SENATE RESOLUTION NO. 432

WHEREAS, Every day, 100 Americans are killed by gun violence and countless others are wounded; and

WHEREAS, Americans are 25 times more likely to be killed with guns than people in other high-income countries; and

WHEREAS, Protecting public safety in the communities they serve is among a legislator's highest responsibilities; and

WHEREAS, Support for the Second Amendment rights of law-abiding citizens goes hand-in-hand with keeping guns away from people that should not have them; and

[May 21, 2019]

WHEREAS, June 2019 would have marked the 22nd birthday of Hadiya Pendleton, a teenager who marched in President Obama's second inaugural parade and was tragically shot and killed just weeks later; and

WHEREAS, To help honor Hadiya and the 100 Americans whose lives are cut short and the countless others who are wounded by gun violence every day, June 7, 2019 has been designated as the 5th National Gun Violence Awareness Day; and

WHEREAS, The idea was inspired by a group of Hadiya's friends who asked their classmates to commemorate her life by wearing orange; they chose this color because hunters wear orange to protect themselves and others, and orange is a color that has been embraced by the gun safety movement because it symbolizes the value of human life; and

(b) \$420,000 shall be transferred each month to the State Boating Act Fund to be used by the Department of Natural Resources for the purposes specified in Article X of the Boat Registration and Safety Act;

(c) \$3,500,000 shall be transferred each month to the Grade Crossing Protection Fund to be used as follows: not less than \$12,000,000 each fiscal year shall be used for the construction or reconstruction of rail highway grade separation structures; \$2,250,000 in fiscal years 2004 through 2009 and \$3,000,000 in fiscal year 2010 and each fiscal year thereafter shall be transferred to the Transportation Regulatory Fund and shall be accounted for as part of the rail carrier portion of such funds and shall be used to pay the cost of administration of the Illinois Commerce Commission's railroad safety program in connection with its duties under subsection (3) of Section 18c-7401 of the Illinois Vehicle Code, with the remainder to be used by the Department of Transportation upon order of the Illinois Commerce Commission, to pay that part of the cost apportioned by such Commission to the State to cover the interest of the public in the use of highways, roads, streets, or pedestrian walkways in the county highway system, township and district road system, or municipal street system as defined in the Illinois Highway Code, as the same may from time to time be amended, for separation of grades, for installation, construction or reconstruction of crossing protection or reconstruction, alteration, relocation including construction or improvement of any existing highway necessary for access to property or improvement of any grade crossing and grade crossing surface including the necessary highway approaches thereto of any railroad across the highway or public road, or for the installation, construction, reconstruction, or maintenance of a pedestrian walkway over or under a railroad right-of-way, as provided for in and in accordance with Section 18c-7401 of the Illinois Vehicle Code. The Commission may order up to \$2,000,000 per year in Grade Crossing Protection Fund moneys for the improvement of grade crossing surfaces and up to \$300,000 per year for the maintenance and renewal of 4-quadrant gate vehicle detection systems located at non-high speed rail grade crossings. The Commission shall not order more than \$2,000,000 per year in Grade Crossing Protection Fund moneys for pedestrian walkways. In entering orders for projects for which payments from the Grade Crossing Protection Fund will be made, the Commission shall account for expenditures authorized by the orders on a cash rather than an accrual basis. For purposes of this requirement an "accrual basis" assumes that the total cost of the project is expended in the fiscal year in which the order is entered, while a "cash basis" allocates the cost of the project among fiscal years as expenditures are actually made. To meet the requirements of this subsection, the Illinois Commerce Commission shall develop annual and 5-year project plans of rail crossing capital improvements that will be paid for with moneys from the Grade Crossing Protection Fund. The annual project plan shall identify projects for the succeeding fiscal year and the 5-year project plan shall identify projects for the 5 directly succeeding fiscal years. The Commission shall submit the annual and 5-year project plans for this Fund to the Governor, the President of the Senate, the Senate Minority Leader, the Speaker of the House of Representatives, and the Minority Leader of the House of Representatives on the first Wednesday in April of each year;

(d) of the amount remaining after allocations provided for in subsections (a), (b) and (c), a sufficient amount shall be reserved to pay all of the following:

(1) the costs of the Department of Revenue in administering this Act;

[May 21, 2019]

(2) the costs of the Department of Transportation in performing its duties imposed by the Illinois Highway Code for supervising the use of motor fuel tax funds apportioned to municipalities, counties and road districts;

(3) refunds provided for in Section 13, refunds for overpayment of decal fees paid under Section 13a.4 of this Act, and refunds provided for under the terms of the International Fuel Tax Agreement referenced in Section 14a;

