Passed the House, as amended, October 29, 2019.

JOHN W. HOLLMAN, Clerk of the House

AMENDMENT NO. 1 TO SENATE BILL 1711

AMENDMENT NO. 1. Amend Senate Bill 1711 by replacing everything after the enacting clause with the following:

"Section 1. Short title. This Act may be cited as the Cancer Clinical Trial Participation Program Act.

Section 5. Findings. The General Assembly finds that:

(1) The ability to translate medical findings from research to practice relies largely on robust subject participation and a diverse subject participation pool in clinical trials.

(2) Diverse subject participation in cancer clinical trials depends significantly on whether an individual is able to afford ancillary costs, including transportation and lodging, during the course of participation in a cancer clinical trial.

(3) A national study conducted in 2015 found that individuals from households with an annual income of less than \$50,000 were 30% less likely to participate in cancer clinical trials.

(4) Direct and indirect costs, including transportation, lodging, and child-care expenses, prevent eligible individuals from participating in cancer clinical trials according to the National Cancer Institute.

(5) The disparities in subject participation in cancer clinical trials threaten the basic ethical underpinning of clinical research, which requires the benefits of the research to be made available equitably among all eligible individuals.

(6) While the United States Food and Drug Administration recently confirmed to Congress and provided guidance on its website that reimbursement of direct subject-incurred expenses is not an undue inducement, many organizations, research sponsors, philanthropic individuals, charitable organizations, governmental entities, and other persons still operate under the misconception that such reimbursement is an undue inducement.

(7) It is the intent of the General Assembly to enact legislation to further define and establish a clear difference between items considered to be an undue inducement for a subject to participate in a cancer clinical trial and the reimbursement of expenses for participating in a cancer clinical trial.

(8) Further clarification of the United States Food and Drug Administration's confirmation and guidance is appropriate and important to improve subject participation in cancer clinical trials, which is the primary intent of this legislation.

Section 10. Definitions. In this Act:

"Cancer clinical trial" means a research study that subjects an individual to a new cancer treatment, including a medication, chemotherapy, adult stem cell therapy, or other treatment.

"Cancer clinical trial sponsor" means a person, physician, professor, or researcher who initiates a cancer clinical trial; a government entity or agency that initiates a cancer clinical trial; or an industry, including, but not limited to, a pharmaceutical, biotechnology, or medical device company, that initiates a cancer clinical trial.

"Independent third-party organization" means an entity or organization, whether public or private, that is not a sponsor or host of a cancer clinical trial, or in any way directly affiliated with a sponsor or host of a cancer clinical trial, and has experience in patient advocacy and direct patient reimbursement of cancer clinical trial participation costs.

"Inducement" means providing a person something of value, including money, as part of participation in a clinical trial.

"Program" means the cancer clinical trial participation program established under this Act.

"Subject" means an individual who participates in the program.

[October 30, 2019]

"Undue inducement" means the value of something received by a potential clinical trial research subject, which value is so large that it causes the research subject to take risks that are not in his or her best interests.

Section 15. Establishment. An independent third-party organization may develop and implement the cancer clinical trial participation program to provide reimbursement to subjects for ancillary costs associated with participation in a cancer clinical trial, including costs for:

- (1) travel;
- (2) lodging;
- (3) parking and tolls; and
- (4) other costs considered appropriate by the organization.

Section 20. Requirements; notice.

(a) The program:

(1) must collaborate with physicians, health care providers, and cancer clinical trial sponsors to notify a prospective subject about the program when:

(A) the prospective subject consents to a cancer clinical trial; or

(B) funding is available to provide the program for the cancer clinical trial in which the prospective subject participates;

(2) must reimburse subjects based on financial need, which may include reimbursement to subjects whose income is at or below 700% of the federal poverty level;

(3) must provide reimbursement for ancillary costs, including costs described under Section 15, to eliminate the financial barriers to enrollment in a cancer clinical trial;

(4) may provide reimbursement for reasonable ancillary costs, including costs described under Section 15, to one family member, friend, or other person who attends a cancer clinical trial to support a subject; and

(5) must comply with applicable federal and State laws.

(b) The independent third-party organization administering the program shall provide written notice to prospective subjects of the requirements described under subsection (a).

Section 25. Reimbursement requirements; notice.

(a) A reimbursement under the program at a trial site that conducts cancer clinical trials must:

(1) be reviewed and approved by the institutional review board associated with the cancer clinical trial for which the reimbursement is provided; and

(2) comply with applicable federal and State laws.

(b) The independent third-party organization operating the program is not required to obtain approval from an institutional review board on the financial eligibility of a subject who is medically eligible for a cancer clinical trial.

(c) The independent third-party organization operating the program shall provide written notice to a subject on:

(1) the nature and availability of the ancillary financial support under the program;

and

(2) the program's general guidelines on financial eligibility.

Section 30. Reimbursement status as undue inducement. Reimbursement to a subject of ancillary costs under the program:

(1) does not constitute an undue inducement to participate in a cancer clinical trial;

(2) is not considered coercion or the exertion of undue influence to participate in a cancer clinical trial; and

(3) is meant to accomplish parity in access to cancer clinical trials and remove barriers to participation in cancer clinical trials for financially burdened subjects.

Section 35. Funding. The independent third-party organization that administers the program may accept gifts, grants, and donations from any public or private source to implement this Act.

Section 99. Effective date. This Act takes effect upon becoming law."

Under the rules, the foregoing **Senate Bill No. 1711**, with House Amendment No. 1, was referred to the Secretary's Desk.

Section 10. The Illinois Public Labor Relations Act is amended by changing Sections 6 and 10 and by adding Section 6.5 as follows:

(5 ILCS 315/6) (from Ch. 48, par. 1606)

Sec. 6. Right to organize and bargain collectively; exclusive representation; and fair share arrangements.

(a) Employees of the State and any political subdivision of the State, excluding employees of the General Assembly of the State of Illinois and employees excluded from the definition of "public employee" under subsection (n) of Section 3 of this Act, have, and are protected in the exercise of, the right of self-organization, and may form, join or assist any labor organization, to bargain collectively through representatives of their own choosing on questions of wages, hours and other conditions of employment, not excluded by Section 4 of this Act, and to engage in other concerted activities not otherwise prohibited by law for the purposes of collective bargaining or other mutual aid or protection, free from interference, restraint or coercion. Employees also have, and are protected in the exercise of, the right to refrain from participating in any such concerted activities. Employees may be required, pursuant to the terms of a lawful fair share agreement, to pay a fee which shall be their proportionate share of the costs of the collective bargaining process, contract administration and pursuing matters affecting wages, hours and other conditions of employment as defined in Section 3(g).

(b) Nothing in this Act prevents an employee from presenting a grievance to the employer and having the grievance heard and settled without the intervention of an employee organization; provided that the exclusive bargaining representative is afforded the opportunity to be present at such conference and that any settlement made shall not be inconsistent with the terms of any agreement in effect between the employer and the exclusive bargaining representative.

