traffic or criminal court. However, information reported relative to the offense of reckless homicide, or Section 11-501 of this Code, or a similar provision of a local ordinance, shall be privileged and available only to the Secretary of State, courts, and police officers.

The reporting requirements of this subsection (a) apply to all violations listed in paragraphs (1) and (2) of this subsection (a), excluding parking violations, when the driver holds a CLP or CDL, regardless of the type of vehicle in which the violation occurred, or when any driver committed the violation in a commercial motor vehicle as defined in Section 6-500 of this Code.

(3) Whenever an order is entered vacating the forfeiture of any bail, security or bond given to secure appearance for any offense under this Code or similar offenses under municipal ordinance, it shall be the duty of the clerk of the court in which such vacation was had or the judge of such court if such court has no clerk, within 5 days thereafter to forward to the Secretary of State a report of the vacation.

(4) A report of any disposition of court supervision for a violation of Sections 6-303, 11-401, 11-501 or a similar provision of a local ordinance, 11-503, 11-504, and 11-506 of this Code, Section 5-7 of the Snowmobile Registration and Safety Act, and Section 5-16 of the Boat Registration and Safety Act shall be forwarded to the Secretary of State. A report of any disposition of court supervision for a violation of an offense defined as a serious traffic violation in this Code or a similar provision of a local ordinance committed by a person under the age of 21 years shall be forwarded to the Secretary of State.

(5) Reports of conviction under this Code and sentencing hearings under the Juvenile Court Act of 1987 in an electronic format or a computer processable ~~processible~~ medium shall be forwarded to the Secretary of State via the Supreme Court in the form and format required by the Illinois Supreme Court and established by a written agreement between the Supreme Court and the Secretary of State. In counties with a population over 300,000, instead of forwarding reports to the Supreme Court, reports of conviction under this Code and sentencing hearings under the Juvenile Court Act of 1987 in an electronic format or a computer processable ~~processible~~ medium may be forwarded to the Secretary of State by the Circuit Court Clerk in a form and format required by the Secretary of State and established by written agreement between the Circuit Court Clerk and the Secretary of State. Failure to forward the reports of conviction or sentencing hearing under the Juvenile Court Act of 1987 as required by this Section shall be deemed an omission of duty and it shall be the duty of the several State's Attorneys to enforce the requirements of this Section.

(b) Whenever a restricted driving permit is forwarded to a court, as a result of confiscation by a police officer pursuant to the authority in Section 6-113(f), it shall be the duty of the clerk, or judge, if the court has no clerk, to forward such restricted driving permit and a facsimile of the officer's citation to the Secretary of State as expeditiously as practicable.

(c) For the purposes of this Code, a forfeiture of bail or collateral deposited to secure a defendant's appearance in court when forfeiture has not been vacated, or the failure of a defendant to appear for trial after depositing his driver's license in lieu of other bail, shall be equivalent to a conviction.

(d) For the purpose of providing the Secretary of State with records necessary to properly monitor and assess driver performance and assist the courts in the proper disposition of repeat traffic law offenders, the clerk of the court shall forward to the Secretary of State, on a form prescribed by the Secretary, records of a driver's participation in a driver remedial or rehabilitative program which was required, through a court order or court supervision, in relation to the driver's arrest for a violation of Section 11-501 of this Code or a similar provision of a local ordinance. The clerk of the court shall also forward to the Secretary, either on paper or in an electronic format or a computer processable ~~processible~~ medium as required under paragraph (5) of subsection (a) of this Section, any disposition of court supervision for any traffic violation, excluding those offenses listed in paragraph (2) of subsection (a) of this Section. These reports shall be sent within 5 days after disposition, or, if the driver is referred to a driver remedial or rehabilitative program, within 5 days of the driver's referral to that program. These reports received by the Secretary of State, including those required to be forwarded under paragraph (a)(4), shall be privileged information, available only (i) to the affected driver, (ii) to the parent or guardian of a person under the age of 18 years holding an instruction permit or a graduated driver's license, and (iii) for use by the courts, police officers, prosecuting authorities, the Secretary of State, and the driver licensing administrator of any other state. In accordance with 49 C.F.R. Part 384, all reports of court supervision, except violations related to parking, shall be forwarded to the Secretary of State for all holders of a CLP or CDL or any driver who commits an offense while driving a commercial motor vehicle. These reports shall be recorded to the driver's record as a conviction for use in the disqualification of the driver's commercial motor vehicle privileges and shall not be privileged information.

A second or subsequent conviction of illegal possession, while operating or in actual physical control, as a driver, of a motor vehicle, of any controlled substance prohibited under the Illinois Controlled Substances Act, any cannabis prohibited under the Cannabis Control Act, or any methamphetamine prohibited under the Methamphetamine Control and Community Protection Act. A defendant found guilty of this offense while operating a motor vehicle shall have an entry made in the court record by the presiding judge that this offense did occur while the defendant was operating a motor vehicle and order the clerk of the court to report the violation to the Secretary of State;
19. Violation of subsection (a) of Section 11-1414 of this Code, or a similar provision of a local ordinance, relating to the offense of overtaking or passing of a school bus when the driver, in committing the violation, is involved in a motor vehicle accident that results in death to another and the violation is a proximate cause of the death.

(b) The Secretary of State shall also immediately revoke the license or permit of any driver in the following situations:

1. Of any minor upon receiving the notice provided for in Section 5-901 of the Juvenile Court Act of 1987 that the minor has been adjudicated under that Act as having committed an offense relating to motor vehicles prescribed in Section 4-103 of this Code;
2. Of any person when any other law of this State requires either the revocation or suspension of a license or permit;

[May 30, 2018]

3. Of any person adjudicated under the Juvenile Court Act of 1987 based on an offense determined to have been committed in furtherance of the criminal activities of an organized gang as provided in Section 5-710 of that Act, and that involved the operation or use of a motor vehicle or the use of a driver's license or permit. The revocation shall remain in effect for the period determined by the court.

(c)(1) Whenever a person is convicted of any of the offenses enumerated in this Section, the court may recommend and the Secretary of State in his discretion, without regard to whether the recommendation is made by the court may, upon application, issue to the person a restricted driving permit granting the privilege of driving a motor vehicle between the petitioner's residence and petitioner's place of employment or within the scope of the petitioner's employment related duties, or to allow the petitioner to transport himself or herself or a family member of the petitioner's household to a medical facility for the receipt of necessary medical care or to allow the petitioner to transport himself or herself to and from alcohol or drug remedial or rehabilitative activity recommended by a licensed service provider, or to allow the petitioner to transport himself or herself or a family member of the petitioner's household to classes, as a student, at an accredited educational institution, or to allow the petitioner to transport children, elderly persons, or persons with disabilities who do not hold driving privileges and are living in the petitioner's household to and from daycare; if the petitioner is able to demonstrate that no alternative means of transportation is reasonably available and that the petitioner will not endanger the public safety or welfare; provided that the Secretary's discretion shall be limited to cases where undue hardship, as defined by the rules of the Secretary of State, would result from a failure to issue the restricted driving permit.

(1.5) A person subject to the provisions of paragraph 4 of subsection (b) of Section 6-208 of this Code may make application for a restricted driving permit at a hearing conducted under Section 2-118 of this Code after the expiration of 5 years from the effective date of the most recent revocation, or after 5 years from the date of release from a period of imprisonment resulting from a conviction of the most recent offense, whichever is later, provided the person, in addition to all other requirements of the Secretary, shows by clear and convincing evidence:

(A) a minimum of 3 years of uninterrupted abstinence from alcohol and the unlawful use or consumption of cannabis under the Cannabis Control Act, a controlled substance under the Illinois Controlled Substances Act, an intoxicating compound under the Use of Intoxicating Compounds Act, or methamphetamine under the Methamphetamine Control and Community Protection Act; and

(B) the successful completion of any rehabilitative treatment and involvement in any ongoing rehabilitative activity that may be recommended by a properly licensed service provider according to an assessment of the person's alcohol or drug use under Section 11-501.01 of this Code.

In determining whether an applicant is eligible for a restricted driving permit under this paragraph (1.5), the Secretary may consider any relevant evidence, including, but not limited to, testimony, affidavits, records, and the results of regular alcohol or drug tests. Persons subject to the provisions of paragraph 4 of subsection (b) of Section 6-208 of this Code and who have been convicted of more than one violation of paragraph (3), paragraph (4), or paragraph (5) of subsection (a) of Section 11-501 of this Code shall not be eligible to apply for a restricted driving permit.

A restricted driving permit issued under this paragraph (1.5) shall provide that the holder may only operate motor vehicles equipped with an ignition interlock device as required under paragraph (2) of subsection (c) of this Section and subparagraph (A) of paragraph 3 of subsection (c) of Section 6-206 of this Code. The Secretary may revoke a restricted driving permit or amend the conditions of a restricted driving permit issued under this paragraph (1.5) if the holder operates a vehicle that is not equipped with an ignition interlock device, or for any other reason authorized under this Code.

A restricted driving permit issued under this paragraph (1.5) shall be revoked, and the holder barred from applying for or being issued a restricted driving permit in the future, if the holder is subsequently convicted of a violation of Section 11-501 of this Code, a similar provision of a local ordinance, or a similar offense in another state.

(2) If a person's license or permit is revoked or suspended due to 2 or more convictions of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, or Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012, where the use of alcohol or other drugs is recited as an element of the offense, or a similar out-of-state offense, or a combination of these offenses, arising out of separate occurrences, that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1.

(3) If:

(A) a person's license or permit is revoked or suspended 2 or more times due to any combination of:

(i) a single conviction of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, or Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012, where the use of alcohol or other drugs is recited as an element of the offense, or a similar out-of-state offense; or

(ii) a statutory summary suspension or revocation under Section 11-501.1; or

(iii) a suspension pursuant to Section 6-203.1;

arising out of separate occurrences; or

(B) a person has been convicted of one violation of subparagraph (C) or (F) of paragraph (1) of subsection (d) of Section 11-501 of this Code, Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012, relating to the offense of reckless homicide where the use of alcohol or other drugs was recited as an element of the offense, or a similar provision of a law of another state; that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1.

(4) The person issued a permit conditioned on the use of an ignition interlock device must pay to the Secretary of State DUI Administration Fund an amount not to exceed \$30 per month. The Secretary shall establish by rule the amount and the procedures, terms, and conditions relating to these fees.

(5) If the restricted driving permit is issued for employment purposes, then the prohibition against operating a motor vehicle that is not equipped with an ignition interlock device does not apply to the operation of an occupational vehicle owned or leased by that person's employer when used solely for employment purposes. For any person who, within a 5-year period, is convicted of a second or subsequent offense under Section 11-501 of this Code, or a similar provision of a local ordinance or similar out-of-state offense, this employment exemption does not apply until either a one-year period has elapsed during which that person had his or her driving privileges revoked or a one-year period has elapsed during which that person had a restricted driving permit which required the use of an ignition interlock device on every motor vehicle owned or operated by that person.

(6) In each case the Secretary of State may issue a restricted driving permit for a period he deems appropriate, except that the permit shall expire within one year from the date of issuance. A restricted driving permit issued under this Section shall be subject to cancellation, revocation, and suspension by the Secretary of State in like manner and for like cause as a driver's license issued under this Code may be cancelled, revoked, or suspended; except that a conviction upon one or more offenses against laws or ordinances regulating the movement of traffic shall be deemed sufficient cause for the revocation, suspension, or cancellation of a restricted driving permit. The Secretary of State may, as a condition to the issuance of a restricted driving permit, require the petitioner to participate in a designated driver remedial or rehabilitative program. The Secretary of State is authorized to cancel a restricted driving permit if the permit holder does not successfully complete the program. However, if an individual's driving privileges have been revoked in accordance with paragraph 13 of subsection (a) of this Section, no restricted driving permit shall be issued until the individual has served 6 months of the revocation period.

(c-5) (Blank).

(c-6) If a person is convicted of a second violation of operating a motor vehicle while the person's driver's license, permit or privilege was revoked, where the revocation was for a violation of Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012 relating to the offense of reckless homicide or a similar out-of-state offense, the person's driving privileges shall be revoked pursuant to subdivision (a)(15) of this Section. The person may not make application for a license or permit until the expiration of five years from the effective date of the revocation or the expiration of five years from the date of release from a term of imprisonment, whichever is later.

(c-7) If a person is convicted of a third or subsequent violation of operating a motor vehicle while the person's driver's license, permit or privilege was revoked, where the revocation was for a violation of Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012 relating to the offense of reckless homicide or a similar out-of-state offense, the person may never apply for a license or permit.

(d)(1) Whenever a person under the age of 21 is convicted under Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, the Secretary of State shall revoke the driving privileges of that person. One year after the date of revocation, and upon application, the Secretary of State may, if satisfied that the person applying will not endanger the public safety or welfare, issue a restricted driving permit granting the privilege of driving a motor vehicle only between the hours of 5 a.m. and 9 p.m. or as otherwise provided by this Section for a period of one year. After this one-year period, and upon reapplication for a license as provided in Section 6-106, upon payment of the appropriate reinstatement fee provided under paragraph (b) of Section 6-118, the Secretary of State, in his discretion, may reinstate the petitioner's driver's license and driving privileges, or extend the restricted driving permit

as many times as the Secretary of State deems appropriate, by additional periods of not more than 12 months each.

(2) If a person's license or permit is revoked or suspended due to 2 or more convictions of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, or Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012, where the use of alcohol or other drugs is recited as an element of the offense, or a similar out-of-state offense, or a combination of these offenses, arising out of separate occurrences, that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1.

(3) If a person's license or permit is revoked or suspended 2 or more times due to any combination of:

(A) a single conviction of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, or Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012, where the use of alcohol or other drugs is recited as an element of the offense, or a similar out-of-state offense; or

(B) a statutory summary suspension or revocation under Section 11-501.1; or

(C) a suspension pursuant to Section 6-203.1;

arising out of separate occurrences, that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1.

(3.5) If a person's license or permit is revoked or suspended due to a conviction for a violation of subparagraph (C) or (F) of paragraph (1) of subsection (d) of Section 11-501 of this Code, or a similar provision of a local ordinance or similar out-of-state offense, that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1.

(4) The person issued a permit conditioned upon the use of an interlock device must pay to the Secretary of State DUI Administration Fund an amount not to exceed \$30 per month. The Secretary shall establish by rule the amount and the procedures, terms, and conditions relating to these fees.

(5) If the restricted driving permit is issued for employment purposes, then the prohibition against driving a vehicle that is not equipped with an ignition interlock device does not apply to the operation of an occupational vehicle owned or leased by that person's employer when used solely for employment purposes. For any person who, within a 5-year period, is convicted of a second or subsequent offense under Section 11-501 of this Code, or a similar provision of a local ordinance or similar out-of-state offense, this employment exemption does not apply until either a one-year period has elapsed during which that person had his or her driving privileges revoked or a one-year period has elapsed during which that person had a restricted driving permit which required the use of an ignition interlock device on every motor vehicle owned or operated by that person.

(6) A restricted driving permit issued under this Section shall be subject to cancellation, revocation, and suspension by the Secretary of State in like manner and for like cause as a driver's license issued under this Code may be cancelled, revoked, or suspended; except that a conviction upon one or more offenses against laws or ordinances regulating the movement of traffic shall be deemed sufficient cause for the revocation, suspension, or cancellation of a restricted driving permit.

(d-5) The revocation of the license, permit, or driving privileges of a person convicted of a third or subsequent violation of Section 6-303 of this Code committed while his or her driver's license, permit, or privilege was revoked because of a violation of Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012, relating to the offense of reckless homicide, or a similar provision of a law of another state, is permanent. The Secretary may not, at any time, issue a license or permit to that person.

(e) This Section is subject to the provisions of the Driver License Compact.

(f) Any revocation imposed upon any person under subsections 2 and 3 of paragraph (b) that is in effect on December 31, 1988 shall be converted to a suspension for a like period of time.

(g) The Secretary of State shall not issue a restricted driving permit to a person under the age of 16 years whose driving privileges have been revoked under any provisions of this Code.

(h) The Secretary of State shall require the use of ignition interlock devices for a period not less than 5 years on all vehicles owned by a person who has been convicted of a second or subsequent offense under Section 11-501 of this Code or a similar provision of a local ordinance. The person must pay to the Secretary of State DUI Administration Fund an amount not to exceed \$30 for each month that he or she uses the device. The Secretary shall establish by rule and regulation the procedures for certification and use of the interlock system, the amount of the fee, and the procedures, terms, and conditions relating to

these fees. During the time period in which a person is required to install an ignition interlock device under this subsection (h), that person shall only operate vehicles in which ignition interlock devices have been installed, except as allowed by subdivision (c)(5) or (d)(5) of this Section.

(i) (Blank).

(j) In accordance with 49 C.F.R. 384, the Secretary of State may not issue a restricted driving permit for the operation of a commercial motor vehicle to a person holding a CDL whose driving privileges have been revoked, suspended, cancelled, or disqualified under any provisions of this Code.

(k) The Secretary of State shall notify by mail any person whose driving privileges have been revoked under paragraph 16 of subsection (a) of this Section that his or her driving privileges and driver's license will be revoked 90 days from the date of the mailing of the notice.

Sec. 6-206. Discretionary authority to suspend or revoke license or permit; right to a hearing.

(a) The Secretary of State is authorized to suspend or revoke the driving privileges of any person without preliminary hearing upon a showing of the person's records or other sufficient evidence that the person:

1. Has committed an offense for which mandatory revocation of a driver's license or permit is required upon conviction;

The petitioner must demonstrate that no alternative means of transportation is reasonably available and that the petitioner will not endanger the public safety or welfare.

(A) If a person's license or permit is revoked or suspended due to 2 or more convictions of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, or Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012, where the use of alcohol or other drugs is recited as an element of the offense, or a similar out-of-state offense, or a combination of these offenses, arising out of separate occurrences, that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1.

(B) If a person's license or permit is revoked or suspended 2 or more times due to any combination of:

(i) a single conviction of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense or Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012, where the use of alcohol or other drugs is recited as an element of the offense, or a similar out-of-state offense; or

(ii) a statutory summary suspension or revocation under Section 11-501.1; or

(iii) a suspension under Section 6-203.1;

arising out of separate occurrences; that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1.

(B-5) If a person's license or permit is revoked or suspended due to a conviction for a violation of subparagraph (C) or (F) of paragraph (1) of subsection (d) of Section 11-501 of this Code, or a similar provision of a local ordinance or similar out-of-state offense, that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1.

(C) The person issued a permit conditioned upon the use of an ignition interlock device must pay to the Secretary of State DUI Administration Fund an amount not to exceed \$30 per month. The Secretary shall establish by rule the amount and the procedures, terms, and conditions relating to these fees.

(D) If the restricted driving permit is issued for employment purposes, then the prohibition against operating a motor vehicle that is not equipped with an ignition interlock device does not apply to the operation of an occupational vehicle owned or leased by that person's employer when used solely for employment purposes. For any person who, within a 5-year period, is convicted of a second or subsequent offense under Section 11-501 of this Code, or a similar provision of a local ordinance or similar out-of-state offense, this employment exemption does not apply until either a one-year period has elapsed during which that person had his or her driving privileges revoked or a one-year period has elapsed during which that person had a restricted driving permit which required the use of an ignition interlock device on every motor vehicle owned or operated by that person.

(E) In each case the Secretary may issue a restricted driving permit for a period

deemed appropriate, except that all permits shall expire within one year from the date of issuance. A restricted driving permit issued under this Section shall be subject to cancellation, revocation, and suspension by the Secretary of State in like manner and for like cause as a driver's license issued under this Code may be cancelled, revoked, or suspended; except that a conviction upon one or more offenses against laws or ordinances regulating the movement of traffic shall be deemed sufficient cause for the revocation, suspension, or cancellation of a restricted driving permit. The Secretary of State may, as a condition to the issuance of a restricted driving permit, require the applicant to participate in a designated driver remedial or rehabilitative program. The Secretary of State is authorized to cancel a restricted driving permit if the permit holder does not successfully complete the program.

(F) A person subject to the provisions of paragraph 4 of subsection (b) of Section 6-208 of this Code may make application for a restricted driving permit at a hearing conducted under Section 2-118 of this Code after the expiration of 5 years from the effective date of the most recent revocation or after 5 years from the date of release from a period of imprisonment resulting from a conviction of the most recent offense, whichever is later, provided the person, in addition to all other requirements of the Secretary, shows by clear and convincing evidence:

(i) a minimum of 3 years of uninterrupted abstinence from alcohol and the unlawful use or consumption of cannabis under the Cannabis Control Act, a controlled substance under the Illinois Controlled Substances Act, an intoxicating compound under the Use of Intoxicating Compounds Act, or methamphetamine under the Methamphetamine Control and Community Protection Act; and

(ii) the successful completion of any rehabilitative treatment and involvement in any ongoing rehabilitative activity that may be recommended by a properly licensed service provider according to an assessment of the person's alcohol or drug use under Section 11-501.01 of this Code.

In determining whether an applicant is eligible for a restricted driving permit under this subparagraph (F), the Secretary may consider any relevant evidence, including, but not limited to, testimony, affidavits, records, and the results of regular alcohol or drug tests. Persons subject to the provisions of paragraph 4 of subsection (b) of Section 6-208 of this Code and who have been convicted of more than one violation of paragraph (3), paragraph (4), or paragraph (5) of subsection (a) of Section 11-501 of this Code shall not be eligible to apply for a restricted driving permit under this subparagraph (F).

A restricted driving permit issued under this subparagraph (F) shall provide that the holder may only operate motor vehicles equipped with an ignition interlock device as required under paragraph (2) of subsection (c) of Section 6-205 of this Code and subparagraph (A) of paragraph 3 of subsection (c) of this Section. The Secretary may revoke a restricted driving permit or amend the conditions of a restricted driving permit issued under this subparagraph (F) if the holder operates a vehicle that is not equipped with an ignition interlock device, or for any other reason authorized under this Code.

A restricted driving permit issued under this subparagraph (F) shall be revoked, and the holder barred from applying for or being issued a restricted driving permit in the future, if the holder is convicted of a violation of Section 11-501 of this Code, a similar provision of a local ordinance, or a similar offense in another state.

(c-3) In the case of a suspension under paragraph 43 of subsection (a), reports received by the Secretary of State under this Section shall, except during the actual time the suspension is in effect, be privileged information and for use only by the courts, police officers, prosecuting authorities, the driver licensing administrator of any other state, the Secretary of State, or the parent or legal guardian of a driver under the age of 18. However, beginning January 1, 2008, if the person is a CDL holder, the suspension shall also be made available to the driver licensing administrator of any other state, the U.S. Department of Transportation, and the affected driver or motor carrier or prospective motor carrier upon request.

(c-4) In the case of a suspension under paragraph 43 of subsection (a), the Secretary of State shall notify the person by mail that his or her driving privileges and driver's license will be suspended one month after the date of the mailing of the notice.

(c-5) The Secretary of State may, as a condition of the reissuance of a driver's license or permit to an applicant whose driver's license or permit has been suspended before he or she reached the age of 21 years pursuant to any of the provisions of this Section, require the applicant to participate in a driver remedial education course and be retested under Section 6-109 of this Code.

(d) This Section is subject to the provisions of the Drivers License Compact.

(e) The Secretary of State shall not issue a restricted driving permit to a person under the age of 16 years whose driving privileges have been suspended or revoked under any provisions of this Code.

(f) In accordance with 49 C.F.R. 384, the Secretary of State may not issue a restricted driving permit for the operation of a commercial motor vehicle to a person holding a CDL whose driving privileges have been suspended, revoked, cancelled, or disqualified under any provisions of this Code.

(b) Following receipt of the certified report of the municipality or county as specified in this Section, the Secretary of State shall notify the person whose name appears on the certified report that the person's driver's drivers license will be suspended at the end of a specified period of time unless the Secretary of State is presented with a notice from the municipality or county certifying that the fine or penalty due and owing the municipality or county has been paid or that inclusion of that person's name on the certified report was in error. The Secretary's notice shall state in substance the information contained in the municipality's or county's certified report to the Secretary, and shall be effective as specified by subsection (c) of Section 6-211 of this Code.

(c) The report of the appropriate municipal or county official notifying the Secretary of State of unpaid fines or penalties pursuant to this Section shall be certified and shall contain the following:

(1) The name, last known address as recorded with the Secretary of State, as provided by the lessor of the cited vehicle at the time of lease, or as recorded in a United States Post Office approved database if any notice sent under Section 11-208.3 of this Code is returned as undeliverable, and driver's drivers license number of the person who failed to pay the fine or penalty or who has defaulted in a payment plan and the registration number of any vehicle known to be registered to such person in this State.

Such municipality or county may invoke this sanction by making a certified report to the Secretary of State upon a person's failure to satisfy any fine or penalty imposed by final judgment for 10 or more violations of local standing, parking, or compliance regulations or a combination of 5 or more automated speed enforcement system or automated traffic law violations after exhaustion of judicial review procedures, but only if:

(1) the municipality or county complies with the provisions of this Section in all respects except in regard to enacting an ordinance pursuant to Section 11-208.3;

(2) the municipality or county has sent a notice of impending ~~driver's drivers~~ license suspension as prescribed by an ordinance enacted pursuant to subsection (g) of this Section; ~~and~~

(3) in municipalities or counties with a population of 1,000,000 or more, the municipality or county has verified that the alleged violator's State vehicle registration number and vehicle make are correct as they appear on the citations; ~~and~~

(4) in the case of final judgment for 10 or more violations of local standing, parking, or compliance regulations, the municipality or county first conducts a hearing in accordance with Section 11-208.3a.

(g) Any municipality or county, other than a municipality or county establishing standing, parking, and compliance regulations pursuant to Section 11-208.3, automated speed enforcement system regulations under Section 11-208.8, or automated traffic law regulations under Section 11-208.6, 11-208.9, or 11-1201.1, may provide by ordinance for the sending of a notice of impending ~~driver's drivers~~ license suspension to the person who has failed to satisfy any fine or penalty imposed by final judgment for 10 or more violations of local standing, parking, or compliance regulations or a combination of 5 or more automated speed enforcement system or automated traffic law violations after exhaustion of judicial review procedures. An ordinance so providing shall specify that the notice sent to the person liable for any fine or penalty shall state that failure to pay the fine or penalty owing within 45 days of the notice's date will result in the municipality or county notifying the Secretary of State that the person's ~~driver's drivers~~ license is eligible for suspension pursuant to this Section. The notice of impending ~~driver's drivers~~ license suspension shall be sent by first class United States mail, postage prepaid, to the address recorded with the Secretary of State or at the last address known to the lessor of the cited vehicle at the time of lease or, if any notice sent under Section 11-208.3 of this Code is returned as undeliverable, to the last known address recorded in a United States Post Office approved database.

(h) An administrative hearing to contest an impending suspension or a suspension made pursuant to this Section may be had upon filing a written request with the Secretary of State. (625 ILCS 5/11-208.3) (from Ch. 95 1/2, par. 11-208.3)

Sec. 11-208.3. Administrative adjudication of violations of traffic regulations concerning the standing, parking, or condition of vehicles, automated traffic law violations, and automated speed enforcement system violations.

(a) Any municipality or county may provide by ordinance for a system of administrative adjudication of vehicular standing and parking violations and vehicle compliance violations as described in this subsection, automated traffic law violations as defined in Section 11-208.6, 11-208.9, or 11-1201.1, and automated speed enforcement system violations as defined in Section 11-208.8. The administrative system shall have as its purpose the fair and efficient enforcement of municipal or county regulations through the administrative adjudication of automated speed enforcement system or automated traffic law violations and violations of municipal or county ordinances regulating the standing and parking of vehicles, the condition and use of vehicle equipment, and the display of municipal or county wheel tax licenses within the municipality's or county's borders. The administrative system shall only have authority to adjudicate civil offenses carrying fines not in excess of \$500 or requiring the completion of a traffic education program, or both, that occur after the effective date of the ordinance adopting such a system under this Section. For purposes of this Section, "compliance violation" means a violation of a municipal or county regulation governing the condition or use of equipment on a vehicle or governing the display of a municipal or county wheel tax license.

(b) Any ordinance establishing a system of administrative adjudication under this Section shall provide for:

(1) A traffic compliance administrator authorized to adopt, distribute and process parking, compliance, and automated speed enforcement system or automated traffic law violation notices and other notices required by this Section, collect money paid as fines and penalties for violation of parking and compliance ordinances and automated speed enforcement system or automated traffic law violations, and operate an administrative adjudication system. The traffic compliance administrator also may make a certified report to the Secretary of State under Section 6-306.5.

(2) A parking, standing, compliance, automated speed enforcement system, or automated traffic law violation notice that shall specify the date, time, and place of violation of a parking, standing, compliance, automated speed enforcement system, or automated traffic law regulation; the particular regulation violated; any requirement to complete a traffic education program; the fine and any penalty that may be assessed for late payment or failure to complete a required traffic education program, or both, when so provided by ordinance; the vehicle make and state registration number; and the identification number of the person issuing the notice. With regard to automated speed enforcement system or automated traffic law violations, vehicle make shall be specified on the automated speed enforcement system or automated traffic law violation notice if the make is available and readily discernible. With regard to municipalities or counties with a population of 1 million or more, it shall be grounds for dismissal of a parking violation if the state registration number or vehicle make specified is incorrect. The violation notice shall state that the completion of any required traffic education program, the payment of any indicated fine, and the payment of any applicable penalty for late payment or failure to complete a required traffic education program, or both, shall operate as a final disposition of the violation. The notice also shall contain information as to the availability of a hearing in which the violation may be contested on its merits. The violation notice shall specify the time and manner in which a hearing may be had.

(3) Service of the parking, standing, or compliance violation notice by affixing the original or a facsimile of the notice to an unlawfully parked vehicle or by handing the notice to the operator of a vehicle if he or she is present and service of an automated speed enforcement system or automated traffic law violation notice by mail to the address of the registered owner or lessee of the cited vehicle as recorded with the Secretary of State or the lessor of the motor vehicle within 30 days after the Secretary of State or the lessor of the motor vehicle notifies the municipality or county of the identity of the owner or lessee of the vehicle, but not later than 90 days after the violation, except that in the case of a lessee of a motor vehicle, service of an automated traffic law violation notice may occur no later than 210 days after the violation. A person authorized by ordinance to issue and serve parking, standing, and compliance violation notices shall certify as to the correctness of the facts entered on the violation notice by signing his or her name to the notice at the time of service or in the case of a notice produced by a computerized device, by signing a single certificate to be kept by the traffic compliance administrator attesting to the correctness of all notices produced by the device while it was under his or her control. In the case of an automated traffic law violation, the ordinance shall require a determination by a technician employed or contracted by the municipality or county that, based on inspection of recorded images, the motor vehicle was being operated in violation of Section 11-208.6, 11-208.9, or 11-1201.1 or a local ordinance. If the technician determines that the vehicle entered the intersection as part of a funeral procession or in order to yield the right-of-way to an emergency vehicle, a citation shall not be issued. In municipalities with a population of less than 1,000,000 inhabitants and counties with a population of less than 3,000,000 inhabitants, the automated traffic law ordinance shall require that all determinations by a technician that a motor vehicle was being operated in violation of Section 11-208.6, 11-208.9, or 11-1201.1 or a local ordinance must be reviewed and approved by a law enforcement officer or retired law enforcement officer of the municipality or county issuing the violation. In municipalities with a population of 1,000,000 or more inhabitants and counties with a population of 3,000,000 or more inhabitants, the automated traffic law ordinance shall require that all determinations by a technician that a motor vehicle was being operated in violation of Section 11-208.6, 11-208.9, or 11-1201.1 or a local ordinance must be reviewed and approved by a law enforcement officer or retired law enforcement officer of the municipality or county issuing the violation or by an additional fully-trained reviewing technician who is not employed by the contractor who employs the technician who made the initial determination. In the case of an automated speed enforcement system violation, the ordinance shall require a determination by a technician employed by the municipality, based upon an inspection of recorded images, video or other documentation, including documentation of the speed limit and automated speed enforcement signage, and documentation of the inspection, calibration, and certification of the speed equipment, that the vehicle was being operated in violation of Article VI of Chapter 11 of this Code or a similar local ordinance. If the technician determines that the vehicle speed was not determined by a calibrated, certified speed equipment device based upon the speed equipment documentation, or if the vehicle was an emergency vehicle, a citation may not be issued. The automated speed enforcement ordinance shall require that all determinations by a technician that a violation occurred be reviewed and approved by a law enforcement officer or retired law enforcement officer of the municipality issuing the violation or by an additional fully trained reviewing technician who is not employed by the contractor who employs the technician who made the initial determination. Routine and independent calibration of the speeds produced by automated speed enforcement systems and

equipment shall be conducted annually by a qualified technician. Speeds produced by an automated speed enforcement system shall be compared with speeds produced by lidar or other independent equipment. Radar or lidar equipment shall undergo an internal validation test no less frequently than once each week. Qualified technicians shall test loop based equipment no less frequently than once a year. Radar equipment shall be checked for accuracy by a qualified technician when the unit is serviced, when unusual or suspect readings persist, or when deemed necessary by a reviewing technician. Radar equipment shall be checked with the internal frequency generator and the internal circuit test whenever the radar is turned on. Technicians must be alert for any unusual or suspect readings, and if unusual or suspect readings of a radar unit persist, that unit shall immediately be removed from service and not returned to service until it has been checked by a qualified technician and determined to be functioning properly. Documentation of the annual calibration results, including the equipment tested, test date, technician performing the test, and test results, shall be maintained and available for use in the determination of an automated speed enforcement system violation and issuance of a citation. The technician performing the calibration and testing of the automated speed enforcement equipment shall be trained and certified in the use of equipment for speed enforcement purposes. Training on the speed enforcement equipment may be conducted by law enforcement, civilian, or manufacturer's personnel and if applicable may be equivalent to the equipment use and operations training included in the Speed Measuring Device Operator Program developed by the National Highway Traffic Safety Administration (NHTSA). The vendor or technician who performs the work shall keep accurate records on each piece of equipment the technician calibrates and tests. As used in this paragraph, "fully-trained reviewing technician" means a person who has received at least 40 hours of supervised training in subjects which shall include image inspection and interpretation, the elements necessary to prove a violation, license plate identification, and traffic safety and management. In all municipalities and counties, the automated speed enforcement system or automated traffic law ordinance shall require that no additional fee shall be charged to the alleged violator for exercising his or her right to an administrative hearing, and persons shall be given at least 25 days following an administrative hearing to pay any civil penalty imposed by a finding that Section 11-208.6, 11-208.8, 11-208.9, or 11-1201.1 or a similar local ordinance has been violated. The original or a facsimile of the violation notice or, in the case of a notice produced by a computerized device, a printed record generated by the device showing the facts entered on the notice, shall be retained by the traffic compliance administrator, and shall be a record kept in the ordinary course of business. A parking, standing, compliance, automated speed enforcement system, or automated traffic law violation notice issued, signed and served in accordance with this Section, a copy of the notice, or the computer generated record shall be prima facie correct and shall be prima facie evidence of the correctness of the facts shown on the notice. The notice, copy, or computer generated record shall be admissible in any subsequent administrative or legal proceedings.

(4) An opportunity for a hearing for the registered owner of the vehicle cited in the parking, standing, compliance, automated speed enforcement system, or automated traffic law violation notice in which the owner may contest the merits of the alleged violation, and during which formal or technical rules of evidence shall not apply; provided, however, that under Section 11-1306 of this Code the lessee of a vehicle cited in the violation notice likewise shall be provided an opportunity for a hearing of the same kind afforded the registered owner. The hearings shall be recorded, and the person conducting the hearing on behalf of the traffic compliance administrator shall be empowered to administer oaths and to secure by subpoena both the attendance and testimony of witnesses and the production of relevant books and papers. Persons appearing at a hearing under this Section may be represented by counsel at their expense. The ordinance may also provide for internal administrative review following the decision of the hearing officer.

(5) Service of additional notices, sent by first class United States mail, postage prepaid, to the address of the registered owner of the cited vehicle as recorded with the Secretary of State or, if any notice to that address is returned as undeliverable, to the last known address recorded in a United States Post Office approved database, or, under Section 11-1306 or subsection (p) of Section 11-208.6 or 11-208.9, or subsection (p) of Section 11-208.8 of this Code, to the lessee of the cited vehicle at the last address known to the lessor of the cited vehicle at the time of lease or, if any notice to that address is returned as undeliverable, to the last known address recorded in a United States Post Office approved database. The service shall be deemed complete as of the date of deposit in the United States mail. The notices shall be in the following sequence and shall include but not be limited to the information specified herein:

(i) A second notice of parking, standing, or compliance violation. This notice shall specify the date and location of the violation cited in the parking, standing, or compliance violation notice, the particular regulation violated, the vehicle make and state registration number,

any requirement to complete a traffic education program, the fine and any penalty that may be assessed for late payment or failure to complete a traffic education program, or both, when so provided by ordinance, the availability of a hearing in which the violation may be contested on its merits, and the time and manner in which the hearing may be had. The notice of violation shall also state that failure to complete a required traffic education program, to pay the indicated fine and any applicable penalty, or to appear at a hearing on the merits in the time and manner specified, will result in a final determination of violation liability for the cited violation in the amount of the fine or penalty indicated, and that, upon the occurrence of a final determination of violation liability for the failure, and the exhaustion of, or failure to exhaust, available administrative or judicial procedures for review, any incomplete traffic education program or any unpaid fine or penalty, or both, will constitute a debt due and owing the municipality or county.

(ii) A notice of final determination of parking, standing, compliance, automated speed enforcement system, or automated traffic law violation liability. This notice shall be sent following a final determination of parking, standing, compliance, automated speed enforcement system, or automated traffic law violation liability and the conclusion of judicial review procedures taken under this Section. The notice shall state that the incomplete traffic education program or the unpaid fine or penalty, or both, is a debt due and owing the municipality or county. The notice shall contain warnings that failure to complete any required traffic education program or to pay any fine or penalty due and owing the municipality or county, or both, within the time specified may result in the municipality's or county's filing of a petition in the Circuit Court to have the incomplete traffic education program or unpaid fine or penalty, or both, rendered a judgment as provided by this Section, or, where applicable, may result in suspension of the person's driver's license for failure to complete a traffic education program or to pay fines or penalties, or both, for 10 or more parking violations under Section 6-306.5, or a combination of 5 or more automated traffic law violations under Section 11-208.6 or 11-208.9 or automated speed enforcement system violations under Section 11-208.8.

(6) A notice of impending driver's license suspension. This notice shall be sent to the person liable for failure to complete a required traffic education program or to pay any fine or penalty that remains due and owing, or both, on 10 or more parking violations or combination of 5 or more unpaid automated speed enforcement system or automated traffic law violations. The notice shall state that failure to complete a required traffic education program or to pay the fine or penalty owing, or both, within 45 days of the notice's date will result in the municipality or county notifying the Secretary of State that the person is eligible for initiation of suspension proceedings under Section 6-306.5 of this Code. The notice shall also state that the person may obtain a photostatic copy of an original ticket imposing a fine or penalty by sending a self addressed, stamped envelope to the municipality or county along with a request for the photostatic copy. The notice of impending driver's license suspension shall be sent by first class United States mail, postage prepaid, to the address recorded with the Secretary of State or, if any notice to that address is returned as undeliverable, to the last known address recorded in a United States Post Office approved database.

(6.5) In the case of a notice of impending driver's license suspension issued under subsection (6) of this Section for failure to pay any fine or penalty due and owing on 10 or more violations of local standing, parking, or compliance regulations, an additional notice that the individual subject to the driver's license suspension has the right to request a hearing under Section 11-208.3a of this Code for the purpose of determining whether the individual cannot pay the fines or penalties because he or she is indigent or has a limited income.

(A) The notice shall be in substantially the following form:

"NOTICE OF YOUR RIGHT TO A PRE-SUSPENSION HEARING

Your driver's license is at risk of being suspended on (date of possible suspension) because you have failed to pay fines and/or penalties due and owing on 10 or more violations of local standing, parking, or compliance regulations to (Name of municipality or county). These violations include:

[list of all fines or penalties for violations of a municipality's or county's vehicular standing, parking, or compliance regulations leading to the proposed suspension]

You have the right to request a hearing to determine whether you are unable to pay the fines or penalties because of a financial hardship. If the hearing officer determines that you are unable to pay because of a financial hardship, then you may be placed on a payment plan based on your income and your driver's license will not be suspended.

You can request a hearing by filling out the enclosed form and mailing it to (address and phone number of municipality or county). (Municipality or County) may also accept requests by email at (insert email here, if applicable)."

(B) The notice of impending suspension set forth in this subparagraph shall be accompanied by a request for hearing with the relevant information inserted by the municipality or county. The request for hearing shall be in substantially the following form:

"REQUEST FOR HEARING

Re: [Driver's License number and any other account number used by the municipality or county]:

To:

Name of Municipality or County.....

Mailing Address.....

I, (insert name), hereby request a pre-suspension hearing.

.....
(Signed by) (Date)".

(7) Final determinations of violation liability. A final determination of violation liability shall occur following failure to complete the required traffic education program or to pay the fine or penalty, or both, after a hearing officer's determination of violation liability and the exhaustion of or failure to exhaust any administrative review procedures provided by ordinance. Where a person fails to appear at a hearing to contest the alleged violation in the time and manner specified in a prior mailed notice, the hearing officer's determination of violation liability shall become final: (A) upon denial of a timely petition to set aside that determination, or (B) upon expiration of the period for filing the petition without a filing having been made.

(8) A petition to set aside a determination of parking, standing, compliance, automated speed enforcement system, or automated traffic law violation liability that may be filed by a person owing an unpaid fine or penalty. A petition to set aside a determination of liability may also be filed by a person required to complete a traffic education program. The petition shall be filed with and ruled upon by the traffic compliance administrator in the manner and within the time specified by ordinance. The grounds for the petition may be limited to: (A) the person not having been the owner or lessee of the cited vehicle on the date the violation notice was issued, (B) the person having already completed the required traffic education program or paid the fine or penalty, or both, for the violation in question, and (C) excusable failure to appear at or request a new date for a hearing. With regard to municipalities or counties with a population of 1 million or more, it shall be grounds for dismissal of a parking violation if the state registration number, or vehicle make if specified, is incorrect. After the determination of parking, standing, compliance, automated speed enforcement system, or automated traffic law violation liability has been set aside upon a showing of just cause, the registered owner shall be provided with a hearing on the merits for that violation.

(9) Procedures for non-residents. Procedures by which persons who are not residents of the municipality or county may contest the merits of the alleged violation without attending a hearing.

(10) A schedule of civil fines for violations of vehicular standing, parking, compliance, automated speed enforcement system, or automated traffic law regulations enacted by ordinance pursuant to this Section, and a schedule of penalties for late payment of the fines or failure to complete required traffic education programs, provided, however, that the total amount of the fine and penalty for any one violation shall not exceed \$250, except as provided in subsection (c) of Section 11-1301.3 of this Code.

(11) Other provisions as are necessary and proper to carry into effect the powers granted and purposes stated in this Section.

(c) Any municipality or county establishing vehicular standing, parking, compliance, automated speed enforcement system, or automated traffic law regulations under this Section may also provide by ordinance for a program of vehicle immobilization for the purpose of facilitating enforcement of those regulations. The program of vehicle immobilization shall provide for immobilizing any eligible vehicle upon the public way by presence of a restraint in a manner to prevent operation of the vehicle. Any ordinance establishing a program of vehicle immobilization under this Section shall provide:

(1) Criteria for the designation of vehicles eligible for immobilization. A vehicle shall be eligible for immobilization when the registered owner of the vehicle has accumulated the number of incomplete traffic education programs or unpaid final determinations of parking, standing,

compliance, automated speed enforcement system, or automated traffic law violation liability, or both, as determined by ordinance.

(2) A notice of impending vehicle immobilization and a right to a hearing to challenge the validity of the notice by disproving liability for the incomplete traffic education programs or unpaid final determinations of parking, standing, compliance, automated speed enforcement system, or automated traffic law violation liability, or both, listed on the notice.

(3) The right to a prompt hearing after a vehicle has been immobilized or subsequently towed without the completion of the required traffic education program or payment of the outstanding fines and penalties on parking, standing, compliance, automated speed enforcement system, or automated traffic law violations, or both, for which final determinations have been issued. An order issued after the hearing is a final administrative decision within the meaning of Section 3-101 of the Code of Civil Procedure.

(4) A post immobilization and post-towing notice advising the registered owner of the vehicle of the right to a hearing to challenge the validity of the impoundment.

(d) Judicial review of final determinations of parking, standing, compliance, automated speed enforcement system, or automated traffic law violations and final administrative decisions issued after hearings regarding vehicle immobilization and impoundment made under this Section shall be subject to the provisions of the Administrative Review Law.

(e) Any fine, penalty, incomplete traffic education program, or part of any fine or any penalty remaining unpaid after the exhaustion of, or the failure to exhaust, administrative remedies created under this Section and the conclusion of any judicial review procedures shall be a debt due and owing the municipality or county and, as such, may be collected in accordance with applicable law. Completion of any required traffic education program and payment in full of any fine or penalty resulting from a standing, parking, compliance, automated speed enforcement system, or automated traffic law violation shall constitute a final disposition of that violation.

(f) After the expiration of the period within which judicial review may be sought for a final determination of parking, standing, compliance, automated speed enforcement system, or automated traffic law violation, the municipality or county may commence a proceeding in the Circuit Court for purposes of obtaining a judgment on the final determination of violation. Nothing in this Section shall prevent a municipality or county from consolidating multiple final determinations of parking, standing, compliance, automated speed enforcement system, or automated traffic law violations against a person in a proceeding. Upon commencement of the action, the municipality or county shall file a certified copy or record of the final determination of parking, standing, compliance, automated speed enforcement system, or automated traffic law violation, which shall be accompanied by a certification that recites facts sufficient to show that the final determination of violation was issued in accordance with this Section and the applicable municipal or county ordinance. Service of the summons and a copy of the petition may be by any method provided by Section 2-203 of the Code of Civil Procedure or by certified mail, return receipt requested, provided that the total amount of fines and penalties for final determinations of parking, standing, compliance, automated speed enforcement system, or automated traffic law violations does not exceed \$2500. If the court is satisfied that the final determination of parking, standing, compliance, automated speed enforcement system, or automated traffic law violation was entered in accordance with the requirements of this Section and the applicable municipal or county ordinance, and that the registered owner or the lessee, as the case may be, had an opportunity for an administrative hearing and for judicial review as provided in this Section, the court shall render judgment in favor of the municipality or county and against the registered owner or the lessee for the amount indicated in the final determination of parking, standing, compliance, automated speed enforcement system, or automated traffic law violation, plus costs. The judgment shall have the same effect and may be enforced in the same manner as other judgments for the recovery of money.

(g) The fee for participating in a traffic education program under this Section shall not exceed \$25.

A low-income individual required to complete a traffic education program under this Section who provides proof of eligibility for the federal earned income tax credit under Section 32 of the Internal Revenue Code or the Illinois earned income tax credit under Section 212 of the Illinois Income Tax Act shall not be required to pay any fee for participating in a required traffic education program.

(d) A hearing officer may continue a hearing as needed to allow the individual to present additional information or enable the hearing officer to make additional determinations.

(e) In the case of an indigent individual, unless the hearing officer determines that a payment plan of any amount would cause the individual hardship, the hearing officer shall establish a monthly payment plan of the greater of \$1 or 0.5% of the individual's average monthly income. The payment plan shall continue until the earlier of:

(1) 60 months of payments on the plan; or

(2) the individual has satisfied the amount due and owing.

(110 ILCS 27/16 new)

Sec. 16. High school and community college partnership agreements; dual credit. A community college district shall, upon the request of a school district within the jurisdiction of the community college district, enter into a partnership agreement with the school district to offer dual credit coursework.

A school district may offer any course identified in the Illinois Articulation Initiative General Education Core Curriculum package under the Illinois Articulation Initiative Act as a dual credit course on the campus of a high school of the school district and may use a high school instructor who has met the academic credential requirements under this Act to teach the dual credit course.

The partnership agreement shall include all of the following:

(1) The establishment of the school district's and the community college district's respective roles and responsibilities in providing the program and ensuring the quality and instructional rigor of the program. This must include an assurance that the community college district has appropriate academic control of the curriculum, consistent with any State or federal law and as required or negotiated with the Higher Learning Commission or other applicable accrediting agency.

[May 30, 2018]

(2) The dual credit courses that the school district will offer its students and whether those courses will be offered on the high school or community college campus or through an online platform established by the Illinois Community College Board.

(3) The establishment of academic criteria for granting eligibility for high school students to enroll in dual credit coursework. The academic criteria shall be evidence-based and shall include multiple appropriate measures to determine whether a student is prepared for any dual credit coursework in which the student enrolls.

(4) The establishment of any limitations that the school district or community college district may put on course offerings due to availability of instructors, the availability of students for specific course offerings, or local board policy.

(5) The requirement that the dual credit instructor meet the academic credential requirements to teach a dual credit course, consistent with paragraphs (1), (2), and (3) of Section 20 of this Act, but shall not be required to exceed those credentials.

(6) The collaborative process and criteria by which the school district shall identify and recommend and the community college district shall review and approve high school instructors of dual credit courses taught on the campus of a high school. This provision shall require that the school district be responsible for hiring and compensating the instructor.

(7) The requirement that a community college district take the appropriate steps to ensure that dual credit courses are equivalent to those courses offered at the community college in quality and rigor to qualify for college credit. The dual credit programs shall encompass the following characteristics:

(A) Student learning outcomes expected for dual credit courses in General Education Core Curriculum courses and the professional and career and technical disciplines shall be the same as the student learning outcomes expected for the same courses taught on the postsecondary campus.

(B) Course content, course delivery, and course rigor shall be evaluated by the community college chief academic officer or his or her designee, in consultation with the school district's superintendent or his or her designee. The evaluation shall be conducted in a manner that is consistent with the community college district's review and evaluation policy and procedures for on-campus adjunct faculty, including visits to the secondary class. This evaluation shall be limited to the course and the ability of the instructor to deliver quality, rigorous college credit coursework. This evaluation shall not impact the instructor's performance evaluation.

(C) The academic supports and, if applicable, guidance that will be provided to students participating in the program by the high school and the community college district.

(8) Identify all fees and costs to be assessed by the community college district for dual credit courses. This provision shall require that any fees and costs assessed for dual credit courses shall be reasonable and promote student access to those courses, and may take into account regional considerations and differences.

(9) The community college district shall establish a mechanism for evaluating and documenting on a regular basis the performance of students who complete dual credit courses, consistent with paragraph (9) of Section 20 and Section 30 of this Act, and for sharing that data in a meaningful and timely manner with the school district. This evaluation shall be limited to the course and the coursework. This evaluation shall not impact the instructor's performance evaluation.

If, within 180 calendar days of the school district's initial request to enter into a partnership agreement with the community college district, the school district and the community college district do not reach agreement on the partnership agreement, then the school district and community college district shall jointly implement the provisions of the Model Partnership Agreement established under Section 19 of this Act. A community college district may combine its negotiations with multiple school districts to establish one multi-district partnership agreement or may negotiate individual partnership agreements at its discretion.

(110 ILCS 27/17 new)

Sec. 17. Out-of-State dual credit contracts. On or after the effective date of this amendatory Act of the 100th General Assembly, a school district may not enter into a new contract with an out-of-state institution to provide a dual credit course without first offering the community college district in the district in which the school district is located the opportunity to provide the course. Prior to entering into a contract with an out-of-state institution, the school district shall notify the Board of Higher Education of its intent to enter into an agreement with an out-of-state institution. The Board of Higher Education shall have 30 days to provide the school district with a list of in-state institutions that can provide the school district an equivalent dual credit opportunity. In deciding which dual credit courses to offer, a school district reserves the right to evaluate any dual credit course offered by any institution for quality, rigor, and alignment with the school district's students' needs.

[May 30, 2018]

Agreements to provide dual credit courses between a school district and an out-of-state institution in existence on the effective date of this amendatory Act of the 100th General Assembly shall remain in effect and shall not be impacted by this Section.

(110 ILCS 27/18 new)

Sec. 18. Recognition of dual credit coursework completion. Any General Education Core Curriculum dual credit coursework completed by a high school student under this Act must be recognized as credit-bearing college-level coursework meeting General Education Core Curriculum requirements, consistent with the Illinois Articulation Act, if the course or courses have an existing Illinois Articulation Initiative code at the community college. Dual credit coursework completed by a high school student under this Act is transferrable to all public institutions in this State on the same basis as completed by a public community college student who has previously earned a high school diploma in the manner set forth under the Illinois Articulation Initiative Act.

(110 ILCS 27/19 new)

Sec. 19. Model Partnership Agreement and Dual Credit Committee. A Model Partnership Agreement shall be developed through a Dual Credit Committee involving collaboration between the Illinois Community College Board and the State Board of Education by June 30, 2019. The Committee shall consist of 5 members appointed by the State Superintendent of Education and 5 members appointed by the Executive Director of the Illinois Community College Board. The Model Partnership Agreement shall address all of the matters set forth in Section 16 of this Act.

(110 ILCS 27/20)

(B) An instructor that does not meet the faculty credential standards allowed by the Higher Learning Commission to determine minimally qualified faculty may teach dual credit courses if the instructor has a professional development plan, approved by the institution, to raise his or her credentials to be in line with the credentials under subparagraph (A) of this Section. The institution shall have 30 days to review the plan and shall approve instructor professional development plans that are in line with the credentials set forth in paragraph 2 of this Section. The institution shall not unreasonably withhold approval of a professional development plan. These approvals shall be good for as long a satisfactory progress toward the completion of the credential is demonstrated. A high school instructor whose professional development plan is not approved by the institution may appeal to the Illinois Community College Board or the Board of Higher Education, as appropriate.

(2) A high school instructor shall qualify for a professional development plan if the instructor:

(A) has a master's degree in any discipline and has earned 9 graduate hours in a discipline in which he or she is currently teaching or expects to teach; or

(B) has a bachelor Degree with a minimum of 18 graduate hours in a discipline that he or she is currently teaching or expects to teach and is enrolled in a discipline-specific masters degree program; and

(C) agrees to demonstrate his or her progress toward completion to the supervising institution, as outlined in the professional development plan.

(3) An instructor in career and technical education courses must possess the credentials and demonstrated teaching competencies appropriate to the field of instruction.

(4) Course content must be equivalent to credit-bearing college-level courses offered at the community college.

(5) Learning outcomes must be the same as credit-bearing college-level courses and be appropriately measured.

(6) A high school instructor is expected to participate in any orientation developed by the institution for dual credit instructors in course curriculum, assessment methods, and administrative requirements.

~~(1) Instructors teaching credit-bearing college-level courses for dual credit must meet the same academic credential requirements as faculty teaching on campus and need not meet certification requirements set out in Article 21 of the School Code.~~

~~(3) Students must meet the same academic criteria as those enrolled in credit-bearing college courses, including taking appropriate placement testing.~~

~~(4) Course content must be the same as that required for credit-bearing college courses.~~

~~(5) Learning outcomes must be the same as for credit-bearing college courses and be appropriately measured.~~

~~(6) Institutions shall provide high school instructors with an orientation in course curriculum, assessment methods, and administrative requirements before high school instructors are permitted to teach dual credit courses.~~

(7) Dual credit instructors must be given the opportunity to participate in all activities available to other adjunct faculty, including professional development, seminars, site visits, and internal communication, provided that such opportunities do not interfere with an instructor's regular teaching duties.

(8) Every dual credit course must be reviewed annually by faculty through the appropriate department to ensure consistency with campus courses.

(9) Dual credit students must be assessed using methods consistent with students in traditional credit-bearing college courses.

"Section 5. The Department of Professional Regulation Law of the Civil Administrative Code of Illinois is amended by changing Section 2105-15 and by adding Section 2105-140 as follows:

(20 ILCS 2105/2105-15)

Sec. 2105-15. General powers and duties.

(1) To authorize examinations in English to ascertain the qualifications and fitness of applicants to exercise the profession, trade, or occupation for which the examination is held.

(2) To prescribe rules and regulations for a fair and wholly impartial method of examination of candidates to exercise the respective professions, trades, or occupations.

(3) To pass upon the qualifications of applicants for licenses, certificates, and authorities, whether by examination, by reciprocity, or by endorsement.

(4) To prescribe rules and regulations defining, for the respective professions, trades, and occupations, what shall constitute a school, college, or university, or department of a university, or other institution, reputable and in good standing, and to determine the reputability and good standing of a school, college, or university, or department of a university, or other institution, reputable and in good standing, by reference to a compliance with those rules and regulations; provided, that no school, college, or university, or department of a university, or other institution that refuses admittance to applicants solely on account of race, color, creed, sex, sexual orientation, or national origin shall be considered reputable and in good standing.

(5) To conduct hearings on proceedings to revoke, suspend, refuse to renew, place on probationary status, or take other disciplinary action as authorized in any licensing Act administered by the Department with regard to licenses, certificates, or authorities of persons exercising the respective professions, trades, or occupations and to revoke, suspend, refuse to renew, place on probationary status, or take other disciplinary action as authorized in any licensing Act administered by the Department with regard to those licenses, certificates, or authorities.

The Department shall issue a monthly disciplinary report.

The Department shall deny any license or renewal authorized by the Civil Administrative Code of Illinois to any person who has defaulted on an educational loan or scholarship provided by or guaranteed by the Illinois Student Assistance Commission or any governmental agency of this State; however, the Department may issue a license or renewal if the aforementioned persons have established a satisfactory repayment record as determined by the Illinois Student Assistance Commission or other appropriate governmental agency of this State. Additionally, beginning June 1, 1996, any license issued by the Department may be suspended or revoked if the Department, after the opportunity for a hearing under the appropriate licensing Act, finds that the licensee has failed to make satisfactory repayment to the Illinois Student Assistance Commission for a delinquent or defaulted loan. For the purposes of this Section, "satisfactory repayment record" shall be defined by rule.

The Department shall refuse to issue or renew a license to, or shall suspend or revoke a license of, any person who, after receiving notice, fails to comply with a subpoena or warrant relating to a paternity or child support proceeding. However, the Department may issue a license or renewal upon compliance with the subpoena or warrant.

The Department, without further process or hearings, shall revoke, suspend, or deny any license or renewal authorized by the Civil Administrative Code of Illinois to a person who is certified by the Department of Healthcare and Family Services (formerly Illinois Department of Public Aid) as being more than 30 days delinquent in complying with a child support order or who is certified by a court as being in violation of the Non-Support Punishment Act for more than 60 days. The Department may, however, issue a license or renewal if the person has established a satisfactory repayment record

[May 30, 2018]

as determined by the Department of Healthcare and Family Services (formerly Illinois Department of Public Aid) or if the person is determined by the court to be in compliance with the Non-Support Punishment Act. The Department may implement this paragraph as added by Public Act 89-6 through the use of emergency rules in accordance with Section 5-45 of the Illinois Administrative Procedure Act. For purposes of the Illinois Administrative Procedure Act, the adoption of rules to implement this paragraph shall be considered an emergency and necessary for the public interest, safety, and welfare.

(6) To transfer jurisdiction of any realty under the control of the Department to any other department of the State Government or to acquire or accept federal lands when the transfer, acquisition, or acceptance is advantageous to the State and is approved in writing by the Governor.

(7) To formulate rules and regulations necessary for the enforcement of any Act administered by the Department.

(8) To exchange with the Department of Healthcare and Family Services information that may be necessary for the enforcement of child support orders entered pursuant to the Illinois Public Aid Code, the Illinois Marriage and Dissolution of Marriage Act, the Non-Support of Spouse and Children Act, the Non-Support Punishment Act, the Revised Uniform Reciprocal Enforcement of Support Act, the Uniform Interstate Family Support Act, the Illinois Parentage Act of 1984, or the Illinois Parentage Act of 2015. Notwithstanding any provisions in this Code to the contrary, the Department of Professional Regulation shall not be liable under any federal or State law to any person for any disclosure of information to the Department of Healthcare and Family Services (formerly Illinois Department of Public Aid) under this paragraph (8) or for any other action taken in good faith to comply with the requirements of this paragraph (8).

(8.5) To accept continuing education credit for mandated reporter training on how to recognize and report child abuse offered by the Department of Children and Family Services and completed by any person who holds a professional license issued by the Department and who is a mandated reporter under the Abused and Neglected Child Reporting Act. The Department shall adopt any rules necessary to implement this paragraph.

(9) To perform other duties prescribed by law.

(a-5) Except in cases involving default on an educational loan or scholarship provided by or guaranteed by the Illinois Student Assistance Commission or any governmental agency of this State or in cases involving delinquency in complying with a child support order or violation of the Non-Support Punishment Act and notwithstanding anything that may appear in any individual licensing Act or administrative rule, no person or entity whose license, certificate, or authority has been revoked as authorized in any licensing Act administered by the Department may apply for restoration of that license, certification, or authority until 3 years after the effective date of the revocation.

(b) (Blank).

(c) For the purpose of securing and preparing evidence, and for the purchase of controlled substances, professional services, and equipment necessary for enforcement activities, recoupment of investigative costs, and other activities directed at suppressing the misuse and abuse of controlled substances, including those activities set forth in Sections 504 and 508 of the Illinois Controlled Substances Act, the Director and agents appointed and authorized by the Director may expend sums from the Professional Regulation Evidence Fund that the Director deems necessary from the amounts appropriated for that purpose. Those sums may be advanced to the agent when the Director deems that procedure to be in the public interest. Sums for the purchase of controlled substances, professional services, and equipment necessary for enforcement activities and other activities as set forth in this Section shall be advanced to the agent who is to make the purchase from the Professional Regulation Evidence Fund on vouchers signed by the Director. The Director and those agents are authorized to maintain one or more commercial checking accounts with any State banking corporation or corporations organized under or subject to the Illinois Banking Act for the deposit and withdrawal of moneys to be used for the purposes set forth in this Section; provided, that no check may be written nor any withdrawal made from any such account except upon the written signatures of 2 persons designated by the Director to write those checks and make those withdrawals. Vouchers for those expenditures must be signed by the Director. All such expenditures shall be audited by the Director, and the audit shall be submitted to the Department of Central Management Services for approval.

(d) Whenever the Department is authorized or required by law to consider some aspect of criminal history record information for the purpose of carrying out its statutory powers and responsibilities, then, upon request and payment of fees in conformance with the requirements of Section 2605-400 of the Department of State Police Law (20 ILCS 2605/2605-400), the Department of State Police is authorized to furnish, pursuant to positive identification, the information contained in State files that is necessary to fulfill the request.

[May 30, 2018]

(e) The provisions of this Section do not apply to private business and vocational schools as defined by Section 15 of the Private Business and Vocational Schools Act of 2012.

(f) (Blank).

(f-5) Notwithstanding anything that may appear in any individual licensing statute or administrative rule, the Department shall allow an applicant to provide his or her individual taxpayer identification number as an alternative to providing a social security number when applying for a license.

(g) Notwithstanding anything that may appear in any individual licensing statute or administrative rule, the Department shall deny any license application or renewal authorized under any licensing Act administered by the Department to any person who has failed to file a return, or to pay the tax, penalty, or interest shown in a filed return, or to pay any final assessment of tax, penalty, or interest, as required by any tax Act administered by the Illinois Department of Revenue, until such time as the requirement of any such tax Act are satisfied; however, the Department may issue a license or renewal if the person has established a satisfactory repayment record as determined by the Illinois Department of Revenue. For the purpose of this Section, "satisfactory repayment record" shall be defined by rule.

In addition, a complaint filed with the Department by the Illinois Department of Revenue that includes a certification, signed by its Director or designee, attesting to the amount of the unpaid tax liability or the years for which a return was not filed, or both, is prima facie evidence of the licensee's failure to comply with the tax laws administered by the Illinois Department of Revenue. Upon receipt of that certification, the Department shall, without a hearing, immediately suspend all licenses held by the licensee. Enforcement of the Department's order shall be stayed for 60 days. The Department shall provide notice of the suspension to the licensee by mailing a copy of the Department's order to the licensee's address of record or emailing a copy of the order to the licensee's email address of record. The notice shall advise the licensee that the suspension shall be effective 60 days after the issuance of the Department's order unless the Department receives, from the licensee, a request for a hearing before the Department to dispute the matters contained in the order.

Any suspension imposed under this subsection (g) shall be terminated by the Department upon notification from the Illinois Department of Revenue that the licensee is in compliance with all tax laws administered by the Illinois Department of Revenue.

The Department may promulgate rules for the administration of this subsection (g).

(h) The Department may grant the title "Retired", to be used immediately adjacent to the title of a profession regulated by the Department, to eligible retirees. For individuals licensed under the Medical Practice Act of 1987, the title "Retired" may be used in the profile required by the Patients' Right to Know Act. The use of the title "Retired" shall not constitute representation of current licensure, registration, or certification. Any person without an active license, registration, or certificate in a profession that requires licensure, registration, or certification shall not be permitted to practice that profession.

(i) Within 180 days after December 23, 2009 (the effective date of Public Act 96-852), the Department shall promulgate rules which permit a person with a criminal record, who seeks a license or certificate in an occupation for which a criminal record is not expressly a per se bar, to apply to the Department for a non-binding, advisory opinion to be provided by the Board or body with the authority to issue the license or certificate as to whether his or her criminal record would bar the individual from the licensure or certification sought, should the individual meet all other licensure requirements including, but not limited to, the successful completion of the relevant examinations.

Sec. 2105-140. Licensure; immigration status. No person shall be denied a license, certificate, limited permit, or registration issued by the Department solely based on his or her citizenship status or immigration status. The General Assembly finds and declares that this Section is a State law within the meaning of subsection (d) of Section 1621 of Title 8 of the United States Code. Nothing in this Section shall affect the requirements to obtain a professional license that are not directly related to citizenship status or immigration status. Nothing in this Section shall be construed to grant eligibility for obtaining any public benefit other than a professional license issued by the Department.

Section 10. The School Code is amended by changing Section 21B-15 as follows:
(105 ILCS 5/21B-15)

Sec. 21B-15. Qualifications of educators.

(a) No one may be licensed to teach or supervise or be otherwise employed in the public schools of this State who is not of good character and at least 19 years of age.

In determining good character under this Section, the State Superintendent of Education shall take into consideration the disciplinary actions of other states or national entities against certificates or licenses issued by those states and held by individuals from those states. In addition, any felony conviction of the applicant may be taken into consideration; however, no one may be licensed to teach or supervise in the public schools of this State who has been convicted of (i) an offense set forth in subsection (b) of Section 21B-80 of this Code until 7 years following the end of the sentence for the criminal offense or (ii) an offense set forth in subsection (c) of Section 21B-80 of this Code. Unless the conviction is for an offense set forth in Section 21B-80 of this Code, an applicant must be permitted to submit character references or other written material before such a conviction or other information regarding the applicant's character may be used by the State Superintendent of Education as a basis for denying the application.

(b) No person otherwise qualified shall be denied the right to be licensed or to receive training for the purpose of becoming an educator because of a physical disability, including, but not limited to, visual and hearing disabilities; nor shall any school district refuse to employ a teacher on such grounds, provided that the person is able to carry out the duties of the position for which he or she applies.

(c) No person may be granted or continue to hold an educator license who has knowingly altered or misrepresented his or her qualifications, in this State or any other state, in order to acquire or renew the license. Any other license issued under this Article held by the person may be suspended or revoked by the State Educator Preparation and Licensure Board, depending upon the severity of the alteration or misrepresentation.

(d) No one may teach or supervise in the public schools nor receive for teaching or supervising any part of any public school fund who does not hold an educator license granted by the State Superintendent of Education as provided in this Article. However, the provisions of this Article do not apply to a member of the armed forces who is employed as a teacher of subjects in the Reserve Officers' Training Corps of any school, nor to an individual teaching a dual credit course as provided for in the Dual Credit Quality Act.

(e) Notwithstanding any other provision of this Code, the school board of a school district may grant to a teacher of the district a leave of absence with full pay for a period of not more than one year to permit the teacher to teach in a foreign state under the provisions of the Exchange Teacher Program established under Public Law 584, 79th Congress, and Public Law 402, 80th Congress, as amended. The school board granting the leave of absence may employ, with or without pay, a national of the foreign state wherein the teacher on the leave of absence is to teach if the national is qualified to teach in that foreign state and if that national is to teach in a grade level similar to the one that was taught in the foreign state. The State Board of Education, in consultation with the State Educator Preparation and Licensure Board, may adopt rules as may be necessary to implement this subsection (e).

(f) No person shall be denied a license issued under this Article solely based on his or her citizenship status or immigration status. The General Assembly finds and declares that this subsection (f) is a State law within the meaning of subsection (d) of Section 1621 of Title 8 of the United States Code. Nothing in this subsection shall affect the requirements to obtain a license that are not directly related to citizenship status or immigration status. Nothing in this subsection shall be construed to grant eligibility for obtaining any public benefit other than a license issued under this Article.

AMENDMENT NO. 1 TO SENATE BILL 3115

AMENDMENT NO. 1. Amend Senate Bill 3115 by replacing everything after the enacting clause with the following:

"Section 5. The Illinois Public Aid Code is amended by changing Section 12-4.11 as follows:
(305 ILCS 5/12-4.11) (from Ch. 23, par. 12-4.11)

Sec. 12-4.11. Grant amounts. The Department, with due regard for and subject to budgetary limitations, shall establish grant amounts for each of the programs, by regulation. The grant amounts may vary by program, size of assistance unit and geographic area. Grant amounts under the Temporary Assistance for Needy Families (TANF) program may not vary on the basis of a TANF recipient's county of residence.

Aid payments shall not be reduced except: (1) for changes in the cost of items included in the grant amounts, or (2) for changes in the expenses of the recipient, or (3) for changes in the income or resources available to the recipient, or (4) for changes in grants resulting from adoption of a consolidated grant amount.

The maximum benefit levels provided to TANF recipients shall increase as follows: beginning October 1, 2018, the Department of Human Services shall increase TANF grant amounts in effect on September 30, 2018 to at least 30% of the most recent United States Department of Health and Human Services Federal Poverty Guidelines for each family size.

TANF grants for child-only assistance units shall be at least 75% of TANF grants for assistance units of the same size that consist of a caretaker relative with children.

~~Subject to appropriation, beginning on July 1, 2008, the Department of Human Services shall increase TANF grant amounts in effect on June 30, 2008 by 15%. The Department is authorized to administer this increase but may not otherwise adopt any rule to implement this increase.~~

In fixing standards to govern payments or reimbursements for funeral and burial expenses, the Department shall establish a minimum allowable amount of not less than \$1,000 for Department payment of funeral services and not less than \$500 for Department payment of burial or cremation services. On January 1, 2006, July 1, 2006, and July 1, 2007, the Department shall increase the minimum reimbursement amount for funeral and burial expenses under this Section by a percentage equal to the percentage increase in the Consumer Price Index for All Urban Consumers, if any, during the 12 months immediately preceding that January 1 or July 1. In establishing the minimum allowable amount, the Department shall take into account the services essential to a dignified, low-cost (i) funeral and (ii) burial or cremation, including reasonable amounts that may be necessary for burial space and cemetery charges, and any applicable taxes or other required governmental fees or charges. If no person has agreed to pay the total cost of the (i) funeral and (ii) burial or cremation charges, the Department shall pay the vendor the actual costs of the (i) funeral and (ii) burial or cremation, or the minimum allowable amount for each service as established by the Department, whichever is less, provided that the Department reduces its payments by the amount available from the following sources: the decedent's assets and available resources and the anticipated amounts of any death benefits available to the decedent's estate, and amounts paid and arranged to be paid by the decedent's legally responsible relatives. A legally responsible relative is expected to pay (i) funeral and (ii) burial or cremation expenses unless financially unable to do so.

