Mourns the death of Richard L. Paulsen of Moline.

By unanimous consent, the foregoing resolutions were referred to the Resolutions Consent Calendar.

Senator Morrison offered the following Senate Joint Resolution, which was referred to the Committee on Assignments:

SENATE JOINT RESOLUTION NO. 43

WHEREAS, The human papillomavirus (HPV) is the most common sexually transmitted virus in the United States; nearly 14 million people become infected each year; and

WHEREAS, HPV causes approximately 33,700 cases of HPV-associated cancers each year, including cervical, anal, and oropharyngeal cancers; and

WHEREAS, The 9-valent HPV vaccine protects against nine types of HPV infection; and

WHEREAS, Within six years of vaccine introduction in 2006, there was a 64% decrease in HPV in women ages 14 to 19 years, and 34% among females ages 20 to 24 years; and

WHEREAS, The HPV vaccine was thoroughly tested for safety before being licensed and released and continues to be monitored by the Centers for Disease Control and Prevention and the Food and Drug Administration; and

WHEREAS, There have been no serious safety concerns linked to the vaccine; and

WHEREAS, The American Academy of Pediatrics and the Advisory Committee on Immunization Practices recommend two doses of the HPV vaccine for males and females ages 11-12; the vaccine is approved for men and women through age 45; and

WHEREAS, in Illinois, only 50 percent of males and females ages 13 to 17 years were up to date on HPV vaccination in 2017; therefore, be it

RESOLVED, BY THE SENATE OF THE ONE HUNDRED FIRST GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, THE HOUSE OF REPRESENTATIVES CONCURRING HEREIN, that we encourage adolescents in Illinois to receive the HPV vaccine to protect themselves against HPV infection and HPV-related cancers.

The following amendment was offered in the Committee on Financial Institutions, adopted and ordered printed:

AMENDMENT NO. 1 TO HOUSE BILL 2837

AMENDMENT NO. 1. Amend House Bill 2837 by replacing everything after the enacting clause with the following:

"Section 5. The State Treasurer Act is amended by changing Section 16.5 as follows:

(15 ILCS 505/16.5)

Sec. 16.5. College Savings Pool.

(a) Definitions. As used in this Section:

"Account owner" means any person or entity who has opened an account or to whom ownership of an account has been transferred, as allowed by the Internal Revenue Code, and who has authority to withdraw funds, direct withdrawal of funds, change the designated beneficiary, or otherwise exercise control over an account in the College Savings Pool.

"Donor" means any person or entity who makes contributions to an account in the College Savings Pool.

"Designated beneficiary" means any individual designated as the beneficiary of an account in the College Savings Pool by an account owner. A designated beneficiary must have a valid social security number or taxpayer identification number. In the case of an account established as part of a scholarship program permitted under Section 529 of the Internal Revenue Code, the designated beneficiary is any individual receiving benefits accumulated in the account as a scholarship.

"Member of the family" has the same meaning ascribed to that term under Section 529 of the Internal Revenue Code.

"Nonqualified withdrawal" means a distribution from an account other than a distribution that (i) is used for the qualified expenses of the designated beneficiary; (ii) results from the beneficiary's death, ~~or disability, or other circumstances described in Section 530(d)(4)(B) of the Internal Revenue Code;~~ (iii) is a rollover to another account in the College Savings Pool; or (iv) is a rollover to an ABLÉ account, as defined in Section 16.6 of this Act, or any distribution that, within 60 days after such distribution, is transferred to an ABLÉ account of the designated beneficiary or a member of the family of the designated beneficiary to the extent that the distribution, when added to all other contributions made to the ABLÉ account for the taxable year, does not exceed the limitation under Section 529A(b) ~~(2)(B)(i)~~ of the Internal Revenue Code.

"Program manager" means any financial institution or entity lawfully doing business in the State of Illinois selected by the State Treasurer to oversee the recordkeeping, custody, customer service, investment management, and marketing for one or more of the programs in the College Savings Pool.

[May 17, 2019]

"Qualified expenses" means: (i) tuition, fees, and the costs of books, supplies, and equipment required for enrollment or attendance at an eligible educational institution; (ii) expenses for special needs services, in the case of a special needs beneficiary, which are incurred in connection with such enrollment or attendance; (iii) certain expenses for the purchase of computer or peripheral equipment, as defined in Section 168 of the federal Internal Revenue Code (26 U.S.C. 168), computer software, as defined in Section 197 of the federal Internal Revenue Code (26 U.S.C. 197), or Internet access and related services, if such equipment, software, or services are to be used primarily by the beneficiary during any of the years the beneficiary is enrolled at an eligible educational institution, except that, such expenses shall not include expenses for computer software designed for sports, games, or hobbies, unless the software is predominantly educational in nature; and (iv) room and board expenses incurred while attending an eligible educational institution at least half-time. "Eligible educational institutions", as used in this Section, means public and private colleges, junior colleges, graduate schools, and certain vocational institutions that are described in Section ~~1001 484~~ of the Higher Education Resource and Student Assistance Chapter of Title 20 of the United States Code Act of 1965 (20 U.S.C. ~~1001 4088~~) and that are eligible to participate in Department of Education student aid programs. A student shall be considered to be enrolled at least half-time if the student is enrolled for at least half the full-time academic workload for the course of study the student is pursuing as determined under the standards of the institution at which the student is enrolled.

(b) Establishment of the Pool. The State Treasurer may establish and administer ~~the~~ a College Savings Pool as a qualified tuition program under Section 529 of the Internal Revenue Code. The Pool may consist of one or more college savings programs. The State Treasurer, in administering the College Savings Pool, may receive, hold, and invest moneys paid into the Pool and perform such other actions as are necessary to ensure that the Pool operates as a qualified tuition program in accordance with Section 529 of the Internal Revenue Code.

(c) Administration of the College Savings Pool. The State Treasurer may engage one or more financial institutions to handle the overall administration, investment management, recordkeeping, and marketing of the programs in the College Savings Pool. The contributions deposited in the Pool, and any earnings thereon, shall not constitute property of the State or be commingled with State funds and the State shall have no claim to or against, or interest in, such funds; provided that the State Treasurer may collect fees in accordance with this Act.

(c-5) The State Treasurer shall provide a separate accounting for each designated beneficiary. The separate accounting shall be provided to the account owner of the account for the designated beneficiary at least annually and shall show the account balance, the investment in the account, the investment earnings, and the distributions from the account.

(d) Availability of the College Savings Pool. The State Treasurer may permit persons, including trustees of trusts and custodians under a Uniform Transfers to Minors Act or Uniform Gifts to Minors Act account, and certain legal entities to be account owners, including as part of a scholarship program, provided that: (1) an individual, trustee or custodian must have a valid social security number or taxpayer identification number, be at least 18 years of age, and have a valid United States street address; and (2) a legal entity must have a valid taxpayer identification number and a valid United States street address. Both in-state and out-of-state persons may be account owners and donors, and both in-state and out-of-state individuals may be designated beneficiaries in the College Savings Pool.

(e) Fees. The State Treasurer shall establish fees to be imposed on accounts to ~~cover~~ ~~recover~~ the costs of administration, recordkeeping, and investment management. The Treasurer must use his or her best efforts to keep these fees as low as possible and consistent with administration of high quality competitive college savings programs. Administrative fees, costs, and expenses, including investment fees and expenses, shall be paid from the assets of the College Savings Pool.

(f) Investments in the State. To enhance the safety and liquidity of the College Savings Pool, to ensure the diversification of the investment portfolio of the College Savings Pool, and in an effort to keep investment dollars in the State of Illinois, the State Treasurer may make a percentage of each account available for investment in participating financial institutions doing business in the State.