(c) A labor organization designated by the Board as the representative of the majority of public employees in an appropriate unit in accordance with the procedures herein or recognized by a public employer as the representative of the majority of public employees in an appropriate unit is the exclusive representative for the employees of such unit for the purpose of collective bargaining with respect to rates of pay, wages, hours and other conditions of employment not excluded by Section 4 of this Act. Unless otherwise mutually agreed, a public employer is required at least once each month and upon request, to furnish the exclusive bargaining representative with a complete list of the names and addresses of the public employees in the bargaining unit, provided that a public employer shall not be required to furnish such a list more than once per payroll period. The exclusive bargaining representative shall use the list exclusively for bargaining representation purposes and shall not disclose any information contained in the list for any other purpose. Nothing in this Section, however, shall prohibit a bargaining representative from disseminating a list of its union members.

At the time the public employer provides such list, it shall also provide to the exclusive representative, in an Excel file or other mutually agreed upon editable digital file format, the employee's job title, worksite location, work telephone numbers, identification number if available, and any home and personal cellular telephone numbers on file with the employer, date of hire, work email address, and any personal email address on file with the employer. In addition, unless otherwise mutually agreed, within 10 calendar days from the date of hire of a bargaining unit employee, the public employer shall provide to the exclusive

representative, in an electronic file or other mutually agreed upon format, the following information about the new employee: the employee's name, job title, worksite location, home address, work telephone numbers, and any home and personal cellular telephone numbers on file with the employer, date of hire, work email address, and any personal email address on file with the employer.

(c-5) No employer shall disclose the following information of any employee: (1) the employee's home address (including ZIP code and county); (2) the employee's date of birth; (3) the employee's home and personal phone number; (4) the employee's personal email address; (5) any information personally identifying employee membership or membership status in a labor organization or other voluntary association affiliated with a labor organization or a labor federation (including whether employees are members of such organization, the identity of such organization, whether or not employees pay or authorize the payment of any dues of moneys to such organization, and the amounts of such dues or moneys); and (6) emails or other communications between a labor organization and its members.

As soon as practicable after receiving a request for any information prohibited from disclosure under this subsection (c-5), excluding a request from the exclusive bargaining representative of the employee, the employer must provide a written copy of the request, or a written summary of any oral request, to the exclusive bargaining representative of the employee or, if no such representative exists, to the employee. The employer must also provide a copy of any response it has made within 5 business days of sending the response to any request.

If an employer discloses information in violation of this subsection (c-5), an aggrieved employee of the employer or his or her exclusive bargaining representative may file an unfair labor practice charge with the Illinois Labor Relations Board pursuant to Section 10 of this Act or commence an action in the circuit court to enforce the provisions of this Act, including actions to compel compliance, if an employer willfully and wantonly discloses information in violation of this subsection. The circuit court for the county in which the complainant resides, in which the complainant is employed, or in which the employer is located shall have jurisdiction in this matter.

This subsection does not apply to disclosures (i) required under the Freedom of Information Act, (ii) for purposes of conducting public operations or business, or (iii) to the exclusive representative.

(c-10) Employers shall provide to exclusive representatives, including their agents and employees, reasonable access to employees in the bargaining units they represent. This access shall at all times be conducted in a manner so as not to impede normal operations.

(1) Access includes the following:

(A) the right to meet with one or more employees on the employer's premises during the work day to investigate and discuss grievances and workplace-related complaints without charge to pay or leave time of employees or agents of the exclusive representative;

(B) the right to conduct worksite meetings during lunch and other non-work breaks, and before and after the workday, on the employer's premises to discuss collective bargaining negotiations, the administration of collective bargaining agreements, other matters related to the duties of the exclusive representative, and internal matters involving the governance or business of the exclusive representative, without charge to pay or leave time of employees or agents of the exclusive representative;

(C) the right to meet with newly hired employees, without charge to pay or leave time of the employees or agents of the exclusive representative, on the employer's premises or at a location mutually agreed to by the employer and exclusive representative for up to one hour either within the first two weeks of employment in the bargaining unit or at a later date and time if mutually agreed upon by the employer and the exclusive representative; and

(D) the right to use the facility mailboxes and bulletin boards of the employer to communicate with bargaining unit employees regarding collective bargaining negotiations, the administration of the collective bargaining agreements, the investigation of grievances, other workplace-related complaints and issues, and internal matters involving the governance or business of the exclusive representative.

(2) Nothing in this Section shall prohibit an employer and exclusive representative from agreeing in a collective bargaining agreement to provide the exclusive representative greater access to bargaining unit employees, including through the use of the employer's email system.

(d) Labor organizations recognized by a public employer as the exclusive representative or so designated in accordance with the provisions of this Act are responsible for representing the interests of all public employees in the unit. Nothing herein shall be construed to limit an exclusive representative's right to exercise its discretion to refuse to process grievances of employees that are unmeritorious.

(e) When a collective bargaining agreement is entered into with an exclusive representative, it may include in the agreement a provision requiring employees covered by the agreement who are not members of the organization to pay their proportionate share of the costs of the collective bargaining process, contract administration and pursuing matters affecting wages, hours and conditions of employment, as

defined in Section 3 (g), but not to exceed the amount of dues uniformly required of members. The organization shall certify to the employer the amount constituting each nonmember employee's proportionate share which shall not exceed dues uniformly required of members. In such case, the proportionate share payment in this Section shall be deducted by the employer from the earnings of the nonmember employees and paid to the employee organization.

(f) Employers shall make Only the exclusive representative may negotiate provisions in a collective bargaining agreement providing for the payroll deductions deduction of labor organization dues, fair share payment, initiation fees, and assessments, and other payments for a labor organization that is the exclusive representative. Such Except as provided in subsection (e) of this Section, any such deductions shall only be made in accordance with the terms of upon an employee's written authorization, and continued until revoked in writing in the same manner or until the termination date of an applicable collective bargaining agreement. Such payments shall be paid to the exclusive representative. Written authorization may be evidenced by electronic communications, and such writing or communication may be evidenced by the electronic signature of the employee as provided under Section 5-120 of the Electronic Commerce Security Act.

There is no impediment to an employee's right to resign union membership at any time. However, notwithstanding any other provision of law to the contrary regarding authorization and deduction of dues, the exclusive representative and a public employee may agree to reasonable limits on the right of the employee to revoke such authorization, including a period of irrevocability that exceeds one year. An authorization that is irrevocable for one year, which may be automatically renewed for successive annual periods in accordance with the terms of the authorization, and that contains at least an annual 10-day period of time during which the employee may revoke the authorization, shall be deemed reasonable.

This Section shall apply to all claims that allege that a labor organization or a public employer has improperly deducted or collected dues from an employee without regard to whether the claims or the facts upon which they are based occurred before, on, or after the effective date of this amendatory Act of the 101st General Assembly and shall apply retroactively to the maximum extent permitted by law.

(f-5) Where a collective bargaining agreement is terminated, or continues in effect beyond its scheduled expiration date pending the negotiation of a successor agreement or the resolution of an impasse under Section 14, the employer shall continue to honor and abide by any dues deduction or fair share clause contained therein until a new agreement is reached including dues deduction or a fair share clause. For the benefit of any successor exclusive representative certified under this Act, this provision shall be applicable, provided the successor exclusive representative:

- (i) certifies to the employer the amount constituting each non-member's proportionate share under subsection (e); or
- (ii) presents the employer with employee written authorizations for the deduction of dues, assessments, and fees under this subsection.

