SENATE RESOLUTION NO. 2001

[November 7, 2018]

WHEREAS, The members of the Illinois State Senate are pleased to recognize the significant milestones of educational institutions in this State; and

WHEREAS, Fenwick High School was started by the Dominican Friars of the Province of St. Joseph and named after Edward Dominic Fenwick, O.P., the first Bishop of Cincinnati; it opened its doors to 200 students on September 9, 1929; and

WHEREAS, Since its opening, Fenwick High School has embraced a tradition of excellence in academics, as evidenced by the number of National Merit Scholars and Illinois State Scholars, high SAT and ACT scores, and large numbers of students matriculating to top universities throughout the country; and

WHEREAS, Since its founding, Fenwick High School has maintained a 100% college matriculation rate, and its graduates have been awarded millions of dollars in scholarships to universities throughout the country; it has been selected as one of the top 60 private schools in the nation by the Department of Education and was rated an "Outstanding American High School" by U.S. News & World Report; and

WHEREAS, Fenwick High School's devotion to excellence also extends to athletics; it has won numerous conference and state championships throughout its history; in 2007, Sports Illustrated rated Fenwick High School as one of the 50 Best High School Athletic Programs in the Country, and countless alumni have gone on to play for college and professional sports teams; and

WHEREAS, As Fenwick High School celebrates the start of its 90th year of academic, spiritual, and athletic excellence, that devotion to excellence can be seen throughout the State of Illinois and the country in the many talented alumni, including elected officials, an Olympic Gold Medalist, Rhodes Scholars, Pulitzer Prize winners, an astronaut, a Heisman Trophy winner, professional athletes, as well as CEOs of many national and international corporations; therefore, be it

RESOLVED, BY THE SENATE OF THE ONE HUNDREDTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we declare September 9, 2018 as Fenwick High School Day throughout the State of Illinois as a celebration of the start of the school's 90th school year; and be it further

RESOLVED, That we congratulate Fenwick High School, its administration, faculty, staff, students, and alumni, on 90 years of academic, athletic, and spiritual excellence; and be it further

RESOLVED, That we wish the entire Fenwick Family many more years of great success in educating the high school students of Illinois; and be it further

RESOLVED, That suitable copies of this resolution be presented to Fenwick High School's President, Fr. Richard Peddicord, O.P., and Principal, Peter Groom, as a sign of our congratulations and well wishes.

Senator McCann offered the following Senate Resolution, which was referred to the Committee on Assignments:

SENATE RESOLUTION NO. 2007

WHEREAS, It is the unalienable right of all citizens to keep and bear arms for defense of life, liberty, and property under the Second Amendment to the Constitution of the United States of America and the Bill of Rights of the Constitution of the State of Illinois; and

WHEREAS, The legislative and executive branches of the State of Illinois have unreasonably and consistently encroached on the liberty of Illinoisans who wish to exercise the rights secured to them under the Second Amendment to the Constitution of the United States and the Bill of Rights of the Constitution of the State of Illinois; and

[November 7, 2018]

WHEREAS, It is the responsibility of all American citizens, governmental units, and elected officials to uphold, with equal vigor, all of the "unalienable Rights" with which they are "endowed by their Creator" and set forth in the Constitution of the United States and the Bill of Rights of the Constitution of the State of Illinois; and

WHEREAS, Certain counties in Illinois have moved to shield their Constitutionally-protected right to keep and bear arms and the economic benefits derived from the sale and operation of firearms from overly-burdensome, unreasonable, and unlawful government regulation; therefore, be it

RESOLVED, BY THE SENATE OF THE ONE HUNDREDTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we express our support for these counties and their decision to provide sanctuary for their citizens who wish to exercise their fundamental right under the Second Amendment to the Constitution of the United States and the Bill of Rights of the Constitution of the State of Illinois.

Senator E. Jones III offered the following Senate Resolution, which was referred to the Committee on Assignments:

SENATE RESOLUTION NO. 2013

WHEREAS, Over ten million Americans are currently participating in multiemployer pension plans, which support over 9.1% of the United States workforce, or over 13.5 million jobs; in 2015, participants in these multiemployer pension plans received \$41 billion in benefits; and

WHEREAS, The Central States Pension Fund is the largest multiemployer pension plan in the United States and has 1,335 employers participating and over 378,000 individuals; and

WHEREAS, Current beneficiaries of the Central States Pension Fund receive over \$2.8 billion a year in benefits and pay over \$230 million annually in taxes; and

WHEREAS, Almost 25,500 participants in the Central States Pension Fund live in Illinois, and they receive almost \$166 million in annual benefits; the Illinois beneficiaries pay almost \$13 million annually in taxes; and

