Section 10. The Illinois Municipal Code is amended by changing Sections 8-3-1, 8-4-1, and 8-4-25 as follows:

(65 ILCS 5/8-3-1) (from Ch. 24, par. 8-3-1)

Sec. 8-3-1. The corporate authorities may levy and collect taxes for corporate purposes. They shall do this in the following manner:

On or before the last Tuesday in December in each year, the corporate authorities shall ascertain the total amount of appropriations legally made or budgeted for and any amount deemed necessary to defray additional expenses and liabilities for all corporate purposes to be provided for by the tax levy of that year. Then, by an ordinance specifying in detail in the manner authorized for the annual appropriation ordinance or budget of the municipality, the purposes for which the appropriations, budgeting or such additional amounts deemed necessary have been made and the amount assignable for each purpose respectively, the corporate authorities shall levy upon all property subject to taxation within the municipality as that property is assessed and equalized for state and county purposes for the current year.

A certified copy of this ordinance shall be filed with the county clerk of the proper county. He shall ascertain the rate per cent which, upon the value of all property subject to taxation within the municipality, as that property is assessed or equalized by the Department of Revenue, will produce a net amount of not less than the total amount so directed to be levied. The county clerk shall extend this tax in a separate column upon the books of the collector of state and county taxes within the municipality.

However, in ascertaining the rate per cent in municipalities having a population of 500,000 or more, the county clerk shall not add to the amount of the tax so levied for any purpose any amount to cover the loss and cost of collecting the tax, except in the case of amounts levied for the payment of bonded indebtedness, or interest thereon, and in the case of amounts levied for the purposes of pension funds.

Where the corporate limits of a municipality lie partly in 2 or more counties, the corporate authorities shall ascertain the total amount of all taxable property lying within the corporate limits of that municipality in each county, as the property is assessed or equalized by the Department of Revenue for the current year, and shall certify the amount of taxable property in each county within that municipality under the seal of the municipality, to the county clerk of the county where the seat of government of the municipality is situated. That county clerk shall ascertain the rate per cent which, upon the total valuation of all property subject to taxation within that municipality, ascertained as provided in this Section, will produce a net amount not less than the total amount directed to be levied. As soon as that rate per cent is ascertained, that clerk shall certify the rate per cent under his signature and seal of office to the county clerk of each other county wherein a portion of that municipality is situated. A county clerk to whom a rate per cent is certified shall extend the tax in a separate column upon the books of the collector of state and county taxes for his county against all property in his county within the limits of that municipality.

But in municipalities with 500,000 or more inhabitants, the aggregate amount of taxes so levied exclusive of the amount levied for the payment of bonded indebtedness, or interest thereon, and exclusive of taxes levied for the payment of judgments, for which a special tax is authorized by law, and exclusive of the amounts levied for the purposes of pension funds, working cash fund, public library, ~~municipal tuberculosis sanitarium~~, the propagation and preservation of community trees, and exclusive of taxes levied pursuant to Section 19 of the Illinois Emergency Services and Disaster Agency Act of 1975 and for the general assistance for needy persons lawfully resident therein, shall not exceed the estimated amount of taxes to be levied for each year for the purposes specified in Sections 8-2-2 through 8-2-5 and set forth in its annual appropriation ordinance and in any supplemental appropriation ordinance authorized by law for that year.

In municipalities with less than 500,000 inhabitants, the aggregate amount of taxes so levied for any one year, exclusive of the amount levied for the payment of bonded indebtedness, or interest thereon, and exclusive of taxes levied pursuant to Section 13 of the Illinois Civil Defense Act of 1951 and exclusive of taxes authorized by this Code or other Acts which by their terms provide that those taxes shall be in addition to taxes for general purposes authorized under this Section, shall not exceed the rate of .25%, or the rate limit in effect on July 1, 1967, whichever is greater, and on a permanent basis, upon the aggregate valuation

of all property within the municipality subject to taxation therein, as the property is equalized or assessed by the Department of Revenue for the current year. However, if the maximum rate of such municipality for general corporate purposes is less than .20% on July 1, 1967, the corporate authorities may, without referendum, increase such maximum rate not to exceed .25%; but such maximum rate shall not be raised by more than 1/2 of such increase in any one year.