Nothing contained in this Section or in any other Section of this Code shall be construed to prohibit the Illinois Department (1) from consolidating existing standards on the basis of any standards which are or

Notwithstanding any provision of the law to the contrary, the General Assembly hereby authorizes the use of such funds for the purposes set forth in this Section.

These provisions do not apply to funds classified by the Comptroller as federal trust funds or State trust funds. The Audit Expense Fund may receive transfers from those trust funds only as directed herein, except where prohibited by the terms of the trust fund agreement. The Auditor General shall notify the trustees of those funds of the estimated cost of the audit to be incurred under the Illinois State Auditing Act for the fund. The trustees of those funds shall direct the State Comptroller and Treasurer to transfer the estimated amount to the Audit Expense Fund.

The Auditor General may bill entities that are not subject to the above transfer provisions, including private entities, related organizations and entities whose funds are locally-held, for the cost of audits, studies, and investigations incurred on their behalf. Any revenues received under this provision shall be deposited into the Audit Expense Fund.

In the event that moneys on deposit in any fund are unavailable, by reason of deficiency or any other reason preventing their lawful transfer, the State Comptroller shall order transferred and the State Treasurer shall transfer the amount deficient or otherwise unavailable from the General Revenue Fund for deposit into the Audit Expense Fund.

On or before December 1, 1992, and each December 1 thereafter, the Auditor General shall notify the Governor's Office of Management and Budget (formerly Bureau of the Budget) of the amount estimated to be necessary to pay for audits, studies, and investigations in accordance with the Illinois State Auditing Act during the next succeeding fiscal year for each State fund for which a transfer or reimbursement is anticipated.

Beginning with fiscal year 1994 and during each fiscal year thereafter, the Auditor General may direct the State Comptroller and Treasurer to transfer moneys from funds authorized by the General Assembly for that fund. In the event funds, including federal and State trust funds but excluding the General Revenue Fund, are transferred, during fiscal year 1994 and during each fiscal year thereafter, in excess of the amount to pay actual costs attributable to audits, studies, and investigations as permitted or required by the Illinois State Auditing Act or specific action of the General Assembly, the Auditor General shall, on September

30, or as soon thereafter as is practicable, direct the State Comptroller and Treasurer to transfer the excess amount back to the fund from which it was originally transferred.

(30 ILCS 105/13.2) (from Ch. 127, par. 149.2)

Sec. 13.2. Transfers among line item appropriations.

(a) Transfers among line item appropriations from the same treasury fund for the objects specified in this Section may be made in the manner provided in this Section when the balance remaining in one or more such line item appropriations is insufficient for the purpose for which the appropriation was made.

(a-1) No transfers may be made from one agency to another agency, nor may transfers be made from one institution of higher education to another institution of higher education except as provided by subsection (a-4).

(a-2) Except as otherwise provided in this Section, transfers may be made only among the objects of expenditure enumerated in this Section, except that no funds may be transferred from any appropriation for personal services, from any appropriation for State contributions to the State Employees' Retirement System, from any separate appropriation for employee retirement contributions paid by the employer, nor from any appropriation for State contribution for employee group insurance. During State fiscal year 2005, an agency may transfer amounts among its appropriations within the same treasury fund for personal services, employee retirement contributions paid by employer, and State Contributions to retirement systems; notwithstanding and in addition to the transfers authorized in subsection (c) of this Section, the fiscal year 2005 transfers authorized in this sentence may be made in an amount not to exceed 2% of the aggregate amount appropriated to an agency within the same treasury fund. During State fiscal year 2007, the Departments of Children and Family Services, Corrections, Human Services, and Juvenile Justice may transfer amounts among their respective appropriations within the same treasury fund for personal services, employee retirement contributions paid by employer, and State contributions to retirement systems. During State fiscal year 2010, the Department of Transportation may transfer amounts among their respective appropriations within the same treasury fund for personal services, employee retirement contributions paid by employer, and State contributions to retirement systems. During State fiscal years 2010 and 2014 only, an agency may transfer amounts among its respective appropriations within the same treasury fund for personal services, employee retirement contributions paid by employer, and State contributions to retirement systems. Notwithstanding, and in addition to, the transfers authorized in subsection (c) of this Section, these transfers may be made in an amount not to exceed 2% of the aggregate amount appropriated to an agency within the same treasury fund.

(a-2.5) During State fiscal year 2015 only, the State's Attorneys Appellate Prosecutor may transfer amounts among its respective appropriations contained in operational line items within the same treasury fund. Notwithstanding, and in addition to, the transfers authorized in subsection (c) of this Section, these transfers may be made in an amount not to exceed 4% of the aggregate amount appropriated to the State's Attorneys Appellate Prosecutor within the same treasury fund.

(a-3) Further, if an agency receives a separate appropriation for employee retirement contributions paid by the employer, any transfer by that agency into an appropriation for personal services must be accompanied by a corresponding transfer into the appropriation for employee retirement contributions paid by the employer, in an amount sufficient to meet the employer share of the employee contributions required to be remitted to the retirement system.

(a-4) Long-Term Care Rebalancing. The Governor may designate amounts set aside for institutional services appropriated from the General Revenue Fund or any other State fund that receives monies for long-term care services to be transferred to all State agencies responsible for the administration of community-based long-term care programs, including, but not limited to, community-based long-term care programs administered by the Department of Healthcare and Family Services, the Department of Human Services, and the Department on Aging, provided that the Director of Healthcare and Family Services first certifies that the amounts being transferred are necessary for the purpose of assisting persons in or at risk of being in institutional care to transition to community-based settings, including the financial data needed to prove the need for the transfer of funds. The total amounts transferred shall not exceed 4% in total of the amounts appropriated from the General Revenue Fund or any other State fund that receives monies for long-term care services for each fiscal year. A notice of the fund transfer must be made to the General Assembly and posted at a minimum on the Department of Healthcare and Family Services website, the Governor's Office of Management and Budget website, and any other website the Governor sees fit. These

postings shall serve as notice to the General Assembly of the amounts to be transferred. Notice shall be given at least 30 days prior to transfer.

(b) In addition to the general transfer authority provided under subsection (c), the following agencies have the specific transfer authority granted in this subsection:

The Department of Healthcare and Family Services is authorized to make transfers representing savings attributable to not increasing grants due to the births of additional children from line items for payments of cash grants to line items for payments for employment and social services for the purposes outlined in subsection (f) of Section 4-2 of the Illinois Public Aid Code.

The Department on Aging is authorized to make transfers not exceeding 2% of the aggregate amount appropriated to it within the same treasury fund for the following Community Care Program line items among these same line items: purchase of services covered by the Community Care Program and Comprehensive Case Coordination.

The State Treasurer is authorized to make transfers among line item appropriations from the Capital Litigation Trust Fund, with respect to costs incurred in fiscal years 2002 and 2003 only, when the balance remaining in one or more such line item appropriations is insufficient for the purpose for which the appropriation was made, provided that no such transfer may be made unless the amount transferred is no longer required for the purpose for which that appropriation was made.

The Department of Healthcare and Family Services is authorized to make transfers not exceeding 4% of the aggregate amount appropriated to it, within the same treasury fund, among the various line items appropriated for Medical Assistance.

(c) The sum of such transfers for an agency in a fiscal year shall not exceed 2% of the aggregate amount appropriated to it within the same treasury fund for the following objects: Personal Services; Extra Help; Student and Inmate Compensation; State Contributions to Retirement Systems; State Contributions to Social Security; State Contribution for Employee Group Insurance; Contractual Services; Travel; Commodities; Printing; Equipment; Electronic Data Processing; Operation of Automotive Equipment; Telecommunications Services; Travel and Allowance for Committed, Paroled and Discharged Prisoners; Library Books; Federal Matching Grants for Student Loans; Refunds; Workers' Compensation, Occupational Disease, and Tort Claims; and, in appropriations to institutions of higher education, Awards and Grants. (c-1) Special provisions for State fiscal year 2003. Notwithstanding any other provision of this Section to the contrary, for State fiscal year 2003 only, transfers among line item appropriations to an agency from the same treasury fund may be made provided that the sum of such transfers for an agency in State fiscal year 2003 shall not exceed 3% of the aggregate amount appropriated to that State agency for State fiscal year 2003 for the following objects: personal services, except that no transfer may be approved which reduces the aggregate appropriations for personal services within an agency; extra help; student and inmate compensation; State contributions to retirement systems; State contributions to social security; State

(c-3) Special provisions for State fiscal year 2015. Notwithstanding any other provision of this Section, for State fiscal year 2015, transfers among line item appropriations to a State agency from the same State treasury fund may be made for operational or lump sum expenses only, provided that the sum of such transfers for a State agency in State fiscal year 2015 shall not exceed 4% of the aggregate amount appropriated to that State agency for operational or lump sum expenses for State fiscal year 2015. (30 ILCS 115/11.2 new)

Sec. 11.2. Funding of certain school districts; fiscal year 2019.

(a) On July 1, 2018, or as soon as practical thereafter, the State Board of Education shall identify to the Department of Revenue school districts having Personal Property Tax Replacement Fund receipts totaling 13% or more of their total revenues in fiscal year 2017.

(b) In fiscal year 2019, any school district identified under subsection (a) shall receive, in addition to its annual distributions from the Personal Property Tax Replacement Fund, 16% of the total amount distributed to the school district from the Personal Property Tax Replacement Fund during fiscal year 2017, provided that the total amount of additional distributions under this Section shall not exceed \$4,300,000.

If the total additional distributions exceed \$4,300,000, such distributions shall be calculated on a pro rata basis, based on the percentage of each district's total fiscal year 2017 revenues to the total fiscal year 2017 revenues of all districts qualifying for an additional distribution under this Section.

(30 ILCS 115/12) (from Ch. 85, par. 616)

Sec. 12. Personal Property Tax Replacement Fund. There is hereby created the Personal Property Tax Replacement Fund, a special fund in the State Treasury into which shall be paid all revenue realized:

(a) all amounts realized from the additional personal property tax replacement income tax imposed by subsections (c) and (d) of Section 201 of the Illinois Income Tax Act, except for those amounts deposited into the Income Tax Refund Fund pursuant to subsection (c) of Section 901 of the Illinois Income Tax Act; and

(b) all amounts realized from the additional personal property replacement invested capital taxes imposed by Section 2a.1 of the Messages Tax Act, Section 2a.1 of the Gas Revenue Tax Act, Section 2a.1 of the Public Utilities Revenue Act, and Section 3 of the Water Company Invested Capital Tax Act, and amounts payable to the Department of Revenue under the Telecommunications Infrastructure Maintenance Fee Act.

As soon as may be after the end of each month, the Department of Revenue shall certify to the Treasurer and the Comptroller the amount of all refunds paid out of the General Revenue Fund through the preceding month on account of overpayment of liability on taxes paid into the Personal Property Tax Replacement

Fund. Upon receipt of such certification, the Treasurer and the Comptroller shall transfer the amount so certified from the Personal Property Tax Replacement Fund into the General Revenue Fund.

The payments of revenue into the Personal Property Tax Replacement Fund shall be used exclusively for distribution to taxing districts, regional offices and officials, and local officials as provided in this Section and in the School Code, payment of the ordinary and contingent expenses of the Property Tax Appeal Board, payment of the expenses of the Department of Revenue incurred in administering the collection and distribution of monies paid into the Personal Property Tax Replacement Fund and transfers due to refunds to taxpayers for overpayment of liability for taxes paid into the Personal Property Tax Replacement Fund.

In addition, moneys in the Personal Property Tax Replacement Fund may be used to pay any of the following: (i) salary, stipends, and additional compensation as provided by law for chief election clerks, county clerks, and county recorders; (ii) costs associated with regional offices of education and educational service centers; (iii) reimbursements payable by the State Board of Elections under Section 4-25, 5-35, 6-71, 13-10, 13-10a, or 13-11 of the Election Code; (iv) expenses of the Illinois Educational Labor Relations Board; and (v) salary, personal services, and additional compensation as provided by law for court reporters under the Court Reporters Act.

As soon as may be after the effective date of this amendatory Act of 1980, the Department of Revenue shall certify to the Treasurer the amount of net replacement revenue paid into the General Revenue Fund prior to that effective date from the additional tax imposed by Section 2a.1 of the Messages Tax Act; Section 2a.1 of the Gas Revenue Tax Act; Section 2a.1 of the Public Utilities Revenue Act; Section 3 of the Water Company Invested Capital Tax Act; amounts collected by the Department of Revenue under the Telecommunications Infrastructure Maintenance Fee Act; and the additional personal property tax replacement income tax imposed by the Illinois Income Tax Act, as amended by Public Act 81-1st Special Session-1. Net replacement revenue shall be defined as the total amount paid into and remaining in the General Revenue Fund as a result of those Acts minus the amount outstanding and obligated from the General Revenue Fund in state vouchers or warrants prior to the effective date of this amendatory Act of 1980 as refunds to taxpayers for overpayment of liability under those Acts.

All interest earned by monies accumulated in the Personal Property Tax Replacement Fund shall be deposited in such Fund. All amounts allocated pursuant to this Section are appropriated on a continuing basis.

Prior to December 31, 1980, as soon as may be after the end of each quarter beginning with the quarter ending December 31, 1979, and on and after December 31, 1980, as soon as may be after January 1, March 1, April 1, May 1, July 1, August 1, October 1 and December 1 of each year, the Department of Revenue shall allocate to each taxing district as defined in Section 1-150 of the Property Tax Code, in accordance with the provisions of paragraph (2) of this Section the portion of the funds held in the Personal Property Tax Replacement Fund which is required to be distributed, as provided in paragraph (1), for each quarter. Provided, however, under no circumstances shall any taxing district during each of the first two years of distribution of the taxes imposed by this amendatory Act of 1979 be entitled to an annual allocation which is less than the funds such taxing district collected from the 1978 personal property tax. Provided further that under no circumstances shall any taxing district during the third year of distribution of the taxes imposed by this amendatory Act of 1979 receive less than 60% of the funds such taxing district collected from the 1978 personal property tax. In the event that the total of the allocations made as above provided for all taxing districts, during either of such 3 years, exceeds the amount available for distribution the allocation of each taxing district shall be proportionately reduced. Except as provided in Section 13 of this Act, the Department shall then certify, pursuant to appropriation, such allocations to the State Comptroller who shall pay over to the several taxing districts the respective amounts allocated to them.

Any township which receives an allocation based in whole or in part upon personal property taxes which it levied pursuant to Section 6-507 or 6-512 of the Illinois Highway Code and which was previously required to be paid over to a municipality shall immediately pay over to that municipality a proportionate share of the personal property replacement funds which such township receives.

Any municipality or township, other than a municipality with a population in excess of 500,000, which receives an allocation based in whole or in part on personal property taxes which it levied pursuant to Sections 3-1, 3-4 and 3-6 of the Illinois Local Library Act and which was previously required to be paid over to a public library shall immediately pay over to that library a proportionate share of the personal property tax replacement funds which such municipality or township receives; provided that if such a public library has converted to a library organized under The Illinois Public Library District Act, regardless of whether such conversion has occurred on, after or before January 1, 1988, such proportionate share shall be immediately paid over to the library district which maintains and operates the library. However,

any library that has converted prior to January 1, 1988, and which hitherto has not received the personal property tax replacement funds, shall receive such funds commencing on January 1, 1988.

Any township which receives an allocation based in whole or in part on personal property taxes which it levied pursuant to Section 1c of the Public Graveyards Act and which taxes were previously required to be paid over to or used for such public cemetery or cemeteries shall immediately pay over to or use for such public cemetery or cemeteries a proportionate share of the personal property tax replacement funds which the township receives.

Any taxing district which receives an allocation based in whole or in part upon personal property taxes which it levied for another governmental body or school district in Cook County in 1976 or for another governmental body or school district in the remainder of the State in 1977 shall immediately pay over to that governmental body or school district the amount of personal property replacement funds which such governmental body or school district would receive directly under the provisions of paragraph (2) of this Section, had it levied its own taxes.

(1) The portion of the Personal Property Tax Replacement Fund required to be distributed as of the time allocation is required to be made shall be the amount available in such Fund as of the time allocation is required to be made.

The amount available for distribution shall be the total amount in the fund at such time minus the necessary administrative and other authorized expenses as limited by the appropriation and the amount determined by: (a) \$2.8 million for fiscal year 1981; (b) for fiscal year 1982, .54% of the funds distributed from the fund during the preceding fiscal year; (c) for fiscal year 1983 through fiscal year 1988, .54% of the funds distributed from the fund during the preceding fiscal year less .02% of such fund for fiscal year 1983 and less .02% of such funds for each fiscal year thereafter; (d) for fiscal year 1989 through fiscal year 2011 no more than 105% of the actual administrative expenses of the prior fiscal year; (e) for fiscal year 2012 and beyond, a sufficient amount to pay (i) stipends, additional compensation, salary reimbursements, and other amounts directed to be paid out of this Fund for local officials as authorized or required by statute and (ii) no more than 105% of the actual administrative expenses of the prior fiscal year, including payment of the ordinary and contingent expenses of the Property Tax Appeal Board and payment of the expenses of the Department of Revenue incurred in administering the collection and distribution of moneys paid into the Fund; (f) for fiscal years 2012 and 2013 only, a sufficient amount to pay stipends, additional compensation, salary reimbursements, and other amounts directed to be paid out of this Fund for regional offices and officials as authorized or required by statute; or (g) for fiscal years ~~year~~ 2018 and 2019 only, a sufficient amount to pay amounts directed to be paid out of this Fund for public community college base operating grants and local health protection grants to certified local health departments as authorized or required by appropriation or statute. Such portion of the fund shall be determined after the transfer into the General Revenue Fund due to refunds, if any, paid from the General Revenue Fund during the preceding quarter. If at any time, for any reason, there is insufficient amount in the Personal Property Tax Replacement Fund for payments for regional offices and officials or local officials or payment of costs of administration or for transfers due to refunds at the end of any particular month, the amount of such insufficiency shall be carried over for the purposes of payments for regional offices and officials, local officials, transfers into the General Revenue Fund, and costs of administration to the following month or months. Net replacement revenue held, and defined above, shall be transferred by the Treasurer and Comptroller to the Personal Property Tax Replacement Fund within 10 days of such certification.

(2) Each quarterly allocation shall first be apportioned in the following manner: 51.65% for taxing districts in Cook County and 48.35% for taxing districts in the remainder of the State.

The Personal Property Replacement Ratio of each taxing district outside Cook County shall be the ratio which the Tax Base of that taxing district bears to the Downstate Tax Base. The Tax Base of each taxing district outside of Cook County is the personal property tax collections for that taxing district for the 1977 tax year. The Downstate Tax Base is the personal property tax collections for all taxing districts in the State outside of Cook County for the 1977 tax year. The Department of Revenue shall have authority to review for accuracy and completeness the personal property tax collections for each taxing district outside Cook County for the 1977 tax year.

The Personal Property Replacement Ratio of each Cook County taxing district shall be the ratio which the Tax Base of that taxing district bears to the Cook County Tax Base. The Tax Base of each Cook County taxing district is the personal property tax collections for that taxing district for the 1976 tax year. The Cook County Tax Base is the personal property tax collections for all taxing districts in Cook County for the 1976 tax year. The Department of Revenue shall have authority to review for accuracy and completeness the personal property tax collections for each taxing district within Cook County for the 1976 tax year.

For all purposes of this Section 12, amounts paid to a taxing district for such tax years as may be applicable by a foreign corporation under the provisions of Section 7-202 of the Public Utilities Act, as amended, shall be deemed to be personal property taxes collected by such taxing district for such tax years as may be applicable. The Director shall determine from the Illinois Commerce Commission, for any tax year as may be applicable, the amounts so paid by any such foreign corporation to any and all taxing districts. The Illinois Commerce Commission shall furnish such information to the Director. For all purposes of this Section 12, the Director shall deem such amounts to be collected personal property taxes of each such taxing district for the applicable tax year or years.

Taxing districts located both in Cook County and in one or more other counties shall receive both a Cook County allocation and a Downstate allocation determined in the same way as all other taxing districts.

If any taxing district in existence on July 1, 1979 ceases to exist, or discontinues its operations, its Tax Base shall thereafter be deemed to be zero. If the powers, duties and obligations of the discontinued taxing district are assumed by another taxing district, the Tax Base of the discontinued taxing district shall be added to the Tax Base of the taxing district assuming such powers, duties and obligations.

If two or more taxing districts in existence on July 1, 1979, or a successor or successors thereto shall consolidate into one taxing district, the Tax Base of such consolidated taxing district shall be the sum of the Tax Bases of each of the taxing districts which have consolidated.

If a single taxing district in existence on July 1, 1979, or a successor or successors thereto shall be divided into two or more separate taxing districts, the tax base of the taxing district so divided shall be allocated to each of the resulting taxing districts in proportion to the then current equalized assessed value of each resulting taxing district.

If a portion of the territory of a taxing district is disconnected and annexed to another taxing district of the same type, the Tax Base of the taxing district from which disconnection was made shall be reduced in proportion to the then current equalized assessed value of the disconnected territory as compared with the then current equalized assessed value within the entire territory of the taxing district prior to disconnection, and the amount of such reduction shall be added to the Tax Base of the taxing district to which annexation is made.

If a community college district is created after July 1, 1979, beginning on the effective date of this amendatory Act of 1995, its Tax Base shall be 3.5% of the sum of the personal property tax collected for the 1977 tax year within the territorial jurisdiction of the district.

The amounts allocated and paid to taxing districts pursuant to the provisions of this amendatory Act of 1979 shall be deemed to be substitute revenues for the revenues derived from taxes imposed on personal property pursuant to the provisions of the "Revenue Act of 1939" or "An Act for the assessment and taxation of private car line companies", approved July 22, 1943, as amended, or Section 414 of the Illinois Insurance Code, prior to the abolition of such taxes and shall be used for the same purposes as the revenues derived from ad valorem taxes on real estate.

Monies received by any taxing districts from the Personal Property Tax Replacement Fund shall be first applied toward payment of the proportionate amount of debt service which was previously levied and collected from extensions against personal property on bonds outstanding as of December 31, 1978 and next applied toward payment of the proportionate share of the pension or retirement obligations of the taxing district which were previously levied and collected from extensions against personal property. For each such outstanding bond issue, the County Clerk shall determine the percentage of the debt service which was collected from extensions against real estate in the taxing district for 1978 taxes payable in 1979, as related to the total amount of such levies and collections from extensions against both real and personal property. For 1979 and subsequent years' taxes, the County Clerk shall levy and extend taxes against the real estate of each taxing district which will yield the said percentage or percentages of the debt service on such outstanding bonds. The balance of the amount necessary to fully pay such debt service shall constitute a first and prior lien upon the monies received by each such taxing district through the Personal Property Tax Replacement Fund and shall be first applied or set aside for such purpose. In counties having fewer than 3,000,000 inhabitants, the amendments to this paragraph as made by this amendatory Act of 1980 shall be first applicable to 1980 taxes to be collected in 1981. Immediately upon the issuance of bonds for which an estimated schedule of debt service payments was prepared, the Authority shall file an amended certification with respect to item (2) above, to specify the actual schedule of debt service payments, including the date and amount of each payment, for the remainder of the State fiscal year.

(B) In no event shall the total transfers in any State fiscal year relating to outstanding bonds and notes issued by the Authority under subdivision (g)(3) of Section 4.04 exceed the lesser of the annual maximum amount specified in subsection (c-5) or the sum of the amounts certified under items (1) and (3) above, plus the actual debt service certified under item (2) above, less the amount certified under item (4) above, with respect to those bonds and notes.

The term "outstanding" does not include bonds or notes for which refunding or advance refunding bonds or notes have been issued.

(e) Neither Additional State Assistance nor Additional Financial Assistance may be pledged, either directly or indirectly as general revenues of the Authority, as security for any bonds issued by the Authority. The Authority may not assign its right to receive Additional State Assistance or Additional Financial Assistance, or direct payment of Additional State Assistance or Additional Financial Assistance, to a trustee or any other entity for the payment of debt service on its bonds.

(f) The certification required under subsection (d) with respect to outstanding bonds and notes of the Authority shall be filed as early as practicable before the beginning of the State fiscal year to which it relates. "Costs" include all items properly included as operating costs consistent with generally accepted accounting principles, including administrative costs, but do not include: depreciation; payment of principal and interest on bonds, notes or other evidences of obligations for borrowed money of the Authority; payments with respect to public transportation facilities made pursuant to subsection (b) of Section 2.20; any payments with respect to rate protection contracts, credit enhancements or liquidity agreements made under Section 4.14; any other cost as to which it is reasonably expected that a cash expenditure will not be made; costs for passenger security including grants, contracts, personnel, equipment and administrative expenses, except in the case of the Chicago Transit Authority, in which case the term does not include costs spent annually by that entity for protection against crime as required by Section 27a of the Metropolitan Transit Authority Act; the costs of Debt Service paid by the Chicago Transit Authority, as defined in Section 12c of the Metropolitan Transit Authority Act, or bonds or notes issued pursuant to that Section; the payment by the Commuter Rail Division of debt service on bonds issued pursuant to Section 3B.09; expenses incurred by the Suburban Bus Division for the cost of new public transportation services funded from grants pursuant to Section 2.01e of this amendatory Act of the 95th General Assembly for a period of 2 years from the date of initiation of each such service; costs as exempted by the Board for projects pursuant to Section 2.09 of this Act; or, beginning with the 2007 fiscal year, expenses related to providing ADA paratransit service pursuant to Section 2.30 of the Regional Transportation Authority Act; or in fiscal years 2008 through 2012 inclusive, costs in the amount of \$200,000,000 in fiscal year 2008, reducing by \$40,000,000 in each fiscal year thereafter until this exemption is eliminated. If said

system generated revenues are less than 50% of said costs, the Board shall remit an amount equal to the amount of the deficit to the State. The Treasurer shall deposit any such payment in the Road Fund; and

(ii) whether, beginning with the 2007 fiscal year, the aggregate of all fares charged and received for ADA paratransit services equals the system generated ADA paratransit services revenue recovery ratio percentage of the aggregate of all costs of providing such ADA paratransit services.

(h) If the Authority makes any payment to the State under paragraph (g), the Authority shall reduce the amount provided to a Service Board from funds transferred under paragraph (a) in proportion to the amount by which that Service Board failed to meet its required system generated revenues recovery ratio. A Service Board which is affected by a reduction in funds under this paragraph shall submit to the Authority concurrently with its next due quarterly report a revised budget incorporating the reduction in funds. The revised budget must meet the criteria specified in clauses (i) through (vi) of Section 4.11(b)(2). The Board shall review and act on the revised budget as provided in Section 4.11(b)(3).

ARTICLE 15. HUMAN SERVICES

Section 15-5. The Illinois Act on Aging is amended by changing Section 4.02 as follows:
(20 ILCS 105/4.02) (from Ch. 23, par. 6104.02)

Sec. 4.02. Community Care Program. The Department shall establish a program of services to prevent unnecessary institutionalization of persons age 60 and older in need of long term care or who are established as persons who suffer from Alzheimer's disease or a related disorder under the Alzheimer's Disease Assistance Act, thereby enabling them to remain in their own homes or in other living arrangements. Such preventive services, which may be coordinated with other programs for the aged and monitored by area agencies on aging in cooperation with the Department, may include, but are not limited to, any or all of the following:

- (a) (blank);
- (b) (blank);
- (c) home care aide services;
- (d) personal assistant services;
- (e) adult day services;
- (f) home-delivered meals;
- (g) education in self-care;
- (h) personal care services;
- (i) adult day health services;
- (j) habilitation services;
- (k) respite care;
- (k-5) community reintegration services;
- (k-6) flexible senior services;
- (k-7) medication management;
- (k-8) emergency home response;
- (l) other nonmedical social services that may enable the person to become self-supporting; or

(m) clearinghouse for information provided by senior citizen home owners who want to rent rooms to or share living space with other senior citizens.

The Department shall establish eligibility standards for such services. In determining the amount and nature of services for which a person may qualify, consideration shall not be given to the value of cash, property or other assets held in the name of the person's spouse pursuant to a written agreement dividing marital property into equal but separate shares or pursuant to a transfer of the person's interest in a home to his spouse, provided that the spouse's share of the marital property is not made available to the person seeking such services.

Beginning January 1, 2008, the Department shall require as a condition of eligibility that all new financially eligible applicants apply for and enroll in medical assistance under Article V of the Illinois Public Aid Code in accordance with rules promulgated by the Department.

The Department shall, in conjunction with the Department of Public Aid (now Department of Healthcare and Family Services), seek appropriate amendments under Sections 1915 and 1924 of the Social Security Act. The purpose of the amendments shall be to extend eligibility for home or community based services under Sections 1915 and 1924 of the Social Security Act to persons who transfer to or for the benefit of a spouse those amounts of income and resources allowed under Section 1924 of the Social Security Act. Subject to the approval of such amendments, the Department shall extend the provisions of Section 5-4 of the Illinois Public Aid Code to persons who, but for the provision of home or community-based services, would require the level of care provided in an institution, as is provided for in federal law. Those persons no longer found to be eligible for receiving noninstitutional services due to changes in the eligibility criteria shall be given 45 days notice prior to actual termination. Those persons receiving notice of

[May 30, 2018]

termination may contact the Department and request the determination be appealed at any time during the 45 day notice period. The target population identified for the purposes of this Section are persons age 60 and older with an identified service need. Priority shall be given to those who are at imminent risk of institutionalization. The services shall be provided to eligible persons age 60 and older to the extent that the cost of the services together with the other personal maintenance expenses of the persons are reasonably related to the standards established for care in a group facility appropriate to the person's condition. These non-institutional services, pilot projects or experimental facilities may be provided as part of or in addition to those authorized by federal law or those funded and administered by the Department of Human Services. The Departments of Human Services, Healthcare and Family Services, Public Health, Veterans' Affairs, and Commerce and Economic Opportunity and other appropriate agencies of State, federal and local governments shall cooperate with the Department on Aging in the establishment and development of the non-institutional services. The Department shall require an annual audit from all personal assistant and home care aide vendors contracting with the Department under this Section. The annual audit shall assure that each audited vendor's procedures are in compliance with Department's financial reporting guidelines requiring an administrative and employee wage and benefits cost split as defined in administrative rules. The audit is a public record under the Freedom of Information Act. The Department shall execute, relative to the nursing home prescreening project, written inter-agency agreements with the Department of Human Services and the Department of Healthcare and Family Services, to effect the following: (1) intake procedures and common eligibility criteria for those persons who are receiving non-institutional services; and (2) the establishment and development of non-institutional services in areas of the State where they are not currently available or are undeveloped. On and after July 1, 1996, all nursing home prescreenings for individuals 60 years of age or older shall be conducted by the Department.

As part of the Department on Aging's routine training of case managers and case manager supervisors, the Department may include information on family futures planning for persons who are age 60 or older and who are caregivers of their adult children with developmental disabilities. The content of the training shall be at the Department's discretion.

The Department is authorized to establish a system of recipient copayment for services provided under this Section, such copayment to be based upon the recipient's ability to pay but in no case to exceed the actual cost of the services provided. Additionally, any portion of a person's income which is equal to or less than the federal poverty standard shall not be considered by the Department in determining the copayment. The level of such copayment shall be adjusted whenever necessary to reflect any change in the officially designated federal poverty standard.

The Department, or the Department's authorized representative, may recover the amount of moneys expended for services provided to or in behalf of a person under this Section by a claim against the person's estate or against the estate of the person's surviving spouse, but no recovery may be had until after the death of the surviving spouse, if any, and then only at such time when there is no surviving child who is under age 21 or blind or who has a permanent and total disability. This paragraph, however, shall not bar recovery, at the death of the person, of moneys for services provided to the person or in behalf of the person under this Section to which the person was not entitled; provided that such recovery shall not be enforced against any real estate while it is occupied as a homestead by the surviving spouse or other dependent, if no claims by other creditors have been filed against the estate, or, if such claims have been filed, they remain dormant for failure of prosecution or failure of the claimant to compel administration of the estate for the purpose of payment. This paragraph shall not bar recovery from the estate of a spouse, under Sections 1915 and 1924 of the Social Security Act and Section 5-4 of the Illinois Public Aid Code, who precedes a person receiving services under this Section in death. All moneys for services paid to or in behalf of the person under this Section shall be claimed for recovery from the deceased spouse's estate. "Homestead", as used in this paragraph, means the dwelling house and contiguous real estate occupied by a surviving spouse or relative, as defined by the rules and regulations of the Department of Healthcare and Family Services, regardless of the value of the property.

The Department shall increase the effectiveness of the existing Community Care Program by:

(1) ensuring that in-home services included in the care plan are available on evenings and weekends;

(2) ensuring that care plans contain the services that eligible participants need based on the number of days in a month, not limited to specific blocks of time, as identified by the comprehensive assessment tool selected by the Department for use statewide, not to exceed the total monthly service cost maximum allowed for each service; the Department shall develop administrative rules to implement this item (2);

(3) ensuring that the participants have the right to choose the services contained in

their care plan and to direct how those services are provided, based on administrative rules established by the Department;

(4) ensuring that the determination of need tool is accurate in determining the participants' level of need; to achieve this, the Department, in conjunction with the Older Adult Services Advisory Committee, shall institute a study of the relationship between the Determination of Need scores, level of need, service cost maximums, and the development and utilization of service plans no later than May 1, 2008; findings and recommendations shall be presented to the Governor and the General Assembly no later than January 1, 2009; recommendations shall include all needed changes to the service cost maximums schedule and additional covered services;

(5) ensuring that homemakers can provide personal care services that may or may not involve contact with clients, including but not limited to:

- (A) bathing;
- (B) grooming;
- (C) toileting;
- (D) nail care;
- (E) transferring;
- (F) respiratory services;
- (G) exercise; or
- (H) positioning;

(6) ensuring that homemaker program vendors are not restricted from hiring homemakers who are family members of clients or recommended by clients; the Department may not, by rule or policy, require homemakers who are family members of clients or recommended by clients to accept assignments in homes other than the client;

(7) ensuring that the State may access maximum federal matching funds by seeking approval for the Centers for Medicare and Medicaid Services for modifications to the State's home and community based services waiver and additional waiver opportunities, including applying for enrollment in the Balance Incentive Payment Program by May 1, 2013, in order to maximize federal matching funds; this shall include, but not be limited to, modification that reflects all changes in the Community Care Program services and all increases in the services cost maximum;

(8) ensuring that the determination of need tool accurately reflects the service needs of individuals with Alzheimer's disease and related dementia disorders;

(9) ensuring that services are authorized accurately and consistently for the Community Care Program (CCP); the Department shall implement a Service Authorization policy directive; the purpose shall be to ensure that eligibility and services are authorized accurately and consistently in the CCP program; the policy directive shall clarify service authorization guidelines to Care Coordination Units and Community Care Program providers no later than May 1, 2013;

(10) working in conjunction with Care Coordination Units, the Department of Healthcare and Family Services, the Department of Human Services, Community Care Program providers, and other stakeholders to make improvements to the Medicaid claiming processes and the Medicaid enrollment procedures or requirements as needed, including, but not limited to, specific policy changes or rules to improve the up-front enrollment of participants in the Medicaid program and specific policy changes or rules to insure more prompt submission of bills to the federal government to secure maximum federal matching dollars as promptly as possible; the Department on Aging shall have at least 3 meetings with stakeholders by January 1, 2014 in order to address these improvements;

(11) requiring home care service providers to comply with the rounding of hours worked provisions under the federal Fair Labor Standards Act (FLSA) and as set forth in 29 CFR 785.48(b) by May 1, 2013;

(12) implementing any necessary policy changes or promulgating any rules, no later than January 1, 2014, to assist the Department of Healthcare and Family Services in moving as many participants as possible, consistent with federal regulations, into coordinated care plans if a care coordination plan that covers long term care is available in the recipient's area; and

(13) maintaining fiscal year 2014 rates at the same level established on January 1, 2013.

By January 1, 2009 or as soon after the end of the Cash and Counseling Demonstration Project as is practicable, the Department may, based on its evaluation of the demonstration project, promulgate rules concerning personal assistant services, to include, but need not be limited to, qualifications, employment screening, rights under fair labor standards, training, fiduciary agent, and supervision requirements. All applicants shall be subject to the provisions of the Health Care Worker Background Check Act.

[May 30, 2018]

The Department shall develop procedures to enhance availability of services on evenings, weekends, and on an emergency basis to meet the respite needs of caregivers. Procedures shall be developed to permit the utilization of services in successive blocks of 24 hours up to the monthly maximum established by the Department. Workers providing these services shall be appropriately trained.

Beginning on the effective date of this amendatory Act of 1991, no person may perform chore/housekeeping and home care aide services under a program authorized by this Section unless that person has been issued a certificate of pre-service to do so by his or her employing agency. Information gathered to effect such certification shall include (i) the person's name, (ii) the date the person was hired by his or her current employer, and (iii) the training, including dates and levels. Persons engaged in the program authorized by this Section before the effective date of this amendatory Act of 1991 shall be issued a certificate of all pre- and in-service training from his or her employer upon submitting the necessary information. The employing agency shall be required to retain records of all staff pre- and in-service training, and shall provide such records to the Department upon request and upon termination of the employer's contract with the Department. In addition, the employing agency is responsible for the issuance of certifications of in-service training completed to their employees.

The Department is required to develop a system to ensure that persons working as home care aides and personal assistants receive increases in their wages when the federal minimum wage is increased by requiring vendors to certify that they are meeting the federal minimum wage statute for home care aides and personal assistants. An employer that cannot ensure that the minimum wage increase is being given to home care aides and personal assistants shall be denied any increase in reimbursement costs.

The Community Care Program Advisory Committee is created in the Department on Aging. The Director shall appoint individuals to serve in the Committee, who shall serve at their own expense. Members of the Committee must abide by all applicable ethics laws. The Committee shall advise the Department on issues related to the Department's program of services to prevent unnecessary institutionalization. - (10) brain injury habilitation;
- (11) brain injury pre-vocational services; or
- (12) brain injury supported employment.

The Department shall establish eligibility standards for such services taking into consideration the unique economic and social needs of the population for whom they are to be provided. Such eligibility standards may be based on the recipient's ability to pay for services; provided, however, that any portion of a person's income that is equal to or less than the "protected income" level shall not be considered by the Department in determining eligibility. The "protected income" level shall be determined by the Department, shall never be less than the federal poverty standard, and shall be adjusted each year to reflect changes in the Consumer Price Index For All Urban Consumers as determined by the United States Department of Labor. The standards must provide that a person may not have more than \$10,000 in assets to be eligible for the services, and the Department may increase or decrease the asset limitation by rule. The Department may not decrease the asset level below \$10,000.

The services shall be provided, as established by the Department by rule, to eligible persons to prevent unnecessary or premature institutionalization, to the extent that the cost of the services, together with the other personal maintenance expenses of the persons, are reasonably related to the standards established for care in a group facility appropriate to their condition. These non-institutional services, pilot projects or experimental facilities may be provided as part of or in addition to those authorized by federal law or those funded and administered by the Illinois Department on Aging. The Department shall set rates and fees for services in a fair and equitable manner. Services identical to those offered by the Department on Aging shall be paid at the same rate.

~~Except as otherwise provided in this paragraph, personal~~ ~~Personal~~ assistants shall be paid at a rate negotiated between the State and an exclusive representative of personal assistants under a collective bargaining agreement. In no case shall the Department pay personal assistants an hourly wage that is less than the federal minimum wage. Within 30 days after July 6, 2017 (the effective date of Public Act 100-23) ~~this amendatory Act of the 100th General Assembly~~, the hourly wage paid to personal assistants and individual maintenance home health workers shall be increased by \$0.48 per hour.

Solely for the purposes of coverage under the Illinois Public Labor Relations Act, personal assistants providing services under the Department's Home Services Program shall be considered to be public employees and the State of Illinois shall be considered to be their employer as of July 16, 2003 (the effective date of Public Act 93-204) ~~this amendatory Act of the 93rd General Assembly~~, but not before. Solely for the purposes of coverage under the Illinois Public Labor Relations Act, home care and home health workers who function as personal assistants and individual maintenance home health workers and who also provide services under the Department's Home Services Program shall be considered to be public employees, no matter whether the State provides such services through direct fee-for-service arrangements, with the assistance of a managed care organization or other intermediary, or otherwise, and the State of Illinois shall be considered to be the employer of those

persons as of January 29, 2013 (the effective date of Public Act 97-1158), but not before except as otherwise provided under this subsection (f). The State shall engage in collective bargaining with an exclusive representative of home care and home health workers who function as personal assistants and individual maintenance home health workers working under the Home Services Program concerning their terms and conditions of employment that are within the State's control. Nothing in this paragraph shall be understood to limit the right of the persons receiving services defined in this Section to hire and fire home care and home health workers who function as personal assistants and individual maintenance home health workers working under the Home Services Program or to supervise them within the limitations set by the Home Services Program. The State shall not be considered to be the employer of home care and home health workers who function as personal assistants and individual maintenance home health workers working under the Home Services Program for any purposes not specifically provided in Public Act 93-204 or Public Act 97-1158, including but not limited to, purposes of vicarious liability in tort and purposes of statutory retirement or health insurance benefits. Home care and home health workers who function as personal assistants and individual maintenance home health workers and who also provide services under the Department's Home Services Program shall not be covered by the State Employees Group Insurance Act of 1971.

The Department shall execute, relative to nursing home prescreening, as authorized by Section 4.03 of the Illinois Act on the Aging, written inter-agency agreements with the Department on Aging and the Department of Healthcare and Family Services, to effect the intake procedures and eligibility criteria for those persons who may need long term care. On and after July 1, 1996, all nursing home prescreenings for individuals 18 through 59 years of age shall be conducted by the Department, or a designee of the Department.

The Department is authorized to establish a system of recipient cost-sharing for services provided under this Section. The cost-sharing shall be based upon the recipient's ability to pay for services, but in no case shall the recipient's share exceed the actual cost of the services provided. Protected income shall not be considered by the Department in its determination of the recipient's ability to pay a share of the cost of services. The level of cost-sharing shall be adjusted each year to reflect changes in the "protected income" level. The Department shall deduct from the recipient's share of the cost of services any money expended by the recipient for disability-related expenses.

To the extent permitted under the federal Social Security Act, the Department, or the Department's authorized representative, may recover the amount of moneys expended for services provided to or in behalf of a person under this Section by a claim against the person's estate or against the estate of the person's surviving spouse, but no recovery may be had until after the death of the surviving spouse, if any, and then only at such time when there is no surviving child who is under age 21 or blind or who has a permanent and total disability. This paragraph, however, shall not bar recovery, at the death of the person, of moneys for services provided to the person or in behalf of the person under this Section to which the person was not entitled; provided that such recovery shall not be enforced against any real estate while it is occupied as a homestead by the surviving spouse or other dependent, if no claims by other creditors have been filed against the estate, or, if such claims have been filed, they remain dormant for failure of prosecution or failure of the claimant to compel administration of the estate for the purpose of payment. This paragraph shall not bar recovery from the estate of a spouse, under Sections 1915 and 1924 of the Social Security Act and Section 5-4 of the Illinois Public Aid Code, who precedes a person receiving services under this Section in death. All moneys for services paid to or in behalf of the person under this Section shall be claimed for recovery from the deceased spouse's estate. "Homestead", as used in this paragraph, means the dwelling house and contiguous real estate occupied by a surviving spouse or relative, as defined by the rules and regulations of the Department of Healthcare and Family Services, regardless of the value of the property.

The Department shall submit an annual report on programs and services provided under this Section. The report shall be filed with the Governor and the General Assembly on or before March 30 each year.

The requirement for reporting to the General Assembly shall be satisfied by filing copies of the report with the Speaker, the Minority Leader and the Clerk of the House of Representatives and the President, the Minority Leader and the Secretary of the Senate and the Legislative Research Unit, as required by Section 3.1 of the General Assembly Organization Act, and filing additional copies with the State Government Report Distribution Center for the General Assembly as required under paragraph (t) of Section 7 of the State Library Act.

(g) To establish such subdivisions of the Department as shall be desirable and assign to the various subdivisions the responsibilities and duties placed upon the Department by law.

(h) To cooperate and enter into any necessary agreements with the Department of

Employment Security for the provision of job placement and job referral services to clients of the Department, including job service registration of such clients with Illinois Employment Security offices and making job listings maintained by the Department of Employment Security available to such clients.

(i) To possess all powers reasonable and necessary for the exercise and administration of the powers, duties and responsibilities of the Department which are provided for by law.

(j) (Blank).

(k) (Blank).

(l) To establish, operate, and maintain a Statewide Housing Clearinghouse of information on available, government subsidized housing accessible to persons with disabilities and available privately owned housing accessible to persons with disabilities. The information shall include, but not be limited to, the location, rental requirements, access features and proximity to public transportation of available housing. The Clearinghouse shall consist of at least a computerized database for the storage and retrieval of information and a separate or shared toll free telephone number for use by those seeking information from the Clearinghouse. Department offices and personnel throughout the State shall also assist in the operation of the Statewide Housing Clearinghouse. Cooperation with local, State, and federal housing managers shall be sought and extended in order to frequently and promptly update the Clearinghouse's information.

(m) To assure that the names and case records of persons who received or are receiving services from the Department, including persons receiving vocational rehabilitation, home services, or other services, and those attending one of the Department's schools or other supervised facility shall be confidential and not be open to the general public. Those case records and reports or the information contained in those records and reports shall be disclosed by the Director only to proper law enforcement officials, individuals authorized by a court, the General Assembly or any committee or commission of the General Assembly, and other persons and for reasons as the Director designates by rule. Disclosure by the Director may be only in accordance with other applicable law.

ARTICLE 20. TAX COMPLIANCE AND ADMINISTRATION FUND

Section 20-5. The State Finance Act is amended by changing Section 6z-20 as follows:

(30 ILCS 105/6z-20) (from Ch. 127, par. 142z-20)

Sec. 6z-20. County and Mass Transit District Fund. Of the money received from the 6.25% general rate (and, beginning July 1, 2000 and through December 31, 2000, the 1.25% rate on motor fuel and gasohol, and beginning on August 6, 2010 through August 15, 2010, the 1.25% rate on sales tax holiday items) on sales subject to taxation under the Retailers' Occupation Tax Act and Service Occupation Tax Act and paid into the County and Mass Transit District Fund, distribution to the Regional Transportation Authority tax fund, created pursuant to Section 4.03 of the Regional Transportation Authority Act, for deposit therein shall be made based upon the retail sales occurring in a county having more than 3,000,000 inhabitants. The remainder shall be distributed to each county having 3,000,000 or fewer inhabitants based upon the retail sales occurring in each such county.

For the purpose of determining allocation to the local government unit, a retail sale by a producer of coal or other mineral mined in Illinois is a sale at retail at the place where the coal or other mineral mined

[May 30, 2018]

in Illinois is extracted from the earth. This paragraph does not apply to coal or other mineral when it is delivered or shipped by the seller to the purchaser at a point outside Illinois so that the sale is exempt under the United States Constitution as a sale in interstate or foreign commerce.

Of the money received from the 6.25% general use tax rate on tangible personal property which is purchased outside Illinois at retail from a retailer and which is titled or registered by any agency of this State's government and paid into the County and Mass Transit District Fund, the amount for which Illinois addresses for titling or registration purposes are given as being in each county having more than 3,000,000 inhabitants shall be distributed into the Regional Transportation Authority tax fund, created pursuant to Section 4.03 of the Regional Transportation Authority Act. The remainder of the money paid from such sales shall be distributed to each county based on sales for which Illinois addresses for titling or registration purposes are given as being located in the county. Any money paid into the Regional Transportation Authority Occupation and Use Tax Replacement Fund from the County and Mass Transit District Fund prior to January 14, 1991, which has not been paid to the Authority prior to that date, shall be transferred to the Regional Transportation Authority tax fund.

Whenever the Department determines that a refund of money paid into the County and Mass Transit District Fund should be made to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified, and to the person named, in such notification from the Department. Such refund shall be paid by the State Treasurer out of the County and Mass Transit District Fund.

As soon as possible after the first day of each month, beginning January 1, 2011, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the local sales tax increment, as defined in the Innovation Development and Economy Act, collected during the second preceding calendar month for sales within a STAR bond district and deposited into the County and Mass Transit District Fund, less 3% of that amount, which shall be transferred into the Tax Compliance and Administration Fund and shall be used by the Department, subject to appropriation, to cover the costs of the Department in administering the Innovation Development and Economy Act.

After the monthly transfer to the STAR Bonds Revenue Fund, on or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money to the Regional Transportation Authority and to named counties, the counties to be those entitled to distribution, as hereinabove provided, of taxes or penalties paid to the Department during the second preceding calendar month. The amount to be paid to the Regional Transportation Authority and each county having 3,000,000 or fewer inhabitants shall be the amount (not including credit memoranda) collected during the second preceding calendar month by the Department and paid into the County and Mass Transit District Fund, plus an amount the Department determines is necessary to offset any amounts which were erroneously paid to a different taxing body, and not including an amount equal to the amount of refunds made during the second preceding calendar month by the Department, and not including any amount which the Department determines is necessary to offset any amounts which were payable to a different taxing body but were erroneously paid to the Regional Transportation Authority or county, and not including any amounts that are transferred to the STAR Bonds Revenue Fund, less 1.5% ~~2%~~ of the amount to be paid to the Regional Transportation Authority, which shall be transferred into the Tax Compliance and Administration Fund. The Department, at the time of each monthly disbursement to the Regional Transportation Authority, shall prepare and certify to the State Comptroller the amount to be transferred into the Tax Compliance and Administration Fund under this Section. Within 10 days after receipt, by the Comptroller, of the disbursement certification to the Regional Transportation Authority, counties, and the Tax Compliance and Administration Fund provided for in this Section to be given to the Comptroller by the Department, the Comptroller shall cause the orders to be drawn for the respective amounts in accordance with the directions contained in such certification.

When certifying the amount of a monthly disbursement to the Regional Transportation Authority or to a county under this Section, the Department shall increase or decrease that amount by an amount necessary to offset any misallocation of previous disbursements. The offset amount shall be the amount erroneously disbursed within the 6 months preceding the time a misallocation is discovered.

The provisions directing the distributions from the special fund in the State Treasury provided for in this Section and from the Regional Transportation Authority tax fund created by Section 4.03 of the Regional Transportation Authority Act shall constitute an irrevocable and continuing appropriation of all amounts as provided herein. The State Treasurer and State Comptroller are hereby authorized to make distributions as provided in this Section.

In construing any development, redevelopment, annexation, preannexation or other lawful agreement in effect prior to September 1, 1990, which describes or refers to receipts from a county or municipal

retailers' occupation tax, use tax or service occupation tax which now cannot be imposed, such description or reference shall be deemed to include the replacement revenue for such abolished taxes, distributed from the County and Mass Transit District Fund or Local Government Distributive Fund, as the case may be. (Source: P.A. 100-23, eff. 7-6-17.)

Section 20-10. The Counties Code is amended by changing Sections 5-1006, 5-1006.5, and 5-1007 as follows:

(55 ILCS 5/5-1006) (from Ch. 34, par. 5-1006)

Sec. 5-1006. Home Rule County Retailers' Occupation Tax Law. Any county that is a home rule unit may impose a tax upon all persons engaged in the business of selling tangible personal property, other than an item of tangible personal property titled or registered with an agency of this State's government, at retail in the county on the gross receipts from such sales made in the course of their business. If imposed, this tax shall only be imposed in 1/4% increments. On and after September 1, 1991, this additional tax may not be imposed on the sales of food for human consumption which is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks and food which has been prepared for immediate consumption) and prescription and nonprescription medicines, drugs, medical appliances and insulin, urine testing materials, syringes and needles used by diabetics. The tax imposed by a home rule county pursuant to this Section and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the State Department of Revenue. The certificate of registration that is issued by the Department to a retailer under the Retailers' Occupation Tax Act shall permit the retailer to engage in a business that is taxable under any ordinance or resolution enacted pursuant to this Section without registering separately with the Department under such ordinance or resolution or under this Section. The Department shall have full power to administer and enforce this Section; to collect all taxes and penalties due hereunder; to dispose of taxes and penalties so collected in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder. In the administration of, and compliance with, this Section, the Department and persons who are subject to this Section shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties and definitions of terms, and employ the same modes of procedure, as are prescribed in Sections 1, 1a, 1a-1, 1d, 1e, 1f, 1i, 1j, 1k, 1m, 1n, 2 through 2-65 (in respect to all provisions therein other than the State rate of tax), 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, 5h, 5i, 5j, 5k, 5l, 6, 6a, 6b, 6c, 6d, 7, 8, 9, 10, 11, 12 and 13 of the Retailers' Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

No tax may be imposed by a home rule county pursuant to this Section unless the county also imposes a tax at the same rate pursuant to Section 5-1007.

Persons subject to any tax imposed pursuant to the authority granted in this Section may reimburse themselves for their seller's tax liability hereunder by separately stating such tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax which sellers are required to collect under the Use Tax Act, pursuant to such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this Section to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified and to the person named in the notification from the Department. The refund shall be paid by the State Treasurer out of the home rule county retailers' occupation tax fund.

The Department shall forthwith pay over to the State Treasurer, ex officio, as trustee, all taxes and penalties collected hereunder.

As soon as possible after the first day of each month, beginning January 1, 2011, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the local sales tax increment, as defined in the Innovation Development and Economy Act, collected under this Section during the second preceding calendar month for sales within a STAR bond district.

After the monthly transfer to the STAR Bonds Revenue Fund, on or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money to named counties, the counties to be those from which retailers have paid taxes or penalties hereunder to the Department during the second preceding calendar month. The amount to be paid to each county shall be the amount (not including credit memoranda) collected hereunder during the second preceding calendar month by the Department plus an amount the Department determines is necessary to offset any amounts that were erroneously paid to a different taxing body, and not including an amount equal to the amount of refunds made during the second preceding calendar month by the Department on

[May 30, 2018]

behalf of such county, and not including any amount which the Department determines is necessary to offset any amounts which were payable to a different taxing body but were erroneously paid to the county, and not including any amounts that are transferred to the STAR Bonds Revenue Fund, less ~~1.5%~~ 2% of the remainder, which the Department shall transfer into the Tax Compliance and Administration Fund. The Department, at the time of each monthly disbursement to the counties, shall prepare and certify to the State Comptroller the amount to be transferred into the Tax Compliance and Administration Fund under this Section. Within 10 days after receipt, by the Comptroller, of the disbursement certification to the counties and the Tax Compliance and Administration Fund provided for in this Section to be given to the Comptroller by the Department, the Comptroller shall cause the orders to be drawn for the respective amounts in accordance with the directions contained in the certification.

In addition to the disbursement required by the preceding paragraph, an allocation shall be made in March of each year to each county that received more than \$500,000 in disbursements under the preceding paragraph in the preceding calendar year. The allocation shall be in an amount equal to the average monthly distribution made to each such county under the preceding paragraph during the preceding calendar year (excluding the 2 months of highest receipts). The distribution made in March of each year subsequent to the year in which an allocation was made pursuant to this paragraph and the preceding paragraph shall be reduced by the amount allocated and disbursed under this paragraph in the preceding calendar year. The Department shall prepare and certify to the Comptroller for disbursement the allocations made in accordance with this paragraph.

For the purpose of determining the local governmental unit whose tax is applicable, a retail sale by a producer of coal or other mineral mined in Illinois is a sale at retail at the place where the coal or other mineral mined in Illinois is extracted from the earth. This paragraph does not apply to coal or other mineral when it is delivered or shipped by the seller to the purchaser at a point outside Illinois so that the sale is exempt under the United States Constitution as a sale in interstate or foreign commerce.

Nothing in this Section shall be construed to authorize a county to impose a tax upon the privilege of engaging in any business which under the Constitution of the United States may not be made the subject of taxation by this State.

An ordinance or resolution imposing or discontinuing a tax hereunder or effecting a change in the rate thereof shall be adopted and a certified copy thereof filed with the Department on or before the first day of June, whereupon the Department shall proceed to administer and enforce this Section as of the first day of September next following such adoption and filing. Beginning January 1, 1992, an ordinance or resolution imposing or discontinuing the tax hereunder or effecting a change in the rate thereof shall be adopted and a certified copy thereof filed with the Department on or before the first day of July, whereupon the Department shall proceed to administer and enforce this Section as of the first day of October next following such adoption and filing. Beginning January 1, 1993, an ordinance or resolution imposing or discontinuing the tax hereunder or effecting a change in the rate thereof shall be adopted and a certified copy thereof filed with the Department on or before the first day of October, whereupon the Department shall proceed to administer and enforce this Section as of the first day of January next following such adoption and filing. Beginning April 1, 1998, an ordinance or resolution imposing or discontinuing the tax hereunder or effecting a change in the rate thereof shall either (i) be adopted and a certified copy thereof filed with the Department on or before the first day of April, whereupon the Department shall proceed to administer and enforce this Section as of the first day of July next following the adoption and filing; or (ii) be adopted and a certified copy thereof filed with the Department on or before the first day of October, whereupon the Department shall proceed to administer and enforce this Section as of the first day of January next following the adoption and filing.

When certifying the amount of a monthly disbursement to a county under this Section, the Department shall increase or decrease such amount by an amount necessary to offset any misallocation of previous disbursements. The offset amount shall be the amount erroneously disbursed within the previous 6 months from the time a misallocation is discovered.

This Section shall be known and may be cited as the Home Rule County Retailers' Occupation Tax Law. (Source: P.A. 99-217, eff. 7-31-15; 100-23, eff. 7-6-17.)
(55 ILCS 5/5-1006.5)

Sec. 5-1006.5. Special County Retailers' Occupation Tax For Public Safety, Public Facilities, or Transportation.

(a) The county board of any county may impose a tax upon all persons engaged in the business of selling tangible personal property, other than personal property titled or registered with an agency of this State's government, at retail in the county on the gross receipts from the sales made in the course of business to provide revenue to be used exclusively for public safety, public facility, or transportation purposes in that county, if a proposition for the tax has been submitted to the electors of that county and approved by a

majority of those voting on the question. If imposed, this tax shall be imposed only in one-quarter percent increments. By resolution, the county board may order the proposition to be submitted at any election. If the tax is imposed for transportation purposes for expenditures for public highways or as authorized under the Illinois Highway Code, the county board must publish notice of the existence of its long-range highway transportation plan as required or described in Section 5-301 of the Illinois Highway Code and must make the plan publicly available prior to approval of the ordinance or resolution imposing the tax. If the tax is imposed for transportation purposes for expenditures for passenger rail transportation, the county board must publish notice of the existence of its long-range passenger rail transportation plan and must make the plan publicly available prior to approval of the ordinance or resolution imposing the tax.

If a tax is imposed for public facilities purposes, then the name of the project may be included in the proposition at the discretion of the county board as determined in the enabling resolution. For example, the "XXX Nursing Home" or the "YYY Museum".

The county clerk shall certify the question to the proper election authority, who shall submit the proposition at an election in accordance with the general election law.

(1) The proposition for public safety purposes shall be in substantially the following form:

"To pay for public safety purposes, shall (name of county) be authorized to impose an increase on its share of local sales taxes by (insert rate)?"

As additional information on the ballot below the question shall appear the following:

"This would mean that a consumer would pay an additional (insert amount) in sales tax for every \$100 of tangible personal property bought at retail."

The county board may also opt to establish a sunset provision at which time the additional sales tax would cease being collected, if not terminated earlier by a vote of the county board. If the county board votes to include a sunset provision, the proposition for public safety purposes shall be in substantially the following form:

"To pay for public safety purposes, shall (name of county) be authorized to impose an increase on its share of local sales taxes by (insert rate) for a period not to exceed (insert number of years)?"

As additional information on the ballot below the question shall appear the following:

"This would mean that a consumer would pay an additional (insert amount) in sales tax for every \$100 of tangible personal property bought at retail. If imposed, the additional tax would cease being collected at the end of (insert number of years), if not terminated earlier by a vote of the county board."

For the purposes of the paragraph, "public safety purposes" means crime prevention, detention, fire fighting, police, medical, ambulance, or other emergency services.

Votes shall be recorded as "Yes" or "No".

Beginning on the January 1 or July 1, whichever is first, that occurs not less than 30 days after May 31, 2015 (the effective date of Public Act 99-4), Adams County may impose a public safety retailers' occupation tax and service occupation tax at the rate of 0.25%, as provided in the referendum approved by the voters on April 7, 2015, notwithstanding the omission of the additional information that is otherwise required to be printed on the ballot below the question pursuant to this item (1).

(2) The proposition for transportation purposes shall be in substantially the following form:

"To pay for improvements to roads and other transportation purposes, shall (name of county) be authorized to impose an increase on its share of local sales taxes by (insert rate)?"

As additional information on the ballot below the question shall appear the following:

"This would mean that a consumer would pay an additional (insert amount) in sales tax for every \$100 of tangible personal property bought at retail."

The county board may also opt to establish a sunset provision at which time the additional sales tax would cease being collected, if not terminated earlier by a vote of the county board. If the county board votes to include a sunset provision, the proposition for transportation purposes shall be in substantially the following form:

"To pay for road improvements and other transportation purposes, shall (name of county) be authorized to impose an increase on its share of local sales taxes by (insert rate) for a period not to exceed (insert number of years)?"

As additional information on the ballot below the question shall appear the following:

"This would mean that a consumer would pay an additional (insert amount) in sales tax

for every \$100 of tangible personal property bought at retail. If imposed, the additional tax would cease being collected at the end of (insert number of years), if not terminated earlier by a vote of the county board."

For the purposes of this paragraph, transportation purposes means construction, maintenance, operation, and improvement of public highways, any other purpose for which a county may expend funds under the Illinois Highway Code, and passenger rail transportation.

The votes shall be recorded as "Yes" or "No".

(3) The proposition for public facilities purposes shall be in substantially the following form:

"To pay for public facilities purposes, shall (name of county) be authorized to impose an increase on its share of local sales taxes by (insert rate)?"

As additional information on the ballot below the question shall appear the following:

"This would mean that a consumer would pay an additional (insert amount) in sales tax for every \$100 of tangible personal property bought at retail."

The county board may also opt to establish a sunset provision at which time the additional sales tax would cease being collected, if not terminated earlier by a vote of the county board. If the county board votes to include a sunset provision, the proposition for public facilities purposes shall be in substantially the following form:

"To pay for public facilities purposes, shall (name of county) be authorized to impose an increase on its share of local sales taxes by (insert rate) for a period not to exceed (insert number of years)?"

As additional information on the ballot below the question shall appear the following:

"This would mean that a consumer would pay an additional (insert amount) in sales tax for every \$100 of tangible personal property bought at retail. If imposed, the additional tax would cease being collected at the end of (insert number of years), if not terminated earlier by a vote of the county board."

For purposes of this Section, "public facilities purposes" means the acquisition, development, construction, reconstruction, rehabilitation, improvement, financing, architectural planning, and installation of capital facilities consisting of buildings, structures, and durable equipment and for the acquisition and improvement of real property and interest in real property required, or expected to be required, in connection with the public facilities, for use by the county for the furnishing of governmental services to its citizens, including but not limited to museums and nursing homes.

The votes shall be recorded as "Yes" or "No".

If a majority of the electors voting on the proposition vote in favor of it, the county may impose the tax. A county may not submit more than one proposition authorized by this Section to the electors at any one time.

This additional tax may not be imposed on the sales of food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks, and food which has been prepared for immediate consumption) and prescription and non-prescription medicines, drugs, medical appliances and insulin, urine testing materials, syringes, and needles used by diabetics. The tax imposed by a county under this Section and all civil penalties that may be assessed as an incident of the tax shall be collected and enforced by the Illinois Department of Revenue and deposited into a special fund created for that purpose. The certificate of registration that is issued by the Department to a retailer under the Retailers' Occupation Tax Act shall permit the retailer to engage in a business that is taxable without registering separately with the Department under an ordinance or resolution under this Section. The Department has full power to administer and enforce this Section, to collect all taxes and penalties due under this Section, to dispose of taxes and penalties so collected in the manner provided in this Section, and to determine all rights to credit memoranda arising on account of the erroneous payment of a tax or penalty under this Section. In the administration of and compliance with this Section, the Department and persons who are subject to this Section shall (i) have the same rights, remedies, privileges, immunities, powers, and duties, (ii) be subject to the same conditions, restrictions, limitations, penalties, and definitions of terms, and (iii) employ the same modes of procedure as are prescribed in Sections 1, 1a, 1a-1, 1d, 1e, 1f, 1i, 1j, 1k, 1m, 1n, 2 through 2-70 (in respect to all provisions contained in those Sections other than the State rate of tax), 2a, 2b, 2c, 3 (except provisions relating to transaction returns and quarter monthly payments), 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, 5h, 5i, 5j, 5k, 5l, 6, 6a, 6b, 6c, 6d, 7, 8, 9, 10, 11, 11a, 12, and 13 of the Retailers' Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act as if those provisions were set forth in this Section.

Persons subject to any tax imposed under the authority granted in this Section may reimburse themselves for their sellers' tax liability by separately stating the tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax which sellers are required to collect under the Use Tax Act, pursuant to such bracketed schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this Section to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified and to the person named in the notification from the Department. The refund shall be paid by the State Treasurer out of the County Public Safety or Transportation Retailers' Occupation Tax Fund.

(b) If a tax has been imposed under subsection (a), a service occupation tax shall also be imposed at the same rate upon all persons engaged, in the county, in the business of making sales of service, who, as an incident to making those sales of service, transfer tangible personal property within the county as an incident to a sale of service. This tax may not be imposed on sales of food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks, and food prepared for immediate consumption) and prescription and non-prescription medicines, drugs, medical appliances and insulin, urine testing materials, syringes, and needles used by diabetics. The tax imposed under this subsection and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the Department of Revenue. The Department has full power to administer and enforce this subsection; to collect all taxes and penalties due hereunder; to dispose of taxes and penalties so collected in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder. In the administration of, and compliance with this subsection, the Department and persons who are subject to this paragraph shall (i) have the same rights, remedies, privileges, immunities, powers, and duties, (ii) be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions, and definitions of terms, and (iii) employ the same modes of procedure as are prescribed in Sections 2 (except that the reference to State in the definition of supplier maintaining a place of business in this State shall mean the county), 2a, 2b, 2c, 3 through 3-50 (in respect to all provisions therein other than the State rate of tax), 4 (except that the reference to the State shall be to the county), 5, 7, 8 (except that the jurisdiction to which the tax shall be a debt to the extent indicated in that Section 8 shall be the county), 9 (except as to the disposition of taxes and penalties collected), 10, 11, 12 (except the reference therein to Section 2b of the Retailers' Occupation Tax Act), 13 (except that any reference to the State shall mean the county), Section 15, 16, 17, 18, 19 and 20 of the Service Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

Persons subject to any tax imposed under the authority granted in this subsection may reimburse themselves for their serviceman's tax liability by separately stating the tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax that servicemen are authorized to collect under the Service Use Tax Act, in accordance with such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this subsection to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the warrant to be drawn for the amount specified, and to the person named, in the notification from the Department. The refund shall be paid by the State Treasurer out of the County Public Safety or Transportation Retailers' Occupation Tax Fund.

Nothing in this subsection shall be construed to authorize the county to impose a tax upon the privilege of engaging in any business which under the Constitution of the United States may not be made the subject of taxation by the State.

(c) The Department shall immediately pay over to the State Treasurer, ex officio, as trustee, all taxes and penalties collected under this Section to be deposited into the County Public Safety or Transportation Retailers' Occupation Tax Fund, which shall be an unappropriated trust fund held outside of the State treasury.

As soon as possible after the first day of each month, beginning January 1, 2011, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the local sales tax increment, as defined in the Innovation Development and Economy Act, collected under this Section during the second preceding calendar month for sales within a STAR bond district.

After the monthly transfer to the STAR Bonds Revenue Fund, on or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money to the counties from which retailers have paid taxes or penalties to the Department during the second preceding calendar month. The amount to be paid to each county, and deposited by the county into

its special fund created for the purposes of this Section, shall be the amount (not including credit memoranda) collected under this Section during the second preceding calendar month by the Department plus an amount the Department determines is necessary to offset any amounts that were erroneously paid to a different taxing body, and not including (i) an amount equal to the amount of refunds made during the second preceding calendar month by the Department on behalf of the county, (ii) any amount that the Department determines is necessary to offset any amounts that were payable to a different taxing body but were erroneously paid to the county, (iii) any amounts that are transferred to the STAR Bonds Revenue Fund, and (iv) 1.5% ~~2%~~ of the remainder, which shall be transferred into the Tax Compliance and Administration Fund. The Department, at the time of each monthly disbursement to the counties, shall prepare and certify to the State Comptroller the amount to be transferred into the Tax Compliance and Administration Fund under this subsection. Within 10 days after receipt by the Comptroller of the disbursement certification to the counties and the Tax Compliance and Administration Fund provided for in this Section to be given to the Comptroller by the Department, the Comptroller shall cause the orders to be drawn for the respective amounts in accordance with directions contained in the certification.

In addition to the disbursement required by the preceding paragraph, an allocation shall be made in March of each year to each county that received more than \$500,000 in disbursements under the preceding paragraph in the preceding calendar year. The allocation shall be in an amount equal to the average monthly distribution made to each such county under the preceding paragraph during the preceding calendar year (excluding the 2 months of highest receipts). The distribution made in March of each year subsequent to the year in which an allocation was made pursuant to this paragraph and the preceding paragraph shall be reduced by the amount allocated and disbursed under this paragraph in the preceding calendar year. The Department shall prepare and certify to the Comptroller for disbursement the allocations made in accordance with this paragraph.

A county may direct, by ordinance, that all or a portion of the taxes and penalties collected under the Special County Retailers' Occupation Tax For Public Safety or Transportation be deposited into the Transportation Development Partnership Trust Fund.

(d) For the purpose of determining the local governmental unit whose tax is applicable, a retail sale by a producer of coal or another mineral mined in Illinois is a sale at retail at the place where the coal or other mineral mined in Illinois is extracted from the earth. This paragraph does not apply to coal or another mineral when it is delivered or shipped by the seller to the purchaser at a point outside Illinois so that the sale is exempt under the United States Constitution as a sale in interstate or foreign commerce.

(e) Nothing in this Section shall be construed to authorize a county to impose a tax upon the privilege of engaging in any business that under the Constitution of the United States may not be made the subject of taxation by this State.

(e-5) If a county imposes a tax under this Section, the county board may, by ordinance, discontinue or lower the rate of the tax. If the county board lowers the tax rate or discontinues the tax, a referendum must be held in accordance with subsection (a) of this Section in order to increase the rate of the tax or to reimpose the discontinued tax.

(f) Beginning April 1, 1998 and through December 31, 2013, the results of any election authorizing a proposition to impose a tax under this Section or effecting a change in the rate of tax, or any ordinance lowering the rate or discontinuing the tax, shall be certified by the county clerk and filed with the Illinois Department of Revenue either (i) on or before the first day of April, whereupon the Department shall proceed to administer and enforce the tax as of the first day of July next following the filing; or (ii) on or before the first day of October, whereupon the Department shall proceed to administer and enforce the tax as of the first day of January next following the filing.

Beginning January 1, 2014, the results of any election authorizing a proposition to impose a tax under this Section or effecting an increase in the rate of tax, along with the ordinance adopted to impose the tax or increase the rate of the tax, or any ordinance adopted to lower the rate or discontinue the tax, shall be certified by the county clerk and filed with the Illinois Department of Revenue either (i) on or before the first day of May, whereupon the Department shall proceed to administer and enforce the tax as of the first day of July next following the adoption and filing; or (ii) on or before the first day of October, whereupon the Department shall proceed to administer and enforce the tax as of the first day of January next following the adoption and filing.

(g) When certifying the amount of a monthly disbursement to a county under this Section, the Department shall increase or decrease the amounts by an amount necessary to offset any miscalculation of previous disbursements. The offset amount shall be the amount erroneously disbursed within the previous 6 months from the time a miscalculation is discovered.