WHEREAS, As of August 2017, 114 multiemployer pension plans nationwide were underfunded by \$49.9 billion, affecting 1.3 million workers; and

WHEREAS, The Central States Pension Fund suffered massive investment losses in the 2008 financial crisis and is projected to go insolvent by 2026; the Pension Benefit Guaranty Corporation has a \$65 billion deficit and is likely to run out of money by 2025; and

WHEREAS, Should the Central States Pension Fund fail, there will be negative economic effects throughout the country and in Illinois, as the Fund's participants will lack sufficient resources for basic necessities, including housing and medical expenses; and

WHEREAS, The failure of the Central States Pension Fund will cause its participating employers to enter bankruptcy or go out of business; when the Central States Pension Fund fails, any attempt by the Pension Benefit Guaranty Corporation to meet its obligations to the Fund will likely force the PBGC into insolvency; and

WHEREAS, The Chamber of Commerce has expressed its concern that should the Central States Pension Fund fail, other multiemployer pension plans would also become insolvent and have a devastating effect on the economy; and

WHEREAS, The Butch Lewis Act, Senate Bill 2147, as proposed, would create the Pension Rehabilitation Administration, an agency of the U.S. Department of Treasury; and

[November 7, 2018]

WHEREAS, The Pension Rehabilitation Administration would provide financially distressed plans with low-interest loans guaranteed by the U.S. Government; the proceeds for these loans would be raised by the U.S. Treasury in the public debt markets and are not grants from the Federal budget; the loans for distressed plans, such as the Central States Pension Fund, would be interest only for years one through 29, with principal repayment in the year 30, and would mandate low-risk investment strategies that create a high certainty of repayment; and

WHEREAS, the Joint Select Committee on Solvency of Multiemployer Pension Plans, a Joint Committee of the U.S. Senate and House of Representatives, is devising recommendations and legislation that will significantly improve the solvency of multi-employer pension plans, including consideration of the Butch Lewis Act; the Joint Select Committee must issue a report with its conclusions by November 30, 2018; and

WHEREAS, In developing its recommendations, the Joint Selection Committee is seeking input from all who may be impacted by the failure of the multiemployer pension funds, such as the State of Illinois; and

WHEREAS, The Butch Lewis Act is supported by employers participating in the Central States Pension Fund, the U.S. Chamber of Commerce, the International Brotherhood of Teamsters, Teamsters Joint Council 25, and many labor unions and employers; and

WHEREAS, The creation of the Pension Rehabilitation Administration would prevent substantial harm to the economy of Illinois; therefore, be it

RESOLVED, BY THE SENATE OF THE ONE HUNDRETH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we urge the United States Congress to immediately pass the Butch Lewis Act and allow these vital portions of our country's economy to remain solvent; and be it further

RESOLVED, That suitable copies of this resolution be presented to the members of the United States House of Representatives and the United States Senate.

Senator E. Jones III offered the following Senate Resolution, which was referred to the Committee on Assignments:

SENATE RESOLUTION NO. 2014

WHEREAS, In 2011, the Illinois General Assembly decided to begin to transition the Illinois Medicaid program from fee-for-service to a managed care program; and

WHEREAS, The purpose of the transition to Medicaid managed care was to save the State money as well as coordinate care for Medicaid recipients; and

WHEREAS, Unfortunately, neither of those things have occurred; instead, the managed care organizations (MCOs) have instituted a "claims management program" rather than a "care management program", where the MCOs deny incredible amounts of Medicaid claims, resulting in significant harm to Medicaid providers throughout the State and billions of state funds being pocketed by the MCOs; and

WHEREAS, In 2018, the Auditor General published an audit as a result of HR 100 of the 100th General Assembly that showed billions of state funds being paid to the MCOs which were not passed along to providers; and

WHEREAS, The harm being caused by the MCOs is particularly damaging to providers who rely heavily on the Medicaid program, such as Roseland Community Hospital; and

WHEREAS, The average MCO denial rate for safety-net hospitals is 20%, which has resulted in significant layoffs in areas with the highest unemployment in the State and puts future health care services at-risk in the State's most vulnerable communities; and

[November 7, 2018]

WHEREAS, This incredible MCO denial rate is not unique to geography, affects communities throughout downstate Illinois as well as Chicago, and results in diminished patient care and lost revenues for local communities throughout Illinois; and

WHEREAS, Under the Rauner Administration, the Department of Healthcare and Family Services has not provided adequate oversight to prevent the abuse of the MCOs, resulting in billions of dollars being shipped to out-of-state for-profit corporations at the expense of Illinois providers and the Illinois residents who rely on healthcare services; and