(4) from October 1, 1985 until June 30, 1994, the administration of the Vehicle Emissions Inspection Law, which amount shall be certified monthly by the Environmental Protection Agency to the State Comptroller and shall promptly be transferred by the State Comptroller and Treasurer from the Motor Fuel Tax Fund to the Vehicle Inspection Fund, and for the period July 1, 1994 through June 30, 2000, one-twelfth of \$25,000,000 each month, for the period July 1, 2000 through June 30, 2003, one-twelfth of \$30,000,000 each month, and \$15,000,000 on July 1, 2003, and \$15,000,000 on January 1, 2004, and \$15,000,000 on each July 1 and October 1, or as soon thereafter as may be practical, during the period July 1, 2004 through June 30, 2012, and \$30,000,000 on June 1, 2013, or as soon thereafter as may be practical, and \$15,000,000 on July 1 and October 1, or as soon thereafter as may be practical, during the period of July 1, 2013 through June 30, 2015, for the administration of the Vehicle Emissions Inspection Law of 2005, to be transferred by the State Comptroller and Treasurer from the Motor Fuel Tax Fund into the Vehicle Inspection Fund;

(4.5) beginning on July 1, 2019, the costs of the Environmental Protection Agency for the administration of the Vehicle Emissions Inspection Law of 2005 shall be paid, subject to appropriation, from the Motor Fuel Tax Fund into the Vehicle Inspection Fund; beginning in 2019, no later than December 31 of each year, or as soon thereafter as practical, the State Comptroller shall direct and the State Treasurer shall transfer from the Vehicle Inspection Fund to the Motor Fuel Tax Fund any balance remaining in the Vehicle Inspection Fund in excess of \$2,000,000;

(5) amounts ordered paid by the Court of Claims; and

(6) payment of motor fuel use taxes due to member jurisdictions under the terms of the International Fuel Tax Agreement. The Department shall certify these amounts to the Comptroller by the 15th day of each month; the Comptroller shall cause orders to be drawn for such amounts, and the Treasurer shall administer those amounts on or before the last day of each month;

(e) after allocations for the purposes set forth in subsections (a), (b), (c) and (d), the remaining amount shall be apportioned as follows:

(1) Until January 1, 2000, 58.4%, and beginning January 1, 2000, 45.6% shall be deposited as follows:

(A) 37% into the State Construction Account Fund, and

(B) 63% into the Road Fund, \$1,250,000 of which shall be reserved each month for the Department of Transportation to be used in accordance with the provisions of Sections 6-901 through 6-906 of the Illinois Highway Code;

(2) Until January 1, 2000, 41.6%, and beginning January 1, 2000, 54.4% shall be transferred to the Department of Transportation to be distributed as follows:

(A) 49.10% to the municipalities of the State,

(B) 16.74% to the counties of the State having 1,000,000 or more inhabitants,

(C) 18.27% to the counties of the State having less than 1,000,000 inhabitants,

(D) 15.89% to the road districts of the State.

As soon as may be after the first day of each month the Department of Transportation shall allot to each municipality its share of the amount apportioned to the several municipalities which shall be in proportion to the population of such municipalities as determined by the last preceding municipal census if conducted by the Federal Government or Federal census. If territory is annexed to any municipality subsequent to the time of the last preceding census the corporate authorities of such municipality may cause a census to be taken of such annexed territory and the population so ascertained for such territory shall be added to the population of the municipality as determined by the last preceding census for the purpose of determining the allotment for that municipality. If the population of any municipality was not determined by the last Federal census preceding any apportionment, the apportionment to such municipality shall be in accordance with any census taken by such municipality. Any municipal census used in accordance with this Section shall be certified to the Department of Transportation by the clerk of such municipality, and the accuracy thereof shall be subject to approval of the Department which may make such corrections as it ascertains to be necessary.

As soon as may be after the first day of each month the Department of Transportation shall allot to each county its share of the amount apportioned to the several counties of the State as herein provided. Each allotment to the several counties having less than 1,000,000 inhabitants shall be in proportion to the amount

of motor vehicle license fees received from the residents of such counties, respectively, during the preceding calendar year. The Secretary of State shall, on or before April 15 of each year, transmit to the Department of Transportation a full and complete report showing the amount of motor vehicle license fees received from the residents of each county, respectively, during the preceding calendar year. The Department of Transportation shall, each month, use for allotment purposes the last such report received from the Secretary of State.

As soon as may be after the first day of each month, the Department of Transportation shall allot to the several counties their share of the amount apportioned for the use of road districts. The allotment shall be apportioned among the several counties in the State in the proportion which the total mileage of township or district roads in the respective counties bears to the total mileage of all township and district roads in the State. Funds allotted to the respective counties for the use of road districts therein shall be allocated to the several road districts in the county in the proportion which the total mileage of such township or district roads in the respective road districts bears to the total mileage of all such township or district roads in the county. After July 1 of any year prior to 2011, no allocation shall be made for any road district unless it levied a tax for road and bridge purposes in an amount which will require the extension of such tax against the taxable property in any such road district at a rate of not less than either .08% of the value thereof, based upon the assessment for the year immediately prior to the year in which such tax was levied and as equalized by the Department of Revenue or, in DuPage County, an amount equal to or greater than \$12,000 per mile of road under the jurisdiction of the road district, whichever is less. Beginning July 1, 2011 and each July 1 thereafter, an allocation shall be made for any road district if it levied a tax for road and bridge purposes. In counties other than DuPage County, if the amount of the tax levy requires the extension of the tax against the taxable property in the road district at a rate that is less than 0.08% of the value thereof, based upon the assessment for the year immediately prior to the year in which the tax was levied and as equalized by the Department of Revenue, then the amount of the allocation for that road district shall be a percentage of the maximum allocation equal to the percentage obtained by dividing the rate extended by the district by 0.08%. In DuPage County, if the amount of the tax levy requires the extension of the tax against the taxable property in the road district at a rate that is less than the lesser of (i) 0.08% of the value of the taxable property in the road district, based upon the assessment for the year immediately prior to the year in which such tax was levied and as equalized by the Department of Revenue, or (ii) a rate that will yield an amount equal to \$12,000 per mile of road under the jurisdiction of the road district, then the amount of the allocation for the road district shall be a percentage of the maximum allocation equal to the percentage obtained by dividing the rate extended by the district by the lesser of (i) 0.08% or (ii) the rate that will yield an amount equal to \$12,000 per mile of road under the jurisdiction of the road district.

