An unregistered license is invalid after September 1 for employment and performance of services in an Illinois public or State-operated school or cooperative and in a charter school. Any license or endorsement may be voluntarily surrendered by the license holder. A voluntarily surrendered license shall be treated as a revoked license. An Educator License with Stipulations with only a paraprofessional endorsement does not lapse.

(c) From July 1, 2013 through June 30, 2014, in order to satisfy the requirements for licensure renewal provided for in this Section, each professional educator licensee with an administrative endorsement who is working in a position requiring such endorsement shall complete one Illinois Administrators' Academy course, as described in Article 2 of this Code, per fiscal year.

(c-5) All licenses issued by the State Board of Education under this Article that expire on June 30, 2020 and have not been renewed by the end of the 2020 renewal period shall be extended for one year and shall expire on June 30, 2021.

(d) Beginning July 1, 2014, in order to satisfy the requirements for licensure renewal provided for in this Section, each professional educator licensee may create a professional development plan each year. The plan shall address one or more of the endorsements that are required of his or her educator position if the licensee is employed and performing services in an Illinois public or State-operated school or cooperative. If the licensee is employed in a charter school, the plan shall address that endorsement or those endorsements most closely related to his or her educator position. Licensees employed and performing services in any other Illinois schools may participate in the renewal requirements by adhering to the same process.

Except as otherwise provided in this Section, the licensee's professional development activities shall align with one or more of the following criteria:

- (1) activities are of a type that engage participants over a sustained period of time allowing for analysis, discovery, and application as they relate to student learning, social or emotional achievement, or well-being;
- (2) professional development aligns to the licensee's performance;
- (3) outcomes for the activities must relate to student growth or district improvement;

The following provisions shall apply concerning professional development activities:

(1) Each licensee shall complete a total of 120 hours of professional development per 5-year renewal cycle in order to renew the license, except as otherwise provided in this Section.

(2) Beginning with his or her first full 5-year cycle, any licensee with an administrative endorsement who is not working in a position requiring such endorsement is not required to complete Illinois Administrators' Academy courses, as described in Article 2 of this Code. Such licensees must complete one Illinois Administrators' Academy course within one year after returning to a position that requires the administrative endorsement.

(3) Any licensee with an administrative endorsement who is working in a position requiring such endorsement or an individual with a Teacher Leader endorsement serving in an administrative capacity at least 50% of the day shall complete one Illinois Administrators' Academy course, as described in Article 2 of this Code, each fiscal year in addition to 100 hours of professional development per 5-year renewal cycle in accordance with this Code.

(4) Any licensee holding a current National Board for Professional Teaching Standards (NBPTS) master teacher designation shall complete a total of 60 hours of professional development per 5-year renewal cycle in order to renew the license.

(5) Licensees working in a position that does not require educator licensure or working in a position for less than 50% for any particular year are considered to be exempt and shall be required to pay only the registration fee in order to renew and maintain the validity of the license.

(6) Licensees who are retired and qualify for benefits from a State of Illinois retirement system shall notify the State Board of Education using ELIS, and the license shall be maintained in retired status. For any renewal cycle in which a licensee retires during the renewal cycle, the licensee must complete professional development activities on a prorated basis depending on the number of years during the renewal cycle the educator held an active license. If a licensee retires during a renewal cycle, the licensee must notify the State Board of Education using ELIS that the licensee wishes to maintain the license in retired status and must show proof of completion of professional development activities on a prorated basis for all years of that renewal cycle for which the license was active. An individual with a license in retired status shall not be required to complete professional development activities or pay registration fees until returning to a position that requires educator licensure. Upon returning to work in a position that requires the Professional Educator License, the licensee shall immediately pay a registration fee and complete renewal requirements for that year. A license in retired status cannot lapse. Beginning on January 6, 2017 (the effective date of Public Act 99-920) through December 31, 2017, any licensee who has retired and whose license has lapsed for failure to renew as provided in this Section may reinstate that license and maintain it in retired status upon providing proof to the State Board of Education using ELIS that the licensee is retired and is not working in a position that requires a Professional Educator License.

