PRESENTATION OF RESOLUTIONS

SENATE RESOLUTION NO. 300

Offered by Senator Rose and all Senators:
 Mourns the death of Michael J. "Mike" Wildman of Monticello.

SENATE RESOLUTION NO. 302

Offered by Senator Bennett and all Senators:
 Mourns the death of Frank Gallo of Urbana.

By unanimous consent, the foregoing resolutions were referred to the Resolutions Consent Calendar.

Senator Aquino offered the following Senate Resolution, which was referred to the Committee on Assignments:

SENATE RESOLUTION NO. 301

WHEREAS, Housing is our State's most important social and economic infrastructure; nearly one in three Illinois families struggles with housing costs; over half of our State's renters need an affordable home, including over half of seniors who rent their homes; we face a critical shortage of an estimated 23,000 supportive housing units for our most vulnerable populations, those who are veterans, disabled, and/or at risk of homelessness; and

[April 4, 2019]

WHEREAS, Article 25 of the Universal Declaration of Human Rights recognizes the right to housing as a human right; and

WHEREAS, Illinois cannot thrive if young adults cannot afford housing and leave Illinois, if businesses leave for states with lower housing costs, and when families struggle to keep a roof over their heads; and

WHEREAS, The 2009 capital budget set a precedent for investing in housing as infrastructure through an allocation of approximately \$145 million for affordable housing; nearly \$70 million of these funds were used to create 694 affordable rental homes across the State, leveraging an additional \$82.5 million in public and private resources; capital budget dollars allocated towards affordable housing were highly leveraged with private and public money and were extremely impactful in creating jobs, creating housing, broadening the tax base, and creating new economic activity; and

WHEREAS, Communities across our great State still struggle to provide an adequate supply of affordable homes to our residents; therefore, be it

RESOLVED, BY THE SENATE OF THE ONE HUNDRED FIRST GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that one of the most urgently required, realistic, and important ways to rebuild our State means investing in where our families live; increasing Illinois' stock of affordable housing would give people more reasons to stay here and entice employers and families to relocate here, save money, build wealth, and achieve a middle-class standard of living; and be it further

RESOLVED, That allocating \$1 billion towards affordable housing in the State's next capital budget provides an opportunity for us to make a sizable impact on the housing needs of our communities; and be it further

RESOLVED, That investment in affordable housing would allow development of homes meeting a wide range of needs, including, but not limited to, affordable homes for working families and seniors, supportive housing for people experiencing homelessness, accessible housing for people with disabilities, and affordable memory care homes for people with Alzheimer's disease; homeownership could be supported by rehabbing vacant and abandoned properties; and be it further

RESOLVED, That investment would be used across the State in urban, suburban, and rural communities to rebuild neighborhoods, create new jobs, attract new investment, and broaden the property tax base; and be it further

RESOLVED, That with \$1 billion in capital budget funds we could build 10,000 affordable rental homes for working families, seniors, veterans, and people who need supportive housing, create 16,000 jobs in the first year alone, and generate \$755 million in taxes and other revenue for local governments and \$3.9 billion in local income for businesses and workers over the course of 15 years; and be it further

RESOLVED, That this investment would provide resources to meet the goals of the Comprehensive Housing Planning Act (310 ILCS 110), which is to maintain the economic health of our communities by requiring a comprehensive and unified policy for the allocation of resources for affordable housing and supportive services for historically underserved populations throughout the State; and be it further

RESOLVED, That suitable copies of this resolution be delivered to the offices of the Governor, the Capital Development Board, the Housing Development Authority, the Department of Human Services, the Department of Transportation, the Department on Aging, the Department of Children and Family Services, the Department of Corrections, the Department of Commerce and Economic Opportunity, the Department of Healthcare and Family Services, and the Department of Veterans' Affairs.

Senator Stewart offered the following Senate Joint Resolution, which was referred to the Committee on Assignments:

WHEREAS, Trooper Jones-Story loved her family and her high school and college volleyball teams; she always had a passion for service and committed herself to becoming a trooper; when she was not working, she could be found working with rescue animals on her farm, cheering for the Cubs, working out with her CrossFit family, and watching all the Disney movies she could find; and

WHEREAS, Trooper Jones-Story began her career with the Illinois State Police (ISP) in June of 2007 as a member of Cadet Class 115; upon her graduation from the ISP Academy, she was assigned to District 16 in Pecatonica, where she remained for the duration of her career; and

WHEREAS, Throughout her career with the ISP, Trooper Jones-Story was recognized for her hard work, positive attitude, and for being a rising leader among her peers; she married retired Master Sergeant Robert Story on October 13, 2012 in Galena; and