Failure to so honor and abide by dues deduction or fair share clauses for the benefit of any exclusive representative, including a successor, shall be a violation of the duty to bargain and an unfair labor practice.

(f-10) Upon receiving written notice of authorization, the public employer must commence dues deductions as soon as practicable, but in no case later than 30 days after receiving notice from the labor organization. Employee deductions shall be transmitted to the labor organization no later than 30 days after they are deducted unless a shorter period is mutually agreed to.

(f-15) Deductions shall remain in effect until;

(1) the public employer receives notice that a public employee has revoked their authorization in writing in accordance with the terms of the authorization; or

(2) the individual employee is no longer employed by the public employer in a bargaining unit position represented by the same exclusive representative, provided that if the employee is, within a period of one year, employed by the same public employer in a position represented by the same labor organization, the right to dues deduction shall be automatically reinstated.

Nothing in this subsection prevents an employee from continuing to authorize payroll deductions when no longer represented by the exclusive representative that would receive such deduction.

Should the individual employee who has signed a dues deduction authorization card either be removed from a public employer's payroll or otherwise placed on any type of involuntary or voluntary leave of absence, whether paid or unpaid, the public employee's dues deduction shall be continued upon that public employee's return to the payroll in a bargaining unit position represented by the same exclusive representative or restoration to active duty from such a leave of absence.

(f-20) Unless otherwise mutually agreed by the public employer and the exclusive representative, employee requests to authorize, revoke, cancel, or change authorizations for payroll deductions for labor organizations shall be directed to the labor organization rather than to the public employer. The labor

organization shall be responsible for initially processing and notifying the public employer of proper requests or providing proper requests to the employer. If the requests are not provided to the public employer, the employer shall rely on information provided by the labor organization regarding whether deductions for a labor organization were properly authorized, revoked, canceled, or changed, and the labor organization shall indemnify the public employer for any damages and reasonable costs incurred for any claims made by employees for deductions made in good faith reliance on that information.

(f-25) Upon receipt by the exclusive representative of an appropriate written authorization from an employee, written notice of authorization shall be provided to the employer and any authorized deductions shall be made in accordance with law. The labor organization shall indemnify the public employer for any damages and reasonable costs incurred for any claims made by employees for deductions made in good faith reliance on its notification.

(f-30) The failure of an employer to comply with the provisions of this Section shall be a violation of the duty to bargain and an unfair labor practice. Relief for the violation shall be reimbursement by the public employer of dues that should have been deducted or paid based on a valid authorization given by the employee or employees. In addition, the provisions of a collective bargaining agreement that contain the obligations set forth in this Section may be enforced in accordance with Sections 8 and 16.

(f-35) The Illinois Labor Relations Board shall have exclusive jurisdiction over claims under Illinois law that allege that a labor organization has unlawfully collected dues from a public employee in violation of this Act. The Board shall by rule require that in cases in which a public employee alleges that a labor organization has unlawfully collected dues, the public employer shall continue to deduct the employee's dues from the employee's pay, but shall transmit the dues to the Board for deposit in an escrow account maintained by the Board. If the exclusive representative maintains an escrow account for the purpose of holding dues to which an employee has objected, the employer shall transmit the entire amount of dues to the exclusive representative, and the exclusive representative shall hold in escrow the dues that the employer would otherwise have been required to transmit to the Board for escrow; provided that the escrow account maintained by the exclusive representative complies with rules adopted by the Board or that the collective bargaining agreement requiring the payment of the dues contains an indemnification provision for the purpose of indemnifying the employer with respect to the employer's transmission of dues to the exclusive representative.

(f-40) If any clause, sentence, paragraph, or subparagraph of this Section shall be adjudged by a court of competent jurisdiction to be unconstitutional or otherwise invalid, that judgment shall not affect, impair, or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, or subparagraph of this Section directly involved in the controversy in which that judgment shall have been rendered.

If any clause, sentence, paragraph, or part of a signed authorization for payroll deductions shall be adjudged by a court of competent jurisdiction to be unconstitutional or otherwise invalid, that judgment shall not affect, impair, or invalidate the remainder of the signed authorization, but shall be confined in its operation to the clause, sentence, paragraph, or part of the signed authorization directly involved in the controversy in which that judgment shall have been rendered.

(g) Agreements containing a fair share agreement must safeguard the right of nonassociation of employees based upon bona fide religious tenets or teachings of a church or religious body of which such employees are members. Such employees may be required to pay an amount equal to their fair share, determined under a lawful fair share agreement, to a nonreligious charitable organization mutually agreed upon by the employees affected and the exclusive bargaining representative to which such employees would otherwise pay such service fee. If the affected employees and the bargaining representative are unable to reach an agreement on the matter, the Board may establish an approved list of charitable organizations to which such payments may be made.

(5 ILCS 315/6.5 new)

Sec. 6.5. Defense to liability.

(a) The General Assembly declares that public employees who paid agency or fair share fees as a condition of public employment in accordance with State laws and United States Supreme Court precedent prior to June 27, 2018 had no legitimate expectation of receiving that money back under any then available cause of action. Public employers and labor organizations who relied on State law and Supreme Court precedent in deducting and accepting those fees were not liable to refund them. Agency or fair share fees were paid for collective bargaining representation that employee organizations were obligated by State law to provide to employees. Additionally, it should be presumed that employees who signed written membership or dues authorization agreements prior to this time knew and freely accepted the contractual obligations set forth in those agreements. Application of this Section to claims pending on the effective

date of this amendatory Act of the 101st General Assembly will preserve, rather than interfere with, important reliance interests. This Section is therefore necessary to provide certainty to public employers and labor organizations that relied on State law and to avoid disruption of public employee labor relations after the United States Supreme Court's decision in Janus v. AFSCME Council 31, 138 S. Ct. 2448 (2018).

(b) No public employer or labor organization, or any of its employees or agents, shall be liable for, and they shall have a complete defense to, any claims or actions under the laws of this State for requiring, deducting, receiving, or retaining dues, agency fees, or fair share fees from public employees, and current or former public employees shall not have standing to pursue these claims or actions if the dues or fees were permitted under the laws of this State then in force and paid, through payroll deduction or otherwise, prior to June 27, 2018.

(c) This Section shall apply to claims and actions pending on the effective date of this amendatory Act of the 101st General Assembly, as well to claims and actions on or after that date.

(d) This Section is a declaration of existing law and shall not be construed as a new enactment.
(5 ILCS 315/10) (from Ch. 48, par. 1610)

Sec. 10. Unfair labor practices.