(g) Investment policy. The Treasurer shall develop, publish, and implement an investment policy covering the investment of the moneys in each of the programs in the College Savings Pool. The policy shall be published each year as part of the audit of the College Savings Pool by the Auditor General, which shall be distributed to all account owners in such program. The Treasurer shall notify all account owners in such program in writing, and the Treasurer shall publish in a newspaper of general circulation in both Chicago and Springfield, any changes to the previously published investment policy at least 30 calendar days before implementing the policy. Any investment policy adopted by the Treasurer shall be reviewed and updated if necessary within 90 days following the date that the State Treasurer takes office.

(h) Investment restrictions. An account owner may, directly or indirectly, direct the investment of any contributions to the College Savings Pool (or any earnings thereon) only as provided in Section 529(b)(4) of the Internal Revenue Code. Donors and designated beneficiaries, in those capacities, may not, directly or indirectly, direct the investment of any contributions to the Pool (or any earnings thereon).

(i) Distributions. Distributions from an account in the College Savings Pool may be used for the designated beneficiary's qualified expenses. Funds contained in a College Savings Pool account may be rolled over into an eligible ABLE account, as defined in Section 16.6 of this Act, to the extent permitted by Section 529(e)(3)(C) of the Internal Revenue Code. ~~To the extent a nonqualified withdrawal is made from an account, the earnings portion of such distribution may be treated by the Internal Revenue Service as income subject to income tax and a 10% federal penalty tax. Internet~~

Distributions made from the College Savings Pool may be made directly to the eligible educational institution, directly to a vendor, in the form of a check payable to both the designated beneficiary and the institution or vendor, directly to the designated beneficiary or account owner, or in any other manner that is permissible under Section 529 of the Internal Revenue Code.

(j) Contributions. Contributions to the College Savings Pool shall be as follows:

(1) Contributions to an account in the College Savings Pool may be made only in cash.

(2) The Treasurer shall limit the contributions that may be made to the College Savings Pool on behalf of a designated beneficiary, as required under Section 529 of the Internal Revenue Code, to prevent contributions for the benefit of a designated beneficiary in excess of those necessary to provide for the qualified expenses of the designated beneficiary. The Pool shall not permit any additional contributions to an account as soon as the aggregate accounts for the designated beneficiary in the Pool reach a specified account balance limit applicable to all designated beneficiaries.

(3) The contributions made on behalf of a designated beneficiary who is also a beneficiary under the Illinois Prepaid Tuition Program shall be further restricted to ensure that the contributions in both programs combined do not exceed the limit established for the College Savings Pool.

(k) Illinois Student Assistance Commission. The Treasurer shall provide the Illinois Student Assistance Commission each year at a time designated by the Commission, an electronic report of all account owner accounts in the Treasurer's College Savings Pool, listing total contributions and disbursements from each individual account during the previous calendar year. As soon thereafter as is possible following receipt of the Treasurer's report, the Illinois Student Assistance Commission shall, in turn, provide the Treasurer with an electronic report listing those College Savings Pool account owners who also participate in the Illinois Prepaid Tuition Program ~~State's prepaid tuition program~~, administered by the Commission. ~~The Commission shall be responsible for filing any combined tax reports regarding State-qualified savings programs required by the United States Internal Revenue Service.~~

The Treasurer shall work with the Illinois Student Assistance Commission to coordinate the marketing of the College Savings Pool and the Illinois Prepaid Tuition Program when considered beneficial by the Treasurer and the Director of the Illinois Student Assistance Commission. ~~The Treasurer shall provide a separate accounting for each designated beneficiary to each account owner.~~

(l) Prohibition; exemption. No interest in the program, or any portion thereof, may be used as security for a loan. Moneys held in an account invested in the College Savings Pool shall be exempt from all claims of the creditors of the account owner, donor, or designated beneficiary of that account, except for the non-exempt College Savings Pool transfers to or from the account as defined under subsection (j) of Section 12-1001 of the Code of Civil Procedure.

(m) Taxation. The assets of the College Savings Pool and its income and operation shall be exempt from all taxation by the State of Illinois and any of its subdivisions. The accrued earnings on investments in the Pool once disbursed on behalf of a designated beneficiary shall be similarly exempt from all taxation by the State of Illinois and its subdivisions, so long as they are used for qualified expenses. Contributions to a College Savings Pool account during the taxable year may be deducted from adjusted gross income as provided in Section 203 of the Illinois Income Tax Act. The provisions of this paragraph are exempt from Section 250 of the Illinois Income Tax Act.

(n) Rules. The Treasurer shall adopt rules he or she considers necessary for the efficient administration of the College Savings Pool. The rules shall provide whatever additional parameters and restrictions are necessary to ensure that the College Savings Pool meets all of the requirements for a qualified state tuition program under Section 529 of the Internal Revenue Code.

~~The rules shall provide for the administration expenses of the Pool to be paid from its earnings and for the investment earnings in excess of the expenses to be credited at least monthly to the account owners in the Pool in a manner which equitably reflects the differing amounts of their respective investments in the Pool and the differing periods of time for which those amounts were in the custody of the Pool.~~

The rules shall require the maintenance of records that enable the Treasurer's office to produce a report for each account in the Pool at least annually that documents the account balance and investment earnings.

Notice of any proposed amendments to the rules and regulations shall be provided to all account owners prior to adoption. ~~Amendments to rules and regulations shall apply only to contributions made after the adoption of the amendment.~~

(o) Bond. The State Treasurer shall give bond with at least one surety, payable to and for the benefit of the account owners in the College Savings Pool, in the penal sum of \$10,000,000, conditioned upon the faithful discharge of his or her duties in relation to the College Savings Pool.

(p) The changes made to subsections (c) and (e) of this Section by this amendatory Act of the 101st General Assembly are intended to be a restatement and clarification of existing law.

AMENDMENT NO. 1 TO HOUSE BILL 2154

AMENDMENT NO. 1. Amend House Bill 2154 by replacing everything after the enacting clause with the following:

"Section 1. References to Act; intent; purposes. This Act may be referred to as the Children and Young Adult Mental Health Crisis Act. It is intended to fill in significant gaps in Illinois' mental health treatment system for children and young adults given that this is the age group that most mental health conditions begin to manifest.

Section 5. Findings. The General Assembly finds as follows:

(1) Over 850,000 children and young adults under age 25 in Illinois will experience a mental health condition. Barely one-third will get treatment even though treatment can lead to recovery and wellness.

(2) Every year hundreds of Illinois children with treatable serious mental health conditions are forced to remain in psychiatric hospitals far beyond medical necessity because subsequent treatment options are not available.

(3) There are many gaps in Illinois' publicly funded mental health system, and private insurance does not cover proven treatment approaches covered by the public sector.

(4) Children and young adults must have access to the level of mental health treatment they need at the first signs of a problem to prevent worsening of the condition and the use of substances for purposes of self-medication.

(5) Illinois' mental health system for children and young adults must align with system of care principles, which were developed by The Georgetown University Center for Child and Human Development and are the nationally recognized best practices for developing a strong treatment system.

(6) This Act contains many of the crucial elements that Illinois requires for building an appropriate service delivery system and for coverage of a comprehensive array of services through private insurance.