WHEREAS, Trooper Jones-Story was preceded in death by her paternal grandparents, Gladys and Delvin Jones, and her maternal grandfather, Richard Myers; and

WHEREAS, Trooper Jones-Story is survived by her parents, Mark and Carol Jones; her sister, Lindsey Jones; her brother, Nicholas Jones; her husband, Robert Story Jr.; her stepchildren, Brittany (Bryan) Iwaszkiw and Rachel Story; her grandchild, Ella Iwaszkiw; and her maternal grandmother, Delores Myers; therefore, be it

RESOLVED, That the Illinois Department of Transportation is requested to erect at suitable locations, consistent with State and federal regulations, appropriate plaques or signs giving notice of the name "Trooper Brooke Jones-Story Memorial Highway"; and be it further

Sec. 12C-5. Endangering the life or health of a child.

(a) A person commits endangering the life or health of a child when he or she knowingly: (1) causes or permits the life or health of a child under the age of 18 to be endangered; or (2) causes or permits a child to be placed in circumstances that endanger the child's life or health. It is not a violation of this Section for a person to relinquish a child in accordance with the Abandoned Newborn Infant Protection Act.

With respect to an agency, "blatant disregard" includes a failure to implement practices that ensure the health, physical well-being, or welfare of the children and adult residents residing in the facility.

"Child" means any person under the age of 18 years, unless legally emancipated by reason of marriage or entry into a branch of the United States armed services.

(h) commits or allows to be committed the offense of involuntary servitude, involuntary sexual servitude of a minor, or trafficking in persons as defined in Section 10-9 of the Criminal Code of 2012 against the child.

A child shall not be considered neglected for the sole reason that the child has been relinquished in accordance with the Abandoned Newborn Infant Protection Act. A child shall not be considered neglected or abused for the sole reason that such child's parent or other person responsible for his or her welfare depends upon spiritual means through prayer alone for the treatment or cure of disease or remedial care as provided under Section 4 of this Act. Any person who knowingly and willfully violates any provision of this Section other than a second or subsequent violation of transmitting a false report as described in the preceding paragraph, is guilty of a Class A misdemeanor for a first violation and a Class 4 felony for a second or subsequent violation; except that if the person acted as part of a plan or scheme having as its object the prevention of discovery of an abused or neglected child by lawful authorities for the purpose of protecting or insulating any person or entity from arrest or prosecution, the person is guilty of a Class 4 felony for a first offense and a Class 3 felony for a second or subsequent offense (regardless of whether the second or subsequent offense involves any of the same facts or persons as the first or other prior offense).

(m) A child whose parent, guardian or custodian in good faith selects and depends upon spiritual means through prayer alone for the treatment or cure of disease or remedial care may be considered neglected or abused, but not for the sole reason that his parent, guardian or custodian accepts and practices such beliefs.

(n) A child shall not be considered neglected or abused solely because the child is not attending school in accordance with the requirements of Article 26 of the School Code, as amended.

(o) Nothing in this Act prohibits a mandated reporter who reasonably believes that an animal is being abused or neglected in violation of the Humane Care for Animals Act from reporting animal abuse or neglect to the Department of Agriculture's Bureau of Animal Health and Welfare.

(p) A home rule unit may not regulate the reporting of child abuse or neglect in a manner inconsistent with the provisions of this Section. This Section is a limitation under subsection (i) of Section 6 of Article VII of the Illinois Constitution on the concurrent exercise by home rule units of powers and functions exercised by the State.

The Department shall reach out to businesses and organizations to seek assistance in raising awareness about child abuse and child neglect and the statewide toll-free telephone number established under Section 7.6, including posting notices. The Department shall make a model notice available for download on the Department's website. The model notice shall:

(3) include the following statement:

"Protecting children is a responsibility we all share. It is important for every person to take child abuse and child neglect seriously, to be able to recognize when it happens, and to know what to do next. If you have reason to believe a child you know is being abused or neglected, call the State's child abuse hotline; and

(4) include the statewide toll-free telephone number established under Section 7.6, and the Department's website address where more information about child abuse and child neglect is available.

