SENATE RESOLUTION NO. 184

RESOLVED, BY THE SENATE OF THE ONE HUNDRED FIRST GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that the Rules of the Senate of the 101st General Assembly are amended by changing Rules 3-8 and 5-2 as follows:

(Senate Rule 3-8)

3-8. Referrals to Committees.

(a) All Senate Bills and House Bills shall, after having been initially read by the Secretary, be automatically referred to the Committee on Assignments, which may thereafter refer any bill before it to a committee. The Committee on Assignments may refer any resolution before it to a committee. No bill or resolution may be referred to a committee except pursuant to this Rule or Rule 7-17. A standing or special committee may refer a matter pending in that committee to a special subcommittee of that committee.

(b) All floor amendments, joint action motions for final action, and conference committee reports shall, upon filing with the Secretary, be automatically referred to the Committee on Assignments. No such amendment, joint action motion, or conference committee report may be considered by the Senate unless approved for consideration by the Committee on Assignments. The Committee on Assignments may approve for consideration to the Senate any floor amendment, joint action motion for final action, or conference committee report that: (i) consists of language that has previously been favorably reported to the Senate by a committee; (ii) consists of technical or clarifying language; or (iii) consists of language deemed by the Committee on Assignments to be of an emergency nature, of substantial

[March 5, 2019]

importance to the operation of government, or in the best interests of Illinois. The Committee on Assignments may refer any floor amendment, joint action motion for final action, or conference committee report to a committee for its review and consideration (in those instances, and notwithstanding any other provision of these Senate Rules, the committee may hold a hearing on and consider those legislative measures pursuant to one-hour advance notice). Any floor amendment, joint action motion for final action, or conference committee report that is not approved for consideration or referred by the Committee on Assignments, and is attempted to be acted upon by a committee shall be out of order, except as provided for under Rule 8-4.

(b-1) A floor amendment filed by the chief sponsor of a bill shall be automatically referred to the standing committee from which the bill was reported (or to another standing committee as the Committee on Assignments may determine) upon adjournment of the Senate on the third regular session day following the day on which the floor amendment was filed, unless (i) the Committee on Assignments referred the floor amendment to a standing committee or acted on the floor amendment in the first instance and referred it to the Senate for consideration; (ii) the bill is no longer pending before the Senate; (iii) the floor amendment deals with the subject of appropriations or State revenue; or (iv) the Committee on Assignments has determined by a majority vote that the floor amendment substantively alters the nature and scope of the underlying bill. If the Committee on Assignments makes a determination under item (iv) of this subsection, then the Committee on Assignments may, in its discretion, (A) refer the floor amendment to any standing committee or (B) not refer the floor amendment to any other committee.

(c) All committee amendments shall, upon filing with the Secretary, be automatically referred to the Committee on Assignments. No committee amendment may be considered by a committee unless the committee amendment is referred to the committee by the Committee on Assignments and the committee amendment has first been made available electronically or otherwise for not less than one hour. Any committee amendment referred by the Committee on Assignments shall be referred to the committee before which the underlying bill or resolution is pending. Any committee amendment that is not referred by the Committee on Assignments to a committee, and is attempted to be acted upon by a committee shall be out of order.

(c-1) A committee amendment filed by the chief sponsor of a bill shall be automatically referred to the standing committee to which the bill was assigned upon adjournment of the Senate on the third regular session day following the day on which the committee amendment was filed, unless (i) the Committee on Assignments referred the committee amendment to the standing committee to which the bill was assigned; (ii) the bill is no longer pending before the committee; (iii) the committee amendment deals with the subject of appropriations or State revenue; or (iv) the Committee on Assignments has determined by a majority vote that the committee amendment substantively alters the nature and scope of the underlying bill. If the Committee on Assignments makes a determination under item (iv) of this subsection, then the Committee on Assignments may, in its discretion, (A) refer both the bill and the committee amendment to any standing committee or (B) not refer the committee amendment to any other committee.

(d) The Committee on Assignments may at any time re-refer a legislative measure from a committee to a Committee of the Whole or to any other committee.

(d-3) Notwithstanding any other provision of these Senate Rules:

(1) Upon written request of the chief sponsor, any bill not otherwise assigned to a standing committee shall be assigned to a standing committee.