(7) For any renewal cycle in which professional development hours were required, but not fulfilled, the licensee shall complete any missed hours to total the minimum professional development hours required in this Section prior to September 1 of that year. Professional development hours used to fulfill the minimum required hours for a renewal cycle may be used for only one renewal cycle. For any fiscal year or renewal cycle in which an Illinois Administrators' Academy course was required but not completed, the licensee shall complete any missed Illinois Administrators' Academy courses prior to September 1 of that year. The licensee may complete all deficient hours and Illinois Administrators' Academy courses while continuing to work in a position that requires that license until September 1 of that year.

(8) Any licensee who has not fulfilled the professional development renewal requirements set forth in this Section at the end of any 5-year renewal cycle is ineligible to register his or her license and may submit an appeal to the State Superintendent of Education for reinstatement of the license.

(9) If professional development opportunities were unavailable to a licensee, proof that opportunities were unavailable and request for an extension of time beyond August 31 to complete the renewal requirements may be submitted from April 1 through June 30 of that year to the State Educator Preparation and Licensure Board. If an extension is approved, the license shall remain valid during the extension period.

(10) Individuals who hold exempt licenses prior to December 27, 2013 (the effective date of Public Act 98-610) shall commence the annual renewal process with the first scheduled registration due after December 27, 2013 (the effective date of Public Act 98-610).

(11) Notwithstanding any other provision of this subsection (e), if a licensee earns more than the required number of professional development hours during a renewal cycle, then the licensee may carry over any hours earned from April 1 through June 30 of the last year of the renewal cycle. Any hours carried over in this manner must be applied to the next renewal cycle. Illinois Administrators' Academy courses or hours earned in those courses may not be carried over.

This subsection (e) does not apply for 2 years beginning on the effective date of this amendatory Act of the 102nd General Assembly.

(f) At the time of renewal, each licensee shall respond to the required questions under penalty of perjury.

(f-5) The State Board of Education shall conduct random audits of licensees to verify a licensee's fulfillment of the professional development hours required under this Section. Upon completion of a random audit, if it is determined by the State Board of Education that the licensee did not complete the required number of professional development hours or did not provide sufficient proof of completion, the licensee shall be notified that his or her license has lapsed. A license that has lapsed under this subsection may be reinstated as provided in subsection (b).

(a) The General Assembly finds that a safe and civil school environment is necessary for students to learn and achieve and that bullying causes physical, psychological, and emotional harm to students and interferes with students' ability to learn and participate in school activities. The General Assembly further finds that bullying has been linked to other forms of antisocial behavior, such as vandalism, shoplifting, skipping and dropping out of school, fighting, using drugs and alcohol, sexual harassment, and sexual violence. Because of the negative outcomes associated with bullying in schools, the General Assembly finds that school districts, charter schools, and non-public, non-sectarian elementary and secondary schools should educate students, parents, and school district, charter school, or non-public, non-sectarian elementary or secondary school personnel about what behaviors constitute prohibited bullying.

Bullying on the basis of actual or perceived race, color, religion, sex, national origin, ancestry, age, marital status, physical or mental disability, military status, sexual orientation, gender-related identity or expression, unfavorable discharge from military service, association with a person or group with one or more of the aforementioned actual or perceived characteristics, or any other distinguishing characteristic is prohibited in all school districts, charter schools, and non-public, non-sectarian elementary and secondary schools. This item (4) applies only in cases in which a school administrator or teacher receives a report that bullying through this means has occurred and does not require a district or school to staff or monitor any nonschool-related activity, function, or program.

(a-5) Nothing in this Section is intended to infringe upon any right to exercise free expression or the free exercise of religion or religiously based views protected under the First Amendment to the United States Constitution or under Section 3 of Article I of the Illinois Constitution.