(b) Within the appropriation available, the Department shall conduct a continuing education and training program for State and local staff, persons and officials required to report, the general public, and other persons engaged in or intending to engage in the prevention, identification, and treatment of child abuse and neglect. The program shall be designed to encourage the fullest degree of reporting of known and suspected child abuse and neglect, and to improve communication, cooperation, and coordination among all agencies in the identification, prevention, and treatment of child abuse and neglect. The program shall inform the general public and professionals of the nature and extent of child abuse and neglect and their responsibilities, obligations, powers and immunity from liability under this Act. It may include information on the diagnosis of child abuse and neglect and the roles and procedures of the Child Protective Service Unit, the Department and central register, the courts and of the protective, treatment, and ameliorative services available to children and their families. Such information may also include special needs of mothers at risk of delivering a child whose life or development may be threatened by a disabling condition, to ensure informed consent to treatment of the condition and understanding of the unique child care responsibilities required for such a child. The program may also encourage parents and other persons having responsibility for the welfare of children to seek assistance on their own in meeting their child care responsibilities and encourage the voluntary acceptance of available services when they are needed. It may also include publicity and dissemination of information on the existence and number of the 24 hour, State-wide, toll-free telephone service to assist persons seeking assistance and to receive reports of known and suspected abuse and neglect.

(c) Within the appropriation available, the Department also shall conduct a continuing education and training program for State and local staff involved in investigating reports of child abuse or neglect made under this Act. The program shall be designed to train such staff in the necessary and appropriate procedures to be followed in investigating cases which it appears may result in civil or criminal charges being filed against a person. Program subjects shall include but not be limited to the gathering of evidence with a view toward presenting such evidence in court and the involvement of State or local law enforcement agencies in the investigation. The program shall be conducted in cooperation with State or local law enforcement agencies, State's Attorneys and other components of the criminal justice system as the Department deems appropriate.

The following amendment was offered in the Committee on State Government, adopted and ordered printed:

AMENDMENT NO. 1 TO SENATE BILL 1981

AMENDMENT NO. 1. Amend Senate Bill 1981 by replacing everything after the enacting clause with the following:

"Section 5. The State Budget Law of the Civil Administrative Code of Illinois is amended by changing Section 50-5 as follows:

(15 ILCS 20/50-5)

Sec. 50-5. Governor to submit State budget.

(a) The Governor shall, as soon as possible and not later than the second Wednesday in March in 2010 (March 10, 2010), the third Wednesday in February in 2011, the fourth Wednesday in February in 2012 (February 22, 2012), the first Wednesday in March in 2013 (March 6, 2013), the fourth Wednesday in March in 2014 (March 26, 2014), and the third Wednesday in February of each year thereafter, except as otherwise provided in this Section, submit a State budget, embracing therein the amounts recommended by the Governor to be appropriated to the respective departments, offices, and institutions, and for all other public purposes, the estimated revenues from taxation, and the estimated revenues from sources other than taxation. Except with respect to the capital development provisions of the State budget, beginning with the revenue estimates prepared for fiscal year 2012, revenue estimates shall be based solely on: (i) revenue sources (including non-income resources), rates, and levels that exist as of the date of the submission of the State budget for the fiscal year and (ii) revenue sources (including non-income resources), rates, and levels that have been passed by the General Assembly as of the date of the submission of the State budget for the fiscal year and that are authorized to take effect in that fiscal year. Except with respect to the capital development provisions of the State budget, the Governor shall determine available revenue, deduct the cost of essential government services, including, but not limited to, pension payments and debt service, and assign a percentage of the remaining revenue to each statewide prioritized goal, as established in Section 50-25 of this Law, taking into consideration the proposed goals set forth in the report of the Commission established under that Section. The Governor shall also demonstrate how spending priorities for the fiscal year fulfill those statewide goals. The amounts recommended by the Governor for appropriation to the respective departments, offices and institutions shall be formulated according to each department's, office's, and institution's ability to effectively deliver services that meet the established statewide goals. The amounts relating to particular functions and activities shall be further formulated in accordance with the object classification specified in Section 13 of the State Finance Act. In addition, the amounts recommended by the Governor for appropriation shall take into account each State agency's effectiveness in achieving its prioritized goals for the previous fiscal year, as set forth in Section 50-25 of this Law, giving priority to agencies and programs that have demonstrated a focus on the prevention of waste and the maximum yield from resources.

Beginning in fiscal year 2011, the Governor shall distribute written quarterly financial reports on operating funds, which may include general, State, or federal funds and may include funds related to agencies that have significant impacts on State operations, and budget statements on all appropriated funds to the General Assembly and the State Comptroller. The reports shall be submitted no later than 45 days after the last day of each quarter of the fiscal year and shall be posted on the Governor's Office of Management and Budget's website on the same day. The reports shall be prepared and presented for each State agency and on a statewide level in an executive summary format that may include, for the fiscal year to date, individual itemizations for each significant revenue type as well as itemizations of expenditures and obligations, by agency, with an appropriate level of detail. The reports shall include a calculation of the actual total budget surplus or deficit for the fiscal year to date. The Governor shall also present periodic budget addresses throughout the fiscal year at the invitation of the General Assembly.