Section 10. The State Employees Group Insurance Act of 1971 is amended by changing Section 6.11 as follows:

Section 15. The Counties Code is amended by changing Section 5-1069.3 as follows:
(55 ILCS 5/5-1069.3)

Sec. 5-1069.3. Required health benefits. If a county, including a home rule county, is a self-insurer for purposes of providing health insurance coverage for its employees, the coverage shall include coverage for the post-mastectomy care benefits required to be covered by a policy of accident and health insurance under Section 356t and the coverage required under Sections 356g, 356g.5, 356g.5-1, 356u, 356w, 356x, 356z.6, 356z.8, 356z.9, 356z.10, 356z.11, 356z.12, 356z.13, 356z.14, 356z.15, 356z.22, 356z.25, ~~and 356z.26, and 356z.29~~, 356z.32, and 356z.33 of the Illinois Insurance Code. The coverage shall comply with Sections 155.22a, 355b, 356z.19, and 370c of the Illinois Insurance Code. The Department of Insurance shall enforce the requirements of this Section. The requirement that health benefits be covered as provided in this Section is an exclusive power and function of the State and is a denial and limitation under Article VII, Section 6, subsection (h) of the Illinois Constitution. A home rule county to which this Section applies must comply with every provision of this Section.

Rulemaking authority to implement Public Act 95-1045, if any, is conditioned on the rules being adopted in accordance with all provisions of the Illinois Administrative Procedure Act and all rules and procedures of the Joint Committee on Administrative Rules; any purported rule not so adopted, for whatever reason, is unauthorized.

Section 20. The Illinois Municipal Code is amended by changing Section 10-4-2.3 as follows:
(65 ILCS 5/10-4-2.3)

Sec. 10-4-2.3. Required health benefits. If a municipality, including a home rule municipality, is a self-insurer for purposes of providing health insurance coverage for its employees, the coverage shall include coverage for the post-mastectomy care benefits required to be covered by a policy of accident and health insurance under Section 356t and the coverage required under Sections 356g, 356g.5, 356g.5-1, 356u, 356w, 356x, 356z.6, 356z.8, 356z.9, 356z.10, 356z.11, 356z.12, 356z.13, 356z.14, 356z.15, 356z.22, 356z.25, ~~and 356z.26, and 356z.29~~, 356z.32, and 356z.33 of the Illinois Insurance Code. The coverage shall comply with Sections 155.22a, 355b, 356z.19, and 370c of the Illinois Insurance Code. The Department of Insurance shall enforce the requirements of this Section. The requirement that health benefits be covered as provided in this is an exclusive power and function of the State and is a denial and

limitation under Article VII, Section 6, subsection (h) of the Illinois Constitution. A home rule municipality to which this Section applies must comply with every provision of this Section.

Rulemaking authority to implement Public Act 95-1045, if any, is conditioned on the rules being adopted in accordance with all provisions of the Illinois Administrative Procedure Act and all rules and procedures of the Joint Committee on Administrative Rules; any purported rule not so adopted, for whatever reason, is unauthorized.

Section 25. The School Code is amended by changing Section 10-22.3f as follows:
(105 ILCS 5/10-22.3f)

Sec. 10-22.3f. Required health benefits. Insurance protection and benefits for employees shall provide the post-mastectomy care benefits required to be covered by a policy of accident and health insurance under Section 356t and the coverage required under Sections 356g, 356g.5, 356g.5-1, 356u, 356w, 356x, 356z.6, 356z.8, 356z.9, 356z.11, 356z.12, 356z.13, 356z.14, 356z.15, 356z.22, 356z.25, and 356z.26, and 356z.29, 356z.32, and 356z.33 of the Illinois Insurance Code. Insurance policies shall comply with Section 356z.19 of the Illinois Insurance Code. The coverage shall comply with Sections 155.22a, 355b, and 370c of the Illinois Insurance Code. The Department of Insurance shall enforce the requirements of this Section.

Rulemaking authority to implement Public Act 95-1045, if any, is conditioned on the rules being adopted in accordance with all provisions of the Illinois Administrative Procedure Act and all rules and procedures of the Joint Committee on Administrative Rules; any purported rule not so adopted, for whatever reason, is unauthorized.

Section 30. The Illinois Insurance Code is amended by adding Section 356z.33 as follows:
(215 ILCS 5/356z.33 new)

Sec. 356z.33. Coverage of treatment models for early treatment of serious mental illnesses.

(a) For purposes of early treatment of a serious mental illness in a child or young adult under age 26, a group or individual policy of accident and health insurance, or managed care plan, that is amended, delivered, issued, or renewed after December 31, 2020 shall provide coverage of the following bundled, evidence-based treatment:

(1) Coordinated specialty care for first episode psychosis treatment, covering the elements of the treatment model included in the most recent national research trials conducted by the National Institute of Mental Health in the Recovery After an Initial Schizophrenia Episode (RAISE) trials for psychosis resulting from a serious mental illness, but excluding the components of the treatment model related to education and employment support.

(2) Assertive community treatment (ACT) and community support team (CST) treatment. The elements of ACT and CST to be covered shall include those covered under Article V of the Illinois Public Aid Code, through 89 Ill. Adm. Code 140.453(d)(4).

(b) Adherence to the clinical models. For purposes of ensuring adherence to the coordinated specialty care for first episode psychosis treatment model, only providers contracted with the Department of Human Services' Division of Mental Health to be FIRST.IL providers to deliver coordinated specialty care for first episode psychosis treatment shall be permitted to provide such treatment in accordance with this Section and such providers must adhere to the fidelity of the treatment model. For purposes of ensuring fidelity to ACT and CST, only providers certified to provide ACT and CST by the Department of Human Services' Division of Mental Health and approved to provide ACT and CST by the Department of Healthcare and Family Services, or its designee, in accordance with 89 Ill. Adm. Code 140, shall be permitted to provide such services under this Section and such providers shall be required to adhere to the fidelity of the models.

(c) Development of medical necessity criteria for coverage. Within 6 months after the effective date of this amendatory Act of the 101st General Assembly, the Department of Insurance shall lead and convene a workgroup that includes the Department of Human Services' Division of Mental Health, the Department of Healthcare and Family Services, providers of the treatment models listed in this Section, and insurers operating in Illinois to develop medical necessity criteria for such treatment models for purposes of coverage under this Section. The workgroup shall use the medical necessity criteria the State and other states use as guidance for establishing medical necessity for insurance coverage. The Department of

Insurance shall adopt a rule that defines medical necessity for each of the 3 treatment models listed in this Section by no later than June 30, 2020 based on the workgroup's recommendations.

(d) For purposes of credentialing the mental health professionals and other medical professionals that are part of a coordinated specialty care for first episode psychosis treatment team, an ACT team, or a CST team, the credentialing of the psychiatrist or the licensed clinical leader of the treatment team shall qualify all members of the treatment team to be credentialed with the insurer.

(e) Payment for the services performed under the treatment models listed in this Section shall be based on a bundled treatment model or payment, rather than payment for each separate service delivered by a treatment team member. By no later than 6 months after the effective date of this amendatory Act of the 101st General Assembly, the Department of Insurance shall convene a workgroup of Illinois insurance companies and Illinois mental health treatment providers that deliver the bundled treatment approaches listed in this Section to determine a coding solution that allows for these bundled treatment models to be coded and paid for as a bundle of services, similar to intensive outpatient treatment where multiple services are covered under one billing code or a bundled set of billing codes. The coding solution shall ensure that services delivered using coordinated specialty care for first episode psychosis treatment, ACT, or CST are provided and billed as a bundled service, rather than for each individual service provided by a treatment team member, which would deconstruct the evidence-based practice. The coding solution shall be reached prior to coverage, which shall begin for plans amended, delivered, issued, or renewed after December 31, 2020, to ensure coverage of the treatment team approaches as intended by this Section.

(f) If, at any time, the Secretary of the United States Department of Health and Human Services, or its successor agency, adopts rules or regulations to be published in the Federal Register or publishes a comment in the Federal Register or issues an opinion, guidance, or other action that would require the State, under any provision of the Patient Protection and Affordable Care Act (P.L. 111-148), including, but not limited to, 42 U.S.C. 18031(d)(3)(b), or any successor provision, to defray the cost of any coverage for serious mental illnesses or serious emotional disturbances outlined in this Section, then the requirement that a group or individual policy of accident and health insurance or managed care plan cover the bundled treatment approaches listed in this Section is inoperative other than any such coverage authorized under Section 1902 of the Social Security Act, 42 U.S.C. 1396a, and the State shall not assume any obligation for the cost of the coverage.