(a) It shall be an unfair labor practice for an employer or its agents:

(1) to interfere with, restrain or coerce public employees in the exercise of the rights guaranteed in this Act or to dominate or interfere with the formation, existence or administration of any labor organization or contribute financial or other support to it; provided, an employer shall not be prohibited from permitting employees to confer with him during working hours without loss of time or pay;

(2) to discriminate in regard to hire or tenure of employment or any term or condition of employment in order to encourage or discourage membership in or other support for any labor organization. Nothing in this Act or any other law precludes a public employer from making an agreement with a labor organization to require as a condition of employment the payment of a fair share under paragraph (e) of Section 6;

(3) to discharge or otherwise discriminate against a public employee because he has signed or filed an affidavit, petition or charge or provided any information or testimony under this Act;

(4) to refuse to bargain collectively in good faith with a labor organization which is the exclusive representative of public employees in an appropriate unit, including, but not limited to, the discussing of grievances with the exclusive representative;

(5) to violate any of the rules and regulations established by the Board with jurisdiction over them relating to the conduct of representation elections or the conduct affecting the representation elections;

(6) to expend or cause the expenditure of public funds to any external agent, individual, firm, agency, partnership or association in any attempt to influence the outcome of representational elections held pursuant to Section 9 of this Act; provided, that nothing in this subsection shall be construed to limit an employer's right to internally communicate with its employees as provided in subsection (c) of this Section, to be represented on any matter pertaining to unit determinations, unfair labor practice charges or pre-election conferences in any formal or informal proceeding before the Board, or to seek or obtain advice from legal counsel. Nothing in this paragraph shall be construed to prohibit an employer from expending or causing the expenditure of public funds on, or seeking or obtaining services or advice from, any organization, group, or association established by and including public or educational employers, whether covered by this Act, the Illinois Educational Labor Relations Act or the public employment labor relations law of any other state or the federal government, provided that such services or advice are generally available to the membership of the organization, group or association, and are not offered solely in an attempt to influence the outcome of a particular representational election; or

(7) to refuse to reduce a collective bargaining agreement to writing or to refuse to sign such agreement; or

(8) to interfere with, restrain, coerce, deter, or discourage public employees or applicants to be public employees from: (i) becoming or remaining members of a labor organization; (ii) authorizing representation by a labor organization; or (iii) authorizing dues or fee deductions to a labor organization, nor shall the employer intentionally permit outside third parties to use its email or other communication systems to engage in that conduct. An employer's good faith implementation of a policy to block the use of its email or other communication systems for such purposes shall be a defense to an unfair labor practice; or

(9) to disclose to any person or entity information set forth in subsection (c-5) of Section 6 of this Act that the employer knows or should know will be used to interfere with, restrain, coerce, deter, or discourage

any public employee from: (i) becoming or remaining members of a labor organization, (ii) authorizing representation by a labor organization, or (iii) authorizing dues or fee deductions to a labor organization.

(b) It shall be an unfair labor practice for a labor organization or its agents:

(1) to restrain or coerce public employees in the exercise of the rights guaranteed in this Act, provided, (i) that this paragraph shall not impair the right of a labor organization to prescribe its own rules with respect to the acquisition or retention of membership therein or the determination of fair share payments and (ii) that a labor organization or its agents shall commit an unfair labor practice under this paragraph in duty of fair representation cases only by intentional misconduct in representing employees under this Act;

(2) to restrain or coerce a public employer in the selection of his representatives for the purposes of collective bargaining or the settlement of grievances; or

(3) to cause, or attempt to cause, an employer to discriminate against an employee in violation of subsection (a)(2);

(4) to refuse to bargain collectively in good faith with a public employer, if it has been designated in accordance with the provisions of this Act as the exclusive representative of public employees in an appropriate unit;

(5) to violate any of the rules and regulations established by the boards with jurisdiction over them relating to the conduct of representation elections or the conduct affecting the representation elections;

(6) to discriminate against any employee because he has signed or filed an affidavit, petition or charge or provided any information or testimony under this Act;

(7) to picket or cause to be picketed, or threaten to picket or cause to be picketed, any public employer where an object thereof is forcing or requiring an employer to recognize or bargain with a labor organization of the representative of its employees, or forcing or requiring the employees of an employer to accept or select such labor organization as their collective bargaining representative, unless such labor organization is currently certified as the representative of such employees:

(A) where the employer has lawfully recognized in accordance with this Act any labor organization and a question concerning representation may not appropriately be raised under Section 9 of this Act;

(B) where within the preceding 12 months a valid election under Section 9 of this Act has been conducted; or

(C) where such picketing has been conducted without a petition under Section 9 being filed within a reasonable period of time not to exceed 30 days from the commencement of such picketing; provided that when such a petition has been filed the Board shall forthwith, without regard to the provisions of subsection (a) of Section 9 or the absence of a showing of a substantial interest on the part of the labor organization, direct an election in such unit as the Board finds to be appropriate and shall certify the results thereof; provided further, that nothing in this subparagraph shall be construed to prohibit any picketing or other publicity for the purpose of truthfully advising the public that an employer does not employ members of, or have a contract with, a labor organization unless an effect of such picketing is to induce any individual employed by any other person in the course of his employment, not to pick up, deliver, or transport any goods or not to perform any services; or

(8) to refuse to reduce a collective bargaining agreement to writing or to refuse to sign such agreement.

(c) The expressing of any views, argument, or opinion or the dissemination thereof, whether in written, printed, graphic, or visual form, shall not constitute or be evidence of an unfair labor practice under any of the provisions of this Act, if such expression contains no threat of reprisal or force or promise of benefit.

(d) The employer shall not discourage public employees or applicants to be public employees from becoming or remaining union members or authorizing dues deductions, and shall not otherwise interfere with the relationship between employees and their exclusive bargaining representative. The employer shall refer all inquiries about union membership to the exclusive bargaining representative, except that the employer may communicate with employees regarding payroll processes and procedures. The employer will establish email policies in an effort to prohibit the use of its email system by outside sources.

Section 15. The State Comptroller Act is amended by changing Section 20 as follows:
(15 ILCS 405/20) (from Ch. 15, par. 220)

Sec. 20. Annual report. The Comptroller shall annually, as soon as possible after the close of the fiscal year but no later than December 31, make out and present to the Governor, the President of the Senate, the Speaker of the House of Representatives, the Minority Leader of the Senate, and the Minority Leader of

[October 30, 2019]

the House of Representatives a report, showing the amount of warrants drawn on the treasury, on other funds held by the State Treasurer and on any public funds held by State agencies, during the preceding fiscal year, and stating, particularly, on what account they were drawn, and if drawn on the contingent fund, to whom and for what they were issued. He or she shall, also, at the same time, report to the Governor, the President of the Senate, the Speaker of the House of Representatives, the Minority Leader of the Senate, and the Minority Leader of the House of Representatives the amount of money received into the treasury, into other funds held by the State Treasurer and into any other funds held by State agencies during the preceding fiscal year, and stating particularly, the source from which the same may be derived, and also a general account of all the business of his office during the preceding fiscal year. The report shall also summarize for the previous fiscal year the information required under Section 19.

Within 60 days after the expiration of each calendar year, the Comptroller shall compile, from records maintained and available in his office, a list of all persons including those employed in the Office of the Comptroller, who have been employed by the State during the past calendar year and paid from funds in the hands of the State Treasurer.

The list shall be arranged according to counties and shall state in alphabetical order the name of each employee, the address in the county in which he votes, except as specified below, the position, and the total salary paid to him or her during the past calendar year, rounded to the nearest hundred dollar. For persons employed by the Department of Corrections, Department of Children and Family Services, Department of Juvenile Justice, Office of the State's Attorneys Appellate Prosecutor, and the Department of State Police, as well as their spouses, no address shall be listed. The list so compiled and arranged shall be kept on file in the office of the Comptroller and be open to inspection by the public at all times.