Juvenile law enforcement records may be obtained only under this Section and Section 1-8 and Part 9 of Article V of this Act, when their use is needed for good cause and with an order from the juvenile court, as required by those not authorized to retain them. Inspection, copying, and disclosure of juvenile law enforcement records

For purposes of this Section, "criminal street gang" has the meaning ascribed to it in Section 10 of the Illinois Streetgang Terrorism Omnibus Prevention Act.

(2) Prosecutors, public defenders, probation officers, social workers, or other individuals assigned by the court to conduct a pre-adjudication or pre-disposition investigation, and individuals responsible for supervising or providing temporary or permanent care and custody for minors under the order of the juvenile court, when essential to performing their responsibilities.

(8) The appropriate school official only if the agency or officer believes that there is an imminent threat of physical harm to students, school personnel, or others who are present in the school or on school grounds.

(A) Inspection and copying shall be limited to juvenile law enforcement records transmitted to the appropriate school official or officials whom the school has determined to have a legitimate educational or safety interest by a local law enforcement agency under a reciprocal reporting system established and maintained between the school district and the local law enforcement agency under Section 10-20.14 of the School Code concerning a minor enrolled in a school within the school district who has been arrested or taken into custody for any of the following offenses:

(i) any violation of Article 24 of the Criminal Code of 1961 or the Criminal Code of 2012;

(ii) a violation of the Illinois Controlled Substances Act;

(iii) a violation of the Cannabis Control Act;

(iv) a forcible felony as defined in Section 2-8 of the Criminal Code of 1961 or the Criminal Code of 2012;

(v) a violation of the Methamphetamine Control and Community Protection Act;

The information derived from the juvenile law enforcement records shall be kept separate from and shall not become a part of the official school record of that child and shall not be a public record. The information shall be used solely by the appropriate school official or officials whom the school has determined to have a legitimate educational or safety interest to aid in the proper rehabilitation of the child and to protect the safety of students and employees in the school. If the designated law enforcement and school officials deem it to be in the best interest of the minor, the student may be referred to in-school or community-based social services if those services are available. "Rehabilitation services" may include interventions by school support personnel, evaluation for eligibility for special education, referrals to community-based agencies such as youth services, behavioral healthcare service providers, drug and alcohol prevention or treatment programs, and other interventions as deemed appropriate for the student.

(B) Any information provided to appropriate school officials whom the school has determined to have a legitimate educational or safety interest by local law enforcement officials about a minor who is the subject of a current police investigation that is directly related to school safety shall consist of oral information only, and not written juvenile law enforcement records, and shall be used solely by the appropriate school official or officials to protect the safety of students and employees in the school and aid in the proper rehabilitation of the child. The information derived orally from the local law enforcement officials shall be kept separate from and shall not become a part of the official school record of the child and shall not be a public record. This limitation on the use of information about a minor who is the subject of a current police investigation shall in no way limit the use of this information by prosecutors in pursuing criminal charges arising out of the information disclosed during a police investigation of the minor. For purposes of this paragraph, "investigation" means an official systematic inquiry by a law enforcement agency into actual or suspected criminal activity.

(9) Mental health professionals on behalf of the Department of Corrections or the Department of Human Services or prosecutors who are evaluating, prosecuting, or investigating a potential or actual petition brought under the Sexually Violent Persons Commitment Act relating to a person who is the subject of juvenile law enforcement records or the respondent to a petition brought under the Sexually Violent Persons Commitment Act who is the subject of the juvenile law enforcement records sought. Any juvenile law enforcement records and any information obtained from those juvenile law enforcement records under this paragraph (9) may be used only in sexually violent persons commitment proceedings.

(10) The president of a park district. Inspection and copying shall be limited to juvenile law enforcement records transmitted to the president of the park district by the Illinois State Police under Section 8-23 of the Park District Code or Section 16a-5 of the Chicago Park District Act concerning a person who is seeking employment with that park district and who has been adjudicated a juvenile delinquent for any of the offenses listed in subsection (c) of Section 8-23 of the Park District Code or subsection (c) of Section 16a-5 of the Chicago Park District Act.

(11) Persons managing and designated to participate in a court diversion program as designated in subsection (6) of Section 5-105.