However, if the corporate authorities of a municipality with less than 500,000 inhabitants desire to levy in any one year more than .25%, or the rate limit in effect on July 1, 1967, whichever is greater, and on a permanent basis, but not more than .4375% for general corporate purposes, exclusive of the amount levied for the payment of bonded indebtedness, or interest thereon, and exclusive of taxes authorized by this Code or other Acts which by their terms provide that those taxes shall be in addition to taxes for general purposes authorized under this Section the corporate authorities, by ordinance, stating the per cent so desired, may order a proposition for the additional amount to be submitted to the electors of that municipality at any election. The clerk shall certify the proposition to the proper election authority who shall submit the question to the electors at such election. If a majority of the votes cast on the proposition are in favor of the proposition, the corporate authorities of that municipality may levy annually for general corporate purposes, exclusive of the amount levied for the payment of bonded indebtedness, or interest thereon, and exclusive of taxes authorized by this Code or other Acts which by their terms provide that those taxes are in addition to taxes for general purposes authorized under this Section a tax in excess of .25%, or the rate in effect on July 1, 1967, whichever is greater, and on a permanent basis, but not exceeding the per cent mentioned in the proposition.

Any municipality voting after August 1, 1969, to increase its rate limitation for general corporate purposes under this Section shall establish such increased rate limitation on an ongoing basis unless otherwise changed by referendum.

In municipalities that are not home rule units, any funds on hand at the end of the fiscal year, which funds are not pledged for or allocated to a particular purpose, may by action of the corporate authorities be transferred to the capital improvement fund and accumulated therein, but the total amount accumulated in such fund may not exceed 3% of the aggregate assessed valuation of all taxable property in the municipality. (65 ILCS 5/8-4-1) (from Ch. 24, par. 8-4-1)

Sec. 8-4-1. No bonds shall be issued by the corporate authorities of any municipality until the question of authorizing such bonds has been submitted to the electors of that municipality provided that notice of the bond referendum, if held before July 1, 1999, has been given in accordance with the provisions of Section 12-5 of the Election Code in effect at the time of the bond referendum, at least 10 and not more than 45 days before the date of the election, notwithstanding the time for publication otherwise imposed by Section 12-5, and approved by a majority of the electors voting upon that question. Notices required in connection with the submission of public questions on or after July 1, 1999 shall be as set forth in Section 12-5 of the Election Code. The clerk shall certify the proposition of the corporate authorities to the proper election authority who shall submit the question at an election in accordance with the general election law, subject to the notice provisions set forth in this Section.

Notice of any such election shall contain the amount of the bond issue, purpose for which issued, and maximum rate of interest.

In addition to all other authority to issue bonds, the Village of Indian Head Park is authorized to issue bonds for the purpose of paying the costs of making roadway improvements in an amount not to exceed the aggregate principal amount of \$2,500,000, provided that 60% of the votes cast at the general primary election held on March 18, 2014 are cast in favor of the issuance of the bonds, and the bonds are issued by December 31, 2014.

(65 ILCS 5/8-4-25) (from Ch. 24, par. 8-4-25)

Sec. 8-4-25. Subject to the requirements of the Bond Issue Notification Act, any municipality is authorized to issue from time to time full faith and credit general obligation notes in an amount not to exceed 85% of the specific taxes levied for the year during which and for which such notes are issued, provided no notes shall be issued in lieu of tax warrants for any tax at any time there are outstanding tax anticipation warrants against the specific taxes levied for the year. Such notes shall bear interest at a rate not to exceed the maximum rate authorized by the Bond Authorization Act, as amended at the time of the making of the contract, if issued before January 1, 1972 and not more than the maximum rate authorized by the Bond Authorization Act, as amended at the time of the making of the contract, if issued after January 1, 1972 and shall mature within two years from date. The first interest payment date on any such notes shall not be earlier than the delinquency date of the first installment of taxes levied to pay interest and principal of such notes. Notes may be issued for taxes levied for the following purposes:

- (a) Corporate.
- (b) For the payment of judgments.
- (c) Public Library for Maintenance and Operation.
- (d) Public Library for Buildings and Sites.
- (e) ~~Blank. Municipal Tuberculosis Sanitarium.~~
- (f) Relief (General Assistance).

In order to authorize and issue such notes, the corporate authorities shall adopt an ordinance fixing the amount of the notes, the date thereof, the maturity, rate of interest, place of payment and denomination, which shall be in equal multiples of \$1,000, and provide for the levy and collection of a direct annual tax

upon all the taxable property in the municipality sufficient to pay the principal of and interest on such notes as the same becomes due.