No person who utilizes the names obtained from this list for solicitation shall represent that such solicitation is authorized by any officer or agency of the State of Illinois. Violation of this provision is a Business Offense punishable by a fine not to exceed \$3,000.

Section 20. The Illinois Pension Code is amended by adding Section 1-167 as follows:
(40 ILCS 5/1-167 new)

Sec. 1-167. Prohibited disclosures. No pension fund or retirement system subject to this Code shall disclose the following information of any members or participants of any pension fund or retirement system: (1) the individual's home address (including ZIP code and county); (2) the individual's date of birth; (3) the individual's home and personal phone number; (4) the individual's personal email address; (5) personally identifying member or participant deduction information; or (6) any membership status in a labor organization or other voluntary association affiliated with a labor organization or labor federation (including whether employees are members of such organization, the identity of such organization, whether or not employees pay or authorize the payment of any dues or moneys to such organization, and the amounts of such dues or moneys).

This Section does not apply to disclosures (i) required under the Freedom of Information Act, (ii) for purposes of conducting public operations or business, or (iii) to a labor organization or an exclusive representative.

Section 25. The Illinois Fire Protection Training Act is amended by changing Section 8 as follows:
(50 ILCS 740/8) (from Ch. 85, par. 538)

Sec. 8. Rules and minimum standards for schools. The Office shall adopt rules and minimum standards for such schools which shall include but not be limited to the following:

a. Minimum courses of study, resources, facilities, apparatus, equipment, reference material, established records and procedures as determined by the Office.

b. Minimum requirements for instructors.

c. Minimum basic training requirements, which a trainee must satisfactorily complete before being eligible for permanent employment as a fire fighter in the fire department of a participating local governmental agency. Those requirements shall include training in first aid (including cardiopulmonary resuscitation), and training in the administration of opioid antagonists as defined in paragraph (1) of subsection (e) of Section 5-23 of the Substance Use Disorder Act, and training in the history of the fire service labor movement using curriculum and instructors provided by a statewide organization representing professional union firefighters in Illinois.

Section 30. The Illinois Educational Labor Relations Act is amended by changing Sections 3 and 14 and by adding Sections 11.1 and 11.2 as follows:

[October 30, 2019]

(115 ILCS 5/3) (from Ch. 48, par. 1703)

Sec. 3. Employee rights; exclusive representative rights.

(a) It shall be lawful for educational employees to organize, form, join, or assist in employee organizations or engage in lawful concerted activities for the purpose of collective bargaining or other mutual aid and protection or bargain collectively through representatives of their own free choice and, except as provided in Section 11, such employees shall also have the right to refrain from any or all such activities.

(b) Representatives selected by educational employees in a unit appropriate for collective bargaining purposes shall be the exclusive representative of all the employees in such unit to bargain on wages, hours, terms and conditions of employment. However, any individual employee or a group of employees may at any time present grievances to their employer and have them adjusted without the intervention of the bargaining representative as long as the adjustment is not inconsistent with the terms of a collective bargaining agreement then in effect, provided that the bargaining representative has been given an opportunity to be present at such adjustment.

(c) Employers shall provide to exclusive representatives, including their agents and employees, reasonable access to and information about employees in the bargaining units they represent. This access shall at all times be conducted in a manner so as not to impede normal operations.

(1) Access includes the following:

(A) the right to meet with one or more employees on the employer's premises during the work day to investigate and discuss grievances and workplace-related complaints without charge to pay or leave time of employees or agents of the exclusive representative;

(B) the right to conduct worksite meetings during lunch and other non-work breaks, and before and after the workday, on the employer's premises to discuss collective bargaining negotiations, the administration of collective bargaining agreements, other matters related to the duties of the exclusive representative, and internal matters involving the governance or business of the exclusive representative, without charge to pay or leave time of employees or agents of the exclusive representative;

(C) the right to meet with newly hired employees, without charge to pay or leave time of the employees or agents of the exclusive representative, on the employer's premises or at a location mutually agreed to by the employer and exclusive representative for up to one hour either within the first two weeks of employment in the bargaining unit or at a later date and time if mutually agreed upon by the employer and the exclusive representative; and

(D) the right to use the facility mailboxes and bulletin boards of the employer to communicate with bargaining unit employees regarding collective bargaining negotiations, the administration of the collective bargaining agreements, the investigation of grievances, other workplace-related complaints and issues, and internal matters involving the governance or business of the exclusive representative.

Nothing in this Section shall prohibit an employer and exclusive representative from agreeing in a collective bargaining agreement to provide the exclusive representative greater access to bargaining unit employees, including through the use of the employer's email system.

(2) Information about employees includes, but is not limited to, the following:

(A) within 10 calendar days from the beginning of every school term and every 30 calendar days thereafter in the school term, in an Excel file or other editable digital file format agreed to by the exclusive representative, the employee's name, job title, worksite location, home address, work telephone numbers, identification number if available, and any home and personal cellular telephone numbers on file with the employer, date of hire, work email address, and any personal email address on file with the employer; and

(B) unless otherwise mutually agreed upon, within 10 calendar days from the date of hire of a bargaining unit employee, in an electronic file or other format agreed to by the exclusive representative, the employee's name, job title, worksite location, home address, work telephone numbers, and any home and personal cellular telephone numbers on file with the employer, date of hire, work email address, and any personal email address on file with the employer.

(d) No employer shall disclose the following information of any employee: (1) the employee's home address (including ZIP code and county); (2) the employee's date of birth; (3) the employee's home and personal phone number; (4) the employee's personal email address; (5) any information personally identifying employee membership or membership status in a labor organization or other voluntary association affiliated with a labor organization or a labor federation (including whether employees are members of such organization, the identity of such organization, whether or not employees pay or authorize the payment of any dues of moneys to such organization, and the amounts of such dues or moneys); and (6) emails or other communications between a labor organization and its members.

As soon as practicable after receiving a request for any information prohibited from disclosure under this subsection (d), excluding a request from the exclusive bargaining representative of the employee, the

employer must provide a written copy of the request, or a written summary of any oral request, to the exclusive bargaining representative of the employee or, if no such representative exists, to the employee. The employer must also provide a copy of any response it has made within 5 business days of sending the response to any request.

If an employer discloses information in violation of this subsection (d), an aggrieved employee of the employer or his or her exclusive bargaining representative may file an unfair labor practice charge with the Illinois Educational Labor Relations Board pursuant to Section 14 of this Act or commence an action in the circuit court to enforce the provisions of this Act, including actions to compel compliance, if an employer willfully and wantonly discloses information in violation of this subsection. The circuit court for the county in which the complainant resides, in which the complainant is employed, or in which the employer is located shall have jurisdiction in this matter.

This subsection does not apply to disclosures (i) required under the Freedom of Information Act, (ii) for purposes of conducting public operations or business, or (iii) to the exclusive representative.

(Source: P.A. 83-1014.)

(115 ILCS 5/11.1 new)

Sec. 11.1. Dues collection.