(g) After 5 years following full implementation of this Section, if requested by an insurer, the Department of Insurance shall contract with an independent third party with expertise in analyzing health insurance premiums and costs to perform an independent analysis of the impact coverage of the team-based treatment models listed in this Section has had on insurance premiums in Illinois. If premiums increased by more than 1% annually solely due to coverage of these treatment models, coverage of these models shall no longer be required.

(h) The Department of Insurance shall adopt any rules necessary to implement the provisions of this Section by no later than June 30, 2020.

Section 35. The Health Maintenance Organization Act is amended by changing Section 5-3 as follows: (215 ILCS 125/5-3) (from Ch. 111 1/2, par. 1411.2)

Sec. 5-3. Insurance Code provisions.

(a) Health Maintenance Organizations shall be subject to the provisions of Sections 133, 134, 136, 137, 139, 140, 141.1, 141.2, 141.3, 143, 143c, 147, 148, 149, 151, 152, 153, 154, 154.5, 154.6, 154.7, 154.8, 155.04, 155.22a, 355.2, 355.3, 355b, 356g.5-1, 356m, 356v, 356w, 356x, 356y, 356z.2, 356z.4, 356z.5, 356z.6, 356z.8, 356z.9, 356z.10, 356z.11, 356z.12, 356z.13, 356z.14, 356z.15, 356z.17, 356z.18, 356z.19, 356z.21, 356z.22, 356z.25, 356z.26, 356z.29, 356z.30, 356z.32, 356z.33, 364, 364.01, 367.2, 367.2-5, 367i, 368a, 368b, 368c, 368d, 368e, 370c, 370c.1, 401, 401.1, 402, 403, 403A, 408, 408.2, 409, 412, 444, and 444.1, paragraph (c) of subsection (2) of Section 367, and Articles IIA, VIII 1/2, XII, XII 1/2, XIII, XIII 1/2, XXV, and XXVI of the Illinois Insurance Code.

(b) For purposes of the Illinois Insurance Code, except for Sections 444 and 444.1 and Articles XIII and XIII 1/2, Health Maintenance Organizations in the following categories are deemed to be "domestic companies":

(1) a corporation authorized under the Dental Service Plan Act or the Voluntary Health Services Plans Act;

(2) a corporation organized under the laws of this State; or

(3) a corporation organized under the laws of another state, 30% or more of the enrollees of which are residents of this State, except a corporation subject to substantially the same requirements in its state of organization as is a "domestic company" under Article VIII 1/2 of the Illinois Insurance Code.

(c) In considering the merger, consolidation, or other acquisition of control of a Health Maintenance Organization pursuant to Article VIII 1/2 of the Illinois Insurance Code,

(1) the Director shall give primary consideration to the continuation of benefits to enrollees and the financial conditions of the acquired Health Maintenance Organization after the merger, consolidation, or other acquisition of control takes effect;

(2)(i) the criteria specified in subsection (1)(b) of Section 131.8 of the Illinois Insurance Code shall not apply and (ii) the Director, in making his determination with respect to the merger, consolidation, or other acquisition of control, need not take into account the effect on competition of the merger, consolidation, or other acquisition of control;

(3) the Director shall have the power to require the following information:

(A) certification by an independent actuary of the adequacy of the reserves of the Health Maintenance Organization sought to be acquired;

(B) pro forma financial statements reflecting the combined balance sheets of the acquiring company and the Health Maintenance Organization sought to be acquired as of the end of the preceding year and as of a date 90 days prior to the acquisition, as well as pro forma financial statements reflecting projected combined operation for a period of 2 years;

(C) a pro forma business plan detailing an acquiring party's plans with respect to the operation of the Health Maintenance Organization sought to be acquired for a period of not less than 3 years; and

(D) such other information as the Director shall require.

(d) The provisions of Article VIII 1/2 of the Illinois Insurance Code and this Section 5-3 shall apply to the sale by any health maintenance organization of greater than 10% of its enrollee population (including without limitation the health maintenance organization's right, title, and interest in and to its health care certificates).

(e) In considering any management contract or service agreement subject to Section 141.1 of the Illinois Insurance Code, the Director (i) shall, in addition to the criteria specified in Section 141.2 of the Illinois Insurance Code, take into account the effect of the management contract or service agreement on the continuation of benefits to enrollees and the financial condition of the health maintenance organization to be managed or serviced, and (ii) need not take into account the effect of the management contract or service agreement on competition.

(f) Except for small employer groups as defined in the Small Employer Rating, Renewability and Portability Health Insurance Act and except for medicare supplement policies as defined in Section 363 of the Illinois Insurance Code, a Health Maintenance Organization may by contract agree with a group or other enrollment unit to effect refunds or charge additional premiums under the following terms and conditions:

(i) the amount of, and other terms and conditions with respect to, the refund or additional premium are set forth in the group or enrollment unit contract agreed in advance of the period for which a refund is to be paid or additional premium is to be charged (which period shall not be less than one year); and

(ii) the amount of the refund or additional premium shall not exceed 20% of the Health Maintenance Organization's profitable or unprofitable experience with respect to the group or other enrollment unit for the period (and, for purposes of a refund or additional premium, the profitable or unprofitable experience shall be calculated taking into account a pro rata share of the Health Maintenance Organization's administrative and marketing expenses, but shall not include any refund to be made or additional premium to be paid pursuant to this subsection (f)). The Health Maintenance Organization and the group or enrollment unit may agree that the profitable or unprofitable experience may be calculated taking into account the refund period and the immediately preceding 2 plan years.

The Health Maintenance Organization shall include a statement in the evidence of coverage issued to each enrollee describing the possibility of a refund or additional premium, and upon request of any group or enrollment unit, provide to the group or enrollment unit a description of the method used to calculate (1) the Health Maintenance Organization's profitable experience with respect to the group or enrollment unit and the resulting refund to the group or enrollment unit or (2) the Health Maintenance Organization's unprofitable experience with respect to the group or enrollment unit and the resulting additional premium to be paid by the group or enrollment unit.

In no event shall the Illinois Health Maintenance Organization Guaranty Association be liable to pay any contractual obligation of an insolvent organization to pay any refund authorized under this Section.

(g) Rulemaking authority to implement Public Act 95-1045, if any, is conditioned on the rules being adopted in accordance with all provisions of the Illinois Administrative Procedure Act and all rules and

procedures of the Joint Committee on Administrative Rules; any purported rule not so adopted, for whatever reason, is unauthorized.

Section 40. The Illinois Public Aid Code is amended by changing Section 5-5.23 and by adding Sections 5-36, 5-37, 5-38, and 5-39 as follows:

(305 ILCS 5/5-5.23)

Sec. 5-5.23. Children's mental health services.

(a) The Department of Healthcare and Family Services, by rule, shall require the screening and assessment of a child prior to any Medicaid-funded admission to an inpatient hospital for psychiatric services to be funded by Medicaid. The screening and assessment shall include a determination of the appropriateness and availability of out-patient support services for necessary treatment. The Department, by rule, shall establish methods and standards of payment for the screening, assessment, and necessary alternative support services.

(b) The Department of Healthcare and Family Services, to the extent allowable under federal law, shall secure federal financial participation for Individual Care Grant expenditures made by the Department of Healthcare and Family Services for the Medicaid optional service authorized under Section 1905(h) of the federal Social Security Act, pursuant to the provisions of Section 7.1 of the Mental Health and Developmental Disabilities Administrative Act. The Department of Healthcare and Family Services may exercise the authority under this Section as is necessary to administer Individual Care Grants as authorized under Section 7.1 of the Mental Health and Developmental Disabilities Administrative Act.

