**PRESENTATION OF RESOLUTIONS**

**SENATE RESOLUTION NO. 371**

[May 2, 2019]

Offered by Senator Syverson and all Senators:  
Mourns the death of Cindy S. Jensen-Toews.

By unanimous consent, the foregoing resolution was referred to the Resolutions Consent Calendar.

Senator Aquino offered the following Senate Resolution, which was referred to the Committee on Assignments:

**SENATE RESOLUTION NO. 370**

WHEREAS, Housing is our State's most important social and economic infrastructure; nearly one in three Illinois families struggles with housing costs; over half of our State's renters need an affordable home, including over half of seniors who rent their homes; we face a critical shortage of an estimated 23,000 supportive housing units for our most vulnerable populations, those who are veterans, disabled, and/or at risk of homelessness; and

WHEREAS, Article 25 of the Universal Declaration of Human Rights recognizes the right to housing as a human right; and

WHEREAS, Illinois cannot thrive if young adults cannot afford housing and leave Illinois, if businesses leave for states with lower housing costs, and when families struggle to keep a roof over their heads; and

WHEREAS, The 2009 capital budget set a precedent for investing in housing as infrastructure through an allocation of approximately \$145 million for affordable housing; nearly \$70 million of these funds were used to create 694 affordable rental homes across the State, leveraging an additional \$82.5 million in public and private resources; capital budget dollars allocated towards affordable housing were highly leveraged with private and public money and were extremely impactful in creating jobs, creating housing, broadening the tax base, and creating new economic activity; and

WHEREAS, Communities across our great State still struggle to provide an adequate supply of affordable homes to our residents; and

WHEREAS, Allocating \$1 billion towards affordable housing in the State's next capital budget provides us with an opportunity to make a sizable impact on the housing needs of our communities; and

WHEREAS, This investment in affordable housing would allow the development of homes meeting a wide range of needs, including, but not limited to, affordable homes for working families and seniors, supportive housing for people experiencing homelessness, accessible housing for people with disabilities, and affordable memory care homes for people with Alzheimer's disease; homeownership could be supported by rehabbing vacant and abandoned properties; and

WHEREAS, This investment would be used across the State in urban, suburban, and rural communities to rebuild neighborhoods, create new jobs, attract new investment, and broaden the property tax base; and

WHEREAS, With \$1 billion in capital budget funds we could build 10,000 affordable rental homes for working families, seniors, veterans, and people who need supportive housing, create 16,000 jobs in the first year alone, and generate \$755 million in taxes and other revenue for local governments and \$3.9 billion in local income for businesses and workers over the course of 15 years; and

WHEREAS, This investment would provide resources to meet the goals of the Comprehensive Housing Planning Act (310 ILCS 110), which is to maintain the economic health of our communities by requiring a comprehensive and unified policy for the allocation of resources for affordable housing and supportive services for historically underserved populations throughout the State; therefore, be it

RESOLVED, BY THE SENATE OF THE ONE HUNDRED FIRST GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we recognize one of the most urgently required, realistic, and important ways to rebuild our State means investing in where our families live; increasing Illinois' stock of affordable

[May 2, 2019]

housing would give people more reasons to stay here and entice employers and families to relocate here, save money, build wealth, and achieve a middle-class standard of living; and be it further

RESOLVED, That we urge significant funding for affordable housing be included in any new capital spending plan; and be it further

RESOLVED, That suitable copies of this resolution be delivered to the offices of the Governor, the Capital Development Board, the Housing Development Authority, the Department of Human Services, the Department of Transportation, the Department on Aging, the Department of Children and Family Services, the Department of Corrections, the Department of Commerce and Economic Opportunity, the Department of Healthcare and Family Services, and the Department of Veterans' Affairs.

"Section 5. The Environmental Protection Act is amended by adding Section 21.7 as follows:

(415 ILCS 5/21.7 new)

Sec. 21.7. Landfills.

(a) The purpose of this Section is to enact legislative recommendations provided by the Mahomet Aquifer Task Force, established under Public Act 100-403. The Task Force identified capped but unregulated or underregulated landfills that overlie the Mahomet Aquifer as potentially hazardous to valuable groundwater resources. These unregulated or underregulated landfills generally began accepting waste for disposal sometime prior to 1973.

(b) The Agency shall prioritize unregulated or underregulated landfills that overlie the Mahomet Aquifer for inspection. The following factors shall be considered:

- (1) the presence of, and depth to, any aquifer with potential potable use;
- (2) whether the landfill has an engineered liner system;
- (3) whether the landfill has an active groundwater monitoring system;
- (4) whether waste disposal occurred within the 100-year floodplain; and
- (5) landfills within the setback zone of any potable water supply well.