The Governor shall not propose expenditures and the General Assembly shall not enact appropriations that exceed the resources estimated to be available, as provided in this Section. Appropriations may be adjusted during the fiscal year by means of one or more supplemental appropriation bills if any State agency either fails to meet or exceeds the goals set forth in Section 50-25 of this Law.

For the purposes of Article VIII, Section 2 of the 1970 Illinois Constitution, the State budget for the following funds shall be prepared on the basis of revenue and expenditure measurement concepts that are in concert with generally accepted accounting principles for governments:

- (1) General Revenue Fund.
- (2) Common School Fund.
- (3) Educational Assistance Fund.

- (4) Road Fund.
- (5) Motor Fuel Tax Fund.
- (6) Agricultural Premium Fund.

These funds shall be known as the "budgeted funds". The revenue estimates used in the State budget for the budgeted funds shall include the estimated beginning fund balance, plus revenues estimated to be received during the budgeted year, plus the estimated receipts due the State as of June 30 of the budgeted year that are expected to be collected during the lapse period following the budgeted year, minus the receipts collected during the first 2 months of the budgeted year that became due to the State in the year before the budgeted year. Revenues shall also include estimated federal reimbursements associated with the recognition of Section 25 of the State Finance Act liabilities. For any budgeted fund for which current year revenues are anticipated to exceed expenditures, the surplus shall be considered to be a resource available for expenditure in the budgeted fiscal year.

Expenditure estimates for the budgeted funds included in the State budget shall include the costs to be incurred by the State for the budgeted year, to be paid in the next fiscal year, excluding costs paid in the budgeted year which were carried over from the prior year, where the payment is authorized by Section 25 of the State Finance Act. For any budgeted fund for which expenditures are expected to exceed revenues in the current fiscal year, the deficit shall be considered as a use of funds in the budgeted fiscal year.

Revenues and expenditures shall also include transfers between funds that are based on revenues received or costs incurred during the budget year.

Appropriations for expenditures shall also include all anticipated statutory continuing appropriation obligations that are expected to be incurred during the budgeted fiscal year.

By March 15 of each year, the Commission on Government Forecasting and Accountability shall prepare revenue and fund transfer estimates in accordance with the requirements of this Section and report those estimates to the General Assembly and the Governor.

For all funds other than the budgeted funds, the proposed expenditures shall not exceed funds estimated to be available for the fiscal year as shown in the budget. Appropriation for a fiscal year shall not exceed funds estimated by the General Assembly to be available during that year.

Together with the budget as provided in this subsection, the Governor shall file a written report with the Secretary of the Senate and the Clerk of the House of Representatives containing the following: the actual or projected fund balances, revenues, and expenditures for all appropriated funds for the previous fiscal year, the current fiscal year, and the upcoming fiscal year.

(b) By February 24, 2010, the Governor must file a written report with the Secretary of the Senate and the Clerk of the House of Representatives containing the following:

(1) for fiscal year 2010, the revenues for all budgeted funds, both actual to date and estimated for the full fiscal year;

(2) for fiscal year 2010, the expenditures for all budgeted funds, both actual to date and estimated for the full fiscal year;

(3) for fiscal year 2011, the estimated revenues for all budgeted funds, including without limitation the affordable General Revenue Fund appropriations, for the full fiscal year; and

(4) for fiscal year 2011, an estimate of the anticipated liabilities for all budgeted funds, including without limitation the affordable General Revenue Fund appropriations, debt service on bonds issued, and the State's contributions to the pension systems, for the full fiscal year.

Between July 1 and August 31 of each fiscal year, the members of the General Assembly and members of the public may make written budget recommendations to the Governor.

Beginning with budgets prepared for fiscal year 2013, the budgets submitted by the Governor and appropriations made by the General Assembly for all executive branch State agencies must adhere to a method of budgeting where each priority must be justified each year according to merit rather than according to the amount appropriated for the preceding year.

Each year, each chief procurement officer shall review the progress of all State agencies under its jurisdiction in meeting the goal described in subsection (a), with input from statewide veterans' service organizations and from the business community, including businesses owned by qualified veterans, and shall make recommendations to be included in the Department of Central Management Services' report to the General Assembly regarding continuation, increases, or decreases of the percentage goal. The recommendations shall be based upon the number of businesses that are owned by qualified veterans and on the continued need to encourage and promote businesses owned by qualified veterans.

(15 ILCS 205/6.3 new)

Sec. 6.3. Worker Protection Unit.