(c) The Department of Healthcare and Family Services shall work collaboratively with the Department of Children and Family Services and the Division of Mental Health of the Department of Human Services to implement subsections (a) and (b).

(d) On and after July 1, 2012, the Department shall reduce any rate of reimbursement for services or other payments or alter any methodologies authorized by this Code to reduce any rate of reimbursement for services or other payments in accordance with Section 5-5e.

(e) All rights, powers, duties, and responsibilities currently exercised by the Department of Human Services related to the Individual Care Grant program are transferred to the Department of Healthcare and Family Services with the transfer and transition of the Individual Care Grant program to the Department of Healthcare and Family Services to be completed and implemented within 6 months after the effective date of this amendatory Act of the 99th General Assembly. For the purposes of the Successor Agency Act, the Department of Healthcare and Family Services is declared to be the successor agency of the Department of Human Services, but only with respect to the functions of the Department of Human Services that are transferred to the Department of Healthcare and Family Services under this amendatory Act of the 99th General Assembly.

(1) Each act done by the Department of Healthcare and Family Services in exercise of the transferred powers, duties, rights, and responsibilities shall have the same legal effect as if done by the Department of Human Services or its offices.

(2) Any rules of the Department of Human Services that relate to the functions and programs transferred by this amendatory Act of the 99th General Assembly that are in full force on the effective date of this amendatory Act of the 99th General Assembly shall become the rules of the Department of Healthcare and Family Services. All rules transferred under this amendatory Act of the 99th General Assembly are hereby amended such that the term "Department" shall be defined as the Department of Healthcare and Family Services and all references to the "Secretary" shall be changed to the "Director of Healthcare and Family Services or his or her designee". As soon as practicable hereafter, the Department of Healthcare and Family Services shall revise and clarify the rules to reflect the transfer of rights, powers, duties, and responsibilities affected by this amendatory Act of the 99th General Assembly, using the procedures for recodification of rules available under the Illinois Administrative Procedure Act, except that existing title, part, and section numbering for the affected rules may be retained. The Department of Healthcare and Family Services, consistent with its authority to do so as granted by this amendatory Act of the 99th General Assembly, shall propose and adopt any other rules under the Illinois Administrative Procedure Act as necessary to administer the Individual Care Grant program. These rules may include, but are not limited to, the application process and eligibility requirements for recipients.

(3) All unexpended appropriations and balances and other funds available for use in connection with any functions of the Individual Care Grant program shall be transferred for the use of the Department of Healthcare and Family Services to operate the Individual Care Grant program.

[May 17, 2019]

Unexpended balances shall be expended only for the purpose for which the appropriation was originally made. The Department of Healthcare and Family Services shall exercise all rights, powers, duties, and responsibilities for operation of the Individual Care Grant program.

(4) Existing personnel and positions of the Department of Human Services pertaining to the administration of the Individual Care Grant program shall be transferred to the Department of Healthcare and Family Services with the transfer and transition of the Individual Care Grant program to the Department of Healthcare and Family Services. The status and rights of Department of Human Services employees engaged in the performance of the functions of the Individual Care Grant program shall not be affected by this amendatory Act of the 99th General Assembly. The rights of the employees, the State of Illinois, and its agencies under the Personnel Code and applicable collective bargaining agreements or under any pension, retirement, or annuity plan shall not be affected by this amendatory Act of the 99th General Assembly. All transferred employees who are members of collective bargaining units shall retain their seniority, continuous service, salary, and accrued benefits.

(5) All books, records, papers, documents, property (real and personal), contracts, and pending business pertaining to the powers, duties, rights, and responsibilities related to the functions of the Individual Care Grant program, including, but not limited to, material in electronic or magnetic format and necessary computer hardware and software, shall be delivered to the Department of Healthcare and Family Services; provided, however, that the delivery of this information shall not violate any applicable confidentiality constraints.

(6) Whenever reports or notices are now required to be made or given or papers or documents furnished or served by any person to or upon the Department of Human Services in connection with any of the functions transferred by this amendatory Act of the 99th General Assembly, the same shall be made, given, furnished, or served in the same manner to or upon the Department of Healthcare and Family Services.

(7) This amendatory Act of the 99th General Assembly shall not affect any act done, ratified, or canceled or any right occurring or established or any action or proceeding had or commenced in an administrative, civil, or criminal cause regarding the Department of Human Services before the effective date of this amendatory Act of the 99th General Assembly; and those actions or proceedings may be defended, prosecuted, and continued by the Department of Human Services.

~~(f) (Blank). The Individual Care Grant program shall be inoperative during the calendar year in which implementation begins of any remedies in response to litigation against the Department of Healthcare and Family Services related to children's behavioral health and the general status of children's behavioral health in this State. Individual Care Grant recipients in the program the year it becomes inoperative shall continue to remain in the program until it is clinically appropriate for them to step down in level of care.~~

(g) Family Support Program. The Department of Healthcare and Family Services shall restructure the Family Support Program, formerly known as the Individual Care Grant program, to enable early treatment of youth, emerging adults, and transition-age adults with a serious mental illness or serious emotional disturbance.

(1) As used in this subsection and in subsections (h) through (s):

(A) "Youth" means a person under the age of 18.

(B) "Emerging adult" means a person who is 18 through 20 years of age.

(C) "Transition-age adult" means a person who is 21 through 25 years of age.

(2) The Department shall amend 89 Ill. Adm. Code 139 in accordance with this Section and consistent with the timelines outlined in this Section.

(3) Implementation of any amended requirements shall be completed within 8 months of the adoption of any amendment to 89 Ill. Adm. Code 139 that is consistent with the provisions of this Section.

(4) To align the Family Support Program with the Medicaid system of care, the services available to a youth, emerging adult, or transition-age adult through the Family Support Program shall include all Medicaid community-based mental health treatment services and all Family Support Program services included under 89 Ill. Adm. Code 139. No person receiving services through the Family Support Program or the Specialized Family Support Program shall become a Medicaid enrollee unless Medicaid eligibility criteria are met and the person is enrolled in Medicaid. No part of this Section creates an entitlement to services through the Family Support Program, the Specialized Family Support Program, or the Medicaid program.

(5) The Family Support Program shall align with the following system of care principles:

(A) Treatment and support services shall be based on the results of an integrated behavioral health assessment and treatment plan using an instrument approved by the Department of Healthcare and Family Services.

(B) Strong interagency collaboration between all State agencies the parent or legal guardian is involved with for services, including the Department of Healthcare and Family Services, the Department of Human Services, the Department of Children and Family Services, the Department of Juvenile Justice, and the Illinois State Board of Education.

(C) Individualized, strengths-based practices and trauma-informed treatment approaches.

(D) For a youth, full participation of the parent or legal guardian at all levels of treatment through a process that is family-centered and youth-focused. The process shall include consideration of the services and supports the parent, legal guardian, or caregiver requires for family stabilization, and shall connect such person or persons to services based on available insurance coverage.

(h) Eligibility for the Family Support Program. Eligibility criteria established under 89 Ill. Adm. Code 139 for the Family Support Program shall include the following:

(1) Individuals applying to the program must be under the age of 26.

(2) Requirements for parental or legal guardian involvement are applicable to youth and to emerging adults or transition-age adults who have a guardian appointed under Article XIa of the Probate Act.

(3) Youth, emerging adults, and transition-age adults are eligible for services under the Family Support Program upon their third inpatient admission to a hospital or similar treatment facility for the primary purpose of psychiatric treatment within the most recent 12 months and are hospitalized for the purpose of psychiatric treatment.