(h) This Section may be cited as the "Special County Occupation Tax For Public Safety, Public Facilities, or Transportation Law".

(i) For purposes of this Section, "public safety" includes, but is not limited to, crime prevention, detention, fire fighting, police, medical, ambulance, or other emergency services. The county may share tax proceeds received under this Section for public safety purposes, including proceeds received before August 4, 2009 (the effective date of Public Act 96-124), with any fire protection district located in the county. For the purposes of this Section, "transportation" includes, but is not limited to, the construction, maintenance, operation, and improvement of public highways, any other purpose for which a county may expend funds under the Illinois Highway Code, and passenger rail transportation. For the purposes of this Section, "public facilities purposes" includes, but is not limited to, the acquisition, development, construction, reconstruction, rehabilitation, improvement, financing, architectural planning, and installation of capital facilities consisting of buildings, structures, and durable equipment and for the acquisition and improvement of real property and interest in real property required, or expected to be required, in connection with the public facilities, for use by the county for the furnishing of governmental services to its citizens, including but not limited to museums and nursing homes.

(j) The Department may promulgate rules to implement Public Act 95-1002 only to the extent necessary to apply the existing rules for the Special County Retailers' Occupation Tax for Public Safety to this new purpose for public facilities.

Sec. 5-1007. Home Rule County Service Occupation Tax Law. The corporate authorities of a home rule county may impose a tax upon all persons engaged, in such county, in the business of making sales of service at the same rate of tax imposed pursuant to Section 5-1006 of the selling price of all tangible personal property transferred by such servicemen either in the form of tangible personal property or in the form of real estate as an incident to a sale of service. If imposed, such tax shall only be imposed in 1/4% increments. On and after September 1, 1991, this additional tax may not be imposed on the sales of food for human consumption which is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks and food which has been prepared for immediate consumption) and prescription and nonprescription medicines, drugs, medical appliances and insulin, urine testing materials, syringes and needles used by diabetics. The tax imposed by a home rule county pursuant to this Section and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the State Department of Revenue. The certificate of registration which is issued by the Department to a retailer under the Retailers' Occupation Tax Act or under the Service Occupation Tax Act shall permit such registrant to engage in a business which is taxable under any ordinance or resolution enacted pursuant to this Section without registering separately with the Department under such ordinance or resolution or under this Section. The Department shall have full power to administer and enforce this Section; to collect all taxes and penalties due hereunder; to dispose of taxes and penalties so collected in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder. In the administration of, and compliance with, this Section the Department and persons who are subject to this Section shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties and definitions of terms, and employ the same modes of procedure, as are prescribed in Sections 1a-1, 2, 2a, 3 through 3-50 (in respect to all provisions therein other than the State rate of tax), 4 (except that the reference to the State shall be to the taxing county), 5, 7, 8 (except that the jurisdiction to which the tax shall be a debt to the extent indicated in that Section 8 shall be the taxing county), 9 (except as to the disposition of taxes and penalties collected, and except that the returned merchandise credit for this county tax may not be taken against any State tax), 10, 11, 12 (except the reference therein to Section 2b of the Retailers' Occupation Tax Act), 13 (except that any reference to the State shall mean the taxing county), the first paragraph of Section 15, 16, 17, 18, 19 and 20 of the Service Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

No tax may be imposed by a home rule county pursuant to this Section unless such county also imposes a tax at the same rate pursuant to Section 5-1006.

Persons subject to any tax imposed pursuant to the authority granted in this Section may reimburse themselves for their serviceman's tax liability hereunder by separately stating such tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax which servicemen are authorized to collect under the Service Use Tax Act, pursuant to such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this Section to a claimant instead of issuing credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified, and to the person named, in such notification from the

Department. Such refund shall be paid by the State Treasurer out of the home rule county retailers' occupation tax fund.

The Department shall forthwith pay over to the State Treasurer, ex-officio, as trustee, all taxes and penalties collected hereunder.

As soon as possible after the first day of each month, beginning January 1, 2011, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the local sales tax increment, as defined in the Innovation Development and Economy Act, collected under this Section during the second preceding calendar month for sales within a STAR bond district.

After the monthly transfer to the STAR Bonds Revenue Fund, on or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money to named counties, the counties to be those from which suppliers and servicemen have paid taxes or penalties hereunder to the Department during the second preceding calendar month. The amount to be paid to each county shall be the amount (not including credit memoranda) collected hereunder during the second preceding calendar month by the Department, and not including an amount equal to the amount of refunds made during the second preceding calendar month by the Department on behalf of such county, and not including any amounts that are transferred to the STAR Bonds Revenue Fund, less 1.5% ~~2%~~ of the remainder, which the Department shall transfer into the Tax Compliance and Administration Fund. The Department, at the time of each monthly disbursement to the counties, shall prepare and certify to the State Comptroller the amount to be transferred into the Tax Compliance and Administration Fund under this Section. Within 10 days after receipt, by the Comptroller, of the disbursement certification to the counties and the Tax Compliance and Administration Fund provided for in this Section to be given to the Comptroller by the Department, the Comptroller shall cause the orders to be drawn for the respective amounts in accordance with the directions contained in such certification.

In addition to the disbursement required by the preceding paragraph, an allocation shall be made in each year to each county which received more than \$500,000 in disbursements under the preceding paragraph in the preceding calendar year. The allocation shall be in an amount equal to the average monthly distribution made to each such county under the preceding paragraph during the preceding calendar year (excluding the 2 months of highest receipts). The distribution made in March of each year subsequent to the year in which an allocation was made pursuant to this paragraph and the preceding paragraph shall be reduced by the amount allocated and disbursed under this paragraph in the preceding calendar year. The Department shall prepare and certify to the Comptroller for disbursement the allocations made in accordance with this paragraph.

Nothing in this Section shall be construed to authorize a county to impose a tax upon the privilege of engaging in any business which under the Constitution of the United States may not be made the subject of taxation by this State.

An ordinance or resolution imposing or discontinuing a tax hereunder or effecting a change in the rate thereof shall be adopted and a certified copy thereof filed with the Department on or before the first day of June, whereupon the Department shall proceed to administer and enforce this Section as of the first day of September next following such adoption and filing. Beginning January 1, 1992, an ordinance or resolution imposing or discontinuing the tax hereunder or effecting a change in the rate thereof shall be adopted and a certified copy thereof filed with the Department on or before the first day of July, whereupon the Department shall proceed to administer and enforce this Section as of the first day of October next following such adoption and filing. Beginning January 1, 1993, an ordinance or resolution imposing or discontinuing the tax hereunder or effecting a change in the rate thereof shall be adopted and a certified copy thereof filed with the Department on or before the first day of October, whereupon the Department shall proceed to administer and enforce this Section as of the first day of January next following such adoption and filing. Beginning April 1, 1998, an ordinance or resolution imposing or discontinuing the tax hereunder or effecting a change in the rate thereof shall either (i) be adopted and a certified copy thereof filed with the Department on or before the first day of April, whereupon the Department shall proceed to administer and enforce this Section as of the first day of July next following the adoption and filing; or (ii) be adopted and a certified copy thereof filed with the Department on or before the first day of October, whereupon the Department shall proceed to administer and enforce this Section as of the first day of January next following the adoption and filing.

Section 20-15. The Illinois Municipal Code is amended by changing Sections 8-11-1, 8-11-1.3, 8-11-1.4, 8-11-1.6, 8-11-1.7, and 8-11-5 as follows:

[May 30, 2018]

(65 ILCS 5/8-11-1) (from Ch. 24, par. 8-11-1)

Sec. 8-11-1. Home Rule Municipal Retailers' Occupation Tax Act. The corporate authorities of a home rule municipality may impose a tax upon all persons engaged in the business of selling tangible personal property, other than an item of tangible personal property titled or registered with an agency of this State's government, at retail in the municipality on the gross receipts from these sales made in the course of such business. If imposed, the tax shall only be imposed in 1/4% increments. On and after September 1, 1991, this additional tax may not be imposed on the sales of food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks and food that has been prepared for immediate consumption) and prescription and nonprescription medicines, drugs, medical appliances and insulin, urine testing materials, syringes and needles used by diabetics. The tax imposed by a home rule municipality under this Section and all civil penalties that may be assessed as an incident of the tax shall be collected and enforced by the State Department of Revenue. The certificate of registration that is issued by the Department to a retailer under the Retailers' Occupation Tax Act shall permit the retailer to engage in a business that is taxable under any ordinance or resolution enacted pursuant to this Section without registering separately with the Department under such ordinance or resolution or under this Section. The Department shall have full power to administer and enforce this Section; to collect all taxes and penalties due hereunder; to dispose of taxes and penalties so collected in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder. In the administration of, and compliance with, this Section the Department and persons who are subject to this Section shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties and definitions of terms, and employ the same modes of procedure, as are prescribed in Sections 1, 1a, 1d, 1e, 1f, 1i, 1j, 1k, 1m, 1n, 2 through 2-65 (in respect to all provisions therein other than the State rate of tax), 2c, 3 (except as to the disposition of taxes and penalties collected), 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, 5h, 5i, 5j, 5k, 5l, 6, 6a, 6b, 6c, 6d, 7, 8, 9, 10, 11, 12 and 13 of the Retailers' Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

No tax may be imposed by a home rule municipality under this Section unless the municipality also imposes a tax at the same rate under Section 8-11-5 of this Act.

Persons subject to any tax imposed under the authority granted in this Section may reimburse themselves for their seller's tax liability hereunder by separately stating that tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax which sellers are required to collect under the Use Tax Act, pursuant to such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this Section to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified and to the person named in the notification from the Department. The refund shall be paid by the State Treasurer out of the home rule municipal retailers' occupation tax fund.

The Department shall immediately pay over to the State Treasurer, ex officio, as trustee, all taxes and penalties collected hereunder.

As soon as possible after the first day of each month, beginning January 1, 2011, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the local sales tax increment, as defined in the Innovation Development and Economy Act, collected under this Section during the second preceding calendar month for sales within a STAR bond district.

After the monthly transfer to the STAR Bonds Revenue Fund, on or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money to named municipalities, the municipalities to be those from which retailers have paid taxes or penalties hereunder to the Department during the second preceding calendar month. The amount to be paid to each municipality shall be the amount (not including credit memoranda) collected hereunder during the second preceding calendar month by the Department plus an amount the Department determines is necessary to offset any amounts that were erroneously paid to a different taxing body, and not including an amount equal to the amount of refunds made during the second preceding calendar month by the Department on behalf of such municipality, and not including any amount that the Department determines is necessary to offset any amounts that were payable to a different taxing body but were erroneously paid to the municipality, and not including any amounts that are transferred to the STAR Bonds Revenue Fund, less 1.5% 2% of the remainder, which the Department shall transfer into the Tax Compliance and Administration Fund. The Department, at the time of each monthly disbursement to the municipalities, shall prepare and certify to the State Comptroller the amount to be transferred into the Tax Compliance and Administration Fund under this Section. Within 10 days after receipt by the Comptroller of the

[May 30, 2018]

disbursement certification to the municipalities and the Tax Compliance and Administration Fund provided for in this Section to be given to the Comptroller by the Department, the Comptroller shall cause the orders to be drawn for the respective amounts in accordance with the directions contained in the certification.

In addition to the disbursement required by the preceding paragraph and in order to mitigate delays caused by distribution procedures, an allocation shall, if requested, be made within 10 days after January 14, 1991, and in November of 1991 and each year thereafter, to each municipality that received more than \$500,000 during the preceding fiscal year, (July 1 through June 30) whether collected by the municipality or disbursed by the Department as required by this Section. Within 10 days after January 14, 1991, participating municipalities shall notify the Department in writing of their intent to participate. In addition, for the initial distribution, participating municipalities shall certify to the Department the amounts collected by the municipality for each month under its home rule occupation and service occupation tax during the period July 1, 1989 through June 30, 1990. The allocation within 10 days after January 14, 1991, shall be in an amount equal to the monthly average of these amounts, excluding the 2 months of highest receipts. The monthly average for the period of July 1, 1990 through June 30, 1991 will be determined as follows: the amounts collected by the municipality under its home rule occupation and service occupation tax during the period of July 1, 1990 through September 30, 1990, plus amounts collected by the Department and paid to such municipality through June 30, 1991, excluding the 2 months of highest receipts. The monthly average for each subsequent period of July 1 through June 30 shall be an amount equal to the monthly distribution made to each such municipality under the preceding paragraph during this period, excluding the 2 months of highest receipts. The distribution made in November 1991 and each year thereafter under this paragraph and the preceding paragraph shall be reduced by the amount allocated and disbursed under this paragraph in the preceding period of July 1 through June 30. The Department shall prepare and certify to the Comptroller for disbursement the allocations made in accordance with this paragraph.

For the purpose of determining the local governmental unit whose tax is applicable, a retail sale by a producer of coal or other mineral mined in Illinois is a sale at retail at the place where the coal or other mineral mined in Illinois is extracted from the earth. This paragraph does not apply to coal or other mineral when it is delivered or shipped by the seller to the purchaser at a point outside Illinois so that the sale is exempt under the United States Constitution as a sale in interstate or foreign commerce.

Nothing in this Section shall be construed to authorize a municipality to impose a tax upon the privilege of engaging in any business which under the Constitution of the United States may not be made the subject of taxation by this State.

An ordinance or resolution imposing or discontinuing a tax hereunder or effecting a change in the rate thereof shall be adopted and a certified copy thereof filed with the Department on or before the first day of June, whereupon the Department shall proceed to administer and enforce this Section as of the first day of September next following the adoption and filing. Beginning January 1, 1992, an ordinance or resolution imposing or discontinuing the tax hereunder or effecting a change in the rate thereof shall be adopted and a certified copy thereof filed with the Department on or before the first day of July, whereupon the Department shall proceed to administer and enforce this Section as of the first day of October next following such adoption and filing. Beginning January 1, 1993, an ordinance or resolution imposing or discontinuing the tax hereunder or effecting a change in the rate thereof shall be adopted and a certified copy thereof filed with the Department on or before the first day of October, whereupon the Department shall proceed to administer and enforce this Section as of the first day of January next following the adoption and filing. Sec. 8-11-1.3. Non-Home Rule Municipal Retailers' Occupation Tax Act. The corporate authorities of a non-home rule municipality may impose a tax upon all persons engaged in the business of selling tangible personal property, other than on an item of tangible personal property which is titled and registered by an agency of this State's Government, at retail in the municipality for expenditure on public infrastructure or for property tax relief or both as defined in Section 8-11-1.2 if approved by referendum as provided in Section 8-11-1.1, of the gross receipts from such sales made in the course of such business. If the tax is approved by referendum on or after July 14, 2010 (the effective date of Public Act 96-1057), the corporate authorities of a non-home rule municipality may, until December 31, 2020, use the proceeds of the tax for expenditure on municipal operations, in addition to or in lieu of any expenditure on public infrastructure or for property tax relief. The tax imposed may not be more than 1% and may be imposed only in 1/4% increments. The tax may not be imposed on the sale of food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks, and food that has been prepared for immediate consumption) and prescription and nonprescription medicines, drugs, medical appliances, and insulin, urine testing materials, syringes, and needles used by diabetics. The tax imposed by a municipality pursuant to this Section and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the State Department of Revenue. The certificate of registration which is issued by the Department to a retailer under the Retailers' Occupation Tax Act shall permit such retailer to engage in a business which is taxable under any ordinance or resolution enacted pursuant to this Section without registering separately with the Department under such ordinance or resolution or under this Section. The Department shall have full power to administer and enforce this Section; to collect all taxes and penalties due hereunder; to dispose of taxes and penalties so collected in the manner hereinafter provided, and to determine all rights to credit memoranda, arising on account of the erroneous payment of tax or penalty hereunder. In the administration of, and compliance with, this Section, the Department and persons who are subject to this Section shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties and definitions of terms, and employ the same modes of procedure, as are prescribed in Sections 1, 1a, 1a-1, 1d, 1e, 1f, 1i, 1j, 2 through 2-65 (in respect to all provisions therein other than the State rate of tax), 2c, 3 (except as to the disposition of taxes and penalties collected), 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, 5h, 5i, 5j, 5k, 5l, 6, 6a, 6b, 6c, 6d, 7, 8, 9, 10, 11, 12 and 13 of the Retailers' Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act as fully as if those provisions were set forth herein.

No municipality may impose a tax under this Section unless the municipality also imposes a tax at the same rate under Section 8-11-1.4 of this Code.

Persons subject to any tax imposed pursuant to the authority granted in this Section may reimburse themselves for their seller's tax liability hereunder by separately stating such tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax which sellers are required to collect under the Use Tax Act, pursuant to such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this Section to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified, and to the person named, in such notification from the Department. Such refund shall be paid by the State Treasurer out of the non-home rule municipal retailers' occupation tax fund.

The Department shall forthwith pay over to the State Treasurer, ex officio, as trustee, all taxes and penalties collected hereunder.

As soon as possible after the first day of each month, beginning January 1, 2011, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to

[May 30, 2018]

the STAR Bonds Revenue Fund the local sales tax increment, as defined in the Innovation Development and Economy Act, collected under this Section during the second preceding calendar month for sales within a STAR bond district.

After the monthly transfer to the STAR Bonds Revenue Fund, on or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money to named municipalities, the municipalities to be those from which retailers have paid taxes or penalties hereunder to the Department during the second preceding calendar month. The amount to be paid to each municipality shall be the amount (not including credit memoranda) collected hereunder during the second preceding calendar month by the Department plus an amount the Department determines is necessary to offset any amounts which were erroneously paid to a different taxing body, and not including an amount equal to the amount of refunds made during the second preceding calendar month by the Department on behalf of such municipality, and not including any amount which the Department determines is necessary to offset any amounts which were payable to a different taxing body but were erroneously paid to the municipality, and not including any amounts that are transferred to the STAR Bonds Revenue Fund, less 1.5% 2% of the remainder, which the Department shall transfer into the Tax Compliance and Administration Fund. The Department, at the time of each monthly disbursement to the municipalities, shall prepare and certify to the State Comptroller the amount to be transferred into the Tax Compliance and Administration Fund under this Section. Within 10 days after receipt, by the Comptroller, of the disbursement certification to the municipalities and the Tax Compliance and Administration Fund provided for in this Section to be given to the Comptroller by the Department, the Comptroller shall cause the orders to be drawn for the respective amounts in accordance with the directions contained in such certification.

For the purpose of determining the local governmental unit whose tax is applicable, a retail sale, by a producer of coal or other mineral mined in Illinois, is a sale at retail at the place where the coal or other mineral mined in Illinois is extracted from the earth. This paragraph does not apply to coal or other mineral when it is delivered or shipped by the seller to the purchaser at a point outside Illinois so that the sale is exempt under the Federal Constitution as a sale in interstate or foreign commerce.

Nothing in this Section shall be construed to authorize a municipality to impose a tax upon the privilege of engaging in any business which under the constitution of the United States may not be made the subject of taxation by this State.

When certifying the amount of a monthly disbursement to a municipality under this Section, the Department shall increase or decrease such amount by an amount necessary to offset any misallocation of previous disbursements. The offset amount shall be the amount erroneously disbursed within the previous 6 months from the time a misallocation is discovered.

The Department of Revenue shall implement this amendatory Act of the 91st General Assembly so as to collect the tax on and after January 1, 2002.

As used in this Section, "municipal" and "municipality" means a city, village or incorporated town, including an incorporated town which has superseded a civil township.

This Section shall be known and may be cited as the "Non-Home Rule Municipal Retailers' Occupation Tax Act".

Whenever the Department determines that a refund should be made under this Section to a claimant instead of issuing credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified, and to the person named, in such notification from the Department. Such refund shall be paid by the State Treasurer out of the municipal retailers' occupation tax fund.

The Department shall forthwith pay over to the State Treasurer, ex officio, as trustee, all taxes and penalties collected hereunder.

The certificate of registration which is issued by the Department to a retailer under the Retailers' Occupation Tax Act or under the Service Occupation Tax Act shall permit such registrant to engage in a business which is taxable under any ordinance or resolution enacted pursuant to this Section without registering separately with the Department under such ordinance or resolution or under this Section. The Department shall have full power to administer and enforce this Section; to collect all taxes and penalties due hereunder; to dispose of taxes and penalties so collected in the manner hereinafter provided, and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder. In the administration of, and compliance with, this Section the Department and persons who are subject to this Section shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties and definitions of terms, and employ the same modes of procedure, as are prescribed in Sections 1a-1, 2, 2a, 3 through 3-50 (in respect to all provisions therein other than the State rate of tax), 4 (except that the reference to the State shall be to the taxing municipality), 5, 7, 8 (except that the jurisdiction to which the tax shall be a debt to the extent indicated in that Section 8 shall be the taxing municipality), 9 (except as to the disposition of taxes and penalties collected, and except that the returned merchandise credit for this municipal tax may not be taken against any State tax), 10, 11, 12 (except the reference therein to Section 2b of the Retailers' Occupation Tax Act), 13 (except that any reference to the State shall mean the taxing municipality), the first paragraph of Section 15, 16, 17 (except that credit memoranda issued hereunder may not be used to discharge any State tax liability), 18, 19 and 20 of the Service Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

No tax may be imposed by a home rule municipality pursuant to this Section unless such municipality also imposes a tax at the same rate pursuant to Section 8-11-1 of this Act.

Persons subject to any tax imposed pursuant to the authority granted in this Section may reimburse themselves for their serviceman's tax liability hereunder by separately stating such tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax which servicemen are authorized to collect under the Service Use Tax Act, pursuant to such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this Section to a claimant instead of issuing credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified, and to the person named, in such notification from the Department. Such refund shall be paid by the State Treasurer out of the home rule municipal retailers' occupation tax fund.

The Department shall forthwith pay over to the State Treasurer, ex-officio, as trustee, all taxes and penalties collected hereunder.

As soon as possible after the first day of each month, beginning January 1, 2011, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the local sales tax increment, as defined in the Innovation Development and Economy Act, collected under this Section during the second preceding calendar month for sales within a STAR bond district.

After the monthly transfer to the STAR Bonds Revenue Fund, on or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money to named municipalities, the municipalities to be those from which suppliers and servicemen have paid taxes or penalties hereunder to the Department during the second preceding calendar month. The amount to be paid to each municipality shall be the amount (not including credit memoranda) collected hereunder during the second preceding calendar month by the Department, and not including an amount equal to the amount of refunds made during the second preceding calendar month by the Department on behalf of such municipality, and not including any amounts that are transferred to the STAR Bonds Revenue Fund, less 1.5% ~~2%~~ of the remainder, which the Department shall transfer into the Tax Compliance and Administration Fund. The Department, at the time of each monthly disbursement to the municipalities, shall prepare and certify to the State Comptroller the amount to be transferred into the Tax Compliance and Administration Fund under this Section. Within 10 days after receipt, by the Comptroller, of the disbursement certification to the municipalities and the Tax Compliance and Administration Fund

[May 30, 2018]

provided for in this Section to be given to the Comptroller by the Department, the Comptroller shall cause the orders to be drawn for the respective amounts in accordance with the directions contained in such certification.

In addition to the disbursement required by the preceding paragraph and in order to mitigate delays caused by distribution procedures, an allocation shall, if requested, be made within 10 days after January 14, 1991, and in November of 1991 and each year thereafter, to each municipality that received more than \$500,000 during the preceding fiscal year, (July 1 through June 30) whether collected by the municipality or disbursed by the Department as required by this Section. Within 10 days after January 14, 1991, participating municipalities shall notify the Department in writing of their intent to participate. In addition, for the initial distribution, participating municipalities shall certify to the Department the amounts collected by the municipality for each month under its home rule occupation and service occupation tax during the period July 1, 1989 through June 30, 1990. The allocation within 10 days after January 14, 1991, shall be in an amount equal to the monthly average of these amounts, excluding the 2 months of highest receipts. Monthly average for the period of July 1, 1990 through June 30, 1991 will be determined as follows: the amounts collected by the municipality under its home rule occupation and service occupation tax during the period of July 1, 1990 through September 30, 1990, plus amounts collected by the Department and paid to such municipality through June 30, 1991, excluding the 2 months of highest receipts. The monthly average for each subsequent period of July 1 through June 30 shall be an amount equal to the monthly distribution made to each such municipality under the preceding paragraph during this period, excluding the 2 months of highest receipts. The distribution made in November 1991 and each year thereafter under this paragraph and the preceding paragraph shall be reduced by the amount allocated and disbursed under this paragraph in the preceding period of July 1 through June 30. The Department shall prepare and certify to the Comptroller for disbursement the allocations made in accordance with this paragraph.

Nothing in this Section shall be construed to authorize a municipality to impose a tax upon the privilege of engaging in any business which under the constitution of the United States may not be made the subject of taxation by this State.

An ordinance or resolution imposing or discontinuing a tax hereunder or effecting a change in the rate thereof shall be adopted and a certified copy thereof filed with the Department on or before the first day of June, whereupon the Department shall proceed to administer and enforce this Section as of the first day of September next following such adoption and filing. Beginning January 1, 1992, an ordinance or resolution imposing or discontinuing the tax hereunder or effecting a change in the rate thereof shall be adopted and a certified copy thereof filed with the Department on or before the first day of July, whereupon the Department shall proceed to administer and enforce this Section as of the first day of October next following such adoption and filing. Beginning January 1, 1993, an ordinance or resolution imposing or discontinuing the tax hereunder or effecting a change in the rate thereof shall be adopted and a certified copy thereof filed with the Department on or before the first day of October, whereupon the Department shall proceed to administer and enforce this Section as of the first day of January next following such adoption and filing. However, a municipality located in a county with a population in excess of 3,000,000 that elected to become a home rule unit at the general primary election in 1994 may adopt an ordinance or resolution imposing the tax under this Section and file a certified copy of the ordinance or resolution with the Department on or before July 1, 1994. The Department shall then proceed to administer and enforce this Section as of October 1, 1994. Beginning April 1, 1998, an ordinance or resolution imposing or discontinuing the tax hereunder or effecting a change in the rate thereof shall either (i) be adopted and a certified copy thereof filed with the Department on or before the first day of April, whereupon the Department shall proceed to administer and enforce this Section as of the first day of July next following the adoption and filing; or (ii) be adopted and a certified copy thereof filed with the Department on or before the first day of October, whereupon the Department shall proceed to administer and enforce this Section as of the first day of January next following the adoption and filing.

Any unobligated balance remaining in the Municipal Retailers' Occupation Tax Fund on December 31, 1989, which fund was abolished by Public Act 85-1135, and all receipts of municipal tax as a result of audits of liability periods prior to January 1, 1990, shall be paid into the Local Government Tax Fund, for distribution as provided by this Section prior to the enactment of Public Act 85-1135. All receipts of municipal tax as a result of an assessment not arising from an audit, for liability periods prior to January 1, 1990, shall be paid into the Local Government Tax Fund for distribution before July 1, 1990, as provided by this Section prior to the enactment of Public Act 85-1135, and on and after July 1, 1990, all such receipts shall be distributed as provided in Section 6z-18 of the State Finance Act.

Section 20-20. The Metropolitan Pier and Exposition Authority Act is amended by changing Section 13 as follows:

(70 ILCS 210/13) (from Ch. 85, par. 1233)

Sec. 13. (a) The Authority shall not have power to levy taxes for any purpose, except as provided in subsections (b), (c), (d), (e), and (f).

(b) By ordinance the Authority shall, as soon as practicable after July 1, 1992 (the effective date of Public Act 87-733) ~~this amendatory Act of 1991~~, impose a Metropolitan Pier and Exposition Authority Retailers' Occupation Tax upon all persons engaged in the business of selling tangible personal property at retail within the territory described in this subsection at the rate of 1.0% of the gross receipts (i) from the sale of food, alcoholic beverages, and soft drinks sold for consumption on the premises where sold and (ii) from the sale of food, alcoholic beverages, and soft drinks sold for consumption off the premises where sold by a retailer whose principal source of gross receipts is from the sale of food, alcoholic beverages, and soft drinks prepared for immediate consumption.

The tax imposed under this subsection and all civil penalties that may be assessed as an incident to that tax shall be collected and enforced by the Illinois Department of Revenue. The Department shall have full power to administer and enforce this subsection, to collect all taxes and penalties so collected in the manner provided in this subsection, and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty under this subsection. In the administration of and compliance with this subsection, the Department and persons who are subject to this subsection shall have the same rights, remedies, privileges, immunities, powers, and duties, shall be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions, and definitions of terms, and shall employ the same modes of procedure applicable to this Retailers' Occupation Tax as are prescribed in Sections 1, 2 through 2-65 (in respect to all provisions of those Sections other than the State rate of taxes), 2c, 2h, 2i, 3 (except as to the disposition of taxes and penalties collected), 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, 5i, 5j, 6, 6a, 6b, 6c, 7, 8, 9, 10, 11, 12, 13, and, until January 1, 1994, 13.5 of the Retailers' Occupation Tax Act, and, on and after January 1, 1994, all applicable provisions of the Uniform Penalty and Interest Act that are not inconsistent with this Act, as fully as if provisions contained in those Sections of the Retailers' Occupation Tax Act were set forth in this subsection.

Persons subject to any tax imposed under the authority granted in this subsection may reimburse themselves for their seller's tax liability under this subsection by separately stating that tax as an additional charge, which charge may be stated in combination, in a single amount, with State taxes that sellers are required to collect under the Use Tax Act, pursuant to bracket schedules as the Department may prescribe. The retailer filing the return shall, at the time of filing the return, pay to the Department the amount of tax imposed under this subsection, less a discount of 1.75%, which is allowed to reimburse the retailer for the expenses incurred in keeping records, preparing and filing returns, remitting the tax, and supplying data to the Department on request.

Whenever the Department determines that a refund should be made under this subsection to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause a warrant to be drawn for the amount specified and to the person named in the notification from the Department. The refund shall be paid by the State Treasurer out of the Metropolitan Pier and Exposition Authority trust fund held by the State Treasurer as trustee for the Authority.

Nothing in this subsection authorizes the Authority to impose a tax upon the privilege of engaging in any business that under the Constitution of the United States may not be made the subject of taxation by this State.

The Department shall forthwith pay over to the State Treasurer, ex officio, as trustee for the Authority, all taxes and penalties collected under this subsection for deposit into a trust fund held outside of the State Treasury.

As soon as possible after the first day of each month, beginning January 1, 2011, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the local sales tax increment, as defined in the Innovation Development and Economy Act, collected under this subsection during the second preceding calendar month for sales within a STAR bond district.

After the monthly transfer to the STAR Bonds Revenue Fund, on or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the amounts to be paid under subsection (g) of this Section, which shall be the amounts, not including credit memoranda, collected under

[May 30, 2018]

this subsection during the second preceding calendar month by the Department, less any amounts determined by the Department to be necessary for the payment of refunds, less 1.5% ~~2%~~ of such balance, which sum shall be deposited by the State Treasurer into the Tax Compliance and Administration Fund in the State Treasury from which it shall be appropriated to the Department to cover the costs of the Department in administering and enforcing the provisions of this subsection, and less any amounts that are transferred to the STAR Bonds Revenue Fund. Within 10 days after receipt by the Comptroller of the certification, the Comptroller shall cause the orders to be drawn for the remaining amounts, and the Treasurer shall administer those amounts as required in subsection (g).

A certificate of registration issued by the Illinois Department of Revenue to a retailer under the Retailers' Occupation Tax Act shall permit the registrant to engage in a business that is taxed under the tax imposed under this subsection, and no additional registration shall be required under the ordinance imposing the tax or under this subsection.

A certified copy of any ordinance imposing or discontinuing any tax under this subsection or effecting a change in the rate of that tax shall be filed with the Department, whereupon the Department shall proceed to administer and enforce this subsection on behalf of the Authority as of the first day of the third calendar month following the date of filing.

The tax authorized to be levied under this subsection may be levied within all or any part of the following described portions of the metropolitan area:

(1) that portion of the City of Chicago located within the following area: Beginning at the point of intersection of the Cook County - DuPage County line and York Road, then North along York Road to its intersection with Touhy Avenue, then east along Touhy Avenue to its intersection with the Northwest Tollway, then southeast along the Northwest Tollway to its intersection with Lee Street, then south along Lee Street to Higgins Road, then south and east along Higgins Road to its intersection with Mannheim Road, then south along Mannheim Road to its intersection with Irving Park Road, then west along Irving Park Road to its intersection with the Cook County - DuPage County line, then north and west along the county line to the point of beginning; and

The tax authorized to be levied under this subsection may also be levied on food, alcoholic beverages, and soft drinks sold on boats and other watercraft departing from and returning to the shoreline of Lake Michigan (including Navy Pier and all other improvements fixed to land, docks, or piers) described in item (3).

(c) By ordinance the Authority shall, as soon as practicable after July 1, 1992 (the effective date of Public Act 87-733) ~~this amendatory Act of 1991~~, impose an occupation tax upon all persons engaged in the corporate limits of the City of Chicago in the business of renting, leasing, or letting rooms in a hotel, as defined in the Hotel Operators' Occupation Tax Act, at a rate of 2.5% of the gross rental receipts from the renting, leasing, or letting of hotel rooms within the City of Chicago, excluding, however, from gross rental receipts the proceeds of renting, leasing, or letting to permanent residents of a hotel, as defined in that Act. Gross rental receipts shall not include charges that are added on account of the liability arising from any tax imposed by the State or any governmental agency on the occupation of renting, leasing, or letting rooms in a hotel.

The tax imposed by the Authority under this subsection and all civil penalties that may be assessed as an incident to that tax shall be collected and enforced by the Illinois Department of Revenue. The certificate of registration that is issued by the Department to a lessor under the Hotel Operators' Occupation Tax Act shall permit that registrant to engage in a business that is taxable under any ordinance enacted under this subsection without registering separately with the Department under that ordinance or under this subsection. The Department shall have full power to administer and enforce this subsection, to collect

all taxes and penalties due under this subsection, to dispose of taxes and penalties so collected in the manner provided in this subsection, and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty under this subsection. In the administration of and compliance with this subsection, the Department and persons who are subject to this subsection shall have the same rights, remedies, privileges, immunities, powers, and duties, shall be subject to the same conditions, restrictions, limitations, penalties, and definitions of terms, and shall employ the same modes of procedure as are prescribed in the Hotel Operators' Occupation Tax Act (except where that Act is inconsistent with this subsection), as fully as if the provisions contained in the Hotel Operators' Occupation Tax Act were set out in this subsection.

Whenever the Department determines that a refund should be made under this subsection to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause a warrant to be drawn for the amount specified and to the person named in the notification from the Department. The refund shall be paid by the State Treasurer out of the Metropolitan Pier and Exposition Authority trust fund held by the State Treasurer as trustee for the Authority.

Persons subject to any tax imposed under the authority granted in this subsection may reimburse themselves for their tax liability for that tax by separately stating that tax as an additional charge, which charge may be stated in combination, in a single amount, with State taxes imposed under the Hotel Operators' Occupation Tax Act, the municipal tax imposed under Section 8-3-13 of the Illinois Municipal Code, and the tax imposed under Section 19 of the Illinois Sports Facilities Authority Act.

The person filing the return shall, at the time of filing the return, pay to the Department the amount of tax, less a discount of 2.1% or \$25 per calendar year, whichever is greater, which is allowed to reimburse the operator for the expenses incurred in keeping records, preparing and filing returns, remitting the tax, and supplying data to the Department on request.

Except as otherwise provided in this paragraph, the Department shall forthwith pay over to the State Treasurer, ex officio, as trustee for the Authority, all taxes and penalties collected under this subsection for deposit into a trust fund held outside the State Treasury. On or before the 25th day of each calendar month, the Department shall certify to the Comptroller the amounts to be paid under subsection (g) of this Section, which shall be the amounts (not including credit memoranda) collected under this subsection during the second preceding calendar month by the Department, less any amounts determined by the Department to be necessary for payment of refunds, less 1.5% ~~2%~~ of the remainder, which the Department shall transfer into the Tax Compliance and Administration Fund. The Department, at the time of each monthly disbursement to the Authority, shall prepare and certify to the State Comptroller the amount to be transferred into the Tax Compliance and Administration Fund under this subsection. Within 10 days after receipt by the Comptroller of the Department's certification, the Comptroller shall cause the orders to be drawn for such amounts, and the Treasurer shall administer the amounts distributed to the Authority as required in subsection (g).

A certified copy of any ordinance imposing or discontinuing a tax under this subsection or effecting a change in the rate of that tax shall be filed with the Illinois Department of Revenue, whereupon the Department shall proceed to administer and enforce this subsection on behalf of the Authority as of the first day of the third calendar month following the date of filing.

(d) By ordinance the Authority shall, as soon as practicable after July 1, 1992 (the effective date of Public Act 87-733) ~~this amendatory Act of 1994~~, impose a tax upon all persons engaged in the business of renting automobiles in the metropolitan area at the rate of 6% of the gross receipts from that business, except that no tax shall be imposed on the business of renting automobiles for use as taxicabs or in livery service. The tax imposed under this subsection and all civil penalties that may be assessed as an incident to that tax shall be collected and enforced by the Illinois Department of Revenue. The certificate of registration issued by the Department to a retailer under the Retailers' Occupation Tax Act or under the Automobile Renting Occupation and Use Tax Act shall permit that person to engage in a business that is taxable under any ordinance enacted under this subsection without registering separately with the Department under that ordinance or under this subsection. The Department shall have full power to administer and enforce this subsection, to collect all taxes and penalties due under this subsection, to dispose of taxes and penalties so collected in the manner provided in this subsection, and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty under this subsection. In the administration of and compliance with this subsection, the Department and persons who are subject to this subsection shall have the same rights, remedies, privileges, immunities, powers, and duties, be subject to the same conditions, restrictions, limitations, penalties, and definitions of terms, and employ the same modes of procedure as are prescribed in Sections 2 and 3 (in respect to all provisions of those Sections other than the State rate of tax; and in respect to the provisions of the Retailers' Occupation Tax Act referred to in those Sections, except as to the disposition of taxes and penalties collected, except

for the provision allowing retailers a deduction from the tax to cover certain costs, and except that credit memoranda issued under this subsection may not be used to discharge any State tax liability) of the Automobile Renting Occupation and Use Tax Act, as fully as if provisions contained in those Sections of that Act were set forth in this subsection.

Persons subject to any tax imposed under the authority granted in this subsection may reimburse themselves for their tax liability under this subsection by separately stating that tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax that sellers are required to collect under the Automobile Renting Occupation and Use Tax Act, pursuant to bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this subsection to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause a warrant to be drawn for the amount specified and to the person named in the notification from the Department. The refund shall be paid by the State Treasurer out of the Metropolitan Pier and Exposition Authority trust fund held by the State Treasurer as trustee for the Authority.

Except as otherwise provided in this paragraph, the Department shall forthwith pay over to the State Treasurer, ex officio, as trustee, all taxes and penalties collected under this subsection for deposit into a trust fund held outside the State Treasury. On or before the 25th day of each calendar month, the Department shall certify to the Comptroller the amounts to be paid under subsection (g) of this Section (not including credit memoranda) collected under this subsection during the second preceding calendar month by the Department, less any amount determined by the Department to be necessary for payment of refunds, less ~~1.5%~~ 2% of the remainder, which the Department shall transfer into the Tax Compliance and Administration Fund. The Department, at the time of each monthly disbursement to the Authority, shall prepare and certify to the State Comptroller the amount to be transferred into the Tax Compliance and Administration Fund under this subsection. Within 10 days after receipt by the Comptroller of the Department's certification, the Comptroller shall cause the orders to be drawn for such amounts, and the Treasurer shall administer the amounts distributed to the Authority as required in subsection (g).

Nothing in this subsection authorizes the Authority to impose a tax upon the privilege of engaging in any business that under the Constitution of the United States may not be made the subject of taxation by this State.

A certified copy of any ordinance imposing or discontinuing a tax under this subsection or effecting a change in the rate of that tax shall be filed with the Illinois Department of Revenue, whereupon the Department shall proceed to administer and enforce this subsection on behalf of the Authority as of the first day of the third calendar month following the date of filing.

(e) By ordinance the Authority shall, as soon as practicable after July 1, 1992 (the effective date of Public Act 87-733) ~~this amendatory Act of 1991~~, impose a tax upon the privilege of using in the metropolitan area an automobile that is rented from a rentor outside Illinois and is titled or registered with an agency of this State's government at a rate of 6% of the rental price of that automobile, except that no tax shall be imposed on the privilege of using automobiles rented for use as taxicabs or in livery service. The tax shall be collected from persons whose Illinois address for titling or registration purposes is given as being in the metropolitan area. The tax shall be collected by the Department of Revenue for the Authority. The tax must be paid to the State or an exemption determination must be obtained from the Department of Revenue before the title or certificate of registration for the property may be issued. The tax or proof of exemption may be transmitted to the Department by way of the State agency with which or State officer with whom the tangible personal property must be titled or registered if the Department and that agency or State officer determine that this procedure will expedite the processing of applications for title or registration.

The Department shall have full power to administer and enforce this subsection, to collect all taxes, penalties, and interest due under this subsection, to dispose of taxes, penalties, and interest so collected in the manner provided in this subsection, and to determine all rights to credit memoranda or refunds arising on account of the erroneous payment of tax, penalty, or interest under this subsection. In the administration of and compliance with this subsection, the Department and persons who are subject to this subsection shall have the same rights, remedies, privileges, immunities, powers, and duties, be subject to the same conditions, restrictions, limitations, penalties, and definitions of terms, and employ the same modes of procedure as are prescribed in Sections 2 and 4 (except provisions pertaining to the State rate of tax; and in respect to the provisions of the Use Tax Act referred to in that Section, except provisions concerning collection or refunding of the tax by retailers, except the provisions of Section 19 pertaining to claims by retailers, except the last paragraph concerning refunds, and except that credit memoranda issued under this subsection may not be used to discharge any State tax liability) of the Automobile Renting Occupation

and Use Tax Act, as fully as if provisions contained in those Sections of that Act were set forth in this subsection.

Whenever the Department determines that a refund should be made under this subsection to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause a warrant to be drawn for the amount specified and to the person named in the notification from the Department. The refund shall be paid by the State Treasurer out of the Metropolitan Pier and Exposition Authority trust fund held by the State Treasurer as trustee for the Authority.

Except as otherwise provided in this paragraph, the Department shall forthwith pay over to the State Treasurer, ex officio, as trustee, all taxes, penalties, and interest collected under this subsection for deposit into a trust fund held outside the State Treasury. On or before the 25th day of each calendar month, the Department shall certify to the State Comptroller the amounts to be paid under subsection (g) of this Section, which shall be the amounts (not including credit memoranda) collected under this subsection during the second preceding calendar month by the Department, less any amounts determined by the Department to be necessary for payment of refunds, less ~~1.5%~~ 2% of the remainder, which the Department shall transfer into the Tax Compliance and Administration Fund. The Department, at the time of each monthly disbursement to the Authority, shall prepare and certify to the State Comptroller the amount to be transferred into the Tax Compliance and Administration Fund under this subsection. Within 10 days after receipt by the State Comptroller of the Department's certification, the Comptroller shall cause the orders to be drawn for such amounts, and the Treasurer shall administer the amounts distributed to the Authority as required in subsection (g).

A certified copy of any ordinance imposing or discontinuing a tax or effecting a change in the rate of that tax shall be filed with the Illinois Department of Revenue, whereupon the Department shall proceed to administer and enforce this subsection on behalf of the Authority as of the first day of the third calendar month following the date of filing.

(f) By ordinance the Authority shall, as soon as practicable after July 1, 1992 (the effective date of ~~Public Act 87-733~~ ~~this amendatory Act of 1991~~), impose an occupation tax on all persons, other than a governmental agency, engaged in the business of providing ground transportation for hire to passengers in the metropolitan area at a rate of (i) \$4 per taxi or livery vehicle departure with passengers for hire from commercial service airports in the metropolitan area, (ii) for each departure with passengers for hire from a commercial service airport in the metropolitan area in a bus or van operated by a person other than a person described in item (iii): \$18 per bus or van with a capacity of 1-12 passengers, \$36 per bus or van with a capacity of 13-24 passengers, and \$54 per bus or van with a capacity of over 24 passengers, and (iii) for each departure with passengers for hire from a commercial service airport in the metropolitan area in a bus or van operated by a person regulated by the Interstate Commerce Commission or Illinois Commerce Commission, operating scheduled service from the airport, and charging fares on a per passenger basis: \$2 per passenger for hire in each bus or van. The term "commercial service airports" means those airports receiving scheduled passenger service and enplaning more than 100,000 passengers per year.

In the ordinance imposing the tax, the Authority may provide for the administration and enforcement of the tax and the collection of the tax from persons subject to the tax as the Authority determines to be necessary or practicable for the effective administration of the tax. The Authority may enter into agreements as it deems appropriate with any governmental agency providing for that agency to act as the Authority's agent to collect the tax.

In the ordinance imposing the tax, the Authority may designate a method or methods for persons subject to the tax to reimburse themselves for the tax liability arising under the ordinance (i) by separately stating the full amount of the tax liability as an additional charge to passengers departing the airports, (ii) by separately stating one-half of the tax liability as an additional charge to both passengers departing from and to passengers arriving at the airports, or (iii) by some other method determined by the Authority.

All taxes, penalties, and interest collected under any ordinance adopted under this subsection, less any amounts determined to be necessary for the payment of refunds and less the taxes, penalties, and interest attributable to any increase in the rate of tax authorized by Public Act 96-898, shall be paid forthwith to the State Treasurer, ex officio, for deposit into a trust fund held outside the State Treasury and shall be administered by the State Treasurer as provided in subsection (g) of this Section. All taxes, penalties, and interest attributable to any increase in the rate of tax authorized by Public Act 96-898 shall be paid by the State Treasurer as follows: 25% for deposit into the Convention Center Support Fund, to be used by the Village of Rosemont for the repair, maintenance, and improvement of the Donald E. Stephens Convention Center and for debt service on debt instruments issued for those purposes by the village and 75% to the Authority to be used for grants to an organization meeting the qualifications set out in Section 5.6 of this

Act, provided the Metropolitan Pier and Exposition Authority has entered into a marketing agreement with such an organization.

(g) Amounts deposited from the proceeds of taxes imposed by the Authority under subsections (b), (c), (d), (e), and (f) of this Section and amounts deposited under Section 19 of the Illinois Sports Facilities Authority Act shall be held in a trust fund outside the State Treasury and, other than the amounts transferred into the Tax Compliance and Administration Fund under subsections (b), (c), (d), and (e), shall be administered by the Treasurer as follows:

(1) An amount necessary for the payment of refunds with respect to those taxes shall be retained in the trust fund and used for those payments.

(2) On July 20 and on the 20th of each month thereafter, provided that the amount requested in the annual certificate of the Chairman of the Authority filed under Section 8.25f of the State Finance Act has been appropriated for payment to the Authority, 1/8 of the local tax transfer amount, together with any cumulative deficiencies in the amounts transferred into the McCormick Place Expansion Project Fund under this subparagraph (2) during the fiscal year for which the certificate has been filed, shall be transferred from the trust fund into the McCormick Place Expansion Project Fund in the State treasury until 100% of the local tax transfer amount has been so transferred. "Local tax transfer amount" shall mean the amount requested in the annual certificate, minus the reduction amount. "Reduction amount" shall mean \$41.7 million in fiscal year 2011, \$36.7 million in fiscal year 2012, \$36.7 million in fiscal year 2013, \$36.7 million in fiscal year 2014, and \$31.7 million in each fiscal year thereafter until 2032, provided that the reduction amount shall be reduced by (i) the amount certified by the Authority to the State Comptroller and State Treasurer under Section 8.25 of the State Finance Act, as amended, with respect to that fiscal year and (ii) in any fiscal year in which the amounts deposited in the trust fund under this Section exceed \$318.3 million, exclusive of amounts set aside for refunds and for the reserve account, one dollar for each dollar of the deposits in the trust fund above \$318.3 million with respect to that year, exclusive of amounts set aside for refunds and for the reserve account.

(3) On July 20, 2010, the Comptroller shall certify to the Governor, the Treasurer, and the Chairman of the Authority the 2010 deficiency amount, which means the cumulative amount of transfers that were due from the trust fund to the McCormick Place Expansion Project Fund in fiscal years 2008, 2009, and 2010 under Section 13(g) of this Act, as it existed prior to May 27, 2010 (the effective date of Public Act 96-898), but not made. On July 20, 2011 and on July 20 of each year through July 20, 2014, the Treasurer shall calculate for the previous fiscal year the surplus revenues in the trust fund and pay that amount to the Authority. On July 20, 2015 and on July 20 of each year thereafter to and including July 20, 2017, as long as bonds and notes issued under Section 13.2 or bonds and notes issued to refund those bonds and notes are outstanding, the Treasurer shall calculate for the previous fiscal year the surplus revenues in the trust fund and pay one-half of that amount to the State Treasurer for deposit into the General Revenue Fund until the 2010 deficiency amount has been paid and shall pay the balance of the surplus revenues to the Authority. On July 20, 2018 and on July 20 of each year thereafter, the Treasurer shall calculate for the previous fiscal year the surplus revenues in the trust fund and pay all of such surplus revenues to the State Treasurer for deposit into the General Revenue Fund until the 2010 deficiency amount has been paid. After the 2010 deficiency amount has been paid, the Treasurer shall pay the balance of the surplus revenues to the Authority. "Surplus revenues" means the amounts remaining in the trust fund on June 30 of the previous fiscal year (A) after the State Treasurer has set aside in the trust fund (i) amounts retained for refunds under subparagraph (1) and (ii) any amounts necessary to meet the reserve account amount and (B) after the State Treasurer has transferred from the trust fund to the General Revenue Fund 100% of any post-2010 deficiency amount. "Reserve account amount" means \$15 million in fiscal year 2011 and \$30 million in each fiscal year thereafter. The reserve account amount shall be set aside in the trust fund and used as a reserve to be transferred to the McCormick Place Expansion Project Fund in the event the proceeds of taxes imposed under this Section 13 are not sufficient to fund the transfer required in subparagraph (2). "Post-2010 deficiency amount" means any deficiency in transfers from the trust fund to the McCormick Place Expansion Project Fund with respect to fiscal years 2011 and thereafter. It is the intention of this subparagraph (3) that no surplus revenues shall be paid to the Authority with respect to any year in which a post-2010 deficiency amount has not been satisfied by the Authority.

Moneys received by the Authority as surplus revenues may be used (i) for the purposes of paying debt service on the bonds and notes issued by the Authority, including early redemption of those bonds or notes, (ii) for the purposes of repair, replacement, and improvement of the grounds, buildings, and facilities of the Authority, and (iii) for the corporate purposes of the Authority in fiscal years 2011 through 2015 in an amount not to exceed \$20,000,000 annually or \$80,000,000 total, which amount shall be reduced \$0.75 for each dollar of the receipts of the Authority in that year from any contract entered into with respect to

naming rights at McCormick Place under Section 5(m) of this Act. When bonds and notes issued under Section 13.2, or bonds or notes issued to refund those bonds and notes, are no longer outstanding, the balance in the trust fund shall be paid to the Authority.

(h) The ordinances imposing the taxes authorized by this Section shall be repealed when bonds and notes issued under Section 13.2 or bonds and notes issued to refund those bonds and notes are no longer outstanding.

Section 20-25. The Metro-East Park and Recreation District Act is amended by changing Section 30 as follows:

(70 ILCS 1605/30)

Sec. 30. Taxes.

(a) The board shall impose a tax upon all persons engaged in the business of selling tangible personal property, other than personal property titled or registered with an agency of this State's government, at retail in the District on the gross receipts from the sales made in the course of business. This tax shall be imposed only at the rate of one-tenth of one per cent.

This additional tax may not be imposed on the sales of food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks, and food which has been prepared for immediate consumption) and prescription and non-prescription medicines, drugs, medical appliances, and insulin, urine testing materials, syringes, and needles used by diabetics. The tax imposed by the Board under this Section and all civil penalties that may be assessed as an incident of the tax shall be collected and enforced by the Department of Revenue. The certificate of registration that is issued by the Department to a retailer under the Retailers' Occupation Tax Act shall permit the retailer to engage in a business that is taxable without registering separately with the Department under an ordinance or resolution under this Section. The Department has full power to administer and enforce this Section, to collect all taxes and penalties due under this Section, to dispose of taxes and penalties so collected in the manner provided in this Section, and to determine all rights to credit memoranda arising on account of the erroneous payment of a tax or penalty under this Section. In the administration of and compliance with this Section, the Department and persons who are subject to this Section shall (i) have the same rights, remedies, privileges, immunities, powers, and duties, (ii) be subject to the same conditions, restrictions, limitations, penalties, and definitions of terms, and (iii) employ the same modes of procedure as are prescribed in Sections 1, 1a, 1a-1, 1d, 1e, 1f, 1i, 1j, 1k, 1m, 1n, 2, 2-5, 2-5.5, 2-10 (in respect to all provisions contained in those Sections other than the State rate of tax), 2-12, 2-15 through 2-70, 2a, 2b, 2c, 3 (except provisions relating to transaction returns and quarter monthly payments), 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, 5h, 5i, 5j, 5k, 5l, 6, 6a, 6b, 6c, 6d, 7, 8, 9, 10, 11, 11a, 12, and 13 of the Retailers' Occupation Tax Act and the Uniform Penalty and Interest Act as if those provisions were set forth in this Section.

Persons subject to any tax imposed under the authority granted in this Section may reimburse themselves for their sellers' tax liability by separately stating the tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax which sellers are required to collect under the Use Tax Act, pursuant to such bracketed schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this Section to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified and to the person named in the notification from the Department. The refund shall be paid by the State Treasurer out of the State Metro-East Park and Recreation District Fund.

(b) If a tax has been imposed under subsection (a), a service occupation tax shall also be imposed at the same rate upon all persons engaged, in the District, in the business of making sales of service, who, as an incident to making those sales of service, transfer tangible personal property within the District as an incident to a sale of service. This tax may not be imposed on sales of food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks, and food prepared for immediate consumption) and prescription and non-prescription medicines, drugs, medical appliances, and insulin, urine testing materials, syringes, and needles used by diabetics. The tax imposed under this subsection and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the Department of Revenue. The Department has full power to administer and enforce this subsection; to collect all taxes and penalties due hereunder; to dispose of taxes and penalties so collected in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder. In the administration of, and compliance with this subsection, the Department and persons who are subject to this paragraph shall (i) have the same

rights, remedies, privileges, immunities, powers, and duties, (ii) be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions, and definitions of terms, and (iii) employ the same modes of procedure as are prescribed in Sections 2 (except that the reference to State in the definition of supplier maintaining a place of business in this State shall mean the District), 2a, 2b, 2c, 3 through 3-50 (in respect to all provisions therein other than the State rate of tax), 4 (except that the reference to the State shall be to the District), 5, 7, 8 (except that the jurisdiction to which the tax shall be a debt to the extent indicated in that Section 8 shall be the District), 9 (except as to the disposition of taxes and penalties collected), 10, 11, 12 (except the reference therein to Section 2b of the Retailers' Occupation Tax Act), 13 (except that any reference to the State shall mean the District), Sections 15, 16, 17, 18, 19 and 20 of the Service Occupation Tax Act and the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

Persons subject to any tax imposed under the authority granted in this subsection may reimburse themselves for their serviceman's tax liability by separately stating the tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax that servicemen are authorized to collect under the Service Use Tax Act, in accordance with such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this subsection to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the warrant to be drawn for the amount specified, and to the person named, in the notification from the Department. The refund shall be paid by the State Treasurer out of the State Metro-East Park and Recreation District Fund.

Nothing in this subsection shall be construed to authorize the board to impose a tax upon the privilege of engaging in any business which under the Constitution of the United States may not be made the subject of taxation by the State.

(c) The Department shall immediately pay over to the State Treasurer, ex officio, as trustee, all taxes and penalties collected under this Section to be deposited into the State Metro-East Park and Recreation District Fund, which shall be an unappropriated trust fund held outside of the State treasury.

As soon as possible after the first day of each month, beginning January 1, 2011, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the local sales tax increment, as defined in the Innovation Development and Economy Act, collected under this Section during the second preceding calendar month for sales within a STAR bond district. The Department shall make this certification only if the Metro East Park and Recreation District imposes a tax on real property as provided in the definition of "local sales taxes" under the Innovation Development and Economy Act.

After the monthly transfer to the STAR Bonds Revenue Fund, on or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money pursuant to Section 35 of this Act to the District from which retailers have paid taxes or penalties to the Department during the second preceding calendar month. The amount to be paid to the District shall be the amount (not including credit memoranda) collected under this Section during the second preceding calendar month by the Department plus an amount the Department determines is necessary to offset any amounts that were erroneously paid to a different taxing body, and not including (i) an amount equal to the amount of refunds made during the second preceding calendar month by the Department on behalf of the District, (ii) any amount that the Department determines is necessary to offset any amounts that were payable to a different taxing body but were erroneously paid to the District, (iii) any amounts that are transferred to the STAR Bonds Revenue Fund, and (iv) 1.5% 2% of the remainder, which the Department shall transfer into the Tax Compliance and Administration Fund. The Department, at the time of each monthly disbursement to the District, shall prepare and certify to the State Comptroller the amount to be transferred into the Tax Compliance and Administration Fund under this subsection. Within 10 days after receipt by the Comptroller of the disbursement certification to the District and the Tax Compliance and Administration Fund provided for in this Section to be given to the Comptroller by the Department, the Comptroller shall cause the orders to be drawn for the respective amounts in accordance with directions contained in the certification.

(d) For the purpose of determining whether a tax authorized under this Section is applicable, a retail sale by a producer of coal or another mineral mined in Illinois is a sale at retail at the place where the coal or other mineral mined in Illinois is extracted from the earth. This paragraph does not apply to coal or another mineral when it is delivered or shipped by the seller to the purchaser at a point outside Illinois so that the sale is exempt under the United States Constitution as a sale in interstate or foreign commerce.

(e) Nothing in this Section shall be construed to authorize the board to impose a tax upon the privilege of engaging in any business that under the Constitution of the United States may not be made the subject of taxation by this State.

(f) An ordinance imposing a tax under this Section or an ordinance extending the imposition of a tax to an additional county or counties shall be certified by the board and filed with the Department of Revenue either (i) on or before the first day of April, whereupon the Department shall proceed to administer and enforce the tax as of the first day of July next following the filing; or (ii) on or before the first day of October, whereupon the Department shall proceed to administer and enforce the tax as of the first day of January next following the filing.

(g) When certifying the amount of a monthly disbursement to the District under this Section, the Department shall increase or decrease the amounts by an amount necessary to offset any misallocation of previous disbursements. The offset amount shall be the amount erroneously disbursed within the previous 6 months from the time a misallocation is discovered.

Section 20-30. The Local Mass Transit District Act is amended by changing Section 5.01 as follows:
(70 ILCS 3610/5.01) (from Ch. 111 2/3, par. 355.01)

Sec. 5.01. Metro East Mass Transit District; use and occupation taxes.

(a) The Board of Trustees of any Metro East Mass Transit District may, by ordinance adopted with the concurrence of two-thirds of the then trustees, impose throughout the District any or all of the taxes and fees provided in this Section. All taxes and fees imposed under this Section shall be used only for public mass transportation systems, and the amount used to provide mass transit service to unserved areas of the District shall be in the same proportion to the total proceeds as the number of persons residing in the unserved areas is to the total population of the District. Except as otherwise provided in this Act, taxes imposed under this Section and civil penalties imposed incident thereto shall be collected and enforced by the State Department of Revenue. The Department shall have the power to administer and enforce the taxes and to determine all rights for refunds for erroneous payments of the taxes.

(b) The Board may impose a Metro East Mass Transit District Retailers' Occupation Tax upon all persons engaged in the business of selling tangible personal property at retail in the district at a rate of 1/4 of 1%, or as authorized under subsection (d-5) of this Section, of the gross receipts from the sales made in the course of such business within the district. The tax imposed under this Section and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the State Department of Revenue. The Department shall have full power to administer and enforce this Section; to collect all taxes and penalties so collected in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder. In the administration of, and compliance with, this Section, the Department and persons who are subject to this Section shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions and definitions of terms and employ the same modes of procedure, as are prescribed in Sections 1, 1a, 1a-1, 1c, 1d, 1e, 1f, 1i, 1j, 2 through 2-65 (in respect to all provisions therein other than the State rate of tax), 2c, 3 (except as to the disposition of taxes and penalties collected), 4, 5, 5a, 5c, 5d, 5e, 5f, 5g, 5h, 5i, 5j, 5k, 5l, 6, 6a, 6b, 6c, 6d, 7, 8, 9, 10, 11, 12, 13, and 14 of the Retailers' Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

Persons subject to any tax imposed under the Section may reimburse themselves for their seller's tax liability hereunder by separately stating the tax as an additional charge, which charge may be stated in combination, in a single amount, with State taxes that sellers are required to collect under the Use Tax Act, in accordance with such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this Section to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the warrant to be drawn for the amount specified, and to the person named, in the notification from the Department. The refund shall be paid by the State Treasurer out of the Metro East Mass Transit District tax fund established under paragraph (h) of this Section.

If a tax is imposed under this subsection (b), a tax shall also be imposed under subsections (c) and (d) of this Section.

For the purpose of determining whether a tax authorized under this Section is applicable, a retail sale, by a producer of coal or other mineral mined in Illinois, is a sale at retail at the place where the coal or other mineral mined in Illinois is extracted from the earth. This paragraph does not apply to coal or other mineral when it is delivered or shipped by the seller to the purchaser at a point outside Illinois so that the sale is exempt under the Federal Constitution as a sale in interstate or foreign commerce.

[May 30, 2018]

No tax shall be imposed or collected under this subsection on the sale of a motor vehicle in this State to a resident of another state if that motor vehicle will not be titled in this State.

Nothing in this Section shall be construed to authorize the Metro East Mass Transit District to impose a tax upon the privilege of engaging in any business which under the Constitution of the United States may not be made the subject of taxation by this State.

(c) If a tax has been imposed under subsection (b), a Metro East Mass Transit District Service Occupation Tax shall also be imposed upon all persons engaged, in the district, in the business of making sales of service, who, as an incident to making those sales of service, transfer tangible personal property within the District, either in the form of tangible personal property or in the form of real estate as an incident to a sale of service. The tax rate shall be 1/4%, or as authorized under subsection (d-5) of this Section, of the selling price of tangible personal property so transferred within the district. The tax imposed under this paragraph and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the State Department of Revenue. The Department shall have full power to administer and enforce this paragraph; to collect all taxes and penalties due hereunder; to dispose of taxes and penalties so collected in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder. In the administration of, and compliance with this paragraph, the Department and persons who are subject to this paragraph shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions and definitions of terms and employ the same modes of procedure as are prescribed in Sections 1a-1, 2 (except that the reference to State in the definition of supplier maintaining a place of business in this State shall mean the Authority), 2a, 3 through 3-50 (in respect to all provisions therein other than the State rate of tax), 4 (except that the reference to the State shall be to the Authority), 5, 7, 8 (except that the jurisdiction to which the tax shall be a debt to the extent indicated in that Section 8 shall be the District), 9 (except as to the disposition of taxes and penalties collected, and except that the returned merchandise credit for this tax may not be taken against any State tax), 10, 11, 12 (except the reference therein to Section 2b of the Retailers' Occupation Tax Act), 13 (except that any reference to the State shall mean the District), the first paragraph of Section 15, 16, 17, 18, 19 and 20 of the Service Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

Persons subject to any tax imposed under the authority granted in this paragraph may reimburse themselves for their serviceman's tax liability hereunder by separately stating the tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax that servicemen are authorized to collect under the Service Use Tax Act, in accordance with such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this paragraph to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the warrant to be drawn for the amount specified, and to the person named, in the notification from the Department. The refund shall be paid by the State Treasurer out of the Metro East Mass Transit District tax fund established under paragraph (h) of this Section.

Nothing in this paragraph shall be construed to authorize the District to impose a tax upon the privilege of engaging in any business which under the Constitution of the United States may not be made the subject of taxation by the State.

(d) If a tax has been imposed under subsection (b), a Metro East Mass Transit District Use Tax shall also be imposed upon the privilege of using, in the district, any item of tangible personal property that is purchased outside the district at retail from a retailer, and that is titled or registered with an agency of this State's government, at a rate of 1/4%, or as authorized under subsection (d-5) of this Section, of the selling price of the tangible personal property within the District, as "selling price" is defined in the Use Tax Act. The tax shall be collected from persons whose Illinois address for titling or registration purposes is given as being in the District. The tax shall be collected by the Department of Revenue for the Metro East Mass Transit District. The tax must be paid to the State, or an exemption determination must be obtained from the Department of Revenue, before the title or certificate of registration for the property may be issued. The tax or proof of exemption may be transmitted to the Department by way of the State agency with which, or the State officer with whom, the tangible personal property must be titled or registered if the Department and the State agency or State officer determine that this procedure will expedite the processing of applications for title or registration.

The Department shall have full power to administer and enforce this paragraph; to collect all taxes, penalties and interest due hereunder; to dispose of taxes, penalties and interest so collected in the manner hereinafter provided; and to determine all rights to credit memoranda or refunds arising on account of the erroneous payment of tax, penalty or interest hereunder. In the administration of, and compliance with,

this paragraph, the Department and persons who are subject to this paragraph shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions and definitions of terms and employ the same modes of procedure, as are prescribed in Sections 2 (except the definition of "retailer maintaining a place of business in this State"), 3 through 3-80 (except provisions pertaining to the State rate of tax, and except provisions concerning collection or refunding of the tax by retailers), 4, 11, 12, 12a, 14, 15, 19 (except the portions pertaining to claims by retailers and except the last paragraph concerning refunds), 20, 21 and 22 of the Use Tax Act and Section 3-7 of the Uniform Penalty and Interest Act, that are not inconsistent with this paragraph, as fully as if those provisions were set forth herein.

Whenever the Department determines that a refund should be made under this paragraph to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified, and to the person named, in the notification from the Department. The refund shall be paid by the State Treasurer out of the Metro East Mass Transit District tax fund established under paragraph (h) of this Section.

(d-5) (A) The county board of any county participating in the Metro East Mass Transit District may authorize, by ordinance, a referendum on the question of whether the tax rates for the Metro East Mass Transit District Retailers' Occupation Tax, the Metro East Mass Transit District Service Occupation Tax, and the Metro East Mass Transit District Use Tax for the District should be increased from 0.25% to 0.75%. Upon adopting the ordinance, the county board shall certify the proposition to the proper election officials who shall submit the proposition to the voters of the District at the next election, in accordance with the general election law.

The proposition shall be in substantially the following form:

(B) Two thousand five hundred electors of any Metro East Mass Transit District may petition the Chief Judge of the Circuit Court, or any judge of that Circuit designated by the Chief Judge, in which that District is located to cause to be submitted to a vote of the electors the question whether the tax rates for the Metro East Mass Transit District Retailers' Occupation Tax, the Metro East Mass Transit District Service Occupation Tax, and the Metro East Mass Transit District Use Tax for the District should be increased from 0.25% to 0.75%.

Upon submission of such petition the court shall set a date not less than 10 nor more than 30 days thereafter for a hearing on the sufficiency thereof. Notice of the filing of such petition and of such date shall be given in writing to the District and the County Clerk at least 7 days before the date of such hearing.

If such petition is found sufficient, the court shall enter an order to submit that proposition at the next election, in accordance with general election law.

The form of the petition shall be in substantially the following form: To the Circuit Court of the County of (name of county):

.....
.....
.....

(C) The votes shall be recorded as "YES" or "NO". If a majority of all votes cast on the proposition are for the increase in the tax rates, the Metro East Mass Transit District shall begin imposing the increased rates in the District, and the Department of Revenue shall begin collecting the increased amounts, as provided under this Section. An ordinance imposing or discontinuing a tax hereunder or effecting a change in the rate thereof shall be adopted and a certified copy thereof filed with the Department on or before the first day of October, whereupon the Department shall proceed to administer and enforce this Section as of the first day of January next following the adoption and filing, or on or before the first day of April, whereupon the Department shall proceed to administer and enforce this Section as of the first day of July next following the adoption and filing.

(D) If the voters have approved a referendum under this subsection, before November 1, 1994, to increase the tax rate under this subsection, the Metro East Mass Transit District Board of Trustees may adopt by a majority vote an ordinance at any time before January 1, 1995 that excludes from the rate increase tangible personal property that is titled or registered with an agency of this State's government.

The ordinance excluding titled or registered tangible personal property from the rate increase must be filed with the Department at least 15 days before its effective date. At any time after adopting an ordinance excluding from the rate increase tangible personal property that is titled or registered with an agency of this State's government, the Metro East Mass Transit District Board of Trustees may adopt an ordinance applying the rate increase to that tangible personal property. The ordinance shall be adopted, and a certified copy of that ordinance shall be filed with the Department, on or before October 1, whereupon the Department shall proceed to administer and enforce the rate increase against tangible personal property titled or registered with an agency of this State's government as of the following January 1. After December 31, 1995, any reimposed rate increase in effect under this subsection shall no longer apply to tangible personal property titled or registered with an agency of this State's government. Beginning January 1, 1996, the Board of Trustees of any Metro East Mass Transit District may never reimpose a previously excluded tax rate increase on tangible personal property titled or registered with an agency of this State's government. After July 1, 2004, if the voters have approved a referendum under this subsection to increase the tax rate under this subsection, the Metro East Mass Transit District Board of Trustees may adopt by a majority vote an ordinance that excludes from the rate increase tangible personal property that is titled or registered with an agency of this State's government. The ordinance excluding titled or registered tangible personal property from the rate increase shall be adopted, and a certified copy of that ordinance shall be filed with the Department on or before October 1, whereupon the Department shall administer and enforce this exclusion from the rate increase as of the following January 1, or on or before April 1, whereupon the Department shall administer and enforce this exclusion from the rate increase as of the following July 1. The Board of Trustees of any Metro East Mass Transit District may never reimpose a previously excluded tax rate increase on tangible personal property titled or registered with an agency of this State's government.

(d-6) If the Board of Trustees of any Metro East Mass Transit District has imposed a rate increase under subsection (d-5) and filed an ordinance with the Department of Revenue excluding titled property from the higher rate, then that Board may, by ordinance adopted with the concurrence of two-thirds of the then trustees, impose throughout the District a fee. The fee on the excluded property shall not exceed \$20 per retail transaction or an amount equal to the amount of tax excluded, whichever is less, on tangible personal property that is titled or registered with an agency of this State's government. Beginning July 1, 2004, the fee shall apply only to titled property that is subject to either the Metro East Mass Transit District Retailers' Occupation Tax or the Metro East Mass Transit District Service Occupation Tax. No fee shall be imposed or collected under this subsection on the sale of a motor vehicle in this State to a resident of another state if that motor vehicle will not be titled in this State.

(d-7) Until June 30, 2004, if a fee has been imposed under subsection (d-6), a fee shall also be imposed upon the privilege of using, in the district, any item of tangible personal property that is titled or registered with any agency of this State's government, in an amount equal to the amount of the fee imposed under subsection (d-6).

(f) (Blank).

(g) Any ordinance imposing or discontinuing any tax under this Section shall be adopted and a certified copy thereof filed with the Department on or before June 1, whereupon the Department of Revenue shall proceed to administer and enforce this Section on behalf of the Metro East Mass Transit District as of September 1 next following such adoption and filing. Beginning January 1, 1992, an ordinance or resolution imposing or discontinuing the tax hereunder shall be adopted and a certified copy thereof filed with the Department on or before the first day of July, whereupon the Department shall proceed to administer and enforce this Section as of the first day of October next following such adoption and filing. (h) Except as provided in subsection (d-7.1), the State Department of Revenue shall, upon collecting any taxes as provided in this Section, pay the taxes over to the State Treasurer as trustee for the District. The taxes shall be held in a trust fund outside the State Treasury.