(13) Collection agencies, contracted or otherwise engaged by a governmental entity, to collect any debts due and owing to the governmental entity.

(B)(1) Except as provided in paragraph (2), no law enforcement officer or other person or agency may knowingly transmit to the Department of Corrections, the Illinois State Police, or the Federal Bureau of Investigation any fingerprint or photograph relating to a minor who has been arrested or taken into custody

before his or her 18th birthday, unless the court in proceedings under this Act authorizes the transmission or enters an order under Section 5-805 permitting or requiring the institution of criminal proceedings.

(2) Law enforcement officers or other persons or agencies shall transmit to the Illinois State Police copies of fingerprints and descriptions of all minors who have been arrested or taken into custody before their 18th birthday for the offense of unlawful use of weapons under Article 24 of the Criminal Code of 1961 or the Criminal Code of 2012, a Class X or Class 1 felony, a forcible felony as defined in Section 2-8 of the Criminal Code of 1961 or the Criminal Code of 2012, or a Class 2 or greater felony under the Cannabis Control Act, the Illinois Controlled Substances Act, the Methamphetamine Control and Community Protection Act, or Chapter 4 of the Illinois Vehicle Code, pursuant to Section 5 of the Criminal Identification Act. Information reported to the Department pursuant to this Section may be maintained with records that the Department files pursuant to Section 2.1 of the Criminal Identification Act. Nothing in this Act prohibits a law enforcement agency from fingerprinting a minor taken into custody or arrested before his or her 18th birthday for an offense other than those listed in this paragraph (2).

(C) The records of law enforcement officers, or of an independent agency created by ordinance and charged by a unit of local government with the duty of investigating the conduct of law enforcement officers, concerning all minors under 18 years of age must be maintained separate from the records of arrests and may not be open to public inspection or their contents disclosed to the public. For purposes of obtaining documents under this Section, a civil subpoena is not an order of the court.

(1) In cases where the law enforcement, or independent agency, records concern a pending juvenile court case, the party seeking to inspect the records shall provide actual notice to the attorney or guardian ad litem of the minor whose records are sought.

(2) In cases where the records concern a juvenile court case that is no longer pending, the party seeking to inspect the records shall provide actual notice to the minor or the minor's parent or legal guardian, and the matter shall be referred to the chief judge presiding over matters pursuant to this Act.

(3) In determining whether the records should be available for inspection, the court shall consider the minor's interest in confidentiality and rehabilitation over the moving party's interest in obtaining the information. Any records obtained in violation of this subsection (C) shall not be admissible in any criminal or civil proceeding, or operate to disqualify a minor from subsequently holding public office or securing employment, or operate as a forfeiture of any public benefit, right, privilege, or right to receive any license granted by public authority.

(D) Nothing contained in subsection (C) of this Section shall prohibit the inspection or disclosure to victims and witnesses of photographs contained in the records of law enforcement agencies when the inspection and disclosure is conducted in the presence of a law enforcement officer for the purpose of the identification or apprehension of any person subject to the provisions of this Act or for the investigation or prosecution of any crime.

(E) Law enforcement officers, and personnel of an independent agency created by ordinance and charged by a unit of local government with the duty of investigating the conduct of law enforcement officers, may not disclose the identity of any minor in releasing information to the general public as to the arrest, investigation or disposition of any case involving a minor.

(F) Nothing contained in this Section shall prohibit law enforcement agencies from communicating with each other by letter, memorandum, teletype, or intelligence alert bulletin or other means the identity or other relevant information pertaining to a person under 18 years of age if there are reasonable grounds to believe that the person poses a real and present danger to the safety of the public or law enforcement officers. The information provided under this subsection (F) shall remain confidential and shall not be publicly disclosed, except as otherwise allowed by law.

(G) Nothing in this Section shall prohibit the right of a Civil Service Commission or appointing authority of any federal government, state, county or municipality examining the character and fitness of an applicant for employment with a law enforcement agency, correctional institution, or fire department from obtaining and examining the records of any law enforcement agency relating to any record of the applicant having been arrested or taken into custody before the applicant's 18th birthday.