Prior to 2011, if any road district has levied a special tax for road purposes pursuant to Sections 6-601, 6-602 and 6-603 of the Illinois Highway Code, and such tax was levied in an amount which would require extension at a rate of not less than .08% of the value of the taxable property thereof, as equalized or assessed by the Department of Revenue, or, in DuPage County, an amount equal to or greater than \$12,000 per mile of road under the jurisdiction of the road district, whichever is less, such levy shall, however, be deemed a proper compliance with this Section and shall qualify such road district for an allotment under this Section. Beginning in 2011 and thereafter, if any road district has levied a special tax for road purposes under Sections 6-601, 6-602, and 6-603 of the Illinois Highway Code, and the tax was levied in an amount that would require extension at a rate of not less than 0.08% of the value of the taxable property of that road district, as equalized or assessed by the Department of Revenue or, in DuPage County, an amount equal to or greater than \$12,000 per mile of road under the jurisdiction of the road district, whichever is less, that levy shall be deemed a proper compliance with this Section and shall qualify such road district for a full, rather than proportionate, allotment under this Section. If the levy for the special tax is less than 0.08% of the value of the taxable property, or, in DuPage County if the levy for the special tax is less than the lesser of (i) 0.08% or (ii) \$12,000 per mile of road under the jurisdiction of the road district, and if the levy for the special tax is more than any other levy for road and bridge purposes, then the levy for the special tax qualifies the road district for a proportionate, rather than full, allotment under this Section. If the levy for the special tax is equal to or less than any other levy for road and bridge purposes, then any allotment under this Section shall be determined by the other levy for road and bridge purposes.

Prior to 2011, if a township has transferred to the road and bridge fund money which, when added to the amount of any tax levy of the road district would be the equivalent of a tax levy requiring extension at a rate of at least .08%, or, in DuPage County, an amount equal to or greater than \$12,000 per mile of road under the jurisdiction of the road district, whichever is less, such transfer, together with any such tax levy, shall be deemed a proper compliance with this Section and shall qualify the road district for an allotment under this Section.

In counties in which a property tax extension limitation is imposed under the Property Tax Extension Limitation Law, road districts may retain their entitlement to a motor fuel tax allotment or, beginning in 2011, their entitlement to a full allotment if, at the time the property tax extension limitation was imposed, the road district was levying a road and bridge tax at a rate sufficient to entitle it to a motor fuel tax allotment and continues to levy the maximum allowable amount after the imposition of the property tax extension limitation. Any road district may in all circumstances retain its entitlement to a motor fuel tax allotment or, beginning in 2011, its entitlement to a full allotment if it levied a road and bridge tax in an amount that will require the extension of the tax against the taxable property in the road district at a rate of not less than 0.08% of the assessed value of the property, based upon the assessment for the year immediately preceding the year in which the tax was levied and as equalized by the Department of Revenue or, in DuPage County, an amount equal to or greater than \$12,000 per mile of road under the jurisdiction of the road district, whichever is less.

As used in this Section the term "road district" means any road district, including a county unit road district, provided for by the Illinois Highway Code; and the term "township or district road" means any road in the township and district road system as defined in the Illinois Highway Code. For the purposes of this Section, "township or district road" also includes such roads as are maintained by park districts, forest preserve districts and conservation districts. The Department of Transportation shall determine the mileage of all township and district roads for the purposes of making allotments and allocations of motor fuel tax funds for use in road districts.

Payment of motor fuel tax moneys to municipalities and counties shall be made as soon as possible after the allotment is made. The treasurer of the municipality or county may invest these funds until their use is required and the interest earned by these investments shall be limited to the same uses as the principal funds.

A message from the House by

Mr. Hollman, Clerk:

Mr. President -- I am directed to inform the Senate that the House of Representatives has concurred with the Senate in the passage of a bill of the following title, to-wit:

SENATE BILL NO. 191

A bill for AN ACT concerning courts.

Together with the following amendment which is attached, in the adoption of which I am instructed to ask the concurrence of the Senate, to-wit:

House Amendment No. 1 to SENATE BILL NO. 191

Passed the House, as amended, May 21, 2019.

JOHN W. HOLLMAN, Clerk of the House

AMENDMENT NO. 1 TO SENATE BILL 191

AMENDMENT NO. 1. Amend Senate Bill 191 by replacing everything after the enacting clause with the following:

"Section 5. The Mental Health and Developmental Disabilities Administrative Act is amended by changing Section 7.1 as follows:

(20 ILCS 1705/7.1) (from Ch. 91 1/2, par. 100-7.1)

Sec. 7.1. Individual Care Grants.