WHEREAS, The MCO crisis has caused disproportionate harm to minority communities that rely on safety-net hospitals to provide quality healthcare services to vulnerable communities; therefore, be it

RESOLVED, BY THE SENATE OF THE ONE HUNDREDTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that the Auditor General is directed to conduct an audit of the average denial rate of hospitals throughout Illinois in both the fee-for-service and managed care programs, with at least 50% of the audit consisting of safety-net and critical access hospitals; the Department of Healthcare and Family Services and all managed care entities shall be required to participate fully, at the Auditor General's request; and be it further

RESOLVED, That the Illinois Department of Healthcare and Family Services and any other State agency having information relevant to this audit cooperate fully and promptly with the Auditor General's Office; and be it further

RESOLVED, That the Auditor General commence this audit as soon as possible and report his findings and recommendations to the General Assembly; and be it further

RESOLVED, That if the Auditor General's findings conclude that the average MCO denial rate for hospitals in the managed care program is 10% or more higher than the average denial rate of the fee-for-service program, then the General Assembly should consider sun-setting the managed care program; and be it further

RESOLVED, That suitable copies of this resolution shall be delivered to the Governor, the Director of Healthcare and Family Services, and each of the four legislative leaders.

Senator McCann offered the following Senate Resolution, which was referred to the Committee on Assignments:

SENATE RESOLUTION NO. 2073

WHEREAS, It is the mission of the Illinois Environmental Protection Agency (Illinois EPA) to "safeguard environmental quality, consistent with the social and economic needs of the State, so as to protect health, welfare, property and the quality of life"; and

WHEREAS, The Illinois EPA exists within the Executive Branch of State government and carries out the Governor's environmental policy within the framework of State and federal laws; and

WHEREAS, The Governor appoints the director of the Illinois EPA; and

WHEREAS, The Citizens of Willowbrook and the surrounding populous areas of Southeast DuPage County are located within close proximity to Sterigenics International, a company which specializes in fumigating medical instruments, pharmaceutical drugs and food to kill bacteria; and

WHEREAS, Sterigenics International utilizes a gas called ethylene oxide as a main component in the fumigation process; and

[November 7, 2018]

WHEREAS, The chemical ethylene oxide has been on the federal list of carcinogens since 1985 and has been linked more conclusively to breast and blood cancer by the United States Environmental Protection Agency in 2016; and

WHEREAS, According to published reports, the Citizens of Willowbrook and the surrounding areas of Southeast DuPage County may be exposed to a strikingly-high level of cancer-linked toxins as a result of Sterigenics International's use of ethylene oxide; and

WHEREAS, According to published reports by the United States Department of Health and Human Services, the cancer risks from breathing ethylene oxide pollution in Southeast DuPage communities could be up to 6,400 per million, or more than six cases for every 1,000 people; and

WHEREAS, In August of 2018, the Illinois EPA declined to provide the Office of the Attorney General with key documents about highly toxic ethylene oxide gas emitted by Sterigenics International; and

WHEREAS, It has been published that the Illinois EPA released said documents to the Office of the Attorney General only once pressured to do so by House Republican Leader Jim Durkin and Senator John Curan, who represent the affected area of Southeast DuPage; and

WHEREAS, It is the moral and ethical responsibility of the Executive Branch to implement a sound environmental policy and to respond swiftly to emergencies that directly impact the health of the Citizens of Illinois; therefore, be it

RESOLVED, BY THE SENATE OF THE ONE HUNDREDTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we condemn the wholly deficient response by the Governor's Office to the developing health crisis in Southeast DuPage County; moreover, we demand the Governor's Office and the Illinois EPA's prompt and unreserved cooperation with the Illinois Attorney General's Office, the United States Environmental Protection Agency, local governments, and stakeholders affected in order to expeditiously resolve this crisis.

Senator Barickman offered the following Senate Joint Resolution, which was referred to the Committee on Assignments:

WHEREAS, Glenard Jay Gregory moved with his family to Shipman when he was very young; he attended Shipman Grade School and then Southwestern Junior and Senior High School; and

WHEREAS, Glenard Jay Gregory enlisted in the United States Army on November 28, 1967, serving as a Field Artillery Basic with Battery A of the 1st Battalion, 27th Artillery, 23rd Artillery Group, II Field Force; and

WHEREAS, Sgt. WHEREAS, Sgt. Gregory was awarded the Vietnam Campaign Medal, the Vietnam Service Medal, the National Defense Medal, the Purple Heart Medal, the Good Conduct Medal, the Expert Sharpshooter Medal, and the Bronze Star with "V" Decoration; and

WHEREAS, Sgt. Gregory is buried in the Shipman Cemetery in Macoupin County; and