[May 2, 2019]

(c) Subject to appropriation, the Agency shall use existing information available from State and federal agencies, such as the Prairie Research Institute, the Department of Natural Resources, the Illinois Emergency Management Agency, the Federal Emergency Management Agency, and the Natural Resources Conservation Service, to identify unknown, unregulated, or underregulated waste disposal sites that overlie the Mahomet Aquifer that may pose a threat to surface water or groundwater resources.

(d) Subject to appropriation, for those landfills prioritized for response action following inspection and investigation, the Agency shall use its own data, along with data from municipalities, counties, solid waste management associations, companies, corporations, and individuals, to archive information about the landfills, including their ownership, operational details, and waste disposal history.

Section 10. The Illinois Groundwater Protection Act is amended by adding Section 10 as follows:  
(415 ILCS 55/10 new)

Sec. 10. Pekin Metro Landfill; pilot projects.

(a) Subject to appropriation, the Agency shall design and implement up to 2 pilot studies of landfills that overlie the Mahomet Aquifer to identify threats to surface and groundwater resources that are posed by the landfills. One of the pilot projects shall be conducted at the Pekin Metro Landfill in Tazewell County. In conducting the pilot projects, the Agency shall:

(1) inspect and identify potential and current contamination threats to the water quality of aquifers in the same watershed as the landfill (for the Pekin Metro Landfill, the Mahomet Aquifer);

(2) use geographic information systems and remote sensing technology to track defects, structures, appliances, and wells for routine inspection and sustainable management;

(3) install or repair groundwater monitoring mechanisms necessary to identify whether contaminants from the landfill are affecting water quality in the Mahomet Aquifer; and

(4) identify and provide cost estimates for any additional response actions necessary or appropriate to reduce or minimize potential threats to human health and the environment resulting from current landfill conditions.

(b) Following the completion of the pilot project response actions, the Agency shall:

(1) evaluate, in consultation with the Prairie Research Institute, the use of aerial photography and other remote sensing technologies, such as Light Detection and Ranging (LiDAR), to identify land erosion, landslides, barren areas, leachate seeps, vegetation, and other relevant surface and subsurface features of landfills to aid in the inspection and investigation of landfills; and

**AMENDMENT NO. 2 TO SENATE JOINT RESOLUTION 26**

AMENDMENT NO. 2. Amend Senate Joint Resolution 26, AS AMENDED, with reference to the page and line numbers of Senate Amendment No. 1, by replacing from line 5 on page 1 through line 16 on page 3 with the following:

"WHEREAS, On February 27, 1861, in an attempt to avert the secession of Southern states, United States Representative Thomas Corwin of Ohio proposed an amendment to the United States Constitution that would prohibit the United States Constitution from being amended in a manner that authorizes Congress to abolish or interfere with the states' domestic institutions, including slavery; and

WHEREAS, On March 2, 1861, the Corwin Amendment was approved by a joint resolution of the Thirty-Sixth United States Congress (12 Stat. 251) and was submitted to the states under Article V of the United States Constitution for ratification with no deadline given for completion of its ratification; and

WHEREAS, The Twenty-Third General Assembly of the State of Illinois ratified the Corwin Amendment in "An Act ratifying a certain amendment to the Constitution of the United States", in force June 2, 1863 (Public Laws 1863, p. 41); and

WHEREAS, The Corwin Amendment has not yet been ratified by three-fourths of the states and, therefore, is not part of the United States Constitution at this time; and

WHEREAS, It is still possible that a sufficient number of states could belatedly ratify the Corwin Amendment thereby adding it to the United States Constitution, as occurred with the 27th Amendment to the United States Constitution, which was first proposed in 1789 and was not ratified by a sufficient number of states until 1992; and

[May 2, 2019]

WHEREAS, With the end of the Civil War and the ratification of the actual 13th Amendment to the United States Constitution in 1865, the purposes of the Corwin Amendment have become moot; therefore, be it

RESOLVED, BY THE SENATE OF THE ONE HUNDRED FIRST GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, THE HOUSE OF REPRESENTATIVES CONCURRING HEREIN, That the State of Illinois rescinds its 1863 ratification of the following proposition, known as the Corwin Amendment to the United States Constitution:

"ARTICLE XIII.

No amendment shall be made to the Constitution which will authorize or give to Congress the power to abolish or interfere, within any State, with the domestic institutions thereof, including that of persons held to labor or service by the laws of said State."; and be it further

RESOLVED, That certified copies of this resolution be forwarded to the Archivist of the United States, the President of the United States, the President and Secretary of the United States Senate, the Speaker and Clerk of the United States House of Representatives, and each member of the Illinois congressional delegation with the request that it be printed verbatim in the Congressional Record."