[May 21, 2019]

(a) For the purposes of this Section 7.1, "Department" means the Department of Healthcare and Family Services.

(b) To assist families in seeking intensive community-based services or residential placement for children with mental illness, for whom no appropriate care is available in State-operated facilities, the Department shall supplement the amount a family is able to pay, as determined by the Department and the amount available from other sources, provided the Department's share shall not exceed a uniform maximum rate to be determined from time to time by the Department. The Department may exercise the authority under this Section as is necessary to implement the provisions of Section 5-5.23 of the Illinois Public Aid Code and to administer Individual Care Grants. The Department shall work collaboratively with stakeholders and family representatives in the implementation of this Section.

(c) A child shall continue to be eligible for an Individual Care Grant if (1) the child is placed in the temporary custody of the Department of Children and Family Services under Article II of the Juvenile Care Act of 1987 because the child was left at a psychiatric hospital beyond medical necessity and an application for the Family Support Program was pending with the Department or an active application was being reviewed by the Department when the petition under the Juvenile Court Act of 1987 was filed; or (2) the child is placed in the guardianship of the Department of Children and Family Services under Article V of the Juvenile Court Act of 1987 because the child requires care in a residential treatment facility and an application for the Family Support Program was pending with the Department or an active application was being reviewed by the Department when the guardianship order was entered.

The court hearing the child's case under the Juvenile Court Act of 1987 shall conduct a hearing within 14 days after all parties have been notified and determine whether to vacate the custody or guardianship of the Department of Children and Family Services and return the child to the custody of his or her parents with Family Support Services in place or whether the child shall continue in the custody or guardianship of the Department of Children and Family Services and decline the Family Support Program. The court shall conduct the hearing under Section 2-4b or Section 5-711 of the Juvenile Court Act of 1987. If the court vacates the custody or guardianship of the Department of Children and Family Services and returns the child to the custody of the parent, guardian, or other adult respondent with Family Support Services, the Department shall become fiscally responsible for providing services to the child. If the court determines that the child shall continue in the custody of the Department of Children and Family Services, the Department of Children and Family Services shall remain fiscally responsible for providing services to the child, the Family Support Services shall be declined, and the child shall no longer be eligible for Family Support Services as long as the child remains in the custody or guardianship of the Department of Children and Family Services.

(e) The Department shall provide an expedited review process for applications for minors in the custody or guardianship of the Department of Children and Family Services who continue to remain eligible for Individual Care Grants. The Department shall work collaboratively with stakeholders, including legal representatives of minors in care, providers of residential treatment services, and with the Department of Children and Family Services, to ensure that minors who are recipients of Individual Care Grants under this Section and ~~Sections~~ Section 2-4b and 5-711 of the Juvenile Court Act of 1987 do not experience a disruption in services if the minor transitions from one program to another. The Department shall adopt rules to implement this Section no later than July 1, 2019.

Section 10. The Juvenile Court Act of 1987 is amended by changing Sections 2-31 and 2-33 and by adding Section 5-711 as follows:

(705 ILCS 405/2-31) (from Ch. 37, par. 802-31)

Sec. 2-31. Duration of wardship and discharge of proceedings.

(1) All proceedings under Article II of this Act in respect of any minor ~~for whom a petition was filed after the effective date of this amendatory Act of 1994~~ automatically terminate upon his or her attaining the age of 21 ~~19~~ years, ~~except that a court may continue the wardship of a minor until age 21 for good cause when there is satisfactory evidence presented to the court and the court makes written factual findings that the health, safety, and best interest of the minor and the public require the continuation of the wardship. A court shall find that it is in the minor's best interest to continue wardship if the Department of Children and Family Services has not made reasonable efforts to ensure that the minor has documents necessary for adult living as provided in Section 35.10 of the Children and Family Services Act.~~

(2) Whenever the court determines, and makes written factual findings, that health, safety, and the best interests of the minor and the public no longer require the wardship of the court, the court shall order the

wardship terminated and all proceedings under this Act respecting that minor finally closed and discharged. The court may at the same time continue or terminate any custodianship or guardianship theretofore ordered but the termination must be made in compliance with Section 2-28. When terminating wardship under this Section, if the minor is over 18, or if wardship is terminated in conjunction with an order partially or completely emancipating the minor in accordance with the Emancipation of Minors Act, the court shall also consider the following factors, in addition to the health, safety, and best interest of the minor and the public: (A) the minor's wishes regarding case closure; (B) the manner in which the minor will maintain independence without services from the Department; (C) the minor's engagement in services including placement offered by the Department; (D) if the minor is not engaged the Department's efforts to engage the minor; (E) the nature of communication between the minor and the Department; (F) the minor's involvement in other State systems or services; (G) the minor's connections with family and other community support; and (H) any other factor the court deems relevant ~~also make specific findings of fact as to the minor's wishes regarding case closure and the manner in which the minor will maintain independence.~~ The minor's lack of cooperation with services provided by the Department of Children and Family Services shall not by itself be considered sufficient evidence that the minor is prepared to live independently and that it is in the best interest of the minor to terminate wardship. It shall not be in the minor's best interest to terminate wardship of a minor over the age of 18 who is in the guardianship of the Department of Children and Family Services if the Department has not made reasonable efforts to ensure that the minor has documents necessary for adult living as provided in Section 35.10 of the Children and Family Services Act.