(G-5) Information identifying victims and alleged victims of sex offenses shall not be disclosed or open to the public under any circumstances. Nothing in this Section shall prohibit the victim or alleged victim of any sex offense from voluntarily disclosing his or her own identity.

(I) Willful violation of this Section is a Class C misdemeanor and each violation is subject to a fine of \$1,000. This subsection (I) shall not apply to the person who is the subject of the record.

(J) A person convicted of violating this Section is liable for damages in the amount of \$1,000 or actual damages, whichever is greater.

(A) All juvenile law enforcement records which have not been expunged are confidential and may never be disclosed to the general public or otherwise made widely available. Juvenile law enforcement records may be obtained only under this Section and Section 1-8 and Part 9 of Article V of this Act, when their use is needed for good cause and with an order from the juvenile court, as required by those not authorized to retain them. Inspection, copying, and disclosure of juvenile law enforcement records maintained by law enforcement agencies or records of municipal ordinance violations maintained by any State, local, or municipal agency that relate to a minor who has been investigated, arrested, or taken into custody before his or her 18th birthday shall be restricted to the following:

(0.15) An administrative adjudication hearing officer or members of the staff designated to assist in the administrative adjudication process.

(1) Any local, State, or federal law enforcement officers or designated law enforcement staff of any jurisdiction or agency when necessary for the discharge of their official duties during the investigation or prosecution of a crime or relating to a minor who has been adjudicated delinquent and there has been a previous finding that the act which constitutes the previous offense was committed in furtherance of criminal activities by a criminal street gang, or, when necessary for the discharge of its official duties in connection with a particular investigation of the conduct of a law enforcement officer, an independent agency or its staff created by ordinance and charged by a unit of local government with the duty of investigating the conduct of law enforcement officers. For purposes of this Section, "criminal street gang" has the meaning ascribed to it in Section 10 of the Illinois Streetgang Terrorism Omnibus Prevention Act.

(2) Prosecutors, public defenders, probation officers, social workers, or other individuals assigned by the court to conduct a pre-adjudication or pre-disposition investigation, and individuals responsible for supervising or providing temporary or permanent care and custody for minors under the order of the juvenile court, when essential to performing their responsibilities.

(3) Federal, State, or local prosecutors, public defenders, probation officers, and designated staff:

(a) in the course of a trial when institution of criminal proceedings has been permitted or required under Section 5-805;

(b) when institution of criminal proceedings has been permitted or required under Section 5-805 and the minor is the subject of a proceeding to determine the conditions of pretrial release;

(c) when criminal proceedings have been permitted or required under Section 5-805 and the minor is the subject of a pre-trial investigation, pre-sentence investigation, fitness hearing, or proceedings on an application for probation; or

(d) in the course of prosecution or administrative adjudication of a violation of a traffic, boating, or fish and game law, or a county or municipal ordinance.

(4) Adult and Juvenile Prisoner Review Board.

(5) Authorized military personnel.

(5.5) Employees of the federal government authorized by law.

(6) Persons engaged in bona fide research, with the permission of the Presiding Judge and the chief executive of the respective law enforcement agency; provided that publication of such research results in no disclosure of a minor's identity and protects the confidentiality of the minor's record.

(7) Department of Children and Family Services child protection investigators acting in their official capacity.

(8) The appropriate school official only if the agency or officer believes that there is an imminent threat of physical harm to students, school personnel, or others ~~who are present in the school or on school grounds.~~

(A) Inspection and copying shall be limited to juvenile law enforcement records transmitted to the appropriate school official or officials whom the school has determined to have a legitimate educational or safety interest by a local law enforcement agency under a reciprocal reporting system established and maintained between the school district and the local law enforcement agency under Section 10-20.14 of the School Code concerning a minor enrolled in a school within the school district who has been arrested or taken into custody for any of the following offenses:

- (i) any violation of Article 24 of the Criminal Code of 1961 or the Criminal Code of 2012;
- (ii) a violation of the Illinois Controlled Substances Act;
- (iii) a violation of the Cannabis Control Act;
- (iv) a forcible felony as defined in Section 2-8 of the Criminal Code of 1961 or the Criminal Code of 2012;
- (v) a violation of the Methamphetamine Control and Community Protection Act;
- (vi) a violation of Section 1-2 of the Harassing and Obscene Communications Act;

The information derived from the juvenile law enforcement records shall be kept separate from and shall not become a part of the official school record of that child and shall not be a public record. The information shall be used solely by the appropriate school official or officials whom the school has determined to have a legitimate educational or safety interest to aid in the proper rehabilitation of the child and to protect the safety of students and employees in the school. If the designated law enforcement and school officials deem it to be in the best interest of the minor, the student may be referred to in-school or community-based social services if those services are available. "Rehabilitation services" may include interventions by school support personnel, evaluation for eligibility for special education, referrals to community-based agencies such as youth services, behavioral healthcare service providers, drug and alcohol prevention or treatment programs, and other interventions as deemed appropriate for the student.

(B) Any information provided to appropriate school officials whom the school has determined to have a legitimate educational or safety interest by local law enforcement officials about a minor who is the subject of a current police investigation that is directly related to school safety shall consist of oral information only, and not written juvenile law enforcement records, and shall be used solely by the appropriate school official or officials to protect the safety of students and employees in the school and aid in the proper rehabilitation of the child. The information derived orally from the local law enforcement officials shall be kept separate from and shall not become a part of the official school record of the child and shall not be a public record. This limitation on the use of information about a minor who is the subject of a current police investigation shall in no way limit the use of this information by prosecutors in pursuing criminal charges arising out of the information disclosed during a police investigation of the minor. For purposes of this paragraph, "investigation" means an official systematic inquiry by a law enforcement agency into actual or suspected criminal activity.

(9) Mental health professionals on behalf of the Department of Corrections or the Department of Human Services or prosecutors who are evaluating, prosecuting, or investigating a potential or actual petition brought under the Sexually Violent Persons Commitment Act relating to a person who is the subject of juvenile law enforcement records or the respondent to a petition brought under the

Sexually Violent Persons Commitment Act who is the subject of the juvenile law enforcement records sought. Any juvenile law enforcement records and any information obtained from those juvenile law enforcement records under this paragraph (9) may be used only in sexually violent persons commitment proceedings.

(10) The president of a park district. Inspection and copying shall be limited to juvenile law enforcement records transmitted to the president of the park district by the Illinois State Police under Section 8-23 of the Park District Code or Section 16a-5 of the Chicago Park District Act concerning a person who is seeking employment with that park district and who has been adjudicated a juvenile delinquent for any of the offenses listed in subsection (c) of Section 8-23 of the Park District Code or subsection (c) of Section 16a-5 of the Chicago Park District Act.

(11) Persons managing and designated to participate in a court diversion program as designated in subsection (6) of Section 5-105.

(12) The Public Access Counselor of the Office of the Attorney General, when reviewing juvenile law enforcement records under its powers and duties under the Freedom of Information Act.

(13) Collection agencies, contracted or otherwise engaged by a governmental entity, to collect any debts due and owing to the governmental entity.

(B)(1) Except as provided in paragraph (2), no law enforcement officer or other person or agency may knowingly transmit to the Department of Corrections, the Illinois State Police, or the Federal Bureau of Investigation any fingerprint or photograph relating to a minor who has been arrested or taken into custody before his or her 18th birthday, unless the court in proceedings under this Act authorizes the transmission or enters an order under Section 5-805 permitting or requiring the institution of criminal proceedings.