A certified copy of the ordinance authorizing the issuance of the notes shall be filed in the office of the County Clerk of the county in which the municipality is located, or if the municipality lies partly within two or more counties, a certified copy of the ordinance authorizing such notes shall be filed with the County Clerk of each of the respective counties, and it shall be the duty of the County Clerk, or County Clerks, whichever the case may be, to extend the tax therefor in addition to and in excess of all other taxes heretofore or hereafter authorized to be levied by such municipality.

From and after any such notes have been issued and while such notes are outstanding, it shall be the duty of the County Clerk or County Clerks, whichever the case may be, in computing the tax rate for the purpose for which the notes have been issued to reduce the tax rate levied for such purpose by the amount levied to pay the principal of and interest on the notes to maturity, provided the tax rate shall not be reduced beyond the amount necessary to reimburse any money borrowed from the working cash fund, and it shall be the duty of the Clerk of the municipality annually, not less than thirty (30) days prior to the tax extension date, to certify to the County Clerk, or County Clerks, whichever the case may be, the amount of money borrowed from the working cash fund to be reimbursed from the specific tax levy.

No reimbursement shall be made to the working cash fund until there has been accumulated from the tax levy provided for the notes an amount sufficient to pay the principal of and interest on such notes as the same become due.

With respect to instruments for the payment of money issued under this Section either before, on, or after the effective date of this amendatory Act of 1989, it is and always has been the intention of the General Assembly (i) that the Omnibus Bond Acts are and always have been supplementary grants of power to issue instruments in accordance with the Omnibus Bond Acts, regardless of any provision of this Act that may appear to be or to have been more restrictive than those Acts, (ii) that the provisions of this Section are not a limitation on the supplementary authority granted by the Omnibus Bond Acts, and (iii) that instruments issued under this Section within the supplementary authority granted by the Omnibus Bond Acts are not invalid because of any provision of this Act that may appear to be or to have been more restrictive than those Acts.

Upon the filing of such petition in the office of the clerk of the court of the county in which such territory is situated, it shall be the duty of such court to fix a day and hour for the public consideration thereof, which shall not be less than 15 days after the filing of such petition. In addition to the requirements of the general election law, the notice of the referendum shall contain a definite description of the territory intended to be embraced in such district, and the name of such district.

(305 ILCS 5/5-5.2) (from Ch. 23, par. 5-5.2)

Sec. 5-5.2. Payment.

(a) All nursing facilities that are grouped pursuant to Section 5-5.1 of this Act shall receive the same rate of payment for similar services.

(b) It shall be a matter of State policy that the Illinois Department shall utilize a uniform billing cycle throughout the State for the long-term care providers.

(c) Notwithstanding any other provisions of this Code, the methodologies for reimbursement of nursing services as provided under this Article shall no longer be applicable for bills payable for nursing services rendered on or after a new reimbursement system based on the Resource Utilization Groups (RUGs) has been fully operationalized, which shall take effect for services provided on or after January 1, 2014.

(d) The new nursing services reimbursement methodology utilizing RUG-IV 48 grouper model, which shall be referred to as the RUGs reimbursement system, taking effect January 1, 2014, shall be based on the following:

(1) The methodology shall be resident-driven, facility-specific, and cost-based.

(2) Costs shall be annually rebased and case mix index quarterly updated. The nursing services methodology will be assigned to the Medicaid enrolled residents on record as of 30 days prior to the beginning of the rate period in the Department's Medicaid Management Information System (MMIS) as present on the last day of the second quarter preceding the rate period based upon the Assessment Reference Date of the Minimum Data Set (MDS).

(3) Regional wage adjustors based on the Health Service Areas (HSA) groupings and adjusters in effect on April 30, 2012 shall be included, except no adjuster shall be lower than 1.0.

(C) Thirteen million is added to the product of subparagraph (A) and subparagraph (B) to adjust for the exclusion of nursing homes defined in paragraph (5).

(2) For each nursing home with Medicaid residents as indicated by the MDS data defined in paragraph (4), weighted days adjusted for case mix and regional wage adjustment shall be calculated. For each home this calculation is the product of:

(A) Base year resident days as calculated in subparagraph (A) of paragraph (1).

(B) The nursing home's regional wage adjustor based on the Health Service Areas (HSA) groupings and adjustors in effect on April 30, 2012.