(4) School participation for emerging adults applying for services under the Family Support Program may be waived by request of the individual at the sole discretion of the Department of Healthcare and Family Services.

(5) School participation is not applicable to transition-age adults.

(i) Notification of Family Support Program and Specialized Family Support Program services.

(1) Within 12 months after the effective date of this amendatory Act of the 101st General Assembly, the Department of Healthcare and Family Services, with meaningful stakeholder input through a working group of psychiatric hospitals, Family Support Program providers, family support organizations, the Community and Residential Services Authority, and foster care alumni advocates, shall establish a clear process by which a youth's or emerging adult's parents, guardian, or caregiver, or the emerging adult or transition-age adult, is identified, notified, and educated about the Family Support Program and the Specialized Family Support Program upon a first psychiatric inpatient hospital admission, and any following psychiatric inpatient admissions. Notification and education may take place through a Family Support Program coordinator, a mobile crisis response provider, a Comprehensive Community Based Youth Services provider, the Community and Residential Services Authority, or any other designated provider or coordinator identified by the Department of Healthcare and Family Services. In developing this process, the Department of Healthcare and Family Services and the working group shall take into account the unique needs of emerging adults and transition-age adults without parental involvement who are eligible for services under the Family Support Program. The Department of Healthcare and Family Services and the working group shall ensure the appropriate provider or coordinator is required to assist individuals and their parents, guardians, or caregivers, as applicable, in the completion of the application or referral process for the Family Support Program or the Specialized Family Support Program.

(2) Upon a youth's, emerging adult's or transition-age adult's second psychiatric inpatient hospital admission, the hospital must ensure that the youth's parents, guardian, or caregiver, or the emerging adult or transition-age adult, have been notified of the Family Support Program and the Specialized Family Support Program prior to hospital discharge.

(3) Psychiatric lockout as last resort.

(A) Prior to referring any youth to the Department of Children and Family Services for the filing of a petition in accordance with subparagraph (c) of paragraph (1) of Section 2-4 of the Juvenile Court Act of 1987 alleging that the youth is dependent because the youth was left in a psychiatric hospital beyond medical necessity, the hospital shall educate the youth and the youth's parents, guardian, or caregiver about the Family Support Program and the Specialized Family Support Program and shall assist with connections to the designated Family Support Program coordinator in the service area. Once this process has begun, any such youth shall be considered a youth for whom an application for the Family Support Program is pending with the Department of Healthcare and Family Services or an active application for the Family Support Program was being reviewed by the Department for the purposes of subparagraph (b) of paragraph (1) of Section 2-4 of the Juvenile Court Act of 1987.

(B) No state agency or hospital shall coach a parent or guardian of a youth in a psychiatric hospital inpatient unit to lock out or otherwise relinquish custody of a youth to the Department of Children and Family Services for the sole purpose of obtaining necessary mental health treatment for the youth. In the

absence of abuse or neglect, a psychiatric lockout or custody relinquishment to the Department of Children and Family Services shall only be considered as the option of last resort.

(4) Development of new Family Support Program services.

(A) Development of specialized therapeutic residential treatment for youth and emerging adults with high-acuity mental health conditions. Through a working group led by the Department of Healthcare and Family Services that includes the Department of Children and Family Services and residential treatment providers for youth and emerging adults, the Department of Healthcare and Family Services, within 12 months after the effective date of this amendatory Act of the 101st General Assembly, shall develop a plan for the development of specialized therapeutic residential treatment beds similar to a qualified residential treatment program, as defined in the federal Family First Prevention Services Act, for youth in the Family Support Program with high-acuity mental health needs. The Department of Healthcare and Family Services and the Department of Children and Family Services shall work together to maximize federal funding through Medicaid and Title IV-E of the Social Security Act in the development and implementation of this plan.

(B) Using the Department of Children and Family Services' beyond medical necessity data over the last 5 years and any other relevant, available data, the Department of Healthcare and Family Services shall assess the estimated number of these specialized high-acuity residential treatment beds that are needed in each region of the State based on the number of youth remaining in psychiatric hospitals beyond medical necessity and the number of youth placed out-of-state who need this level of care. The Department of Healthcare and Family Services shall report the results of this assessment to the General Assembly by no later than December 31, 2020.

(C) Development of an age-appropriate therapeutic residential treatment model for emerging adults and transition-age adults. Within 30 months after the effective date of this amendatory Act of the 101st General Assembly, the Department of Healthcare and Family Services, in partnership with the Department of Human Services' Division of Mental Health and with significant and meaningful stakeholder input through a working group of providers and other stakeholders, shall develop a supportive housing model for emerging adults and transition-age adults receiving services through the Family Support Program who need residential treatment and support to enable recovery. Such a model shall be age-appropriate and shall allow the residential component of the model to be in a community-based setting combined with intensive community-based mental health services.

(j) Workgroup to develop a plan for improving access to substance use treatment. The Department of Healthcare and Family Services and the Department of Human Services' Division of Substance Use Prevention and Recovery shall co-lead a working group that includes Family Support Program providers, family support organizations, and other stakeholders over a 12-month period beginning in the first quarter of calendar year 2020 to develop a plan for increasing access to substance use treatment services for youth, emerging adults, and transition-age adults who are eligible for Family Support Program services.

(k) Appropriation. Implementation of this Section shall be limited by the State's annual appropriation to the Family Support Program. Spending within the Family Support Program appropriation shall be further limited for the new Family Support Program services to be developed accordingly:

(1) Targeted use of specialized therapeutic residential treatment for youth and emerging adults with high-acuity mental health conditions through appropriation limitation. No more than 12% of all annual Family Support Program funds shall be spent on this level of care in any given state fiscal year.

(2) Targeted use of residential treatment model established for emerging adults and transition-age adults through appropriation limitation. No more than one-quarter of all annual Family Support Program funds shall be spent on this level of care in any given state fiscal year.

(l) Exhausting third party insurance coverage first.

(A) A parent, legal guardian, emerging adult, or transition-age adult with private insurance coverage shall work with the Department of Healthcare and Family Services, or its designee, to identify insurance coverage for any and all benefits covered by their plan. If insurance cost-sharing by any method for treatment is cost-prohibitive for the parent, legal guardian, emerging adult, or transition-age adult, Family Support Program funds may be applied as a payer of last resort toward insurance cost-sharing for purposes of using private insurance coverage to the fullest extent for the recommended treatment. If the Department, or its agent, has a concern relating to the parent's, legal guardian's, emerging adult's, or transition-age adult's insurer's compliance with Illinois or federal insurance requirements relating to the coverage of mental health or substance use disorders, it shall refer all relevant information to the applicable regulatory authority.

(B) The Department of Healthcare and Family Services shall use Medicaid funds first for an individual who has Medicaid coverage if the treatment or service recommended using an integrated

behavioral health assessment and treatment plan (using the instrument approved by the Department of Healthcare and Family Services) is covered by Medicaid.

(C) If private or public insurance coverage does not cover the needed treatment or service, Family Support Program funds shall be used to cover the services offered through the Family Support Program.

(m) Service authorization. A youth, emerging adult, or transition-age adult enrolled in the Family Support Program or the Specialized Family Support Program shall be eligible to receive a mental health treatment service covered by the applicable program if the medical necessity criteria established by the Department of Healthcare and Family Services are met.

(n) Streamlined application. The Department of Healthcare and Family Services shall revise the Family Support Program applications and the application process to reflect the changes made to this Section by this amendatory Act of the 101st General Assembly within 8 months after the adoption of any amendments to 89 Ill. Adm. Code 139.