(2) Upon written request of the chief sponsor, any bill not otherwise called for hearing in the standing committee to which it has been assigned shall be heard (and called for a vote, if so requested by the chief sponsor) in that standing committee.

(3) Each chief sponsor may make a total of 3 written requests under paragraph (1) or (2) during any calendar year (for purposes of this provision, the period from January 1 until the next General Assembly convenes in the odd-numbered year following a general election shall be considered part of the previous calendar year).

(d-5) Notwithstanding any other provision of these Senate Rules, any bill pending before the Committee on Assignments shall be immediately referred to the indicated standing committee if the

chief sponsor of the bill files a discharge motion for that bill that is signed by no less than three-fifths of the members of both the majority and minority caucus, and each of the members signing the discharge motion is a sponsor of the bill. This subsection does not apply to bills dealing with the subject of appropriations or State revenue.

(e) This Rule may be suspended by a vote of three-fifths of the members elected.

The costs of the previous year co-interim superintendents was \$67,758, while the cost for the current year full-time superintendent is \$110,450, resulting in \$42,692 additional budgeted expenditures in FY 2019. The change from two interim superintendents to a full-time superintendent caused the district to exceed the statutory allowable 5% increase.

Bunker Hill CUSD 8 – Macoupin (SD 48/HD 95) / **Expiration: 2018-19 school year WM100-6564 – Waiver of School Code** (Section 17-1.5) request to allow the district to waive the limitation of administrative costs due to circumstances beyond its control. The district’s FY 2019 budgeted administrative costs exceed the FY 2018 actual administrative costs by 50%. In previous years, including FY 2018, the district employed an interim superintendent who only worked two days a week in the district. The interim superintendent received a salary of \$76,500. Starting with FY 2019, the district is employing a full-time superintendent. The full-time superintendent will receive a salary of \$112,000, reflective of the full-time status. Moving from an interim to a full-time superintendent resulted in \$35,500 additional budgeted expenditures for salary in FY 2019. The full-time superintendent will receive insurance benefits and TRS. The district also provides for professional membership for the superintendent as well as an allotment for professional development. These are additional items that the previous superintendent did not receive, due to the interim status of the position. The additional expenditures budgeted in FY 2019 for the non-salary items are:

- Pension costs (TRS and THIS) = \$14,326
- Insurance benefits (health/life/dental) = \$6,228

- Professional Development = \$6,000

Moving from an interim to a full-time superintendent resulted in \$27,404 additional budgeted expenditures for non-salary items in FY 2019. The change from an interim to a full-time superintendent caused the district to exceed the statutory allowable 5% increase.

Carrollton CUSD 1 – Greene (SD 50/HD 100) / **Expiration: 2018-19 school year WM100- 6566 – Waiver of School Code** (Section 17-1.5) request to allow the district to waive the limitation of administrative costs due to circumstances beyond its control. The district’s FY 2019 budgeted administrative costs exceed the FY 2018 actual administrative costs by 14%. For FY 2019, the district is increasing its Early Childhood programs due to increased Early Childhood Block Grants. Per the grant requirements and under direction of ISBE Early Childhood Division, certain administrative costs for the Early Childhood program are required to be paid out of Function 2330, Special Area Administration Services, a cost function that appears on the Limitation of Administrative Costs Worksheet. The district reported that the administrative costs for the FY 2019 Early Childhood program were:

[March 5, 2019]

- Clerical support = \$9,066
- Copy machine lease = \$2,190
- Internet access = \$1,440
- Clerical supplies = \$4,028

The total budgeted expenditures for the administrative portion of the district's Early Childhood program were \$16,724. In the prior year, the district spent \$2,463 within the administrative costs for this program, resulting in \$14,261 additional budgeted expenditures in FY 2019. The requirement to account for the Early Childhood program administration within Function 2330 caused the district to exceed the statutory allowable 5% increase.