(3) The wardship of the minor and any custodianship or guardianship respecting the minor for whom a petition was filed after the effective date of this amendatory Act of 1991 automatically terminates when he attains the age of 19 years except as set forth in subsection (1) of this Section. The clerk of the court shall at that time record all proceedings under this Act as finally closed and discharged for that reason. The provisions of this subsection (3) become inoperative on and after the effective date of this amendatory Act of the 101st General Assembly.

(4) Notwithstanding any provision of law to the contrary, the changes made by this amendatory Act of the 101st General Assembly apply to all cases that are pending on or after the effective date of this amendatory Act of the 101st General Assembly.

(705 ILCS 405/2-33)

Sec. 2-33. Supplemental petition to reinstate wardship.

(1) Any time prior to a minor's 18th birthday, pursuant to a supplemental petition filed under this Section, the court may reinstate wardship and open a previously closed case when:

(a) wardship and guardianship under the Juvenile Court Act of 1987 was vacated in conjunction with the appointment of a private guardian under the Probate Act of 1975;

(b) the minor is not presently a ward of the court under Article II of this Act nor is there a petition for adjudication of wardship pending on behalf of the minor; and

(c) it is in the minor's best interest that wardship be reinstated.

(2) Any time prior to a minor's 21st birthday, pursuant to a supplemental petition filed under this Section, the court may reinstate wardship and open a previously closed case when:

(a) wardship and guardianship under this Act was vacated pursuant to:

(i) an order entered under subsection (2) of Section 2-31 in the case of a minor over the age of 18;

(ii) closure of a case under subsection (2) of Section 2-31 in the case of a minor under the age of 18 who has been partially or completely emancipated in accordance with the Emancipation of Minors Act; or

(iii) an order entered under subsection (3) of Section 2-31 based on the minor's attaining the age of 19 years before the effective date of this amendatory Act of the 101st General Assembly;

(b) the minor is not presently a ward of the court under Article II of this Act nor is there a petition for adjudication of wardship pending on behalf of the minor; and

(c) it is in the minor's best interest that wardship be reinstated.

(3) The supplemental petition must be filed in the same proceeding in which the original adjudication order was entered. Unless excused by court for good cause shown, the petitioner shall give notice of the time and place of the hearing on the supplemental petition, in person or by mail, to the minor, if the minor is 14 years of age or older, and to the parties to the juvenile court proceeding. Notice shall be provided at least 3 court days in advance of the hearing date.

(4) A minor who is the subject of a petition to reinstate wardship under this Section shall be provided with representation in accordance with Sections 1-5 and 2-17 of this Act.

(5) Whenever a minor is committed to the Department of Children and Family Services for care and services following the reinstatement of wardship under this Section, the Department shall:

(a) Within 30 days of such commitment, prepare and file with the court a case plan which complies with the federal Adoption Assistance and Child Welfare Act of 1980 and is consistent with the health, safety and best interests of the minor; and

(b) Promptly refer the minor for such services as are necessary and consistent with the minor's health, safety and best interests.

Sec. 5-711. Family Support Program services; hearing.

(a) Any minor who is placed in the guardianship of the Department of Children and Family Services under Section 5-710 while an application for the Family Support Program was pending with the Department of Healthcare and Family Services or an active application was being reviewed by the Department of Healthcare and Family Services shall continue to be considered eligible for services if all other eligibility criteria are met.

(b) The court shall conduct a hearing within 14 days upon notification to all parties that an application for the Family Support Program services has been approved and services are available. At the hearing, the court shall determine whether to vacate guardianship of the Department of Children and Family Services and return the minor to the custody of the parent or guardian with Family Support Program services or whether the minor shall continue in the guardianship of the Department of Children and Family Services and decline the Family Support Program services. In making its determination, the court shall consider the minor's best interest, the involvement of the parent or guardian in proceedings under this Act, the involvement of the parent or guardian in the minor's treatment, the relationship between the minor and the parent or guardian, and any other factor the court deems relevant. If the court vacates the guardianship of the Department of Children and Family Services and returns the minor to the custody of the parent or guardian with Family Support Services, the Department of Healthcare and Family Services shall become financially responsible for providing services to the minor. If the court determines that the minor shall continue in the custody of the Department of Children and Family Services, the Department of Children and Family Services shall remain financially responsible for providing services to the minor, the Family Support Services shall be declined, and the minor shall no longer be eligible for Family Support Services.

(c) This Section does not apply to a minor:

(1) for whom a petition has been filed under this Act alleging that he or she is an abused or neglected minor;

(2) for whom the court has made a finding that he or she is an abused or neglected minor under this Act except a finding under item (iv) of paragraph (a) of subsection (1) of Section 5-710 that an independent basis of abuse, neglect, or dependency exists; or

(3) who has been the subject of an indicated allegation of abuse or neglect by the Department of Children and Family Services, other than for psychiatric lock-out, in which the parent or guardian was the perpetrator within 5 years of the filing of the pending petition.

