(i) This Section, except the requirements of subsection (g), also applies to rental agreements of 30 continuous days or less involving a motor vehicle that was delivered by an out of State person or business to a renter in this State.

(j) A public airport may, if approved by its local government corporate authorities or its airport authority, impose a customer facility charge upon customers of rental car companies for the purposes of financing, designing, constructing, operating, and maintaining consolidated car rental facilities and common use transportation equipment and facilities, which are used to transport the customer, connecting consolidated car rental facilities with other airport facilities.

Notwithstanding subsection (f) of this Section, the customer facility charge shall be collected by the rental car company as a separate charge, and clearly indicated as a separate charge on the rental agreement and invoice. Facility charges shall be immediately deposited into a trust account for the benefit of the airport and remitted at the direction of the airport, but not more often than once per month. The charge shall be uniformly calculated on a per-contract or per-day basis. Facility charges imposed by the airport may not exceed the reasonable costs of financing, designing, constructing, operating, and maintaining the consolidated car rental facilities and common use transportation equipment and facilities and may not be used for any other purpose.

Notwithstanding any other provision of law, the charges collected under this Section are not subject to retailer occupation, sales, use, or transaction taxes.

(1) Clearly and conspicuously disclose in any radio, television, or other electronic media advertisements the existence and amount of the charge if the advertisement is intended for rentals at an airport imposing the charge or, if the advertisement covers an area with multiple airports with different charges, a range of amounts of customer facility charges if the advertisement is intended for rentals at an airport imposing the charge.

(2) Clearly and conspicuously disclose in any print rate advertising the existence and amount of the charge if the advertisement is intended for rentals at an airport imposing the charge or, if the print rate advertisement covers an area with multiple airports with different charges, a range of amounts of customer facility charges if the advertisement is intended for rentals at an airport imposing the charge.

(3) Clearly and conspicuously disclose the existence and amount of the charge in any telephonic, in-person, or computer-transmitted quotation from the rental car company's proprietary computer reservation system at the time of making an initial quotation of a rental rate if the quotation is made by a rental car company location at an airport imposing the charge and at the time of making a reservation of a rental car if the reservation is made by a rental car company location at an airport imposing the charge.

(4) Clearly and conspicuously display the charge in any proprietary computer-assisted reservation or transaction directly between the rental car company and the customer, shown or referenced on the same page on the computer screen viewed by the customer as the displayed rental rate and in a print size not smaller than the print size of the rental rate.

(5) Clearly and conspicuously disclose and separately identify the existence and amount of the charge on its rental agreement.

(6) A rental car company that collects from its customers a customer facility charge under subsection (j) and engages in a practice which does not comply with subsections (f), (j), and (k) commits an unlawful practice within the meaning of the Consumer Fraud and Deceptive Business Practices Act.

(l) Notwithstanding subsection (f), any person who rents a motor vehicle to another may, in connection with the rental of a motor vehicle to (i) a business renter or (ii) a business program sponsor under the sponsor's business program, do the following:

The licensee shall transfer ownership of the vehicle to the renter within 20 calendar days of the agreed-upon date of completion of the rental-purchase agreement. If the licensee fails to transfer ownership of the vehicle to the renter within the 20 calendar days, then the renter may apply for the vehicle's title to the Secretary of State by providing the Secretary the rental-purchase agreement, an application for title, the required title fee, and any other documentation the Secretary deems necessary to determine ownership of the vehicle. For purposes of this subsection (l-5), "rental-purchase agreement" has the meaning set forth in Section 1 of the Rental-Purchase Agreement Act.

(m) As used in this Section:

(2) "Business program" means:

(A) a contract between a person who rents motor vehicles and a business program sponsor that establishes rental rates at which the person will rent motor vehicles to persons authorized by the sponsor; or

(B) a plan, program, or other arrangement established by a person who rents motor vehicles at the request of, or with the consent of, a business program sponsor under which the person offers to rent motor vehicles to persons authorized by the sponsor on terms that are not the same as those generally offered by the rental company to the public.

### PRESENTATION OF RESOLUTION

[May 31, 2019]

Senator Fine offered the following Senate Resolution, which was referred to the Committee on Assignments:

**SENATE RESOLUTION NO. 484**

WHEREAS, As more national attention is brought to issues such as worker exploitation and economic inequality, evidence suggests a major contributing factor is wage theft; studies have found that wage theft costs individual workers hundreds of millions of dollars in wages and benefits per year; and

WHEREAS, Further compounding the issue is a national growth in the underground economy, which, while typically associated with trafficking, prostitution, and piracy, has seen a growing portion of illegal practices within labor sectors such as construction, auto repair, and food service; practices include the violation of labor, tax, insurance, and licensing laws; and

WHEREAS, These activities are detrimental not only to the workers in these industries, many of whom are immigrants, but also to the residents of Illinois; the strengthening of an underground economy harms the people of Illinois by requiring the subsidization of bad actors while simultaneously placing workers in harm's way; and

WHEREAS, Wage theft and the underground economy also injure business owners who abide by the rules; they cannot compete against those who offer lower prices due to illegal practices that expose consumers to greater risks of substandard service; and

WHEREAS, Such issues may be rampant in the construction industry where there is a myriad of contractual relationships resulting in worker confusion and unclear employment relationships as well as employee misidentification; and

WHEREAS, An industry where safety is of paramount concern must also prioritize the well-being and health of employees, including financial well-being; in order to protect all workers, it is necessary to close loopholes that allow for the exploitation of human labor for profit; therefore, be it

RESOLVED, BY THE SENATE OF THE ONE HUNDRED FIRST GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we urge the Illinois Department of Labor to investigate the prevalence of wage theft and the underground economy in the State of Illinois and submit to the General Assembly a report providing data on the issue along with recommendations for eliminating such unlawful labor practices throughout the State; and be it further

RESOLVED, That a suitable copy of this resolution be delivered to the Illinois Department of Labor.