As soon as possible after the first day of each month, beginning January 1, 2011, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the local sales tax increment, as defined in the Innovation Development and Economy Act, collected under this Section during the second preceding calendar month for sales within a STAR bond district. Section 20-35. The Regional Transportation Authority Act is amended by changing Section 4.03 as follows:

(70 ILCS 3615/4.03) (from Ch. 111 2/3, par. 704.03)

Sec. 4.03. Taxes.

(a) In order to carry out any of the powers or purposes of the Authority, the Board may by ordinance adopted with the concurrence of 12 of the then Directors, impose throughout the metropolitan region any or all of the taxes provided in this Section. Except as otherwise provided in this Act, taxes imposed under this Section and civil penalties imposed incident thereto shall be collected and enforced by the State Department of Revenue. The Department shall have the power to administer and enforce the taxes and to determine all rights for refunds for erroneous payments of the taxes. Nothing in Public Act 95-708 is intended to invalidate any taxes currently imposed by the Authority. The increased vote requirements to impose a tax shall only apply to actions taken after January 1, 2008 (the effective date of Public Act 95-708).

(b) The Board may impose a public transportation tax upon all persons engaged in the metropolitan region in the business of selling at retail motor fuel for operation of motor vehicles upon public highways. The tax shall be at a rate not to exceed 5% of the gross receipts from the sales of motor fuel in the course of the business. As used in this Act, the term "motor fuel" shall have the same meaning as in the Motor Fuel Tax Law. The Board may provide for details of the tax. The provisions of any tax shall conform, as

[May 30, 2018]

closely as may be practicable, to the provisions of the Municipal Retailers Occupation Tax Act, including without limitation, conformity to penalties with respect to the tax imposed and as to the powers of the State Department of Revenue to promulgate and enforce rules and regulations relating to the administration and enforcement of the provisions of the tax imposed, except that reference in the Act to any municipality shall refer to the Authority and the tax shall be imposed only with regard to receipts from sales of motor fuel in the metropolitan region, at rates as limited by this Section.

(c) In connection with the tax imposed under paragraph (b) of this Section the Board may impose a tax upon the privilege of using in the metropolitan region motor fuel for the operation of a motor vehicle upon public highways, the tax to be at a rate not in excess of the rate of tax imposed under paragraph (b) of this Section. The Board may provide for details of the tax.

(d) The Board may impose a motor vehicle parking tax upon the privilege of parking motor vehicles at off-street parking facilities in the metropolitan region at which a fee is charged, and may provide for reasonable classifications in and exemptions to the tax, for administration and enforcement thereof and for civil penalties and refunds thereunder and may provide criminal penalties thereunder, the maximum penalties not to exceed the maximum criminal penalties provided in the Retailers' Occupation Tax Act. The Authority may collect and enforce the tax itself or by contract with any unit of local government. The State Department of Revenue shall have no responsibility for the collection and enforcement unless the Department agrees with the Authority to undertake the collection and enforcement. As used in this paragraph, the term "parking facility" means a parking area or structure having parking spaces for more than 2 vehicles at which motor vehicles are permitted to park in return for an hourly, daily, or other periodic fee, whether publicly or privately owned, but does not include parking spaces on a public street, the use of which is regulated by parking meters.

(e) The Board may impose a Regional Transportation Authority Retailers' Occupation Tax upon all persons engaged in the business of selling tangible personal property at retail in the metropolitan region. In Cook County the tax rate shall be 1.25% of the gross receipts from sales of food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks and food that has been prepared for immediate consumption) and prescription and nonprescription medicines, drugs, medical appliances and insulin, urine testing materials, syringes and needles used by diabetics, and 1% of the gross receipts from other taxable sales made in the course of that business. In DuPage, Kane, Lake, McHenry, and Will Counties, the tax rate shall be 0.75% of the gross receipts from all taxable sales made in the course of that business. The tax imposed under this Section and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the State Department of Revenue. The Department shall have full power to administer and enforce this Section; to collect all taxes and penalties so collected in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder. In the administration of, and compliance with this Section, the Department and persons who are subject to this Section shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions and definitions of terms, and employ the same modes of procedure, as are prescribed in Sections 1, 1a, 1a-1, 1c, 1d, 1e, 1f, 1i, 1j, 2 through 2-65 (in respect to all provisions therein other than the State rate of tax), 2c, 3 (except as to the disposition of taxes and penalties collected), 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, 5h, 5i, 5j, 5k, 5l, 6, 6a, 6b, 6c, 6d, 7, 8, 9, 10, 11, 12 and 13 of the Retailers' Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

Persons subject to any tax imposed under the authority granted in this Section may reimburse themselves for their seller's tax liability hereunder by separately stating the tax as an additional charge, which charge may be stated in combination in a single amount with State taxes that sellers are required to collect under the Use Tax Act, under any bracket schedules the Department may prescribe.

Whenever the Department determines that a refund should be made under this Section to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the warrant to be drawn for the amount specified, and to the person named, in the notification from the Department. The refund shall be paid by the State Treasurer out of the Regional Transportation Authority tax fund established under paragraph (n) of this Section.

If a tax is imposed under this subsection (e), a tax shall also be imposed under subsections (f) and (g) of this Section.

For the purpose of determining whether a tax authorized under this Section is applicable, a retail sale by a producer of coal or other mineral mined in Illinois, is a sale at retail at the place where the coal or other mineral mined in Illinois is extracted from the earth. This paragraph does not apply to coal or other mineral when it is delivered or shipped by the seller to the purchaser at a point outside Illinois so that the sale is exempt under the Federal Constitution as a sale in interstate or foreign commerce.

No tax shall be imposed or collected under this subsection on the sale of a motor vehicle in this State to a resident of another state if that motor vehicle will not be titled in this State.

Nothing in this Section shall be construed to authorize the Regional Transportation Authority to impose a tax upon the privilege of engaging in any business that under the Constitution of the United States may not be made the subject of taxation by this State.

(f) If a tax has been imposed under paragraph (e), a Regional Transportation Authority Service Occupation Tax shall also be imposed upon all persons engaged, in the metropolitan region in the business of making sales of service, who as an incident to making the sales of service, transfer tangible personal property within the metropolitan region, either in the form of tangible personal property or in the form of real estate as an incident to a sale of service. In Cook County, the tax rate shall be: (1) 1.25% of the serviceman's cost price of food prepared for immediate consumption and transferred incident to a sale of service subject to the service occupation tax by an entity licensed under the Hospital Licensing Act, the Nursing Home Care Act, the Specialized Mental Health Rehabilitation Act of 2013, the ID/DD Community Care Act, or the MC/DD Act that is located in the metropolitan region; (2) 1.25% of the selling price of food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks and food that has been prepared for immediate consumption) and prescription and nonprescription medicines, drugs, medical appliances and insulin, urine testing materials, syringes and needles used by diabetics; and (3) 1% of the selling price from other taxable sales of tangible personal property transferred. In DuPage, Kane, Lake, McHenry and Will Counties the rate shall be 0.75% of the selling price of all tangible personal property transferred.

The tax imposed under this paragraph and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the State Department of Revenue. The Department shall have full power to administer and enforce this paragraph; to collect all taxes and penalties due hereunder; to dispose of taxes and penalties collected in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder. In the administration of and compliance with this paragraph, the Department and persons who are subject to this paragraph shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions and definitions of terms, and employ the same modes of procedure, as are prescribed in Sections 1a-1, 2, 2a, 3 through 3-50 (in respect to all provisions therein other than the State rate of tax), 4 (except that the reference to the State shall be to the Authority), 5, 7, 8 (except that the jurisdiction to which the tax shall be a debt to the extent indicated in that Section 8 shall be the Authority), 9 (except as to the disposition of taxes and penalties collected, and except that the returned merchandise credit for this tax may not be taken against any State tax), 10, 11, 12 (except the reference therein to Section 2b of the Retailers' Occupation Tax Act), 13 (except that any reference to the State shall mean the Authority), the first paragraph of Section 15, 16, 17, 18, 19 and 20 of the Service Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

Persons subject to any tax imposed under the authority granted in this paragraph may reimburse themselves for their serviceman's tax liability hereunder by separately stating the tax as an additional charge, that charge may be stated in combination in a single amount with State tax that servicemen are authorized to collect under the Service Use Tax Act, under any bracket schedules the Department may prescribe.

Whenever the Department determines that a refund should be made under this paragraph to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the warrant to be drawn for the amount specified, and to the person named in the notification from the Department. The refund shall be paid by the State Treasurer out of the Regional Transportation Authority tax fund established under paragraph (n) of this Section.

Nothing in this paragraph shall be construed to authorize the Authority to impose a tax upon the privilege of engaging in any business that under the Constitution of the United States may not be made the subject of taxation by the State.

(g) If a tax has been imposed under paragraph (e), a tax shall also be imposed upon the privilege of using in the metropolitan region, any item of tangible personal property that is purchased outside the metropolitan region at retail from a retailer, and that is titled or registered with an agency of this State's government. In Cook County the tax rate shall be 1% of the selling price of the tangible personal property, as "selling price" is defined in the Use Tax Act. In DuPage, Kane, Lake, McHenry and Will counties the tax rate shall be 0.75% of the selling price of the tangible personal property, as "selling price" is defined in the Use Tax Act. The tax shall be collected from persons whose Illinois address for titling or registration purposes is given as being in the metropolitan region. The tax shall be collected by the Department of Revenue for the Regional Transportation Authority. The tax must be paid to the State, or an exemption

determination must be obtained from the Department of Revenue, before the title or certificate of registration for the property may be issued. The tax or proof of exemption may be transmitted to the Department by way of the State agency with which, or the State officer with whom, the tangible personal property must be titled or registered if the Department and the State agency or State officer determine that this procedure will expedite the processing of applications for title or registration.

The Department shall have full power to administer and enforce this paragraph; to collect all taxes, penalties and interest due hereunder; to dispose of taxes, penalties and interest collected in the manner hereinafter provided; and to determine all rights to credit memoranda or refunds arising on account of the erroneous payment of tax, penalty or interest hereunder. In the administration of and compliance with this paragraph, the Department and persons who are subject to this paragraph shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions and definitions of terms and employ the same modes of procedure, as are prescribed in Sections 2 (except the definition of "retailer maintaining a place of business in this State"), 3 through 3-80 (except provisions pertaining to the State rate of tax, and except provisions concerning collection or refunding of the tax by retailers), 4, 11, 12, 12a, 14, 15, 19 (except the portions pertaining to claims by retailers and except the last paragraph concerning refunds), 20, 21 and 22 of the Use Tax Act, and are not inconsistent with this paragraph, as fully as if those provisions were set forth herein.

Whenever the Department determines that a refund should be made under this paragraph to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified, and to the person named in the notification from the Department. The refund shall be paid by the State Treasurer out of the Regional Transportation Authority tax fund established under paragraph (n) of this Section.

(h) The Authority may impose a replacement vehicle tax of \$50 on any passenger car as defined in Section 1-157 of the Illinois Vehicle Code purchased within the metropolitan region by or on behalf of an insurance company to replace a passenger car of an insured person in settlement of a total loss claim. The tax imposed may not become effective before the first day of the month following the passage of the ordinance imposing the tax and receipt of a certified copy of the ordinance by the Department of Revenue. The Department of Revenue shall collect the tax for the Authority in accordance with Sections 3-2002 and 3-2003 of the Illinois Vehicle Code.

The Department shall immediately pay over to the State Treasurer, ex officio, as trustee, all taxes collected hereunder.

As soon as possible after the first day of each month, beginning January 1, 2011, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the local sales tax increment, as defined in the Innovation Development and Economy Act, collected under this Section during the second preceding calendar month for sales within a STAR bond district.

After the monthly transfer to the STAR Bonds Revenue Fund, on or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money to the Authority. The amount to be paid to the Authority shall be the amount collected hereunder during the second preceding calendar month by the Department, less any amount determined by the Department to be necessary for the payment of refunds, and less any amounts that are transferred to the STAR Bonds Revenue Fund. Within 10 days after receipt by the Comptroller of the disbursement certification to the Authority provided for in this Section to be given to the Comptroller by the Department, the Comptroller shall cause the orders to be drawn for that amount in accordance with the directions contained in the certification.

(i) The Board may not impose any other taxes except as it may from time to time be authorized by law to impose.

(j) A certificate of registration issued by the State Department of Revenue to a retailer under the Retailers' Occupation Tax Act or under the Service Occupation Tax Act shall permit the registrant to engage in a business that is taxed under the tax imposed under paragraphs (b), (e), (f) or (g) of this Section and no additional registration shall be required under the tax. A certificate issued under the Use Tax Act or the Service Use Tax Act shall be applicable with regard to any tax imposed under paragraph (c) of this Section.

(k) The provisions of any tax imposed under paragraph (c) of this Section shall conform as closely as may be practicable to the provisions of the Use Tax Act, including without limitation conformity as to penalties with respect to the tax imposed and as to the powers of the State Department of Revenue to promulgate and enforce rules and regulations relating to the administration and enforcement of the

provisions of the tax imposed. The taxes shall be imposed only on use within the metropolitan region and at rates as provided in the paragraph.

(l) The Board in imposing any tax as provided in paragraphs (b) and (c) of this Section, shall, after seeking the advice of the State Department of Revenue, provide means for retailers, users or purchasers of motor fuel for purposes other than those with regard to which the taxes may be imposed as provided in those paragraphs to receive refunds of taxes improperly paid, which provisions may be at variance with the refund provisions as applicable under the Municipal Retailers Occupation Tax Act. The State Department of Revenue may provide for certificates of registration for users or purchasers of motor fuel for purposes other than those with regard to which taxes may be imposed as provided in paragraphs (b) and (c) of this Section to facilitate the reporting and nontaxability of the exempt sales or uses.

(m) Any ordinance imposing or discontinuing any tax under this Section shall be adopted and a certified copy thereof filed with the Department on or before June 1, whereupon the Department of Revenue shall proceed to administer and enforce this Section on behalf of the Regional Transportation Authority as of September 1 next following such adoption and filing. Beginning January 1, 1992, an ordinance or resolution imposing or discontinuing the tax hereunder shall be adopted and a certified copy thereof filed with the Department on or before the first day of July, whereupon the Department shall proceed to administer and enforce this Section as of the first day of October next following such adoption and filing. Beginning January 1, 1993, an ordinance or resolution imposing, increasing, decreasing, or discontinuing the tax hereunder shall be adopted and a certified copy thereof filed with the Department, whereupon the Department shall proceed to administer and enforce this Section as of the first day of the first month to occur not less than 60 days following such adoption and filing. Any ordinance or resolution of the Authority imposing a tax under this Section and in effect on August 1, 2007 shall remain in full force and effect and shall be administered by the Department of Revenue under the terms and conditions and rates of tax established by such ordinance or resolution until the Department begins administering and enforcing an increased tax under this Section as authorized by Public Act 95-708. The tax rates authorized by Public Act 95-708 are effective only if imposed by ordinance of the Authority.

(n) Except as otherwise provided in this subsection (n), the State Department of Revenue shall, upon collecting any taxes as provided in this Section, pay the taxes over to the State Treasurer as trustee for the Authority. The taxes shall be held in a trust fund outside the State Treasury. On or before the 25th day of each calendar month, the State Department of Revenue shall prepare and certify to the Comptroller of the State of Illinois and to the Authority (i) the amount of taxes collected in each County other than Cook County in the metropolitan region, (ii) the amount of taxes collected within the City of Chicago, and (iii) the amount collected in that portion of Cook County outside of Chicago, each amount less the amount necessary for the payment of refunds to taxpayers located in those areas described in items (i), (ii), and (iii), and less ~~1.5%~~ 2% of the remainder, which shall be transferred from the trust fund into the Tax Compliance and Administration Fund. The Department, at the time of each monthly disbursement to the Authority, shall prepare and certify to the State Comptroller the amount to be transferred into the Tax Compliance and Administration Fund under this subsection. Within 10 days after receipt by the Comptroller of the certification of the amounts, the Comptroller shall cause an order to be drawn for the transfer of the amount certified into the Tax Compliance and Administration Fund and the payment of two-thirds of the amounts certified in item (i) of this subsection to the Authority and one-third of the amounts certified in item (i) of this subsection to the respective counties other than Cook County and the amount certified in items (ii) and (iii) of this subsection to the Authority.

In addition to the disbursement required by the preceding paragraph, an allocation shall be made in July 1991 and each year thereafter to the Regional Transportation Authority. The allocation shall be made in an amount equal to the average monthly distribution during the preceding calendar year (excluding the 2 months of lowest receipts) and the allocation shall include the amount of average monthly distribution from the Regional Transportation Authority Occupation and Use Tax Replacement Fund. The distribution made in July 1992 and each year thereafter under this paragraph and the preceding paragraph shall be reduced by the amount allocated and disbursed under this paragraph in the preceding calendar year. The Department of Revenue shall prepare and certify to the Comptroller for disbursement the allocations made in accordance with this paragraph.

(o) Failure to adopt a budget ordinance or otherwise to comply with Section 4.01 of this Act or to adopt a Five-year Capital Program or otherwise to comply with paragraph (b) of Section 2.01 of this Act shall not affect the validity of any tax imposed by the Authority otherwise in conformity with law.

(p) At no time shall a public transportation tax or motor vehicle parking tax authorized under paragraphs (b), (c) and (d) of this Section be in effect at the same time as any retailers' occupation, use or service occupation tax authorized under paragraphs (e), (f) and (g) of this Section is in effect.

Any taxes imposed under the authority provided in paragraphs (b), (c) and (d) shall remain in effect only until the time as any tax authorized by paragraphs (e), (f) or (g) of this Section are imposed and becomes effective. Once any tax authorized by paragraphs (e), (f) or (g) is imposed the Board may not reimpose taxes as authorized in paragraphs (b), (c) and (d) of the Section unless any tax authorized by paragraphs (e), (f) or (g) of this Section becomes ineffective by means other than an ordinance of the Board.

(q) Any existing rights, remedies and obligations (including enforcement by the Regional Transportation Authority) arising under any tax imposed under paragraphs (b), (c) or (d) of this Section shall not be affected by the imposition of a tax under paragraphs (e), (f) or (g) of this Section.

Section 20-40. The Water Commission Act of 1985 is amended by changing Section 4 as follows:
(70 ILCS 3720/4) (from Ch. 111 2/3, par. 254)

Sec. 4. Taxes.

(a) The board of commissioners of any county water commission may, by ordinance, impose throughout the territory of the commission any or all of the taxes provided in this Section for its corporate purposes. However, no county water commission may impose any such tax unless the commission certifies the proposition of imposing the tax to the proper election officials, who shall submit the proposition to the voters residing in the territory at an election in accordance with the general election law, and the proposition has been approved by a majority of those voting on the proposition.

The proposition shall be in the form provided in Section 5 or shall be substantially in the following form:

 Shall the (insert corporate
 name of county water commission) YES
 impose (state type of tax or -----
 taxes to be imposed) at the NO
 rate of 1/4%?

Taxes imposed under this Section and civil penalties imposed incident thereto shall be collected and enforced by the State Department of Revenue. The Department shall have the power to administer and enforce the taxes and to determine all rights for refunds for erroneous payments of the taxes.

(b) The board of commissioners may impose a County Water Commission Retailers' Occupation Tax upon all persons engaged in the business of selling tangible personal property at retail in the territory of the commission at a rate of 1/4% of the gross receipts from the sales made in the course of such business within the territory. The tax imposed under this paragraph and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the State Department of Revenue. The Department shall have full power to administer and enforce this paragraph; to collect all taxes and penalties due hereunder; to dispose of taxes and penalties so collected in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder. In the administration of, and compliance with, this paragraph, the Department and persons who are subject to this paragraph shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions and definitions of terms, and employ the same modes of procedure, as are prescribed in Sections 1, 1a, 1a-1, 1c, 1d, 1e, 1f, 1i, 1j, 2 through 2-65 (in respect to all provisions therein other than the State rate of tax except that food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks, and food that has been prepared for immediate consumption) and prescription and nonprescription medicine, drugs, medical appliances and insulin, urine testing materials, syringes, and needles used by diabetics, for human use, shall not be subject to tax hereunder), 2c, 3 (except as to the disposition of taxes and penalties collected), 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, 5h, 5i, 5j, 5k, 5l, 6, 6a, 6b, 6c, 6d, 7, 8, 9, 10, 11, 12, and 13 of the Retailers' Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

Persons subject to any tax imposed under the authority granted in this paragraph may reimburse themselves for their seller's tax liability hereunder by separately stating the tax as an additional charge, which charge may be stated in combination, in a single amount, with State taxes that sellers are required to collect under the Use Tax Act and under subsection (e) of Section 4.03 of the Regional Transportation Authority Act, in accordance with such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this paragraph to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall

[May 30, 2018]

cause the warrant to be drawn for the amount specified, and to the person named, in the notification from the Department. The refund shall be paid by the State Treasurer out of a county water commission tax fund established under ~~subsection paragraph~~ (g) of this Section.

For the purpose of determining whether a tax authorized under this paragraph is applicable, a retail sale by a producer of coal or other mineral mined in Illinois is a sale at retail at the place where the coal or other mineral mined in Illinois is extracted from the earth. This paragraph does not apply to coal or other mineral when it is delivered or shipped by the seller to the purchaser at a point outside Illinois so that the sale is exempt under the Federal Constitution as a sale in interstate or foreign commerce.

If a tax is imposed under this subsection (b), a tax shall also be imposed under subsections (c) and (d) of this Section.

No tax shall be imposed or collected under this subsection on the sale of a motor vehicle in this State to a resident of another state if that motor vehicle will not be titled in this State.

Nothing in this paragraph shall be construed to authorize a county water commission to impose a tax upon the privilege of engaging in any business which under the Constitution of the United States may not be made the subject of taxation by this State.

(c) If a tax has been imposed under subsection (b), a County Water Commission Service Occupation Tax shall also be imposed upon all persons engaged, in the territory of the commission, in the business of making sales of service, who, as an incident to making the sales of service, transfer tangible personal property within the territory. The tax rate shall be 1/4% of the selling price of tangible personal property so transferred within the territory. The tax imposed under this paragraph and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the State Department of Revenue. The Department shall have full power to administer and enforce this paragraph; to collect all taxes and penalties due hereunder; to dispose of taxes and penalties so collected in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder. In the administration of, and compliance with, this paragraph, the Department and persons who are subject to this paragraph shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions and definitions of terms, and employ the same modes of procedure, as are prescribed in Sections 1a-1, 2 (except that the reference to State in the definition of supplier maintaining a place of business in this State shall mean the territory of the commission), 2a, 3 through 3-50 (in respect to all provisions therein other than the State rate of tax except that food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks, and food that has been prepared for immediate consumption) and prescription and nonprescription medicines, drugs, medical appliances and insulin, urine testing materials, syringes, and needles used by diabetics, for human use, shall not be subject to tax hereunder), 4 (except that the reference to the State shall be to the territory of the commission), 5, 7, 8 (except that the jurisdiction to which the tax shall be a debt to the extent indicated in that Section 8 shall be the commission), 9 (except as to the disposition of taxes and penalties collected and except that the returned merchandise credit for this tax may not be taken against any State tax), 10, 11, 12 (except the reference therein to Section 2b of the Retailers' Occupation Tax Act), 13 (except that any reference to the State shall mean the territory of the commission), the first paragraph of Section 15, 15.5, 16, 17, 18, 19, and 20 of the Service Occupation Tax Act as fully as if those provisions were set forth herein.

Persons subject to any tax imposed under the authority granted in this paragraph may reimburse themselves for their serviceman's tax liability hereunder by separately stating the tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax that servicemen are authorized to collect under the Service Use Tax Act, and any tax for which servicemen may be liable under subsection (f) of Section 4.03 of the Regional Transportation Authority Act, in accordance with such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this paragraph to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the warrant to be drawn for the amount specified, and to the person named, in the notification from the Department. The refund shall be paid by the State Treasurer out of a county water commission tax fund established under ~~subsection paragraph~~ (g) of this Section.

Nothing in this paragraph shall be construed to authorize a county water commission to impose a tax upon the privilege of engaging in any business which under the Constitution of the United States may not be made the subject of taxation by the State.

(d) If a tax has been imposed under subsection (b), a tax shall also be imposed upon the privilege of using, in the territory of the commission, any item of tangible personal property that is purchased outside the territory at retail from a retailer, and that is titled or registered with an agency of this State's

government, at a rate of 1/4% of the selling price of the tangible personal property within the territory, as "selling price" is defined in the Use Tax Act. The tax shall be collected from persons whose Illinois address for titling or registration purposes is given as being in the territory. The tax shall be collected by the Department of Revenue for a county water commission. The tax must be paid to the State, or an exemption determination must be obtained from the Department of Revenue, before the title or certificate of registration for the property may be issued. The tax or proof of exemption may be transmitted to the Department by way of the State agency with which, or the State officer with whom, the tangible personal property must be titled or registered if the Department and the State agency or State officer determine that this procedure will expedite the processing of applications for title or registration.

The Department shall have full power to administer and enforce this paragraph; to collect all taxes, penalties, and interest due hereunder; to dispose of taxes, penalties, and interest so collected in the manner hereinafter provided; and to determine all rights to credit memoranda or refunds arising on account of the erroneous payment of tax, penalty, or interest hereunder. In the administration of § and compliance with this paragraph, the Department and persons who are subject to this paragraph shall have the same rights, remedies, privileges, immunities, powers, and duties, and be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions, and definitions of terms and employ the same modes of procedure, as are prescribed in Sections 2 (except the definition of "retailer maintaining a place of business in this State"), 3 through 3-80 (except provisions pertaining to the State rate of tax, and except provisions concerning collection or refunding of the tax by retailers, and except that food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks, and food that has been prepared for immediate consumption) and prescription and nonprescription medicines, drugs, medical appliances and insulin, urine testing materials, syringes, and needles used by diabetics, for human use, shall not be subject to tax hereunder), 4, 11, 12, 12a, 14, 15, 19 (except the portions pertaining to claims by retailers and except the last paragraph concerning refunds), 20, 21, and 22 of the Use Tax Act and Section 3-7 of the Uniform Penalty and Interest Act that are not inconsistent with this paragraph, as fully as if those provisions were set forth herein.

Whenever the Department determines that a refund should be made under this paragraph to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified, and to the person named, in the notification from the Department. The refund shall be paid by the State Treasurer out of a county water commission tax fund established under subsection paragraph (g) of this Section.

(e) A certificate of registration issued by the State Department of Revenue to a retailer under the Retailers' Occupation Tax Act or under the Service Occupation Tax Act shall permit the registrant to engage in a business that is taxed under the tax imposed under subsection paragraphs (b), (c), and (d) of this Section and no additional registration shall be required under the tax. A certificate issued under the Use Tax Act or the Service Use Tax Act shall be applicable with regard to any tax imposed under subsection paragraph (c) of this Section.

(f) Any ordinance imposing or discontinuing any tax under this Section shall be adopted and a certified copy thereof filed with the Department on or before June 1, whereupon the Department of Revenue shall proceed to administer and enforce this Section on behalf of the county water commission as of September 1 next following the adoption and filing. Beginning January 1, 1992, an ordinance or resolution imposing or discontinuing the tax hereunder shall be adopted and a certified copy thereof filed with the Department on or before the first day of July, whereupon the Department shall proceed to administer and enforce this Section as of the first day of October next following such adoption and filing. Beginning January 1, 1993, an ordinance or resolution imposing or discontinuing the tax hereunder shall be adopted and a certified copy thereof filed with the Department on or before the first day of October, whereupon the Department shall proceed to administer and enforce this Section as of the first day of January next following such adoption and filing.

(g) The State Department of Revenue shall, upon collecting any taxes as provided in this Section, pay the taxes over to the State Treasurer as trustee for the commission. The taxes shall be held in a trust fund outside the State Treasury.

As soon as possible after the first day of each month, beginning January 1, 2011, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the local sales tax increment, as defined in the Innovation Development and Economy Act, collected under this Section during the second preceding calendar month for sales within a STAR bond district.

After the monthly transfer to the STAR Bonds Revenue Fund, on or before the 25th day of each calendar month, the State Department of Revenue shall prepare and certify to the Comptroller of the State of Illinois the amount to be paid to the commission, which shall be the amount (not including credit memoranda)

collected under this Section during the second preceding calendar month by the Department plus an amount the Department determines is necessary to offset any amounts that were erroneously paid to a different taxing body, and not including any amount equal to the amount of refunds made during the second preceding calendar month by the Department on behalf of the commission, and not including any amount that the Department determines is necessary to offset any amounts that were payable to a different taxing body but were erroneously paid to the commission, and less any amounts that are transferred to the STAR Bonds Revenue Fund, less ~~1.5%~~ 2% of the remainder, which shall be transferred into the Tax Compliance and Administration Fund. The Department, at the time of each monthly disbursement to the commission, shall prepare and certify to the State Comptroller the amount to be transferred into the Tax Compliance and Administration Fund under this subsection. Within 10 days after receipt by the Comptroller of the certification of the amount to be paid to the commission and the Tax Compliance and Administration Fund, the Comptroller shall cause an order to be drawn for the payment for the amount in accordance with the direction in the certification.

(h) Beginning June 1, 2016, any tax imposed pursuant to this Section may no longer be imposed or collected, unless a continuation of the tax is approved by the voters at a referendum as set forth in this Section.

ARTICLE 25. FISCAL YEAR LIMITATIONS

Section 25-5. The State Finance Act is amended by changing Sections 5h.5 and 25 as follows:
(30 ILCS 105/5h.5)

Sec. 5h.5. Cash flow borrowing and general funds liquidity; Fiscal ~~Years~~ Year 2018 and 2019.

(a) In order to meet cash flow deficits and to maintain liquidity in general funds and the Health Insurance Reserve Fund, on and after July 1, 2017 and through March 1, 2019 ~~December 31, 2018~~, the State Treasurer and the State Comptroller, in consultation with the Governor's Office of Management and Budget, shall make transfers to general funds and the Health Insurance Reserve Fund, as directed by the State Comptroller, out of special funds of the State, to the extent allowed by federal law.

No such transfer may reduce the cumulative balance of all of the special funds of the State to an amount less than the total debt service payable during the 12 months immediately following the date of the transfer on any bonded indebtedness of the State and any certificates issued under the Short Term Borrowing Act. At no time shall the outstanding total transfers made from the special funds of the State to general funds and the Health Insurance Reserve Fund under this Section exceed \$1,200,000,000; once the amount of \$1,200,000,000 has been transferred from the special funds of the State to general funds and the Health Insurance Reserve Fund, additional transfers may be made from the special funds of the State to general funds and the Health Insurance Reserve Fund under this Section only to the extent that moneys have first been re-transferred from general funds and the Health Insurance Reserve Fund to those special funds of the State. Notwithstanding any other provision of this Section, no such transfer may be made from any special fund that is exclusively collected by or directly appropriated to any other constitutional officer without the written approval of that constitutional officer.

(b) If moneys have been transferred to general funds and the Health Insurance Reserve Fund pursuant to subsection (a) of this Section, this amendatory Act of the 100th General Assembly shall constitute the continuing authority for and direction to the State Treasurer and State Comptroller to reimburse the funds of origin from general funds by transferring to the funds of origin, at such times and in such amounts as directed by the Comptroller when necessary to support appropriated expenditures from the funds, an amount equal to that transferred from them plus any interest that would have accrued thereon had the transfer not occurred, except that any moneys transferred pursuant to subsection (a) of this Section shall be repaid to the fund of origin within 24 months after the date on which they were borrowed. When any of the funds from which moneys have been transferred pursuant to subsection (a) have insufficient cash from which the State Comptroller may make expenditures properly supported by appropriations from the fund, then the State Treasurer and State Comptroller shall transfer from general funds to the fund only such amount as is immediately necessary to satisfy outstanding expenditure obligations on a timely basis.

(c) On the first day of each quarterly period in each fiscal year, until such time as a report indicates that all moneys borrowed and interest pursuant to this Section have been repaid, the Comptroller shall provide to the President and the Minority Leader of the Senate, the Speaker and the Minority Leader of the House of Representatives, and the Commission on Government Forecasting and Accountability a report on all transfers made pursuant to this Section in the prior quarterly period. The report must be provided in electronic format. The report must include all of the following:

(1) the date each transfer was made;

[May 30, 2018]

(2) the amount of each transfer;

(3) in the case of a transfer from general funds to a fund of origin pursuant to subsection (b) of this Section, the amount of interest being paid to the fund of origin; and

(4) the end of day balance of the fund of origin, the general funds, and the Health Insurance Reserve Fund on the date the transfer was made.

Sec. 25. Fiscal year limitations.

(a) All appropriations shall be available for expenditure for the fiscal year or for a lesser period if the Act making that appropriation so specifies. A deficiency or emergency appropriation shall be available for expenditure only through June 30 of the year when the Act making that appropriation is enacted unless that Act otherwise provides.

(b) Outstanding liabilities as of June 30, payable from appropriations which have otherwise expired, may be paid out of the expiring appropriations during the 2-month period ending at the close of business on August 31. Any service involving professional or artistic skills or any personal services by an employee whose compensation is subject to income tax withholding must be performed as of June 30 of the fiscal year in order to be considered an "outstanding liability as of June 30" that is thereby eligible for payment out of the expiring appropriation.

(b-1) However, payment of tuition reimbursement claims under Section 14-7.03 or 18-3 of the School Code may be made by the State Board of Education from its appropriations for those respective purposes for any fiscal year, even though the claims reimbursed by the payment may be claims attributable to a prior fiscal year, and payments may be made at the direction of the State Superintendent of Education from the fund from which the appropriation is made without regard to any fiscal year limitations, except as required by subsection (j) of this Section. Beginning on June 30, 2021, payment of tuition reimbursement claims under Section 14-7.03 or 18-3 of the School Code as of June 30, payable from appropriations that have otherwise expired, may be paid out of the expiring appropriation during the 4-month period ending at the close of business on October 31.

(b-2) All outstanding liabilities as of June 30, 2010, payable from appropriations that would otherwise expire at the conclusion of the lapse period for fiscal year 2010, and interest penalties payable on those liabilities under the State Prompt Payment Act, may be paid out of the expiring appropriations until December 31, 2010, without regard to the fiscal year in which the payment is made, as long as vouchers for the liabilities are received by the Comptroller no later than August 31, 2010.

(b-2.5) All outstanding liabilities as of June 30, 2011, payable from appropriations that would otherwise expire at the conclusion of the lapse period for fiscal year 2011, and interest penalties payable on those liabilities under the State Prompt Payment Act, may be paid out of the expiring appropriations until December 31, 2011, without regard to the fiscal year in which the payment is made, as long as vouchers for the liabilities are received by the Comptroller no later than August 31, 2011.

(b-2.6) All outstanding liabilities as of June 30, 2012, payable from appropriations that would otherwise expire at the conclusion of the lapse period for fiscal year 2012, and interest penalties payable on those liabilities under the State Prompt Payment Act, may be paid out of the expiring appropriations until December 31, 2012, without regard to the fiscal year in which the payment is made, as long as vouchers for the liabilities are received by the Comptroller no later than August 31, 2012.

(b-2.6a) All outstanding liabilities as of June 30, 2017, payable from appropriations that would otherwise expire at the conclusion of the lapse period for fiscal year 2017, and interest penalties payable on those liabilities under the State Prompt Payment Act, may be paid out of the expiring appropriations until December 31, 2017, without regard to the fiscal year in which the payment is made, as long as vouchers for the liabilities are received by the Comptroller no later than September 30, 2017.

(b-2.6b) All outstanding liabilities as of June 30, 2018, payable from appropriations that would otherwise expire at the conclusion of the lapse period for fiscal year 2018, and interest penalties payable on those liabilities under the State Prompt Payment Act, may be paid out of the expiring appropriations until December 31, 2018, without regard to the fiscal year in which the payment is made, as long as vouchers for the liabilities are received by the Comptroller no later than October 31, 2018.

(b-2.7) For fiscal years 2012, 2013, and 2014, interest penalties payable under the State Prompt Payment Act associated with a voucher for which payment is issued after June 30 may be paid out of the next fiscal year's appropriation. The future year appropriation must be for the same purpose and from the same fund as the original payment. An interest penalty voucher submitted against a future year appropriation must be submitted within 60 days after the issuance of the associated voucher, and the Comptroller must issue the interest payment within 60 days after acceptance of the interest voucher.

(b-3) Medical payments may be made by the Department of Veterans' Affairs from its appropriations for those purposes for any fiscal year, without regard to the fact that the medical services being compensated for by such payment may have been rendered in a prior fiscal year, except as required by subsection (j) of this Section. Beginning on June 30, 2021, medical payments payable from appropriations that have otherwise expired may be paid out of the expiring appropriation during the 4-month period ending at the close of business on October 31.

(b-4) Medical payments and child care payments may be made by the Department of Human Services (as successor to the Department of Public Aid) from appropriations for those purposes for any fiscal year, without regard to the fact that the medical or child care services being compensated for by such payment may have been rendered in a prior fiscal year; and payments may be made at the direction of the Department of Healthcare and Family Services (or successor agency) from the Health Insurance Reserve Fund without regard to any fiscal year limitations, except as required by subsection (j) of this Section. Beginning on June 30, 2021, medical and child care payments made by the Department of Human Services and payments made at the discretion of the Department of Healthcare and Family Services (or successor agency) from the Health Insurance Reserve Fund and payable from appropriations that have otherwise expired may be paid out of the expiring appropriation during the 4-month period ending at the close of business on October 31.

(b-5) Medical payments may be made by the Department of Human Services from its appropriations relating to substance abuse treatment services for any fiscal year, without regard to the fact that the medical services being compensated for by such payment may have been rendered in a prior fiscal year, provided the payments are made on a fee-for-service basis consistent with requirements established for Medicaid reimbursement by the Department of Healthcare and Family Services, except as required by subsection (j) of this Section. Beginning on June 30, 2021, medical payments made by the Department of Human Services relating to substance abuse treatment services payable from appropriations that have otherwise expired may be paid out of the expiring appropriation during the 4-month period ending at the close of business on October 31.

(b-6) Additionally, payments may be made by the Department of Human Services from its appropriations, or any other State agency from its appropriations with the approval of the Department of Human Services, from the Immigration Reform and Control Fund for purposes authorized pursuant to the Immigration Reform and Control Act of 1986, without regard to any fiscal year limitations, except as required by subsection (j) of this Section. Beginning on June 30, 2021, payments made by the Department of Human Services from the Immigration Reform and Control Fund for purposes authorized pursuant to the Immigration Reform and Control Act of 1986 payable from appropriations that have otherwise expired may be paid out of the expiring appropriation during the 4-month period ending at the close of business on October 31.

(b-7) Payments may be made in accordance with a plan authorized by paragraph (11) or (12) of Section 405-105 of the Department of Central Management Services Law from appropriations for those payments without regard to fiscal year limitations.

(b-8) Reimbursements to eligible airport sponsors for the construction or upgrading of Automated Weather Observation Systems may be made by the Department of Transportation from appropriations for those purposes for any fiscal year, without regard to the fact that the qualification or obligation may have occurred in a prior fiscal year, provided that at the time the expenditure was made the project had been approved by the Department of Transportation prior to June 1, 2012 and, as a result of recent changes in federal funding formulas, can no longer receive federal reimbursement.

(b-9) Medical payments not exceeding \$150,000,000 may be made by the Department on Aging from its appropriations relating to the Community Care Program for fiscal year 2014, without regard to the fact that the medical services being compensated for by such payment may have been rendered in a prior fiscal year, provided the payments are made on a fee-for-service basis consistent with requirements established for Medicaid reimbursement by the Department of Healthcare and Family Services, except as required by subsection (j) of this Section.

(c) Further, payments may be made by the Department of Public Health and the Department of Human Services (acting as successor to the Department of Public Health under the Department of Human Services Act) from their respective appropriations for grants for medical care to or on behalf of premature and high-mortality risk infants and their mothers and for grants for supplemental food supplies provided under the United States Department of Agriculture Women, Infants and Children Nutrition Program, for any fiscal year without regard to the fact that the services being compensated for by such payment may have been rendered in a prior fiscal year, except as required by subsection (j) of this Section. Beginning on June 30, 2021, payments made by the Department of Public Health and the Department of Human Services from their respective appropriations for grants for medical care to or on behalf of premature and high-mortality

risk infants and their mothers and for grants for supplemental food supplies provided under the United States Department of Agriculture Women, Infants and Children Nutrition Program payable from appropriations that have otherwise expired may be paid out of the expiring appropriations during the 4-month period ending at the close of business on October 31.

(d) The Department of Public Health and the Department of Human Services (acting as successor to the Department of Public Health under the Department of Human Services Act) shall each annually submit to the State Comptroller, Senate President, Senate Minority Leader, Speaker of the House, House Minority Leader, and the respective Chairmen and Minority Spokesmen of the Appropriations Committees of the Senate and the House, on or before December 31, a report of fiscal year funds used to pay for services provided in any prior fiscal year. This report shall document by program or service category those expenditures from the most recently completed fiscal year used to pay for services provided in prior fiscal years.

(e) The Department of Healthcare and Family Services, the Department of Human Services (acting as successor to the Department of Public Aid), and the Department of Human Services making fee-for-service payments relating to substance abuse treatment services provided during a previous fiscal year shall each annually submit to the State Comptroller, Senate President, Senate Minority Leader, Speaker of the House, House Minority Leader, the respective Chairmen and Minority Spokesmen of the Appropriations Committees of the Senate and the House, on or before November 30, a report that shall document by program or service category those expenditures from the most recently completed fiscal year used to pay for (i) services provided in prior fiscal years and (ii) services for which claims were received in prior fiscal years.

(1) billing user agencies in advance for payments or authorized inter-fund transfers based on estimated charges for goods or services;

(2) issuing credits, refunding through inter-fund transfers, or reducing future inter-fund transfers during the subsequent fiscal year for all user agency payments or authorized inter-fund transfers received during the prior fiscal year which were in excess of the final amounts owed by the user agency for that period; and

(3) issuing catch-up billings to user agencies during the subsequent fiscal year for amounts remaining due when payments or authorized inter-fund transfers received from the user agency during the prior fiscal year were less than the total amount owed for that period.

User agencies are authorized to reimburse internal service funds for catch-up billings by vouchers drawn against their respective appropriations for the fiscal year in which the catch-up billing was issued or by increasing an authorized inter-fund transfer during the current fiscal year. For the purposes of this Act, "inter-fund transfers" means transfers without the use of the voucher-warrant process, as authorized by Section 9.01 of the State Comptroller Act.

(i-1) Beginning on July 1, 2021, all outstanding liabilities, not payable during the 4-month lapse period as described in subsections (b-1), (b-3), (b-4), (b-5), (b-6), and (c) of this Section, that are made from appropriations for that purpose for any fiscal year, without regard to the fact that the services being

compensated for by those payments may have been rendered in a prior fiscal year, are limited to only those claims that have been incurred but for which a proper bill or invoice as defined by the State Prompt Payment Act has not been received by September 30th following the end of the fiscal year in which the service was rendered.

ARTICLE 45. HIGHER EDUCATION

Section 45-1. Legislative intent. It is the intent of this Article to increase enrollment at public 4-year universities in this State by providing those universities with the option for additional funding through a new, merit-based and means-tested matching scholarship for Illinois students. It is also the intent of this Article that any public university participating in this program should, in its best efforts, attempt to delegate scholarship funds among a racially diverse range of students and not use a student's race, color, religion, sex (including gender identity, sexual orientation, or pregnancy), national origin, age, disability, or genetic information to disqualify him or her from receiving funds under the program.

Section 45-5. The Higher Education Student Assistance Act is amended by changing Section 10 and adding Section 65.100 as follows:

(110 ILCS 947/10)

Sec. 10. Definitions. In this Act, and except to the extent that any of the following words or phrases is specifically qualified by its context:

"Commission" means the Illinois Student Assistance Commission created by this Act.

"Enrollment" means the establishment and maintenance of an individual's status as a student in an institution of higher learning, regardless of the terms used at the institution to describe that status.

"Approved high school" means any public high school located in this State; and any high school, located in this State or elsewhere (whether designated as a high school, secondary school, academy, preparatory school, or otherwise) which in the judgment of the State Superintendent of Education provides a course of instruction at the secondary level and maintains standards of instruction substantially equivalent to those of the public high schools located in this State.

"Institution of higher learning", "qualified institution", or "institution" means an educational organization located in this State which

(1) provides at least an organized 2 year program of collegiate grade in the liberal arts or sciences, or both, directly applicable toward the attainment of a baccalaureate degree or a program in health education directly applicable toward the attainment of a certificate, diploma, or an associate degree;

(2) either is

(A) operated by this State, or

(B) operated publicly or privately, not for profit, or

(C) operated for profit, provided such for profit organization

- (i) offers degree programs which have been approved by the Board of Higher Education for a minimum of 3 years under the Academic Degree Act, and
- (ii) enrolls a majority of its students in such degree programs, and
- (iii) maintains an accredited status with the Commission on Institutions of Higher Education of the North Central Association of Colleges and Schools;
- (3) in the judgment of the Commission meets standards substantially equivalent to those of comparable institutions operated by this State; and
- (4) if so required by the Commission, uses the State as its primary guarantor of student loans made under the federal Higher Education Act of 1965.

For otherwise eligible educational organizations which provide academic programs for incarcerated students, the terms "institution of higher learning", "qualified institutions", and "institution" shall specifically exclude academic programs for incarcerated students.

"Academic Year" means a 12 month period of time, normally but not exclusively, from September 1 of any year through August 31 of the ensuing year.

"Full-time student" means any undergraduate student enrolled in 12 or more semester or quarter hours of credit courses in any given semester or quarter or in the equivalent number of units of registration as determined by the Commission.

"Part-time student" means any undergraduate student, other than a full-time student, enrolled in 6 or more semester or quarter hours of credit courses in any given semester or quarter or in the equivalent number of units of registration as determined by the Commission. Beginning with fiscal year 1999, the Commission may, on a program by program basis, expand this definition of "part-time student" to include students who enroll in less than 6 semester or quarter hours of credit courses in any given semester or quarter.

"Public university" means any public 4-year university in this State.

"Public university campus" means any campus under the governance or supervision of a public university.

(110 ILCS 947/65.100 new)

Sec. 65.100. AIM HIGH Grant Pilot Program.

(a) The General Assembly makes all of the following findings:

(1) Both access and affordability are important aspects of the Illinois Public Agenda for College and Career Success report.

(2) This State is in the top quartile with respect to the percentage of family income needed to pay for college.

(3) Research suggests that as loan amounts increase, rather than an increase in grant amounts, the probability of college attendance decreases.

(4) There is further research indicating that socioeconomic status may affect the willingness of students to use loans to attend college.

(5) Strategic use of tuition discounting can decrease the amount of loans that students must use to pay for tuition.

(6) A modest, individually tailored tuition discount can make the difference in a student choosing to attend college and enhance college access for low-income and middle-income families.

(7) Even if the federally calculated financial need for college attendance is met, the federally determined Expected Family Contribution can still be a daunting amount.

(8) This State is the second largest exporter of students in the country.

(9) When talented Illinois students attend universities in this State, the State and those universities benefit.

(10) State universities in other states have adopted pricing and incentives that allow many Illinois residents to pay less to attend an out-of-state university than to remain in this State for college.

(11) Supporting Illinois student attendance at Illinois public universities can assist in State efforts to maintain and educate a highly trained workforce.

(12) Modest tuition discounts that are individually targeted and tailored can result in enhanced revenue for public universities.

(13) By increasing a public university's capacity to strategically use tuition discounting, the public university will be capable of creating enhanced tuition revenue by increasing enrollment yields.

(b) In this Section:

"Eligible applicant" means a student from any high school in this State, whether or not recognized by the State Board of Education, who is engaged in a program of study that will be completed by the end of the school year and who meets all of the qualifications and requirements under this Section.

"Tuition and other necessary fees" includes the customary charge for instruction and use of facilities in general and the additional fixed fees charged for specified purposes that are required generally of non-grant recipients for each academic period for which the grant applicant actually enrolls, but does not include fees payable only once or breakage fees and other contingent deposits that are refundable in whole or in part. The Commission may adopt, by rule not inconsistent with this Section, detailed provisions concerning the computation of tuition and other necessary fees.

(c) Beginning with the 2019-2020 academic year, each public university may establish a merit-based scholarship pilot program known as the AIM HIGH Grant Pilot Program. Each year, the Commission shall receive and consider applications from public universities under this Section. Subject to appropriation and any tuition waiver limitation established by the Board of Higher Education, a public university campus may award a grant to a student under this Section if it finds that the applicant meets all of the following criteria:

- (1) He or she is a resident of this State and a citizen or eligible noncitizen of the United States.
- (2) He or she files a Free Application for Federal Student Aid and demonstrates financial need with a household income no greater than 6 times the poverty guidelines updated periodically in the Federal Register by the U.S. Department of Health and Human Services under the authority of 42 U.S.C. 9902(2).
- (3) He or she meets the minimum cumulative grade point average or ACT or SAT college admissions test score, as determined by the public university campus.
- (4) He or she is enrolled in a public university as an undergraduate student on a full-time basis.
- (5) He or she has not yet received a baccalaureate degree or the equivalent of 135 semester credit hours.
- (6) He or she is not incarcerated.
- (7) He or she is not in default on any student loan or does not owe a refund or repayment on any State or federal grant or scholarship.
- (8) Any other reasonable criteria, as determined by the public university campus.

(d) Each public university campus shall determine grant renewal criteria consistent with the requirements under this Section.

(e) Each participating public university campus shall post on its Internet website criteria and eligibility requirements for receiving awards that use funds under this Section that include a range in the sizes of these individual awards. The criteria and amounts must also be reported to the Commission and the Board of Higher Education, who shall post the information on their respective Internet websites.

(f) After enactment of an appropriation for this Program, the Commission shall determine an allocation of funds to each public university in an amount proportionate to the number of undergraduate students who are residents of this State and citizens or eligible noncitizens of the United States and who were enrolled at each public university campus in the previous academic year. All applications must be made to the Commission on or before a date determined by the Commission and on forms that the Commission shall provide to each public university campus. The form of the application and the information required shall be determined by the Commission and shall include, without limitation, the total public university campus funds used to match funds received from the Commission in the previous academic year under this Section, if any, the total enrollment of undergraduate students who are residents of this State from the previous academic year, and any supporting documents as the Commission deems necessary. Each public university campus shall match the amount of funds received by the Commission with financial aid for eligible students.

A public university campus is not required to claim its entire allocation. The Commission shall make available to all public universities, on a date determined by the Commission, any unclaimed funds and the funds must be made available to those public university campuses in the proportion determined under this subsection (f), excluding from the calculation those public university campuses not claiming their full allocations.

Each public university campus may determine the award amounts for eligible students on an individual or broad basis, but, subject to renewal eligibility, each renewed award may not be less than the amount awarded to the eligible student in his or her first year attending the public university campus. Notwithstanding this limitation, a renewal grant may be reduced due to changes in the student's cost of attendance, including, but not limited to, if a student reduces the number of credit hours in which he or she is enrolled, but remains a full-time student, or switches to a course of study with a lower tuition rate.

An eligible applicant awarded grant assistance under this Section is eligible to receive other financial aid. Total grant aid to the student from all sources may not exceed the total cost of attendance at the public university campus.

(g) All money allocated to a public university campus under this Section may be used only for financial aid purposes for students attending the public university campus during the academic year, not including

summer terms. Any funds received by a public university campus under this Section that are not granted to students in the academic year for which the funds are received must be refunded to the Commission before any new funds are received by the public university campus for the next academic year.

(h) Each public university campus that establishes a Program under this Section must annually report to the Commission, on or before a date determined by the Commission, the number of undergraduate students enrolled at that campus who are residents of this State.

(i) Each public university campus must report to the Commission the total non-loan financial aid amount given by the public university campus to undergraduate students in fiscal year 2018. To be eligible to receive funds under the Program, a public university campus may not decrease the total amount of non-loan financial aid for undergraduate students to an amount lower than the total non-loan financial aid amount given by the public university campus to undergraduate students in fiscal year 2018, not including any funds received from the Commission under this Section or any funds used to match grant awards under this Section.

(j) On or before a date determined by the Commission, each public university campus that participates in the Program under this Section shall annually submit a report to the Commission with all of the following information:

(1) The Program's impact on tuition revenue and enrollment goals and increase in access and affordability at the public university campus.

(2) Total funds received by the public university campus under the Program.

(3) Total non-loan financial aid awarded to undergraduate students attending the public university campus.

(4) Total amount of funds matched by the public university campus.

(5) Total amount of funds refunded to the Commission by the public university campus.

(6) The percentage of total financial aid distributed under the Program by the public university campus.

(7) The total number of students receiving grants from the public university campus under the Program and those students' grade level, race, gender, income level, family size, Monetary Award Program eligibility, Pell Grant eligibility, and zip code of residence and the amount of each grant award. This information shall include unit record data on those students regarding variables associated with the parameters of the public university's Program, including, but not limited to, a student's ACT or SAT college admissions test score, high school or university cumulative grade point average, or program of study.

On or before October 1, 2020 and annually on or before October 1 thereafter, the Commission shall submit a report with the findings under this subsection (j) and any other information regarding the AIM HIGH Grant Pilot Program to (i) the Governor, (ii) the Speaker of the House of Representatives, (iii) the Minority Leader of the House of Representatives, (iv) the President of the Senate, and (v) the Minority Leader of the Senate. The reports to the General Assembly shall be filed with the Clerk of the House of Representatives and the Secretary of the Senate in electronic form only, in the manner that the Clerk and the Secretary shall direct. The Commission's report may not disaggregate data to a level that may disclose personally identifying information of individual students.

The sharing and reporting of student data under this subsection (j) must be in accordance with the requirements under the federal Family Educational Rights and Privacy Act of 1974 and the Illinois School Student Records Act. All parties must preserve the confidentiality of the information as required by law. The names of the grant recipients under this Section are not subject to disclosure under the Freedom of Information Act.

Public university campuses that fail to submit a report under this subsection (j) or that fail to adhere to any other requirements under this Section may not be eligible for distribution of funds under the Program for the next academic year, but may be eligible for distribution of funds for each academic year thereafter.

(k) The Commission shall adopt rules to implement this Section.

(l) This Section is repealed on October 1, 2024.

The corporate authorities of the unit of local government may use proceeds from the fee, tax, or surcharge to reimburse a highway commissioner whose road district lies wholly or partially within the corporate limits of the unit of local government for expenses incurred in the removal of nonhazardous, nonfluid municipal waste that has been dumped on public property in violation of a State law or local ordinance.

A county or Municipal Joint Action Agency that imposes a fee, tax, or surcharge under this subsection may use the proceeds thereof to reimburse a municipality that lies wholly or partially within its boundaries for expenses incurred in the removal of nonhazardous, nonfluid municipal waste that has been dumped on public property in violation of a State law or local ordinance.

If the fees are to be used to conduct a local sanitary landfill inspection or enforcement program, the unit of local government must enter into a written delegation agreement with the Agency pursuant to subsection (r) of Section 4. The unit of local government and the Agency shall enter into such a written delegation agreement within 60 days after the establishment of such fees. At least annually, the Agency shall conduct an audit of the expenditures made by units of local government from the funds granted by the Agency to the units of local government for purposes of local sanitary landfill inspection and enforcement programs, to ensure that the funds have been expended for the prescribed purposes under the grant.

The fees, taxes or surcharges collected under this subsection (j) shall be placed by the unit of local government in a separate fund, and the interest received on the moneys in the fund shall be credited to the fund. The monies in the fund may be accumulated over a period of years to be expended in accordance with this subsection.

The exemptions granted under Sections 22.16 and 22.16a, and under subsection (k) of this Section, shall be applicable to any fee, tax or surcharge imposed under this subsection (j); except that the fee, tax or surcharge authorized to be imposed under this subsection (j) may be made applicable by a unit of local government to the permanent disposal of solid waste after December 31, 1986, under any contract lawfully executed before June 1, 1986 under which more than 150,000 cubic yards (or 50,000 tons) of solid waste is to be permanently disposed of, even though the waste is exempt from the fee imposed by the State under subsection (b) of this Section pursuant to an exemption granted under Section 22.16.

Such demonstration projects shall be conducted in accordance with the provision of this Title.

(7) Subject to appropriation, moneys in the Underground Storage Tank Fund may also be used by the Department of Revenue for the costs of administering its activities relative to the Fund and for refunds provided for in Section 13a.8 of the Motor Fuel Tax Act.

(b) Moneys in the Underground Storage Tank Fund may, pursuant to appropriation, be used by the Office of the State Fire Marshal or the Agency to take whatever emergency action is necessary or appropriate to assure that the public health or safety is not threatened whenever there is a release or substantial threat of a release of petroleum from an underground storage tank and for the costs of administering its activities relative to the Underground Storage Tank Fund.

(c) Beginning July 1, 1993, the Governor shall certify to the State Comptroller and State Treasurer the monthly amount necessary to pay debt service on State obligations issued pursuant to Section 6 of the General Obligation Bond Act. (a) The moneys in the State Pensions Fund shall be used exclusively for the administration of the Revised Uniform Unclaimed Property Act and for the expenses incurred by the Auditor General for administering the provisions of Section 2-8.1 of the Illinois State Auditing Act and for operational expenses of the Office of the State Treasurer and for the funding of the unfunded liabilities of the designated retirement systems. Beginning in State fiscal year 2020 2049, payments to the designated

retirement systems under this Section shall be in addition to, and not in lieu of, any State contributions required under the Illinois Pension Code.

"Designated retirement systems" means:

- (1) the State Employees' Retirement System of Illinois;
- (2) the Teachers' Retirement System of the State of Illinois;
- (3) the State Universities Retirement System;
- (4) the Judges Retirement System of Illinois; and
- (5) the General Assembly Retirement System.

(b) Each year the General Assembly may make appropriations from the State Pensions Fund for the administration of the Revised Uniform Unclaimed Property Act.

(c) As soon as possible after July 30, 2004 (the effective date of Public Act 93-839) ~~this amendatory Act of the 93rd General Assembly~~, the General Assembly shall appropriate from the State Pensions Fund (1) to the State Universities Retirement System the amount certified under Section 15-165 during the prior year, (2) to the Judges Retirement System of Illinois the amount certified under Section 18-140 during the prior year, and (3) to the General Assembly Retirement System the amount certified under Section 2-134 during the prior year as part of the required State contributions to each of those designated retirement systems; except that amounts appropriated under this subsection (c) in State fiscal year 2005 shall not reduce the amount in the State Pensions Fund below \$5,000,000. If the amount in the State Pensions Fund does not exceed the sum of the amounts certified in Sections 15-165, 18-140, and 2-134 by at least \$5,000,000, the amount paid to each designated retirement system under this subsection shall be reduced in proportion to the amount certified by each of those designated retirement systems.

(c-5) For fiscal years 2006 through ~~2018~~ 2018, the General Assembly shall appropriate from the State Pensions Fund to the State Universities Retirement System the amount estimated to be available during the fiscal year in the State Pensions Fund; provided, however, that the amounts appropriated under this subsection (c-5) shall not reduce the amount in the State Pensions Fund below \$5,000,000.

(c-6) For fiscal year ~~2019~~ 2019 and each fiscal year thereafter, as soon as may be practical after any money is deposited into the State Pensions Fund from the Unclaimed Property Trust Fund, the State Treasurer shall apportion the deposited amount among the designated retirement systems as defined in subsection (a) to reduce their actuarial reserve deficiencies. The State Comptroller and State Treasurer shall pay the apportioned amounts to the designated retirement systems to fund the unfunded liabilities of the designated retirement systems. The amount apportioned to each designated retirement system shall constitute a portion of the amount estimated to be available for appropriation from the State Pensions Fund that is the same as that retirement system's portion of the total actual reserve deficiency of the systems, as determined annually by the Governor's Office of Management and Budget at the request of the State Treasurer. The amounts apportioned under this subsection shall not reduce the amount in the State Pensions Fund below \$5,000,000.

(d) The Governor's Office of Management and Budget shall determine the individual and total reserve deficiencies of the designated retirement systems. For this purpose, the Governor's Office of Management and Budget shall utilize the latest available audit and actuarial reports of each of the retirement systems and the relevant reports and statistics of the Public Employee Pension Fund Division of the Department of Insurance.

(d-1) As soon as practicable after March 5, 2004 (the effective date of Public Act 93-665) ~~this amendatory Act of the 93rd General Assembly~~, the Comptroller shall direct and the Treasurer shall transfer from the State Pensions Fund to the General Revenue Fund, as funds become available, a sum equal to the amounts that would have been paid from the State Pensions Fund to the Teachers' Retirement System of the State of Illinois, the State Universities Retirement System, the Judges Retirement System of Illinois, the General Assembly Retirement System, and the State Employees' Retirement System of Illinois after March 5, 2004 (the effective date of Public Act 93-665) ~~this amendatory Act~~ during the remainder of fiscal year 2004 to the designated retirement systems from the appropriations provided for in this Section if the transfers provided in Section 62-61 had not occurred. The transfers described in this subsection (d-1) are to partially repay the General Revenue Fund for the costs associated with the bonds used to fund the moneys transferred to the designated retirement systems under Section 62-61.

(e) The changes to this Section made by Public Act 88-593 ~~this amendatory Act of 1994~~ shall first apply to distributions from the Fund for State fiscal year 1996.

[May 30, 2018]

(a) Appropriations for State contributions to the State Employees' Retirement System of Illinois shall be expended in the manner provided in this Section. Except as otherwise provided in subsections (a-1), (a-2), (a-3), and (a-4) at the time of each payment of salary to an employee under the personal services line item, payment shall be made to the State Employees' Retirement System, from the amount appropriated for State contributions to the State Employees' Retirement System, of an amount calculated at the rate certified for the applicable fiscal year by the Board of Trustees of the State Employees' Retirement System under Section 14-135.08 of the Illinois Pension Code. If a line item appropriation to an employer for this purpose is exhausted or is unavailable due to any limitation on appropriations that may apply, (including, but not limited to, limitations on appropriations from the Road Fund under Section 8.3 of the State Finance Act), the amounts shall be paid under the continuing appropriation for this purpose contained in the State Pension Funds Continuing Appropriation Act.

(a-1) Beginning on March 5, 2004 (the effective date of Public Act 93-665) ~~this amendatory Act of the 93rd General Assembly~~ through the payment of the final payroll from fiscal year 2004 appropriations, appropriations for State contributions to the State Employees' Retirement System of Illinois shall be expended in the manner provided in this subsection (a-1). At the time of each payment of salary to an employee under the personal services line item from a fund other than the General Revenue Fund, payment shall be made for deposit into the General Revenue Fund from the amount appropriated for State contributions to the State Employees' Retirement System of an amount calculated at the rate certified for fiscal year 2004 by the Board of Trustees of the State Employees' Retirement System under Section 14-135.08 of the Illinois Pension Code. This payment shall be made to the extent that a line item appropriation to an employer for this purpose is available or unexhausted. No payment from appropriations for State contributions shall be made in conjunction with payment of salary to an employee under the personal services line item from the General Revenue Fund.

(a-2) For fiscal year 2010 only, at the time of each payment of salary to an employee under the personal services line item from a fund other than the General Revenue Fund, payment shall be made for deposit into the State Employees' Retirement System of Illinois from the amount appropriated for State contributions to the State Employees' Retirement System of Illinois of an amount calculated at the rate certified for fiscal year 2010 by the Board of Trustees of the State Employees' Retirement System of Illinois under Section 14-135.08 of the Illinois Pension Code. This payment shall be made to the extent that a line item appropriation to an employer for this purpose is available or unexhausted. For fiscal year 2010 only, no payment from appropriations for State contributions shall be made in conjunction with payment of salary to an employee under the personal services line item from the General Revenue Fund.

(a-3) For fiscal year 2011 only, at the time of each payment of salary to an employee under the personal services line item from a fund other than the General Revenue Fund, payment shall be made for deposit into the State Employees' Retirement System of Illinois from the amount appropriated for State contributions to the State Employees' Retirement System of Illinois of an amount calculated at the rate certified for fiscal year 2011 by the Board of Trustees of the State Employees' Retirement System of Illinois under Section 14-135.08 of the Illinois Pension Code. This payment shall be made to the extent that a line item appropriation to an employer for this purpose is available or unexhausted. For fiscal year 2011 only, no payment from appropriations for State contributions shall be made in conjunction with payment of salary to an employee under the personal services line item from the General Revenue Fund.

(a-4) In fiscal years 2012 through 2019 ~~2018~~ only, at the time of each payment of salary to an employee under the personal services line item from a fund other than the General Revenue Fund, payment shall be made for deposit into the State Employees' Retirement System of Illinois from the amount appropriated for State contributions to the State Employees' Retirement System of Illinois of an amount calculated at the rate certified for the applicable fiscal year by the Board of Trustees of the State Employees' Retirement System of Illinois under Section 14-135.08 of the Illinois Pension Code. In fiscal years 2012 through 2019 ~~2018~~ only, no payment from appropriations for State contributions shall be made in conjunction with payment of salary to an employee under the personal services line item from the General Revenue Fund.

(b) Except during the period beginning on March 5, 2004 (the effective date of Public Act 93-665) ~~this amendatory Act of the 93rd General Assembly~~ and ending at the time of the payment of the final payroll from fiscal year 2004 appropriations, the State Comptroller shall not approve for payment any payroll voucher that (1) includes payments of salary to eligible employees in the State Employees' Retirement System of Illinois and (2) does not include the corresponding payment of State contributions to that retirement system at the full rate certified under Section 14-135.08 for that fiscal year for eligible employees, unless the balance in the fund on which the payroll voucher is drawn is insufficient to pay the total payroll voucher, or unavailable due to any limitation on appropriations that may apply, including, but not limited to, limitations on appropriations from the Road Fund under Section 8.3 of the State Finance Act. If the State Comptroller approves a payroll voucher under this Section for which the fund balance is

insufficient to pay the full amount of the required State contribution to the State Employees' Retirement System, the Comptroller shall promptly so notify the Retirement System.

(b-1) For fiscal year 2010 and fiscal year 2011 only, the State Comptroller shall not approve for payment any non-General Revenue Fund payroll voucher that (1) includes payments of salary to eligible employees in the State Employees' Retirement System of Illinois and (2) does not include the corresponding payment of State contributions to that retirement system at the full rate certified under Section 14-135.08 for that fiscal year for eligible employees, unless the balance in the fund on which the payroll voucher is drawn is insufficient to pay the total payroll voucher, or unavailable due to any limitation on appropriations that may apply, including, but not limited to, limitations on appropriations from the Road Fund under Section 8.3 of the State Finance Act. If the State Comptroller approves a payroll voucher under this Section for which the fund balance is insufficient to pay the full amount of the required State contribution to the State Employees' Retirement System of Illinois, the Comptroller shall promptly so notify the retirement system.

(c) Notwithstanding any other provisions of law, beginning July 1, 2007, required State and employee contributions to the State Employees' Retirement System of Illinois relating to affected legislative staff employees shall be paid out of moneys appropriated for that purpose to the Commission on Government Forecasting and Accountability, rather than out of the lump-sum appropriations otherwise made for the payroll and other costs of those employees.

These payments must be made pursuant to payroll vouchers submitted by the employing entity as part of the regular payroll voucher process.

For the purpose of this subsection, "affected legislative staff employees" means legislative staff employees paid out of lump-sum appropriations made to the General Assembly, an Officer of the General Assembly, or the Senate Operations Commission, but does not include district-office staff or employees of legislative support services agencies.

Section 55-10. The Illinois Pension Code is amended by changing Section 14-131 as follows:
(40 ILCS 5/14-131)

Sec. 14-131. Contributions by State.

(a) The State shall make contributions to the System by appropriations of amounts which, together with other employer contributions from trust, federal, and other funds, employee contributions, investment income, and other income, will be sufficient to meet the cost of maintaining and administering the System on a 90% funded basis in accordance with actuarial recommendations.

For the purposes of this Section and Section 14-135.08, references to State contributions refer only to employer contributions and do not include employee contributions that are picked up or otherwise paid by the State or a department on behalf of the employee.

(b) The Board shall determine the total amount of State contributions required for each fiscal year on the basis of the actuarial tables and other assumptions adopted by the Board, using the formula in subsection (e).

The Board shall also determine a State contribution rate for each fiscal year, expressed as a percentage of payroll, based on the total required State contribution for that fiscal year (less the amount received by the System from appropriations under Section 8.12 of the State Finance Act and Section 1 of the State Pension Funds Continuing Appropriation Act, if any, for the fiscal year ending on the June 30 immediately preceding the applicable November 15 certification deadline), the estimated payroll (including all forms of compensation) for personal services rendered by eligible employees, and the recommendations of the actuary.

For the purposes of this Section and Section 14.1 of the State Finance Act, the term "eligible employees" includes employees who participate in the System, persons who may elect to participate in the System but have not so elected, persons who are serving a qualifying period that is required for participation, and annuitants employed by a department as described in subdivision (a)(1) or (a)(2) of Section 14-111.

(c) Contributions shall be made by the several departments for each pay period by warrants drawn by the State Comptroller against their respective funds or appropriations based upon vouchers stating the amount to be so contributed. These amounts shall be based on the full rate certified by the Board under Section 14-135.08 for that fiscal year. From March 5, 2004 (the effective date of Public Act 93-665) ~~this amendatory Act of the 93rd General Assembly~~ through the payment of the final payroll from fiscal year 2004 appropriations, the several departments shall not make contributions for the remainder of fiscal year 2004 but shall instead make payments as required under subsection (a-1) of Section 14.1 of the State Finance Act. The several departments shall resume those contributions at the commencement of fiscal year 2005.

(c-1) Notwithstanding subsection (c) of this Section, for fiscal years 2010, 2012, 2013, 2014, 2015, 2016, 2017, ~~and 2018~~, and 2019 only, contributions by the several departments are not required to be made for General Revenue Funds payrolls processed by the Comptroller. Payrolls paid by the several departments from all other State funds must continue to be processed pursuant to subsection (c) of this Section.

(c-2) For State fiscal years 2010, 2012, 2013, 2014, 2015, 2016, 2017, ~~and 2018~~, and 2019 only, on or as soon as possible after the 15th day of each month, the Board shall submit vouchers for payment of State contributions to the System, in a total monthly amount of one-twelfth of the fiscal year General Revenue Fund contribution as certified by the System pursuant to Section 14-135.08 of the Illinois Pension Code.

(d) If an employee is paid from trust funds or federal funds, the department or other employer shall pay employer contributions from those funds to the System at the certified rate, unless the terms of the trust or the federal-State agreement preclude the use of the funds for that purpose, in which case the required employer contributions shall be paid by the State. From ~~March 5, 2004~~ (the effective date of ~~Public Act 93-665~~) this amendatory Act of the 93rd General Assembly through the payment of the final payroll from fiscal year 2004 appropriations, the department or other employer shall not pay contributions for the remainder of fiscal year 2004 but shall instead make payments as required under subsection (a-1) of Section 14.1 of the State Finance Act. The department or other employer shall resume payment of contributions at the commencement of fiscal year 2005.

(e) For State fiscal years 2012 through 2045, the minimum contribution to the System to be made by the State for each fiscal year shall be an amount determined by the System to be sufficient to bring the total assets of the System up to 90% of the total actuarial liabilities of the System by the end of State fiscal year 2045. In making these determinations, the required State contribution shall be calculated each year as a level percentage of payroll over the years remaining to and including fiscal year 2045 and shall be determined under the projected unit credit actuarial cost method.

A change in an actuarial or investment assumption that increases or decreases the required State contribution and first applies in State fiscal year 2018 or thereafter shall be implemented in equal annual amounts over a 5-year period beginning in the State fiscal year in which the actuarial change first applies to the required State contribution.