(a) The General Assembly finds that the welfare and prosperity of all Illinois citizens and businesses requires the establishment of a Unit within the Attorney General's Office dedicated to combatting businesses that underpay their employees, force their employees to work in unsafe conditions, and gain an unfair economic advantage by avoiding their tax and labor responsibilities. The Worker Protection Unit shall be focused on protecting the State's workforce to ensure workers are paid properly, guarantee safe workplaces, and allow law-abiding business owners to thrive through healthy and fair competition. Businesses that violate the State's worker protection laws put a greater burden on taxpayers by hurting the State's ability to provide critical services; compliant businesses cannot compete against those who gain an unfair advantage by evading their responsibilities.

(b) There is created within the Office of the Attorney General a Worker Protection Unit, consisting of Assistant Attorneys General appointed by the Attorney General, who, together with other staff as deemed necessary by the Attorney General, shall have the power and duty on behalf of persons within this State, to intervene in, initiate, and enforce all legal proceedings on matters related to the payment of wages, the safety of the workplace, and fair employment practices, including, without limitation, the provisions of the Prevailing Wage Act, the Employee Classification Act, the Minimum Wage Law, the Day and Temporary Labor Services Act, or the Wage Payment and Collection Act, whenever the Attorney General determines that such action is necessary to protect the rights and interests of Illinois workers and Illinois businesses.

(c) Prior to initiating an action, the Attorney General shall conduct an investigation and may: (1) require an individual or entity to file a statement or report in writing under oath or otherwise, as to all information the Attorney General may consider necessary; (2) examine under oath any person alleged to have participated in or with knowledge of the alleged violation; or (3) issue subpoenas or conduct hearings in aid of any investigation.

(d) In an action brought under this Section, the Attorney General may obtain, as a remedy, monetary damages to the State, restitution, and equitable relief, including any permanent or preliminary injunction, temporary restraining order, or other order, including an order enjoining the defendant from engaging in a violation, or order any action as may be appropriate. In addition, the Attorney General may request and the court may impose a civil penalty against any person or entity found by the court to have violated the Prevailing Wage Act, the Employee Classification Act, the Minimum Wage Law, the Day and Temporary

[April 4, 2019]

Labor Services Act, the Wage Payment and Collection Act, or any other law related to the payment of wages, the safety of the workplace, or fair employment practices, in a sum not to exceed the maximum amount of any civil penalty prescribed by law. Neither the State nor an aggrieved individual may recover monetary relief, including civil penalties, in more than one proceeding related to the same violation.

(e) Upon the Attorney General's request, the Illinois Department of Labor shall provide any materials or documents already in the Department's possession pertaining to the enforcement of this Section. The Office of the Attorney General may use information obtained under this Section, including information that is designated as and that qualifies for confidential treatment, which information the Attorney General's Office shall maintain as confidential, for law enforcement purposes only, which information may be shared with other law enforcement officials. Nothing in this Section is intended to take away or limit any powers of the Attorney General under common law or other statutory law.

(15 ILCS 205/6.4 new)

Sec. 6.4. Worker Protection Unit Task Force.

(a) There is created a Worker Protection Task Force within the Office of the Illinois Attorney General. The Task Force shall be coordinated by the Office of the Attorney General to promote a statewide outreach and enforcement effort to target businesses that violate the State's worker protection laws. The purpose of the Task Force shall be to:

(1) create a coalition in Illinois dedicated to protecting the State's workforce and law-abiding businesses;

(2) facilitate the timely sharing of information between Task Force members relating to suspected worker exploitation;

(3) promote the refinement of targeting methods and best practices, and develop strategies to systemically investigate worker exploitation; and

(4) work cooperatively with labor and community organizations, businesses and business coalitions, and other advocacy groups to increase public awareness on the underground economy in an effort to promote fairness, combat discrimination, and protect the welfare of the State.

(b) The Task Force shall consist of:

(1) the Illinois Attorney General;

(2) Assistant Attorneys General, assigned at the discretion of the Illinois Attorney General;

(3) three elected State's Attorneys of Illinois, or their designees, selected by the Attorney General;

(4) the Director of Labor or his or her designee;

(5) the Director of Employment Security or his or her designee;

(6) the Director of Human Rights or his or her designee; and

(7) the chairperson of the Illinois Workers' Compensation Commission or his or her designee.

(c) The Task Force shall elect a chairperson from its membership and shall have the authority to determine its own meeting schedule, hearing schedule, and agendas. Members of the Task Force shall serve without compensation.

(d) The Task Force shall submit a report to the Governor and the General Assembly regarding its progress no later than December 1, 2020.