(a) Employers shall make payroll deductions of employee organization dues, initiation fees, assessments, and other payments for an employee organization that is the exclusive representative. Such deductions shall be made in accordance with the terms of an employee's written authorization and shall be paid to the exclusive representative. Written authorization may be evidenced by electronic communications, and such writing or communication may be evidenced by the electronic signature of the employee as provided under Section 5-120 of the Electronic Commerce Security Act.

There is no impediment to an employee's right to resign union membership at any time. However, notwithstanding any other provision of law to the contrary regarding authorization and deduction of dues, the exclusive representative and an educational employee may agree to reasonable limits on the right of the employee to revoke such authorization, including a period of irrevocability that exceeds one year. An authorization that is irrevocable for one year, which may be automatically renewed for successive annual periods in accordance with the terms of the authorization, and that contains at least an annual 10-day period of time during which the educational employee may revoke the authorization, shall be deemed reasonable. This Section shall apply to all claims that allege that an educational employer or employee organization has improperly deducted or collected dues from an employee without regard to whether the claims or the facts upon which they are based occurred before, on, or after the effective date of this amendatory Act of the 101st General Assembly and shall apply retroactively to the maximum extent permitted by law.

(b) Upon receiving written notice of the authorization, the educational employer must commence dues deductions as soon as practicable, but in no case later than 30 days after receiving notice from the employee organization. Employee deductions shall be transmitted to the employee organization no later than 10 days after they are deducted unless a shorter period is mutually agreed to.

(c) Deductions shall remain in effect until:

(1) the educational employer receives notice that an educational employee has revoked his or her authorization in writing in accordance with the terms of the authorization; or

(2) the individual educational employee is no longer employed by the educational employer in a bargaining unit position represented by the same exclusive representative; provided that if such employee is, within a period of one year, employed by the same educational employer in a position represented by the same employee organization, the right to dues deduction shall be automatically reinstated.

Nothing in this subsection prevents an employee from continuing to authorize payroll deductions when no longer represented by the exclusive representative that would receive those deductions.

Should the individual educational employee who has signed a dues deduction authorization card either be removed from an educational employer's payroll or otherwise placed on any type of involuntary or voluntary leave of absence, whether paid or unpaid, the employee's dues deduction shall be continued upon that employee's return to the payroll in a bargaining unit position represented by the same exclusive representative or restoration to active duty from such a leave of absence.

(d) Unless otherwise mutually agreed by the educational employer and the exclusive representative, employee requests to authorize, revoke, cancel, or change authorizations for payroll deductions for employee organizations shall be directed to the employee organization rather than to the educational employer. The employee organization shall be responsible for initially processing and notifying the educational employer of proper requests or providing proper requests to the employer. If the requests are not provided to the educational employer, the employer shall rely on information provided by the employee organization regarding whether deductions for an employee organization were properly authorized, revoked, canceled, or changed, and the employee organization shall indemnify the educational employer

for any damages and reasonable costs incurred for any claims made by educational employees for deductions made in good faith reliance on that information.

(e) Upon receipt by the exclusive representative of an appropriate written authorization from an individual educational employee, written notice of authorization shall be provided to the educational employer and any authorized deductions shall be made in accordance with law. The employee organization shall indemnify the educational employer for any damages and reasonable costs incurred for any claims made by an educational employee for deductions made in good faith reliance on its notification.

(f) The failure of an educational employer to comply with the provisions of this Section shall be a violation of the duty to bargain and an unfair labor practice. Relief for the violation shall be reimbursement by the educational employer of dues that should have been deducted or paid based on a valid authorization given by the educational employee or employees. In addition, the provisions of a collective bargaining agreement that contain the obligations set forth in this Section may be enforced in accordance with Section 10.

(g) The Illinois Educational Labor Relations Board shall have exclusive jurisdiction over claims under Illinois law that allege an educational employer or employee organization has unlawfully deducted or collected dues from an educational employee in violation of this Act. The Board shall by rule require that in cases in which an educational employee alleges that an employee organization has unlawfully collected dues, the educational employer shall continue to deduct the employee's dues from the employee's pay, but shall transmit the dues to the Board for deposit in an escrow account maintained by the Board. If the exclusive representative maintains an escrow account for the purpose of holding dues to which an employee has objected, the employer shall transmit the entire amount of dues to the exclusive representative, and the exclusive representative shall hold in escrow the dues that the employer would otherwise have been required to transmit to the Board for escrow; provided that the escrow account maintained by the exclusive representative complies with rules adopted by the Board or that the collective bargaining agreement requiring the payment of the dues contains an indemnification provision for the purpose of indemnifying the employer with respect to the employer's transmission of dues to the exclusive representative.

(h) If a collective bargaining agreement that includes a dues deduction clause expires or continues in effect beyond its scheduled expiration date pending the negotiation of a successor agreement, then the employer shall continue to honor and abide by the dues deduction clause until a new agreement that includes a dues deduction clause is reached. Failure to honor and abide by the dues deduction clause for the benefit of any exclusive representative as set forth in this subsection (h) shall be a violation of the duty to bargain and an unfair labor practice. For the benefit of any successor exclusive representative certified under this Act, this provision shall be applicable, provided the successor exclusive representative presents the employer with employee written authorizations or certifications from the exclusive representative for the deduction of dues, assessments, and fees under this subsection (h).

(i)(1) If any clause, sentence, paragraph, or subdivision of this Section shall be adjudged by a court of competent jurisdiction to be unconstitutional or otherwise invalid, that judgment shall not affect, impair, or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, or subdivision of this Section directly involved in the controversy in which such judgment shall have been rendered.

(2) If any clause, sentence, paragraph, or part of a signed authorization for payroll deductions shall be adjudged by a court of competent jurisdiction to be unconstitutional or otherwise invalid, that judgment shall not affect, impair, or invalidate the remainder of the signed authorization, but shall be confined in its operation to the clause, sentence, paragraph, or part of the signed authorization directly involved in the controversy in which such judgment shall have been rendered.

(115 ILCS 5/11.2 new)

Sec. 11.2. Defense to liability.

(a) The General Assembly declares that educational employees who paid agency or fair share fees as a condition of employment in accordance with State laws and United States Supreme Court precedent prior to June 27, 2018 had no legitimate expectation of receiving that money back under any then available cause of action. Educational employers and employee organizations who relied on State law and United States Supreme Court precedent in deducting and accepting those fees were not liable to refund them. Agency or fair share fees were paid for collective bargaining representation that employee organizations were obligated by State law to provide to employees. Additionally, it should be presumed that educational employees who signed written membership or dues authorization agreements prior to this time knew and freely accepted the contractual obligations set forth in those agreements. Application of this Section to claims pending on the effective date of this amendatory Act of the 101st General Assembly will preserve, rather than interfere with, important reliance interests. This Section is therefore necessary to provide

[October 30, 2019]

certainty to educational employers and employee organizations that relied on State law and to avoid disruption of educational labor relations after the United States Supreme Court's decision in Janus v. AFSCME Council 31, 138 S. Ct. 2448 (2018).

(b) No educational employer or employee organization or any of its employees or agents shall be liable for, and shall have a complete defense to, any claims or actions under the laws of this State for requiring, deducting, receiving, or retaining dues, agency fees, or fair share fees from educational employees, and current or former educational employees shall not have standing to pursue these claims or actions, if the dues or fees were permitted under the laws of this State then in force and paid, through payroll deduction or otherwise, prior to June 27, 2018.

