WHEREAS, The number of Illinois women joining the military during the war was 13,587; counting those who already were in the military and those whose National Guard units were activated, Illinois supplied the U.S. Armed Forces with nearly one million of its citizens during the course of the war; and

WHEREAS, From December 7, 1941 through September 2, 1945, 17,521 Illinois servicemen and women were killed in combat or later died of wounds or injuries sustained in battle; and

WHEREAS, Illinois was the home to several prisoner of war camps, including one a few miles outside of Peoria in Washington that operated from 1944 to 1945; the camp started with 50 German prisoners who helped make K-rations for the troops and expanded to over 200 prisoners of war; and

WHEREAS, In Peoria, production of earth-moving equipment made by Caterpillar had already accelerated in pace due to the federal Lend-Lease program, supplying goods and war materials to Allied countries; Caterpillar tractors were already being used by the Allies in the early stages of World War II, and once the United States entered the war, production escalated; bulldozers were vital to the war effort as they allowed the creation of air fields and the cleanup of debris after battle; and

WHEREAS, It is important to thank and honor veterans of World War II, including personnel who were held as prisoners of war or listed as missing in action, for their service and sacrifice on behalf of the United States and to thank and honor the families of these veterans; and