A change in an actuarial or investment assumption that increases or decreases the required State contribution and first applied to the State contribution in fiscal year 2014, 2015, 2016, or 2017 shall be implemented:

(i) as already applied in State fiscal years before 2018; and

(ii) in the portion of the 5-year period beginning in the State fiscal year in which the actuarial change first applied that occurs in State fiscal year 2018 or thereafter, by calculating the change in equal annual amounts over that 5-year period and then implementing it at the resulting annual rate in each of the remaining fiscal years in that 5-year period.

For State fiscal years 1996 through 2005, the State contribution to the System, as a percentage of the applicable employee payroll, shall be increased in equal annual increments so that by State fiscal year 2011, the State is contributing at the rate required under this Section; except that (i) for State fiscal year 1998, for all purposes of this Code and any other law of this State, the certified percentage of the applicable employee payroll shall be 5.052% for employees earning eligible creditable service under Section 14-110 and 6.500% for all other employees, notwithstanding any contrary certification made under Section 14-135.08 before ~~July 7, 1997~~ (the effective date of ~~Public Act 90-65~~) this amendatory Act of 1997, and (ii) in the following specified State fiscal years, the State contribution to the System shall not be less than the following indicated percentages of the applicable employee payroll, even if the indicated percentage will produce a State contribution in excess of the amount otherwise required under this subsection and subsection (a): 9.8% in FY 1999; 10.0% in FY 2000; 10.2% in FY 2001; 10.4% in FY 2002; 10.6% in FY 2003; and 10.8% in FY 2004.

Notwithstanding any other provision of this Article, the total required State contribution to the System for State fiscal year 2006 is \$203,783,900.

Notwithstanding any other provision of this Article, the total required State contribution to the System for State fiscal year 2007 is \$344,164,400.

For each of State fiscal years 2008 through 2009, the State contribution to the System, as a percentage of the applicable employee payroll, shall be increased in equal annual increments from the required State contribution for State fiscal year 2007, so that by State fiscal year 2011, the State is contributing at the rate otherwise required under this Section.

Notwithstanding any other provision of this Article, the total required State General Revenue Fund contribution for State fiscal year 2010 is \$723,703,100 and shall be made from the proceeds of bonds sold in fiscal year 2010 pursuant to Section 7.2 of the General Obligation Bond Act, less (i) the pro rata share

of bond sale expenses determined by the System's share of total bond proceeds, (ii) any amounts received from the General Revenue Fund in fiscal year 2010, and (iii) any reduction in bond proceeds due to the issuance of discounted bonds, if applicable.

Notwithstanding any other provision of this Article, the total required State General Revenue Fund contribution for State fiscal year 2011 is the amount recertified by the System on or before April 1, 2011 pursuant to Section 14-135.08 and shall be made from the proceeds of bonds sold in fiscal year 2011 pursuant to Section 7.2 of the General Obligation Bond Act, less (i) the pro rata share of bond sale expenses determined by the System's share of total bond proceeds, (ii) any amounts received from the General Revenue Fund in fiscal year 2011, and (iii) any reduction in bond proceeds due to the issuance of discounted bonds, if applicable.

Beginning in State fiscal year 2046, the minimum State contribution for each fiscal year shall be the amount needed to maintain the total assets of the System at 90% of the total actuarial liabilities of the System.

Amounts received by the System pursuant to Section 25 of the Budget Stabilization Act or Section 8.12 of the State Finance Act in any fiscal year do not reduce and do not constitute payment of any portion of the minimum State contribution required under this Article in that fiscal year. Such amounts shall not reduce, and shall not be included in the calculation of, the required State contributions under this Article in any future year until the System has reached a funding ratio of at least 90%. A reference in this Article to the "required State contribution" or any substantially similar term does not include or apply to any amounts payable to the System under Section 25 of the Budget Stabilization Act.

Notwithstanding any other provision of this Section, the required State contribution for State fiscal year 2005 and for fiscal year 2008 and each fiscal year thereafter, as calculated under this Section and certified under Section 14-135.08, shall not exceed an amount equal to (i) the amount of the required State contribution that would have been calculated under this Section for that fiscal year if the System had not received any payments under subsection (d) of Section 7.2 of the General Obligation Bond Act, minus (ii) the portion of the State's total debt service payments for that fiscal year on the bonds issued in fiscal year 2003 for the purposes of that Section 7.2, as determined and certified by the Comptroller, that is the same as the System's portion of the total moneys distributed under subsection (d) of Section 7.2 of the General Obligation Bond Act. In determining this maximum for State fiscal years 2008 through 2010, however, the amount referred to in item (i) shall be increased, as a percentage of the applicable employee payroll, in equal increments calculated from the sum of the required State contribution for State fiscal year 2007 plus the applicable portion of the State's total debt service payments for fiscal year 2007 on the bonds issued in fiscal year 2003 for the purposes of Section 7.2 of the General Obligation Bond Act, so that, by State fiscal year 2011, the State is contributing at the rate otherwise required under this Section.

(f) After the submission of all payments for eligible employees from personal services line items in fiscal year 2004 have been made, the Comptroller shall provide to the System a certification of the sum of all fiscal year 2004 expenditures for personal services that would have been covered by payments to the System under this Section if the provisions of ~~Public Act 93-665~~ ~~this amendatory Act of the 93rd General Assembly~~ had not been enacted. Upon receipt of the certification, the System shall determine the amount due to the System based on the full rate certified by the Board under Section 14-135.08 for fiscal year 2004 in order to meet the State's obligation under this Section. The System shall compare this amount due to the amount received by the System in fiscal year 2004 through payments under this Section and under Section 6z-61 of the State Finance Act. If the amount due is more than the amount received, the difference shall be termed the "Fiscal Year 2004 Shortfall" for purposes of this Section, and the Fiscal Year 2004 Shortfall shall be satisfied under Section 1.2 of the State Pension Funds Continuing Appropriation Act. If the amount due is less than the amount received, the difference shall be termed the "Fiscal Year 2004 Overpayment" for purposes of this Section, and the Fiscal Year 2004 Overpayment shall be repaid by the System to the Pension Contribution Fund as soon as practicable after the certification.

(g) For purposes of determining the required State contribution to the System, the value of the System's assets shall be equal to the actuarial value of the System's assets, which shall be calculated as follows:

As of June 30, 2008, the actuarial value of the System's assets shall be equal to the market value of the assets as of that date. In determining the actuarial value of the System's assets for fiscal years after June 30, 2008, any actuarial gains or losses from investment return incurred in a fiscal year shall be recognized in equal annual amounts over the 5-year period following that fiscal year.

(h) For purposes of determining the required State contribution to the System for a particular year, the actuarial value of assets shall be assumed to earn a rate of return equal to the System's actuarially assumed rate of return.

(i) After the submission of all payments for eligible employees from personal services line items paid from the General Revenue Fund in fiscal year 2010 have been made, the Comptroller shall provide to the

System a certification of the sum of all fiscal year 2010 expenditures for personal services that would have been covered by payments to the System under this Section if the provisions of Public Act 96-45 ~~this amendatory Act of the 96th General Assembly~~ had not been enacted. Upon receipt of the certification, the System shall determine the amount due to the System based on the full rate certified by the Board under Section 14-135.08 for fiscal year 2010 in order to meet the State's obligation under this Section. The System shall compare this amount due to the amount received by the System in fiscal year 2010 through payments under this Section. If the amount due is more than the amount received, the difference shall be termed the "Fiscal Year 2010 Shortfall" for purposes of this Section, and the Fiscal Year 2010 Shortfall shall be satisfied under Section 1.2 of the State Pension Funds Continuing Appropriation Act. If the amount due is less than the amount received, the difference shall be termed the "Fiscal Year 2010 Overpayment" for purposes of this Section, and the Fiscal Year 2010 Overpayment shall be repaid by the System to the General Revenue Fund as soon as practicable after the certification.

(j) After the submission of all payments for eligible employees from personal services line items paid from the General Revenue Fund in fiscal year 2011 have been made, the Comptroller shall provide to the System a certification of the sum of all fiscal year 2011 expenditures for personal services that would have been covered by payments to the System under this Section if the provisions of Public Act 96-1497 ~~this amendatory Act of the 96th General Assembly~~ had not been enacted. Upon receipt of the certification, the System shall determine the amount due to the System based on the full rate certified by the Board under Section 14-135.08 for fiscal year 2011 in order to meet the State's obligation under this Section. The System shall compare this amount due to the amount received by the System in fiscal year 2011 through payments under this Section. If the amount due is more than the amount received, the difference shall be termed the "Fiscal Year 2011 Shortfall" for purposes of this Section, and the Fiscal Year 2011 Shortfall shall be satisfied under Section 1.2 of the State Pension Funds Continuing Appropriation Act. If the amount due is less than the amount received, the difference shall be termed the "Fiscal Year 2011 Overpayment" for purposes of this Section, and the Fiscal Year 2011 Overpayment shall be repaid by the System to the General Revenue Fund as soon as practicable after the certification.

(k) For fiscal years 2012 through ~~2019~~ 2048 only, after the submission of all payments for eligible employees from personal services line items paid from the General Revenue Fund in the fiscal year have been made, the Comptroller shall provide to the System a certification of the sum of all expenditures in the fiscal year for personal services. Upon receipt of the certification, the System shall determine the amount due to the System based on the full rate certified by the Board under Section 14-135.08 for the fiscal year in order to meet the State's obligation under this Section. The System shall compare this amount due to the amount received by the System for the fiscal year. If the amount due is more than the amount received, the difference shall be termed the "Prior Fiscal Year Shortfall" for purposes of this Section, and the Prior Fiscal Year Shortfall shall be satisfied under Section 1.2 of the State Pension Funds Continuing Appropriation Act. If the amount due is less than the amount received, the difference shall be termed the "Prior Fiscal Year Overpayment" for purposes of this Section, and the Prior Fiscal Year Overpayment shall be repaid by the System to the General Revenue Fund as soon as practicable after the certification. Section 55-20. The Revised Uniform Unclaimed Property Act is amended by changing Section 15-801 as follows:

(765 ILCS 1026/15-801)

Sec. 15-801. Deposit of funds by administrator.

(a) Except as otherwise provided in this Section, the administrator shall deposit in the Unclaimed Property Trust Fund all funds received under this Act, including proceeds from the sale of property under Article 7. The administrator may deposit any amount in the Unclaimed Property Trust Fund into the State Pensions Fund during the fiscal year at his or her discretion; however, he or she shall, on April 15 and October 15 of each year, deposit any amount in the Unclaimed Property Trust Fund exceeding \$2,500,000 into the State Pensions Fund. If on either April 15 or October 15, the administrator determines that a balance of \$2,500,000 is insufficient for the prompt payment of unclaimed property claims authorized under this Act, the administrator may retain more than \$2,500,000 in the Unclaimed Property Trust Fund in order to ensure the prompt payment of claims. Beginning in State fiscal year 2020 ~~2048~~, all amounts that are deposited into the State Pensions Fund from the Unclaimed Property Trust Fund shall be apportioned to the designated retirement systems as provided in subsection (c-6) of Section 8.12 of the State Finance Act to reduce their actuarial reserve deficiencies.

(b) The administrator shall make prompt payment of claims he or she duly allows as provided for in this Act from the Unclaimed Property Trust Fund. This shall constitute an irrevocable and continuing

appropriation of all amounts in the Unclaimed Property Trust Fund necessary to make prompt payment of claims duly allowed by the administrator pursuant to this Act.

ARTICLE 60. REFUNDING BONDS

Section 60-5. The General Obligation Bond Act is amended by changing Sections 9, 11, and 16 as follows:

(30 ILCS 330/9) (from Ch. 127, par. 659)

Sec. 9. Conditions for ~~issuance and sale of Bonds; requirements~~ ~~Issuance and Sale of Bonds~~ ~~Requirements~~ for Bonds.

(a) Except as otherwise provided in this subsection and subsection (h), Bonds shall be issued and sold from time to time, in one or more series, in such amounts and at such prices as may be directed by the Governor, upon recommendation by the Director of the Governor's Office of Management and Budget. Bonds shall be in such form (either coupon, registered or book entry), in such denominations, payable within 25 years from their date, subject to such terms of redemption with or without premium, bear interest payable at such times and at such fixed or variable rate or rates, and be dated as shall be fixed and determined by the Director of the Governor's Office of Management and Budget in the order authorizing the issuance and sale of any series of Bonds, which order shall be approved by the Governor and is herein called a "Bond Sale Order"; provided however, that interest payable at fixed or variable rates shall not exceed that permitted in the Bond Authorization Act, as now or hereafter amended. Bonds shall be payable at such place or places, within or without the State of Illinois, and may be made registrable as to either principal or as to both principal and interest, as shall be specified in the Bond Sale Order. Bonds may be callable or subject to purchase and retirement or tender and remarketing as fixed and determined in the Bond Sale Order. Bonds, other than Bonds issued under Section 3 of this Act for the costs associated with the purchase and implementation of information technology, (i) except for refunding Bonds satisfying the requirements of Section 16 of this Act and sold during fiscal year 2009, 2010, 2011, 2017, ~~or~~ 2018 , or 2019 must be issued with principal or mandatory redemption amounts in equal amounts, with the first maturity issued occurring within the fiscal year in which the Bonds are issued or within the next succeeding fiscal year and (ii) must mature or be subject to mandatory redemption each fiscal year thereafter up to 25 years, except for refunding Bonds satisfying the requirements of Section 16 of this Act and sold during fiscal year 2009, 2010, or 2011 which must mature or be subject to mandatory redemption each fiscal year thereafter up to 16 years. Bonds issued under Section 3 of this Act for the costs associated with the purchase and implementation of information technology must be issued with principal or mandatory redemption amounts in equal amounts, with the first maturity issued occurring with the fiscal year in which the respective bonds are issued or with the next succeeding fiscal year, with the respective bonds issued maturing or subject to mandatory redemption each fiscal year thereafter up to 10 years. Notwithstanding any provision of this Act to the contrary, the Bonds authorized by Public Act 96-43 shall be payable within 5 years from their date and must be issued with principal or mandatory redemption amounts in equal amounts, with payment of principal or mandatory redemption beginning in the first fiscal year following the fiscal year in which the Bonds are issued.

Notwithstanding any provision of this Act to the contrary, the Bonds authorized by Public Act 96-1497 shall be payable within 8 years from their date and shall be issued with payment of maturing principal or scheduled mandatory redemptions in accordance with the following schedule, except the following amounts shall be prorated if less than the total additional amount of Bonds authorized by Public Act 96-1497 are issued:

Fiscal Year After Issuance	Amount
1-2	\$0
3	\$110,712,120
4	\$332,136,360
5	\$664,272,720
6-8	\$996,409,080

Notwithstanding any provision of this Act to the contrary, Income Tax Proceed Bonds issued under Section 7.6 shall be payable 12 years from the date of sale and shall be issued with payment of principal or mandatory redemption.

In the case of any series of Bonds bearing interest at a variable interest rate ("Variable Rate Bonds"), in lieu of determining the rate or rates at which such series of Variable Rate Bonds shall bear interest and the price or prices at which such Variable Rate Bonds shall be initially sold or remarketed (in the event of purchase and subsequent resale), the Bond Sale Order may provide that such interest rates and prices may

[May 30, 2018]

vary from time to time depending on criteria established in such Bond Sale Order, which criteria may include, without limitation, references to indices or variations in interest rates as may, in the judgment of a remarketing agent, be necessary to cause Variable Rate Bonds of such series to be remarketable from time to time at a price equal to their principal amount, and may provide for appointment of a bank, trust company, investment bank, or other financial institution to serve as remarketing agent in that connection. The Bond Sale Order may provide that alternative interest rates or provisions for establishing alternative interest rates, different security or claim priorities, or different call or amortization provisions will apply during such times as Variable Rate Bonds of any series are held by a person providing credit or liquidity enhancement arrangements for such Bonds as authorized in subsection (b) of this Section. The Bond Sale Order may also provide for such variable interest rates to be established pursuant to a process generally known as an auction rate process and may provide for appointment of one or more financial institutions to serve as auction agents and broker-dealers in connection with the establishment of such interest rates and the sale and remarketing of such Bonds.

(b) In connection with the issuance of any series of Bonds, the State may enter into arrangements to provide additional security and liquidity for such Bonds, including, without limitation, bond or interest rate insurance or letters of credit, lines of credit, bond purchase contracts, or other arrangements whereby funds are made available to retire or purchase Bonds, thereby assuring the ability of owners of the Bonds to sell or redeem their Bonds. The State may enter into contracts and may agree to pay fees to persons providing such arrangements, but only under circumstances where the Director of the Governor's Office of Management and Budget certifies that he or she reasonably expects the total interest paid or to be paid on the Bonds, together with the fees for the arrangements (being treated as if interest), would not, taken together, cause the Bonds to bear interest, calculated to their stated maturity, at a rate in excess of the rate that the Bonds would bear in the absence of such arrangements.

The State may, with respect to Bonds issued or anticipated to be issued, participate in and enter into arrangements with respect to interest rate protection or exchange agreements, guarantees, or financial futures contracts for the purpose of limiting, reducing, or managing interest rate exposure. The authority granted under this paragraph, however, shall not increase the principal amount of Bonds authorized to be issued by law. The arrangements may be executed and delivered by the Director of the Governor's Office of Management and Budget on behalf of the State. Net payments for such arrangements shall constitute interest on the Bonds and shall be paid from the General Obligation Bond Retirement and Interest Fund. The Director of the Governor's Office of Management and Budget shall at least annually certify to the Governor and the State Comptroller his or her estimate of the amounts of such net payments to be included in the calculation of interest required to be paid by the State.

(c) Prior to the issuance of any Variable Rate Bonds pursuant to subsection (a), the Director of the Governor's Office of Management and Budget shall adopt an interest rate risk management policy providing that the amount of the State's variable rate exposure with respect to Bonds shall not exceed 20%. This policy shall remain in effect while any Bonds are outstanding and the issuance of Bonds shall be subject to the terms of such policy. The terms of this policy may be amended from time to time by the Director of the Governor's Office of Management and Budget but in no event shall any amendment cause the permitted level of the State's variable rate exposure with respect to Bonds to exceed 20%.

(d) "Build America Bonds" in this Section means Bonds authorized by Section 54AA of the Internal Revenue Code of 1986, as amended ("Internal Revenue Code"), and bonds issued from time to time to refund or continue to refund "Build America Bonds".

(e) Notwithstanding any other provision of this Section, Qualified School Construction Bonds shall be issued and sold from time to time, in one or more series, in such amounts and at such prices as may be directed by the Governor, upon recommendation by the Director of the Governor's Office of Management and Budget. Qualified School Construction Bonds shall be in such form (either coupon, registered or book entry), in such denominations, payable within 25 years from their date, subject to such terms of redemption with or without premium, and if the Qualified School Construction Bonds are issued with a supplemental coupon, bear interest payable at such times and at such fixed or variable rate or rates, and be dated as shall be fixed and determined by the Director of the Governor's Office of Management and Budget in the order authorizing the issuance and sale of any series of Qualified School Construction Bonds, which order shall be approved by the Governor and is herein called a "Bond Sale Order"; except that interest payable at fixed or variable rates, if any, shall not exceed that permitted in the Bond Authorization Act, as now or hereafter amended. Qualified School Construction Bonds shall be payable at such place or places, within or without the State of Illinois, and may be made registrable as to either principal or as to both principal and interest, as shall be specified in the Bond Sale Order. Qualified School Construction Bonds may be callable or subject to purchase and retirement or tender and remarketing as fixed and determined in the Bond Sale Order. Qualified School Construction Bonds must be issued with principal or mandatory redemption

amounts or sinking fund payments into the General Obligation Bond Retirement and Interest Fund (or subaccount therefor) in equal amounts, with the first maturity issued, mandatory redemption payment or sinking fund payment occurring within the fiscal year in which the Qualified School Construction Bonds are issued or within the next succeeding fiscal year, with Qualified School Construction Bonds issued maturing or subject to mandatory redemption or with sinking fund payments thereof deposited each fiscal year thereafter up to 25 years. Sinking fund payments set forth in this subsection shall be permitted only to the extent authorized in Section 54F of the Internal Revenue Code or as otherwise determined by the Director of the Governor's Office of Management and Budget. "Qualified School Construction Bonds" in this subsection means Bonds authorized by Section 54F of the Internal Revenue Code and for bonds issued from time to time to refund or continue to refund such "Qualified School Construction Bonds".

(f) Beginning with the next issuance by the Governor's Office of Management and Budget to the Procurement Policy Board of a request for quotation for the purpose of formulating a new pool of qualified underwriting banks list, all entities responding to such a request for quotation for inclusion on that list shall provide a written report to the Governor's Office of Management and Budget and the Illinois Comptroller. The written report submitted to the Comptroller shall (i) be published on the Comptroller's Internet website and (ii) be used by the Governor's Office of Management and Budget for the purposes of scoring such a request for quotation. The written report, at a minimum, shall:

(1) disclose whether, within the past 3 months, pursuant to its credit default swap market-making activities, the firm has entered into any State of Illinois credit default swaps ("CDS");

(2) include, in the event of State of Illinois CDS activity, disclosure of the firm's cumulative notional volume of State of Illinois CDS trades and the firm's outstanding gross and net notional amount of State of Illinois CDS, as of the end of the current 3-month period;

(3) indicate, pursuant to the firm's proprietary trading activities, disclosure of whether the firm, within the past 3 months, has entered into any proprietary trades for its own account in State of Illinois CDS;

(4) include, in the event of State of Illinois proprietary trades, disclosure of the firm's outstanding gross and net notional amount of proprietary State of Illinois CDS and whether the net position is short or long credit protection, as of the end of the current 3-month period;

(5) list all time periods during the past 3 months during which the firm held net long or net short State of Illinois CDS proprietary credit protection positions, the amount of such positions, and whether those positions were net long or net short credit protection positions; and

(6) indicate whether, within the previous 3 months, the firm released any publicly available research or marketing reports that reference State of Illinois CDS and include those research or marketing reports as attachments.

(g) All entities included on a Governor's Office of Management and Budget's pool of qualified underwriting banks list shall, as soon as possible after March 18, 2011 (the effective date of Public Act 96-1554), but not later than January 21, 2011, and on a quarterly fiscal basis thereafter, provide a written report to the Governor's Office of Management and Budget and the Illinois Comptroller. The written reports submitted to the Comptroller shall be published on the Comptroller's Internet website. The written reports, at a minimum, shall:

(1) disclose whether, within the past 3 months, pursuant to its credit default swap market-making activities, the firm has entered into any State of Illinois credit default swaps ("CDS");

(2) include, in the event of State of Illinois CDS activity, disclosure of the firm's cumulative notional volume of State of Illinois CDS trades and the firm's outstanding gross and net notional amount of State of Illinois CDS, as of the end of the current 3-month period;

(3) indicate, pursuant to the firm's proprietary trading activities, disclosure of whether the firm, within the past 3 months, has entered into any proprietary trades for its own account in State of Illinois CDS;

(4) include, in the event of State of Illinois proprietary trades, disclosure of the firm's outstanding gross and net notional amount of proprietary State of Illinois CDS and whether the net position is short or long credit protection, as of the end of the current 3-month period;

(5) list all time periods during the past 3 months during which the firm held net long or net short State of Illinois CDS proprietary credit protection positions, the amount of such positions, and whether those positions were net long or net short credit protection positions; and

(6) indicate whether, within the previous 3 months, the firm released any publicly available research or marketing reports that reference State of Illinois CDS and include those research or marketing reports as attachments.

(h) Notwithstanding any other provision of this Section, for purposes of maximizing market efficiencies and cost savings, Income Tax Proceed Bonds may be issued and sold from time to time, in one or more

series, in such amounts and at such prices as may be directed by the Governor, upon recommendation by the Director of the Governor's Office of Management and Budget. Income Tax Proceed Bonds shall be in such form, either coupon, registered, or book entry, in such denominations, shall bear interest payable at such times and at such fixed or variable rate or rates, and be dated as shall be fixed and determined by the Director of the Governor's Office of Management and Budget in the order authorizing the issuance and sale of any series of Income Tax Proceed Bonds, which order shall be approved by the Governor and is herein called a "Bond Sale Order"; provided, however, that interest payable at fixed or variable rates shall not exceed that permitted in the Bond Authorization Act. Income Tax Proceed Bonds shall be payable at such place or places, within or without the State of Illinois, and may be made registrable as to either principal or as to both principal and interest, as shall be specified in the Bond Sale Order. Income Tax Proceed Bonds may be callable or subject to purchase and retirement or tender and remarketing as fixed and determined in the Bond Sale Order.

Sec. 11. Sale of Bonds. Except as otherwise provided in this Section, Bonds shall be sold from time to time pursuant to notice of sale and public bid or by negotiated sale in such amounts and at such times as is directed by the Governor, upon recommendation by the Director of the Governor's Office of Management and Budget. At least 25%, based on total principal amount, of all Bonds issued each fiscal year shall be sold pursuant to notice of sale and public bid. At all times during each fiscal year, no more than 75%, based on total principal amount, of the Bonds issued each fiscal year, shall have been sold by negotiated sale. Failure to satisfy the requirements in the preceding 2 sentences shall not affect the validity of any previously issued Bonds; provided that all Bonds authorized by Public Act 96-43 and Public Act 96-1497 shall not be included in determining compliance for any fiscal year with the requirements of the preceding 2 sentences; and further provided that refunding Bonds satisfying the requirements of Section 16 of this Act and sold during fiscal year 2009, 2010, 2011, 2017, ~~or 2018~~ or 2019 shall not be subject to the requirements in the preceding 2 sentences.

If any Bonds, including refunding Bonds, are to be sold by negotiated sale, the Director of the Governor's Office of Management and Budget shall comply with the competitive request for proposal process set forth in the Illinois Procurement Code and all other applicable requirements of that Code.

If Bonds are to be sold pursuant to notice of sale and public bid, the Director of the Governor's Office of Management and Budget may, from time to time, as Bonds are to be sold, advertise the sale of the Bonds in at least 2 daily newspapers, one of which is published in the City of Springfield and one in the City of Chicago. The sale of the Bonds shall also be advertised in the volume of the Illinois Procurement Bulletin that is published by the Department of Central Management Services, and shall be published once at least 10 days prior to the date fixed for the opening of the bids. The Director of the Governor's Office of Management and Budget may reschedule the date of sale upon the giving of such additional notice as the Director deems adequate to inform prospective bidders of such change; provided, however, that all other conditions of the sale shall continue as originally advertised.

Executed Bonds shall, upon payment therefor, be delivered to the purchaser, and the proceeds of Bonds shall be paid into the State Treasury as directed by Section 12 of this Act.

All Income Tax Proceed Bonds shall comply with this Section. Notwithstanding anything to the contrary, however, for purposes of complying with this Section, Income Tax Proceed Bonds, regardless of the number of series or issuances sold thereunder, shall be considered a single issue or series. Furthermore, for purposes of complying with the competitive bidding requirements of this Section, the words "at all times" shall not apply to any such sale of the Income Tax Proceed Bonds. The Director of the Governor's Office of Management and Budget shall determine the time and manner of any competitive sale of the Income Tax Proceed Bonds; however, that sale shall under no circumstances take place later than 60 days after the State closes the sale of 75% of the Income Tax Proceed Bonds by negotiated sale.

Sec. 16. Refunding Bonds. The State of Illinois is authorized to issue, sell, and provide for the retirement of General Obligation Bonds of the State of Illinois in the amount of \$4,839,025,000, at any time and from time to time outstanding, for the purpose of refunding any State of Illinois general obligation Bonds then outstanding, including (i) the payment of any redemption premium thereon, (ii) any reasonable expenses of such refunding, (iii) any interest accrued or to accrue to the earliest or any subsequent date of redemption or maturity of such outstanding Bonds, (iv) for fiscal year 2019 only, any necessary payments to providers of interest rate exchange agreements in connection with the termination of such agreements by the State

in connection with the refunding, and (v) any interest to accrue to the first interest payment on the refunding Bonds; provided that all non-refunding Bonds in an issue that includes refunding Bonds shall mature no later than the final maturity date of Bonds being refunded; provided that no refunding Bonds shall be offered for sale unless the net present value of debt service savings to be achieved by the issuance of the refunding Bonds is 3% or more of the principal amount of the refunding Bonds to be issued; and further provided that, except for refunding Bonds sold in fiscal year 2009, 2010, 2011, 2017, ~~or~~ 2018, or 2019, the maturities of the refunding Bonds shall not extend beyond the maturities of the Bonds they refund, so that for each fiscal year in the maturity schedule of a particular issue of refunding Bonds, the total amount of refunding principal maturing and redemption amounts due in that fiscal year and all prior fiscal years in that schedule shall be greater than or equal to the total amount of refunded principal and redemption amounts that had been due over that year and all prior fiscal years prior to the refunding.

The Governor shall notify the State Treasurer and Comptroller of such refunding. The proceeds received from the sale of refunding Bonds shall be used for the retirement at maturity or redemption of such outstanding Bonds on any maturity or redemption date and, pending such use, shall be placed in escrow, subject to such terms and conditions as shall be provided for in the Bond Sale Order relating to the Refunding Bonds. Proceeds not needed for deposit in an escrow account shall be deposited in the General Obligation Bond Retirement and Interest Fund. This Act shall constitute an irrevocable and continuing appropriation of all amounts necessary to establish an escrow account for the purpose of refunding outstanding general obligation Bonds and to pay the reasonable expenses of such refunding and of the issuance and sale of the refunding Bonds. Any such escrowed proceeds may be invested and reinvested in direct obligations of the United States of America, maturing at such time or times as shall be appropriate to assure the prompt payment, when due, of the principal of and interest and redemption premium, if any, on the refunded Bonds. After the terms of the escrow have been fully satisfied, any remaining balance of such proceeds and interest, income and profits earned or realized on the investments thereof shall be paid into the General Revenue Fund. The liability of the State upon the Bonds shall continue, provided that the holders thereof shall thereafter be entitled to payment only out of the moneys deposited in the escrow account.

Except as otherwise herein provided in this Section, such refunding Bonds shall in all other respects be subject to the terms and conditions of this Act.

Section 60-10. The Build Illinois Bond Act is amended by changing Sections 6, 8, and 15 as follows:
(30 ILCS 425/6) (from Ch. 127, par. 2806)

Sec. 6. Conditions for Issuance and Sale of Bonds - Requirements for Bonds - Master and Supplemental Indentures - Credit and Liquidity Enhancement.

(a) Bonds shall be issued and sold from time to time, in one or more series, in such amounts and at such prices as directed by the Governor, upon recommendation by the Director of the Governor's Office of Management and Budget. Bonds shall be payable only from the specific sources and secured in the manner provided in this Act. Bonds shall be in such form, in such denominations, mature on such dates within 25 years from their date of issuance, be subject to optional or mandatory redemption, bear interest payable at such times and at such rate or rates, fixed or variable, and be dated as shall be fixed and determined by the Director of the Governor's Office of Management and Budget in an order authorizing the issuance and sale of any series of Bonds, which order shall be approved by the Governor and is herein called a "Bond Sale Order"; provided, however, that interest payable at fixed rates shall not exceed that permitted in "An Act to authorize public corporations to issue bonds, other evidences of indebtedness and tax anticipation warrants subject to interest rate limitations set forth therein", approved May 26, 1970, as now or hereafter amended, and interest payable at variable rates shall not exceed the maximum rate permitted in the Bond Sale Order. Said Bonds shall be payable at such place or places, within or without the State of Illinois, and may be made registrable as to either principal only or as to both principal and interest, as shall be specified in the Bond Sale Order. Bonds may be callable or subject to purchase and retirement or remarketing as fixed and determined in the Bond Sale Order. Bonds (i) except for refunding Bonds satisfying the requirements of Section 15 of this Act and sold during fiscal year 2009, 2010, 2011, 2017, ~~or~~ 2018, or 2019, must be issued with principal or mandatory redemption amounts in equal amounts, with the first maturity issued occurring within the fiscal year in which the Bonds are issued or within the next succeeding fiscal year and (ii) must mature or be subject to mandatory redemption each fiscal year thereafter up to 25 years, except for refunding Bonds satisfying the requirements of Section 15 of this Act and sold during fiscal year 2009, 2010, or 2011 which must mature or be subject to mandatory redemption each fiscal year thereafter up to 16 years.

[May 30, 2018]

All Bonds authorized under this Act shall be issued pursuant to a master trust indenture ("Master Indenture") executed and delivered on behalf of the State by the Director of the Governor's Office of Management and Budget, such Master Indenture to be in substantially the form approved in the Bond Sale Order authorizing the issuance and sale of the initial series of Bonds issued under this Act. Such initial series of Bonds may, and each subsequent series of Bonds shall, also be issued pursuant to a supplemental trust indenture ("Supplemental Indenture") executed and delivered on behalf of the State by the Director of the Governor's Office of Management and Budget, each such Supplemental Indenture to be in substantially the form approved in the Bond Sale Order relating to such series. The Master Indenture and any Supplemental Indenture shall be entered into with a bank or trust company in the State of Illinois having trust powers and possessing capital and surplus of not less than \$100,000,000. Such indentures shall set forth the terms and conditions of the Bonds and provide for payment of and security for the Bonds, including the establishment and maintenance of debt service and reserve funds, and for other protections for holders of the Bonds. The term "reserve funds" as used in this Act shall include funds and accounts established under indentures to provide for the payment of principal of and premium and interest on Bonds, to provide for the purchase, retirement or defeasance of Bonds, to provide for fees of trustees, registrars, paying agents and other fiduciaries and to provide for payment of costs of and debt service payable in respect of credit or liquidity enhancement arrangements, interest rate swaps or guarantees or financial futures contracts and indexing and remarketing agents' services.

In the case of any series of Bonds bearing interest at a variable interest rate ("Variable Rate Bonds"), in lieu of determining the rate or rates at which such series of Variable Rate Bonds shall bear interest and the price or prices at which such Variable Rate Bonds shall be initially sold or remarketed (in the event of purchase and subsequent resale), the Bond Sale Order may provide that such interest rates and prices may vary from time to time depending on criteria established in such Bond Sale Order, which criteria may include, without limitation, references to indices or variations in interest rates as may, in the judgment of a remarketing agent, be necessary to cause Bonds of such series to be remarketable from time to time at a price equal to their principal amount (or compound accreted value in the case of original issue discount Bonds), and may provide for appointment of indexing agents and a bank, trust company, investment bank or other financial institution to serve as remarketing agent in that connection. The Bond Sale Order may provide that alternative interest rates or provisions for establishing alternative interest rates, different security or claim priorities or different call or amortization provisions will apply during such times as Bonds of any series are held by a person providing credit or liquidity enhancement arrangements for such Bonds as authorized in subsection (b) of Section 6 of this Act.

(b) In connection with the issuance of any series of Bonds, the State may enter into arrangements to provide additional security and liquidity for such Bonds, including, without limitation, bond or interest rate insurance or letters of credit, lines of credit, bond purchase contracts or other arrangements whereby funds are made available to retire or purchase Bonds, thereby assuring the ability of owners of the Bonds to sell or redeem their Bonds. The State may enter into contracts and may agree to pay fees to persons providing such arrangements, but only under circumstances where the Director of the Bureau of the Budget (now Governor's Office of Management and Budget) certifies that he reasonably expects the total interest paid or to be paid on the Bonds, together with the fees for the arrangements (being treated as if interest), would not, taken together, cause the Bonds to bear interest, calculated to their stated maturity, at a rate in excess of the rate which the Bonds would bear in the absence of such arrangements. Any bonds, notes or other evidences of indebtedness issued pursuant to any such arrangements for the purpose of retiring and discharging outstanding Bonds shall constitute refunding Bonds under Section 15 of this Act. The State may participate in and enter into arrangements with respect to interest rate swaps or guarantees or financial futures contracts for the purpose of limiting or restricting interest rate risk; provided that such arrangements shall be made with or executed through banks having capital and surplus of not less than \$100,000,000 or insurance companies holding the highest policyholder rating accorded insurers by A.M. Best & Co. or any comparable rating service or government bond dealers reporting to, trading with, and recognized as primary dealers by a Federal Reserve Bank and having capital and surplus of not less than \$100,000,000, or other persons whose debt securities are rated in the highest long-term categories by both Moody's Investors' Services, Inc. and Standard & Poor's Corporation. Agreements incorporating any of the foregoing arrangements may be executed and delivered by the Director of the Governor's Office of Management and Budget on behalf of the State in substantially the form approved in the Bond Sale Order relating to such Bonds.

(c) "Build America Bonds" in this Section means Bonds authorized by Section 54AA of the Internal Revenue Code of 1986, as amended ("Internal Revenue Code"), and bonds issued from time to time to refund or continue to refund "Build America Bonds".

Sec. 8. Sale of Bonds. Bonds, except as otherwise provided in this Section, shall be sold from time to time pursuant to notice of sale and public bid or by negotiated sale in such amounts and at such times as are directed by the Governor, upon recommendation by the Director of the Governor's Office of Management and Budget. At least 25%, based on total principal amount, of all Bonds issued each fiscal year shall be sold pursuant to notice of sale and public bid. At all times during each fiscal year, no more than 75%, based on total principal amount, of the Bonds issued each fiscal year shall have been sold by negotiated sale. Failure to satisfy the requirements in the preceding 2 sentences shall not affect the validity of any previously issued Bonds; and further provided that refunding Bonds satisfying the requirements of Section 15 of this Act and sold during fiscal year 2009, 2010, 2011, 2017, ~~or 2018~~ or 2019 shall not be subject to the requirements in the preceding 2 sentences.

If any Bonds are to be sold pursuant to notice of sale and public bid, the Director of the Governor's Office of Management and Budget shall comply with the competitive request for proposal process set forth in the Illinois Procurement Code and all other applicable requirements of that Code.

If Bonds are to be sold pursuant to notice of sale and public bid, the Director of the Governor's Office of Management and Budget may, from time to time, as Bonds are to be sold, advertise the sale of the Bonds in at least 2 daily newspapers, one of which is published in the City of Springfield and one in the City of Chicago. The sale of the Bonds shall also be advertised in the volume of the Illinois Procurement Bulletin that is published by the Department of Central Management Services, and shall be published once at least 10 days prior to the date fixed for the opening of the bids. The Director of the Governor's Office of Management and Budget may reschedule the date of sale upon the giving of such additional notice as the Director deems adequate to inform prospective bidders of the change; provided, however, that all other conditions of the sale shall continue as originally advertised. Executed Bonds shall, upon payment therefor, be delivered to the purchaser, and the proceeds of Bonds shall be paid into the State Treasury as directed by Section 9 of this Act. The Governor or the Director of the Governor's Office of Management and Budget is hereby authorized and directed to execute and deliver contracts of sale with underwriters and to execute and deliver such certificates, indentures, agreements and documents, including any supplements or amendments thereto, and to take such actions and do such things as shall be necessary or desirable to carry out the purposes of this Act. Any action authorized or permitted to be taken by the Director of the Governor's Office of Management and Budget pursuant to this Act is hereby authorized to be taken by any person specifically designated by the Governor to take such action in a certificate signed by the Governor and filed with the Secretary of State.

(30 ILCS 425/15) (from Ch. 127, par. 2815)

Sec. 15. Refunding Bonds. Refunding Bonds are hereby authorized for the purpose of refunding any outstanding Bonds, including the payment of any redemption premium thereon, any reasonable expenses of such refunding, and any interest accrued or to accrue to the earliest or any subsequent date of redemption or maturity of outstanding Bonds; provided that all non-refunding Bonds in an issue that includes refunding Bonds shall mature no later than the final maturity date of Bonds being refunded; provided that no refunding Bonds shall be offered for sale unless the net present value of debt service savings to be achieved by the issuance of the refunding Bonds is 3% or more of the principal amount of the refunding Bonds to be issued; and further provided that, except for refunding Bonds sold in fiscal year 2009, 2010, 2011, 2017, ~~or 2018~~ or 2019, the maturities of the refunding Bonds shall not extend beyond the maturities of the Bonds they refund, so that for each fiscal year in the maturity schedule of a particular issue of refunding Bonds, the total amount of refunding principal maturing and redemption amounts due in that fiscal year and all prior fiscal years in that schedule shall be greater than or equal to the total amount of refunded principal and redemption amounts that had been due over that year and all prior fiscal years prior to the refunding.

Refunding Bonds may be sold in such amounts and at such times, as directed by the Governor upon recommendation by the Director of the Governor's Office of Management and Budget. The Governor shall notify the State Treasurer and Comptroller of such refunding. The proceeds received from the sale of refunding Bonds shall be used for the retirement at maturity or redemption of such outstanding Bonds on any maturity or redemption date and, pending such use, shall be placed in escrow, subject to such terms and conditions as shall be provided for in the Bond Sale Order relating to the refunding Bonds. This Act shall constitute an irrevocable and continuing appropriation of all amounts necessary to establish an escrow account for the purpose of refunding outstanding Bonds and to pay the reasonable expenses of such refunding and of the issuance and sale of the refunding Bonds. Any such escrowed proceeds may be invested and reinvested in direct obligations of the United States of America, maturing at such time or times as shall be appropriate to assure the prompt payment, when due, of the principal of and interest and

[May 30, 2018]

redemption premium, if any, on the refunded Bonds. After the terms of the escrow have been fully satisfied, any remaining balance of such proceeds and interest, income and profits earned or realized on the investments thereof shall be paid into the General Revenue Fund. The liability of the State upon the refunded Bonds shall continue, provided that the holders thereof shall thereafter be entitled to payment only out of the moneys deposited in the escrow account and the refunded Bonds shall be deemed paid, discharged and no longer to be outstanding.

Except as otherwise herein provided in this Section, such refunding Bonds shall in all other respects be issued pursuant to and subject to the terms and conditions of this Act and shall be secured by and payable from only the funds and sources which are provided under this Act.

ARTICLE 65.

Section 65-15. The Illinois Public Aid Code is amended by changing Sections 5-4.2, 5-5.01a, 9A-11, and 12-4.11 and by adding Sections 5-5.05a and 5-5.12b as follows:

(305 ILCS 5/5-4.2) (from Ch. 23, par. 5-4.2)

Sec. 5-4.2. Ambulance services payments.

(a) For ambulance services provided to a recipient of aid under this Article on or after January 1, 1993, the Illinois Department shall reimburse ambulance service providers at rates calculated in accordance with this Section. It is the intent of the General Assembly to provide adequate reimbursement for ambulance services so as to ensure adequate access to services for recipients of aid under this Article and to provide appropriate incentives to ambulance service providers to provide services in an efficient and cost-effective manner. Thus, it is the intent of the General Assembly that the Illinois Department implement a reimbursement system for ambulance services that, to the extent practicable and subject to the availability of funds appropriated by the General Assembly for this purpose, is consistent with the payment principles of Medicare. To ensure uniformity between the payment principles of Medicare and Medicaid, the Illinois Department shall follow, to the extent necessary and practicable and subject to the availability of funds appropriated by the General Assembly for this purpose, the statutes, laws, regulations, policies, procedures, principles, definitions, guidelines, and manuals used to determine the amounts paid to ambulance service providers under Title XVIII of the Social Security Act (Medicare).

(b) For ambulance services provided to a recipient of aid under this Article on or after January 1, 1996, the Illinois Department shall reimburse ambulance service providers based upon the actual distance traveled if a natural disaster, weather conditions, road repairs, or traffic congestion necessitates the use of a route other than the most direct route.

(c) For purposes of this Section, "ambulance services" includes medical transportation services provided by means of an ambulance, medi-car, service car, or taxi.

(c-1) For purposes of this Section, "ground ambulance service" means medical transportation services that are described as ground ambulance services by the Centers for Medicare and Medicaid Services and provided in a vehicle that is licensed as an ambulance by the Illinois Department of Public Health pursuant to the Emergency Medical Services (EMS) Systems Act.

(c-2) For purposes of this Section, "ground ambulance service provider" means a vehicle service provider as described in the Emergency Medical Services (EMS) Systems Act that operates licensed ambulances for the purpose of providing emergency ambulance services, or non-emergency ambulance services, or both. For purposes of this Section, this includes both ambulance providers and ambulance suppliers as described by the Centers for Medicare and Medicaid Services.

(d) This Section does not prohibit separate billing by ambulance service providers for oxygen furnished while providing advanced life support services.

(e) Beginning with services rendered on or after July 1, 2008, all providers of non-emergency medi-car and service car transportation must certify that the driver and employee attendant, as applicable, have completed a safety program approved by the Department to protect both the patient and the driver, prior to transporting a patient. The provider must maintain this certification in its records. The provider shall produce such documentation upon demand by the Department or its representative. Failure to produce documentation of such training shall result in recovery of any payments made by the Department for services rendered by a non-certified driver or employee attendant. Medi-car and service car providers must maintain legible documentation in their records of the driver and, as applicable, employee attendant that actually transported the patient. Providers must recertify all drivers and employee attendants every 3 years.

Notwithstanding the requirements above, any public transportation provider of medi-car and service car transportation that receives federal funding under 49 U.S.C. 5307 and 5311 need not certify its drivers and employee attendants under this Section, since safety training is already federally mandated.

(f) With respect to any policy or program administered by the Department or its agent regarding approval of non-emergency medical transportation by ground ambulance service providers, including, but not limited to, the Non-Emergency Transportation Services Prior Approval Program (NETSPAP), the Department shall establish by rule a process by which ground ambulance service providers of non-emergency medical transportation may appeal any decision by the Department or its agent for which no denial was received prior to the time of transport that either (i) denies a request for approval for payment of non-emergency transportation by means of ground ambulance service or (ii) grants a request for approval of non-emergency transportation by means of ground ambulance service at a level of service that entitles the ground ambulance service provider to a lower level of compensation from the Department than the ground ambulance service provider would have received as compensation for the level of service requested. The rule shall be filed by December 15, 2012 and shall provide that, for any decision rendered by the Department or its agent on or after the date the rule takes effect, the ground ambulance service provider shall have 60 days from the date the decision is received to file an appeal. The rule established by the Department shall be, insofar as is practical, consistent with the Illinois Administrative Procedure Act. The Director's decision on an appeal under this Section shall be a final administrative decision subject to review under the Administrative Review Law.

(f-5) Beginning 90 days after July 20, 2012 (the effective date of Public Act 97-842), (i) no denial of a request for approval for payment of non-emergency transportation by means of ground ambulance service, and (ii) no approval of non-emergency transportation by means of ground ambulance service at a level of service that entitles the ground ambulance service provider to a lower level of compensation from the Department than would have been received at the level of service submitted by the ground ambulance service provider, may be issued by the Department or its agent unless the Department has submitted the criteria for determining the appropriateness of the transport for first notice publication in the Illinois Register pursuant to Section 5-40 of the Illinois Administrative Procedure Act.

(g) Whenever a patient covered by a medical assistance program under this Code or by another medical program administered by the Department is being discharged from a facility, a physician discharge order as described in this Section shall be required for each patient whose discharge requires medically supervised ground ambulance services. Facilities shall develop procedures for a physician with medical staff privileges to provide a written and signed physician discharge order. The physician discharge order shall specify the level of ground ambulance services needed and complete a medical certification establishing the criteria for approval of non-emergency ambulance transportation, as published by the Department of Healthcare and Family Services, that is met by the patient. This order and the medical certification shall be completed prior to ordering an ambulance service and prior to patient discharge.

Pursuant to subsection (E) of Section 12-4.25 of this Code, the Department is entitled to recover overpayments paid to a provider or vendor, including, but not limited to, from the discharging physician, the discharging facility, and the ground ambulance service provider, in instances where a non-emergency ground ambulance service is rendered as the result of improper or false certification.

(h) On and after July 1, 2012, the Department shall reduce any rate of reimbursement for services or other payments or alter any methodologies authorized by this Code to reduce any rate of reimbursement for services or other payments in accordance with Section 5-5e.

(i) On and after July 1, 2018, the Department shall increase the base rate of reimbursement for both base charges and mileage charges for ground ambulance service providers for medical transportation services provided by means of a ground ambulance to a level not lower than 112% of the base rate in effect as of June 30, 2018.

(305 ILCS 5/5-5.01a)

Sec. 5-5.01a. Supportive living facilities program.

(a) The Department shall establish and provide oversight for a program of supportive living facilities that seek to promote resident independence, dignity, respect, and well-being in the most cost-effective manner.

A supportive living facility is (i) a free-standing facility or (ii) a distinct physical and operational entity within a mixed-use building that meets the criteria established in subsection (d). A supportive living facility integrates housing with health, personal care, and supportive services and is a designated setting that offers residents their own separate, private, and distinct living units.

Sites for the operation of the program shall be selected by the Department based upon criteria that may include the need for services in a geographic area, the availability of funding, and the site's ability to meet the standards.

(b) Beginning July 1, 2014, subject to federal approval, the Medicaid rates for supportive living facilities shall be equal to the supportive living facility Medicaid rate effective on June 30, 2014 increased by 8.85%.

[May 30, 2018]

Once the assessment imposed at Article V-G of this Code is determined to be a permissible tax under Title XIX of the Social Security Act, the Department shall increase the Medicaid rates for supportive living facilities effective on July 1, 2014 by 9.09%. The Department shall apply this increase retroactively to coincide with the imposition of the assessment in Article V-G of this Code in accordance with the approval for federal financial participation by the Centers for Medicare and Medicaid Services.

The Medicaid rates for supportive living facilities effective on July 1, 2017 must be equal to the rates in effect for supportive living facilities on June 30, 2017 increased by 2.8%.

The Medicaid rates for supportive living facilities effective on July 1, 2018 must be equal to the rates in effect for supportive living facilities on June 30, 2018.

(c) The Department may adopt rules to implement this Section. Rules that establish or modify the services, standards, and conditions for participation in the program shall be adopted by the Department in consultation with the Department on Aging, the Department of Rehabilitation Services, and the Department of Mental Health and Developmental Disabilities (or their successor agencies).

(d) Subject to federal approval by the Centers for Medicare and Medicaid Services, the Department shall accept for consideration of certification under the program any application for a site or building where distinct parts of the site or building are designated for purposes other than the provision of supportive living services, but only if:

(1) those distinct parts of the site or building are not designated for the purpose of providing assisted living services as required under the Assisted Living and Shared Housing Act;

(2) those distinct parts of the site or building are completely separate from the part of the building used for the provision of supportive living program services, including separate entrances;

(3) those distinct parts of the site or building do not share any common spaces with the part of the building used for the provision of supportive living program services; and

(4) those distinct parts of the site or building do not share staffing with the part of the building used for the provision of supportive living program services.

(e) Facilities or distinct parts of facilities which are selected as supportive living facilities and are in good standing with the Department's rules are exempt from the provisions of the Nursing Home Care Act and the Illinois Health Facilities Planning Act.

(305 ILCS 5/5-5.05a new)

Sec. 5-5.05a. Reimbursement rates; community mental health centers. Notwithstanding the provisions of any other law, reimbursement rates, including enhanced payment rates and rate add-ons, for psychiatric and behavioral health services provided in or by community mental health centers licensed or certified by the Department of Human Services shall not be lower than the rates for such services in effect on November 1, 2017. The Department of Healthcare and Family Services shall apply for any waiver or State Plan amendment, if required, to implement the reimbursement rates established in this Section. Implementation of the reimbursement rates shall be contingent on federal approval.

(305 ILCS 5/5-5.12b new)

Sec. 5-5.12b. Critical access care pharmacy program.

(a) As used in this Section:

"Critical access care pharmacy" means an Illinois-based brick and mortar pharmacy that is located in a county with fewer than 50,000 residents and that owns fewer than 10 pharmacies.

"Critical access care pharmacy program payment" means the number of individual prescriptions a critical access care pharmacy fills during that quarter multiplied by the lesser of the individual payment amount or the dispensing reimbursement rate made by the Department under the medical assistance program as of April 1, 2018.

"Individual payment amount" means the dividend of 1/4 of the annual amount appropriated for the critical access care pharmacy program by the number of prescriptions filled by all critical access care pharmacies reimbursed by Medicaid managed care organizations that quarter.

(b) Subject to appropriations, the Department shall establish a critical access care pharmacy program to ensure the sustainability of critical access pharmacies throughout the State of Illinois.

(c) The critical access care pharmacy program shall not exceed \$10,000,000 annually and individual payment amounts per prescription shall not exceed the dispensing rate that the Department would have reimbursed under the Medical Assistance Program as of April 1, 2018.

(d) Quarterly, the Department shall determine the number of prescriptions filled by critical access care pharmacies reimbursed by Medicaid managed care organizations utilizing encounter data available to the Department. The Department shall determine the individual payment amount per prescription by dividing 1/4 of the annual amount appropriated for the critical access care pharmacy program by the number of

prescriptions filled by all critical access care pharmacies reimbursed by Medicaid managed care organizations that quarter. If the individual payment amount per prescription as calculated using quarterly prescription amounts exceeds the reimbursement rate under the medical assistance program as of April 1, 2018, then the individual payment amount per prescription shall be the dispensing reimbursement rate under the medical assistance program as of April 1, 2018.

(e) Quarterly, the Department shall distribute to critical access care pharmacies a critical access care pharmacy program payment. The first payment shall be calculated utilizing the encounter data from the last quarter of State fiscal year 2018.

(f) The Department may adopt rules permitting an Illinois-based brick and mortar pharmacy that owns fewer than 10 pharmacies to receive critical access care pharmacy program payments in the same manner as a critical access care pharmacy, regardless of whether the pharmacy is located in a county with a population of less than 50,000.

(305 ILCS 5/9A-11) (from Ch. 23, par. 9A-11)
Sec. 9A-11. Child care.

(a) The General Assembly recognizes that families with children need child care in order to work. Child care is expensive and families with low incomes, including those who are transitioning from welfare to work, often struggle to pay the costs of day care. The General Assembly understands the importance of helping low income working families become and remain self-sufficient. The General Assembly also believes that it is the responsibility of families to share in the costs of child care. It is also the preference of the General Assembly that all working poor families should be treated equally, regardless of their welfare status.

(b) To the extent resources permit, the Illinois Department shall provide child care services to parents or other relatives as defined by rule who are working or participating in employment or Department approved education or training programs. At a minimum, the Illinois Department shall cover the following categories of families:

- (1) recipients of TANF under Article IV participating in work and training activities as specified in the personal plan for employment and self-sufficiency;
- (2) families transitioning from TANF to work;
- (3) families at risk of becoming recipients of TANF;
- (4) families with special needs as defined by rule;
- (5) working families with very low incomes as defined by rule; and
- (6) families that are not recipients of TANF and that need child care assistance to participate in education and training activities.

The Department shall specify by rule the conditions of eligibility, the application process, and the types, amounts, and duration of services. Eligibility for child care benefits and the amount of child care provided may vary based on family size, income, and other factors as specified by rule.

In determining income eligibility for child care benefits, the Department annually, at the beginning of each fiscal year, shall establish, by rule, one income threshold for each family size, in relation to percentage of State median income for a family of that size, that makes families with incomes below the specified threshold eligible for assistance and families with incomes above the specified threshold ineligible for assistance. Through and including fiscal year 2007, the specified threshold must be no less than 50% of the then-current State median income for each family size. Beginning in fiscal year 2008, the specified threshold must be no less than 185% of the then-current federal poverty level for each family size.

In determining eligibility for assistance, the Department shall not give preference to any category of recipients or give preference to individuals based on their receipt of benefits under this Code.

Nothing in this Section shall be construed as conferring entitlement status to eligible families.

The Illinois Department is authorized to lower income eligibility ceilings, raise parent co-payments, create waiting lists, or take such other actions during a fiscal year as are necessary to ensure that child care benefits paid under this Article do not exceed the amounts appropriated for those child care benefits. These changes may be accomplished by emergency rule under Section 5-45 of the Illinois Administrative Procedure Act, except that the limitation on the number of emergency rules that may be adopted in a 24-month period shall not apply.

The Illinois Department may contract with other State agencies or child care organizations for the administration of child care services.

(c) Payment shall be made for child care that otherwise meets the requirements of this Section and applicable standards of State and local law and regulation, including any requirements the Illinois Department promulgates by rule in addition to the licensure requirements promulgated by the Department of Children and Family Services and Fire Prevention and Safety requirements promulgated by the Office of the State Fire Marshal and is provided in any of the following:

(1) a child care center which is licensed or exempt from licensure pursuant to Section 2.09 of the Child Care Act of 1969;

(2) a licensed child care home or home exempt from licensing;

(3) a licensed group child care home;

(4) other types of child care, including child care provided by relatives or persons living in the same home as the child, as determined by the Illinois Department by rule.

(c-5) Solely for the purposes of coverage under the Illinois Public Labor Relations Act, child and day care home providers, including licensed and license exempt, participating in the Department's child care assistance program shall be considered to be public employees and the State of Illinois shall be considered to be their employer as of the effective date of this amendatory Act of the 94th General Assembly, but not before. The State shall engage in collective bargaining with an exclusive representative of child and day care home providers participating in the child care assistance program concerning their terms and conditions of employment that are within the State's control. Nothing in this subsection shall be understood to limit the right of families receiving services defined in this Section to select child and day care home providers or supervise them within the limits of this Section. The State shall not be considered to be the employer of child and day care home providers for any purposes not specifically provided in this amendatory Act of the 94th General Assembly, including but not limited to, purposes of vicarious liability in tort and purposes of statutory retirement or health insurance benefits. Child and day care home providers shall not be covered by the State Employees Group Insurance Act of 1971.

In according child and day care home providers and their selected representative rights under the Illinois Public Labor Relations Act, the State intends that the State action exemption to application of federal and State antitrust laws be fully available to the extent that their activities are authorized by this amendatory Act of the 94th General Assembly.

(d) The Illinois Department shall establish, by rule, a co-payment scale that provides for cost sharing by families that receive child care services, including parents whose only income is from assistance under this Code. The co-payment shall be based on family income and family size and may be based on other factors as appropriate. Co-payments may be waived for families whose incomes are at or below the federal poverty level.

(d-5) The Illinois Department, in consultation with its Child Care and Development Advisory Council, shall develop a plan to revise the child care assistance program's co-payment scale. The plan shall be completed no later than February 1, 2008, and shall include:

(1) findings as to the percentage of income that the average American family spends on child care and the relative amounts that low-income families and the average American family spend on other necessities of life;

(2) recommendations for revising the child care co-payment scale to assure that families receiving child care services from the Department are paying no more than they can reasonably afford;

(3) recommendations for revising the child care co-payment scale to provide at-risk children with complete access to Preschool for All and Head Start; and

(4) recommendations for changes in child care program policies that affect the affordability of child care.

(e) (Blank).

(f) The Illinois Department shall, by rule, set rates to be paid for the various types of child care. Child care may be provided through one of the following methods:

(1) arranging the child care through eligible providers by use of purchase of service contracts or vouchers;

(2) arranging with other agencies and community volunteer groups for non-reimbursed child care;

(3) (blank); or

(4) adopting such other arrangements as the Department determines appropriate.

(f-1) Within 30 days after the effective date of this amendatory Act of the 100th General Assembly, the Department of Human Services shall establish rates for child care providers that are no less than the rates in effect on January 1, 2018 increased by 4.26%.

(f-5) (Blank).

(g) Families eligible for assistance under this Section shall be given the following options:

(1) receiving a child care certificate issued by the Department or a subcontractor of the Department that may be used by the parents as payment for child care and development services only; or

(2) if space is available, enrolling the child with a child care provider that has a

purchase of service contract with the Department or a subcontractor of the Department for the provision of child care and development services. The Department may identify particular priority populations for whom they may request special consideration by a provider with purchase of service contracts, provided that the providers shall be permitted to maintain a balance of clients in terms of household incomes and families and children with special needs, as defined by rule.

(305 ILCS 5/12-4.11) (from Ch. 23, par. 12-4.11)

Sec. 12-4.11. Grant amounts. The Department, with due regard for and subject to budgetary limitations, shall establish grant amounts for each of the programs, by regulation. The grant amounts may vary by program, size of assistance unit and geographic area. Grant amounts under the Temporary Assistance for Needy Families (TANF) program may not vary on the basis of a TANF recipient's county of residence.

Aid payments shall not be reduced except: (1) for changes in the cost of items included in the grant amounts, or (2) for changes in the expenses of the recipient, or (3) for changes in the income or resources available to the recipient, or (4) for changes in grants resulting from adoption of a consolidated grant amount.

The maximum benefit levels provided to TANF recipients shall increase as follows: beginning October 1, 2018, the Department of Human Services shall increase TANF grant amounts in effect on September 30, 2018 to at least 30% of the most recent United States Department of Health and Human Services Federal Poverty Guidelines for each family size.

TANF grants for child-only assistance units shall be at least 75% of TANF grants for assistance units of the same size that consist of a caretaker relative with children.

~~Subject to appropriation, beginning on July 1, 2008, the Department of Human Services shall increase TANF grant amounts in effect on June 30, 2008 by 15%. The Department is authorized to administer this increase but may not otherwise adopt any rule to implement this increase.~~

In fixing standards to govern payments or reimbursements for funeral and burial expenses, the Department shall establish a minimum allowable amount of not less than \$1,000 for Department payment of funeral services and not less than \$500 for Department payment of burial or cremation services. On January 1, 2006, July 1, 2006, and July 1, 2007, the Department shall increase the minimum reimbursement amount for funeral and burial expenses under this Section by a percentage equal to the percentage increase in the Consumer Price Index for All Urban Consumers, if any, during the 12 months immediately preceding that January 1 or July 1. In establishing the minimum allowable amount, the Department shall take into account the services essential to a dignified, low-cost (i) funeral and (ii) burial or cremation, including reasonable amounts that may be necessary for burial space and cemetery charges, and any applicable taxes or other required governmental fees or charges. If no person has agreed to pay the total cost of the (i) funeral and (ii) burial or cremation charges, the Department shall pay the vendor the actual costs of the (i) funeral and (ii) burial or cremation, or the minimum allowable amount for each service as established by the Department, whichever is less, provided that the Department reduces its payments by the amount available from the following sources: the decedent's assets and available resources and the anticipated amounts of any death benefits available to the decedent's estate, and amounts paid and arranged to be paid by the decedent's legally responsible relatives. A legally responsible relative is expected to pay (i) funeral and (ii) burial or cremation expenses unless financially unable to do so.

Nothing contained in this Section or in any other Section of this Code shall be construed to prohibit the Illinois Department (1) from consolidating existing standards on the basis of any standards which are or were in effect on, or subsequent to July 1, 1969, or (2) from employing any consolidated standards in determining need for public aid and the amount of money payment or grant for individual recipients or recipient families.

The following named officers, committee chairmen and committee minority spokesmen shall receive additional amounts per year for their services as such officers, committee chairmen and committee minority spokesmen respectively, as set by the Compensation Review Board or, as follows, whichever is greater: Beginning the second Wednesday in January 1989, the Speaker and the minority leader of the House of Representatives and the President and the minority leader of the Senate, \$16,000 each; the majority leader in the House of Representatives \$13,500; 6 assistant

[May 30, 2018]

majority leaders and 5 assistant minority leaders in the Senate, \$12,000 each; 6 assistant majority leaders and 6 assistant minority leaders in the House of Representatives, \$10,500 each; 2 Deputy Majority leaders in the House of Representatives \$11,500 each; and 2 Deputy Minority leaders in the House of Representatives, \$11,500 each; the majority caucus chairman and minority caucus chairman in the Senate, \$12,000 each; and beginning the second Wednesday in January, 1989, the majority conference chairman and the minority conference chairman in the House of Representatives, \$10,500 each; beginning the second Wednesday in January, 1989, the chairman and minority spokesman of each standing committee of the Senate, except the Rules Committee, the Committee on Committees, and the Committee on Assignment of Bills, \$6,000 each; and beginning the second Wednesday in January, 1989, the chairman and minority spokesman of each standing and select committee of the House of Representatives, \$6,000 each. A member who serves in more than one position as an officer, committee chairman, or committee minority spokesman shall receive only one additional amount based on the position paying the highest additional amount. The compensation provided for in this Section to be paid per year to members of the General Assembly, including the additional sums payable per year to officers of the General Assembly shall be paid in 12 equal monthly installments. The first such installment is payable on January 31, 1977. All subsequent equal monthly installments are payable on the last working day of the month. A member who has held office any part of a month is entitled to compensation for an entire month.

Mileage shall be paid at the rate of 20 cents per mile before January 9, 1985, and at the mileage allowance rate in effect under regulations promulgated pursuant to 5 U.S.C. 5707(b)(2) beginning January 9, 1985, for the number of actual highway miles necessarily and conveniently traveled by the most feasible route to be present upon convening of the sessions of the General Assembly by such member in each and every trip during each session in going to and returning from the seat of government, to be computed by the Comptroller. A member traveling by public transportation for such purposes, however, shall be paid his actual cost of that transportation instead of on the mileage rate if his cost of public transportation exceeds the amount to which he would be entitled on a mileage basis. No member may be paid, whether on a mileage basis or for actual costs of public transportation, for more than one such trip for each week the General Assembly is actually in session. Each member shall also receive an allowance of \$36 per day for lodging and meals while in attendance at sessions of the General Assembly before January 9, 1985; beginning January 9, 1985, such food and lodging allowance shall be equal to the amount per day permitted to be deducted for such expenses under the Internal Revenue Code; however, beginning May 31, 1995, no allowance for food and lodging while in attendance at sessions is authorized for periods of time after the last day in May of each calendar year, except (i) if the General Assembly is convened in special session by either the Governor or the presiding officers of both houses, as provided by subsection (b) of Section 5 of Article IV of the Illinois Constitution or (ii) if the General Assembly is convened to consider bills vetoed, item vetoed, reduced, or returned with specific recommendations for change by the Governor as provided in Section 9 of Article IV of the Illinois Constitution. For fiscal year 2011 and for session days in fiscal years 2012, 2013, 2014, 2015, 2016, 2017, and 2018, and 2019 only (i) the allowance for lodging and meals is \$111 per day and (ii) mileage for automobile travel shall be reimbursed at a rate of \$0.39 per mile.

Notwithstanding any other provision of law to the contrary, beginning in fiscal year 2012, travel reimbursement for General Assembly members on non-session days shall be calculated using the guidelines set forth by the Legislative Travel Control Board, except that fiscal year 2012, 2013, 2014, 2015, 2016, 2017, and 2018, and 2019 mileage reimbursement is set at a rate of \$0.39 per mile.

If a member dies having received only a portion of the amount payable as compensation, the unpaid balance shall be paid to the surviving spouse of such member, or, if there be none, to the estate of such member.

Section 70-10. The Compensation Review Act is amended by adding Section 6.6 as follows:
(25 ILCS 120/6.6 new)

Sec. 6.6. FY19 COLAs prohibited. Notwithstanding any former or current provision of this Act, any other law, any report of the Compensation Review Board, or any resolution of the General Assembly to the contrary, members of the General Assembly, elected executive branch constitutional officers of State government, and persons in certain appointed offices of State government, including the membership of State departments, agencies, boards, and commissions, whose annual compensation previously was recommended or determined by the Compensation Review Board, are prohibited from receiving and shall not receive any increase in compensation that would otherwise apply based on a cost of living adjustment, as authorized by Senate Joint Resolution 192 of the 86th General Assembly, for or during the fiscal year beginning July 1, 2018.

ARTICLE 75. TAX PROVISIONS

Section 75-5. The Illinois Income Tax Act is amended by changing Sections 223 and 227 as follows:
(35 ILCS 5/223)

Sec. 223. Hospital credit.

(a) For tax years ending on or after December 31, 2012 and ending on or before December 31, 2022, a taxpayer that is the owner of a hospital licensed under the Hospital Licensing Act, but not including an organization that is exempt from federal income taxes under the Internal Revenue Code, is entitled to a credit against the taxes imposed under subsections (a) and (b) of Section 201 of this Act in an amount equal to the lesser of the amount of real property taxes paid during the tax year on real property used for hospital purposes during the prior tax year or the cost of free or discounted services provided during the tax year pursuant to the hospital's charitable financial assistance policy, measured at cost.

(b) If the taxpayer is a partnership or Subchapter S corporation, the credit is allowed to the partners or shareholders in accordance with the determination of income and distributive share of income under Sections 702 and 704 and Subchapter S of the Internal Revenue Code. A transfer of this credit may be made by the taxpayer earning the credit within one year after the credit is earned in accordance with rules adopted by the Department. The Department shall prescribe rules to enforce and administer provisions of this Section. If the amount of the credit exceeds the tax liability for the year, then the excess credit may be carried forward and applied to the tax liability of the 5 taxable years following the excess credit year. The credit shall be applied to the earliest year for which there is a tax liability. If there are credits from more than one tax year that are available to offset a liability, the earlier credit shall be applied first. In no event shall a credit under this Section reduce the taxpayer's liability to less than zero.

(Source: P.A. 97-688, eff. 6-14-12.)

(35 ILCS 5/227 new)

Sec. 227. Adoption credit.

(a) Beginning with tax years ending on or after December 31, 2018, in the case of an individual taxpayer there shall be allowed a credit against the tax imposed by subsections (a) and (b) of Section 201 in an amount equal to the amount of the federal adoption tax credit received pursuant to Section 23 of the Internal Revenue Code with respect to the adoption of a qualifying dependent child, subject to the limitations set forth in this subsection and subsection (b). The aggregate amount of qualified adoption expenses which may be taken into account under this Section for all taxable years with respect to the adoption of a qualifying dependent child by the taxpayer shall not exceed \$2,000 (\$1,000 in the case of a married individual filing a separate return). The credit under this Section shall be allowed: (i) in the case of any expense paid or incurred before the taxable year in which such adoption becomes final, for the taxable year following the taxable year during which such expense is paid or incurred, and (ii) in the case of an expense paid or incurred during or after the taxable year in which such adoption becomes final, for the taxable year in which such expense is paid or incurred. No credit shall be allowed under this Section for any expense to the extent that funds for such expense are received under any Federal, State, or local program. For purposes of this Section, spouses filing a joint return shall be considered one taxpayer.

For a non-resident or part-year resident, the amount of the credit under this Section shall be in proportion to the amount of income attributable to this State.

(b) Increased credit amount for resident children. With respect to the adoption of an eligible child who is at least one year old and resides in Illinois at the time the expenses are paid or incurred, subsection (a) shall be applied by substituting \$5,000 (\$2,500 in the case of a married individual filing a separate return) for \$2,000.

(c) In no event shall a credit under this Section reduce the taxpayer's liability to less than zero. If the amount of the credit exceeds the income tax liability for the applicable tax year, the excess may be carried forward and applied to the tax liability of the 5 taxable years following the excess credit year. The credit shall be applied to the earliest year for which there is a tax liability. If there are credits from more than one year that are available to offset a liability, the earlier credit shall be applied first.

(d) The term "qualified adoption expenses" shall have the same meaning as under Section 23(d) of the Internal Revenue Code.

ARTICLE 80. MARKETPLACE FAIRNESS

Section 80-5. The Use Tax Act is amended by changing Section 2 as follows:

(35 ILCS 105/2) (from Ch. 120, par. 439.2)

Sec. 2. Definitions.

[May 30, 2018]

"Use" means the exercise by any person of any right or power over tangible personal property incident to the ownership of that property, except that it does not include the sale of such property in any form as tangible personal property in the regular course of business to the extent that such property is not first subjected to a use for which it was purchased, and does not include the use of such property by its owner for demonstration purposes: Provided that the property purchased is deemed to be purchased for the purpose of resale, despite first being used, to the extent to which it is resold as an ingredient of an intentionally produced product or by-product of manufacturing. "Use" does not mean the demonstration use or interim use of tangible personal property by a retailer before he sells that tangible personal property. For watercraft or aircraft, if the period of demonstration use or interim use by the retailer exceeds 18 months, the retailer shall pay on the retailers' original cost price the tax imposed by this Act, and no credit for that tax is permitted if the watercraft or aircraft is subsequently sold by the retailer. "Use" does not mean the physical incorporation of tangible personal property, to the extent not first subjected to a use for which it was purchased, as an ingredient or constituent, into other tangible personal property (a) which is sold in the regular course of business or (b) which the person incorporating such ingredient or constituent therein has undertaken at the time of such purchase to cause to be transported in interstate commerce to destinations outside the State of Illinois: Provided that the property purchased is deemed to be purchased for the purpose of resale, despite first being used, to the extent to which it is resold as an ingredient of an intentionally produced product or by-product of manufacturing.