DeLand and Weldon CUSD 57 – Platt and DeWitt (SD 51/HD 101) / Expiration: 2018- 2019 school year WM100-6569 – Waiver of School Code (Section 17-1.5) request to allow the district to waive the limitation of administrative costs due to circumstances beyond its control. The district's FY 2019 budgeted administrative costs exceed the FY 2018 actual administrative costs by 23%. In FY 2018, the district superintendent was serving as a superintendent for the first year. Due to being a new superintendent, the school board considered this first year a "probationary period" and paid the superintendent a lesser salary. After successfully completing the first year to the school board's satisfaction, the superintendent's salary in FY 2019 was raised. Benefits based on a percent of salary also slightly increased due to the salary increase. The move off of the "probationary period" resulted in \$5,762 additional budgeted expenditures in FY 2019. In previous years, costs applicable to the administration of the district's pre-kindergarten program were accounted for within cost functions not reported on the Limitation of Administrative Costs Worksheet. Based on recommendations from the district's auditor, the pre-kindergarten administration costs were moved to Function 2330, a cost function reported on the Limitation worksheet. The accounting change for the pre-kindergarten administration resulted in \$4,300 additional budgeted expenditures in FY 2019.

The increased superintendent costs due to movement off of a "probationary period" and the accounting change for pre-kindergarten administration caused the district to exceed the statutory allowable 5% increase.

Donovan CUSD 3 – Iroquois (SD 53/HD 106) / Expiration: 2017-18 school year WM100- 6570 – Waiver of School Code (Section 17-1.5) request to allow the district to waive the limitation of administrative costs due to circumstances beyond its control. The district's FY 2019 budgeted administrative costs exceed the FY 2018 actual administrative costs by 93%. 2. Function 2490: Student Services Coordinator costs moved onto Limitation worksheet and new Assistant Unit Secretary position

5. Function 2330: New Director of Student Services position and new stipend for Pre- K coordination

The above itemized increases of \$276,732 caused the district to exceed the statutory allowable 5% increase.

Harvard CUSD 50 – McHenry (SD 32/HD 63) / Expiration: 2018-19 school year WM100- 6576 – Waiver of School Code (Renewal) (Section 17-1.5) request to allow the district to waive the limitation of administrative costs due to circumstances beyond its control. The district's FY 2019 budgeted administrative costs exceed the FY 2018 actual administrative costs by 54%. During the previous year, FY 2018, the district employed a retired superintendent as a part-time superintendent. This part-time superintendent received a salary of \$70,000 but did not have medical insurance or TRS. Starting with FY 2019, the district is employing a full-time superintendent. The full-time superintendent will receive a salary reflective of the full-time status, as well as TRS and medical insurance, for a total budgeted cost of \$165,175. Starting with FY 2019, the district is also employing a half-time dean, a new position in the district. The total budgeted costs for the half-time dean, including salary, benefits, purchased services, and supplies, are \$36,866. The change from a part-time to a full-time superintendent and the addition of a half-time dean caused the district to exceed the statutory allowable 5% increase.

Jacksonville SD 117 – Morgan and Greene (SD 50/HD 100) / Expiration: 2018-19 school year WM100-6582 – Waiver of School Code (Section 17-1.5) request to allow the district to waive the limitation of administrative costs due to circumstances beyond its control. The increase in administrative costs is the result of the reclassification of an administration position in the district office.

Medinah ESD 11 – DuPage (SD 23/HD 45) / Expiration: 2018-19 school year WM100-6560 – Waiver of School Code (Section 17-1.5) request to allow the district to waive the limitation of administrative costs due to circumstances beyond its control. The district's FY 2019 budgeted administrative costs exceed the FY 2018 actual administrative costs by 27%. In prior years, the district did not employ a business manager, and all district finance staff were paid through Function 2520, Fiscal Services, an account function not reported on the Limitation of Administrative Costs Worksheet. Starting with FY 2019, the district is employing a business manager as the district's fiscal administrator. To comply with the ISBE Accounting Rules, the costs for a school district business manager must be accounted for within Function 2510, Direction of Business Support Services, an account function reported on the Limitation worksheet. The change to a business manager for fiscal administration and the requirement to account for these costs within account functions reported on the Limitation worksheet caused the district to exceed the statutory 5% allowable increase.