(o) Study of reimbursement policies during planned and unplanned absences of youth and emerging adults in Family Support Program residential treatment settings. The Department of Healthcare and Family Services shall undertake a study of those standards of the Department of Children and Family Services and other states for reimbursement of residential treatment during planned and unplanned absences to determine if reimbursing residential providers for such unplanned absences positively impacts the availability of residential treatment for youth and emerging adults. The Department of Healthcare and Family Services shall begin the study on July 1, 2019 and shall report its findings and the results of the study to the General Assembly, along with any recommendations for or against adopting a similar policy, by December 31, 2020.

(p) Public awareness and educational campaign for all relevant providers. The Department of Healthcare and Family Services shall engage in a public awareness campaign to educate hospitals with psychiatric units, crisis response providers such as Screening, Assessment and Support Services providers and Comprehensive Community Based Youth Services agencies, schools, and other community institutions and providers across Illinois on the changes made by this amendatory Act of the 101st General Assembly to the Family Support Program. The Department of Healthcare and Family Services shall produce written materials geared for the appropriate target audience, develop webinars, and conduct outreach visits over a 12-month period beginning after implementation of the changes made to this Section by this amendatory Act of the 101st General Assembly.

(q) Maximizing federal matching funds for the Family Support Program and the Specialized Family Support Program. The Department of Healthcare and Family Services, as the sole Medicaid State agency, shall seek approval from the federal Centers for Medicare and Medicaid Services within 12 months after the effective date of this amendatory Act of the 101st General Assembly to draw additional federal Medicaid matching funds for individuals served under the Family Support Program or the Specialized Family Support Program who are not covered by the Department's medical assistance programs. The Department of Children and Family Services, as the State agency responsible for administering federal funds pursuant to Title IV-E of the Social Security Act, shall submit a State Plan to the federal government within 12 months after the effective date of this amendatory Act of the 101st General Assembly to maximize the use of federal Title IV-E prevention funds through the federal Family First Prevention Services Act, to provide mental health and substance use disorder treatment services and supports, including, but not limited to, the provision of short-term crisis and transition beds post-hospitalization for youth who are at imminent risk of entering Illinois' youth welfare system solely due to the inability to access mental health or substance use treatment services.

(r) Outcomes and data reported annually to the General Assembly. Beginning in 2021, the Department of Healthcare and Family Services shall submit an annual report to the General Assembly that includes the following information with respect to the time period covered by the report:

(1) The number and ages of youth, emerging adults, and transition-age adults who requested services under the Family Support Program and the Specialized Family Support Program and the services received.

(2) The number and ages of youth, emerging adults, and transition-age adults who requested services under the Specialized Family Support Program who were eligible for services based on the number of hospitalizations.

(3) The number and ages of youth, emerging adults, and transition-age adults who applied for Family Support Program or Specialized Family Support Program services but did not receive any services.

(s) Rulemaking authority. Unless a timeline is otherwise specified in a subsection, if amendments to 89 Ill. Adm. Code 139 are needed for implementation of this Section, such amendments shall be filed by the Department of Healthcare and Family Services within one year after the effective date of this amendatory Act of the 101st General Assembly.

(305 ILCS 5/5-36 new)

Sec. 5-36. Education on mental health and substance use treatment services for children and young adults. The Department of Healthcare and Family Services shall develop a layman's guide to the mental health and substance use treatment services available in Illinois through the Medical Assistance Program and through the Family Support Program, or other publicly funded programs, similar to what Massachusetts developed, to help families understand what services are available to them when they have a child in need of treatment or support. The guide shall be in easy-to-understand language, be prominently available on the Department of Healthcare and Family Services' website, and be part of a statewide communications campaign to ensure families are aware of Family Support Program services. It shall briefly explain the service and whether it is covered by the Medical Assistance Program, the Family Support Program, or any other public funding source. Within one year after the effective date of this amendatory Act of the 101st General Assembly, the Department of Healthcare and Family Services shall complete this guide, have it available on its website, and launch the communications campaign.

(305 ILCS 5/5-37 new)

Sec. 5-37. Billing mechanism for preventive mental health services delivered to children.

(a) The General Assembly finds:

(1) It is common for children to have mental health needs but to not have a full-blown diagnosis of a mental illness. Examples include, but are not limited to, children who have mild or emerging symptoms of a mental health condition (such as meeting some but not all the criteria for a diagnosis, including, but not limited to, symptoms of depression, attentional deficits, anxiety or prodromal symptoms of bipolar disorder or schizophrenia); cutting or engaging in other forms of self-harm; or experiencing violence or trauma).

(2) The federal requirement that Medicaid-covered children have access to Early and Periodic Screening, Diagnostic and Treatment services includes ensuring that Medicaid-covered children who have a mental health need but do not have a mental health diagnosis have access to treatment.

(3) The Department of Healthcare and Family Services' existing policy acknowledges this federal requirement by allowing for Medicaid billing for mental health services for children who have a need for services but who do not have a mental health diagnosis in Section 207.3.3 of the Community-Based Behavioral Services Provider Handbook. However, the current policy of the Department of Healthcare and Family Services requires clinicians to specify a diagnosis code and make a notation in the child's medical record that the service is preventive. This effectively requires the clinician to associate a diagnosis with the child and is a major barrier for services because many clinicians rightly are unwilling to document a mental health diagnosis in the medical record when a diagnosis is not medically appropriate.

(b) Consistent with the existing policy of the Department of Healthcare and Family Services and the federal Early and Periodic Screening, Diagnostic and Treatment requirement, within 3 months after the effective date of this amendatory Act of the 101st General Assembly, the Department of Healthcare and Family Services shall convene a working group that includes children's mental health providers to receive input on recommendations to develop a medically appropriate and practical solution that enables mental health providers and professionals to deliver and receive reimbursement for medically necessary mental health services provided to a Medicaid-eligible child under age 21 that has a mental health need but does not have a mental health diagnosis in order to prevent the development of a serious mental health condition. The working group shall ensure that the recommended solution works in practice and does not deter clinicians from delivering prevention and early treatment to children with mental health needs but who do not have a diagnosed mental illness. The Department of Healthcare and Family Services shall meet with this working group at least 4 times prior to finalizing the solution to enable and allow for mental health services for a child without a mental health diagnosis for purposes of prevention and early treatment when recommended by a licensed practitioner of the healing arts. If the Department of Healthcare and Family Services determines that an Illinois Title XIX State Plan amendment is necessary to implement this Section, the State Plan amendment shall be filed with the federal Centers for Medicare and Medicaid Services by no later than 12 months after the effective date of this amendatory Act of the 101st General Assembly. If rulemaking is required to implement this Section, the rule shall be filed by the Department of Healthcare and Family Services with the Joint Committee on Administrative Rules by no later than 12 months after the effective date of this amendatory Act of the 101st General Assembly, or if federal approval is required, within 6 months after federal approval. If federal approval is required but not granted, this Section shall become inoperative.

(305 ILCS 5/5-38 new)

Sec. 5-38. Alignment of children's mental health treatment systems. The Governor's Office shall establish, convene, and lead a working group that includes the Director of Healthcare and Family Services, the Secretary of Human Services, the Director of Public Health, the Director of Children and Family

Services, the Director of Juvenile Justice, the State Superintendent of Education, and the appropriate agency staff who will be responsible for implementation or oversight of reforms to children's behavioral health services. The working group shall meet at least quarterly to foster interagency collaboration and work toward the goal of aligning services and programs to begin to create a coordinated children's behavioral health system consistent with system of care principles that spans across State agencies, rather than separate siloed systems with different requirements, rates, and administrative processes and standards.

Section 95. No acceleration or delay. Where this Act makes changes in a statute that is represented in this Act by text that is not yet or no longer in effect (for example, a Section represented by multiple versions), the use of that text does not accelerate or delay the taking effect of (i) the changes made by this Act or (ii) provisions derived from any other Public Act.