"Watercraft" means a Class 2, Class 3, or Class 4 watercraft as defined in Section 3-2 of the Boat Registration and Safety Act, a personal watercraft, or any boat equipped with an inboard motor.

"Purchase at retail" means the acquisition of the ownership of or title to tangible personal property through a sale at retail.

"Purchaser" means anyone who, through a sale at retail, acquires the ownership of tangible personal property for a valuable consideration.

"Sale at retail" means any transfer of the ownership of or title to tangible personal property to a purchaser, for the purpose of use, and not for the purpose of resale in any form as tangible personal property to the extent not first subjected to a use for which it was purchased, for a valuable consideration: Provided that the property purchased is deemed to be purchased for the purpose of resale, despite first being used, to the extent to which it is resold as an ingredient of an intentionally produced product or by-product of manufacturing. For this purpose, slag produced as an incident to manufacturing pig iron or steel and sold is considered to be an intentionally produced by-product of manufacturing. "Sale at retail" includes any such transfer made for resale unless made in compliance with Section 2c of the Retailers' Occupation Tax Act, as incorporated by reference into Section 12 of this Act. Transactions whereby the possession of the property is transferred but the seller retains the title as security for payment of the selling price are sales.

"Sale at retail" shall also be construed to include any Illinois florist's sales transaction in which the purchase order is received in Illinois by a florist and the sale is for use or consumption, but the Illinois florist has a florist in another state deliver the property to the purchaser or the purchaser's donee in such other state.

Nonreusable tangible personal property that is used by persons engaged in the business of operating a restaurant, cafeteria, or drive-in is a sale for resale when it is transferred to customers in the ordinary course of business as part of the sale of food or beverages and is used to deliver, package, or consume food or beverages, regardless of where consumption of the food or beverages occurs. Examples of those items include, but are not limited to nonreusable, paper and plastic cups, plates, baskets, boxes, sleeves, buckets or other containers, utensils, straws, placemats, napkins, doggie bags, and wrapping or packaging materials that are transferred to customers as part of the sale of food or beverages in the ordinary course of business.

The purchase, employment and transfer of such tangible personal property as newsprint and ink for the primary purpose of conveying news (with or without other information) is not a purchase, use or sale of tangible personal property.

"Selling price" means the consideration for a sale valued in money whether received in money or otherwise, including cash, credits, property other than as hereinafter provided, and services, but not including the value of or credit given for traded-in tangible personal property where the item that is traded-in is of like kind and character as that which is being sold, and shall be determined without any deduction on account of the cost of the property sold, the cost of materials used, labor or service cost or any other expense whatsoever, but does not include interest or finance charges which appear as separate items on the bill of sale or sales contract nor charges that are added to prices by sellers on account of the seller's tax liability under the "Retailers' Occupation Tax Act", or on account of the seller's duty to collect, from the purchaser, the tax that is imposed by this Act, or, except as otherwise provided with respect to any cigarette tax imposed by a home rule unit, on account of the seller's tax liability under any local occupation tax administered by the Department, or, except as otherwise provided with respect to any cigarette tax imposed

by a home rule unit on account of the seller's duty to collect, from the purchasers, the tax that is imposed under any local use tax administered by the Department. Effective December 1, 1985, "selling price" shall include charges that are added to prices by sellers on account of the seller's tax liability under the Cigarette Tax Act, on account of the seller's duty to collect, from the purchaser, the tax imposed under the Cigarette Use Tax Act, and on account of the seller's duty to collect, from the purchaser, any cigarette tax imposed by a home rule unit.

Notwithstanding any law to the contrary, for any motor vehicle, as defined in Section 1-146 of the Vehicle Code, that is sold on or after January 1, 2015 for the purpose of leasing the vehicle for a defined period that is longer than one year and (1) is a motor vehicle of the second division that: (A) is a self-contained motor vehicle designed or permanently converted to provide living quarters for recreational, camping, or travel use, with direct walk through access to the living quarters from the driver's seat; (B) is of the van configuration designed for the transportation of not less than 7 nor more than 16 passengers; or (C) has a gross vehicle weight rating of 8,000 pounds or less or (2) is a motor vehicle of the first division, "selling price" or "amount of sale" means the consideration received by the lessor pursuant to the lease contract, including amounts due at lease signing and all monthly or other regular payments charged over the term of the lease. Also included in the selling price is any amount received by the lessor from the lessee for the leased vehicle that is not calculated at the time the lease is executed, including, but not limited to, excess mileage charges and charges for excess wear and tear. For sales that occur in Illinois, with respect to any amount received by the lessor from the lessee for the leased vehicle that is not calculated at the time the lease is executed, the lessor who purchased the motor vehicle does not incur the tax imposed by the Use Tax Act on those amounts, and the retailer who makes the retail sale of the motor vehicle to the lessor is not required to collect the tax imposed by this Act or to pay the tax imposed by the Retailers' Occupation Tax Act on those amounts. However, the lessor who purchased the motor vehicle assumes the liability for reporting and paying the tax on those amounts directly to the Department in the same form (Illinois Retailers' Occupation Tax, and local retailers' occupation taxes, if applicable) in which the retailer would have reported and paid such tax if the retailer had accounted for the tax to the Department. For amounts received by the lessor from the lessee that are not calculated at the time the lease is executed, the lessor must file the return and pay the tax to the Department by the due date otherwise required by this Act for returns other than transaction returns. If the retailer is entitled under this Act to a discount for collecting and remitting the tax imposed under this Act to the Department with respect to the sale of the motor vehicle to the lessor, then the right to the discount provided in this Act shall be transferred to the lessor with respect to the tax paid by the lessor for any amount received by the lessor from the lessee for the leased vehicle that is not calculated at the time the lease is executed; provided that the discount is only allowed if the return is timely filed and for amounts timely paid. The "selling price" of a motor vehicle that is sold on or after January 1, 2015 for the purpose of leasing for a defined period of longer than one year shall not be reduced by the value of or credit given for traded-in tangible personal property owned by the lessor, nor shall it be reduced by the value of or credit given for traded-in tangible personal property owned by the lessee, regardless of whether the trade-in value thereof is assigned by the lessee to the lessor. In the case of a motor vehicle that is sold for the purpose of leasing for a defined period of longer than one year, the sale occurs at the time of the delivery of the vehicle, regardless of the due date of any lease payments. A lessor who incurs a Retailers' Occupation Tax liability on the sale of a motor vehicle coming off lease may not take a credit against that liability for the Use Tax the lessor paid upon the purchase of the motor vehicle (or for any tax the lessor paid with respect to any amount received by the lessor from the lessee for the leased vehicle that was not calculated at the time the lease was executed) if the selling price of the motor vehicle at the time of purchase was calculated using the definition of "selling price" as defined in this paragraph. Notwithstanding any other provision of this Act to the contrary, lessors shall file all returns and make all payments required under this paragraph to the Department by electronic means in the manner and form as required by the Department. This paragraph does not apply to leases of motor vehicles for which, at the time the lease is entered into, the term of the lease is not a defined period, including leases with a defined initial period with the option to continue the lease on a month-to-month or other basis beyond the initial defined period.

The phrase "like kind and character" shall be liberally construed (including but not limited to any form of motor vehicle for any form of motor vehicle, or any kind of farm or agricultural implement for any other kind of farm or agricultural implement), while not including a kind of item which, if sold at retail by that retailer, would be exempt from retailers' occupation tax and use tax as an isolated or occasional sale.

"Department" means the Department of Revenue.

"Person" means any natural individual, firm, partnership, association, joint stock company, joint adventure, public or private corporation, limited liability company, or a receiver, executor, trustee, guardian or other representative appointed by order of any court.

"Retailer" means and includes every person engaged in the business of making sales at retail as defined in this Section.

A person who holds himself or herself out as being engaged (or who habitually engages) in selling tangible personal property at retail is a retailer hereunder with respect to such sales (and not primarily in a service occupation) notwithstanding the fact that such person designs and produces such tangible personal property on special order for the purchaser and in such a way as to render the property of value only to such purchaser, if such tangible personal property so produced on special order serves substantially the same function as stock or standard items of tangible personal property that are sold at retail.

A person whose activities are organized and conducted primarily as a not-for-profit service enterprise, and who engages in selling tangible personal property at retail (whether to the public or merely to members and their guests) is a retailer with respect to such transactions, excepting only a person organized and operated exclusively for charitable, religious or educational purposes either (1), to the extent of sales by such person to its members, students, patients or inmates of tangible personal property to be used primarily for the purposes of such person, or (2), to the extent of sales by such person of tangible personal property which is not sold or offered for sale by persons organized for profit. The selling of school books and school supplies by schools at retail to students is not "primarily for the purposes of" the school which does such selling. This paragraph does not apply to nor subject to taxation occasional dinners, social or similar activities of a person organized and operated exclusively for charitable, religious or educational purposes, whether or not such activities are open to the public.

A person who is the recipient of a grant or contract under Title VII of the Older Americans Act of 1965 (P.L. 92-258) and serves meals to participants in the federal Nutrition Program for the Elderly in return for contributions established in amount by the individual participant pursuant to a schedule of suggested fees as provided for in the federal Act is not a retailer under this Act with respect to such transactions.

Persons who engage in the business of transferring tangible personal property upon the redemption of trading stamps are retailers hereunder when engaged in such business.

The isolated or occasional sale of tangible personal property at retail by a person who does not hold himself out as being engaged (or who does not habitually engage) in selling such tangible personal property at retail or a sale through a bulk vending machine does not make such person a retailer hereunder. However, any person who is engaged in a business which is not subject to the tax imposed by the "Retailers' Occupation Tax Act" because of involving the sale of or a contract to sell real estate or a construction contract to improve real estate, but who, in the course of conducting such business, transfers tangible personal property to users or consumers in the finished form in which it was purchased, and which does not become real estate, under any provision of a construction contract or real estate sale or real estate sales agreement entered into with some other person arising out of or because of such nontaxable business, is a retailer to the extent of the value of the tangible personal property so transferred. If, in such transaction, a separate charge is made for the tangible personal property so transferred, the value of such property, for the purposes of this Act, is the amount so separately charged, but not less than the cost of such property to the transferor; if no separate charge is made, the value of such property, for the purposes of this Act, is the cost to the transferor of such tangible personal property.

"Retailer maintaining a place of business in this State", or any like term, means and includes any of the following retailers:

(1) ~~+~~ A retailer having or maintaining within this State, directly or by a subsidiary, an office, distribution house, sales house, warehouse or other place of business, or any agent or other representative operating within this State under the authority of the retailer or its subsidiary, irrespective of whether such place of business or agent or other representative is located here permanently or temporarily, or whether such retailer or subsidiary is licensed to do business in this State. However, the ownership of property that is located at the premises of a printer with which the retailer has contracted for printing and that consists of the final printed product, property that becomes a part of the final printed product, or copy from which the printed product is produced shall not result in the retailer being deemed to have or maintain an office, distribution house, sales house, warehouse, or other place of business within this State.

(1.1) ~~+~~ A retailer having a contract with a person located in this State under which the person, for a commission or other consideration based upon the sale of tangible personal property by the retailer, directly or indirectly refers potential customers to the retailer by providing to the potential customers a promotional code or other mechanism that allows the retailer to track purchases referred by such persons. Examples of mechanisms that allow the retailer to track purchases referred by such persons include but are not limited to the use of a link on the person's Internet website, promotional codes distributed through the person's hand-delivered or mailed material, and promotional codes distributed by the person through radio or other broadcast media. The provisions of this paragraph (1.1)

~~1-1~~ shall apply only if the cumulative gross receipts from sales of tangible personal property by the retailer to customers who are referred to the retailer by all persons in this State under such contracts exceed \$10,000 during the preceding 4 quarterly periods ending on the last day of March, June, September, and December. A retailer meeting the requirements of this paragraph ~~(1.1)~~ ~~1-1~~ shall be presumed to be maintaining a place of business in this State but may rebut this presumption by submitting proof that the referrals or other activities pursued within this State by such persons were not sufficient to meet the nexus standards of the United States Constitution during the preceding 4 quarterly periods.

~~(1.2)~~ ~~1-2~~. Beginning July 1, 2011, a retailer having a contract with a person located in this State under which:

~~(A)~~ ~~A~~: the retailer sells the same or substantially similar line of products as the person located in this State and does so using an identical or substantially similar name, trade name, or trademark as the person located in this State; and

~~(B)~~ ~~B~~: the retailer provides a commission or other consideration to the person located in this State based upon the sale of tangible personal property by the retailer.

The provisions of this paragraph ~~(1.2)~~ ~~1-2~~ shall apply only if the cumulative gross receipts from sales of tangible personal property by the retailer to customers in this State under all such contracts exceed \$10,000 during the preceding 4 quarterly periods ending on the last day of March, June, September, and December.

~~(2)~~ ~~2~~: A retailer soliciting orders for tangible personal property by means of a telecommunication or television shopping system (which utilizes toll free numbers) which is intended by the retailer to be broadcast by cable television or other means of broadcasting, to consumers located in this State.

~~(3)~~ ~~3~~: A retailer, pursuant to a contract with a broadcaster or publisher located in this State, soliciting orders for tangible personal property by means of advertising which is disseminated primarily to consumers located in this State and only secondarily to bordering jurisdictions.

~~(4)~~ ~~4~~: A retailer soliciting orders for tangible personal property by mail if the solicitations are substantial and recurring and if the retailer benefits from any banking, financing, debt collection, telecommunication, or marketing activities occurring in this State or benefits from the location in this State of authorized installation, servicing, or repair facilities.

~~(5)~~ ~~5~~: A retailer that is owned or controlled by the same interests that own or control any retailer engaging in business in the same or similar line of business in this State.

~~(6)~~ ~~6~~: A retailer having a franchisee or licensee operating under its trade name if the franchisee or licensee is required to collect the tax under this Section.

"Use" does not mean the interim use of tangible personal property nor the physical incorporation of tangible personal property, as an ingredient or constituent, into other tangible personal property, (a) which is sold in the regular course of business or (b) which the person incorporating such ingredient or constituent therein has undertaken at the time of such purchase to cause to be transported in interstate commerce to destinations outside the State of Illinois.

"Purchased from a serviceman" means the acquisition of the ownership of, or title to, tangible personal property through a sale of service.

"Purchaser" means any person who, through a sale of service, acquires the ownership of, or title to, any tangible personal property.

"Cost price" means the consideration paid by the serviceman for a purchase valued in money, whether paid in money or otherwise, including cash, credits and services, and shall be determined without any deduction on account of the supplier's cost of the property sold or on account of any other expense incurred by the supplier. When a serviceman contracts out part or all of the services required in his sale of service, it shall be presumed that the cost price to the serviceman of the property transferred to him or her by his or her subcontractor is equal to 50% of the subcontractor's charges to the serviceman in the absence of proof of the consideration paid by the subcontractor for the purchase of such property.

"Selling price" means the consideration for a sale valued in money whether received in money or otherwise, including cash, credits and service, and shall be determined without any deduction on account of the serviceman's cost of the property sold, the cost of materials used, labor or service cost or any other expense whatsoever, but does not include interest or finance charges which appear as separate items on the bill of sale or sales contract nor charges that are added to prices by sellers on account of the seller's duty to collect, from the purchaser, the tax that is imposed by this Act.

"Department" means the Department of Revenue.

"Person" means any natural individual, firm, partnership, association, joint stock company, joint venture, public or private corporation, limited liability company, and any receiver, executor, trustee, guardian or other representative appointed by order of any court.

The exemption provided by this paragraph (5) does not include machinery and equipment used in (i) the generation of electricity for wholesale or retail sale; (ii) the generation or treatment of natural or artificial gas for wholesale or retail sale that is delivered to customers through pipes, pipelines, or mains; or (iii) the treatment of water for wholesale or retail sale that is delivered to customers through pipes, pipelines, or mains. (5b) a sale or transfer of tangible personal property which is produced by the seller thereof on special order in such a way as to have made the applicable tax the Service Occupation Tax or the Service Use Tax, rather than the Retailers' Occupation Tax or the Use Tax, for an interstate carrier by rail which receives the physical possession of such property in Illinois, and which transports such property, or shares with another common carrier in the transportation of such property, out of Illinois on a standard uniform bill of lading showing the seller of the property as the shipper or consignor of such property to a destination outside Illinois, for use outside Illinois.

The purchase of such tangible personal property by the serviceman shall be subject to tax under the Retailers' Occupation Tax Act and the Use Tax Act. However, if a primary serviceman who has made the election described in this paragraph subcontracts service work to a secondary serviceman who has also made the election described in this paragraph, the primary serviceman does not incur a Use Tax liability if the secondary serviceman (i) has paid or will pay Use Tax on his or her cost price of any tangible personal property transferred to the primary serviceman and (ii) certifies that fact in writing to the primary serviceman.

Tangible personal property transferred incident to the completion of a maintenance agreement is exempt from the tax imposed pursuant to this Act.

On and after July 1, 2017, exemption (5) also includes graphic arts machinery and equipment, as defined in paragraph (5) of Section 3-5. In relation to a recognized integrated business composed of a series of operations which collectively constitute manufacturing, or individually constitute manufacturing operations, the manufacturing process shall be deemed to commence with the first operation or stage of production in the series, and shall not be deemed to end until the completion of the final product in the last operation or stage of production in the series; and further, for purposes of exemption (5), photoprocessing is deemed to be a manufacturing process of tangible personal property for wholesale or retail sale; (2) "assembling process" shall mean the production of any article of tangible personal property, whether such article is a finished product or an article for use in the process of manufacturing or assembling a different article of tangible personal property, by the combination of existing materials in a manner commonly regarded as assembling which results in a material of a different form, use or name; (3) "machinery" shall mean major mechanical machines or major components of such machines contributing to a manufacturing or assembling process; and (4) "equipment" shall include any independent device or tool separate from any machinery but essential to an integrated manufacturing or assembly process; including computers used primarily in a manufacturer's computer assisted design, computer assisted manufacturing (CAD/CAM) system; or any subunit or assembly comprising a component of any machinery or auxiliary, adjunct or attachment parts of machinery, such as tools, dies, jigs, fixtures, patterns and molds; or any parts which require periodic replacement in the course of normal operation; but shall not include hand tools. The purchaser of such machinery and equipment who has an active resale registration number shall furnish such number to the seller at the time of purchase. The user of such machinery and equipment and tools without an active resale registration number shall prepare a certificate of exemption for each transaction stating facts establishing the exemption for that transaction, which certificate shall be available to the Department for inspection or audit. The Department shall prescribe the form of the certificate.

Any informal rulings, opinions or letters issued by the Department in response to an inquiry or request for any opinion from any person regarding the coverage and applicability of exemption (5) to specific devices shall be published, maintained as a public record, and made available for public inspection and copying. If the informal ruling, opinion or letter contains trade secrets or other confidential information, where possible the Department shall delete such information prior to publication. Whenever such informal rulings, opinions, or letters contain any policy of general applicability, the Department shall formulate and adopt such policy as a rule in accordance with the provisions of the Illinois Administrative Procedure Act.

On and after July 1, 1987, no entity otherwise eligible under exemption (3) of this Section shall make tax-free ~~tax-free~~ purchases unless it has an active exemption identification number issued by the Department.

ARTICLE 85. GAMING

Section 85-5. The Illinois Lottery Law is amended by changing Sections 7.12 and 9.1 as follows:
(20 ILCS 1605/7.12)

(Section scheduled to be repealed on July 1, 2018)

Sec. 7.12. Internet program.

(a) The General Assembly finds that:

(1) the consumer market in Illinois has changed since the creation of the Illinois State Lottery in 1974;

(2) the Internet has become an integral part of everyday life for a significant number of Illinois residents not only in regards to their professional life, but also in regards to personal business and communication; and

(3) the current practices of selling lottery tickets does not appeal to the new form of market participants who prefer to make purchases on the Internet at their own convenience.

It is the intent of the General Assembly to create an Internet program for the sale of lottery tickets to capture this new form of market participant.

(b) The Department shall create a program that allows an individual 18 years of age or older to purchase lottery tickets or shares on the Internet without using a Lottery retailer with on-line status, as those terms are defined by rule. The Department shall restrict the sale of lottery tickets on the Internet to transactions initiated and received or otherwise made exclusively within the State of Illinois. The Department shall adopt rules necessary for the administration of this program. These rules shall include, among other things, requirements for marketing of the Lottery to infrequent players, as well as limitations on the purchases that may be made through any one individual's lottery account. The provisions of this Act and the rules adopted under this Act shall apply to the sale of lottery tickets or shares under this program.

Before beginning the program, the Department of the Lottery must submit a request to the United States Department of Justice for review of the State's plan to implement a program for the sale of lottery tickets on the Internet and its propriety under federal law. The Department shall implement the Internet program only if the Department of Justice does not object to the implementation of the program within a reasonable period of time after its review.

The Department is obligated to implement the program set forth in this Section and Sections 7.15 and 7.16 only at such time, and to such extent, that the Department of Justice does not object to the implementation of the program within a reasonable period of time after its review. While the Illinois Lottery may only offer Lotto, Mega Millions, and Powerball games through the program, the Department shall request review from the federal Department of Justice for the Illinois Lottery to sell lottery tickets on the Internet on behalf of the State of Illinois that are not limited to just these games.

The Department shall authorize the private manager to implement and administer the program pursuant to the management agreement entered into under Section 9.1 and in a manner consistent with the provisions of this Section. If a private manager has not been selected pursuant to Section 9.1 at the time the Department is obligated to implement the program, then the Department shall not proceed with the program until after the selection of the private manager, at which time the Department shall authorize the private manager to implement and administer the program pursuant to the management agreement entered into under Section 9.1 and in a manner consistent with the provisions of this Section.

[May 30, 2018]

Nothing in this Section shall be construed as prohibiting the Department from implementing and operating a website portal whereby individuals who are 18 years of age or older with an Illinois mailing address may apply to purchase lottery tickets via subscription. Nothing in this Section shall also be construed as prohibiting the sale of Lotto, Mega Millions, and Powerball games by a lottery licensee pursuant to the Department's rules.

(c) (Blank).

(d) This Section is repealed on July 1, ~~2019~~ 2018.

(c) Pursuant to the terms of this subsection, the Department shall endeavor to expeditiously terminate the existing contracts in support of the Lottery in effect on the effective date of this amendatory Act of the 96th General Assembly in connection with the selection of the private manager. As part of its obligation to terminate these contracts and select the private manager, the Department shall establish a mutually agreeable timetable to transfer the functions of existing contractors to the private manager so that existing Lottery operations are not materially diminished or impaired during the transition. To that end, the Department shall do the following:

(1) where such contracts contain a provision authorizing termination upon notice, the Department shall provide notice of termination to occur upon the mutually agreed timetable for transfer of functions;

(2) upon the expiration of any initial term or renewal term of the current Lottery contracts, the Department shall not renew such contract for a term extending beyond the mutually agreed timetable for transfer of functions; or

(3) in the event any current contract provides for termination of that contract upon the implementation of a contract with the private manager, the Department shall perform all necessary actions to terminate the contract on the date that coincides with the mutually agreed timetable for transfer of functions.

If the contracts to support the current operation of the Lottery in effect on the effective date of this amendatory Act of the 96th General Assembly are not subject to termination as provided for in this subsection (c), then the Department may include a provision in the contract with the private manager specifying a mutually agreeable methodology for incorporation.

- (4) A provision requiring the private manager to provide the Department with advance notice of any operating decision that bears significantly on the public interest, including, but not limited to, decisions on the kinds of games to be offered to the public and decisions affecting the relative risk and reward of the games being offered, so the Department has a reasonable opportunity to evaluate and countermand that decision.
- (5) A provision providing for compensation of the private manager that may consist of, among other things, a fee for services and a performance based bonus as consideration for managing the Lottery, including terms that may provide the private manager with an increase in compensation if Lottery revenues grow by a specified percentage in a given year.

- (9) A requirement that so long as the private manager complies with all the conditions of the agreement under the oversight of the Department, the private manager shall have the following duties and obligations with respect to the management of the Lottery:

- (12) A code of ethics for the private manager's officers and employees.
- (13) A requirement that the Department monitor and oversee the private manager's practices and take action that the Department considers appropriate to ensure that the private manager is in compliance with the terms of the management agreement, while allowing the manager, unless specifically prohibited by law or the management agreement, to negotiate and sign its own contracts with vendors.

The process shall favor the selection of a vendor deemed to have submitted a proposal that provides the Lottery with the best overall value. The process shall not be subject to the provisions of the Illinois Procurement Code, unless specifically required by the management agreement.

(20) The transition of rights and obligations, including any associated equipment or other assets used in the operation of the Lottery, from the manager to any successor manager of the lottery, including the Department, following the termination of or foreclosure upon the management agreement.

The agreement must provide that any use of them by the manager shall only be for the purpose of fulfilling its obligations under the management agreement during the term of the agreement.

(22) The disclosure of any information requested by the Department to enable it to comply with the reporting requirements and information requests provided for under subsection (p) of this Section.

(e) Notwithstanding any other law to the contrary, the Department shall select a private manager through a competitive request for qualifications process consistent with Section 20-35 of the Illinois Procurement Code, which shall take into account:

(1) the offeror's ability to market the Lottery to those residents who are new, infrequent, or lapsed players of the Lottery, especially those who are most likely to make regular purchases on the Internet;

(2) the offeror's ability to address the State's concern with the social effects of gambling on those who can least afford to do so;

(f) The Department may retain the services of an advisor or advisors with significant experience in financial services or the management, operation, and procurement of goods, services, and equipment for a government-run lottery to assist in the preparation of the terms of the request for qualifications and selection of the private manager. Any prospective advisor seeking to provide services under this subsection (f) shall disclose any material business or financial relationship during the past 3 years with any potential offeror, or with a contractor or subcontractor presently providing goods, services, or equipment to the Department to support the Lottery. The Department shall evaluate the material business or financial relationship of each prospective advisor. During the course of the advisor's engagement by the Department, and for a period of one year thereafter, the advisor shall not enter into any business or financial relationship with any offeror or any vendor identified to assist an offeror in performing its obligations under the management agreement. Any advisor retained by the Department shall be disqualified from being an offeror. The Department shall not include terms in the request for qualifications that provide a material advantage whether directly or indirectly to any potential offeror, or any contractor or subcontractor presently providing goods, services, or equipment to the Department to support the Lottery, including terms contained in previous responses to requests for proposals or qualifications submitted to Illinois, another State or foreign government when those terms are uniquely associated with a particular potential offeror, contractor, or subcontractor. The request for proposals offered by the Department on December 22, 2008 as "LOT08GAMESYS" and reference number "22016176" is declared void.

(g) The Department shall select at least 2 offerors as finalists to potentially serve as the private manager no later than August 9, 2010. Upon making preliminary selections, the Department shall schedule a public

The Governor or a designee shall attend the public hearing. After the public hearing, the Department shall have 14 calendar days to recommend to the Governor whether a management agreement should be entered into with a particular finalist. After reviewing the Department's recommendation, the Governor may accept or reject the Department's recommendation, and shall select a final offeror as the private manager by publication of a notice in the Illinois Procurement Bulletin on or before September 15, 2010. The Governor shall include in the notice a detailed explanation and the reasons why the final offeror is superior to other offerors and will provide management services in a manner that best achieves the objectives of this Section. The Governor shall also sign the management agreement with the private manager.

(i) Any action to contest the private manager selected by the Governor under this Section must be brought within 7 calendar days after the publication of the notice of the designation of the private manager as provided in subsection (h) of this Section.

(l) The Department may exercise any of its powers under this Section or any other law as necessary or desirable for the execution of the Department's powers under this Section.

(m) Neither this Section nor any management agreement entered into under this Section prohibits the General Assembly from authorizing forms of gambling that are not in direct competition with the Lottery.

(n) The private manager shall be subject to a complete investigation in the third, seventh, and tenth years of the agreement (if the agreement is for a 10-year term) by the Department in cooperation with the Auditor General to determine whether the private manager has complied with this Section and the management agreement. The private manager shall bear the cost of an investigation or reinvestigation of the private manager under this subsection.

(o) The powers conferred by this Section are in addition and supplemental to the powers conferred by any other law. If any other law or rule is inconsistent with this Section, including, but not limited to, provisions of the Illinois Procurement Code, then this Section controls as to any management agreement entered into under this Section. This Section and any rules adopted under this Section contain full and complete authority for a management agreement between the Department and a private manager. Upon receipt of a written request from the Chief Procurement Officer, the Department shall provide to the Chief Procurement Officer a complete and un-redacted copy of the management agreement or any contract that is subject to the Department's approval authority under this subsection (o). The Chief Procurement Officer must retain any portions of the management agreement or of any contract designated by the Department as confidential, proprietary, or trade secret information in complete confidence pursuant to subsection (g) of Section 7 of the Freedom of Information Act. The Department shall also provide the Chief Procurement Officer with reasonable advance written notice of any contract that is pending Department approval.

Notwithstanding any other provision of this Section to the contrary, the Chief Procurement Officer shall adopt administrative rules, including emergency rules, to establish a procurement process to select a successor private manager if a private management agreement has been terminated. The selection process shall at a minimum take into account the criteria set forth in items (1) through (4) of subsection (e) of this Section and may include provisions consistent with subsections (f), (g), (h), and (i) of this Section. The Chief Procurement Officer shall also implement and administer the adopted selection process upon the termination of a private management agreement. The Department, after the Chief Procurement Officer certifies that the procurement process has been followed in accordance with the rules adopted under this subsection (e), shall select a final offeror as the private manager and sign the management agreement with the private manager.

Except as provided in Sections 21.5, 21.6, 21.7, 21.8, and 21.9, the Department shall distribute all proceeds of lottery tickets and shares sold in the following priority and manner:

Section 95-10. The Mental Health and Developmental Disabilities Administrative Act is amended by changing Section 74 as follows:

(20 ILCS 1705/74)

Sec. 74. Rates and reimbursements.

(a) Within 30 days after July 6, 2017 (the effective date of Public Act 100-23) ~~this amendatory Act of the 100th General Assembly~~, the Department shall increase rates and reimbursements to fund a minimum of a \$0.75 per hour wage increase for front-line personnel, including, but not limited to, direct support persons, aides, front-line supervisors, qualified intellectual disabilities professionals, nurses, and non-administrative support staff working in community-based provider organizations serving individuals with developmental disabilities. The Department shall adopt rules, including emergency rules under subsection (y) of Section 5-45 of the Illinois Administrative Procedure Act, to implement the provisions of this Section.

(b) Rates and reimbursements. Within 30 days after the effective date of this amendatory Act of the 100th General Assembly, the Department shall increase rates and reimbursements to fund a minimum of a \$0.50 per hour wage increase for front-line personnel, including, but not limited to, direct support persons, aides, front-line supervisors, qualified intellectual disabilities professionals, nurses, and non-administrative support staff working in community-based provider organizations serving individuals with developmental disabilities. The Department shall adopt rules, including emergency rules under subsection (bb) of Section 5-45 of the Illinois Administrative Procedure Act, to implement the provisions of this Section.

Section 95-15. The School Code is amended by changing Section 14-7.02 and by adding Section 3-16 as follows:

(105 ILCS 5/3-16 new)

Sec. 3-16. Grants to alternative schools, safe schools, and alternative learning opportunities programs. The State Board of Education, subject to appropriation, shall award grants to alternative schools, safe schools, and alternative learning opportunities programs operated by a regional office of education. To calculate grant amounts to the programs operated by regional offices of education, the State Board shall calculate an amount equal to the greater of the regional program's best 3 months of average daily attendance for the 2016-2017 school year or the average of the best 3 months of average daily attendance for the 2014-2015 school year through the 2016-2017 school year, multiplied by the amount of \$6,119. This amount shall be termed the "Regional Program Increased Enrollment Recognition". If the amount of the Regional Program Increased Enrollment Recognition is greater than the amount of the regional office of education program's Base Funding Minimum for fiscal year 2018, calculated under Section 18-8.15, then the State Board of Education shall pay the regional program a grant equal to the difference between the regional program's Regional Program Increased Enrollment Recognition and the Base Funding Minimum for fiscal year 2018. Nothing in this Section shall be construed to alter any payments or calculations under Section 18-8.15.

(105 ILCS 5/14-7.02) (from Ch. 122, par. 14-7.02)

Sec. 14-7.02. Children attending private schools, public out-of-state schools, public school residential facilities or private special education facilities. The General Assembly recognizes that non-public schools or special education facilities provide an important service in the educational system in Illinois.

If because of his or her disability the special education program of a district is unable to meet the needs of a child and the child attends a non-public school or special education facility, a public out-of-state school or a special education facility owned and operated by a county government unit that provides special educational services required by the child and is in compliance with the appropriate rules and regulations of the State Superintendent of Education, the school district in which the child is a resident shall pay the actual cost of tuition for special education and related services provided during the regular school term and during the summer school term if the child's educational needs so require, excluding room, board and transportation costs charged the child by that non-public school or special education facility,

public out-of-state school or county special education facility, or \$4,500 per year, whichever is less, and shall provide him any necessary transportation. "Nonpublic special education facility" shall include a residential facility, within or without the State of Illinois, which provides special education and related services to meet the needs of the child by utilizing private schools or public schools, whether located on the site or off the site of the residential facility.

The State Board of Education shall promulgate rules and regulations for determining when placement in a private special education facility is appropriate. Such rules and regulations shall take into account the various types of services needed by a child and the availability of such services to the particular child in the public school. In developing these rules and regulations the State Board of Education shall consult with the Advisory Council on Education of Children with Disabilities and hold public hearings to secure recommendations from parents, school personnel, and others concerned about this matter.

The State Board of Education shall also promulgate rules and regulations for transportation to and from a residential school. Transportation to and from home to a residential school more than once each school term shall be subject to prior approval by the State Superintendent in accordance with the rules and regulations of the State Board.

A school district making tuition payments pursuant to this Section is eligible for reimbursement from the State for the amount of such payments actually made in excess of the district per capita tuition charge for students not receiving special education services. Such reimbursement shall be approved in accordance with Section 14-12.01 and each district shall file its claims, computed in accordance with rules prescribed by the State Board of Education, on forms prescribed by the State Superintendent of Education. Data used as a basis of reimbursement claims shall be for the preceding regular school term and summer school term. Each school district shall transmit its claims to the State Board of Education on or before August 15. The State Board of Education, before approving any such claims, shall determine their accuracy and whether they are based upon services and facilities provided under approved programs. Upon approval the State Board shall cause vouchers to be prepared showing the amount due for payment of reimbursement claims to school districts, for transmittal to the State Comptroller on the 30th day of September, December, and March, respectively, and the final voucher, no later than June 20. If the money appropriated by the General Assembly for such purpose for any year is insufficient, it shall be apportioned on the basis of the claims approved.

No child shall be placed in a special education program pursuant to this Section if the tuition cost for special education and related services increases more than 10 percent over the tuition cost for the previous school year or exceeds \$4,500 per year unless such costs have been approved by the Illinois Purchased Care Review Board. The Illinois Purchased Care Review Board shall consist of the following persons, or their designees: the Directors of Children and Family Services, Public Health, Public Aid, and the Governor's Office of Management and Budget; the Secretary of Human Services; the State Superintendent of Education; and such other persons as the Governor may designate. The Review Board shall also consist of one non-voting member who is an administrator of a private, nonpublic, special education school. The Review Board shall establish rules and regulations for its determination of allowable costs and payments made by local school districts for special education, room and board, and other related services provided by non-public schools or special education facilities and shall establish uniform standards and criteria which it shall follow. The Review Board shall approve the usual and customary rate or rates of a special education program that (i) is offered by an out-of-state, non-public provider of integrated autism specific educational and autism specific residential services, (ii) offers 2 or more levels of residential care, including at least one locked facility, and (iii) serves 12 or fewer Illinois students.

In determining rates based on allowable costs, the review Board shall consider any wage increases awarded by the General Assembly to front line personnel defined as direct support persons, aides, front-line supervisors, qualified intellectual disabilities professionals, nurses, and non-administrative support staff working in service settings in community-based settings within the State and adjust customary rates or rates of a special education program to be equitable to the wage increase awarded to similar staff positions in a community residential setting. Any wage increase awarded by the General Assembly to front line personnel defined as direct support persons, aides, front-line supervisors, qualified intellectual disabilities professionals, nurses, and non-administrative support staff working in community-based settings within the State shall also be a basis for any facility covered by this Section to appeal its rate before the Review Board under the process defined in Title 89, Part 900, Section 340 of the Illinois Administrative Code. Illinois Administrative Code Title 89, Part 900, Section 342 shall be updated to recognize wage increases awarded to community-based settings to be a basis for appeal.

The Review Board shall establish uniform definitions and criteria for accounting separately by special education, room and board and other related services costs. The Board shall also establish guidelines for the coordination of services and financial assistance provided by all State agencies to assure that no

otherwise qualified child with a disability receiving services under Article 14 shall be excluded from participation in, be denied the benefits of or be subjected to discrimination under any program or activity provided by any State agency.

The Review Board shall review the costs for special education and related services provided by non-public schools or special education facilities and shall approve or disapprove such facilities in accordance with the rules and regulations established by it with respect to allowable costs.

The State Board of Education shall provide administrative and staff support for the Review Board as deemed reasonable by the State Superintendent of Education. This support shall not include travel expenses or other compensation for any Review Board member other than the State Superintendent of Education.

The Review Board shall seek the advice of the Advisory Council on Education of Children with Disabilities on the rules and regulations to be promulgated by it relative to providing special education services.

If a child has been placed in a program in which the actual per pupil costs of tuition for special education and related services based on program enrollment, excluding room, board and transportation costs, exceed \$4,500 and such costs have been approved by the Review Board, the district shall pay such total costs which exceed \$4,500. A district making such tuition payments in excess of \$4,500 pursuant to this Section shall be responsible for an amount in excess of \$4,500 equal to the district per capita tuition charge and shall be eligible for reimbursement from the State for the amount of such payments actually made in excess of the districts per capita tuition charge for students not receiving special education services.

If a child has been placed in an approved individual program and the tuition costs including room and board costs have been approved by the Review Board, then such room and board costs shall be paid by the appropriate State agency subject to the provisions of Section 14-8.01 of this Act. Room and board costs not provided by a State agency other than the State Board of Education shall be provided by the State Board of Education on a current basis. In no event, however, shall the State's liability for funding of these tuition costs begin until after the legal obligations of third party payors have been subtracted from such costs. If the money appropriated by the General Assembly for such purpose for any year is insufficient, it shall be apportioned on the basis of the claims approved. Each district shall submit estimated claims to the State Superintendent of Education. Upon approval of such claims, the State Superintendent of Education shall direct the State Comptroller to make payments on a monthly basis. The frequency for submitting estimated claims and the method of determining payment shall be prescribed in rules and regulations adopted by the State Board of Education. Such current state reimbursement shall be reduced by an amount equal to the proceeds which the child or child's parents are eligible to receive under any public or private insurance or assistance program. Nothing in this Section shall be construed as relieving an insurer or similar third party from an otherwise valid obligation to provide or to pay for services provided to a child with a disability.

If it otherwise qualifies, a school district is eligible for the transportation reimbursement under Section 14-13.01 and for the reimbursement of tuition payments under this Section whether the non-public school or special education facility, public out-of-state school or county special education facility, attended by a child who resides in that district and requires special educational services, is within or outside of the State of Illinois. However, a district is not eligible to claim transportation reimbursement under this Section unless the district certifies to the State Superintendent of Education that the district is unable to provide special educational services required by the child for the current school year.

Nothing in this Section authorizes the reimbursement of a school district for the amount paid for tuition of a child attending a non-public school or special education facility, public out-of-state school or county special education facility unless the school district certifies to the State Superintendent of Education that the special education program of that district is unable to meet the needs of that child because of his disability and the State Superintendent of Education finds that the school district is in substantial compliance with Section 14-4.01. However, if a child is unilaterally placed by a State agency or any court in a non-public school or special education facility, public out-of-state school, or county special education facility, a school district shall not be required to certify to the State Superintendent of Education, for the purpose of tuition reimbursement, that the special education program of that district is unable to meet the needs of a child because of his or her disability.

Any educational or related services provided, pursuant to this Section in a non-public school or special education facility or a special education facility owned and operated by a county government unit shall be at no cost to the parent or guardian of the child. However, current law and practices relative to contributions by parents or guardians for costs other than educational or related services are not affected by this amendatory Act of 1978.

Reimbursement for children attending public school residential facilities shall be made in accordance with the provisions of this Section.

Notwithstanding any other provision of law, any school district receiving a payment under this Section or under Section 14-7.02b, 14-13.01, or 29-5 of this Code may classify all or a portion of the funds that it receives in a particular fiscal year or from general State aid pursuant to Section 18-8.05 of this Code as funds received in connection with any funding program for which it is entitled to receive funds from the State in that fiscal year (including, without limitation, any funding program referenced in this Section), regardless of the source or timing of the receipt. The district may not classify more funds as funds received in connection with the funding program than the district is entitled to receive in that fiscal year for that program. Any classification by a district must be made by a resolution of its board of education. The resolution must identify the amount of any payments or general State aid to be classified under this paragraph and must specify the funding program to which the funds are to be treated as received in connection therewith. This resolution is controlling as to the classification of funds referenced therein. A certified copy of the resolution must be sent to the State Superintendent of Education. The resolution shall still take effect even though a copy of the resolution has not been sent to the State Superintendent of Education in a timely manner. No classification under this paragraph by a district shall affect the total amount or timing of money the district is entitled to receive under this Code. No classification under this paragraph by a district shall in any way relieve the district from or affect any requirements that otherwise would apply with respect to that funding program, including any accounting of funds by source, reporting expenditures by original source and purpose, reporting requirements, or requirements of providing services.

Section 95-20. The Illinois Public Aid Code is amended by changing Sections 5-5.4 and 5-5.4i and by adding Section 5-5.4j as follows:

(305 ILCS 5/5-5.4) (from Ch. 23, par. 5-5.4)

Sec. 5-5.4. Standards of Payment - Department of Healthcare and Family Services. The Department of Healthcare and Family Services shall develop standards of payment of nursing facility and ICF/DD services in facilities providing such services under this Article which:

(1) Provide for the determination of a facility's payment for nursing facility or ICF/DD services on a prospective basis. The amount of the payment rate for all nursing facilities certified by the Department of Public Health under the ID/DD Community Care Act or the Nursing Home Care Act as Intermediate Care for the Developmentally Disabled facilities, Long Term Care for Under Age 22 facilities, Skilled Nursing facilities, or Intermediate Care facilities under the medical assistance program shall be prospectively established annually on the basis of historical, financial, and statistical data reflecting actual costs from prior years, which shall be applied to the current rate year and updated for inflation, except that the capital cost element for newly constructed facilities shall be based upon projected budgets. The annually established payment rate shall take effect on July 1 in 1984 and subsequent years. No rate increase and no update for inflation shall be provided on or after July 1, 1994, unless specifically provided for in this Section. The changes made by Public Act 93-841 extending the duration of the prohibition against a rate increase or update for inflation are effective retroactive to July 1, 2004.

For facilities licensed by the Department of Public Health under the Nursing Home Care Act as Intermediate Care for the Developmentally Disabled facilities or Long Term Care for Under Age 22 facilities, the rates taking effect on July 1, 1998 shall include an increase of 3%. For facilities licensed by the Department of Public Health under the Nursing Home Care Act as Skilled Nursing facilities or Intermediate Care facilities, the rates taking effect on July 1, 1998 shall include an increase of 3% plus \$1.10 per resident-day, as defined by the Department. For facilities licensed by the Department of Public Health under the Nursing Home Care Act as Intermediate Care Facilities for the Developmentally Disabled or Long Term Care for Under Age 22 facilities, the rates taking effect on January 1, 2006 shall include an increase of 3%. For facilities licensed by the Department of Public Health under the Nursing Home Care Act as Intermediate Care Facilities for the Developmentally Disabled or Long Term Care for Under Age 22 facilities, the rates taking effect on January 1, 2009 shall include an increase sufficient to provide a \$0.50 per hour wage increase for non-executive staff. For facilities licensed by the Department of Public Health under the ID/DD Community Care Act as ID/DD Facilities the rates taking effect within 30 days after July 6, 2017 (the effective date of Public Act 100-23) ~~this amendatory Act of the 100th General Assembly shall include an increase sufficient to provide a \$0.75 per hour wage increase for non-executive staff. The Department shall adopt rules, including emergency rules under subsection (y) of Section 5-45 of the Illinois Administrative Procedure Act, to implement the provisions of this paragraph. For facilities licensed by the Department of Public Health under the ID/DD Community Care Act as ID/DD Facilities~~

[May 30, 2018]

and under the MC/DD Act as MC/DD Facilities, the rates taking effect within 30 days after the effective date of this amendatory Act of the 100th General Assembly shall include an increase sufficient to provide a \$0.50 per hour wage increase for non-executive front-line personnel, including, but not limited to, direct support persons, aides, front-line supervisors, qualified intellectual disabilities professionals, nurses, and non-administrative support staff. The Department shall adopt rules, including emergency rules under subsection (bb) of Section 5-45 of the Illinois Administrative Procedure Act, to implement the provisions of this paragraph.

For facilities licensed by the Department of Public Health under the Nursing Home Care Act as Intermediate Care for the Developmentally Disabled facilities or Long Term Care for Under Age 22 facilities, the rates taking effect on July 1, 1999 shall include an increase of 1.6% plus \$3.00 per resident-day, as defined by the Department. For facilities licensed by the Department of Public Health under the Nursing Home Care Act as Skilled Nursing facilities or Intermediate Care facilities, the rates taking effect on July 1, 1999 shall include an increase of 1.6% and, for services provided on or after October 1, 1999, shall be increased by \$4.00 per resident-day, as defined by the Department.

For facilities licensed by the Department of Public Health under the Nursing Home Care Act as Intermediate Care for the Developmentally Disabled facilities or Long Term Care for Under Age 22 facilities, the rates taking effect on July 1, 2000 shall include an increase of 2.5% per resident-day, as defined by the Department. For facilities licensed by the Department of Public Health under the Nursing Home Care Act as Skilled Nursing facilities or Intermediate Care facilities, the rates taking effect on July 1, 2000 shall include an increase of 2.5% per resident-day, as defined by the Department.

For facilities licensed by the Department of Public Health under the Nursing Home Care Act as skilled nursing facilities or intermediate care facilities, a new payment methodology must be implemented for the nursing component of the rate effective July 1, 2003. The Department of Public Aid (now Healthcare and Family Services) shall develop the new payment methodology using the Minimum Data Set (MDS) as the instrument to collect information concerning nursing home resident condition necessary to compute the rate. The Department shall develop the new payment methodology to meet the unique needs of Illinois nursing home residents while remaining subject to the appropriations provided by the General Assembly. A transition period from the payment methodology in effect on June 30, 2003 to the payment methodology in effect on July 1, 2003 shall be provided for a period not exceeding 3 years and 184 days after implementation of the new payment methodology as follows:

(A) For a facility that would receive a lower nursing component rate per patient day under the new system than the facility received effective on the date immediately preceding the date that the Department implements the new payment methodology, the nursing component rate per patient day for the facility shall be held at the level in effect on the date immediately preceding the date that the Department implements the new payment methodology until a higher nursing component rate of reimbursement is achieved by that facility.

(B) For a facility that would receive a higher nursing component rate per patient day under the payment methodology in effect on July 1, 2003 than the facility received effective on the date immediately preceding the date that the Department implements the new payment methodology, the nursing component rate per patient day for the facility shall be adjusted.

(C) Notwithstanding paragraphs (A) and (B), the nursing component rate per patient day for the facility shall be adjusted subject to appropriations provided by the General Assembly.

For facilities licensed by the Department of Public Health under the Nursing Home Care Act as Intermediate Care for the Developmentally Disabled facilities or Long Term Care for Under Age 22 facilities, the rates taking effect on March 1, 2001 shall include a statewide increase of 7.85%, as defined by the Department.

Notwithstanding any other provision of this Section, for facilities licensed by the Department of Public Health under the Nursing Home Care Act as skilled nursing facilities or intermediate care facilities, except facilities participating in the Department's demonstration program pursuant to the provisions of Title 77, Part 300, Subpart T of the Illinois Administrative Code, the numerator of the ratio used by the Department of Healthcare and Family Services to compute the rate payable under this Section using the Minimum Data Set (MDS) methodology shall incorporate the following annual amounts as the additional funds appropriated to the Department specifically to pay for rates based on the MDS nursing component methodology in excess of the funding in effect on December 31, 2006:

- (i) For rates taking effect January 1, 2007, \$60,000,000.
- (ii) For rates taking effect January 1, 2008, \$110,000,000.
- (iii) For rates taking effect January 1, 2009, \$194,000,000.
- (iv) For rates taking effect April 1, 2011, or the first day of the month that begins at

least 45 days after the effective date of this amendatory Act of the 96th General Assembly, \$416,500,000 or an amount as may be necessary to complete the transition to the MDS methodology for the nursing component of the rate. Increased payments under this item (iv) are not due and payable, however, until (i) the methodologies described in this paragraph are approved by the federal government in an appropriate State Plan amendment and (ii) the assessment imposed by Section 5B-2 of this Code is determined to be a permissible tax under Title XIX of the Social Security Act.

Notwithstanding any other provision of this Section, for facilities licensed by the Department of Public Health under the Nursing Home Care Act as skilled nursing facilities or intermediate care facilities, the support component of the rates taking effect on January 1, 2008 shall be computed using the most recent cost reports on file with the Department of Healthcare and Family Services no later than April 1, 2005, updated for inflation to January 1, 2006.

For facilities licensed by the Department of Public Health under the Nursing Home Care Act as Intermediate Care for the Developmentally Disabled facilities or Long Term Care for Under Age 22 facilities, the rates taking effect on April 1, 2002 shall include a statewide increase of 2.0%, as defined by the Department. This increase terminates on July 1, 2002; beginning July 1, 2002 these rates are reduced to the level of the rates in effect on March 31, 2002, as defined by the Department.

For facilities licensed by the Department of Public Health under the Nursing Home Care Act as skilled nursing facilities or intermediate care facilities, the rates taking effect on July 1, 2001 shall be computed using the most recent cost reports on file with the Department of Public Aid no later than April 1, 2000, updated for inflation to January 1, 2001. For rates effective July 1, 2001 only, rates shall be the greater of the rate computed for July 1, 2001 or the rate effective on June 30, 2001.

Notwithstanding any other provision of this Section, for facilities licensed by the Department of Public Health under the Nursing Home Care Act as skilled nursing facilities or intermediate care facilities, the Illinois Department shall determine by rule the rates taking effect on July 1, 2002, which shall be 5.9% less than the rates in effect on June 30, 2002.

Notwithstanding any other provision of this Section, for facilities licensed by the Department of Public Health under the Nursing Home Care Act as skilled nursing facilities or intermediate care facilities, if the payment methodologies required under Section 5A-12 and the waiver granted under 42 CFR 433.68 are approved by the United States Centers for Medicare and Medicaid Services, the rates taking effect on July 1, 2004 shall be 3.0% greater than the rates in effect on June 30, 2004. These rates shall take effect only upon approval and implementation of the payment methodologies required under Section 5A-12.

Notwithstanding any other provisions of this Section, for facilities licensed by the Department of Public Health under the Nursing Home Care Act as skilled nursing facilities or intermediate care facilities, the rates taking effect on January 1, 2005 shall be 3% more than the rates in effect on December 31, 2004.

Notwithstanding any other provision of this Section, for facilities licensed by the Department of Public Health under the Nursing Home Care Act as skilled nursing facilities or intermediate care facilities, effective January 1, 2009, the per diem support component of the rates effective on January 1, 2008, computed using the most recent cost reports on file with the Department of Healthcare and Family Services no later than April 1, 2005, updated for inflation to January 1, 2006, shall be increased to the amount that would have been derived using standard Department of Healthcare and Family Services methods, procedures, and inflators.

Notwithstanding any other provisions of this Section, for facilities licensed by the Department of Public Health under the Nursing Home Care Act as intermediate care facilities that are federally defined as Institutions for Mental Disease, or facilities licensed by the Department of Public Health under the Specialized Mental Health Rehabilitation Act of 2013, a socio-development component rate equal to 6.6% of the facility's nursing component rate as of January 1, 2006 shall be established and paid effective July 1, 2006. The socio-development component of the rate shall be increased by a factor of 2.53 on the first day of the month that begins at least 45 days after January 11, 2008 (the effective date of Public Act 95-707). As of August 1, 2008, the socio-development component rate shall be equal to 6.6% of the facility's nursing component rate as of January 1, 2006, multiplied by a factor of 3.53. For services provided on or after April 1, 2011, or the first day of the month that begins at least 45 days after the effective date of this amendatory Act of the 96th General Assembly, whichever is later, the Illinois Department may by rule adjust these socio-development component rates, and may use different adjustment methodologies for those facilities participating, and those not participating, in the Illinois Department's demonstration program pursuant to the provisions of Title 77, Part 300, Subpart T of the Illinois Administrative Code, but in no case may such rates be diminished below those in effect on August 1, 2008.

For facilities licensed by the Department of Public Health under the Nursing Home Care Act as Intermediate Care for the Developmentally Disabled facilities or as long-term care facilities for residents

under 22 years of age, the rates taking effect on July 1, 2003 shall include a statewide increase of 4%, as defined by the Department.

For facilities licensed by the Department of Public Health under the Nursing Home Care Act as Intermediate Care for the Developmentally Disabled facilities or Long Term Care for Under Age 22 facilities, the rates taking effect on the first day of the month that begins at least 45 days after the effective date of this amendatory Act of the 95th General Assembly shall include a statewide increase of 2.5%, as defined by the Department.

Notwithstanding any other provision of this Section, for facilities licensed by the Department of Public Health under the Nursing Home Care Act as skilled nursing facilities or intermediate care facilities, effective January 1, 2005, facility rates shall be increased by the difference between (i) a facility's per diem property, liability, and malpractice insurance costs as reported in the cost report filed with the Department of Public Aid and used to establish rates effective July 1, 2001 and (ii) those same costs as reported in the facility's 2002 cost report. These costs shall be passed through to the facility without caps or limitations, except for adjustments required under normal auditing procedures.

Rates established effective each July 1 shall govern payment for services rendered throughout that fiscal year, except that rates established on July 1, 1996 shall be increased by 6.8% for services provided on or after January 1, 1997. Such rates will be based upon the rates calculated for the year beginning July 1, 1990, and for subsequent years thereafter until June 30, 2001 shall be based on the facility cost reports for the facility fiscal year ending at any point in time during the previous calendar year, updated to the midpoint of the rate year. The cost report shall be on file with the Department no later than April 1 of the current rate year. Should the cost report not be on file by April 1, the Department shall base the rate on the latest cost report filed by each skilled care facility and intermediate care facility, updated to the midpoint of the current rate year. In determining rates for services rendered on and after July 1, 1985, fixed time shall not be computed at less than zero. The Department shall not make any alterations of regulations which would reduce any component of the Medicaid rate to a level below what that component would have been utilizing in the rate effective on July 1, 1984.

(2) Shall take into account the actual costs incurred by facilities in providing services for recipients of skilled nursing and intermediate care services under the medical assistance program.

(3) Shall take into account the medical and psycho-social characteristics and needs of the patients.

(4) Shall take into account the actual costs incurred by facilities in meeting licensing and certification standards imposed and prescribed by the State of Illinois, any of its political subdivisions or municipalities and by the U.S. Department of Health and Human Services pursuant to Title XIX of the Social Security Act.

The Department of Healthcare and Family Services shall develop precise standards for payments to reimburse nursing facilities for any utilization of appropriate rehabilitative personnel for the provision of rehabilitative services which is authorized by federal regulations, including reimbursement for services provided by qualified therapists or qualified assistants, and which is in accordance with accepted professional practices. Reimbursement also may be made for utilization of other supportive personnel under appropriate supervision.

The Department shall develop enhanced payments to offset the additional costs incurred by a facility serving exceptional need residents and shall allocate at least \$4,000,000 of the funds collected from the assessment established by Section 5B-2 of this Code for such payments. For the purpose of this Section, "exceptional needs" means, but need not be limited to, ventilator care and traumatic brain injury care. The enhanced payments for exceptional need residents under this paragraph are not due and payable, however, until (i) the methodologies described in this paragraph are approved by the federal government in an appropriate State Plan amendment and (ii) the assessment imposed by Section 5B-2 of this Code is determined to be a permissible tax under Title XIX of the Social Security Act.

Beginning January 1, 2014 the methodologies for reimbursement of nursing facility services as provided under this Section 5-5.4 shall no longer be applicable for services provided on or after January 1, 2014.

No payment increase under this Section for the MDS methodology, exceptional care residents, or the socio-development component rate established by Public Act 96-1530 of the 96th General Assembly and funded by the assessment imposed under Section 5B-2 of this Code shall be due and payable until after the Department notifies the long-term care providers, in writing, that the payment methodologies to long-term care providers required under this Section have been approved by the Centers for Medicare and Medicaid Services of the U.S. Department of Health and Human Services and the waivers under 42 CFR 433.68 for the assessment imposed by this Section, if necessary, have been granted by the Centers for Medicare and Medicaid Services of the U.S. Department of Health and Human Services. Upon notification to the Department of approval of the payment methodologies required under this Section and the waivers

granted under 42 CFR 433.68, all increased payments otherwise due under this Section prior to the date of notification shall be due and payable within 90 days of the date federal approval is received.

On and after July 1, 2012, the Department shall reduce any rate of reimbursement for services or other payments or alter any methodologies authorized by this Code to reduce any rate of reimbursement for services or other payments in accordance with Section 5-5e.

Sec. 5-5.4j. ID/DD targeted Medicaid rate enhancement. Within 30 days after the effective date of this amendatory Act of the 100th General Assembly, the Department shall increase the Medicaid per diem rate by \$21.15 for facilities with more than 16 beds licensed by the Department of Public Health under the ID/DD Community Care Act located in the Department of Public Health's Planning Area 7-B.

Section 95-25. The Illinois Public Aid Code is amended by changing Sections 5-5, 5-30, and 5-30.1 as follows:

(305 ILCS 5/5-5) (from Ch. 23, par. 5-5)

Sec. 5-5. Medical services. The Illinois Department, by rule, shall determine the quantity and quality of and the rate of reimbursement for the medical assistance for which payment will be authorized, and the medical services to be provided, which may include all or part of the following: (1) inpatient hospital services; (2) outpatient hospital services; (3) other laboratory and X-ray services; (4) skilled nursing home services; (5) physicians' services whether furnished in the office, the patient's home, a hospital, a skilled nursing home, or elsewhere; (6) medical care, or any other type of remedial care furnished by licensed practitioners; (7) home health care services; (8) private duty nursing service; (9) clinic services; (10) dental services, including prevention and treatment of periodontal disease and dental caries disease for pregnant women, provided by an individual licensed to practice dentistry or dental surgery; for purposes of this item (10), "dental services" means diagnostic, preventive, or corrective procedures provided by or under the supervision of a dentist in the practice of his or her profession; (11) physical therapy and related services; (12) prescribed drugs, dentures, and prosthetic devices; and eyeglasses prescribed by a physician skilled in the diseases of the eye, or by an optometrist, whichever the person may select; (13) other diagnostic, screening, preventive, and rehabilitative services, including to ensure that the individual's need for intervention or treatment of mental disorders or substance use disorders or co-occurring mental health and substance use disorders is determined using a uniform screening, assessment, and evaluation process inclusive of criteria, for children and adults; for purposes of this item (13), a uniform screening, assessment, and evaluation process refers to a process that includes an appropriate evaluation and, as warranted, a referral; "uniform" does not mean the use of a singular instrument, tool, or process that all must utilize; (14) transportation and such other expenses as may be necessary; (15) medical treatment of sexual assault survivors, as defined in Section 1a of the Sexual Assault Survivors Emergency Treatment Act, for injuries sustained as a result of the sexual assault, including examinations and laboratory tests to discover evidence which may be used in criminal proceedings arising from the sexual assault; (16) the diagnosis and treatment of sickle cell anemia; and (17) any other medical care, and any other type of remedial care recognized under the laws of this State. The term "any other type of remedial care" shall

[May 30, 2018]

include nursing care and nursing home service for persons who rely on treatment by spiritual means alone through prayer for healing.

Notwithstanding any other provision of this Section, a comprehensive tobacco use cessation program that includes purchasing prescription drugs or prescription medical devices approved by the Food and Drug Administration shall be covered under the medical assistance program under this Article for persons who are otherwise eligible for assistance under this Article.

Notwithstanding any other provision of this Code, reproductive health care that is otherwise legal in Illinois shall be covered under the medical assistance program for persons who are otherwise eligible for medical assistance under this Article.

Notwithstanding any other provision of this Code, the Illinois Department may not require, as a condition of payment for any laboratory test authorized under this Article, that a physician's handwritten signature appear on the laboratory test order form. The Illinois Department may, however, impose other appropriate requirements regarding laboratory test order documentation.

Upon receipt of federal approval of an amendment to the Illinois Title XIX State Plan for this purpose, the Department shall authorize the Chicago Public Schools (CPS) to procure a vendor or vendors to manufacture eyeglasses for individuals enrolled in a school within the CPS system. CPS shall ensure that its vendor or vendors are enrolled as providers in the medical assistance program and in any capitated Medicaid managed care entity (MCE) serving individuals enrolled in a school within the CPS system. Under any contract procured under this provision, the vendor or vendors must serve only individuals enrolled in a school within the CPS system. Claims for services provided by CPS's vendor or vendors to recipients of benefits in the medical assistance program under this Code, the Children's Health Insurance Program, or the Covering ALL KIDS Health Insurance Program shall be submitted to the Department or the MCE in which the individual is enrolled for payment and shall be reimbursed at the Department's or the MCE's established rates or rate methodologies for eyeglasses.

On and after July 1, 2012, the Department of Healthcare and Family Services may provide the following services to persons eligible for assistance under this Article who are participating in education, training or employment programs operated by the Department of Human Services as successor to the Department of Public Aid:

- (1) dental services provided by or under the supervision of a dentist; and
- (2) eyeglasses prescribed by a physician skilled in the diseases of the eye, or by an optometrist, whichever the person may select.

On and after July 1, 2018, the Department of Healthcare and Family Services shall provide dental services to any adult who is otherwise eligible for assistance under the medical assistance program. As used in this paragraph, "dental services" means diagnostic, preventative, restorative, or corrective procedures, including procedures and services for the prevention and treatment of periodontal disease and dental caries disease, provided by an individual who is licensed to practice dentistry or dental surgery or who is under the supervision of a dentist in the practice of his or her profession.

On and after July 1, 2018, targeted dental services, as set forth in Exhibit D of the Consent Decree entered by the United States District Court for the Northern District of Illinois, Eastern Division, in the matter of Memisovski v. Maram, Case No. 92 C 1982, that are provided to adults under the medical assistance program shall be established at no less than the rates set forth in the "New Rate" column in Exhibit D of the Consent Decree for targeted dental services that are provided to persons under the age of 18 under the medical assistance program.

Notwithstanding any other provision of this Code and subject to federal approval, the Department may adopt rules to allow a dentist who is volunteering his or her service at no cost to render dental services through an enrolled not-for-profit health clinic without the dentist personally enrolling as a participating provider in the medical assistance program. A not-for-profit health clinic shall include a public health clinic or Federally Qualified Health Center or other enrolled provider, as determined by the Department, through which dental services covered under this Section are performed. The Department shall establish a process for payment of claims for reimbursement for covered dental services rendered under this provision.

The Illinois Department, by rule, may distinguish and classify the medical services to be provided only in accordance with the classes of persons designated in Section 5-2.

The Department of Healthcare and Family Services must provide coverage and reimbursement for amino acid-based elemental formulas, regardless of delivery method, for the diagnosis and treatment of (i) eosinophilic disorders and (ii) short bowel syndrome when the prescribing physician has issued a written order stating that the amino acid-based elemental formula is medically necessary.

The Illinois Department shall authorize the provision of, and shall authorize payment for, screening by low-dose mammography for the presence of occult breast cancer for women 35 years of age or older who are eligible for medical assistance under this Article, as follows:

(A) A baseline mammogram for women 35 to 39 years of age.

(B) An annual mammogram for women 40 years of age or older.

(C) A mammogram at the age and intervals considered medically necessary by the woman's health care provider for women under 40 years of age and having a family history of breast cancer, prior personal history of breast cancer, positive genetic testing, or other risk factors.

(D) A comprehensive ultrasound screening and MRI of an entire breast or breasts if a mammogram demonstrates heterogeneous or dense breast tissue, when medically necessary as determined by a physician licensed to practice medicine in all of its branches.

(E) A screening MRI when medically necessary, as determined by a physician licensed to practice medicine in all of its branches.

All screenings shall include a physical breast exam, instruction on self-examination and information regarding the frequency of self-examination and its value as a preventative tool. For purposes of this Section, "low-dose mammography" means the x-ray examination of the breast using equipment dedicated specifically for mammography, including the x-ray tube, filter, compression device, and image receptor, with an average radiation exposure delivery of less than one rad per breast for 2 views of an average size breast. The term also includes digital mammography and includes breast tomosynthesis. As used in this Section, the term "breast tomosynthesis" means a radiologic procedure that involves the acquisition of projection images over the stationary breast to produce cross-sectional digital three-dimensional images of the breast. If, at any time, the Secretary of the United States Department of Health and Human Services, or its successor agency, promulgates rules or regulations to be published in the Federal Register or publishes a comment in the Federal Register or issues an opinion, guidance, or other action that would require the State, pursuant to any provision of the Patient Protection and Affordable Care Act (Public Law 111-148), including, but not limited to, 42 U.S.C. 18031(d)(3)(B) or any successor provision, to defray the cost of any coverage for breast tomosynthesis outlined in this paragraph, then the requirement that an insurer cover breast tomosynthesis is inoperative other than any such coverage authorized under Section 1902 of the Social Security Act, 42 U.S.C. 1396a, and the State shall not assume any obligation for the cost of coverage for breast tomosynthesis set forth in this paragraph.

On and after January 1, 2016, the Department shall ensure that all networks of care for adult clients of the Department include access to at least one breast imaging Center of Imaging Excellence as certified by the American College of Radiology.

On and after January 1, 2012, providers participating in a quality improvement program approved by the Department shall be reimbursed for screening and diagnostic mammography at the same rate as the Medicare program's rates, including the increased reimbursement for digital mammography.

The Department shall convene an expert panel including representatives of hospitals, free-standing mammography facilities, and doctors, including radiologists, to establish quality standards for mammography.

On and after January 1, 2017, providers participating in a breast cancer treatment quality improvement program approved by the Department shall be reimbursed for breast cancer treatment at a rate that is no lower than 95% of the Medicare program's rates for the data elements included in the breast cancer treatment quality program.

The Department shall convene an expert panel, including representatives of hospitals, free standing breast cancer treatment centers, breast cancer quality organizations, and doctors, including breast surgeons, reconstructive breast surgeons, oncologists, and primary care providers to establish quality standards for breast cancer treatment.

Subject to federal approval, the Department shall establish a rate methodology for mammography at federally qualified health centers and other encounter-rate clinics. These clinics or centers may also collaborate with other hospital-based mammography facilities. By January 1, 2016, the Department shall report to the General Assembly on the status of the provision set forth in this paragraph.

The Department shall establish a methodology to remind women who are age-appropriate for screening mammography, but who have not received a mammogram within the previous 18 months, of the importance and benefit of screening mammography. The Department shall work with experts in breast cancer outreach and patient navigation to optimize these reminders and shall establish a methodology for evaluating their effectiveness and modifying the methodology based on the evaluation.

The Department shall establish a performance goal for primary care providers with respect to their female patients over age 40 receiving an annual mammogram. This performance goal shall be used to provide additional reimbursement in the form of a quality performance bonus to primary care providers who meet that goal.

The Department shall devise a means of case-managing or patient navigation for beneficiaries diagnosed with breast cancer. This program shall initially operate as a pilot program in areas of the State with the

highest incidence of mortality related to breast cancer. At least one pilot program site shall be in the metropolitan Chicago area and at least one site shall be outside the metropolitan Chicago area. On or after July 1, 2016, the pilot program shall be expanded to include one site in western Illinois, one site in southern Illinois, one site in central Illinois, and 4 sites within metropolitan Chicago. An evaluation of the pilot program shall be carried out measuring health outcomes and cost of care for those served by the pilot program compared to similarly situated patients who are not served by the pilot program.

The Department shall require all networks of care to develop a means either internally or by contract with experts in navigation and community outreach to navigate cancer patients to comprehensive care in a timely fashion. The Department shall require all networks of care to include access for patients diagnosed with cancer to at least one academic commission on cancer-accredited cancer program as an in-network covered benefit.

Any medical or health care provider shall immediately recommend, to any pregnant woman who is being provided prenatal services and is suspected of drug abuse or is addicted as defined in the Alcoholism and Other Drug Abuse and Dependency Act, referral to a local substance abuse treatment provider licensed by the Department of Human Services or to a licensed hospital which provides substance abuse treatment services. The Department of Healthcare and Family Services shall assure coverage for the cost of treatment of the drug abuse or addiction for pregnant recipients in accordance with the Illinois Medicaid Program in conjunction with the Department of Human Services.

All medical providers providing medical assistance to pregnant women under this Code shall receive information from the Department on the availability of services under the Drug Free Families with a Future or any comparable program providing case management services for addicted women, including information on appropriate referrals for other social services that may be needed by addicted women in addition to treatment for addiction.

The Illinois Department, in cooperation with the Departments of Human Services (as successor to the Department of Alcoholism and Substance Abuse) and Public Health, through a public awareness campaign, may provide information concerning treatment for alcoholism and drug abuse and addiction, prenatal health care, and other pertinent programs directed at reducing the number of drug-affected infants born to recipients of medical assistance.

Neither the Department of Healthcare and Family Services nor the Department of Human Services shall sanction the recipient solely on the basis of her substance abuse.

The Illinois Department shall establish such regulations governing the dispensing of health services under this Article as it shall deem appropriate. The Department should seek the advice of formal professional advisory committees appointed by the Director of the Illinois Department for the purpose of providing regular advice on policy and administrative matters, information dissemination and educational activities for medical and health care providers, and consistency in procedures to the Illinois Department.

The Illinois Department may develop and contract with Partnerships of medical providers to arrange medical services for persons eligible under Section 5-2 of this Code. Implementation of this Section may be by demonstration projects in certain geographic areas. The Partnership shall be represented by a sponsor organization. The Department, by rule, shall develop qualifications for sponsors of Partnerships. Nothing in this Section shall be construed to require that the sponsor organization be a medical organization.

The sponsor must negotiate formal written contracts with medical providers for physician services, inpatient and outpatient hospital care, home health services, treatment for alcoholism and substance abuse, and other services determined necessary by the Illinois Department by rule for delivery by Partnerships. Physician services must include prenatal and obstetrical care. The Illinois Department shall reimburse medical services delivered by Partnership providers to clients in target areas according to provisions of this Article and the Illinois Health Finance Reform Act, except that:

- (1) Physicians participating in a Partnership and providing certain services, which shall be determined by the Illinois Department, to persons in areas covered by the Partnership may receive an additional surcharge for such services.
- (2) The Department may elect to consider and negotiate financial incentives to encourage the development of Partnerships and the efficient delivery of medical care.
- (3) Persons receiving medical services through Partnerships may receive medical and case management services above the level usually offered through the medical assistance program.