[May 21, 2019]

AMENDMENT NO. 1 TO SENATE BILL 193

AMENDMENT NO. 1. Amend Senate Bill 193 by replacing everything after the enacting clause with the following:

"Section 5. The Abused and Neglected Child Reporting Act is amended by changing Sections 7.14 and 8.2 and by adding Section 7.22a as follows:

(325 ILCS 5/7.14) (from Ch. 23, par. 2057.14)

Sec. 7.14. All reports in the central register shall be classified in one of three categories: "indicated", "unfounded" or "undetermined", as the case may be. Prior to classifying the report, the Department shall determine whether the report is subject to Department review under Section 7.22a. If the report is subject to Department review, the report shall not be classified as unfounded until the review is completed. Prior to classifying the report, the person making the classification shall determine whether the child named in the report is the subject of an action under Article V of the Juvenile Court Act of 1987 who is in the custody or guardianship of the Department or who has an open intact family services case with the Department or is the subject of an action under Article II of the Juvenile Court Act of 1987. If the child either is the subject of an action under Article V of the Juvenile Court Act of 1987 and is in the custody or guardianship of the Department or has an open intact family services case with the Department or is the subject of an action under Article II of the Juvenile Court Act of 1987 and the Department intends to classify the report as indicated, the Department shall, within 45 days of classification of the report, transmit a copy of the report to the attorney or guardian ad litem appointed for the child under Section 2-17 of the Juvenile Court Act of 1987 or to a guardian ad litem appointed under Section 5-610 of the Juvenile Court Act of 1987. If the child either is the subject of an action under Article V of the Juvenile Court Act of 1987 and is in the custody or guardianship of the Department or has an open intact family services case with the Department or is the subject of an action under Article II of the Juvenile Court Act of 1987 and the Department intends to classify the report as unfounded, the Department shall, within 45 days of deciding its intent to classify the report as unfounded, transmit a copy of the report and written notice of the Department's intent to the attorney or guardian ad litem appointed for the child under Section 2-17 of the Juvenile Court Act of 1987, or to a guardian ad litem appointed under Section 5-610 of the Juvenile Court Act of 1987. The Department's obligation under this Section to provide reports to a guardian ad litem appointed under Section 5-610 of the Juvenile Court Act of 1987 for a minor with an open intact family services case applies only if the guardian ad litem notified the Department in writing of the representation. All information identifying the subjects of an unfounded report shall be expunged from the register forthwith, except as provided in Section 7.7. Unfounded reports may only be made available to the Child Protective Service Unit when investigating a subsequent report of suspected abuse or maltreatment involving a child named in the unfounded report; and to the subject of the report, provided the Department has not expunged the file in accordance with Section 7.7. The Child Protective Service Unit shall not indicate the subsequent report solely based upon the existence of the prior unfounded report or reports. Notwithstanding any other provision of law to the contrary, an unfounded report shall not be admissible in any judicial or administrative proceeding or action except for proceedings under Sections 2-10 and 2-21 of the Juvenile Court Act of 1987 involving a petition filed under Section 2-13 of the Juvenile Court Act of 1987 alleging abuse or neglect to the same child, a sibling of the child, or the same perpetrator. Identifying information on all other records shall be removed from the register no later than 5 years after the report is indicated. However, if another report is received involving the same child, his sibling or offspring, or a child in the care of the persons responsible for the child's welfare, or involving the same alleged offender, the identifying information may be maintained in the register until 5 years after the subsequent case or report is closed.

Notwithstanding any other provision of this Section, identifying information in indicated reports involving serious physical injury to a child as defined by the Department in rules, may be retained longer than 5 years after the report is indicated or after the subsequent case or report is closed, and may not be removed from the register except as provided by the Department in rules. Identifying information in indicated reports involving sexual penetration of a child, sexual molestation of a child, sexual exploitation of a child, torture of a child, or the death of a child, as defined by the Department in rules, shall be retained for a period of not less than 50 years after the report is indicated or after the subsequent case or report is closed.

For purposes of this Section, "child" includes an adult resident as defined in this Act.

(325 ILCS 5/7.22a new)

Sec. 7.22a. Reports subject to review.

(a) Unfounded reports. Prior to classifying a report under Section 7.14, if the Department intends to classify the report as unfounded, the Department must first determine whether the report is subject to review in accordance with this Section. If the report is subject to review, the review process must be completed prior to classifying the report. The Deputy Director of Child Protection must oversee a review process that ensures the Department reviews a random sample of at least 5% of child abuse and neglect reports in which the Department intends to be unfounded and any subject child of the report is not of compulsory school age as provided under Section 26-1 of the School Code.

The review must be conducted by an area administrator outside the supervisory chain of the investigator and supervisor. The review shall ensure that the investigation was conducted in accordance with the Department's rules and procedures governing child abuse and neglect investigations and that the final intended finding is consistent with the goal of protecting the health, safety, and best interests of the child in all situations in which the child is vulnerable to child abuse or neglect. If the reviewer determines the investigation or final recommended unfounded finding is inconsistent with the Department's rules and procedures, the reviewer shall document the findings in an Unfounded Review Report and forward the Unfounded Review Report to the investigator, supervisor, area administrator assigned to the case, and Deputy Director of Child Protection to ensure appropriate corrective steps are taken in the case before the final finding is entered. The Unfounded Review Report shall be included in the investigative file.