Section 99. Effective date. This Act takes effect upon becoming law."

Senator Steans offered the following amendment and moved its adoption:

AMENDMENT NO. 2 TO HOUSE BILL 2154

AMENDMENT NO. 2. Amend House Bill 2154, AS AMENDED, with reference to page and line numbers of Senate Amendment No. 1, on page 27, line 11, after "Authority", by inserting "a statewide association representing a majority of hospitals"; and

on page 42, by replacing line 4 with the following:

"Section 99. Effective date. This Act takes effect January 1, 2020."; and

on page 42, line 5, by deleting "becoming law."

The motion prevailed.

And the amendment was adopted and ordered printed.

There being no further amendments, the bill, as amended, was ordered to a third reading.

On motion of Senator Aquino, **House Bill No. 2170** was taken up, read by title a second time and ordered to a third reading.

REPORT FROM COMMITTEE ON ASSIGNMENTS

Senator Lightford, Chairperson of the Committee on Assignments, during its May 17, 2019 meeting, reported the following Legislative Measures have been assigned to the indicated Standing Committees of the Senate:

Environment and Conservation: **House Bill 3153.**

Government Accountability and Pensions: **House Bill 2502.**

HOUSE BILL RECALLED

On motion of Senator Martinez, **House Bill No. 3237** was recalled from the order of third reading to the order of second reading.

Senator Martinez offered the following amendment and moved its adoption:

AMENDMENT NO. 1 TO HOUSE BILL 3237

AMENDMENT NO. 1. Amend House Bill 3237 by replacing everything after the enacting clause with the following:

"Section 5. The School Code is amended by changing Section 2-3.159 as follows:
(105 ILCS 5/2-3.159)

Sec. 2-3.159. State Seal of Bilingualism.

(a) In this Section, "foreign language" means any language other than English, including all modern languages, Latin, American Sign Language, Native American languages, and native languages.

(b) The State Seal of Bilingualism program is established to recognize public high school graduates who have attained a high level of proficiency in one or more languages in addition to English. The State Seal of Bilingualism shall be awarded beginning with the 2014-2015 school year. School district participation in this program is voluntary.

(c) The purposes of the State Seal of Bilingualism are as follows:

(1) To encourage pupils to study languages.

(2) To certify attainment of bilingualism.

(3) To provide employers with a method of identifying people with language and bilingualism skills.

(4) To provide universities with an additional method to recognize applicants seeking admission.

(5) To prepare pupils with 21st century skills.

(6) To recognize the value of foreign language and native language instruction in public schools.

(7) To strengthen intergroup relationships, affirm the value of diversity, and honor the multiple cultures and languages of a community.

(d) The State Seal of Bilingualism certifies attainment of a high level of proficiency, sufficient for meaningful use in college and a career, by a graduating public high school pupil in one or more languages in addition to English.

(e) The State Board of Education shall adopt such rules as may be necessary to establish the criteria that pupils must achieve to earn a State Seal of Bilingualism, which may include without limitation attainment of

[May 17, 2019]

units of credit in English language arts and languages other than English and passage of such assessments of foreign language proficiency as may be approved by the State Board of Education for this purpose. These rules shall ensure that the criteria that pupils must achieve to earn a State Seal of Biliteracy meet the course credit criteria established under subsection (i) of this Section.

(e-5) To demonstrate sufficient English language proficiency for eligibility to receive a State Seal of Biliteracy under this Section, the State Board of Education shall allow a pupil to provide his or her school district with evidence of completion of any of the following, in accordance with guidelines for proficiency adopted by the State Board:

(1) An AP (Advanced Placement) English Language and Composition Exam.

(2) An English language arts dual credit course.

(3) Transitional coursework in English language arts articulated in partnership with a public community college as an ESSA (Every Student Succeeds Act) College and Career Readiness Indicator.

(f) The State Board of Education shall do both of the following:

(1) Prepare and deliver to participating school districts an appropriate mechanism for designating the State Seal of Biliteracy on the diploma and transcript of the pupil indicating that the pupil has been awarded a State Seal of Biliteracy by the State Board of Education.

(2) Provide other information the State Board of Education deems necessary for school districts to successfully participate in the program.

(g) A school district that participates in the program under this Section shall do both of the following:

(1) Maintain appropriate records in order to identify pupils who have earned a State Seal of Biliteracy.

(2) Make the appropriate designation on the diploma and transcript of each pupil who earns a State Seal of Biliteracy.

(h) No fee shall be charged to a pupil to receive the designation pursuant to this Section. Notwithstanding this prohibition, costs may be incurred by the pupil in demonstrating proficiency, including without limitation any assessments required under subsection (e) of this Section.

(i) For admissions purposes, each public university in this State shall accept the State Seal of Biliteracy as equivalent to 2 years of foreign language coursework taken during high school if a student's high school transcript indicates that he or she will be receiving or has received the State Seal of Biliteracy.

(j) Each public community college and public university in this State shall establish criteria to translate a State Seal of Biliteracy into course credit based on foreign language course equivalencies identified by the community college's or university's faculty and staff and, upon request from an enrolled student, the community college or university shall award foreign language course credit to a student who has received a State Seal of Biliteracy. Students enrolled in a public community college or public university who have received a State Seal of Biliteracy must request course credit for their seal within 3 academic years after graduating from high school.

PRESENTATION OF RESOLUTION

Senator Brady offered the following Senate Resolution, which was referred to the Committee on Assignments:

SENATE RESOLUTION NO. 426

WHEREAS, The Medal of Honor is the highest U.S. military decoration awarded by Congress to a member of the Armed Forces for gallantry and bravery in combat at the risk of life above and beyond the call of duty; and

WHEREAS, Over the last 20 years, the Medal of Honor Foundation has created and launched education, recognition, and outreach programs about the values embodied in the Medal of Honor that have inspired millions of Americans, the values of courage and sacrifice, commitment and integrity, and citizenship and patriotism; and

WHEREAS, Lester Crown and the Crown Family will be presented the Distinguished Service Award at the Salute to the Medal of Honor Gala celebration at the Union League Club of Chicago this year; and

WHEREAS, The Distinguished Service Award is presented to exceptional Americans who exemplify leadership and service and inspire others by selflessly giving of time and talent to the community and nation; and

WHEREAS, Over the next 20 years, the Medal of Honor Foundation will focus on preserving the legacy of the Medal of Honor and the true American heroes who wear it; and

WHEREAS, There are only 70 living recipients of the Medal of Honor; Illinois has had 106 Medal of Honor recipients since the Civil War; and

WHEREAS, These men are bound together by the Medal of Honor they wear and by the shared passion to perpetuate its legacy of courage, sacrifice, and selfless service; and

WHEREAS, With a sharp focus on young Americans, the Medal of Honor Foundation supports a broad range of initiatives to educate and inspire Americans to perpetuate and preserve the legacy of the Medal of Honor; and

WHEREAS, The Medal of Honor Foundation will be in Chicago to celebrate their 20th anniversary and honor Chicago with over 20 Medal of Honor recipients visiting Chicago Public Schools and VA homes; and

WHEREAS, On June 7, 2019, the Salute to the Medal of Honor Gala will celebrate the legacy of the Medal of Honor, those who received the Medal in honor of their bravery and courage on behalf of the United States of America; therefore, be it

RESOLVED, BY THE SENATE OF THE ONE HUNDRED FIRST GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we declare June 7, 2019 as Medal of Honor Day in Illinois; and be it further

RESOLVED, That this day presents an opportunity for adults and children to research the history of the Medal of Honor and help promote its legacy, which includes courage and sacrifice, commitment and integrity, and citizenship and patriotism to our country, our State and our communities and to personally