Norridge 80 – Kane (SD 10/HD 20) / Expiration: 2018-19 school year WM100-6587 – Waiver of School Code (Section 17-1.5) request to allow the district to waive the limitation of administrative costs due to circumstances beyond its control. The district's FY 2019 budgeted administrative costs exceed the FY 2018 actual administrative costs by 62%. In previous years, the district belonged to the Leyden Area Special Education Cooperative (LASEC) and paid the cooperative for special education administrative services. In order to improve services to the district's special education students, the district withdrew from LASEC effective July 1, 2018. Districts that are not a part of a special education cooperative are required to employ their own full-time special education director. Starting with FY 2019, the district is employing a Special Education Director for a total cost of \$165,577, which includes salary, benefits, and other costs for the position. The district reported that when compared to what they were paying to LASEC for administrative costs, they are experiencing an overall reduction in special education administrative costs. These savings do not appear on the Limitation of Administrative Costs worksheet because the payments to LASEC would have been made through cost functions not reported on the Limitation worksheet. The district reported that the savings are being used to fund direct services to special education students. The district also reported an increase in their printing and copier budgeted costs in FY 2019. The district reported budgeting the same amount for printing and copying in both FY 2018 and FY 2019, but spending less than budgeted in FY 2018. Due to the lower spending in the prior year, keeping the same budgetary authority for both years resulted in \$19,958 additional budgeted expenditures in FY 2019. The district reported that the lower spending in FY 2018 was to meet expectations under their Deficit Reduction Plan. The addition of an in-district Special Education Director and additional budgeted for printing and copying over what was spent in the

[March 5, 2019]

prior year caused the district to exceed the statutory 5% allowable increase.

Oregon CUSD 220 – Ogle (SD 45/HD 90) / Expiration: 2018-19 school year

WM100-6556 – Waiver of School Code (Section 17-1.5) request to allow the district to waive the limitation of administrative costs due to circumstances beyond its control. The district's FY 2019 budgeted administrative costs exceed the FY 2018 actual administrative costs by 7%. The district experienced an overall increase in health insurance premiums for all district employees with board-paid insurance. The district also reported an increase in the assistant superintendent travel budgeted costs in FY 2019. The district spent a small portion of the budgeted travel amount in FY 2018 but accounted for it in a cost function not reported on the Limitation worksheet. The district needs to budget for full travel costs again in FY 2019 due to the assistant superintendent's intended attendance at a national technology conference during the year. One of the assistant superintendent's duties is to use the district's student information system to create queries to track student performance. The additional travel resulted in \$2,000 additional budgeted expenditures in FY 2019. The additional health insurance premiums and additional travel caused the district to exceed the statutory allowable 5% increase.

Rantoul CSD 137 – Champaign (SD 52/HD 104) / Expiration: 2018-19 school year WM100-6603 – Waiver of School Code (Section 17-1.5) request to allow the district to waive the limitation of administrative costs due to circumstances beyond its control. The district's FY 2019 budgeted administrative costs exceed the FY 2018 actual administrative costs by 63%. The district experienced expenditure increases within Function 2330, Special Area Administration Services:

1. Special Education Director and Special Education Secretary accounting change
2. New Special Education Assistant Director and new Pre-School for All Secretary positions
3. Purchased Services, Supplies, and Other for above

The above itemized increases of \$367,158 caused the district to exceed the statutory allowable 5% increase.

River Forest Public 90 – Cook (SD 4/HD 7) / Expiration: 2018-19 school year WM100- 6593 – Waiver of School Code (Section 17-1.5) request to allow the district to waive the limitation of administrative costs due to circumstances beyond its control. The installation of security cameras as well as the increased cost of premiums for the Collective Liability Insurance Cooperative caused the district's budgeted administrative costs for FY 2019 to exceed those for FY 2018 by more than the 5% limitation.

St. George 258 – Kankakee (SD 17/HD 34) / Expiration: 2018-19 school year WM100- 6596 – Waiver of School Code (Section 17-1.5) request to allow the district to waive the limitation of administrative costs due to circumstances beyond its control. The inclusion of a disability insurance coverage benefit on the Superintendent's contract and the district hiring a full-time administrative assistant for the Superintendent caused the district's budgeted administrative costs for FY 2019 to exceed those for FY 2018 by more than the 5% limitation.