(b) The Deputy Director of Child Protection must oversee a review process that ensures the Department reviews a random sample of at least 5% of indicated reports in which any subject child of the report is not of compulsory school age as provided under Section 26-1 of the School Code, the child is not a youth in care, and the Department is not opening a case for any type of services, including situations in which the family refuses services. The review must be conducted by an area administrator outside the supervisory chain of the assigned investigator within 15 days of the final finding being entered. The review shall ensure that the investigation was conducted in accordance with the Department's rules and procedures governing child abuse and neglect investigations and that the decision to not provide services is consistent with the goal of protecting the health, safety, and best interests of the child in all situations in which the child is vulnerable to child abuse or neglect. If the reviewer determines the investigation or final finding is inconsistent with the Department's rules and procedures, the reviewer shall document the findings in an Indicated Review Report and forward the Indicated Review Report to the investigator, supervisor, area administrator assigned to the case, and Deputy Director of Child Protection to ensure appropriate corrective steps are taken in the case. The Indicated Review Report shall be included in the investigative file.

(c) The Department shall document its findings in accordance with subsections (a) and (b), including the number of Unfounded Review Reports and Indicated Review Reports, and the findings and recommendations detailed in the Indicated Review Reports and Unfounded Review Reports in reports to the General Assembly. The reports shall describe recommendations for systemic reforms based on the findings of the reviews and the steps the Department will take to implement the recommendations. The initial report shall be filed 90 days after the effective date of this amendatory Act of the 101st General Assembly. Subsequent reports shall be filed on December 1 and June 1 of each year.

(325 ILCS 5/8.2) (from Ch. 23, par. 2058.2)

Sec. 8.2. If the Child Protective Service Unit determines, following an investigation made pursuant to Section 7.4 of this Act, that there is credible evidence that the child is abused or neglected, the Department shall assess the family's need for services, and, as necessary, develop, with the family, an appropriate service plan for the family's voluntary acceptance or refusal. In any case where there is evidence that the perpetrator of the abuse or neglect has a substance use disorder as defined in the Substance Use Disorder Act, the Department, when making referrals for drug or alcohol abuse services, shall make such referrals to facilities licensed by the Department of Human Services or the Department of Public Health. The Department shall comply with Section 8.1 by explaining its lack of legal authority to compel the acceptance of services and may explain its concomitant authority to petition the Circuit court under the Juvenile Court Act of 1987 or refer the case to the local law enforcement authority or State's attorney for criminal prosecution.

For purposes of this Act, the term "family preservation services" refers to all services to help families, including adoptive and extended families. Family preservation services shall be offered, where safe and appropriate, to prevent the placement of children in substitute care when the children can be cared for at home or in the custody of the person responsible for the children's welfare without endangering the children's health or safety, to reunite them with their families if so placed when reunification is an appropriate goal, or to maintain an adoptive placement. The term "homemaker" includes emergency caretakers, homemakers, caretakers, housekeepers and chore services. The term "counseling" includes individual therapy, infant stimulation therapy, family therapy, group therapy, self-help groups, drug and

alcohol abuse counseling, vocational counseling and post-adoptive services. The term "day care" includes protective day care and day care to meet educational, prevocational or vocational needs. The term "emergency assistance and advocacy" includes coordinated services to secure emergency cash, food, housing and medical assistance or advocacy for other subsistence and family protective needs.

Before July 1, 2000, appropriate family preservation services shall, subject to appropriation, be included in the service plan if the Department has determined that those services will ensure the child's health and safety, are in the child's best interests, and will not place the child in imminent risk of harm. Beginning July 1, 2000, appropriate family preservation services shall be uniformly available throughout the State. The Department shall promptly notify children and families of the Department's responsibility to offer and provide family preservation services as identified in the service plan. Such plans may include but are not limited to: case management services; homemakers; counseling; parent education; day care; emergency assistance and advocacy assessments; respite care; in-home health care; transportation to obtain any of the above services; and medical assistance. Nothing in this paragraph shall be construed to create a private right of action or claim on the part of any individual or child welfare agency, except that when a child is the subject of an action under Article II of the Juvenile Court Act of 1987 and the child's service plan calls for services to facilitate achievement of the permanency goal, the court hearing the action under Article II of the Juvenile Court Act of 1987 may order the Department to provide the services set out in the plan, if those services are not provided with reasonable promptness and if those services are available.

Each Department field office shall maintain on a local basis directories of services available to children and families in the local area where the Department office is located.

The Department shall refer children and families served pursuant to this Section to private agencies and governmental agencies, where available.

Incentives that discourage or reward a decision to provide family preservation services after a report is indicated or a decision to refer a child for the filing of a petition under Article II of the Juvenile Court Act of 1987 are strictly prohibited and shall not be included in any contract, quality assurance, or performance review process. Incentives include, but are not limited to, monetary benefits, contingencies, and enhanced or diminished performance reviews for individuals or agencies.