(2) Law enforcement officers or other persons or agencies shall transmit to the Illinois State Police copies of fingerprints and descriptions of all minors who have been arrested or taken into custody before their 18th birthday for the offense of unlawful use of weapons under Article 24 of the Criminal Code of 1961 or the Criminal Code of 2012, a Class X or Class 1 felony, a forcible felony as defined in Section 2-8 of the Criminal Code of 1961 or the Criminal Code of 2012, or a Class 2 or greater felony under the Cannabis Control Act, the Illinois Controlled Substances Act, the Methamphetamine Control and Community Protection Act, or Chapter 4 of the Illinois Vehicle Code, pursuant to Section 5 of the Criminal Identification Act. Information reported to the Department pursuant to this Section may be maintained with records that the Department files pursuant to Section 2.1 of the Criminal Identification Act. Nothing in this Act prohibits a law enforcement agency from fingerprinting a minor taken into custody or arrested before his or her 18th birthday for an offense other than those listed in this paragraph (2).

(C) The records of law enforcement officers, or of an independent agency created by ordinance and charged by a unit of local government with the duty of investigating the conduct of law enforcement officers, concerning all minors under 18 years of age must be maintained separate from the records of arrests and may not be open to public inspection or their contents disclosed to the public. For purposes of obtaining documents under this Section, a civil subpoena is not an order of the court.

(1) In cases where the law enforcement, or independent agency, records concern a pending juvenile court case, the party seeking to inspect the records shall provide actual notice to the attorney or guardian ad litem of the minor whose records are sought.

(2) In cases where the records concern a juvenile court case that is no longer pending, the party seeking to inspect the records shall provide actual notice to the minor or the minor's parent or legal guardian, and the matter shall be referred to the chief judge presiding over matters pursuant to this Act.

(3) In determining whether the records should be available for inspection, the court shall consider the minor's interest in confidentiality and rehabilitation over the moving party's interest in obtaining the information. Any records obtained in violation of this subsection (C) shall not be admissible in any criminal or civil proceeding, or operate to disqualify a minor from subsequently holding public office or securing employment, or operate as a forfeiture of any public benefit, right, privilege, or right to receive any license granted by public authority.

(D) Nothing contained in subsection (C) of this Section shall prohibit the inspection or disclosure to victims and witnesses of photographs contained in the records of law enforcement agencies when the inspection and disclosure is conducted in the presence of a law enforcement officer for the purpose of the identification or apprehension of any person subject to the provisions of this Act or for the investigation or prosecution of any crime.

(E) Law enforcement officers, and personnel of an independent agency created by ordinance and charged by a unit of local government with the duty of investigating the conduct of law enforcement officers, may not disclose the identity of any minor in releasing information to the general public as to the arrest, investigation or disposition of any case involving a minor.

(F) Nothing contained in this Section shall prohibit law enforcement agencies from communicating with each other by letter, memorandum, teletype, or intelligence alert bulletin or other means the identity or other relevant information pertaining to a person under 18 years of age if there are reasonable grounds to believe that the person poses a real and present danger to the safety of the public or law enforcement officers. The information provided under this subsection (F) shall remain confidential and shall not be publicly disclosed, except as otherwise allowed by law.

(G) Nothing in this Section shall prohibit the right of a Civil Service Commission or appointing authority of any federal government, state, county or municipality examining the character and fitness of an applicant for employment with a law enforcement agency, correctional institution, or fire department from obtaining and examining the records of any law enforcement agency relating to any record of the applicant having been arrested or taken into custody before the applicant's 18th birthday.

(G-5) Information identifying victims and alleged victims of sex offenses shall not be disclosed or open to the public under any circumstances. Nothing in this Section shall prohibit the victim or alleged victim of any sex offense from voluntarily disclosing his or her own identity.

(H) The changes made to this Section by Public Act 98-61 apply to law enforcement records of a minor who has been arrested or taken into custody on or after January 1, 2014 (the effective date of Public Act 98-61).

(H-5) Nothing in this Section shall require any court or adjudicative proceeding for traffic, boating, fish and game law, or municipal and county ordinance violations to be closed to the public.

(I) Willful violation of this Section is a Class C misdemeanor and each violation is subject to a fine of \$1,000. This subsection (I) shall not apply to the person who is the subject of the record.

(J) A person convicted of violating this Section is liable for damages in the amount of \$1,000 or actual damages, whichever is greater.