Medical providers shall be required to meet certain qualifications to participate in Partnerships to ensure the delivery of high quality medical services. These qualifications shall be determined by rule of the Illinois Department and may be higher than qualifications for participation in the medical assistance program. Partnership sponsors may prescribe reasonable additional qualifications for participation by medical providers, only with the prior written approval of the Illinois Department.

Nothing in this Section shall limit the free choice of practitioners, hospitals, and other providers of medical services by clients. In order to ensure patient freedom of choice, the Illinois Department shall immediately promulgate all rules and take all other necessary actions so that provided services may be accessed from therapeutically certified optometrists to the full extent of the Illinois Optometric Practice Act of 1987 without discriminating between service providers.

The Department shall apply for a waiver from the United States Health Care Financing Administration to allow for the implementation of Partnerships under this Section.

The Illinois Department shall require health care providers to maintain records that document the medical care and services provided to recipients of Medical Assistance under this Article. Such records must be retained for a period of not less than 6 years from the date of service or as provided by applicable State law, whichever period is longer, except that if an audit is initiated within the required retention period then the records must be retained until the audit is completed and every exception is resolved. The Illinois Department shall require health care providers to make available, when authorized by the patient, in writing, the medical records in a timely fashion to other health care providers who are treating or serving persons eligible for Medical Assistance under this Article. All dispensers of medical services shall be required to maintain and retain business and professional records sufficient to fully and accurately document the nature, scope, details and receipt of the health care provided to persons eligible for medical assistance under this Code, in accordance with regulations promulgated by the Illinois Department. The rules and regulations shall require that proof of the receipt of prescription drugs, dentures, prosthetic devices and eyeglasses by eligible persons under this Section accompany each claim for reimbursement submitted by the dispenser of such medical services. No such claims for reimbursement shall be approved for payment by the Illinois Department without such proof of receipt, unless the Illinois Department shall have put into effect and shall be operating a system of post-payment audit and review which shall, on a sampling basis, be deemed adequate by the Illinois Department to assure that such drugs, dentures, prosthetic devices and eyeglasses for which payment is being made are actually being received by eligible recipients. Within 90 days after September 16, 1984 (the effective date of Public Act 83-1439), the Illinois Department shall establish a current list of acquisition costs for all prosthetic devices and any other items recognized as medical equipment and supplies reimbursable under this Article and shall update such list on a quarterly basis, except that the acquisition costs of all prescription drugs shall be updated no less frequently than every 30 days as required by Section 5-5.12.

Notwithstanding any other law to the contrary, the Illinois Department shall, within 365 days after July 22, 2013 (the effective date of Public Act 98-104), establish procedures to permit skilled care facilities licensed under the Nursing Home Care Act to submit monthly billing claims for reimbursement purposes. Following development of these procedures, the Department shall, by July 1, 2016, test the viability of the new system and implement any necessary operational or structural changes to its information technology platforms in order to allow for the direct acceptance and payment of nursing home claims.

Notwithstanding any other law to the contrary, the Illinois Department shall, within 365 days after August 15, 2014 (the effective date of Public Act 98-963), establish procedures to permit ID/DD facilities licensed under the ID/DD Community Care Act and MC/DD facilities licensed under the MC/DD Act to submit monthly billing claims for reimbursement purposes. Following development of these procedures, the Department shall have an additional 365 days to test the viability of the new system and to ensure that any necessary operational or structural changes to its information technology platforms are implemented.

The Illinois Department shall require all dispensers of medical services, other than an individual practitioner or group of practitioners, desiring to participate in the Medical Assistance program established under this Article to disclose all financial, beneficial, ownership, equity, surety or other interests in any and all firms, corporations, partnerships, associations, business enterprises, joint ventures, agencies, institutions or other legal entities providing any form of health care services in this State under this Article.

The Illinois Department may require that all dispensers of medical services desiring to participate in the medical assistance program established under this Article disclose, under such terms and conditions as the Illinois Department may by rule establish, all inquiries from clients and attorneys regarding medical bills paid by the Illinois Department, which inquiries could indicate potential existence of claims or liens for the Illinois Department.

Enrollment of a vendor shall be subject to a provisional period and shall be conditional for one year. During the period of conditional enrollment, the Department may terminate the vendor's eligibility to participate in, or may disenroll the vendor from, the medical assistance program without cause. Unless otherwise specified, such termination of eligibility or disenrollment is not subject to the Department's hearing process. However, a disenrolled vendor may reapply without penalty.

The Department has the discretion to limit the conditional enrollment period for vendors based upon category of risk of the vendor.

[May 30, 2018]

Prior to enrollment and during the conditional enrollment period in the medical assistance program, all vendors shall be subject to enhanced oversight, screening, and review based on the risk of fraud, waste, and abuse that is posed by the category of risk of the vendor. The Illinois Department shall establish the procedures for oversight, screening, and review, which may include, but need not be limited to: criminal and financial background checks; fingerprinting; license, certification, and authorization verifications; unscheduled or unannounced site visits; database checks; prepayment audit reviews; audits; payment caps; payment suspensions; and other screening as required by federal or State law.

The Department shall define or specify the following: (i) by provider notice, the "category of risk of the vendor" for each type of vendor, which shall take into account the level of screening applicable to a particular category of vendor under federal law and regulations; (ii) by rule or provider notice, the maximum length of the conditional enrollment period for each category of risk of the vendor; and (iii) by rule, the hearing rights, if any, afforded to a vendor in each category of risk of the vendor that is terminated or disenrolled during the conditional enrollment period.

To be eligible for payment consideration, a vendor's payment claim or bill, either as an initial claim or as a resubmitted claim following prior rejection, must be received by the Illinois Department, or its fiscal intermediary, no later than 180 days after the latest date on the claim on which medical goods or services were provided, with the following exceptions:

- (1) In the case of a provider whose enrollment is in process by the Illinois Department, the 180-day period shall not begin until the date on the written notice from the Illinois Department that the provider enrollment is complete.
- (2) In the case of errors attributable to the Illinois Department or any of its claims processing intermediaries which result in an inability to receive, process, or adjudicate a claim, the 180-day period shall not begin until the provider has been notified of the error.
- (3) In the case of a provider for whom the Illinois Department initiates the monthly billing process.
- (4) In the case of a provider operated by a unit of local government with a population exceeding 3,000,000 when local government funds finance federal participation for claims payments.

For claims for services rendered during a period for which a recipient received retroactive eligibility, claims must be filed within 180 days after the Department determines the applicant is eligible. For claims for which the Illinois Department is not the primary payer, claims must be submitted to the Illinois Department within 180 days after the final adjudication by the primary payer.

In the case of long term care facilities, within 45 calendar days of receipt by the facility of required prescreening information, new admissions with associated admission documents shall be submitted through the Medical Electronic Data Interchange (MEDI) or the Recipient Eligibility Verification (REV) System or shall be submitted directly to the Department of Human Services using required admission forms. Effective September 1, 2014, admission documents, including all prescreening information, must be submitted through MEDI or REV. Confirmation numbers assigned to an accepted transaction shall be retained by a facility to verify timely submittal. Once an admission transaction has been completed, all resubmitted claims following prior rejection are subject to receipt no later than 180 days after the admission transaction has been completed.

Claims that are not submitted and received in compliance with the foregoing requirements shall not be eligible for payment under the medical assistance program, and the State shall have no liability for payment of those claims.

To the extent consistent with applicable information and privacy, security, and disclosure laws, State and federal agencies and departments shall provide the Illinois Department access to confidential and other information and data necessary to perform eligibility and payment verifications and other Illinois Department functions. This includes, but is not limited to: information pertaining to licensure; certification; earnings; immigration status; citizenship; wage reporting; unearned and earned income; pension income; employment; supplemental security income; social security numbers; National Provider Identifier (NPI) numbers; the National Practitioner Data Bank (NPDB); program and agency exclusions; taxpayer identification numbers; tax delinquency; corporate information; and death records.

The Illinois Department shall enter into agreements with State agencies and departments, and is authorized to enter into agreements with federal agencies and departments, under which such agencies and departments shall share data necessary for medical assistance program integrity functions and oversight. The Illinois Department shall develop, in cooperation with other State departments and agencies, and in compliance with applicable federal laws and regulations, appropriate and effective methods to share such data. At a minimum, and to the extent necessary to provide data sharing, the Illinois Department shall enter into agreements with State agencies and departments, and is authorized to enter into agreements with federal agencies and departments, including but not limited to: the Secretary of State; the Department of

Revenue; the Department of Public Health; the Department of Human Services; and the Department of Financial and Professional Regulation.

Beginning in fiscal year 2013, the Illinois Department shall set forth a request for information to identify the benefits of a pre-payment, post-adjudication, and post-edit claims system with the goals of streamlining claims processing and provider reimbursement, reducing the number of pending or rejected claims, and helping to ensure a more transparent adjudication process through the utilization of: (i) provider data verification and provider screening technology; and (ii) clinical code editing; and (iii) pre-pay, pre- or post-adjudicated predictive modeling with an integrated case management system with link analysis. Such a request for information shall not be considered as a request for proposal or as an obligation on the part of the Illinois Department to take any action or acquire any products or services.

The Illinois Department shall establish policies, procedures, standards and criteria by rule for the acquisition, repair and replacement of orthotic and prosthetic devices and durable medical equipment. Such rules shall provide, but not be limited to, the following services: (1) immediate repair or replacement of such devices by recipients; and (2) rental, lease, purchase or lease-purchase of durable medical equipment in a cost-effective manner, taking into consideration the recipient's medical prognosis, the extent of the recipient's needs, and the requirements and costs for maintaining such equipment. Subject to prior approval, such rules shall enable a recipient to temporarily acquire and use alternative or substitute devices or equipment pending repairs or replacements of any device or equipment previously authorized for such recipient by the Department. Notwithstanding any provision of Section 5-5f to the contrary, the Department may, by rule, exempt certain replacement wheelchair parts from prior approval and, for wheelchairs, wheelchair parts, wheelchair accessories, and related seating and positioning items, determine the wholesale price by methods other than actual acquisition costs.

The Department shall require, by rule, all providers of durable medical equipment to be accredited by an accreditation organization approved by the federal Centers for Medicare and Medicaid Services and recognized by the Department in order to bill the Department for providing durable medical equipment to recipients. No later than 15 months after the effective date of the rule adopted pursuant to this paragraph, all providers must meet the accreditation requirement.

The Department shall execute, relative to the nursing home prescreening project, written inter-agency agreements with the Department of Human Services and the Department on Aging, to effect the following: (i) intake procedures and common eligibility criteria for those persons who are receiving non-institutional services; and (ii) the establishment and development of non-institutional services in areas of the State where they are not currently available or are undeveloped; and (iii) notwithstanding any other provision of law, subject to federal approval, on and after July 1, 2012, an increase in the determination of need (DON) scores from 29 to 37 for applicants for institutional and home and community-based long term care; if and only if federal approval is not granted, the Department may, in conjunction with other affected agencies, implement utilization controls or changes in benefit packages to effectuate a similar savings amount for this population; and (iv) no later than July 1, 2013, minimum level of care eligibility criteria for institutional and home and community-based long term care; and (v) no later than October 1, 2013, establish procedures to permit long term care providers access to eligibility scores for individuals with an admission date who are seeking or receiving services from the long term care provider. In order to select the minimum level of care eligibility criteria, the Governor shall establish a workgroup that includes affected agency representatives and stakeholders representing the institutional and home and community-based long term care interests. This Section shall not restrict the Department from implementing lower level of care eligibility criteria for community-based services in circumstances where federal approval has been granted.

The Illinois Department shall develop and operate, in cooperation with other State Departments and agencies and in compliance with applicable federal laws and regulations, appropriate and effective systems of health care evaluation and programs for monitoring of utilization of health care services and facilities, as it affects persons eligible for medical assistance under this Code.

The Illinois Department shall report annually to the General Assembly, no later than the second Friday in April of 1979 and each year thereafter, in regard to:

- (a) actual statistics and trends in utilization of medical services by public aid recipients;
- (b) actual statistics and trends in the provision of the various medical services by medical vendors;
- (c) current rate structures and proposed changes in those rate structures for the various medical vendors; and
- (d) efforts at utilization review and control by the Illinois Department.

The period covered by each report shall be the 3 years ending on the June 30 prior to the report. The report shall include suggested legislation for consideration by the General Assembly. The filing of one copy of the report with the Speaker, one copy with the Minority Leader and one copy with the Clerk of the House of Representatives, one copy with the President, one copy with the Minority Leader and one copy with the Secretary of the Senate, one copy with the Legislative Research Unit, and such additional copies with the State Government Report Distribution Center for the General Assembly as is required under paragraph (t) of Section 7 of the State Library Act shall be deemed sufficient to comply with this Section.

Rulemaking authority to implement Public Act 95-1045, if any, is conditioned on the rules being adopted in accordance with all provisions of the Illinois Administrative Procedure Act and all rules and procedures of the Joint Committee on Administrative Rules; any purported rule not so adopted, for whatever reason, is unauthorized.

On and after July 1, 2012, the Department shall reduce any rate of reimbursement for services or other payments or alter any methodologies authorized by this Code to reduce any rate of reimbursement for services or other payments in accordance with Section 5-5e.

Because kidney transplantation can be an appropriate, cost effective alternative to renal dialysis when medically necessary and notwithstanding the provisions of Section 1-11 of this Code, beginning October 1, 2014, the Department shall cover kidney transplantation for noncitizens with end-stage renal disease who are not eligible for comprehensive medical benefits, who meet the residency requirements of Section 5-3 of this Code, and who would otherwise meet the financial requirements of the appropriate class of eligible persons under Section 5-2 of this Code. To qualify for coverage of kidney transplantation, such person must be receiving emergency renal dialysis services covered by the Department. Providers under this Section shall be prior approved and certified by the Department to perform kidney transplantation and the services under this Section shall be limited to services associated with kidney transplantation.

Notwithstanding any other provision of this Code to the contrary, on or after July 1, 2015, all FDA approved forms of medication assisted treatment prescribed for the treatment of alcohol dependence or treatment of opioid dependence shall be covered under both fee for service and managed care medical assistance programs for persons who are otherwise eligible for medical assistance under this Article and shall not be subject to any (1) utilization control, other than those established under the American Society of Addiction Medicine patient placement criteria, (2) prior authorization mandate, or (3) lifetime restriction limit mandate.

On or after July 1, 2015, opioid antagonists prescribed for the treatment of an opioid overdose, including the medication product, administration devices, and any pharmacy fees related to the dispensing and administration of the opioid antagonist, shall be covered under the medical assistance program for persons who are otherwise eligible for medical assistance under this Article. As used in this Section, "opioid antagonist" means a drug that binds to opioid receptors and blocks or inhibits the effect of opioids acting on those receptors, including, but not limited to, naloxone hydrochloride or any other similarly acting drug approved by the U.S. Food and Drug Administration.

Upon federal approval, the Department shall provide coverage and reimbursement for all drugs that are approved for marketing by the federal Food and Drug Administration and that are recommended by the federal Public Health Service or the United States Centers for Disease Control and Prevention for pre-exposure prophylaxis and related pre-exposure prophylaxis services, including, but not limited to, HIV and sexually transmitted infection screening, treatment for sexually transmitted infections, medical monitoring, assorted labs, and counseling to reduce the likelihood of HIV infection among individuals who are not infected with HIV but who are at high risk of HIV infection.

(305 ILCS 5/5-30)

Sec. 5-30. Care coordination.

(a) At least 50% of recipients eligible for comprehensive medical benefits in all medical assistance programs or other health benefit programs administered by the Department, including the Children's Health Insurance Program Act and the Covering ALL KIDS Health Insurance Act, shall be enrolled in a care coordination program by no later than January 1, 2015. For purposes of this Section, "coordinated care" or "care coordination" means delivery systems where recipients will receive their care from providers who participate under contract in integrated delivery systems that are responsible for providing or arranging the majority of care, including primary care physician services, referrals from primary care physicians, diagnostic and treatment services, behavioral health services, in-patient and outpatient hospital

services, dental services, and rehabilitation and long-term care services. The Department shall designate or contract for such integrated delivery systems (i) to ensure enrollees have a choice of systems and of primary care providers within such systems; (ii) to ensure that enrollees receive quality care in a culturally and linguistically appropriate manner; and (iii) to ensure that coordinated care programs meet the diverse needs of enrollees with developmental, mental health, physical, and age-related disabilities.

(b) Payment for such coordinated care shall be based on arrangements where the State pays for performance related to health care outcomes, the use of evidence-based practices, the use of primary care delivered through comprehensive medical homes, the use of electronic medical records, and the appropriate exchange of health information electronically made either on a capitated basis in which a fixed monthly premium per recipient is paid and full financial risk is assumed for the delivery of services, or through other risk-based payment arrangements.

(c) To qualify for compliance with this Section, the 50% goal shall be achieved by enrolling medical assistance enrollees from each medical assistance enrollment category, including parents, children, seniors, and people with disabilities to the extent that current State Medicaid payment laws would not limit federal matching funds for recipients in care coordination programs. In addition, services must be more comprehensively defined and more risk shall be assumed than in the Department's primary care case management program as of January 25, 2011 (the effective date of Public Act 96-1501).

(d) The Department shall report to the General Assembly in a separate part of its annual medical assistance program report, beginning April, 2012 until April, 2016, on the progress and implementation of the care coordination program initiatives established by the provisions of Public Act 96-1501. The Department shall include in its April 2011 report a full analysis of federal laws or regulations regarding upper payment limitations to providers and the necessary revisions or adjustments in rate methodologies and payments to providers under this Code that would be necessary to implement coordinated care with full financial risk by a party other than the Department.

(e) Integrated Care Program for individuals with chronic mental health conditions.

(1) The Integrated Care Program shall encompass services administered to recipients of medical assistance under this Article to prevent exacerbations and complications using cost-effective, evidence-based practice guidelines and mental health management strategies.

(2) The Department may utilize and expand upon existing contractual arrangements with integrated care plans under the Integrated Care Program for providing the coordinated care provisions of this Section.

(3) Payment for such coordinated care shall be based on arrangements where the State pays for performance related to mental health outcomes on a capitated basis in which a fixed monthly premium per recipient is paid and full financial risk is assumed for the delivery of services, or through other risk-based payment arrangements such as provider-based care coordination.

(4) The Department shall examine whether chronic mental health management programs and services for recipients with specific chronic mental health conditions do any or all of the following:

(A) Improve the patient's overall mental health in a more expeditious and cost-effective manner.

(B) Lower costs in other aspects of the medical assistance program, such as hospital admissions, emergency room visits, or more frequent and inappropriate psychotropic drug use.

(5) The Department shall work with the facilities and any integrated care plan participating in the program to identify and correct barriers to the successful implementation of this subsection (e) prior to and during the implementation to best facilitate the goals and objectives of this subsection (e).

(f) A hospital that is located in a county of the State in which the Department mandates some or all of the beneficiaries of the Medical Assistance Program residing in the county to enroll in a Care Coordination Program, as set forth in Section 5-30 of this Code, shall not be eligible for any non-claims based payments not mandated by Article V-A of this Code for which it would otherwise be qualified to receive, unless the hospital is a Coordinated Care Participating Hospital no later than 60 days after June 14, 2012 (the effective date of Public Act 97-689) or 60 days after the first mandatory enrollment of a beneficiary in a Coordinated Care program. For purposes of this subsection, "Coordinated Care Participating Hospital" means a hospital that meets one of the following criteria:

(1) The hospital has entered into a contract to provide hospital services with one or more MCOs to enrollees of the care coordination program.

(2) The hospital has not been offered a contract by a care coordination plan that the Department has determined to be a good faith offer and that pays at least as much as the Department would pay, on a fee-for-service basis, not including disproportionate share hospital adjustment payments or any other supplemental adjustment or add-on payment to the base fee-for-service rate,

except to the extent such adjustments or add-on payments are incorporated into the development of the applicable MCO capitated rates.

As used in this subsection (f), "MCO" means any entity which contracts with the Department to provide services where payment for medical services is made on a capitated basis.

(g) No later than August 1, 2013, the Department shall issue a purchase of care solicitation for Accountable Care Entities (ACE) to serve any children and parents or caretaker relatives of children eligible for medical assistance under this Article. An ACE may be a single corporate structure or a network of providers organized through contractual relationships with a single corporate entity. The solicitation shall require that:

(1) An ACE operating in Cook County be capable of serving at least 40,000 eligible individuals in that county; an ACE operating in Lake, Kane, DuPage, or Will Counties be capable of serving at least 20,000 eligible individuals in those counties and an ACE operating in other regions of the State be capable of serving at least 10,000 eligible individuals in the region in which it operates. During initial periods of mandatory enrollment, the Department shall require its enrollment services contractor to use a default assignment algorithm that ensures if possible an ACE reaches the minimum enrollment levels set forth in this paragraph.

(2) An ACE must include at a minimum the following types of providers: primary care, specialty care, hospitals, and behavioral healthcare.

(3) An ACE shall have a governance structure that includes the major components of the health care delivery system, including one representative from each of the groups listed in paragraph (2).

(4) An ACE must be an integrated delivery system, including a network able to provide the full range of services needed by Medicaid beneficiaries and system capacity to securely pass clinical information across participating entities and to aggregate and analyze that data in order to coordinate care.

(5) An ACE must be capable of providing both care coordination and complex case management, as necessary, to beneficiaries. To be responsive to the solicitation, a potential ACE must outline its care coordination and complex case management model and plan to reduce the cost of care.

(6) In the first 18 months of operation, unless the ACE selects a shorter period, an ACE shall be paid care coordination fees on a per member per month basis that are projected to be cost neutral to the State during the term of their payment and, subject to federal approval, be eligible to share in additional savings generated by their care coordination.

(7) In months 19 through 36 of operation, unless the ACE selects a shorter period, an ACE shall be paid on a pre-paid capitation basis for all medical assistance covered services, under contract terms similar to Managed Care Organizations (MCO), with the Department sharing the risk through either stop-loss insurance for extremely high cost individuals or corridors of shared risk based on the overall cost of the total enrollment in the ACE. The ACE shall be responsible for claims processing, encounter data submission, utilization control, and quality assurance.

(8) In the fourth and subsequent years of operation, an ACE shall convert to a Managed Care Community Network (MCCN), as defined in this Article, or Health Maintenance Organization pursuant to the Illinois Insurance Code, accepting full-risk capitation payments.

The Department shall allow potential ACE entities 5 months from the date of the posting of the solicitation to submit proposals. After the solicitation is released, in addition to the MCO rate development data available on the Department's website, subject to federal and State confidentiality and privacy laws and regulations, the Department shall provide 2 years of de-identified summary service data on the targeted population, split between children and adults, showing the historical type and volume of services received and the cost of those services to those potential bidders that sign a data use agreement. The Department may add up to 2 non-state government employees with expertise in creating integrated delivery systems to its review team for the purchase of care solicitation described in this subsection. Any such individuals must sign a no-conflict disclosure and confidentiality agreement and agree to act in accordance with all applicable State laws.

During the first 2 years of an ACE's operation, the Department shall provide claims data to the ACE on its enrollees on a periodic basis no less frequently than monthly.

Nothing in this subsection shall be construed to limit the Department's mandate to enroll 50% of its beneficiaries into care coordination systems by January 1, 2015, using all available care coordination delivery systems, including Care Coordination Entities (CCE), MCCNs, or MCOs, nor be construed to affect the current CCEs, MCCNs, and MCOs selected to serve seniors and persons with disabilities prior to that date.

Nothing in this subsection precludes the Department from considering future proposals for new ACEs or expansion of existing ACEs at the discretion of the Department.

(h) Department contracts with MCOs and other entities reimbursed by risk based capitation shall have a minimum medical loss ratio of 85%, shall require the entity to establish an appeals and grievances process for consumers and providers, and shall require the entity to provide a quality assurance and utilization review program. Entities contracted with the Department to coordinate healthcare regardless of risk shall be measured utilizing the same quality metrics. The quality metrics may be population specific. Any contracted entity serving at least 5,000 seniors or people with disabilities or 15,000 individuals in other populations covered by the Medical Assistance Program that has been receiving full-risk capitation for a year shall be accredited by a national accreditation organization authorized by the Department within 2 years after the date it is eligible to become accredited. The requirements of this subsection shall apply to contracts with MCOs entered into or renewed or extended after June 1, 2013.

(h-5) The Department shall monitor and enforce compliance by MCOs with agreements they have entered into with providers on issues that include, but are not limited to, timeliness of payment, payment rates, and processes for obtaining prior approval. The Department may impose sanctions on MCOs for violating provisions of those agreements that include, but are not limited to, financial penalties, suspension of enrollment of new enrollees, and termination of the MCO's contract with the Department. As used in this subsection (h-5), "MCO" has the meaning ascribed to that term in Section 5-30.1 of this Code.

(i) Unless otherwise required by federal law, Medicaid Managed Care Entities and their respective business associates shall not disclose, directly or indirectly, including by sending a bill or explanation of benefits, information concerning the sensitive health services received by enrollees of the Medicaid Managed Care Entity to any person other than covered entities and business associates, which may receive, use, and further disclose such information solely for the purposes permitted under applicable federal and State laws and regulations if such use and further disclosure satisfies all applicable requirements of such laws and regulations. The Medicaid Managed Care Entity or its respective business associates may disclose information concerning the sensitive health services if the enrollee who received the sensitive health services requests the information from the Medicaid Managed Care Entity or its respective business associates and authorized the sending of a bill or explanation of benefits. Communications including, but not limited to, statements of care received or appointment reminders either directly or indirectly to the enrollee from the health care provider, health care professional, and care coordinators, remain permissible. Medicaid Managed Care Entities or their respective business associates may communicate directly with their enrollees regarding care coordination activities for those enrollees.

For the purposes of this subsection, the term "Medicaid Managed Care Entity" includes Care Coordination Entities, Accountable Care Entities, Managed Care Organizations, and Managed Care Community Networks.

For purposes of this subsection, the term "sensitive health services" means mental health services, substance abuse treatment services, reproductive health services, family planning services, services for sexually transmitted infections and sexually transmitted diseases, and services for sexual assault or domestic abuse. Services include prevention, screening, consultation, examination, treatment, or follow-up.

For purposes of this subsection, "business associate", "covered entity", "disclosure", and "use" have the meanings ascribed to those terms in 45 CFR 160.103.

Nothing in this subsection shall be construed to relieve a Medicaid Managed Care Entity or the Department of any duty to report incidents of sexually transmitted infections to the Department of Public Health or to the local board of health in accordance with regulations adopted under a statute or ordinance or to report incidents of sexually transmitted infections as necessary to comply with the requirements under Section 5 of the Abused and Neglected Child Reporting Act or as otherwise required by State or federal law.

The Department shall create policy in order to implement the requirements in this subsection.

(j) Managed Care Entities (MCEs), including MCOs and all other care coordination organizations, shall develop and maintain a written language access policy that sets forth the standards, guidelines, and operational plan to ensure language appropriate services and that is consistent with the standard of meaningful access for populations with limited English proficiency. The language access policy shall describe how the MCEs will provide all of the following required services:

- (1) Translation (the written replacement of text from one language into another) of all vital documents and forms as identified by the Department.
- (2) Qualified interpreter services (the oral communication of a message from one language into another by a qualified interpreter).
- (3) Staff training on the language access policy, including how to identify language

needs, access and provide language assistance services, work with interpreters, request translations, and track the use of language assistance services.

(4) Data tracking that identifies the language need.

(5) Notification to participants on the availability of language access services and on how to access such services.

(k) The Department shall actively monitor the contractual relationship between Managed Care Organizations (MCOs) and any dental administrator contracted by an MCO to provide dental services. The Department shall adopt appropriate dental Healthcare Effectiveness Data and Information Set (HEDIS) measures and shall include the Annual Dental Visit (ADV) HEDIS measure in its Health Plan Comparison Tool and Illinois Medicaid Plan Report Card that is available on the Department's website for enrolled individuals.

The Department shall collect from each MCO specific information about the types of contracted, broad-based care coordination occurring between the MCO and any dental administrator, including, but not limited to, pregnant women and diabetic patients in need of oral care.

(305 ILCS 5/5-30.1)

Sec. 5-30.1. Managed care protections.

(a) As used in this Section:

"Managed care organization" or "MCO" means any entity which contracts with the Department to provide services where payment for medical services is made on a capitated basis.

"Emergency services" include:

(1) emergency services, as defined by Section 10 of the Managed Care Reform and Patient Rights Act;

(2) emergency medical screening examinations, as defined by Section 10 of the Managed Care Reform and Patient Rights Act;

(3) post-stabilization medical services, as defined by Section 10 of the Managed Care Reform and Patient Rights Act; and

(4) emergency medical conditions, as defined by Section 10 of the Managed Care Reform and Patient Rights Act.

(b) As provided by Section 5-16.12, managed care organizations are subject to the provisions of the Managed Care Reform and Patient Rights Act.

(c) An MCO shall pay any provider of emergency services that does not have in effect a contract with the contracted Medicaid MCO. The default rate of reimbursement shall be the rate paid under Illinois Medicaid fee-for-service program methodology, including all policy adjusters, including but not limited to Medicaid High Volume Adjustments, Medicaid Percentage Adjustments, Outpatient High Volume Adjustments, and all outlier add-on adjustments to the extent such adjustments are incorporated in the development of the applicable MCO capitated rates.

(d) An MCO shall pay for all post-stabilization services as a covered service in any of the following situations:

(1) the MCO authorized such services;

(2) such services were administered to maintain the enrollee's stabilized condition within one hour after a request to the MCO for authorization of further post-stabilization services;

(3) the MCO did not respond to a request to authorize such services within one hour;

(4) the MCO could not be contacted; or

(5) the MCO and the treating provider, if the treating provider is a non-affiliated provider, could not reach an agreement concerning the enrollee's care and an affiliated provider was unavailable for a consultation, in which case the MCO must pay for such services rendered by the treating non-affiliated provider until an affiliated provider was reached and either concurred with the treating non-affiliated provider's plan of care or assumed responsibility for the enrollee's care. Such payment shall be made at the default rate of reimbursement paid under Illinois Medicaid fee-for-service program methodology, including all policy adjusters, including but not limited to Medicaid High Volume Adjustments, Medicaid Percentage Adjustments, Outpatient High Volume Adjustments and all outlier add-on adjustments to the extent that such adjustments are incorporated in the development of the applicable MCO capitated rates.

(e) The following requirements apply to MCOs in determining payment for all emergency services:

(1) MCOs shall not impose any requirements for prior approval of emergency services.

(2) The MCO shall cover emergency services provided to enrollees who are temporarily

away from their residence and outside the contracting area to the extent that the enrollees would be entitled to the emergency services if they still were within the contracting area.

(3) The MCO shall have no obligation to cover medical services provided on an emergency basis that are not covered services under the contract.

(4) The MCO shall not condition coverage for emergency services on the treating provider notifying the MCO of the enrollee's screening and treatment within 10 days after presentation for emergency services.

(5) The determination of the attending emergency physician, or the provider actually treating the enrollee, of whether an enrollee is sufficiently stabilized for discharge or transfer to another facility, shall be binding on the MCO. The MCO shall cover emergency services for all enrollees whether the emergency services are provided by an affiliated or non-affiliated provider.

(6) The MCO's financial responsibility for post-stabilization care services it has not pre-approved ends when:

(A) a plan physician with privileges at the treating hospital assumes responsibility for the enrollee's care;

(B) a plan physician assumes responsibility for the enrollee's care through transfer;

(C) a contracting entity representative and the treating physician reach an agreement concerning the enrollee's care; or

(D) the enrollee is discharged.

(f) Network adequacy and transparency.

(1) The Department shall:

(A) ensure that an adequate provider network is in place, taking into consideration health professional shortage areas and medically underserved areas;

(B) publicly release an explanation of its process for analyzing network adequacy;

(C) periodically ensure that an MCO continues to have an adequate network in place; and

(D) require MCOs, including Medicaid Managed Care Entities as defined in Section 5-30.2, to meet provider directory requirements under Section 5-30.3.

(2) Each MCO shall confirm its receipt of information submitted specific to physician or dentist additions or physician or dentist deletions from the MCO's provider network within 3 days after receiving all required information from contracted physicians or dentists, and electronic physician and dental directories must be updated consistent with current rules as published by the Centers for Medicare and Medicaid Services or its successor agency.

(g) Timely payment of claims.

(1) The MCO shall pay a claim within 30 days of receiving a claim that contains all the essential information needed to adjudicate the claim.

(2) The MCO shall notify the billing party of its inability to adjudicate a claim within 30 days of receiving that claim.

(3) The MCO shall pay a penalty that is at least equal to the penalty imposed under the Illinois Insurance Code for any claims not timely paid.

(4) The Department may establish a process for MCOs to expedite payments to providers based on criteria established by the Department.

(g-5) Recognizing that the rapid transformation of the Illinois Medicaid program may have unintended operational challenges for both payers and providers:

(1) in no instance shall a medically necessary covered service rendered in good faith, based upon eligibility information documented by the provider, be denied coverage or diminished in payment amount if the eligibility or coverage information available at the time the service was rendered is later found to be inaccurate; and

(2) the Department shall, by December 31, 2016, adopt rules establishing policies that shall be included in the Medicaid managed care policy and procedures manual addressing payment resolutions in situations in which a provider renders services based upon information obtained after verifying a patient's eligibility and coverage plan through either the Department's current enrollment system or a system operated by the coverage plan identified by the patient presenting for services:

(A) such medically necessary covered services shall be considered rendered in good faith;

(B) such policies and procedures shall be developed in consultation with industry representatives of the Medicaid managed care health plans and representatives of provider associations representing the majority of providers within the identified provider industry; and

(C) such rules shall be published for a review and comment period of no less than 30 days on the Department's website with final rules remaining available on the Department's website.

(3) The rules on payment resolutions shall include, but not be limited to:

(A) the extension of the timely filing period;

(B) retroactive prior authorizations; and

(C) guaranteed minimum payment rate of no less than the current, as of the date of service, fee-for-service rate, plus all applicable add-ons, when the resulting service relationship is out of network.

(4) The rules shall be applicable for both MCO coverage and fee-for-service coverage.

(g-6) MCO Performance Metrics Report.

(1) The Department shall publish, on at least a quarterly basis, each MCO's operational performance, including, but not limited to, the following categories of metrics:

(A) claims payment, including timeliness and accuracy;

(B) prior authorizations;

(C) grievance and appeals;

(D) utilization statistics;

(E) provider disputes;

(F) provider credentialing; and

(G) member and provider customer service.

(2) The Department shall ensure that the metrics report is accessible to providers online by January 1, 2017.

(3) The metrics shall be developed in consultation with industry representatives of the Medicaid managed care health plans and representatives of associations representing the majority of providers within the identified industry.

(4) Metrics shall be defined and incorporated into the applicable Managed Care Policy Manual issued by the Department.

(g-7) MCO claims processing and performance analysis. In order to monitor MCO payments to hospital providers, pursuant to this amendatory Act of the 100th General Assembly, the Department shall post an analysis of MCO claims processing and payment performance on its website every 6 months. Such analysis shall include a review and evaluation of a representative sample of hospital claims that are rejected and denied for clean and unclean claims and the top 5 reasons for such actions and timeliness of claims adjudication, which identifies the percentage of claims adjudicated within 30, 60, 90, and over 90 days, and the dollar amounts associated with those claims. The Department shall post the contracted claims report required by HealthChoice Illinois on its website every 3 months.

(h) The Department shall not expand mandatory MCO enrollment into new counties beyond those counties already designated by the Department as of June 1, 2014 for the individuals whose eligibility for medical assistance is not the seniors or people with disabilities population until the Department provides an opportunity for accountable care entities and MCOs to participate in such newly designated counties.

(i) The requirements of this Section apply to contracts with accountable care entities and MCOs entered into, amended, or renewed after June 16, 2014 (the effective date of Public Act 98-651).

(5 ILCS 375/10) (from Ch. 127, par. 530)

Sec. 10. Contributions by the State and members.

(a) The State shall pay the cost of basic non-contributory group life insurance and, subject to member paid contributions set by the Department or required by this Section and except as provided in this Section, the basic program of group health benefits on each eligible member, except a member, not otherwise covered by this Act, who has retired as a participating member under Article 2 of the Illinois Pension Code but is ineligible for the retirement annuity under Section 2-119 of the Illinois Pension Code, and part of each eligible member's and retired member's premiums for health insurance coverage for enrolled dependents as provided by Section 9. The State shall pay the cost of the basic program of group health benefits only after benefits are reduced by the amount of benefits covered by Medicare for all members and dependents who are eligible for benefits under Social Security or the Railroad Retirement system or who had sufficient Medicare-covered government employment, except that such reduction in benefits shall apply only to those members and dependents who (1) first become eligible for such Medicare coverage on or after July 1, 1992; or (2) are Medicare-eligible members or dependents of a local government unit which began participation in the program on or after July 1, 1992; or (3) remain eligible for, but no longer receive Medicare coverage which they had been receiving on or after July 1, 1992. The Department may determine the aggregate level of the State's contribution on the basis of actual cost of medical services adjusted for age, sex or geographic or other demographic characteristics which affect the costs of such programs.

The cost of participation in the basic program of group health benefits for the dependent or survivor of a living or deceased retired employee who was formerly employed by the University of Illinois in the Cooperative Extension Service and would be an annuitant but for the fact that he or she was made ineligible to participate in the State Universities Retirement System by clause (4) of subsection (a) of Section 15-107 of the Illinois Pension Code shall not be greater than the cost of participation that would otherwise apply to that dependent or survivor if he or she were the dependent or survivor of an annuitant under the State Universities Retirement System.

(a-8) Any annuitant, survivor, or retired employee may waive or terminate coverage in the program of group health benefits. Any such annuitant, survivor, or retired employee who has waived or terminated coverage may enroll or re-enroll in the program of group health benefits only during the annual benefit choice period, as determined by the Director; except that in the event of termination of coverage due to nonpayment of premiums, the annuitant, survivor, or retired employee may not re-enroll in the program.

(a-8.5) Beginning on the effective date of this amendatory Act of the 97th General Assembly, the Director of Central Management Services shall, on an annual basis, determine the amount that the State shall contribute toward the basic program of group health benefits on behalf of annuitants (including individuals who (i) participated in the General Assembly Retirement System, the State Employees' Retirement System of Illinois, the State Universities Retirement System, the Teachers' Retirement System of the State of Illinois, or the Judges Retirement System of Illinois and (ii) qualify as annuitants under subsection (b) of Section 3 of this Act), survivors (including individuals who (i) receive an annuity as a survivor of an individual who participated in the General Assembly Retirement System, the State Employees' Retirement System of Illinois, the State Universities Retirement System, the Teachers' Retirement System of the State of Illinois, or the Judges Retirement System of Illinois and (ii) qualify as survivors under subsection (q) of Section 3 of this Act), and retired employees (as defined in subsection (p) of Section 3 of this Act). The remainder of the cost of coverage for each annuitant, survivor, or retired employee, as determined by the Director of Central Management Services, shall be the responsibility of that annuitant, survivor, or retired employee.

Contributions required of annuitants, survivors, and retired employees shall be the same for all retirement systems and shall also be based on whether an individual has made an election under Section 15-135.1 of the Illinois Pension Code. Contributions may be based on annuitants', survivors', or retired employees' Medicare eligibility, but may not be based on Social Security eligibility.

(a-9) No later than May 1 of each calendar year, the Director of Central Management Services shall certify in writing to the Executive Secretary of the State Employees' Retirement System of Illinois the amounts of the Medicare supplement health care premiums and the amounts of the health care premiums for all other retirees who are not Medicare eligible.

A separate calculation of the premiums based upon the actual cost of each health care plan shall be so certified.

The Director of Central Management Services shall provide to the Executive Secretary of the State Employees' Retirement System of Illinois such information, statistics, and other data as he or she may require to review the premium amounts certified by the Director of Central Management Services.

The Department of Central Management Services, or any successor agency designated to procure healthcare contracts pursuant to this Act, is authorized to establish funds, separate accounts provided by any bank or banks as defined by the Illinois Banking Act, or separate accounts provided by any savings and loan association or associations as defined by the Illinois Savings and Loan Act of 1985 to be held by the Director, outside the State treasury, for the purpose of receiving the transfer of moneys from the Local Government Health Insurance Reserve Fund. The Department may promulgate rules further defining the methodology for the transfers. Any interest earned by moneys in the funds or accounts shall inure to the Local Government Health Insurance Reserve Fund. The transferred moneys, and interest accrued thereon, shall be used exclusively for transfers to administrative service organizations or their financial institutions for payments of claims to claimants and providers under the self-insurance health plan. The transferred moneys, and interest accrued thereon, shall not be used for any other purpose including, but not limited to, reimbursement of administration fees due the administrative service organization pursuant to its contract or contracts with the Department.

(a-10) To the extent that participation, benefits, or premiums under this Act are based on a person's service credit under an Article of the Illinois Pension Code, service credit terminated in exchange for an accelerated pension benefit payment under Section 14-147.5, 15-185.5, or 16-190.5 of that Code shall be included in determining a person's service credit for the purposes of this Act.

(b) State employees who become eligible for this program on or after January 1, 1980 in positions normally requiring actual performance of duty not less than 1/2 of a normal work period but not equal to that of a normal work period, shall be given the option of participating in the available program. If the employee elects coverage, the State shall contribute on behalf of such employee to the cost of the employee's benefit and any applicable dependent supplement, that sum which bears the same percentage as that percentage of time the employee regularly works when compared to normal work period.

(c) The basic non-contributory coverage from the basic program of group health benefits shall be continued for each employee not in pay status or on active service by reason of (1) leave of absence due

to illness or injury, (2) authorized educational leave of absence or sabbatical leave, or (3) military leave. This coverage shall continue until expiration of authorized leave and return to active service, but not to exceed 24 months for leaves under item (1) or (2). This 24-month limitation and the requirement of returning to active service shall not apply to persons receiving ordinary or accidental disability benefits or retirement benefits through the appropriate State retirement system or benefits under the Workers' Compensation or Occupational Disease Act.

(d) The basic group life insurance coverage shall continue, with full State contribution, where such person is (1) absent from active service by reason of disability arising from any cause other than self-inflicted, (2) on authorized educational leave of absence or sabbatical leave, or (3) on military leave.

(e) Where the person is in non-pay status for a period in excess of 30 days or on leave of absence, other than by reason of disability, educational or sabbatical leave, or military leave, such person may continue coverage only by making personal payment equal to the amount normally contributed by the State on such person's behalf. Such payments and coverage may be continued: (1) until such time as the person returns to a status eligible for coverage at State expense, but not to exceed 24 months or (2) until such person's employment or annuitant status with the State is terminated (exclusive of any additional service imposed pursuant to law).

(f) The Department shall establish by rule the extent to which other employee benefits will continue for persons in non-pay status or who are not in active service.

(g) The State shall not pay the cost of the basic non-contributory group life insurance, program of health benefits and other employee benefits for members who are survivors as defined by paragraphs (1) and (2) of subsection (q) of Section 3 of this Act. The costs of benefits for these survivors shall be paid by the survivors or by the University of Illinois Cooperative Extension Service, or any combination thereof. However, the State shall pay the amount of the reduction in the cost of participation, if any, resulting from the amendment to subsection (a) made by this amendatory Act of the 91st General Assembly.

(h) Those persons occupying positions with any department as a result of emergency appointments pursuant to Section 8b.8 of the Personnel Code who are not considered employees under this Act shall be given the option of participating in the programs of group life insurance, health benefits and other employee benefits. Such persons electing coverage may participate only by making payment equal to the amount normally contributed by the State for similarly situated employees. Such amounts shall be determined by the Director. Such payments and coverage may be continued until such time as the person becomes an employee pursuant to this Act or such person's appointment is terminated.

(i) Any unit of local government within the State of Illinois may apply to the Director to have its employees, annuitants, and their dependents provided group health coverage under this Act on a non-insured basis. To participate, a unit of local government must agree to enroll all of its employees, who may select coverage under either the State group health benefits plan or a health maintenance organization that has contracted with the State to be available as a health care provider for employees as defined in this Act. A unit of local government must remit the entire cost of providing coverage under the State group health benefits plan or, for coverage under a health maintenance organization, an amount determined by the Director based on an analysis of the sex, age, geographic location, or other relevant demographic variables for its employees, except that the unit of local government shall not be required to enroll those of its employees who are covered spouses or dependents under this plan or another group policy or plan providing health benefits as long as (1) an appropriate official from the unit of local government attests that each employee not enrolled is a covered spouse or dependent under this plan or another group policy or plan, and (2) at least 50% of the employees are enrolled and the unit of local government remits the entire cost of providing coverage to those employees, except that a participating school district must have enrolled at least 50% of its full-time employees who have not waived coverage under the district's group health plan by participating in a component of the district's cafeteria plan. A participating school district is not required to enroll a full-time employee who has waived coverage under the district's health plan, provided that an appropriate official from the participating school district attests that the full-time employee has waived coverage by participating in a component of the district's cafeteria plan. For the purposes of this subsection, "participating school district" includes a unit of local government whose primary purpose is education as defined by the Department's rules.

Employees of a participating unit of local government who are not enrolled due to coverage under another group health policy or plan may enroll in the event of a qualifying change in status, special enrollment, special circumstance as defined by the Director, or during the annual Benefit Choice Period. A participating unit of local government may also elect to cover its annuitants. Dependent coverage shall be offered on an optional basis, with the costs paid by the unit of local government, its employees, or some combination of the two as determined by the unit of local government. The unit of local government shall be responsible for timely collection and transmission of dependent premiums.

The Director shall annually determine monthly rates of payment, subject to the following constraints:

(1) In the first year of coverage, the rates shall be equal to the amount normally charged to State employees for elected optional coverages or for enrolled dependents coverages or other contributory coverages, or contributed by the State for basic insurance coverages on behalf of its employees, adjusted for differences between State employees and employees of the local government in age, sex, geographic location or other relevant demographic variables, plus an amount sufficient to pay for the additional administrative costs of providing coverage to employees of the unit of local government and their dependents.

(2) In subsequent years, a further adjustment shall be made to reflect the actual prior years' claims experience of the employees of the unit of local government.

In the case of coverage of local government employees under a health maintenance organization, the Director shall annually determine for each participating unit of local government the maximum monthly amount the unit may contribute toward that coverage, based on an analysis of (i) the age, sex, geographic location, and other relevant demographic variables of the unit's employees and (ii) the cost to cover those employees under the State group health benefits plan. The Director may similarly determine the maximum monthly amount each unit of local government may contribute toward coverage of its employees' dependents under a health maintenance organization.

Monthly payments by the unit of local government or its employees for group health benefits plan or health maintenance organization coverage shall be deposited in the Local Government Health Insurance Reserve Fund.

The Local Government Health Insurance Reserve Fund is hereby created as a nonappropriated trust fund to be held outside the State Treasury, with the State Treasurer as custodian. The Local Government Health Insurance Reserve Fund shall be a continuing fund not subject to fiscal year limitations. The Local Government Health Insurance Reserve Fund is not subject to administrative charges or charge-backs, including but not limited to those authorized under Section 8h of the State Finance Act. All revenues arising from the administration of the health benefits program established under this Section shall be deposited into the Local Government Health Insurance Reserve Fund. Any interest earned on moneys in the Local Government Health Insurance Reserve Fund shall be deposited into the Fund. All expenditures from this Fund shall be used for payments for health care benefits for local government and rehabilitation facility employees, annuitants, and dependents, and to reimburse the Department or its administrative service organization for all expenses incurred in the administration of benefits. No other State funds may be used for these purposes.

A local government employer's participation or desire to participate in a program created under this subsection shall not limit that employer's duty to bargain with the representative of any collective bargaining unit of its employees.

(j) Any rehabilitation facility within the State of Illinois may apply to the Director to have its employees, annuitants, and their eligible dependents provided group health coverage under this Act on a non-insured basis. To participate, a rehabilitation facility must agree to enroll all of its employees and remit the entire cost of providing such coverage for its employees, except that the rehabilitation facility shall not be required to enroll those of its employees who are covered spouses or dependents under this plan or another group policy or plan providing health benefits as long as (1) an appropriate official from the rehabilitation facility attests that each employee not enrolled is a covered spouse or dependent under this plan or another group policy or plan, and (2) at least 50% of the employees are enrolled and the rehabilitation facility remits the entire cost of providing coverage to those employees. Employees of a participating rehabilitation facility who are not enrolled due to coverage under another group health policy or plan may enroll in the event of a qualifying change in status, special enrollment, special circumstance as defined by the Director, or during the annual Benefit Choice Period. A participating rehabilitation facility may also elect to cover its annuitants. Dependent coverage shall be offered on an optional basis, with the costs paid by the rehabilitation facility, its employees, or some combination of the 2 as determined by the rehabilitation facility. The rehabilitation facility shall be responsible for timely collection and transmission of dependent premiums.

The Director shall annually determine quarterly rates of payment, subject to the following constraints:

(1) In the first year of coverage, the rates shall be equal to the amount normally charged to State employees for elected optional coverages or for enrolled dependents coverages or other contributory coverages on behalf of its employees, adjusted for differences between State employees and employees of the rehabilitation facility in age, sex, geographic location or other relevant demographic variables, plus an amount sufficient to pay for the additional administrative costs of providing coverage to employees of the rehabilitation facility and their dependents.

(2) In subsequent years, a further adjustment shall be made to reflect the actual prior

years' claims experience of the employees of the rehabilitation facility.

Monthly payments by the rehabilitation facility or its employees for group health benefits shall be deposited in the Local Government Health Insurance Reserve Fund.

(k) Any domestic violence shelter or service within the State of Illinois may apply to the Director to have its employees, annuitants, and their dependents provided group health coverage under this Act on a non-insured basis. To participate, a domestic violence shelter or service must agree to enroll all of its employees and pay the entire cost of providing such coverage for its employees. The domestic violence shelter shall not be required to enroll those of its employees who are covered spouses or dependents under this plan or another group policy or plan providing health benefits as long as (1) an appropriate official from the domestic violence shelter attests that each employee not enrolled is a covered spouse or dependent under this plan or another group policy or plan and (2) at least 50% of the employees are enrolled and the domestic violence shelter remits the entire cost of providing coverage to those employees. Employees of a participating domestic violence shelter who are not enrolled due to coverage under another group health policy or plan may enroll in the event of a qualifying change in status, special enrollment, or special circumstance as defined by the Director or during the annual Benefit Choice Period. A participating domestic violence shelter may also elect to cover its annuitants. Dependent coverage shall be offered on an optional basis, with employees, or some combination of the 2 as determined by the domestic violence shelter or service. The domestic violence shelter or service shall be responsible for timely collection and transmission of dependent premiums.

The Director shall annually determine rates of payment, subject to the following constraints:

(1) In the first year of coverage, the rates shall be equal to the amount normally charged to State employees for elected optional coverages or for enrolled dependents coverages or other contributory coverages on behalf of its employees, adjusted for differences between State employees and employees of the domestic violence shelter or service in age, sex, geographic location or other relevant demographic variables, plus an amount sufficient to pay for the additional administrative costs of providing coverage to employees of the domestic violence shelter or service and their dependents.

(2) In subsequent years, a further adjustment shall be made to reflect the actual prior years' claims experience of the employees of the domestic violence shelter or service.

Monthly payments by the domestic violence shelter or service or its employees for group health insurance shall be deposited in the Local Government Health Insurance Reserve Fund.

(l) A public community college or entity organized pursuant to the Public Community College Act may apply to the Director initially to have only annuitants not covered prior to July 1, 1992 by the district's health plan provided health coverage under this Act on a non-insured basis. The community college must execute a 2-year contract to participate in the Local Government Health Plan. Any annuitant may enroll in the event of a qualifying change in status, special enrollment, special circumstance as defined by the Director, or during the annual Benefit Choice Period.

The Director shall annually determine monthly rates of payment subject to the following constraints: for those community colleges with annuitants only enrolled, first year rates shall be equal to the average cost to cover claims for a State member adjusted for demographics, Medicare participation, and other factors; and in the second year, a further adjustment of rates shall be made to reflect the actual first year's claims experience of the covered annuitants.

(l-5) The provisions of subsection (l) become inoperative on July 1, 1999.

(m) The Director shall adopt any rules deemed necessary for implementation of this amendatory Act of 1989 (Public Act 86-978).

(n) Any child advocacy center within the State of Illinois may apply to the Director to have its employees, annuitants, and their dependents provided group health coverage under this Act on a non-insured basis. To participate, a child advocacy center must agree to enroll all of its employees and pay the entire cost of providing coverage for its employees. The child advocacy center shall not be required to enroll those of its employees who are covered spouses or dependents under this plan or another group policy or plan providing health benefits as long as (1) an appropriate official from the child advocacy center attests that each employee not enrolled is a covered spouse or dependent under this plan or another group policy or plan and (2) at least 50% of the employees are enrolled and the child advocacy center remits the entire cost of providing coverage to those employees. Employees of a participating child advocacy center who are not enrolled due to coverage under another group health policy or plan may enroll in the event of a qualifying change in status, special enrollment, or special circumstance as defined by the Director or during the annual Benefit Choice Period. A participating child advocacy center may also elect to cover its annuitants. Dependent coverage shall be offered on an optional basis, with the costs paid by the child advocacy center, its employees, or some combination of the 2 as determined by the child

advocacy center. The child advocacy center shall be responsible for timely collection and transmission of dependent premiums.

The Director shall annually determine rates of payment, subject to the following constraints:

(1) In the first year of coverage, the rates shall be equal to the amount normally charged to State employees for elected optional coverages or for enrolled dependents coverages or other contributory coverages on behalf of its employees, adjusted for differences between State employees and employees of the child advocacy center in age, sex, geographic location, or other relevant demographic variables, plus an amount sufficient to pay for the additional administrative costs of providing coverage to employees of the child advocacy center and their dependents.

Sec. 9. Conditions for ~~issuance and sale of Bonds; requirements~~ Issuance and Sale of Bonds—~~Requirements~~ for Bonds.

(a) Except as otherwise provided in this subsection, ~~and subsection (h), and subsection (i),~~ Bonds shall be issued and sold from time to time, in one or more series, in such amounts and at such prices as may be directed by the Governor, upon recommendation by the Director of the Governor's Office of Management and Budget. Bonds shall be in such form (either coupon, registered or book entry), in such denominations, payable within 25 years from their date, (subject to such terms of redemption with or without premium, bear interest payable at such times and at such fixed or variable rate or rates, and be dated as shall be fixed and determined by the Director of the Governor's Office of Management and Budget in the order authorizing the issuance and sale of any series of Bonds, which order shall be approved by the Governor and is herein called a "Bond Sale Order"; provided however, that interest payable at fixed or variable rates shall not exceed that permitted in the Bond Authorization Act, as now or hereafter amended. Bonds shall be payable at such place or places, within or without the State of Illinois, and may be made registrable as to either principal or as to both principal and interest, as shall be specified in the Bond Sale Order. Bonds may be callable or subject to purchase and retirement or tender and remarketing as fixed and determined in the Bond Sale Order. Bonds, other than Bonds issued under Section 3 of this Act for the costs associated with the purchase and implementation of information technology, (i) except for refunding Bonds satisfying the requirements of Section 16 of this Act and sold during fiscal year 2009, 2010, 2011, 2017, or 2018 must be issued with principal or mandatory redemption amounts in equal amounts, with the first maturity issued occurring within the fiscal year in which the Bonds are issued or within the next succeeding fiscal year and (ii) must mature or be subject to mandatory redemption each fiscal year thereafter up to 25 years, except for refunding Bonds satisfying the requirements of Section 16 of this Act and sold during fiscal year 2009, 2010, or 2011 which must mature or be subject to mandatory redemption each fiscal year thereafter up to 16 years. Bonds issued under Section 3 of this Act for the costs associated with the purchase and implementation of information technology must be issued with principal or mandatory redemption amounts in equal amounts, with the first maturity issued occurring with the fiscal year in which the respective bonds are issued or with the next succeeding fiscal year, with the respective bonds issued maturing or subject to mandatory redemption each fiscal year thereafter up to 10 years. Notwithstanding any provision of this Act to the contrary, the Bonds authorized by Public Act 96-43 shall be payable within 5 years from their date and must be issued with principal or mandatory redemption amounts in equal amounts, with payment of principal or mandatory redemption beginning in the first fiscal year following the fiscal year in which the Bonds are issued.

Notwithstanding any provision of this Act to the contrary, the Bonds authorized by Public Act 96-1497 shall be payable within 8 years from their date and shall be issued with payment of maturing principal or scheduled mandatory redemptions in accordance with the following schedule, except the following amounts shall be prorated if less than the total additional amount of Bonds authorized by Public Act 96-1497 are issued:

Fiscal Year After Issuance	Amount
1-2	\$0
3	\$110,712,120
4	\$332,136,360
5	\$664,272,720
6-8	\$996,409,080

Notwithstanding any provision of this Act to the contrary, Income Tax Proceed Bonds issued under Section 7.6 shall be payable 12 years from the date of sale and shall be issued with payment of principal or mandatory redemption.

In the case of any series of Bonds bearing interest at a variable interest rate ("Variable Rate Bonds"), in lieu of determining the rate or rates at which such series of Variable Rate Bonds shall bear interest and the price or prices at which such Variable Rate Bonds shall be initially sold or remarketed (in the event of purchase and subsequent resale), the Bond Sale Order may provide that such interest rates and prices may vary from time to time depending on criteria established in such Bond Sale Order, which criteria may include, without limitation, references to indices or variations in interest rates as may, in the judgment of a remarketing agent, be necessary to cause Variable Rate Bonds of such series to be remarketable from time to time at a price equal to their principal amount, and may provide for appointment of a bank, trust company, investment bank, or other financial institution to serve as remarketing agent in that connection. The Bond Sale Order may provide that alternative interest rates or provisions for establishing alternative interest rates, different security or claim priorities, or different call or amortization provisions will apply during such times as Variable Rate Bonds of any series are held by a person providing credit or liquidity enhancement arrangements for such Bonds as authorized in subsection (b) of this Section. The Bond Sale Order may also provide for such variable interest rates to be established pursuant to a process generally known as an auction rate process and may provide for appointment of one or more financial institutions to

serve as auction agents and broker-dealers in connection with the establishment of such interest rates and the sale and remarketing of such Bonds.

(b) In connection with the issuance of any series of Bonds, the State may enter into arrangements to provide additional security and liquidity for such Bonds, including, without limitation, bond or interest rate insurance or letters of credit, lines of credit, bond purchase contracts, or other arrangements whereby funds are made available to retire or purchase Bonds, thereby assuring the ability of owners of the Bonds to sell or redeem their Bonds. The State may enter into contracts and may agree to pay fees to persons providing such arrangements, but only under circumstances where the Director of the Governor's Office of Management and Budget certifies that he or she reasonably expects the total interest paid or to be paid on the Bonds, together with the fees for the arrangements (being treated as if interest), would not, taken together, cause the Bonds to bear interest, calculated to their stated maturity, at a rate in excess of the rate that the Bonds would bear in the absence of such arrangements.

The State may, with respect to Bonds issued or anticipated to be issued, participate in and enter into arrangements with respect to interest rate protection or exchange agreements, guarantees, or financial futures contracts for the purpose of limiting, reducing, or managing interest rate exposure. The authority granted under this paragraph, however, shall not increase the principal amount of Bonds authorized to be issued by law. The arrangements may be executed and delivered by the Director of the Governor's Office of Management and Budget on behalf of the State. Net payments for such arrangements shall constitute interest on the Bonds and shall be paid from the General Obligation Bond Retirement and Interest Fund. The Director of the Governor's Office of Management and Budget shall at least annually certify to the Governor and the State Comptroller his or her estimate of the amounts of such net payments to be included in the calculation of interest required to be paid by the State.

(c) Prior to the issuance of any Variable Rate Bonds pursuant to subsection (a), the Director of the Governor's Office of Management and Budget shall adopt an interest rate risk management policy providing that the amount of the State's variable rate exposure with respect to Bonds shall not exceed 20%. This policy shall remain in effect while any Bonds are outstanding and the issuance of Bonds shall be subject to the terms of such policy. The terms of this policy may be amended from time to time by the Director of the Governor's Office of Management and Budget but in no event shall any amendment cause the permitted level of the State's variable rate exposure with respect to Bonds to exceed 20%.

(d) "Build America Bonds" in this Section means Bonds authorized by Section 54AA of the Internal Revenue Code of 1986, as amended ("Internal Revenue Code"), and bonds issued from time to time to refund or continue to refund "Build America Bonds".

(e) Notwithstanding any other provision of this Section, Qualified School Construction Bonds shall be issued and sold from time to time, in one or more series, in such amounts and at such prices as may be directed by the Governor, upon recommendation by the Director of the Governor's Office of Management and Budget. Qualified School Construction Bonds shall be in such form (either coupon, registered or book entry), in such denominations, payable within 25 years from their date, subject to such terms of redemption with or without premium, and if the Qualified School Construction Bonds are issued with a supplemental coupon, bear interest payable at such times and at such fixed or variable rate or rates, and be dated as shall be fixed and determined by the Director of the Governor's Office of Management and Budget in the order authorizing the issuance and sale of any series of Qualified School Construction Bonds, which order shall be approved by the Governor and is herein called a "Bond Sale Order"; except that interest payable at fixed or variable rates, if any, shall not exceed that permitted in the Bond Authorization Act, as now or hereafter amended. Qualified School Construction Bonds shall be payable at such place or places, within or without the State of Illinois, and may be made registrable as to either principal or as to both principal and interest, as shall be specified in the Bond Sale Order. Qualified School Construction Bonds may be callable or subject to purchase and retirement or tender and remarketing as fixed and determined in the Bond Sale Order. Qualified School Construction Bonds must be issued with principal or mandatory redemption amounts or sinking fund payments into the General Obligation Bond Retirement and Interest Fund (or subaccount therefor) in equal amounts, with the first maturity issued, mandatory redemption payment or sinking fund payment occurring within the fiscal year in which the Qualified School Construction Bonds are issued or within the next succeeding fiscal year, with Qualified School Construction Bonds issued maturing or subject to mandatory redemption or with sinking fund payments thereof deposited each fiscal year thereafter up to 25 years. Sinking fund payments set forth in this subsection shall be permitted only to the extent authorized in Section 54F of the Internal Revenue Code or as otherwise determined by the Director of the Governor's Office of Management and Budget. "Qualified School Construction Bonds" in this subsection means Bonds authorized by Section 54F of the Internal Revenue Code and for bonds issued from time to time to refund or continue to refund such "Qualified School Construction Bonds".

(f) Beginning with the next issuance by the Governor's Office of Management and Budget to the Procurement Policy Board of a request for quotation for the purpose of formulating a new pool of qualified underwriting banks list, all entities responding to such a request for quotation for inclusion on that list shall provide a written report to the Governor's Office of Management and Budget and the Illinois Comptroller. The written report submitted to the Comptroller shall (i) be published on the Comptroller's Internet website and (ii) be used by the Governor's Office of Management and Budget for the purposes of scoring such a request for quotation. The written report, at a minimum, shall:

(1) disclose whether, within the past 3 months, pursuant to its credit default swap market-making activities, the firm has entered into any State of Illinois credit default swaps ("CDS");

(2) include, in the event of State of Illinois CDS activity, disclosure of the firm's cumulative notional volume of State of Illinois CDS trades and the firm's outstanding gross and net notional amount of State of Illinois CDS, as of the end of the current 3-month period;

(3) indicate, pursuant to the firm's proprietary trading activities, disclosure of whether the firm, within the past 3 months, has entered into any proprietary trades for its own account in State of Illinois CDS;

(6) indicate whether, within the previous 3 months, the firm released any publicly available research or marketing reports that reference State of Illinois CDS and include those research or marketing reports as attachments.

(g) All entities included on a Governor's Office of Management and Budget's pool of qualified underwriting banks list shall, as soon as possible after March 18, 2011 (the effective date of Public Act 96-1554), but not later than January 21, 2011, and on a quarterly fiscal basis thereafter, provide a written report to the Governor's Office of Management and Budget and the Illinois Comptroller. The written reports submitted to the Comptroller shall be published on the Comptroller's Internet website. The written reports, at a minimum, shall:

On or before January 15, 2013 and each January 15 thereafter, the Board shall certify to the Governor and the General Assembly the amount of the required State contribution for the next fiscal year. The Board's certification must note any deviations from the State Actuary's recommended changes, the reason or reasons for not following the State Actuary's recommended changes, and the fiscal impact of not following the State Actuary's recommended changes on the required State contribution.

(b) The certifications under subsections (a) and (a-5) shall include an additional amount necessary to pay all principal of and interest on those general obligation bonds due the next fiscal year authorized by Section 7.2(a) of the General Obligation Bond Act and issued to provide the proceeds deposited by the State with the System in July 2003, representing deposits other than amounts reserved under Section 7.2(c) of the General Obligation Bond Act. For State fiscal year 2005, the Board shall make a supplemental certification of the additional amount necessary to pay all principal of and interest on those general obligation bonds due in State fiscal years 2004 and 2005 authorized by Section 7.2(a) of the General Obligation Bond Act and issued to provide the proceeds deposited by the State with the System in July 2003, representing deposits other than amounts reserved under Section 7.2(c) of the General Obligation Bond Act, as soon as practical after the effective date of this amendatory Act of the 93rd General Assembly.

On or before May 1, 2004, the Board shall recalculate and recertify to the Governor and to each department the amount of the required State contribution to the System and the required rates for State contributions to the System for State fiscal year 2005, taking into account the amounts appropriated to and received by the System under subsection (d) of Section 7.2 of the General Obligation Bond Act.

[May 30, 2018]

On or before July 1, 2005, the Board shall recalculate and recertify to the Governor and to each department the amount of the required State contribution to the System and the required rates for State contributions to the System for State fiscal year 2006, taking into account the changes in required State contributions made by this amendatory Act of the 94th General Assembly.

On or before April 1, 2011, the Board shall recalculate and recertify to the Governor and to each department the amount of the required State contribution to the System for State fiscal year 2011, applying the changes made by Public Act 96-889 to the System's assets and liabilities as of June 30, 2009 as though Public Act 96-889 was approved on that date.

By November 1, 2017, the Board shall recalculate and recertify to the State Actuary, the Governor, and the General Assembly the amount of the State contribution to the System for State fiscal year 2018, taking into account the changes in required State contributions made by this amendatory Act of the 100th General Assembly. The State Actuary shall review the assumptions and valuations underlying the Board's revised certification and issue a preliminary report concerning the proposed recertification and identifying, if necessary, recommended changes in actuarial assumptions that the Board must consider before finalizing its certification of the required State contributions. The Board's final certification must note any deviations from the State Actuary's recommended changes, the reason or reasons for not following the State Actuary's recommended changes, and the fiscal impact of not following the State Actuary's recommended changes on the required State contribution.

On or after June 15, 2019, but no later than June 30, 2019, the Board shall recalculate and recertify to the Governor and the General Assembly the amount of the State contribution to the System for State fiscal year 2019, taking into account the changes in required State contributions made by this amendatory Act of the 100th General Assembly. The recalculation shall be made using assumptions adopted by the Board for the original fiscal year 2019 certification. The monthly voucher for the 12th month of fiscal year 2019 shall be paid by the Comptroller after the recertification required pursuant to this paragraph is submitted to the Governor, Comptroller, and General Assembly. The recertification submitted to the General Assembly shall be filed with the Clerk of the House of Representatives and the Secretary of the Senate in electronic form only, in the manner that the Clerk and the Secretary shall direct.

Sec. 14-147.5. Accelerated pension benefit payment in lieu of any pension benefit.

(a) As used in this Section:

"Eligible person" means a person who:

(1) has terminated service;

(2) has accrued sufficient service credit to be eligible to receive a retirement annuity under this Article;

(3) has not received any retirement annuity under this Article; and

(4) has not made the election under Section 14-147.6.

"Pension benefit" means the benefits under this Article, or Article 1 as it relates to those benefits, including any anticipated annual increases, that an eligible person is entitled to upon attainment of the applicable retirement age. "Pension benefit" also includes applicable survivor's or disability benefits.

(b) As soon as practical after the effective date of this amendatory Act of the 100th General Assembly, the System shall calculate, using actuarial tables and other assumptions adopted by the Board, the present value of pension benefits for each eligible person who requests that information and shall offer each eligible person the opportunity to irrevocably elect to receive an amount determined by the System to be equal to 60% of the present value of his or her pension benefits in lieu of receiving any pension benefit. The offer shall specify the dollar amount that the eligible person will receive if he or she so elects and shall expire when a subsequent offer is made to an eligible person. An eligible person is limited to one calculation and offer per calendar year. The System shall make a good faith effort to contact every eligible person to notify him or her of the election.

Until June 30, 2021, an eligible person may irrevocably elect to receive an accelerated pension benefit payment in the amount that the System offers under this subsection in lieu of receiving any pension benefit. A person who elects to receive an accelerated pension benefit payment under this Section may not elect to proceed under the Retirement Systems Reciprocal Act with respect to service under this Article.

(c) A person's creditable service under this Article shall be terminated upon the person's receipt of an accelerated pension benefit payment under this Section, and no other benefit shall be paid under this Article based on the terminated creditable service, including any retirement, survivor, or other benefit; except that to the extent that participation, benefits, or premiums under the State Employees Group Insurance Act of 1971 are based on the amount of service credit, the terminated service credit shall be used for that purpose.

(d) If a person who has received an accelerated pension benefit payment under this Section returns to active service under this Article, then:

(1) Any benefits under the System earned as a result of that return to active service shall be based solely on the person's creditable service arising from the return to active service.

(2) The accelerated pension benefit payment may not be repaid to the System, and the terminated creditable service may not under any circumstances be reinstated.

(e) As a condition of receiving an accelerated pension benefit payment, the accelerated pension benefit payment must be transferred into a tax qualified retirement plan or account. The accelerated pension benefit payment under this Section may be subject to withholding or payment of applicable taxes, but to the extent permitted by federal law, a person who receives an accelerated pension benefit payment under this Section must direct the System to pay all of that payment as a rollover into another retirement plan or account qualified under the Internal Revenue Code of 1986, as amended.

(f) Upon receipt of a member's irrevocable election to receive an accelerated pension benefit payment under this Section, the System shall submit a voucher to the Comptroller for payment of the member's accelerated pension benefit payment. The Comptroller shall transfer the amount of the voucher from the State Pension Obligation Acceleration Bond Fund to the System, and the System shall transfer the amount into the member's eligible retirement plan or qualified account.

(g) The Board shall adopt any rules, including emergency rules, necessary to implement this Section.

(h) No provision of this Section shall be interpreted in a way that would cause the applicable System to cease to be a qualified plan under the Internal Revenue Code of 1986.

(40 ILCS 5/14-147.6 new)

Sec. 14-147.6. Accelerated pension benefit payment for a reduction in annual retirement annuity and survivor's annuity increases.

(a) As used in this Section:

"Accelerated pension benefit payment" means a lump sum payment equal to 70% of the difference of the present value of the automatic annual increases to a Tier 1 member's retirement annuity and survivor's annuity using the formula applicable to the Tier 1 member and the present value of the automatic annual increases to the Tier 1 member's retirement annuity using the formula provided under subsection (b-5) and survivor's annuity using the formula provided under subsection (b-6).

"Eligible person" means a person who:

(1) is a Tier 1 member;

(2) has submitted an application for a retirement annuity under this Article;

(3) meets the age and service requirements for receiving a retirement annuity under this Article;

(4) has not received any retirement annuity under this Article; and

(5) has not made the election under Section 14-147.5.