Wood River-Hartford 15– Madison (SD 56/HD 111) / Expiration: 2018-19 school year WM100-6600 – Waiver of School Code (Section 17-1.5) request to allow the district to waive the limitation of administrative costs due to circumstances beyond its control. The district's FY 2019 budgeted administrative costs exceed the FY 2018 actual administrative costs by 15%. During FY 2018, the district's Special Education Coordinator was employed for 75 days. For FY 2019, the district increased the employment to 100 days. The additional 25 days were needed due to increased special education case load and resulted in \$9,784 additional budgeted expenditures in FY 2019. Starting in FY 2019, the district first offered board paid health insurance to the Secretary to the Superintendent. This benefit was already provided to others within the district's administrative team, which includes administrators and support staff, and was extended to make benefits equitable to all those within the administrative team. The benefit resulted in \$14,642 additional budgeted expenditures in FY 2019. The additional work days for the Special Education Coordinator and the board paid insurance for the Secretary to the Superintendent caused the district to exceed the statutory allowable 5% increase.

SENATE RESOLUTION NO. 190

WHEREAS, Lake Michigan is the only Great Lake located entirely in the United States; and

WHEREAS, When measured by water surface, Lake Michigan is the third largest of the Great Lakes; and

WHEREAS, Lake Michigan is the second largest of the Great Lakes by volume; and

WHEREAS, Approximately 12 million people live along Lake Michigan's shore, including the 2.7 million residents of the City of Chicago; and

WHEREAS, Lake Michigan serves as a source of drinking water, as a place for swimming and fishing, and as a scenic wonderland; and

WHEREAS, Lake Michigan is a magnificent resource that provides an essential home for all kinds of wildlife; and

WHEREAS, In 2008, Illinois, along with Indiana, Michigan, Minnesota, New York, Ohio, Pennsylvania, and Wisconsin adopted a compact banning diversions without concurrence of all signatories, which President George W. Bush signed; and

WHEREAS, Diverting water from Lake Michigan out of the Great Lakes Basin would be exorbitant in cost, inefficient, and dangerous; and

WHEREAS, The declining water levels could negatively impact industries such as commercial shipping, hydroelectric power generation, and recreational boating and fishing, which would hinder the economic growth of the region; and

WHEREAS, The Great Lakes are large bodies of water that would not replenish easily; and

WHEREAS, Experts have already seen environmental changes created by the diversion of water; the Great Lakes ice cover has been decreasing, while air and water temperatures have been rising, which clearly illustrates global climate change in the region; and

WHEREAS, Removing water from this vital body of water sets a bad precedent for the protection of this finite resource and will put a strain on its water supply; therefore, be it

RESOLVED, BY THE SENATE OF THE ONE HUNDRED FIRST GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we adamantly oppose any effort to divert water from Lake Michigan, or the other Great Lakes, to outside of the Great Lakes Basin; and be it further

[March 5, 2019]

SENATE RESOLUTION NO. 193

WHEREAS, The members of the Illinois Senate would like to declare African Methodist Episcopal (AME) Church Day on March 27, 2019 and welcome the AME Church leaders and congregants from the Fourth Episcopal District to the Capitol; and

WHEREAS, The African Methodist Episcopal Church was born through adversity and grew out of the Free African Society (FAS), which was established in Philadelphia by Richard Allen, Absalom Jones, and others in 1787; due to racial discrimination at St. George's MEC, members made plans to transform their mutual aid society into an African congregation; Bethel AME was dedicated in 1974 with Richard Allen as its pastor; and

WHEREAS, The geographical spread of the AMEC prior to the Civil War was mainly restricted to the Northeast and Midwest; the denomination reached the Pacific Coast in the early 1850s; the most significant era of denominational development occurred during the Civil War and Reconstruction; because of its rapid spread below the Mason-Dixon line, AME membership reached 400,000; and

WHEREAS, Today, the African American Methodist Episcopal Church has membership in 20 Episcopal Districts in 44 countries on five continents; the work of the Church is administered by 21 active bishops and nine General Officers, who manage the departments of the Church; Reverend John Franklin White is the 130th Elected and Consecrated Bishop and is the Presiding Bishop of the Fourth Episcopal District of the AME Church (AMEC); he supervises AME Churches and pastors in Canada, Michigan, Indiana, Minnesota, Wisconsin, Iowa, and Illinois; his wife, Mrs. Penny Hartsfield White, is the Episcopal Supervisor of the Fourth District; therefore, be it

RESOLVED, BY THE SENATE OF THE ONE HUNDRED FIRST GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we declare African Methodist Episcopal (AME) Day at the Capitol on March 27, 2019 and wish the AME continued success in its mission to minister to the social, spiritual, and physical development of all people.