Any decision regarding whether to provide family preservation services after an indicated report or to refer a child for the filing of a petition under Article II of the Juvenile Court Act of 1987 shall be based solely on the child's health, safety, and best interests and on any applicable law. If a difference of opinion exists between a private agency and the Department regarding whether to refer for the filing of a petition under Article II of the Juvenile Court Act of 1987, the case shall be referred to the Deputy Director of Child Protection for review and determination.

Any Department employee responsible for reviewing contracts or program plans who is aware of a violation of this Section shall immediately refer the matter to the Inspector General of the Department.

Where there are 2 equal proposals from both a not-for-profit and a for-profit agency to provide services, the Department shall give preference to the proposal from the not-for-profit agency.

No service plan shall compel any child or parent to engage in any activity or refrain from any activity which is not reasonably related to remedying a condition or conditions that gave rise or which could give rise to any finding of child abuse or neglect.

AMENDMENT NO. 1 TO SENATE BILL 241

AMENDMENT NO. 1. Amend Senate Bill 241 by replacing everything after the enacting clause with the following:

"Section 5. The Illinois Food, Drug and Cosmetic Act is amended by adding Section 17.2 as follows:
(410 ILCS 620/17.2 new)

Sec. 17.2. Cosmetic testing on animals.

(a) In this Section:

"Animal test" means the internal or external application of a cosmetic, either in its final form or any ingredient thereof, to the skin, eyes, or other body part of a live, nonhuman vertebrate.

"Cosmetic" has the meaning provided in Section 2 of this Act.

"Ingredient" means any component of a cosmetic product as defined by Section 700.3 of Title 21 of the Code of Federal Regulations.

"Manufacturer" means any person whose name appears on the label of a cosmetic in package form under Section 701.12 of Title 21 of the Code of Federal Regulations.

"Supplier" means any entity that supplies, directly or through a third party, any ingredient used in the formulation of a manufacturer's cosmetic.

(b) Notwithstanding any other law, it is unlawful for a manufacturer to import for profit, sell, or offer for sale in this State any cosmetic, if the cosmetic was developed or manufactured using an animal test that was conducted or contracted by the manufacturer, or any supplier of the manufacturer, on or after January 1, 2020.

(c) The prohibitions in subsection (b) do not apply to the following:

(1) An animal test of any cosmetic that is required by a federal or State regulatory authority, if each of the following apply:

(A) an ingredient is in wide use and cannot be replaced by another ingredient capable of performing a similar function;

(B) a specific human health problem is substantiated and the need to conduct animal tests is justified and supported by a detailed research protocol proposed as the basis for the evaluation; and

(C) there is not a nonanimal alternative method accepted for the relevant endpoint by the relevant federal or State regulatory authority.

(2) An animal test that was conducted to comply with a requirement of a foreign regulatory authority, if no evidence derived from the test was relied upon to substantiate the safety of the cosmetic being sold in Illinois by the manufacturer.

(3) An animal test that was conducted on any product or ingredient subject to the requirements of Subchapter V of the Federal Food, Drug, and Cosmetic Act.

(4) An animal test that was conducted for noncosmetic purposes in response to a requirement of a federal, State, or foreign regulatory authority, if no evidence derived from the test was relied upon to substantiate the safety of the cosmetic sold in Illinois by the manufacturer. A manufacturer is not prohibited from reviewing, assessing, or retaining evidence from an animal test conducted under this paragraph.

(d) A violation of this Section shall be punishable by an initial civil penalty of \$5,000 for the first day of each violation and an additional civil penalty of \$1,000 for each day the violation continues.

(e) A violation of this Section may be enforced by the State's Attorney of the county in which the violation occurred. The civil penalty shall be paid to the entity that is authorized to bring the action.

(f) A State's Attorney may, upon a determination that there is a reasonable likelihood of a violation of this Section, review the testing data upon which a cosmetic manufacturer has relied in the development or manufacturing of the relevant cosmetic product sold in this State. Information provided under this Section shall be protected as a trade secret as defined in Section 2 of the Illinois Trade Secrets Act. In an action under this Section, a court shall preserve the secrecy of an alleged trade secret by reasonable means, which may include granting protective orders in connection with discovery proceedings, holding in-camera hearings, sealing the records of the action, and ordering any person involved in the litigation not to disclose an alleged trade secret without prior court approval. Consistent with the procedures described in this subsection, a State's Attorney shall enter a protective order with a manufacturer before receipt of information from a manufacturer under this Section, and shall take other appropriate measures necessary to preserve the confidentiality of information provided under this Section.

(g) This Section does not apply to animal testing conducted on an ingredient or cosmetic in its final form if the testing took place prior to the effective date of this amendatory Act of the 101st General Assembly.

[May 21, 2019]

(h) Notwithstanding any other provision of this Section, cosmetic inventory in violation of this Section may be sold for a period of 180 days.

(i) A home rule unit may not regulate the testing of cosmetics on animals in a manner inconsistent with the regulation by the State of the testing of cosmetics on animals under this Section. This subsection is a limitation under subsection (i) of Section 6 of Article VII of the Illinois Constitution on the concurrent exercise by home rule units of powers and functions exercised by the State.