(b) As soon as practical after the effective date of this amendatory Act of the 100th General Assembly and until June 30, 2021, the System shall implement an accelerated pension benefit payment option for eligible persons. Upon the request of an eligible person, the System shall calculate, using actuarial tables and other assumptions adopted by the Board, an accelerated pension benefit payment amount and shall offer that eligible person the opportunity to irrevocably elect to have his or her automatic annual increases in retirement annuity calculated in accordance with the formula provided under subsection (b-5) and any increases in survivor's annuity payable to his or her survivor's annuity beneficiary calculated in accordance with the formula provided under subsection (b-6) in exchange for the accelerated pension benefit payment. The election under this subsection must be made before the eligible person receives the first payment of a retirement annuity otherwise payable under this Article.

(b-5) Notwithstanding any other provision of law, the retirement annuity of a person who made the election under subsection (b) shall be subject to annual increases on the January 1 occurring either on or after the attainment of age 67 or the first anniversary of the annuity start date, whichever is later. Each annual increase shall be calculated at 1.5% of the originally granted retirement annuity.

(b-6) Notwithstanding any other provision of law, a survivor's annuity payable to a survivor's annuity beneficiary of a person who made the election under subsection (b) shall be subject to annual increases on the January 1 occurring on or after the first anniversary of the commencement of the annuity. Each annual increase shall be calculated at 1.5% of the originally granted survivor's annuity.

(c) If a person who has received an accelerated pension benefit payment returns to active service under this Article, then:

(1) the calculation of any future automatic annual increase in retirement annuity shall be calculated in accordance with the formula provided under subsection (b-5); and

(2) the accelerated pension benefit payment may not be repaid to the System.

(d) As a condition of receiving an accelerated pension benefit payment, the accelerated pension benefit payment must be transferred into a tax qualified retirement plan or account. The accelerated pension benefit payment under this Section may be subject to withholding or payment of applicable taxes, but to the extent permitted by federal law, a person who receives an accelerated pension benefit payment under this Section must direct the System to pay all of that payment as a rollover into another retirement plan or account qualified under the Internal Revenue Code of 1986, as amended.

(d-5) Upon receipt of a member's irrevocable election to receive an accelerated pension benefit payment under this Section, the System shall submit a voucher to the Comptroller for payment of the member's accelerated pension benefit payment. The Comptroller shall transfer the amount of the voucher to the System, and the System shall transfer the amount into a member's eligible retirement plan or qualified account.

(e) The Board shall adopt any rules, including emergency rules, necessary to implement this Section.

(f) No provision of this Section shall be interpreted in a way that would cause the applicable System to cease to be a qualified plan under the Internal Revenue Code of 1986.

(40 ILCS 5/14-152.1)

Sec. 14-152.1. Application and expiration of new benefit increases.

(a) As used in this Section, "new benefit increase" means an increase in the amount of any benefit provided under this Article, or an expansion of the conditions of eligibility for any benefit under this Article, that results from an amendment to this Code that takes effect after June 1, 2005 (the effective date of Public Act 94-4). "New benefit increase", however, does not include any benefit increase resulting from the changes made to Article 1 or this Article by Public Act 96-37, Public Act 100-23, or this amendatory Act of the 100th General Assembly or by this amendatory Act of the 100th General Assembly.

(b) Notwithstanding any other provision of this Code or any subsequent amendment to this Code, every new benefit increase is subject to this Section and shall be deemed to be granted only in conformance with and contingent upon compliance with the provisions of this Section.

(c) The Public Act enacting a new benefit increase must identify and provide for payment to the System of additional funding at least sufficient to fund the resulting annual increase in cost to the System as it accrues.

Every new benefit increase is contingent upon the General Assembly providing the additional funding required under this subsection. The Commission on Government Forecasting and Accountability shall analyze whether adequate additional funding has been provided for the new benefit increase and shall report its analysis to the Public Pension Division of the Department of Insurance. A new benefit increase created by a Public Act that does not include the additional funding required under this subsection is null and void. If the Public Pension Division determines that the additional funding provided for a new benefit increase under this subsection is or has become inadequate, it may so certify to the Governor and the State Comptroller and, in the absence of corrective action by the General Assembly, the new benefit increase shall expire at the end of the fiscal year in which the certification is made.

(d) Every new benefit increase shall expire 5 years after its effective date or on such earlier date as may be specified in the language enacting the new benefit increase or provided under subsection (c). This does not prevent the General Assembly from extending or re-creating a new benefit increase by law.

(e) Except as otherwise provided in the language creating the new benefit increase, a new benefit increase that expires under this Section continues to apply to persons who applied and qualified for the affected benefit while the new benefit increase was in effect and to the affected beneficiaries and alternate payees of such persons, but does not apply to any other person, including without limitation a person who continues in service after the expiration date and did not apply and qualify for the affected benefit while the new benefit increase was in effect.

(40 ILCS 5/15-155) (from Ch. 108 1/2, par. 15-155)

Sec. 15-155. Employer contributions.

(a) The State of Illinois shall make contributions by appropriations of amounts which, together with the other employer contributions from trust, federal, and other funds, employee contributions, income from investments, and other income of this System, will be sufficient to meet the cost of maintaining and administering the System on a 90% funded basis in accordance with actuarial recommendations.

The Board shall determine the amount of State contributions required for each fiscal year on the basis of the actuarial tables and other assumptions adopted by the Board and the recommendations of the actuary, using the formula in subsection (a-1).

(a-1) For State fiscal years 2012 through 2045, the minimum contribution to the System to be made by the State for each fiscal year shall be an amount determined by the System to be sufficient to bring the total assets of the System up to 90% of the total actuarial liabilities of the System by the end of State fiscal

year 2045. In making these determinations, the required State contribution shall be calculated each year as a level percentage of payroll over the years remaining to and including fiscal year 2045 and shall be determined under the projected unit credit actuarial cost method.

For each of State fiscal years 2018, 2019, and 2020, the State shall make an additional contribution to the System equal to 2% of the total payroll of each employee who is deemed to have elected the benefits under Section 1-161 or who has made the election under subsection (c) of Section 1-161.

A change in an actuarial or investment assumption that increases or decreases the required State contribution and first applies in State fiscal year 2018 or thereafter shall be implemented in equal annual amounts over a 5-year period beginning in the State fiscal year in which the actuarial change first applies to the required State contribution.

A change in an actuarial or investment assumption that increases or decreases the required State contribution and first applied to the State contribution in fiscal year 2014, 2015, 2016, or 2017 shall be implemented:

(i) as already applied in State fiscal years before 2018; and

(ii) in the portion of the 5-year period beginning in the State fiscal year in which the actuarial change first applied that occurs in State fiscal year 2018 or thereafter, by calculating the change in equal annual amounts over that 5-year period and then implementing it at the resulting annual rate in each of the remaining fiscal years in that 5-year period.

For State fiscal years 1996 through 2005, the State contribution to the System, as a percentage of the applicable employee payroll, shall be increased in equal annual increments so that by State fiscal year 2011, the State is contributing at the rate required under this Section.

Notwithstanding any other provision of this Article, the total required State contribution for State fiscal year 2006 is \$166,641,900.

Notwithstanding any other provision of this Article, the total required State contribution for State fiscal year 2007 is \$252,064,100.

For each of State fiscal years 2008 through 2009, the State contribution to the System, as a percentage of the applicable employee payroll, shall be increased in equal annual increments from the required State contribution for State fiscal year 2007, so that by State fiscal year 2011, the State is contributing at the rate otherwise required under this Section.

Notwithstanding any other provision of this Article, the total required State contribution for State fiscal year 2010 is \$702,514,000 and shall be made from the State Pensions Fund and proceeds of bonds sold in fiscal year 2010 pursuant to Section 7.2 of the General Obligation Bond Act, less (i) the pro rata share of bond sale expenses determined by the System's share of total bond proceeds, (ii) any amounts received from the General Revenue Fund in fiscal year 2010, (iii) any reduction in bond proceeds due to the issuance of discounted bonds, if applicable.

Notwithstanding any other provision of this Article, the total required State contribution for State fiscal year 2011 is the amount recertified by the System on or before April 1, 2011 pursuant to Section 15-165 and shall be made from the State Pensions Fund and proceeds of bonds sold in fiscal year 2011 pursuant to Section 7.2 of the General Obligation Bond Act, less (i) the pro rata share of bond sale expenses determined by the System's share of total bond proceeds, (ii) any amounts received from the General Revenue Fund in fiscal year 2011, and (iii) any reduction in bond proceeds due to the issuance of discounted bonds, if applicable.

Beginning in State fiscal year 2046, the minimum State contribution for each fiscal year shall be the amount needed to maintain the total assets of the System at 90% of the total actuarial liabilities of the System.

Amounts received by the System pursuant to Section 25 of the Budget Stabilization Act or Section 8.12 of the State Finance Act in any fiscal year do not reduce and do not constitute payment of any portion of the minimum State contribution required under this Article in that fiscal year. Such amounts shall not reduce, and shall not be included in the calculation of, the required State contributions under this Article in any future year until the System has reached a funding ratio of at least 90%. A reference in this Article to the "required State contribution" or any substantially similar term does not include or apply to any amounts payable to the System under Section 25 of the Budget Stabilization Act.

Notwithstanding any other provision of this Section, the required State contribution for State fiscal year 2005 and for fiscal year 2008 and each fiscal year thereafter, as calculated under this Section and certified under Section 15-165, shall not exceed an amount equal to (i) the amount of the required State contribution that would have been calculated under this Section for that fiscal year if the System had not received any payments under subsection (d) of Section 7.2 of the General Obligation Bond Act, minus (ii) the portion of the State's total debt service payments for that fiscal year on the bonds issued in fiscal year 2003 for the purposes of that Section 7.2, as determined and certified by the Comptroller, that is the same as the

System's portion of the total moneys distributed under subsection (d) of Section 7.2 of the General Obligation Bond Act. In determining this maximum for State fiscal years 2008 through 2010, however, the amount referred to in item (i) shall be increased, as a percentage of the applicable employee payroll, in equal increments calculated from the sum of the required State contribution for State fiscal year 2007 plus the applicable portion of the State's total debt service payments for fiscal year 2007 on the bonds issued in fiscal year 2003 for the purposes of Section 7.2 of the General Obligation Bond Act, so that, by State fiscal year 2011, the State is contributing at the rate otherwise required under this Section.

(a-2) Beginning in fiscal year 2018, each employer under this Article shall pay to the System a required contribution determined as a percentage of projected payroll and sufficient to produce an annual amount equal to:

(i) for each of fiscal years 2018, 2019, and 2020, the defined benefit normal cost of the defined benefit plan, less the employee contribution, for each employee of that employer who has elected or who is deemed to have elected the benefits under Section 1-161 or who has made the election under subsection (c) of Section 1-161; for fiscal year 2021 and each fiscal year thereafter, the defined benefit normal cost of the defined benefit plan, less the employee contribution, plus 2%, for each employee of that employer who has elected or who is deemed to have elected the benefits under Section 1-161 or who has made the election under subsection (c) of Section 1-161; plus

(ii) the amount required for that fiscal year to amortize any unfunded actuarial accrued liability associated with the present value of liabilities attributable to the employer's account under Section 15-155.2, determined as a level percentage of payroll over a 30-year rolling amortization period. In determining contributions required under item (i) of this subsection, the System shall determine an aggregate rate for all employers, expressed as a percentage of projected payroll.

In determining the contributions required under item (ii) of this subsection, the amount shall be computed by the System on the basis of the actuarial assumptions and tables used in the most recent actuarial valuation of the System that is available at the time of the computation.

The contributions required under this subsection (a-2) shall be paid by an employer concurrently with that employer's payroll payment period. The State, as the actual employer of an employee, shall make the required contributions under this subsection.

As used in this subsection, "academic year" means the 12-month period beginning September 1.

(b) If an employee is paid from trust or federal funds, the employer shall pay to the Board contributions from those funds which are sufficient to cover the accruing normal costs on behalf of the employee. However, universities having employees who are compensated out of local auxiliary funds, income funds, or service enterprise funds are not required to pay such contributions on behalf of those employees. The local auxiliary funds, income funds, and service enterprise funds of universities shall not be considered trust funds for the purpose of this Article, but funds of alumni associations, foundations, and athletic associations which are affiliated with the universities included as employers under this Article and other employers which do not receive State appropriations are considered to be trust funds for the purpose of this Article.

(b-1) The City of Urbana and the City of Champaign shall each make employer contributions to this System for their respective firefighter employees who participate in this System pursuant to subsection (h) of Section 15-107. The rate of contributions to be made by those municipalities shall be determined annually by the Board on the basis of the actuarial assumptions adopted by the Board and the recommendations of the actuary, and shall be expressed as a percentage of salary for each such employee. The Board shall certify the rate to the affected municipalities as soon as may be practical. The employer contributions required under this subsection shall be remitted by the municipality to the System at the same time and in the same manner as employee contributions.

(c) Through State fiscal year 1995: The total employer contribution shall be apportioned among the various funds of the State and other employers, whether trust, federal, or other funds, in accordance with actuarial procedures approved by the Board. State of Illinois contributions for employers receiving State appropriations for personal services shall be payable from appropriations made to the employers or to the System. The contributions for Class I community colleges covering earnings other than those paid from trust and federal funds, shall be payable solely from appropriations to the Illinois Community College Board or the System for employer contributions.

(d) Beginning in State fiscal year 1996, the required State contributions to the System shall be appropriated directly to the System and shall be payable through vouchers issued in accordance with subsection (c) of Section 15-165, except as provided in subsection (g).

(e) The State Comptroller shall draw warrants payable to the System upon proper certification by the System or by the employer in accordance with the appropriation laws and this Code.

(f) Normal costs under this Section means liability for pensions and other benefits which accrues to the System because of the credits earned for service rendered by the participants during the fiscal year and expenses of administering the System, but shall not include the principal of or any redemption premium or interest on any bonds issued by the Board or any expenses incurred or deposits required in connection therewith.

(g) For academic years beginning on or after June 1, 2005 and before July 1, 2018 and for earnings paid to a participant under a contract or collective bargaining agreement entered into, amended, or renewed before the effective date of this amendatory Act of the 100th General Assembly, if the amount of a participant's earnings for any academic year used to determine the final rate of earnings, determined on a full-time equivalent basis, exceeds the amount of his or her earnings with the same employer for the previous academic year, determined on a full-time equivalent basis, by more than 6%, the participant's employer shall pay to the System, in addition to all other payments required under this Section and in accordance with guidelines established by the System, the present value of the increase in benefits resulting from the portion of the increase in earnings that is in excess of 6%. This present value shall be computed by the System on the basis of the actuarial assumptions and tables used in the most recent actuarial valuation of the System that is available at the time of the computation. The System may require the employer to provide any pertinent information or documentation.

Whenever it determines that a payment is or may be required under this subsection (g), the System shall calculate the amount of the payment and bill the employer for that amount. The bill shall specify the calculations used to determine the amount due. If the employer disputes the amount of the bill, it may, within 30 days after receipt of the bill, apply to the System in writing for a recalculation. The application must specify in detail the grounds of the dispute and, if the employer asserts that the calculation is subject to subsection (h) or (i) of this Section or that subsection (g-1) applies, must include an affidavit setting forth and attesting to all facts within the employer's knowledge that are pertinent to the applicability of that subsection ~~subsection (h) or (i)~~. Upon receiving a timely application for recalculation, the System shall review the application and, if appropriate, recalculate the amount due.

The employer contributions required under this subsection (g) may be paid in the form of a lump sum within 90 days after receipt of the bill. If the employer contributions are not paid within 90 days after receipt of the bill, then interest will be charged at a rate equal to the System's annual actuarially assumed rate of return on investment compounded annually from the 91st day after receipt of the bill. Payments must be concluded within 3 years after the employer's receipt of the bill.

When assessing payment for any amount due under this subsection (g), the System shall include earnings, to the extent not established by a participant under Section 15-113.11 or 15-113.12, that would have been paid to the participant had the participant not taken (i) periods of voluntary or involuntary furlough occurring on or after July 1, 2015 and on or before June 30, 2017 or (ii) periods of voluntary pay reduction in lieu of furlough occurring on or after July 1, 2015 and on or before June 30, 2017. Determining earnings that would have been paid to a participant had the participant not taken periods of voluntary or involuntary furlough or periods of voluntary pay reduction shall be the responsibility of the employer, and shall be reported in a manner prescribed by the System.

This subsection (g) does not apply to (1) Tier 2 hybrid plan members and (2) Tier 2 defined benefit members who first participate under this Article on or after the implementation date of the Optional Hybrid Plan.

(g-1) For academic years beginning on or after July 1, 2018 and for earnings paid to a participant under a contract or collective bargaining agreement entered into, amended, or renewed on or after the effective date of this amendatory Act of the 100th General Assembly, if the amount of a participant's earnings for any academic year used to determine the final rate of earnings, determined on a full-time equivalent basis, exceeds the amount of his or her earnings with the same employer for the previous academic year, determined on a full-time equivalent basis, by more than 3%, then the participant's employer shall pay to the System, in addition to all other payments required under this Section and in accordance with guidelines established by the System, the present value of the increase in benefits resulting from the portion of the increase in earnings that is in excess of 3%. This present value shall be computed by the System on the basis of the actuarial assumptions and tables used in the most recent actuarial valuation of the System that is available at the time of the computation. The System may require the employer to provide any pertinent information or documentation.

Whenever it determines that a payment is or may be required under this subsection (g-1), the System shall calculate the amount of the payment and bill the employer for that amount. The bill shall specify the calculations used to determine the amount due. If the employer disputes the amount of the bill, it may, within 30 days after receipt of the bill, apply to the System in writing for a recalculation. The application must specify in detail the grounds of the dispute and, if the employer asserts that subsection (g) of this

Section applies, must include an affidavit setting forth and attesting to all facts within the employer's knowledge that are pertinent to the applicability of subsection (g). Upon receiving a timely application for recalculation, the System shall review the application and, if appropriate, recalculate the amount due.

The employer contributions required under this subsection (g-1) may be paid in the form of a lump sum within 90 days after receipt of the bill. If the employer contributions are not paid within 90 days after receipt of the bill, then interest shall be charged at a rate equal to the System's annual actuarially assumed rate of return on investment compounded annually from the 91st day after receipt of the bill. Payments must be concluded within 3 years after the employer's receipt of the bill.

This subsection (g-1) does not apply to (1) Tier 2 hybrid plan members and (2) Tier 2 defined benefit members who first participate under this Article on or after the implementation date of the Optional Hybrid Plan.

(h) This subsection (h) applies only to payments made or salary increases given on or after June 1, 2005 but before July 1, 2011. The changes made by Public Act 94-1057 shall not require the System to refund any payments received before July 31, 2006 (the effective date of Public Act 94-1057).

When assessing payment for any amount due under subsection (g), the System shall exclude earnings increases paid to participants under contracts or collective bargaining agreements entered into, amended, or renewed before June 1, 2005.

When assessing payment for any amount due under subsection (g), the System shall exclude earnings increases paid to a participant at a time when the participant is 10 or more years from retirement eligibility under Section 15-135.

When assessing payment for any amount due under subsection (g), the System shall exclude earnings increases resulting from overload work, including a contract for summer teaching, or overtime when the employer has certified to the System, and the System has approved the certification, that: (i) in the case of overloads (A) the overload work is for the sole purpose of academic instruction in excess of the standard number of instruction hours for a full-time employee occurring during the academic year that the overload is paid and (B) the earnings increases are equal to or less than the rate of pay for academic instruction computed using the participant's current salary rate and work schedule; and (ii) in the case of overtime, the overtime was necessary for the educational mission.

When assessing payment for any amount due under subsection (g), the System shall exclude any earnings increase resulting from (i) a promotion for which the employee moves from one classification to a higher classification under the State Universities Civil Service System, (ii) a promotion in academic rank for a tenured or tenure-track faculty position, or (iii) a promotion that the Illinois Community College Board has recommended in accordance with subsection (k) of this Section. These earnings increases shall be excluded only if the promotion is to a position that has existed and been filled by a member for no less than one complete academic year and the earnings increase as a result of the promotion is an increase that results in an amount no greater than the average salary paid for other similar positions.

(i) When assessing payment for any amount due under subsection (g), the System shall exclude any salary increase described in subsection (h) of this Section given on or after July 1, 2011 but before July 1, 2014 under a contract or collective bargaining agreement entered into, amended, or renewed on or after June 1, 2005 but before July 1, 2011. Notwithstanding any other provision of this Section, any payments made or salary increases given after June 30, 2014 shall be used in assessing payment for any amount due under subsection (g) of this Section.

(j) The System shall prepare a report and file copies of the report with the Governor and the General Assembly by January 1, 2007 that contains all of the following information:

- (1) The number of recalculations required by the changes made to this Section by Public Act 94-1057 for each employer.
- (2) The dollar amount by which each employer's contribution to the System was changed due to recalculations required by Public Act 94-1057.
- (3) The total amount the System received from each employer as a result of the changes made to this Section by Public Act 94-4.
- (4) The increase in the required State contribution resulting from the changes made to this Section by Public Act 94-1057.

(j-5) For academic years beginning on or after July 1, 2017, if the amount of a participant's earnings for any school year, determined on a full-time equivalent basis, exceeds the amount of the salary set for the Governor, the participant's employer shall pay to the System, in addition to all other payments required under this Section and in accordance with guidelines established by the System, an amount determined by the System to be equal to the employer normal cost, as established by the System and expressed as a total percentage of payroll, multiplied by the amount of earnings in excess of the amount of the salary set for the Governor. This amount shall be computed by the System on the basis of the actuarial assumptions and

tables used in the most recent actuarial valuation of the System that is available at the time of the computation. The System may require the employer to provide any pertinent information or documentation.

Whenever it determines that a payment is or may be required under this subsection, the System shall calculate the amount of the payment and bill the employer for that amount. The bill shall specify the calculations used to determine the amount due. If the employer disputes the amount of the bill, it may, within 30 days after receipt of the bill, apply to the System in writing for a recalculation. The application must specify in detail the grounds of the dispute. Upon receiving a timely application for recalculation, the System shall review the application and, if appropriate, recalculate the amount due.

The employer contributions required under this subsection may be paid in the form of a lump sum within 90 days after receipt of the bill. If the employer contributions are not paid within 90 days after receipt of the bill, then interest will be charged at a rate equal to the System's annual actuarially assumed rate of return on investment compounded annually from the 91st day after receipt of the bill. Payments must be concluded within 3 years after the employer's receipt of the bill.

(k) The Illinois Community College Board shall adopt rules for recommending lists of promotional positions submitted to the Board by community colleges and for reviewing the promotional lists on an annual basis. When recommending promotional lists, the Board shall consider the similarity of the positions submitted to those positions recognized for State universities by the State Universities Civil Service System. The Illinois Community College Board shall file a copy of its findings with the System. The System shall consider the findings of the Illinois Community College Board when making determinations under this Section. The System shall not exclude any earnings increases resulting from a promotion when the promotion was not submitted by a community college. Nothing in this subsection (k) shall require any community college to submit any information to the Community College Board.

(l) For purposes of determining the required State contribution to the System, the value of the System's assets shall be equal to the actuarial value of the System's assets, which shall be calculated as follows:

As of June 30, 2008, the actuarial value of the System's assets shall be equal to the market value of the assets as of that date. In determining the actuarial value of the System's assets for fiscal years after June 30, 2008, any actuarial gains or losses from investment return incurred in a fiscal year shall be recognized in equal annual amounts over the 5-year period following that fiscal year.

(m) For purposes of determining the required State contribution to the system for a particular year, the actuarial value of assets shall be assumed to earn a rate of return equal to the system's actuarially assumed rate of return.

(40 ILCS 5/15-165) (from Ch. 108 1/2, par. 15-165)

Sec. 15-165. To certify amounts and submit vouchers.

(a) The Board shall certify to the Governor on or before November 15 of each year until November 15, 2011 the appropriation required from State funds for the purposes of this System for the following fiscal year. The certification under this subsection (a) shall include a copy of the actuarial recommendations upon which it is based and shall specifically identify the System's projected State normal cost for that fiscal year and the projected State cost for the self-managed plan for that fiscal year.

On or before May 1, 2004, the Board shall recalculate and recertify to the Governor the amount of the required State contribution to the System for State fiscal year 2005, taking into account the amounts appropriated to and received by the System under subsection (d) of Section 7.2 of the General Obligation Bond Act.

On or before July 1, 2005, the Board shall recalculate and recertify to the Governor the amount of the required State contribution to the System for State fiscal year 2006, taking into account the changes in required State contributions made by this amendatory Act of the 94th General Assembly.

On or before April 1, 2011, the Board shall recalculate and recertify to the Governor the amount of the required State contribution to the System for State fiscal year 2011, applying the changes made by Public Act 96-889 to the System's assets and liabilities as of June 30, 2009 as though Public Act 96-889 was approved on that date.

(a-5) On or before November 1 of each year, beginning November 1, 2012, the Board shall submit to the State Actuary, the Governor, and the General Assembly a proposed certification of the amount of the required State contribution to the System for the next fiscal year, along with all of the actuarial assumptions, calculations, and data upon which that proposed certification is based. On or before January 1 of each year, beginning January 1, 2013, the State Actuary shall issue a preliminary report concerning the proposed certification and identifying, if necessary, recommended changes in actuarial assumptions that the Board must consider before finalizing its certification of the required State contributions. On or before January 15, 2013 and each January 15 thereafter, the Board shall certify to the Governor and the

[May 30, 2018]

General Assembly the amount of the required State contribution for the next fiscal year. The Board's certification must note, in a written response to the State Actuary, any deviations from the State Actuary's recommended changes, the reason or reasons for not following the State Actuary's recommended changes, and the fiscal impact of not following the State Actuary's recommended changes on the required State contribution.

(a-10) By November 1, 2017, the Board shall recalculate and recertify to the State Actuary, the Governor, and the General Assembly the amount of the State contribution to the System for State fiscal year 2018, taking into account the changes in required State contributions made by this amendatory Act of the 100th General Assembly. The State Actuary shall review the assumptions and valuations underlying the Board's revised certification and issue a preliminary report concerning the proposed recertification and identifying, if necessary, recommended changes in actuarial assumptions that the Board must consider before finalizing its certification of the required State contributions. The Board's final certification must note any deviations from the State Actuary's recommended changes, the reason or reasons for not following the State Actuary's recommended changes, and the fiscal impact of not following the State Actuary's recommended changes on the required State contribution.

(a-15) On or after June 15, 2019, but no later than June 30, 2019, the Board shall recalculate and recertify to the Governor and the General Assembly the amount of the State contribution to the System for State fiscal year 2019, taking into account the changes in required State contributions made by this amendatory Act of the 100th General Assembly. The recalculation shall be made using assumptions adopted by the Board for the original fiscal year 2019 certification. The monthly voucher for the 12th month of fiscal year 2019 shall be paid by the Comptroller after the recertification required pursuant to this subsection is submitted to the Governor, Comptroller, and General Assembly. The recertification submitted to the General Assembly shall be filed with the Clerk of the House of Representatives and the Secretary of the Senate in electronic form only, in the manner that the Clerk and the Secretary shall direct.

(b) The Board shall certify to the State Comptroller or employer, as the case may be, from time to time, by its chairperson and secretary, with its seal attached, the amounts payable to the System from the various funds.

(c) Beginning in State fiscal year 1996, on or as soon as possible after the 15th day of each month the Board shall submit vouchers for payment of State contributions to the System, in a total monthly amount of one-twelfth of the required annual State contribution certified under subsection (a). From the effective date of this amendatory Act of the 93rd General Assembly through June 30, 2004, the Board shall not submit vouchers for the remainder of fiscal year 2004 in excess of the fiscal year 2004 certified contribution amount determined under this Section after taking into consideration the transfer to the System under subsection (b) of Section 6z-61 of the State Finance Act. These vouchers shall be paid by the State Comptroller and Treasurer by warrants drawn on the funds appropriated to the System for that fiscal year.

If in any month the amount remaining unexpended from all other appropriations to the System for the applicable fiscal year (including the appropriations to the System under Section 8.12 of the State Finance Act and Section 1 of the State Pension Funds Continuing Appropriation Act) is less than the amount lawfully vouchered under this Section, the difference shall be paid from the General Revenue Fund under the continuing appropriation authority provided in Section 1.1 of the State Pension Funds Continuing Appropriation Act.

(d) So long as the payments received are the full amount lawfully vouchered under this Section, payments received by the System under this Section shall be applied first toward the employer contribution to the self-managed plan established under Section 15-158.2. Payments shall be applied second toward the employer's portion of the normal costs of the System, as defined in subsection (f) of Section 15-155. The balance shall be applied toward the unfunded actuarial liabilities of the System.

(e) In the event that the System does not receive, as a result of legislative enactment or otherwise, payments sufficient to fully fund the employer contribution to the self-managed plan established under Section 15-158.2 and to fully fund that portion of the employer's portion of the normal costs of the System, as calculated in accordance with Section 15-155(a-1), then any payments received shall be applied proportionately to the optional retirement program established under Section 15-158.2 and to the employer's portion of the normal costs of the System, as calculated in accordance with Section 15-155(a-1).

(40 ILCS 5/15-185.5 new)

Sec. 15-185.5. Accelerated pension benefit payment in lieu of any pension benefit.

(a) As used in this Section:

"Eligible person" means a person who:

(1) has terminated service;

(2) has accrued sufficient service credit to be eligible to receive a retirement annuity under this Article;

(3) has not received any retirement annuity under this Article;

(4) has not made the election under Section 15-185.6; and

(5) is not a participant in the self-managed plan under Section 15-158.2.

"Implementation date" means the earliest date upon which the Board authorizes eligible persons to begin irrevocably electing the accelerated pension benefit payment option under this Section. The Board shall endeavor to make such participation available as soon as possible after the effective date of this amendatory Act of the 100th General Assembly and shall establish an implementation date by Board resolution.

"Pension benefit" means the benefits under this Article, or Article 1 as it relates to those benefits, including any anticipated annual increases, that an eligible person is entitled to upon attainment of the applicable retirement age. "Pension benefit" also includes applicable survivors benefits, disability benefits, or disability retirement annuity benefits.

(b) Beginning on the implementation date, the System shall offer each eligible person the opportunity to irrevocably elect to receive an amount determined by the System to be equal to 60% of the present value of his or her pension benefits in lieu of receiving any pension benefit. The System shall calculate, using actuarial tables and other assumptions adopted by the Board, the present value of pension benefits for each eligible person upon his or her request in writing to the System. The System shall not perform more than one calculation per eligible member in a State fiscal year. The offer shall specify the dollar amount that the eligible person will receive if he or she so elects and shall expire when a subsequent offer is made to an eligible person. The System shall make a good faith effort to contact every eligible person to notify him or her of the election.

Beginning on the implementation date and until June 30, 2021, an eligible person may irrevocably elect to receive an accelerated pension benefit payment in the amount that the System offers under this subsection in lieu of receiving any pension benefit. A person who elects to receive an accelerated pension benefit payment under this Section may not elect to proceed under the Retirement Systems Reciprocal Act with respect to service under this Article.

(c) Upon payment of an accelerated pension benefit payment under this Section, the person forfeits all accrued rights and credits in the System and no other benefit shall be paid under this Article based on those forfeited rights and credits, including any retirement, survivor, or other benefit; except that to the extent that participation, benefits, or premiums under the State Employees Group Insurance Act of 1971 are based on the amount of service credit, the terminated service credit shall be used for that purpose.

(d) If a person who has received an accelerated pension benefit payment under this Section returns to participation under this Article, any benefits under the System earned as a result of that return to participation shall be based solely on the person's credits and creditable service arising from the return to participation. Upon return to participation, the person shall be considered a new employee subject to all the qualifying conditions for participation and eligibility for benefits applicable to new employees.

(d-5) The accelerated pension benefit payment may not be repaid to the System, and the forfeited rights and credits may not under any circumstances be reinstated.

(e) As a condition of receiving an accelerated pension benefit payment, the accelerated pension benefit payment must be deposited into a tax qualified retirement plan or account identified by the eligible person at the time of the election. The accelerated pension benefit payment under this Section may be subject to withholding or payment of applicable taxes, but to the extent permitted by federal law, a person who receives an accelerated pension benefit payment under this Section must direct the System to pay all of that payment as a rollover into another retirement plan or account qualified under the Internal Revenue Code of 1986, as amended.

(f) The System shall submit vouchers to the State Comptroller for the payment of accelerated pension benefit payments under this Section. The State Comptroller shall pay the amounts of the vouchers from the State Pension Obligation Acceleration Bond Fund to the System, and the System shall deposit the amounts into the applicable tax qualified plans or accounts.

(g) The Board shall adopt any rules, including emergency rules, necessary to implement this Section.

(h) No provision of this Section shall be interpreted in a way that would cause the System to cease to be a qualified plan under the Internal Revenue Code of 1986.

(40 ILCS 5/15-185.6 new)

Sec. 15-185.6. Accelerated pension benefit payment for a reduction in an annual increase to a retirement annuity and an annuity benefit payable as a result of death.

(a) As used in this Section:

[May 30, 2018]

"Accelerated pension benefit payment" means a lump sum payment equal to 70% of the difference of: (i) the present value of the automatic annual increases to a Tier 1 member's retirement annuity, including any increases to any annuity benefit payable as a result of his or her death, using the formula applicable to the Tier 1 member; and (ii) the present value of the automatic annual increases to the Tier 1 member's retirement annuity, including any increases to any annuity benefit payable as a result of his or her death, using the formula provided under subsection (b-5).

"Eligible person" means a person who:

- (1) is a Tier 1 member;
- (2) has submitted an application for a retirement annuity under this Article;
- (3) meets the age and service requirements for receiving a retirement annuity under this Article;
- (4) has not received any retirement annuity under this Article;
- (5) has not made the election under Section 15-185.5; and
- (6) is not a participant in the self-managed plan under Section 15-158.2.

"Implementation date" means the earliest date upon which the Board authorizes eligible persons to begin irrevocably electing the accelerated pension benefit payment option under this Section. The Board shall endeavor to make such participation available as soon as possible after the effective date of this amendatory Act of the 100th General Assembly and shall establish an implementation date by Board resolution.

(b) Beginning on the implementation date and until June 30, 2021, the System shall implement an accelerated pension benefit payment option for eligible persons. The System shall calculate, using actuarial tables and other assumptions adopted by the Board, an accelerated pension benefit payment amount for an eligible person upon his or her request in writing to the System and shall offer that eligible person the opportunity to irrevocably elect to have his or her automatic annual increases in retirement annuity and any annuity benefit payable as a result of his or her death calculated in accordance with the formula provided in subsection (b-5) in exchange for the accelerated pension benefit payment. The System shall not perform more than one calculation under this Section per eligible person in a State fiscal year. The election under this subsection must be made before any retirement annuity is paid to the eligible person, and the eligible survivor, spouse, or contingent annuitant, as applicable, must consent to the election under this subsection.

(b-5) Notwithstanding any other provision of law, the retirement annuity of a person who made the election under subsection (b) shall be increased annually beginning on the January 1 occurring either on or after the attainment of age 67 or the first anniversary of the annuity start date, whichever is later, and any annuity benefit payable as a result of his or her death shall be increased annually beginning on: (1) the January 1 occurring on or after the commencement of the annuity if the deceased Tier 1 member died while receiving a retirement annuity; or (2) the January 1 occurring after the first anniversary of the commencement of the benefit. Each annual increase shall be calculated at 1.5% of the originally granted retirement annuity or annuity benefit payable as a result of the Tier 1 member's death.

(c) If an annuitant who has received an accelerated pension benefit payment returns to participation under this Article, the calculation of any future automatic annual increase in retirement annuity under subsection (c) of Section 15-139 shall be calculated in accordance with the formula provided in subsection (b-5).

(c-5) The accelerated pension benefit payment may not be repaid to the System.

(d) As a condition of receiving an accelerated pension benefit payment, the accelerated pension benefit payment must be deposited into a tax qualified retirement plan or account identified by the eligible person at the time of election. The accelerated pension benefit payment under this Section may be subject to withholding or payment of applicable taxes, but to the extent permitted by federal law, a person who receives an accelerated pension benefit payment under this Section must direct the System to pay all of that payment as a rollover into another retirement plan or account qualified under the Internal Revenue Code of 1986, as amended.

(d-5) The System shall submit vouchers to the State Comptroller for the payment of accelerated pension benefit payments under this Section. The State Comptroller shall pay the amounts of the vouchers from the State Pension Obligation Acceleration Bond Fund to the System, and the System shall deposit the amounts into the applicable tax qualified plans or accounts.

(e) The Board shall adopt any rules, including emergency rules, necessary to implement this Section.

(f) No provision of this Section shall be interpreted in a way that would cause the System to cease to be a qualified plan under the Internal Revenue Code of 1986.

(40 ILCS 5/15-198)

Sec. 15-198. Application and expiration of new benefit increases.

(a) As used in this Section, "new benefit increase" means an increase in the amount of any benefit provided under this Article, or an expansion of the conditions of eligibility for any benefit under this Article, that results from an amendment to this Code that takes effect after the effective date of this amendatory Act of the 94th General Assembly. "New benefit increase", however, does not include any benefit increase resulting from the changes made to Article 1 or this Article by Public Act 100-23 or this amendatory Act of the 100th General Assembly ~~this amendatory Act of the 100th General Assembly~~.

(b) Notwithstanding any other provision of this Code or any subsequent amendment to this Code, every new benefit increase is subject to this Section and shall be deemed to be granted only in conformance with and contingent upon compliance with the provisions of this Section.

(c) The Public Act enacting a new benefit increase must identify and provide for payment to the System of additional funding at least sufficient to fund the resulting annual increase in cost to the System as it accrues.

Every new benefit increase is contingent upon the General Assembly providing the additional funding required under this subsection. The Commission on Government Forecasting and Accountability shall analyze whether adequate additional funding has been provided for the new benefit increase and shall report its analysis to the Public Pension Division of the Department of Insurance. A new benefit increase created by a Public Act that does not include the additional funding required under this subsection is null and void. If the Public Pension Division determines that the additional funding provided for a new benefit increase under this subsection is or has become inadequate, it may so certify to the Governor and the State Comptroller and, in the absence of corrective action by the General Assembly, the new benefit increase shall expire at the end of the fiscal year in which the certification is made.

(d) Every new benefit increase shall expire 5 years after its effective date or on such earlier date as may be specified in the language enacting the new benefit increase or provided under subsection (c). This does not prevent the General Assembly from extending or re-creating a new benefit increase by law.

(e) Except as otherwise provided in the language creating the new benefit increase, a new benefit increase that expires under this Section continues to apply to persons who applied and qualified for the affected benefit while the new benefit increase was in effect and to the affected beneficiaries and alternate payees of such persons, but does not apply to any other person, including without limitation a person who continues in service after the expiration date and did not apply and qualify for the affected benefit while the new benefit increase was in effect.

(40 ILCS 5/16-106.41 new)

Sec. 16-106.41. Tier 1 member. "Tier 1 member": A member under this Article who first became a member or participant before January 1, 2011 under any reciprocal retirement system or pension fund established under this Code other than a retirement system or pension fund established under Article 2, 3, 4, 5, 6, or 18 of this Code.

(40 ILCS 5/16-158) (from Ch. 108 1/2, par. 16-158)

Sec. 16-158. Contributions by State and other employing units.

(a) The State shall make contributions to the System by means of appropriations from the Common School Fund and other State funds of amounts which, together with other employer contributions, employee contributions, investment income, and other income, will be sufficient to meet the cost of maintaining and administering the System on a 90% funded basis in accordance with actuarial recommendations.

The Board shall determine the amount of State contributions required for each fiscal year on the basis of the actuarial tables and other assumptions adopted by the Board and the recommendations of the actuary, using the formula in subsection (b-3).

(a-1) Annually, on or before November 15 until November 15, 2011, the Board shall certify to the Governor the amount of the required State contribution for the coming fiscal year. The certification under this subsection (a-1) shall include a copy of the actuarial recommendations upon which it is based and shall specifically identify the System's projected State normal cost for that fiscal year.

On or before May 1, 2004, the Board shall recalculate and recertify to the Governor the amount of the required State contribution to the System for State fiscal year 2005, taking into account the amounts appropriated to and received by the System under subsection (d) of Section 7.2 of the General Obligation Bond Act.

On or before July 1, 2005, the Board shall recalculate and recertify to the Governor the amount of the required State contribution to the System for State fiscal year 2006, taking into account the changes in required State contributions made by Public Act 94-4 ~~this amendatory Act of the 94th General Assembly~~.

On or before April 1, 2011, the Board shall recalculate and recertify to the Governor the amount of the required State contribution to the System for State fiscal year 2011, applying the changes made by Public

Act 96-889 to the System's assets and liabilities as of June 30, 2009 as though Public Act 96-889 was approved on that date.

(a-5) On or before November 1 of each year, beginning November 1, 2012, the Board shall submit to the State Actuary, the Governor, and the General Assembly a proposed certification of the amount of the required State contribution to the System for the next fiscal year, along with all of the actuarial assumptions, calculations, and data upon which that proposed certification is based. On or before January 1 of each year, beginning January 1, 2013, the State Actuary shall issue a preliminary report concerning the proposed certification and identifying, if necessary, recommended changes in actuarial assumptions that the Board must consider before finalizing its certification of the required State contributions. On or before January 15, 2013 and each January 15 thereafter, the Board shall certify to the Governor and the General Assembly the amount of the required State contribution for the next fiscal year. The Board's certification must note any deviations from the State Actuary's recommended changes, the reason or reasons for not following the State Actuary's recommended changes, and the fiscal impact of not following the State Actuary's recommended changes on the required State contribution.

(a-10) By November 1, 2017, the Board shall recalculate and recertify to the State Actuary, the Governor, and the General Assembly the amount of the State contribution to the System for State fiscal year 2018, taking into account the changes in required State contributions made by Public Act 100-23 ~~this amendatory Act of the 100th General Assembly~~. The State Actuary shall review the assumptions and valuations underlying the Board's revised certification and issue a preliminary report concerning the proposed recertification and identifying, if necessary, recommended changes in actuarial assumptions that the Board must consider before finalizing its certification of the required State contributions. The Board's final certification must note any deviations from the State Actuary's recommended changes, the reason or reasons for not following the State Actuary's recommended changes, and the fiscal impact of not following the State Actuary's recommended changes on the required State contribution.

(a-15) On or after June 15, 2019, but no later than June 30, 2019, the Board shall recalculate and recertify to the Governor and the General Assembly the amount of the State contribution to the System for State fiscal year 2019, taking into account the changes in required State contributions made by this amendatory Act of the 100th General Assembly. The recalculation shall be made using assumptions adopted by the Board for the original fiscal year 2019 certification. The monthly voucher for the 12th month of fiscal year 2019 shall be paid by the Comptroller after the recertification required pursuant to this subsection is submitted to the Governor, Comptroller, and General Assembly. The recertification submitted to the General Assembly shall be filed with the Clerk of the House of Representatives and the Secretary of the Senate in electronic form only, in the manner that the Clerk and the Secretary shall direct.

(b) Through State fiscal year 1995, the State contributions shall be paid to the System in accordance with Section 18-7 of the School Code.

(b-1) Beginning in State fiscal year 1996, on the 15th day of each month, or as soon thereafter as may be practicable, the Board shall submit vouchers for payment of State contributions to the System, in a total monthly amount of one-twelfth of the required annual State contribution certified under subsection (a-1). From March 5, 2004 (the effective date of Public Act 93-665) ~~this amendatory Act of the 93rd General Assembly~~ through June 30, 2004, the Board shall not submit vouchers for the remainder of fiscal year 2004 in excess of the fiscal year 2004 certified contribution amount determined under this Section after taking into consideration the transfer to the System under subsection (a) of Section 6z-61 of the State Finance Act. These vouchers shall be paid by the State Comptroller and Treasurer by warrants drawn on the funds appropriated to the System for that fiscal year.

If in any month the amount remaining unexpended from all other appropriations to the System for the applicable fiscal year (including the appropriations to the System under Section 8.12 of the State Finance Act and Section 1 of the State Pension Funds Continuing Appropriation Act) is less than the amount lawfully vouchered under this subsection, the difference shall be paid from the Common School Fund under the continuing appropriation authority provided in Section 1.1 of the State Pension Funds Continuing Appropriation Act.

(b-2) Allocations from the Common School Fund apportioned to school districts not coming under this System shall not be diminished or affected by the provisions of this Article.

(b-3) For State fiscal years 2012 through 2045, the minimum contribution to the System to be made by the State for each fiscal year shall be an amount determined by the System to be sufficient to bring the total assets of the System up to 90% of the total actuarial liabilities of the System by the end of State fiscal year 2045. In making these determinations, the required State contribution shall be calculated each year as a level percentage of payroll over the years remaining to and including fiscal year 2045 and shall be determined under the projected unit credit actuarial cost method.

For each of State fiscal years 2018, 2019, and 2020, the State shall make an additional contribution to the System equal to 2% of the total payroll of each employee who is deemed to have elected the benefits under Section 1-161 or who has made the election under subsection (c) of Section 1-161.

A change in an actuarial or investment assumption that increases or decreases the required State contribution and first applies in State fiscal year 2018 or thereafter shall be implemented in equal annual amounts over a 5-year period beginning in the State fiscal year in which the actuarial change first applies to the required State contribution.

A change in an actuarial or investment assumption that increases or decreases the required State contribution and first applied to the State contribution in fiscal year 2014, 2015, 2016, or 2017 shall be implemented:

(i) as already applied in State fiscal years before 2018; and

(ii) in the portion of the 5-year period beginning in the State fiscal year in which the actuarial change first applied that occurs in State fiscal year 2018 or thereafter, by calculating the change in equal annual amounts over that 5-year period and then implementing it at the resulting annual rate in each of the remaining fiscal years in that 5-year period.

For State fiscal years 1996 through 2005, the State contribution to the System, as a percentage of the applicable employee payroll, shall be increased in equal annual increments so that by State fiscal year 2011, the State is contributing at the rate required under this Section; except that in the following specified State fiscal years, the State contribution to the System shall not be less than the following indicated percentages of the applicable employee payroll, even if the indicated percentage will produce a State contribution in excess of the amount otherwise required under this subsection and subsection (a), and notwithstanding any contrary certification made under subsection (a-1) before May 27, 1998 (the effective date of Public Act 90-582) ~~this amendatory Act of 1998~~: 10.02% in FY 1999; 10.77% in FY 2000; 11.47% in FY 2001; 12.16% in FY 2002; 12.86% in FY 2003; and 13.56% in FY 2004.

Notwithstanding any other provision of this Article, the total required State contribution for State fiscal year 2006 is \$534,627,700.

Notwithstanding any other provision of this Article, the total required State contribution for State fiscal year 2007 is \$738,014,500.

For each of State fiscal years 2008 through 2009, the State contribution to the System, as a percentage of the applicable employee payroll, shall be increased in equal annual increments from the required State contribution for State fiscal year 2007, so that by State fiscal year 2011, the State is contributing at the rate otherwise required under this Section.

Notwithstanding any other provision of this Article, the total required State contribution for State fiscal year 2010 is \$2,089,268,000 and shall be made from the proceeds of bonds sold in fiscal year 2010 pursuant to Section 7.2 of the General Obligation Bond Act, less (i) the pro rata share of bond sale expenses determined by the System's share of total bond proceeds, (ii) any amounts received from the Common School Fund in fiscal year 2010, and (iii) any reduction in bond proceeds due to the issuance of discounted bonds, if applicable.

Notwithstanding any other provision of this Article, the total required State contribution for State fiscal year 2011 is the amount recertified by the System on or before April 1, 2011 pursuant to subsection (a-1) of this Section and shall be made from the proceeds of bonds sold in fiscal year 2011 pursuant to Section 7.2 of the General Obligation Bond Act, less (i) the pro rata share of bond sale expenses determined by the System's share of total bond proceeds, (ii) any amounts received from the Common School Fund in fiscal year 2011, and (iii) any reduction in bond proceeds due to the issuance of discounted bonds, if applicable. This amount shall include, in addition to the amount certified by the System, an amount necessary to meet employer contributions required by the State as an employer under paragraph (e) of this Section, which may also be used by the System for contributions required by paragraph (a) of Section 16-127.

Beginning in State fiscal year 2046, the minimum State contribution for each fiscal year shall be the amount needed to maintain the total assets of the System at 90% of the total actuarial liabilities of the System.

Amounts received by the System pursuant to Section 25 of the Budget Stabilization Act or Section 8.12 of the State Finance Act in any fiscal year do not reduce and do not constitute payment of any portion of the minimum State contribution required under this Article in that fiscal year. Such amounts shall not reduce, and shall not be included in the calculation of, the required State contributions under this Article in any future year until the System has reached a funding ratio of at least 90%. A reference in this Article to the "required State contribution" or any substantially similar term does not include or apply to any amounts payable to the System under Section 25 of the Budget Stabilization Act.

Notwithstanding any other provision of this Section, the required State contribution for State fiscal year 2005 and for fiscal year 2008 and each fiscal year thereafter, as calculated under this Section and certified under subsection (a-1), shall not exceed an amount equal to (i) the amount of the required State contribution that would have been calculated under this Section for that fiscal year if the System had not received any payments under subsection (d) of Section 7.2 of the General Obligation Bond Act, minus (ii) the portion of the State's total debt service payments for that fiscal year on the bonds issued in fiscal year 2003 for the purposes of that Section 7.2, as determined and certified by the Comptroller, that is the same as the System's portion of the total moneys distributed under subsection (d) of Section 7.2 of the General Obligation Bond Act. In determining this maximum for State fiscal years 2008 through 2010, however, the amount referred to in item (i) shall be increased, as a percentage of the applicable employee payroll, in equal increments calculated from the sum of the required State contribution for State fiscal year 2007 plus the applicable portion of the State's total debt service payments for fiscal year 2007 on the bonds issued in fiscal year 2003 for the purposes of Section 7.2 of the General Obligation Bond Act, so that, by State fiscal year 2011, the State is contributing at the rate otherwise required under this Section.

(b-4) Beginning in fiscal year 2018, each employer under this Article shall pay to the System a required contribution determined as a percentage of projected payroll and sufficient to produce an annual amount equal to:

(i) for each of fiscal years 2018, 2019, and 2020, the defined benefit normal cost of

the defined benefit plan, less the employee contribution, for each employee of that employer who has elected or who is deemed to have elected the benefits under Section 1-161 or who has made the election under subsection (b) of Section 1-161; for fiscal year 2021 and each fiscal year thereafter, the defined benefit normal cost of the defined benefit plan, less the employee contribution, plus 2%, for each employee of that employer who has elected or who is deemed to have elected the benefits under Section 1-161 or who has made the election under subsection (b) of Section 1-161; plus

(ii) the amount required for that fiscal year to amortize any unfunded actuarial accrued

liability associated with the present value of liabilities attributable to the employer's account under Section 16-158.3, determined as a level percentage of payroll over a 30-year rolling amortization period.

In determining contributions required under item (i) of this subsection, the System shall determine an aggregate rate for all employers, expressed as a percentage of projected payroll.

In determining the contributions required under item (ii) of this subsection, the amount shall be computed by the System on the basis of the actuarial assumptions and tables used in the most recent actuarial valuation of the System that is available at the time of the computation.

The contributions required under this subsection (b-4) shall be paid by an employer concurrently with that employer's payroll payment period. The State, as the actual employer of an employee, shall make the required contributions under this subsection.

(c) Payment of the required State contributions and of all pensions, retirement annuities, death benefits, refunds, and other benefits granted under or assumed by this System, and all expenses in connection with the administration and operation thereof, are obligations of the State.

If members are paid from special trust or federal funds which are administered by the employing unit, whether school district or other unit, the employing unit shall pay to the System from such funds the full accruing retirement costs based upon that service, which, beginning July 1, 2017, shall be at a rate, expressed as a percentage of salary, equal to the total employer's normal cost, expressed as a percentage of payroll, as determined by the System. Employer contributions, based on salary paid to members from federal funds, may be forwarded by the distributing agency of the State of Illinois to the System prior to allocation, in an amount determined in accordance with guidelines established by such agency and the System. Any contribution for fiscal year 2015 collected as a result of the change made by Public Act 98-674 this amendatory Act of the 98th General Assembly shall be considered a State contribution under subsection (b-3) of this Section.

(d) Effective July 1, 1986, any employer of a teacher as defined in paragraph (8) of Section 16-106 shall pay the employer's normal cost of benefits based upon the teacher's service, in addition to employee contributions, as determined by the System. Such employer contributions shall be forwarded monthly in accordance with guidelines established by the System.

However, with respect to benefits granted under Section 16-133.4 or 16-133.5 to a teacher as defined in paragraph (8) of Section 16-106, the employer's contribution shall be 12% (rather than 20%) of the member's highest annual salary rate for each year of creditable service granted, and the employer shall also pay the required employee contribution on behalf of the teacher. For the purposes of Sections 16-133.4 and 16-133.5, a teacher as defined in paragraph (8) of Section 16-106 who is serving in that capacity while on leave of absence from another employer under this Article shall not be considered an employee of the employer from which the teacher is on leave.

(e) Beginning July 1, 1998, every employer of a teacher shall pay to the System an employer contribution computed as follows:

(1) Beginning July 1, 1998 through June 30, 1999, the employer contribution shall be equal to 0.3% of each teacher's salary.

(2) Beginning July 1, 1999 and thereafter, the employer contribution shall be equal to 0.58% of each teacher's salary.

The school district or other employing unit may pay these employer contributions out of any source of funding available for that purpose and shall forward the contributions to the System on the schedule established for the payment of member contributions.

These employer contributions are intended to offset a portion of the cost to the System of the increases in retirement benefits resulting from ~~Public Act 90-582 this amendatory Act of 1998.~~

Each employer of teachers is entitled to a credit against the contributions required under this subsection (e) with respect to salaries paid to teachers for the period January 1, 2002 through June 30, 2003, equal to the amount paid by that employer under subsection (a-5) of Section 6.6 of the State Employees Group Insurance Act of 1971 with respect to salaries paid to teachers for that period.

The additional 1% employee contribution required under Section 16-152 by ~~Public Act 90-582 this amendatory Act of 1998~~ is the responsibility of the teacher and not the teacher's employer, unless the employer agrees, through collective bargaining or otherwise, to make the contribution on behalf of the teacher.

If an employer is required by a contract in effect on May 1, 1998 between the employer and an employee organization to pay, on behalf of all its full-time employees covered by this Article, all mandatory employee contributions required under this Article, then the employer shall be excused from paying the employer contribution required under this subsection (e) for the balance of the term of that contract. The employer and the employee organization shall jointly certify to the System the existence of the contractual requirement, in such form as the System may prescribe. This exclusion shall cease upon the termination, extension, or renewal of the contract at any time after May 1, 1998.

(f) For school years beginning on or after June 1, 2005 and before July 1, 2018 and for salary paid to a teacher under a contract or collective bargaining agreement entered into, amended, or renewed before the effective date of this amendatory Act of the 100th General Assembly, if If the amount of a teacher's salary for any school year used to determine final average salary exceeds the member's annual full-time salary rate with the same employer for the previous school year by more than 6%, the teacher's employer shall pay to the System, in addition to all other payments required under this Section and in accordance with guidelines established by the System, the present value of the increase in benefits resulting from the portion of the increase in salary that is in excess of 6%. This present value shall be computed by the System on the basis of the actuarial assumptions and tables used in the most recent actuarial valuation of the System that is available at the time of the computation. If a teacher's salary for the 2005-2006 school year is used to determine final average salary under this subsection (f), then the changes made to this subsection (f) by Public Act 94-1057 shall apply in calculating whether the increase in his or her salary is in excess of 6%. For the purposes of this Section, change in employment under Section 10-21.12 of the School Code on or after June 1, 2005 shall constitute a change in employer. The System may require the employer to provide any pertinent information or documentation. The changes made to this subsection (f) by ~~Public Act 94-1111 this amendatory Act of the 94th General Assembly~~ apply without regard to whether the teacher was in service on or after its effective date.

Whenever it determines that a payment is or may be required under this subsection, the System shall calculate the amount of the payment and bill the employer for that amount. The bill shall specify the calculations used to determine the amount due. If the employer disputes the amount of the bill, it may, within 30 days after receipt of the bill, apply to the System in writing for a recalculation. The application must specify in detail the grounds of the dispute and, if the employer asserts that the calculation is subject to subsection (g) or (h) of this Section or that subsection (f-1) of this Section applies, must include an affidavit setting forth and attesting to all facts within the employer's knowledge that are pertinent to the applicability of that subsection. Upon receiving a timely application for recalculation, the System shall review the application and, if appropriate, recalculate the amount due.

The employer contributions required under this subsection (f) may be paid in the form of a lump sum within 90 days after receipt of the bill. If the employer contributions are not paid within 90 days after receipt of the bill, then interest will be charged at a rate equal to the System's annual actuarially assumed rate of return on investment compounded annually from the 91st day after receipt of the bill. Payments must be concluded within 3 years after the employer's receipt of the bill.

(f-1) For school years beginning on or after July 1, 2018 and for salary paid to a teacher under a contract or collective bargaining agreement entered into, amended, or renewed on or after the effective date of this

amendatory Act of the 100th General Assembly, if the amount of a teacher's salary for any school year used to determine final average salary exceeds the member's annual full-time salary rate with the same employer for the previous school year by more than 3%, then the teacher's employer shall pay to the System, in addition to all other payments required under this Section and in accordance with guidelines established by the System, the present value of the increase in benefits resulting from the portion of the increase in salary that is in excess of 3%. This present value shall be computed by the System on the basis of the actuarial assumptions and tables used in the most recent actuarial valuation of the System that is available at the time of the computation. The System may require the employer to provide any pertinent information or documentation.

Whenever it determines that a payment is or may be required under this subsection (f-1), the System shall calculate the amount of the payment and bill the employer for that amount. The bill shall specify the calculations used to determine the amount due. If the employer disputes the amount of the bill, it shall, within 30 days after receipt of the bill, apply to the System in writing for a recalculation. The application must specify in detail the grounds of the dispute and, if the employer asserts that subsection (f) of this Section applies, must include an affidavit setting forth and attesting to all facts within the employer's knowledge that are pertinent to the applicability of subsection (f). Upon receiving a timely application for recalculation, the System shall review the application and, if appropriate, recalculate the amount due.

The employer contributions required under this subsection (f-1) may be paid in the form of a lump sum within 90 days after receipt of the bill. If the employer contributions are not paid within 90 days after receipt of the bill, then interest shall be charged at a rate equal to the System's annual actuarially assumed rate of return on investment compounded annually from the 91st day after receipt of the bill. Payments must be concluded within 3 years after the employer's receipt of the bill.

(g) This subsection (g) applies only to payments made or salary increases given on or after June 1, 2005 but before July 1, 2011. The changes made by Public Act 94-1057 shall not require the System to refund any payments received before July 31, 2006 (the effective date of Public Act 94-1057).

When assessing payment for any amount due under subsection (f), the System shall exclude salary increases paid to teachers under contracts or collective bargaining agreements entered into, amended, or renewed before June 1, 2005.

When assessing payment for any amount due under subsection (f), the System shall exclude salary increases paid to a teacher at a time when the teacher is 10 or more years from retirement eligibility under Section 16-132 or 16-133.2.

When assessing payment for any amount due under subsection (f), the System shall exclude salary increases resulting from overload work, including summer school, when the school district has certified to the System, and the System has approved the certification, that (i) the overload work is for the sole purpose of classroom instruction in excess of the standard number of classes for a full-time teacher in a school district during a school year and (ii) the salary increases are equal to or less than the rate of pay for classroom instruction computed on the teacher's current salary and work schedule.

When assessing payment for any amount due under subsection (f), the System shall exclude a salary increase resulting from a promotion (i) for which the employee is required to hold a certificate or supervisory endorsement issued by the State Teacher Certification Board that is a different certification or supervisory endorsement than is required for the teacher's previous position and (ii) to a position that has existed and been filled by a member for no less than one complete academic year and the salary increase from the promotion is an increase that results in an amount no greater than the lesser of the average salary paid for other similar positions in the district requiring the same certification or the amount stipulated in the collective bargaining agreement for a similar position requiring the same certification.

When assessing payment for any amount due under subsection (f), the System shall exclude any payment to the teacher from the State of Illinois or the State Board of Education over which the employer does not have discretion, notwithstanding that the payment is included in the computation of final average salary.

(h) When assessing payment for any amount due under subsection (f), the System shall exclude any salary increase described in subsection (g) of this Section given on or after July 1, 2011 but before July 1, 2014 under a contract or collective bargaining agreement entered into, amended, or renewed on or after June 1, 2005 but before July 1, 2011. Notwithstanding any other provision of this Section, any payments made or salary increases given after June 30, 2014 shall be used in assessing payment for any amount due under subsection (f) of this Section.

(i) The System shall prepare a report and file copies of the report with the Governor and the General Assembly by January 1, 2007 that contains all of the following information:

(1) The number of recalculations required by the changes made to this Section by Public Act 94-1057 for each employer.

(2) The dollar amount by which each employer's contribution to the System was changed due to recalculations required by Public Act 94-1057.

(3) The total amount the System received from each employer as a result of the changes made to this Section by Public Act 94-4.

(4) The increase in the required State contribution resulting from the changes made to this Section by Public Act 94-1057.

(i-5) For school years beginning on or after July 1, 2017, if the amount of a participant's salary for any school year, determined on a full-time equivalent basis, exceeds the amount of the salary set for the Governor, the participant's employer shall pay to the System, in addition to all other payments required under this Section and in accordance with guidelines established by the System, an amount determined by the System to be equal to the employer normal cost, as established by the System and expressed as a total percentage of payroll, multiplied by the amount of salary in excess of the amount of the salary set for the Governor. This amount shall be computed by the System on the basis of the actuarial assumptions and tables used in the most recent actuarial valuation of the System that is available at the time of the computation. The System may require the employer to provide any pertinent information or documentation.

Whenever it determines that a payment is or may be required under this subsection, the System shall calculate the amount of the payment and bill the employer for that amount. The bill shall specify the calculations used to determine the amount due. If the employer disputes the amount of the bill, it may, within 30 days after receipt of the bill, apply to the System in writing for a recalculation. The application must specify in detail the grounds of the dispute. Upon receiving a timely application for recalculation, the System shall review the application and, if appropriate, recalculate the amount due.

The employer contributions required under this subsection may be paid in the form of a lump sum within 90 days after receipt of the bill. If the employer contributions are not paid within 90 days after receipt of the bill, then interest will be charged at a rate equal to the System's annual actuarially assumed rate of return on investment compounded annually from the 91st day after receipt of the bill. Payments must be concluded within 3 years after the employer's receipt of the bill.

(j) For purposes of determining the required State contribution to the System, the value of the System's assets shall be equal to the actuarial value of the System's assets, which shall be calculated as follows:

As of June 30, 2008, the actuarial value of the System's assets shall be equal to the market value of the assets as of that date. In determining the actuarial value of the System's assets for fiscal years after June 30, 2008, any actuarial gains or losses from investment return incurred in a fiscal year shall be recognized in equal annual amounts over the 5-year period following that fiscal year.

(k) For purposes of determining the required State contribution to the system for a particular year, the actuarial value of assets shall be assumed to earn a rate of return equal to the system's actuarially assumed rate of return.

Sec. 16-190.5. Accelerated pension benefit payment in lieu of any pension benefit.

(a) As used in this Section:

"Eligible person" means a person who:

(1) has terminated service;

(2) has accrued sufficient service credit to be eligible to receive a retirement annuity under this Article;

(3) has not received any retirement annuity under this Article; and

(4) has not made the election under Section 16-190.6.

"Pension benefit" means the benefits under this Article, or Article 1 as it relates to those benefits, including any anticipated annual increases, that an eligible person is entitled to upon attainment of the applicable retirement age. "Pension benefit" also includes applicable survivor's or disability benefits.

(b) As soon as practical after the effective date of this amendatory Act of the 100th General Assembly, the System shall calculate, using actuarial tables and other assumptions adopted by the Board, the present value of pension benefits for each eligible person who requests that information and shall offer each eligible person the opportunity to irrevocably elect to receive an amount determined by the System to be equal to 60% of the present value of his or her pension benefits in lieu of receiving any pension benefit. The offer shall specify the dollar amount that the eligible person will receive if he or she so elects and shall expire when a subsequent offer is made to an eligible person. The System shall make a good faith effort to contact every eligible person to notify him or her of the election.

Until June 30, 2021, an eligible person may irrevocably elect to receive an accelerated pension benefit payment in the amount that the System offers under this subsection in lieu of receiving any pension benefit.

[May 30, 2018]

A person who elects to receive an accelerated pension benefit payment under this Section may not elect to proceed under the Retirement Systems Reciprocal Act with respect to service under this Article.

(c) A person's creditable service under this Article shall be terminated upon the person's receipt of an accelerated pension benefit payment under this Section, and no other benefit shall be paid under this Article based on the terminated creditable service, including any retirement, survivor, or other benefit; except that to the extent that participation, benefits, or premiums under the State Employees Group Insurance Act of 1971 are based on the amount of service credit, the terminated service credit shall be used for that purpose.

(d) If a person who has received an accelerated pension benefit payment under this Section returns to active service under this Article, then:

(1) Any benefits under the System earned as a result of that return to active service shall be based solely on the person's creditable service arising from the return to active service.

(2) The accelerated pension benefit payment may not be repaid to the System, and the terminated creditable service may not under any circumstances be reinstated.

(e) As a condition of receiving an accelerated pension benefit payment, the accelerated pension benefit payment must be transferred into a tax qualified retirement plan or account. The accelerated pension benefit payment under this Section may be subject to withholding or payment of applicable taxes, but to the extent permitted by federal law, a person who receives an accelerated pension benefit payment under this Section must direct the System to pay all of that payment as a rollover into another retirement plan or account qualified under the Internal Revenue Code of 1986, as amended.

(f) Upon receipt of a member's irrevocable election to receive an accelerated pension benefit payment under this Section, the System shall submit a voucher to the Comptroller for payment of the member's accelerated pension benefit payment. The Comptroller shall transfer the amount of the voucher from the State Pension Obligation Acceleration Bond Fund to the System, and the System shall transfer the amount into the member's eligible retirement plan or qualified account.

(g) The Board shall adopt any rules, including emergency rules, necessary to implement this Section.

(h) No provision of this amendatory Act of the 100th General Assembly shall be interpreted in a way that would cause the applicable System to cease to be a qualified plan under the Internal Revenue Code of 1986.

(40 ILCS 5/16-190.6 new)

Sec. 16-190.6. Accelerated pension benefit payment for a reduction in annual retirement annuity and survivor's annuity increases.

(a) As used in this Section:

"Accelerated pension benefit payment" means a lump sum payment equal to 70% of the difference of the present value of the automatic annual increases to a Tier 1 member's retirement annuity and survivor's annuity using the formula applicable to the Tier 1 member and the present value of the automatic annual increases to the Tier 1 member's retirement annuity using the formula provided under subsection (b-5) and the survivor's annuity using the formula provided under subsection (b-6).

"Eligible person" means a person who:

(1) is a Tier 1 member;

(2) has submitted an application for a retirement annuity under this Article;

(3) meets the age and service requirements for receiving a retirement annuity under this Article;

(4) has not received any retirement annuity under this Article; and

(5) has not made the election under Section 16-190.5.

(b) As soon as practical after the effective date of this amendatory Act of the 100th General Assembly and until June 30, 2021, the System shall implement an accelerated pension benefit payment option for eligible persons. Upon the request of an eligible person, the System shall calculate, using actuarial tables and other assumptions adopted by the Board, an accelerated pension benefit payment amount and shall offer that eligible person the opportunity to irrevocably elect to have his or her automatic annual increases in retirement annuity calculated in accordance with the formula provided under subsection (b-5) and any increases in survivor's annuity payable to his or her survivor's annuity beneficiary calculated in accordance with the formula provided under subsection (b-6) in exchange for the accelerated pension benefit payment. The election under this subsection must be made before the eligible person receives the first payment of a retirement annuity otherwise payable under this Article.

(b-5) Notwithstanding any other provision of law, the retirement annuity of a person who made the election under subsection (b) shall be subject to annual increases on the January 1 occurring either on or after the attainment of age 67 or the first anniversary of the annuity start date, whichever is later. Each annual increase shall be calculated at 1.5% of the originally granted retirement annuity.

(b-6) Notwithstanding any other provision of law, a survivor's annuity payable to a survivor's annuity beneficiary of a person who made the election under subsection (b) shall be subject to annual increases on the January 1 occurring on or after the first anniversary of the commencement of the annuity. Each annual increase shall be calculated at 1.5% of the originally granted survivor's annuity.

(c) If a person who has received an accelerated pension benefit payment returns to active service under this Article, then:

(1) the calculation of any future automatic annual increase in retirement annuity shall be calculated in accordance with the formula provided in subsection (b-5); and

(2) the accelerated pension benefit payment may not be repaid to the System.

(d) As a condition of receiving an accelerated pension benefit payment, the accelerated pension benefit payment must be transferred into a tax qualified retirement plan or account. The accelerated pension benefit payment under this Section may be subject to withholding or payment of applicable taxes, but to the extent permitted by federal law, a person who receives an accelerated pension benefit payment under this Section must direct the System to pay all of that payment as a rollover into another retirement plan or account qualified under the Internal Revenue Code of 1986, as amended.

(d-5) Upon receipt of a member's irrevocable election to receive an accelerated pension benefit payment under this Section, the System shall submit a voucher to the Comptroller for payment of the member's accelerated pension benefit payment. The Comptroller shall transfer the amount of the voucher from the State Pension Obligation Acceleration Bond Fund to the System, and the System shall transfer the amount into the member's eligible retirement plan or qualified account.

(e) The Board shall adopt any rules, including emergency rules, necessary to implement this Section.

(f) No provision of this Section shall be interpreted in a way that would cause the applicable System to cease to be a qualified plan under the Internal Revenue Code of 1986.

(40 ILCS 5/16-203)

Sec. 16-203. Application and expiration of new benefit increases.

(a) As used in this Section, "new benefit increase" means an increase in the amount of any benefit provided under this Article, or an expansion of the conditions of eligibility for any benefit under this Article, that results from an amendment to this Code that takes effect after June 1, 2005 (the effective date of Public Act 94-4). "New benefit increase", however, does not include any benefit increase resulting from the changes made to Article 1 or this Article by Public Act 95-910, Public Act 100-23, or this amendatory Act of the 100th General Assembly or this amendatory Act of the 100th General Assembly.

(b) Notwithstanding any other provision of this Code or any subsequent amendment to this Code, every new benefit increase is subject to this Section and shall be deemed to be granted only in conformance with and contingent upon compliance with the provisions of this Section.

(c) The Public Act enacting a new benefit increase must identify and provide for payment to the System of additional funding at least sufficient to fund the resulting annual increase in cost to the System as it accrues.

Every new benefit increase is contingent upon the General Assembly providing the additional funding required under this subsection. The Commission on Government Forecasting and Accountability shall analyze whether adequate additional funding has been provided for the new benefit increase and shall report its analysis to the Public Pension Division of the Department of Insurance. A new benefit increase created by a Public Act that does not include the additional funding required under this subsection is null and void. If the Public Pension Division determines that the additional funding provided for a new benefit increase under this subsection is or has become inadequate, it may so certify to the Governor and the State Comptroller and, in the absence of corrective action by the General Assembly, the new benefit increase shall expire at the end of the fiscal year in which the certification is made.

(d) Every new benefit increase shall expire 5 years after its effective date or on such earlier date as may be specified in the language enacting the new benefit increase or provided under subsection (c). This does not prevent the General Assembly from extending or re-creating a new benefit increase by law.

(e) Except as otherwise provided in the language creating the new benefit increase, a new benefit increase that expires under this Section continues to apply to persons who applied and qualified for the affected benefit while the new benefit increase was in effect and to the affected beneficiaries and alternate payees of such persons, but does not apply to any other person, including without limitation a person who continues in service after the expiration date and did not apply and qualify for the affected benefit while the new benefit increase was in effect.