(c) This Section shall apply to claims and actions pending on the effective date of this amendatory Act of the 101st General Assembly, as well to claims and actions on or after that date.

(d) This Section is a declaration of existing law and shall not be construed as a new enactment.

(115 ILCS 5/14) (from Ch. 48, par. 1714)

Sec. 14. Unfair labor practices.

(a) Educational employers, their agents or representatives are prohibited from:

(1) Interfering, restraining or coercing employees in the exercise of the rights guaranteed under this Act.

(2) Dominating or interfering with the formation, existence or administration of any employee organization.

(3) Discriminating in regard to hire or tenure of employment or any term or condition of employment to encourage or discourage membership in any employee organization.

(4) Discharging or otherwise discriminating against an employee because he or she has signed or filed an affidavit, authorization card, petition or complaint or given any information or testimony under this Act.

(5) Refusing to bargain collectively in good faith with an employee representative which is the exclusive representative of employees in an appropriate unit, including but not limited to the discussing of grievances with the exclusive representative; provided, however, that if an alleged unfair labor practice involves interpretation or application of the terms of a collective bargaining agreement and said agreement contains a grievance and arbitration procedure, the Board may defer the resolution of such dispute to the grievance and arbitration procedure contained in said agreement.

(6) Refusing to reduce a collective bargaining agreement to writing and signing such agreement.

(7) Violating any of the rules and regulations promulgated by the Board regulating the conduct of representation elections.

(8) Refusing to comply with the provisions of a binding arbitration award.

(9) Expending or causing the expenditure of public funds to any external agent, individual, firm, agency, partnership or association in any attempt to influence the outcome of representational elections held pursuant to paragraph (c) of Section 7 of this Act; provided, that nothing in this subsection shall be construed to limit an employer's right to be represented on any matter pertaining to unit determinations, unfair labor practice charges or pre-election conferences in any formal or informal proceeding before the Board, or to seek or obtain advice from legal counsel. Nothing in this paragraph shall be construed to prohibit an employer from expending or causing the expenditure of public funds on, or seeking or obtaining services or advice from, any organization, group or association established by, and including educational or public employers, whether or not covered by this Act, the Illinois Public Labor Relations Act or the public employment labor relations law of any other state or the federal government, provided that such services or advice are generally available to the membership of the organization, group, or association, and are not offered solely in an attempt to influence the outcome of a particular representational election.

(10) Interfering with, restraining, coercing, deterring or discouraging educational employees or applicants to be educational employees from: (1) becoming members of an employee organization; (2) authorizing representation by an employee organization; or (3) authorizing dues or fee deductions to an employee organization, nor shall the employer intentionally permit outside third parties to use its email or other communications systems to engage in that conduct. An employer's good faith implementation of a policy to block the use of its email or other communication systems for such purposes shall be defense to an unfair labor practice.

(11) Disclosing to any person or entity information set forth in subsection (d) Section 3 of this Act that the employer knows or should know will be used to interfere with, restrain, coerce, deter, or discourage any public employee from: (i) becoming or remaining members of a labor organization, (ii) authorizing representation by a labor organization, or (iii) authorizing dues or fee deductions to a labor organization.

[October 30, 2019]

(b) Employee organizations, their agents or representatives or educational employees are prohibited from:

(1) Restraining or coercing employees in the exercise of the rights guaranteed under this Act, provided that a labor organization or its agents shall commit an unfair labor practice under this paragraph in duty of fair representation cases only by intentional misconduct in representing employees under this Act.

(2) Restraining or coercing an educational employer in the selection of his representative for the purposes of collective bargaining or the adjustment of grievances.

(3) Refusing to bargain collectively in good faith with an educational employer, if they have been designated in accordance with the provisions of this Act as the exclusive representative of employees in an appropriate unit.

(4) Violating any of the rules and regulations promulgated by the Board regulating the conduct of representation elections.

(5) Refusing to reduce a collective bargaining agreement to writing and signing such agreement.

(6) Refusing to comply with the provisions of a binding arbitration award.

(c) The expressing of any views, argument, opinion or the dissemination thereof, whether in written, printed, graphic or visual form, shall not constitute or be evidence of an unfair labor practice under any of the provisions of this Act, if such expression contains no threat of reprisal or force or promise of benefit.

(c-5) The employer shall not discourage public employees or applicants to be public employees from becoming or remaining union members or authorizing dues deductions, and shall not otherwise interfere with the relationship between employees and their exclusive bargaining representative. The employer shall refer all inquiries about union membership to the exclusive bargaining representative, except that the employer may communicate with employees regarding payroll processes and procedures. The employer will establish email policies in an effort to prohibit the use of its email system by outside sources.

(d) The actions of a Financial Oversight Panel created pursuant to Section 1A-8 of the School Code due to a district violating a financial plan shall not constitute or be evidence of an unfair labor practice under any of the provisions of this Act. Such actions include, but are not limited to, reviewing, approving, or rejecting a school district budget or a collective bargaining agreement.

AMENDMENT NO. 1 TO SENATE BILL 460

AMENDMENT NO. 1. Amend Senate Bill 460 by replacing everything after the enacting clause with the following:

"Section 5. The School Code is amended by changing Section 14-8.02f and by renumbering and changing 14-8.02g as added by Public Act 101-515 as follows:

(105 ILCS 5/14-8.02f)

Sec. 14-8.02f. Individualized education program meeting protections.

(a) (Blank).

(b) This subsection (b) applies only to a school district organized under Article 34. No later than 10 calendar days prior to a child's individualized education program meeting or as soon as possible if a meeting is scheduled within 10 calendar days with written parental consent, the school board or school personnel must provide the child's parent or guardian with a written notification of the services that require a specific data collection procedure from the school district for services related to the child's individualized education program. The notification must indicate, with a checkbox, whether specific data has been collected for the child's individualized education program services. For purposes of this subsection (b), individualized education program services must include, but are not limited to, paraprofessional support, an extended school year, transportation, therapeutic day school, and services for specific learning disabilities.

(c) Beginning on July 1, 2020, no ~~No~~ later than 3 school days prior to a child's individualized education program eligibility meeting or meeting to review a child's individualized education program, or as soon as possible if an individualized education program meeting is scheduled within 3 school days with the written consent of the child's parent or guardian, the local education agency must provide the child's parent or guardian with copies of all written material that will be considered by the individualized education program team at the meeting so that the parent or guardian may participate in the meeting as a fully-informed team member. The written material must include, but is not limited to, all evaluations and collected data that will be considered at the meeting and, for a child who already has an individualized education program, a copy of all individualized education program components that will be discussed by the individualized education program team, other than the components related to the educational and related service minutes proposed for the child and the child's educational placement.

