All such obligations shall be considered as cash and may be delivered over as cash by a State Treasurer to his successor.

The State Treasurer may, with the approval of the Governor, purchase any state bonds with any money in the State Treasury that has been set aside and held for the payment of the principal of and interest on the bonds. The bonds shall be considered as cash and may be delivered over as cash by the State Treasurer to his successor.

The State Treasurer may, with the approval of the Governor, invest or reinvest any State money in the treasury that is not needed for current expenditure due or about to become due, or any money in the State Treasury that has been set aside and held for the payment of the principal of and the interest on any State bonds, in shares, withdrawable accounts, and investment certificates of savings and building and loan associations, incorporated under the laws of this State or any other state or under the laws of the United States; provided, however, that investments may be made only in those savings and loan or building and

The State Treasurer may, with the approval of the Governor, invest or reinvest, at a price not to exceed par, any State money in the treasury that is not needed for current expenditures due or about to become due, or any money in the State Treasury that has been set aside and held for the payment of the principal of and interest on any State bonds, in bonds issued by counties or municipal corporations of the State of Illinois.

The State Treasurer and the Comptroller shall enter into an intergovernmental agreement to establish procedures for such investments, which market established variable rate to which the interest rate for the investments should be tied, and other terms which the State Treasurer and Comptroller reasonably believe to be mutually beneficial concerning these investments by the State Treasurer. The State Treasurer and Comptroller shall also enter into a written agreement for each such investment that specifies the period of the investment, the payment interval, the interest rate to be paid, the funds in the Treasury from which the Treasurer will draw the investment, and other terms upon which the State Treasurer and Comptroller mutually agree. Such investment agreements shall be public records and the State Treasurer shall post the terms of all such investment agreements on the State Treasurer's official website. In compliance with the intergovernmental agreement, the Comptroller shall order and the State Treasurer shall transfer amounts sufficient for the payment of principal and interest invested by the State Treasurer with the Office of the Comptroller under this paragraph from the General Revenue Fund or the Health Insurance Reserve Fund to the respective funds in the Treasury from which the State Treasurer drew the investment. (b) Applications shall be filed with the office of the Attorney General.

(c) Upon filing a properly completed application, the Attorney General shall certify the applicant as a program participant. Applicants shall be certified for 4 years following the date of filing unless the certification is withdrawn or invalidated before that date. The Attorney General shall by rule establish a renewal procedure.

(d) A person who falsely attests in an application that disclosure of the applicant's address would endanger the applicant's safety or the safety of the applicant's children or the minor or incapacitated person on whose behalf the application is made, or who knowingly provides false or incorrect information upon making an application, is guilty of a Class 3 felony.