(D) The sum of the products calculated for each nursing home in subparagraphs (A) through (C) above shall be the base year case mix, rate adjusted weighted days.

(3) The Statewide RUG-IV nursing base per diem rate:

The data from these facilities shall not be used in the computations described in paragraphs (1) through (4) above to establish the base rate.

(e) Beginning July 1, 2014, the Department shall allocate funding in the amount up to \$10,000,000 for per diem add-ons to the RUGS methodology for dates of service on and after July 1, 2014:

(1) \$0.63 for each resident who scores in I4200 Alzheimer's Disease or I4800 non-Alzheimer's Dementia.

(2) \$2.67 for each resident who scores either a "1" or "2" in any items S1200A through S1200I and also scores in RUG groups PA1, PA2, BA1, or BA2.

(e-1) (Blank).

(e-2) For dates of services beginning January 1, 2014, the RUG-IV nursing component per diem for a nursing home shall be the product of the statewide RUG-IV nursing base per diem rate, the facility average case mix index, and the regional wage adjustor. Transition rates for services provided between January 1, 2014 and December 31, 2014 shall be as follows:

(A) The nursing component rate in effect July 1, 2012; plus

(B) The difference of the RUG-IV nursing component per diem calculated for the current quarter minus the nursing component rate in effect July 1, 2012 multiplied by 0.13.

(f) Notwithstanding any other provision of this Code, on and after July 1, 2012, reimbursement rates associated with the nursing or support components of the current nursing facility rate methodology shall not increase beyond the level effective May 1, 2011 until a new reimbursement system based on the RUGs IV 48 grouper model has been fully operationalized.

(g) Notwithstanding any other provision of this Code, on and after July 1, 2012, for facilities not designated by the Department of Healthcare and Family Services as "Institutions for Mental Disease", rates effective May 1, 2011 shall be adjusted as follows:

(i) to establish a per diem add-on to the direct care per diem rate not to exceed \$70,000,000 annually in the aggregate taking into account federal matching funds for the purpose of addressing the facility's unique staffing needs, adjusted quarterly and distributed by a weighted formula based on Medicaid bed days on the last day of the second quarter preceding the quarter for which the rate is being adjusted; and (ii) in an amount not to exceed \$170,000,000 annually in the aggregate taking into account federal matching funds to permit the support component of the nursing facility rate to be updated as follows:

(1) 80%, or \$136,000,000, of the funds shall be used to update each facility's rate in effect on June 30, 2019 using the most recent cost reports on file, which have had a limited review conducted by the Department of Healthcare and Family Services and will not hold up enacting the rate increase, with the Department of Healthcare and Family Services and taking into account subsection (i).

(2) After completing the calculation in paragraph (1), any facility whose rate is less than the rate in effect on June 30, 2019 shall have its rate restored to the rate in effect on June 30, 2019 from the 20% of the funds set aside.

A facility that fails to meet the benchmarks and dates contained in the plan may have its add-on adjusted in the quarter following the quarterly review. Nothing in this Section shall limit the ability of the facility to appeal a ruling of non-compliance and a subsequent reduction to the add-on. Funds adjusted for noncompliance shall be maintained in the Long-Term Care Provider Fund and accounted for separately. At the end of each fiscal year, these funds shall be made available to facilities for special staffing projects.

In order to provide for the expeditious and timely implementation of the provisions of Public Act 101-10 ~~this amendatory Act of the 101st General Assembly~~, emergency rules to implement any provision of Public Act 101-10 ~~this amendatory Act of the 101st General Assembly~~ may be adopted in accordance with this subsection by the agency charged with administering that provision or initiative. The agency shall simultaneously file emergency rules and permanent rules to ensure that there is no interruption in administrative guidance. The 150-day limitation of the effective period of emergency rules does not apply to rules adopted under this subsection, and the effective period may continue through June 30, 2021. The

24-month limitation on the adoption of emergency rules does not apply to rules adopted under this subsection. The adoption of emergency rules authorized by this subsection is deemed to be necessary for the public interest, safety, and welfare.

Implementation of Medicare's Patient-Driven Payment Model shall, by September 1, 2020, end the collection of the MDS data that is necessary to maintain the current RUG-IV Medicaid payment methodology. The technical advisory group must consider a revised reimbursement methodology that takes into account transparency, accountability, actual staffing as reported under the federally required Payroll Based Journal system, changes to the minimum wage, adequacy in coverage of the cost of care, and a quality component that rewards quality improvements.