(d) Local education agencies must make related service logs that record the type of related services administered under the child's individualized education program and the minutes of each type of related service that has been administered available to the child's parent or guardian at the annual review of the child's individualized education program and must also provide a copy of the related service logs at any time upon request of the child's parent or guardian. The local education agency must inform the child's parent or guardian within 20 school days from the beginning of the school year or upon establishment of an individualized education program of his or her ability to request those related service logs. If a child's individualized education program team determines that certain services are required in order for the child to receive a free, appropriate public education and those services are not administered within 10 school

[October 30, 2019]

days after a date or frequency set forth by the child's individualized education program, then the local education agency shall provide the child's parent or guardian with written notification that those services have not yet been administered to the child. The notification must be provided to the child's parent or guardian within 3 school days of the local education agency's non-compliance with the child's individualized education program and must include information on the parent's or guardian's ability to request compensatory services. In this subsection (d), "school days" does not include days where a child is absent from school for reasons unrelated to a lack of individualized education program services.

(e) The State Board of Education may create a telephone hotline to address complaints regarding the special education services or lack of special education services of a school district subject to this Section. If a hotline is created, it must be available to all students enrolled in the school district, parents or guardians of those students, and school personnel. If a hotline is created, any complaints received through the hotline must be registered and recorded with the State Board's monitor of special education policies. No student, parent or guardian, or member of school personnel may be retaliated against for submitting a complaint through a telephone hotline created by the State Board under this subsection (e).

(f) A school district subject to this Section may not use any measure that would prevent or delay an individualized education program team from adding a service to the program or create a time restriction in which a service is prohibited from being added to the program. The school district may not build functions into its computer software that would remove any services from a student's individualized education program without the approval of the program team and may not prohibit the program team from adding a service to the program.

The parent or guardian of a student must be involved in the data sharing and decision-making processes of support under this Section. The State Board of Education may provide guidance to a school district and identify available resources related to facilitating parental or guardian participation in the response to scientific, research-based intervention or multi-tiered systems of support process.

(d) Nothing in this Section affects the responsibility of a school district to identify, locate, and evaluate children with disabilities who are in need of special education services in accordance with the federal Individuals with Disabilities Education Improvement Act of 2004, this Code, or any applicable federal or State rules.

WHEREAS, Toi W. Hutchinson began her career in the Illinois Senate in 2009 and has proudly and admirably represented the families of Cook, Grundy, Kankakee, and Will Counties, an area often cited as a microcosm of Illinois as a whole due to its racial, geographic, and economic diversity; and

WHEREAS, Born in Tennessee, Senator Hutchinson and her family moved to Chicago's south suburbs, where, as a child, she attended Infant Jesus of Prague School in Flossmoor and Rich Central High School in Olympia Fields; and

WHEREAS, Senator Hutchinson earned a bachelor's degree in English from the University of Illinois at Urbana-Champaign and a law degree from Northern Illinois University College of Law; she graduated from the Harvard Kennedy School of Government Executive Management Program and is a 2012 Edgar Fellow of the Illinois Institute of Government and Public Affairs; and

[October 30, 2019]

WHEREAS, Senator Hutchinson entered public service in 2002, when she began two terms as Village Clerk of Olympia Fields; she was appointed to the Illinois State Senate in January of 2009; and

WHEREAS, As Chair of the Senate Revenue Committee, Senator Hutchinson often found herself at the center of some of the most pressing fiscal and economic issues facing Illinois; and

WHEREAS, In her role as Chair, Senator Hutchinson led in the passage of a difficult but necessary income tax increase that stabilized Illinois' finances after years of devastating budget woes, passed legislation increasing the Earned Income Tax Credit (EITC) and the standard tax exemption, allowing working families to keep more of their hard-earned money, and worked to close corporate tax loopholes to ensure large corporations paid their fair share in taxes; and

WHEREAS, During her time in the Senate, Senator Hutchinson passed numerous new laws aimed at protecting women, children, seniors, and Illinoisans with disabilities, including leading the effort to safeguard pregnant women in the workplace from discrimination; and

WHEREAS, Senator Hutchinson teamed with former Attorney General Lisa Madigan to make Illinois the first state that mandates all rape kits be tested within ten days and worked on numerous measures ensuring victims of sex trafficking and stalking have the resources they need to recover and return to society; and

WHEREAS, Senator Hutchinson led a crackdown on the culture of sexual harassment in state government, passing legislation to require members of the General Assembly, as well as legislative staff and lobbyists, to participate in sexual harassment awareness training; and

WHEREAS, Senator Hutchinson recognized the importance of transportation development for the communities she served and passed a law creating the Southeast Commuter Rail Transit District, which will eventually construct a new Metra line connecting eleven South Suburban communities with downtown Chicago, as well as creating the first public-private financing agreement in Illinois; and

WHEREAS, As a proud mother of public school students concerned about the increasing number of students, especially African American boys, who receive severe disciplinary action that keeps them out of the classroom, Senator Hutchinson passed a law to study the problem and work with school districts to reduce expulsions and suspensions; and

WHEREAS, One of Senator Hutchinson's hardest and most high-profile successes while in the Senate was working with her colleagues on the passage of cannabis legalization legislation that prioritizes social equity, which complemented Senator Hutchinson's legislation allowing a legal cannabis business to use the banking system in Illinois and the creation of the Industrial Hemp Act, allowing farmers in Illinois to cultivate and process industrial hemp; and

WHEREAS, A fierce proponent of a tax system that allows working families to thrive, Senator Hutchinson passed legislation to create a graduated rate structure for Illinois' income tax system, with lower-income families paying less while wealthier individuals would pay more; specifically, Illinoisans making less than \$250,000 per year, which represents 97 percent of taxpayers, would pay the same or less in income taxes; and

WHEREAS, Senator Hutchinson passed legislation increasing stability and funding for Illinois families who rely on the Child Care Assistance Program (CCAP) by extending the redetermination period for eligibility from six months to 12 months and passed legislation protecting CCAP recipients by removing the executive branch's ability to unilaterally reduce eligibility through stringent requirements; and

WHEREAS, Senator Hutchinson recently ended her one-year leadership of the National Conference of State Legislatures (NCSL), a bipartisan non-governmental organization that serves thousands of state lawmakers and staffers, during which Hutchinson traveled across the globe, connected with leaders from all walks of life, and shared with them the information and resources to better serve the common good; and

[October 30, 2019]

WHEREAS, Throughout her tenure in the Illinois Senate, Senator Hutchinson's leadership and dedication earned her a number of accolades; in 2011, she received the Governors State University Annuitants Association Award "in appreciation of her leadership and advocacy on behalf of her constituents"; in 2013, she earned the Moxie Award from the Illinois Coalition Against Sexual Assault; in 2014, she earned the Champion Award from the Chicago Alliance Against Sexual Assault; in 2016, she received the Legislative Champion Award from the Illinois State Alliance of YMCAs, and in 2018, she received one of Governing Magazine's Public Officials of the Year Awards; and

WHEREAS, Upon her retirement from the Illinois General Assembly, Senator Hutchinson will continue to advance the values of justice and equity as the Cannabis Regulation Oversight Officer for the State of Illinois; and

WHEREAS, Senator Hutchinson's most cherished role is being a wife to her husband Paul and a mother to her three children, Paul Jr., Camryn, and Ryan; therefore, be it

RESOLVED, BY THE SENATE OF THE ONE HUNDRED FIRST GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we thank State Senator Toi Hutchinson for her service to the people of Illinois and honor her with this resolution; and be it further
